Intelligenz

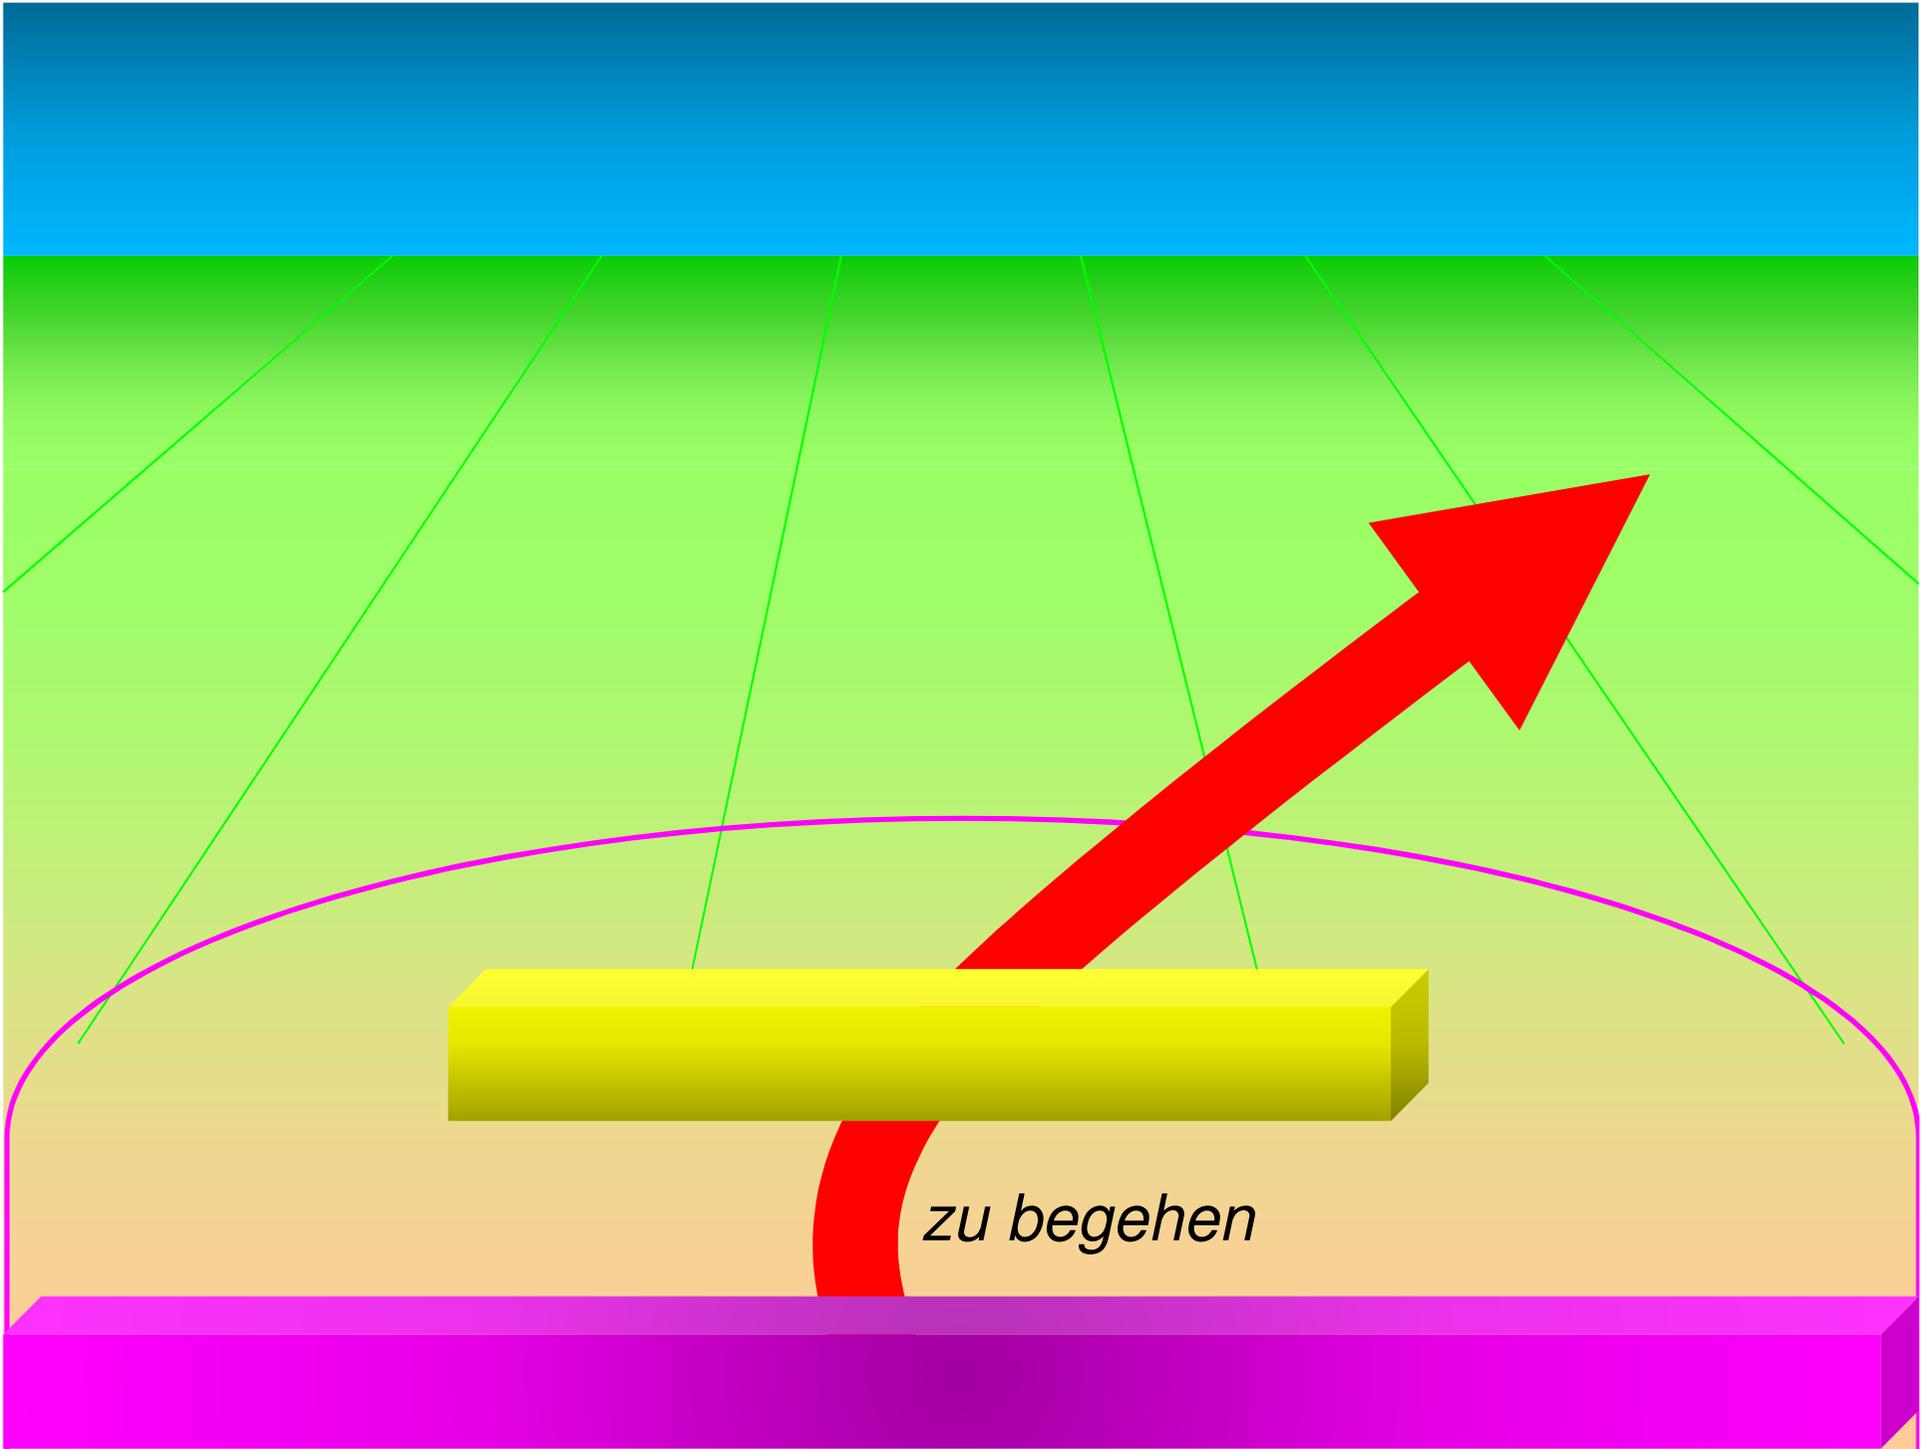

The background of the slide features a vertical gradient from green at the top to orange at the bottom. A thick purple arch spans across the middle of the page. Several thin green lines radiate from the top edge of the slide, passing through the arch and extending downwards.

