Die ganze Welt, Herr Jesu Christ

Halleluja, Halleluja

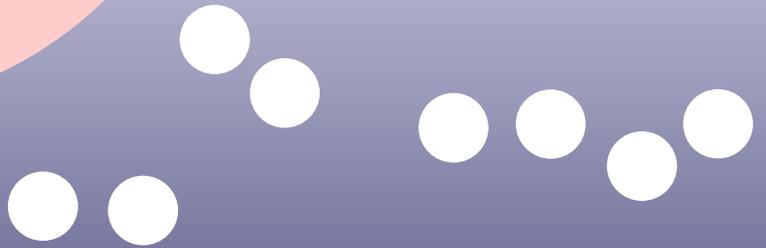

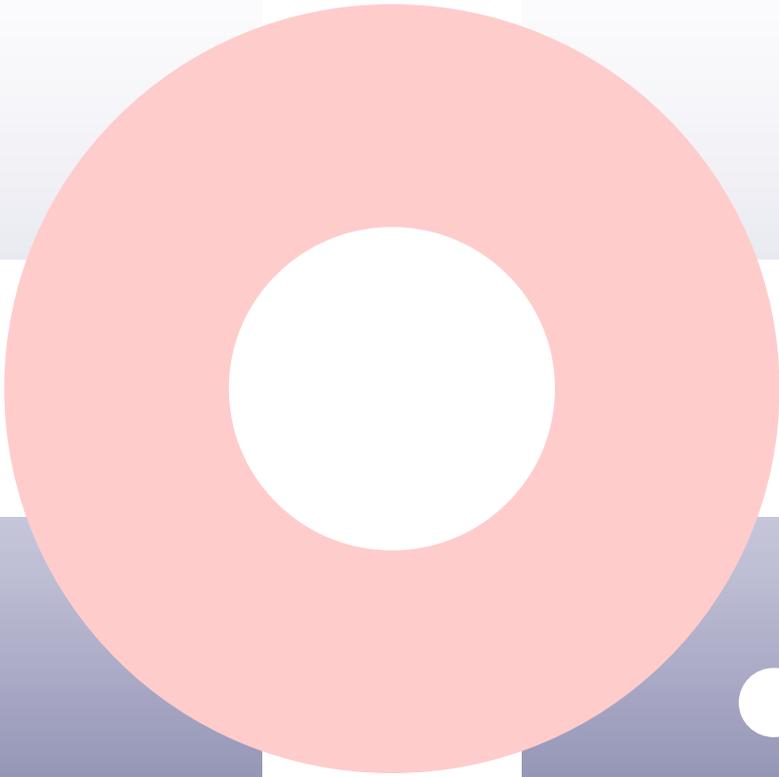

in deiner