Sie diskutierten, ob die Menschen

sich vor Gott mehr fürchten sollen

als vor den Leuten

Er sagte zu seinen Schülern:

„Es wäre genug, wenn ihr Gott so sehr fürchtet“

„wie ihr die Menschen fürchtet“

„Denn wenn ein Mensch eine Sünde begeht,
dann will er nicht, dass dies ein Mensch sieht“

„Vor Gott, der alles sieht, hat er keine Scheu“

Deshalb gab er ihnen als seinen Segen mit:

Sie sollen sich vor Gott genauso fürchten
wie vor den Menschen

the 1990s, the number of people in the UK who are employed in the public sector has increased from 10.5 million to 12.5 million, and the number of people in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector. One of the main reasons is the increase in the number of people who are employed in the public sector who are employed in health care. This is due to the fact that the number of people who are employed in the public sector who are employed in health care has increased from 2.5 million to 3.5 million (Department of Health 2000).

Another reason for the increase in the number of people employed in the public sector is the increase in the number of people who are employed in the public sector who are employed in education. This is due to the fact that the number of people who are employed in the public sector who are employed in education has increased from 1.5 million to 2.5 million (Department of Health 2000).

A third reason for the increase in the number of people employed in the public sector is the increase in the number of people who are employed in the public sector who are employed in social care. This is due to the fact that the number of people who are employed in the public sector who are employed in social care has increased from 0.5 million to 1.5 million (Department of Health 2000).

There are a number of reasons for the increase in the number of people employed in the public sector who are employed in health care, education, and social care.