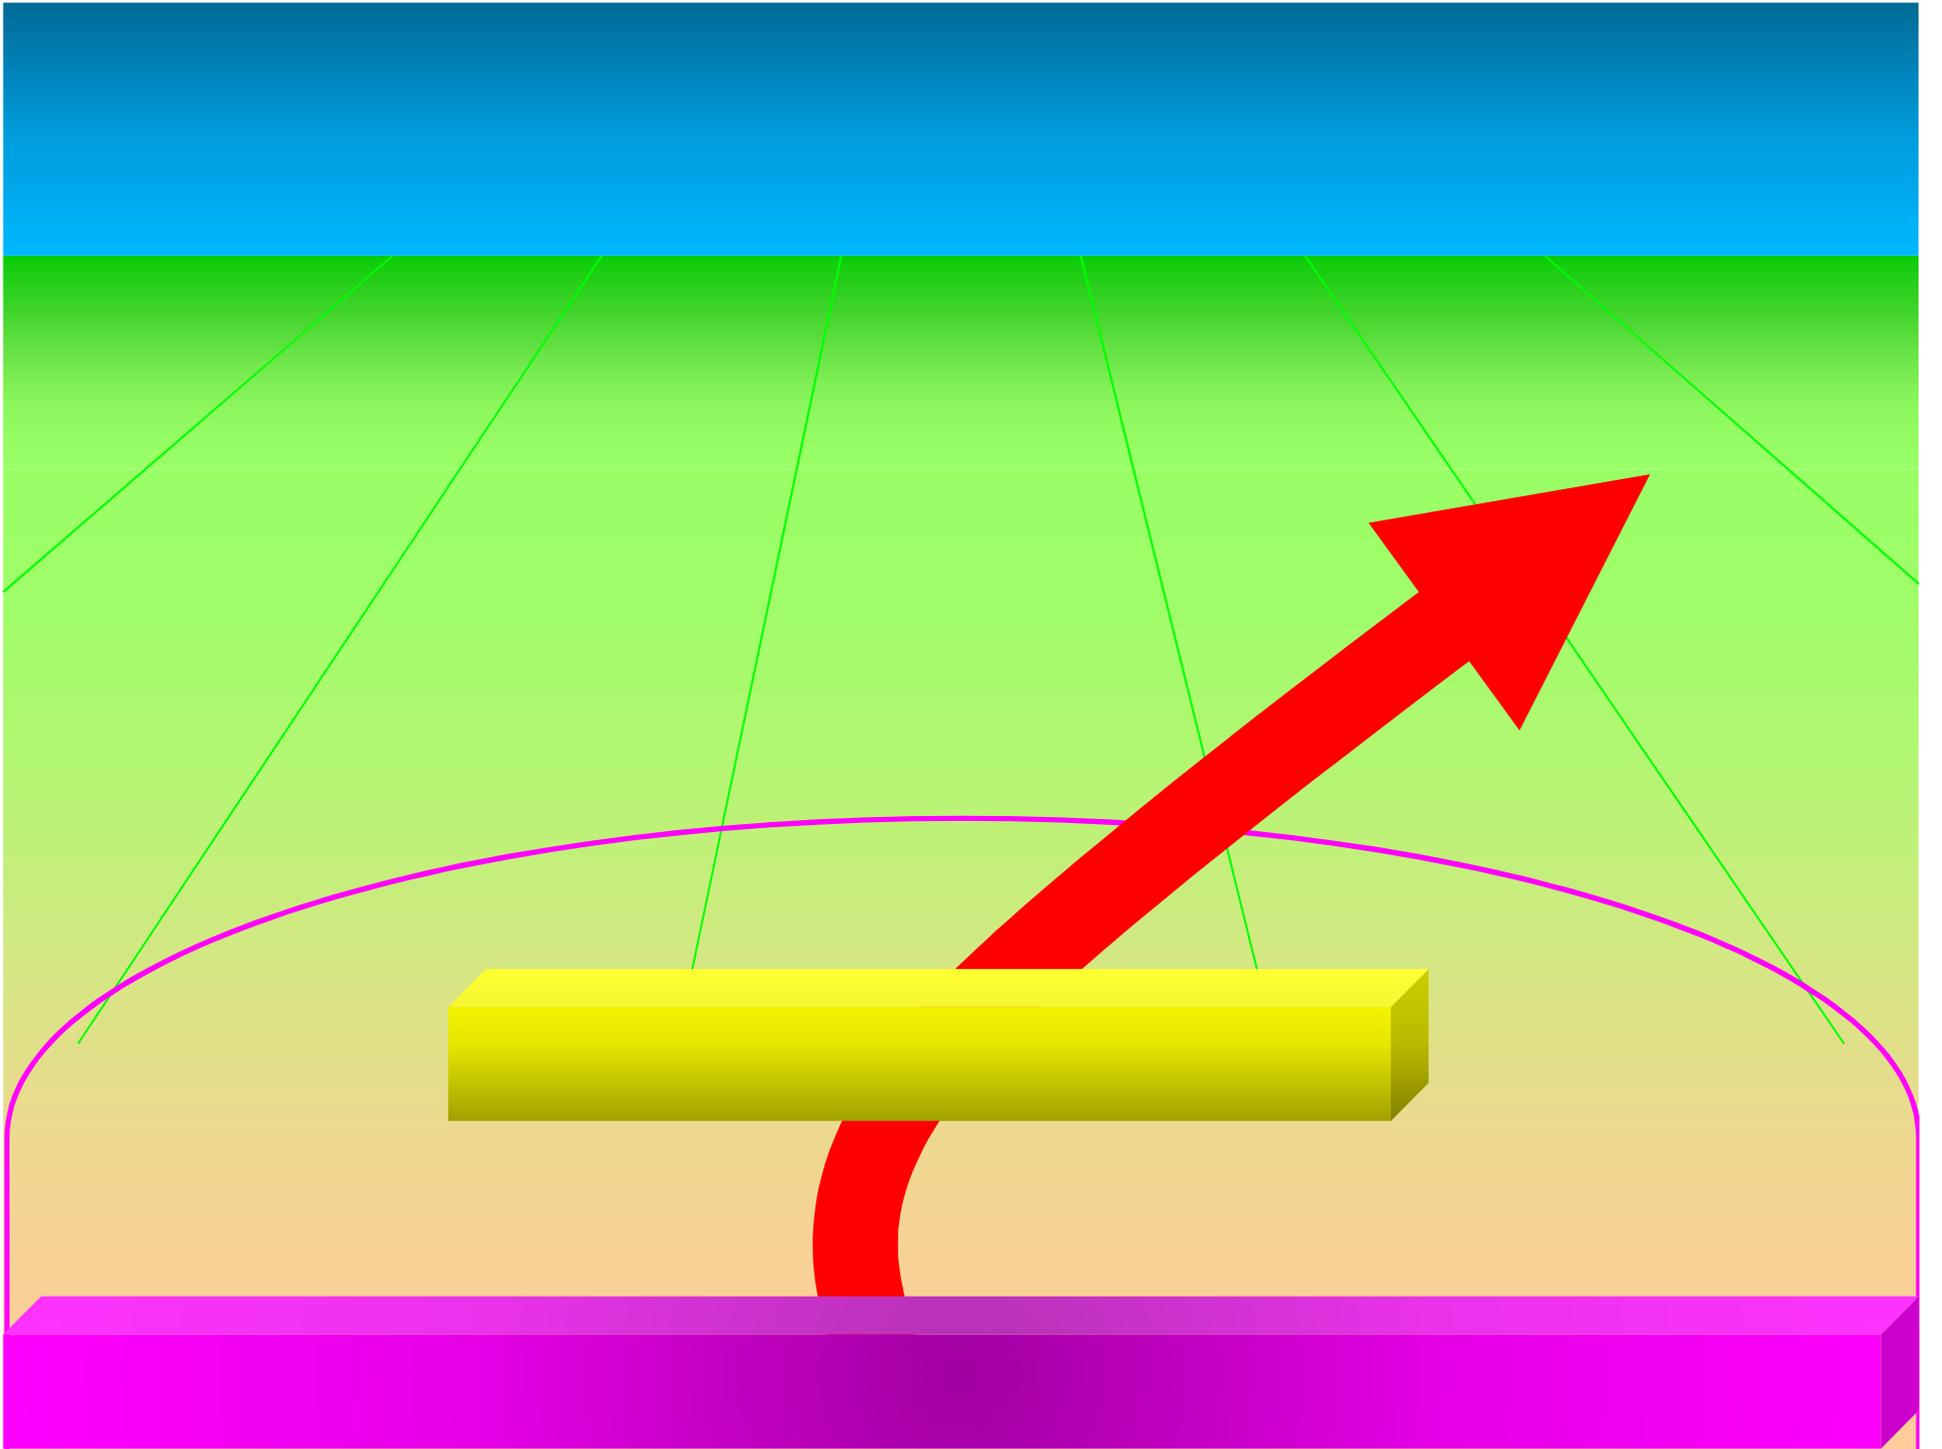

*Intelligenz dient uns manchmal