Urständ fröhlich ist

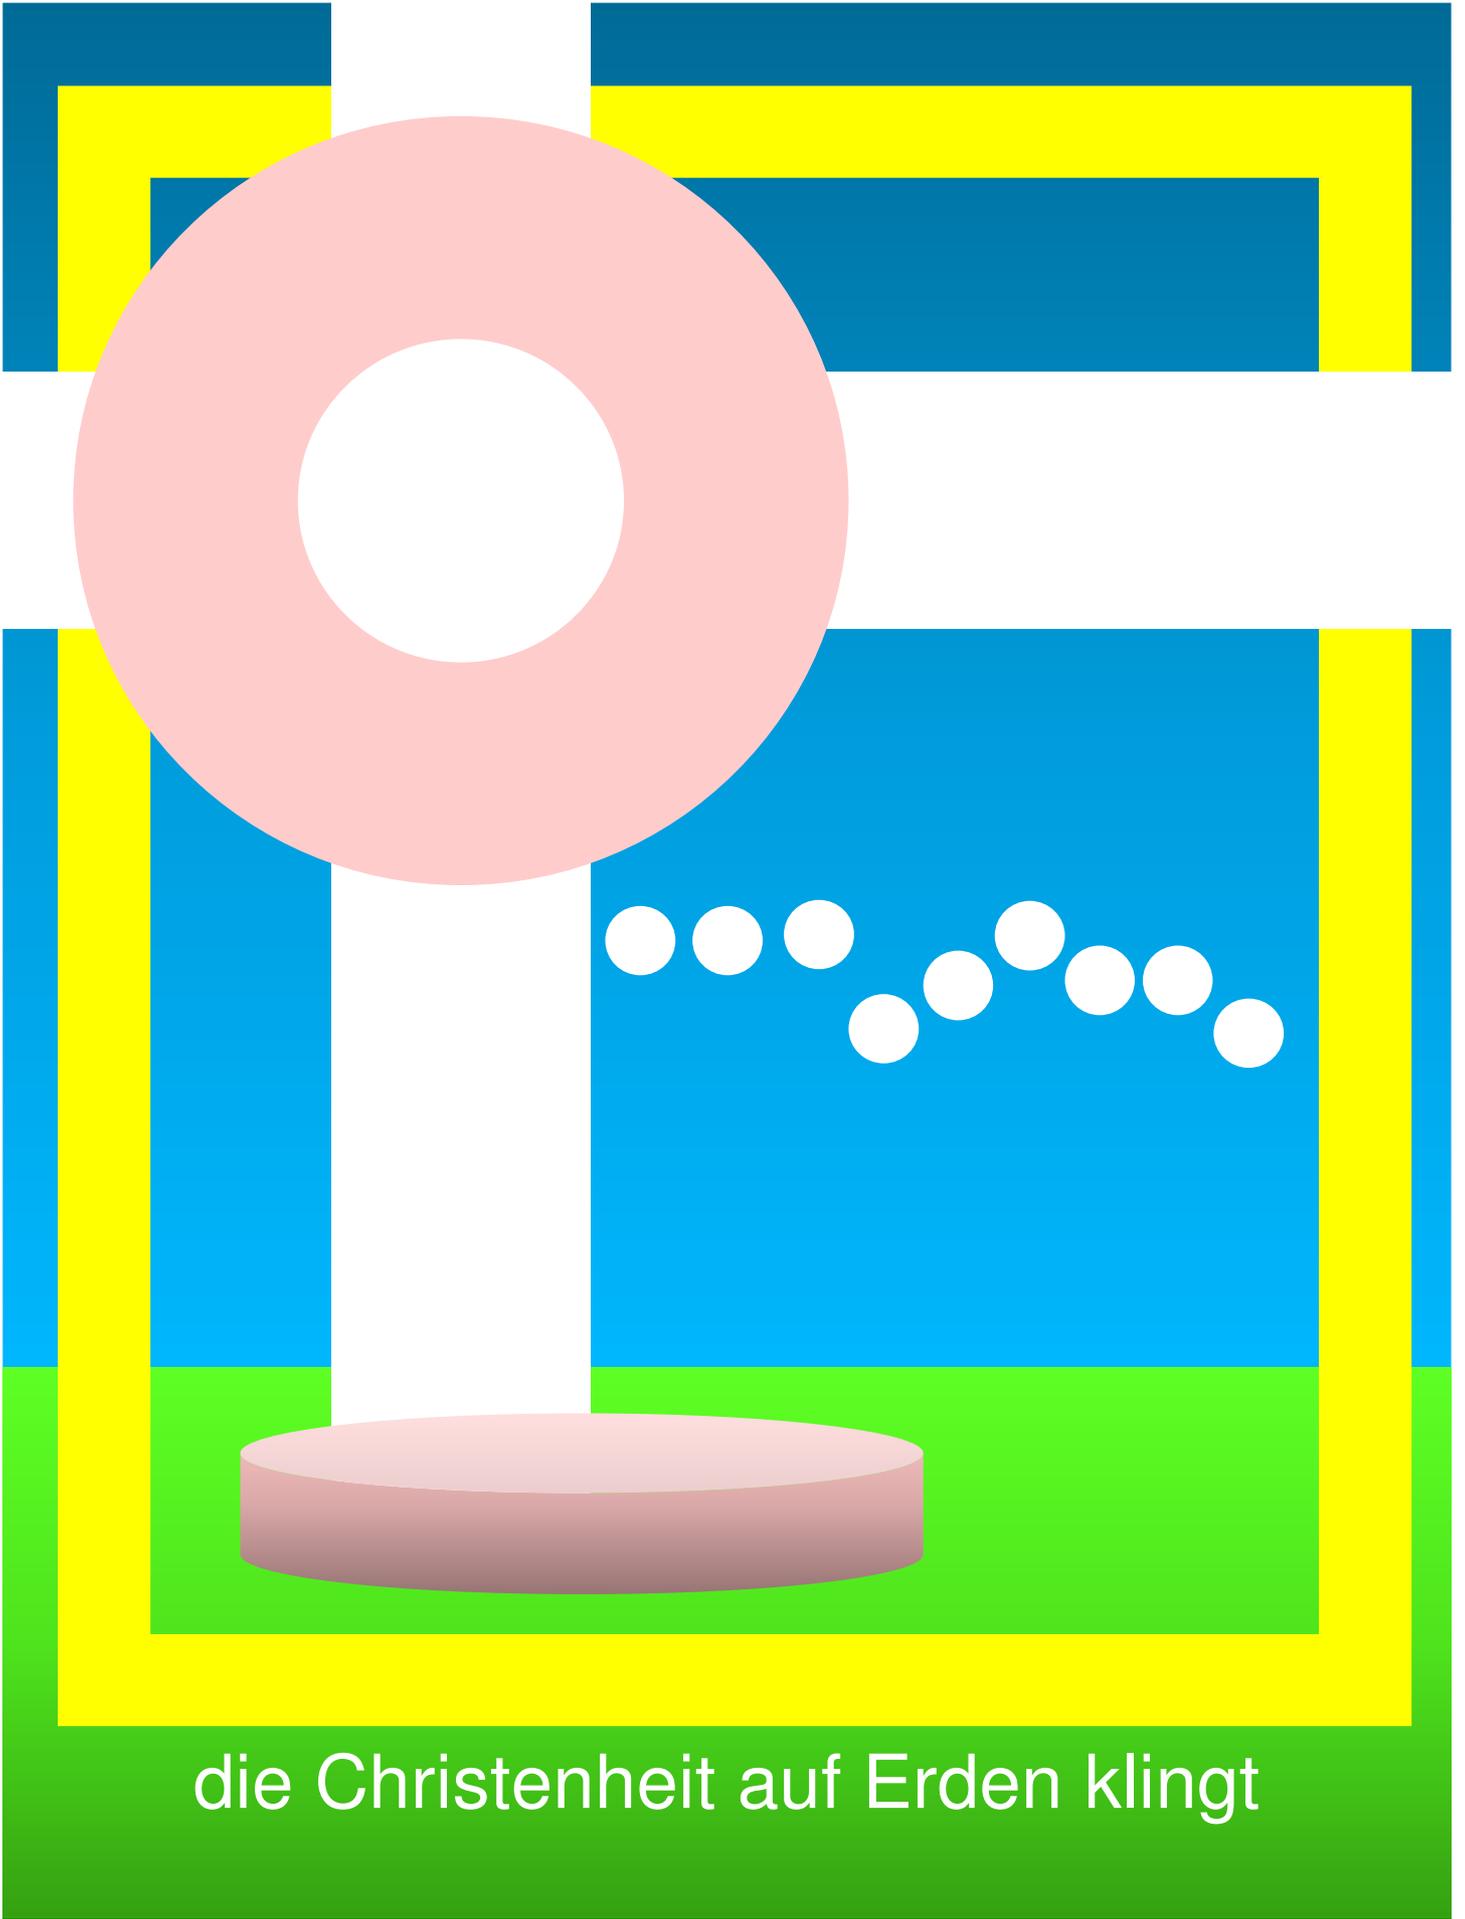

Halleluja, Halleluja