dazu,*

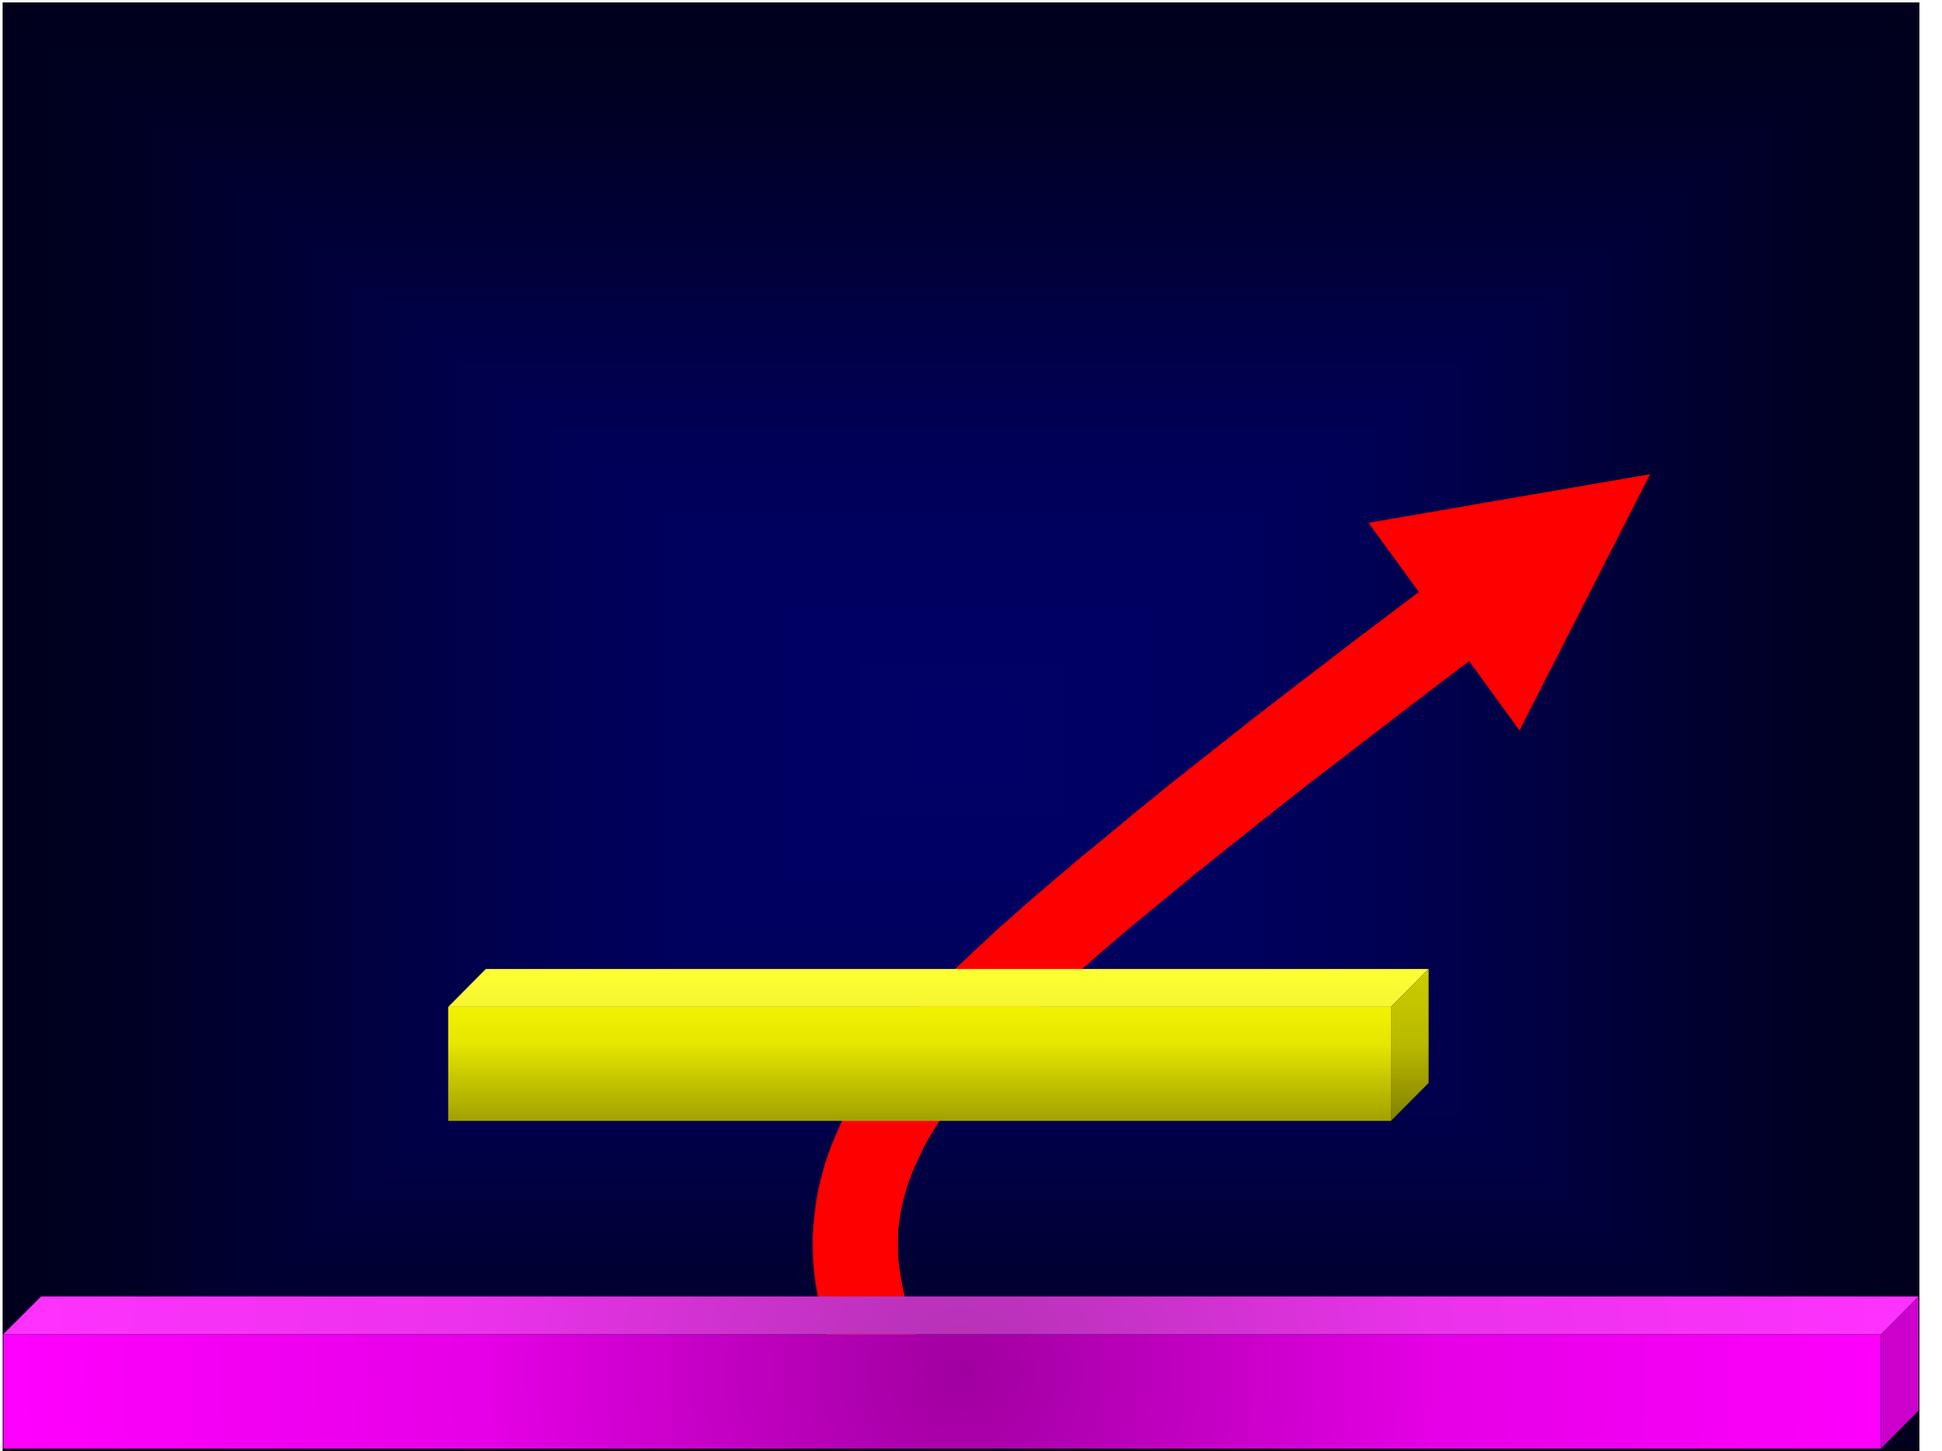