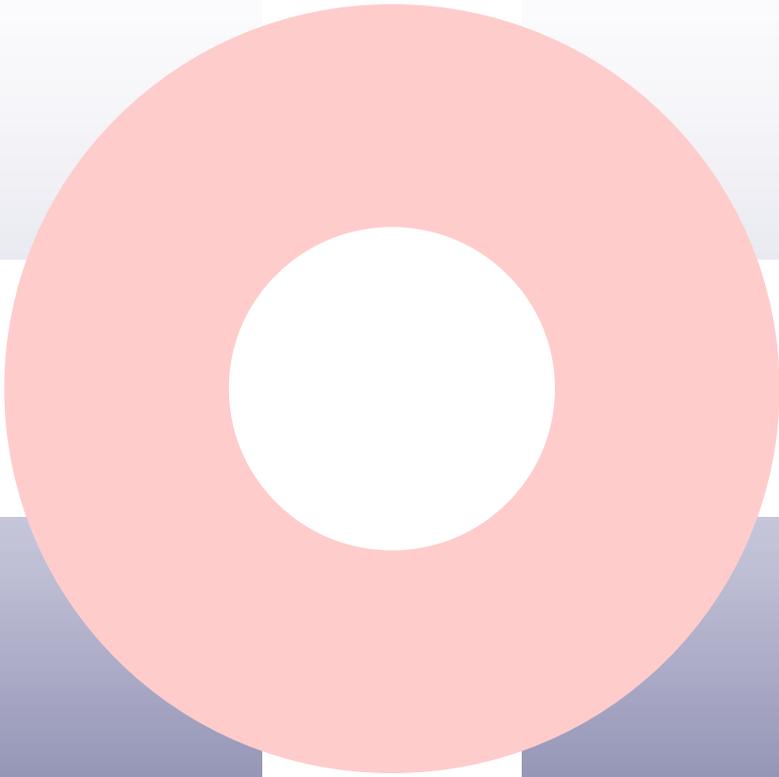

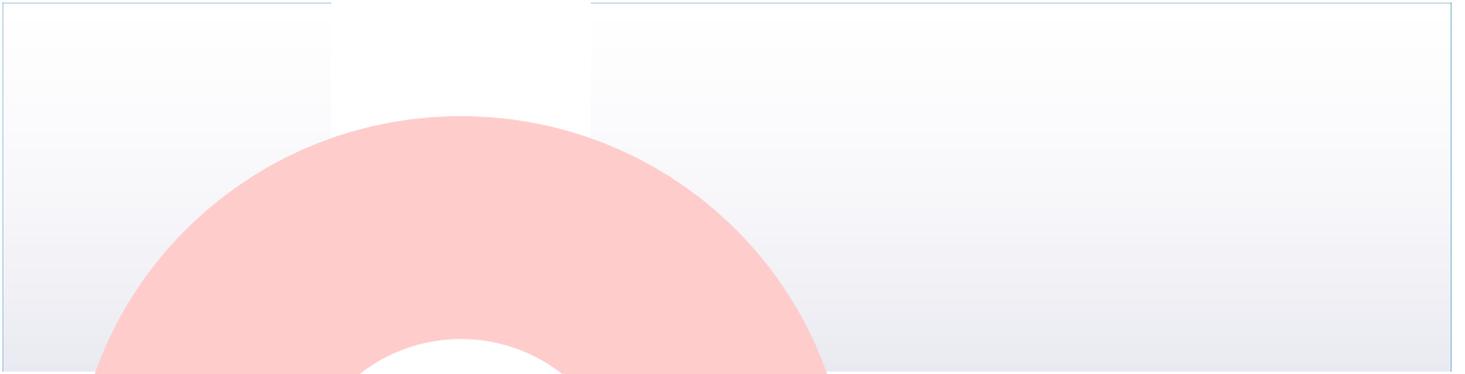

Das himmlisch Heer im Himmel singt

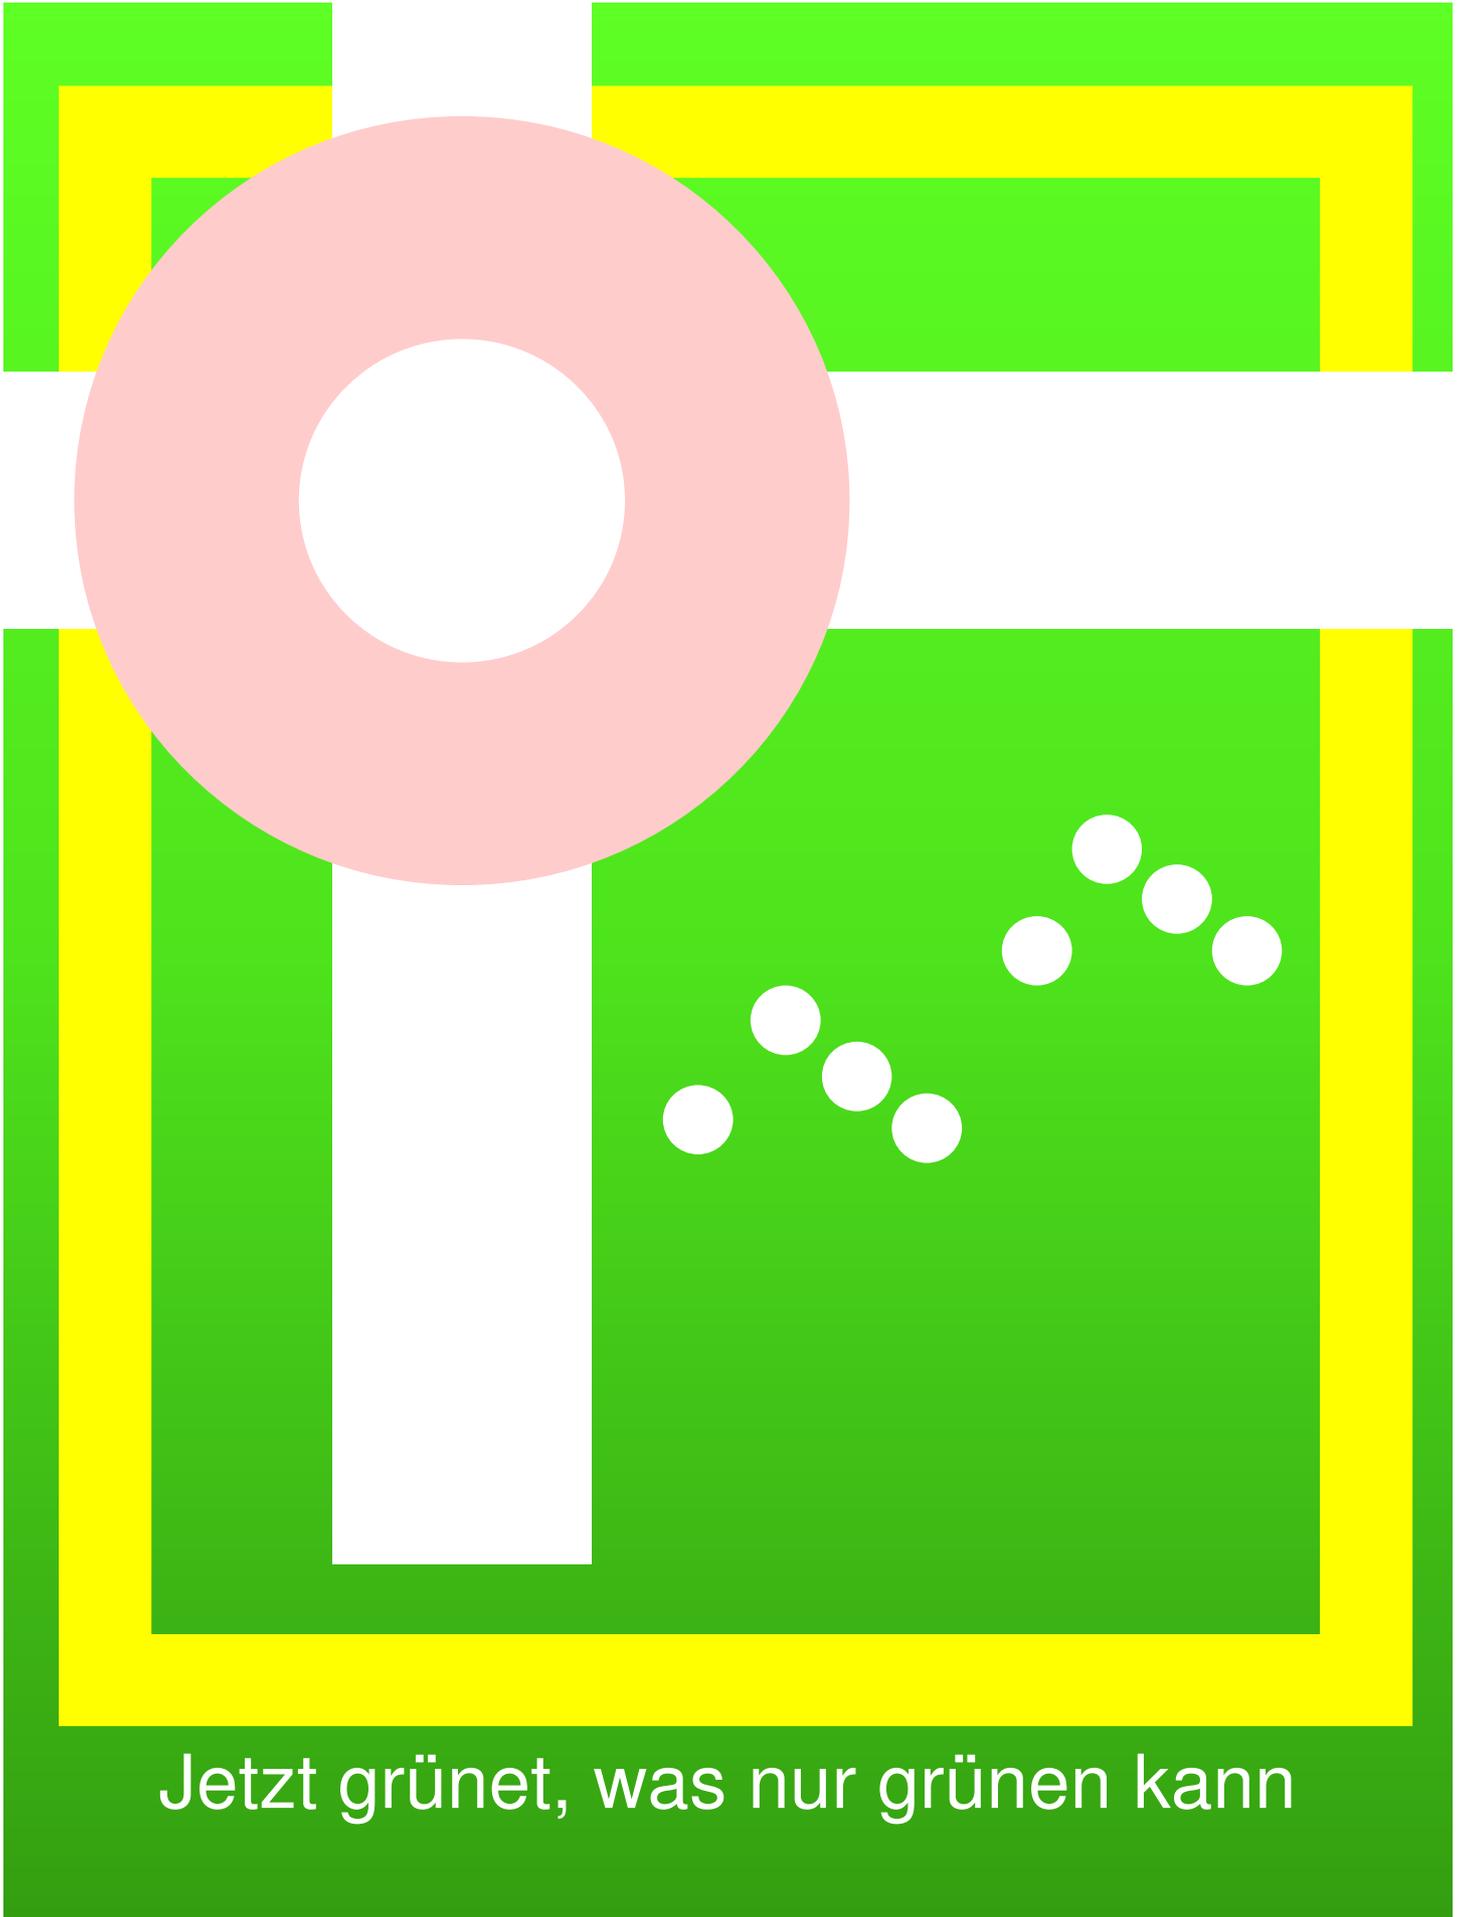