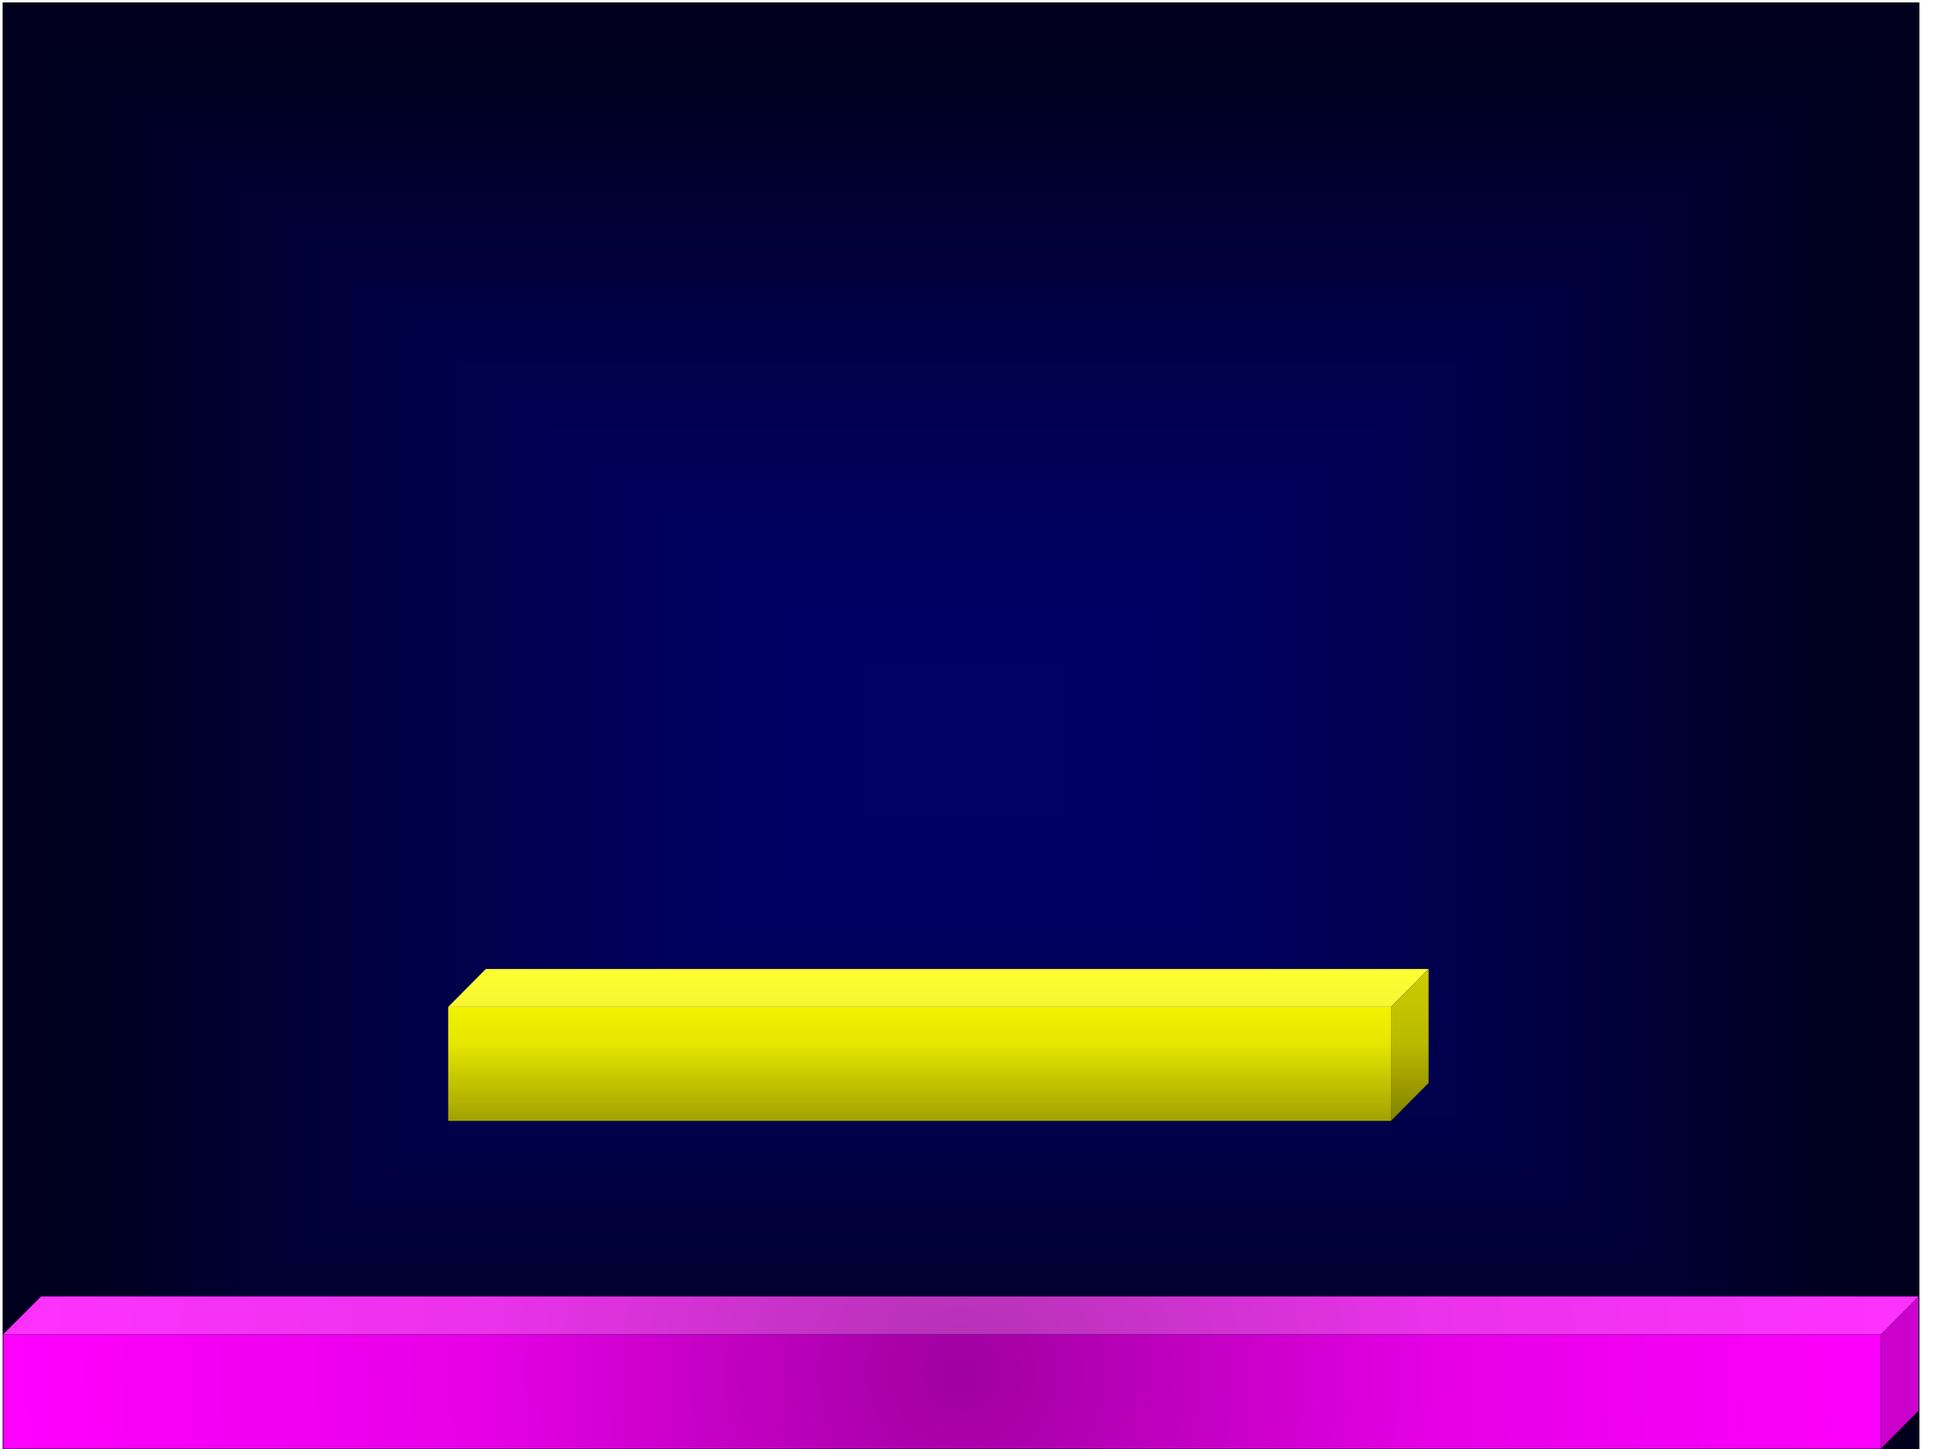

*kühn Dummheiten*

*zu begehen*

**L'esprit nous sert quelquefois à faire hardiment des sottises**

Intelligenz schützt nicht vor Dummheit.

Intelligenz kann Kühnheit verleihen,  
eine (an sich erkannte) Dummheit zu begehen.

Rechtfertigt Intelligenz alles?