Halleluja, Halleluja

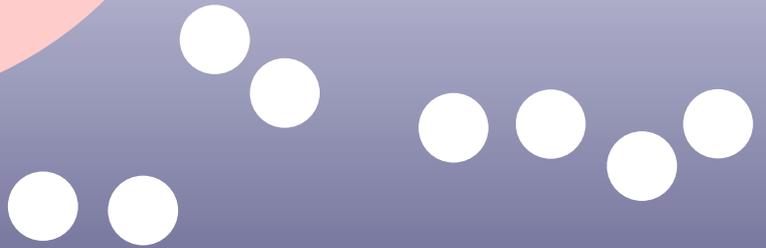

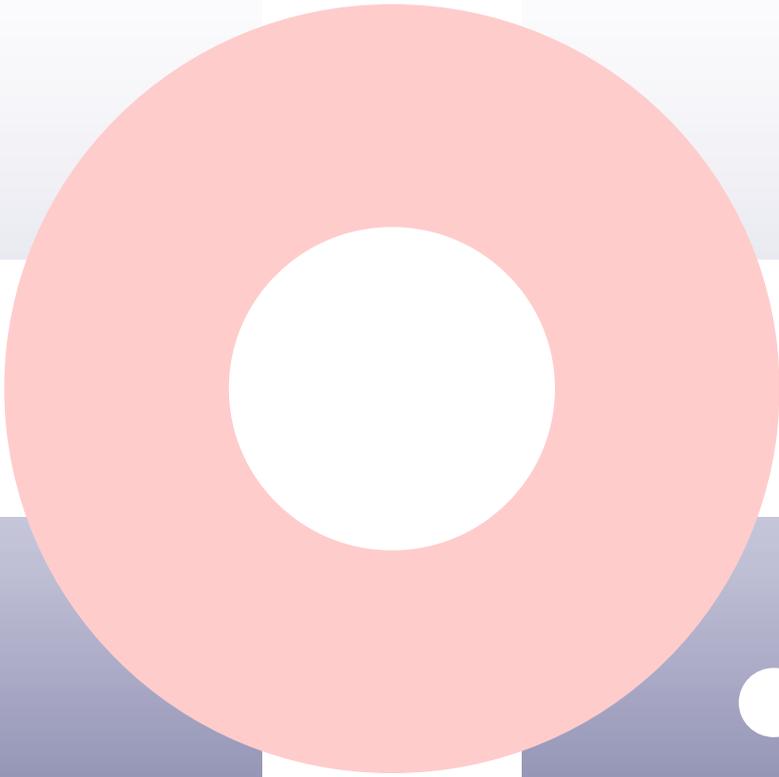

die Christenheit auf Erden klingt

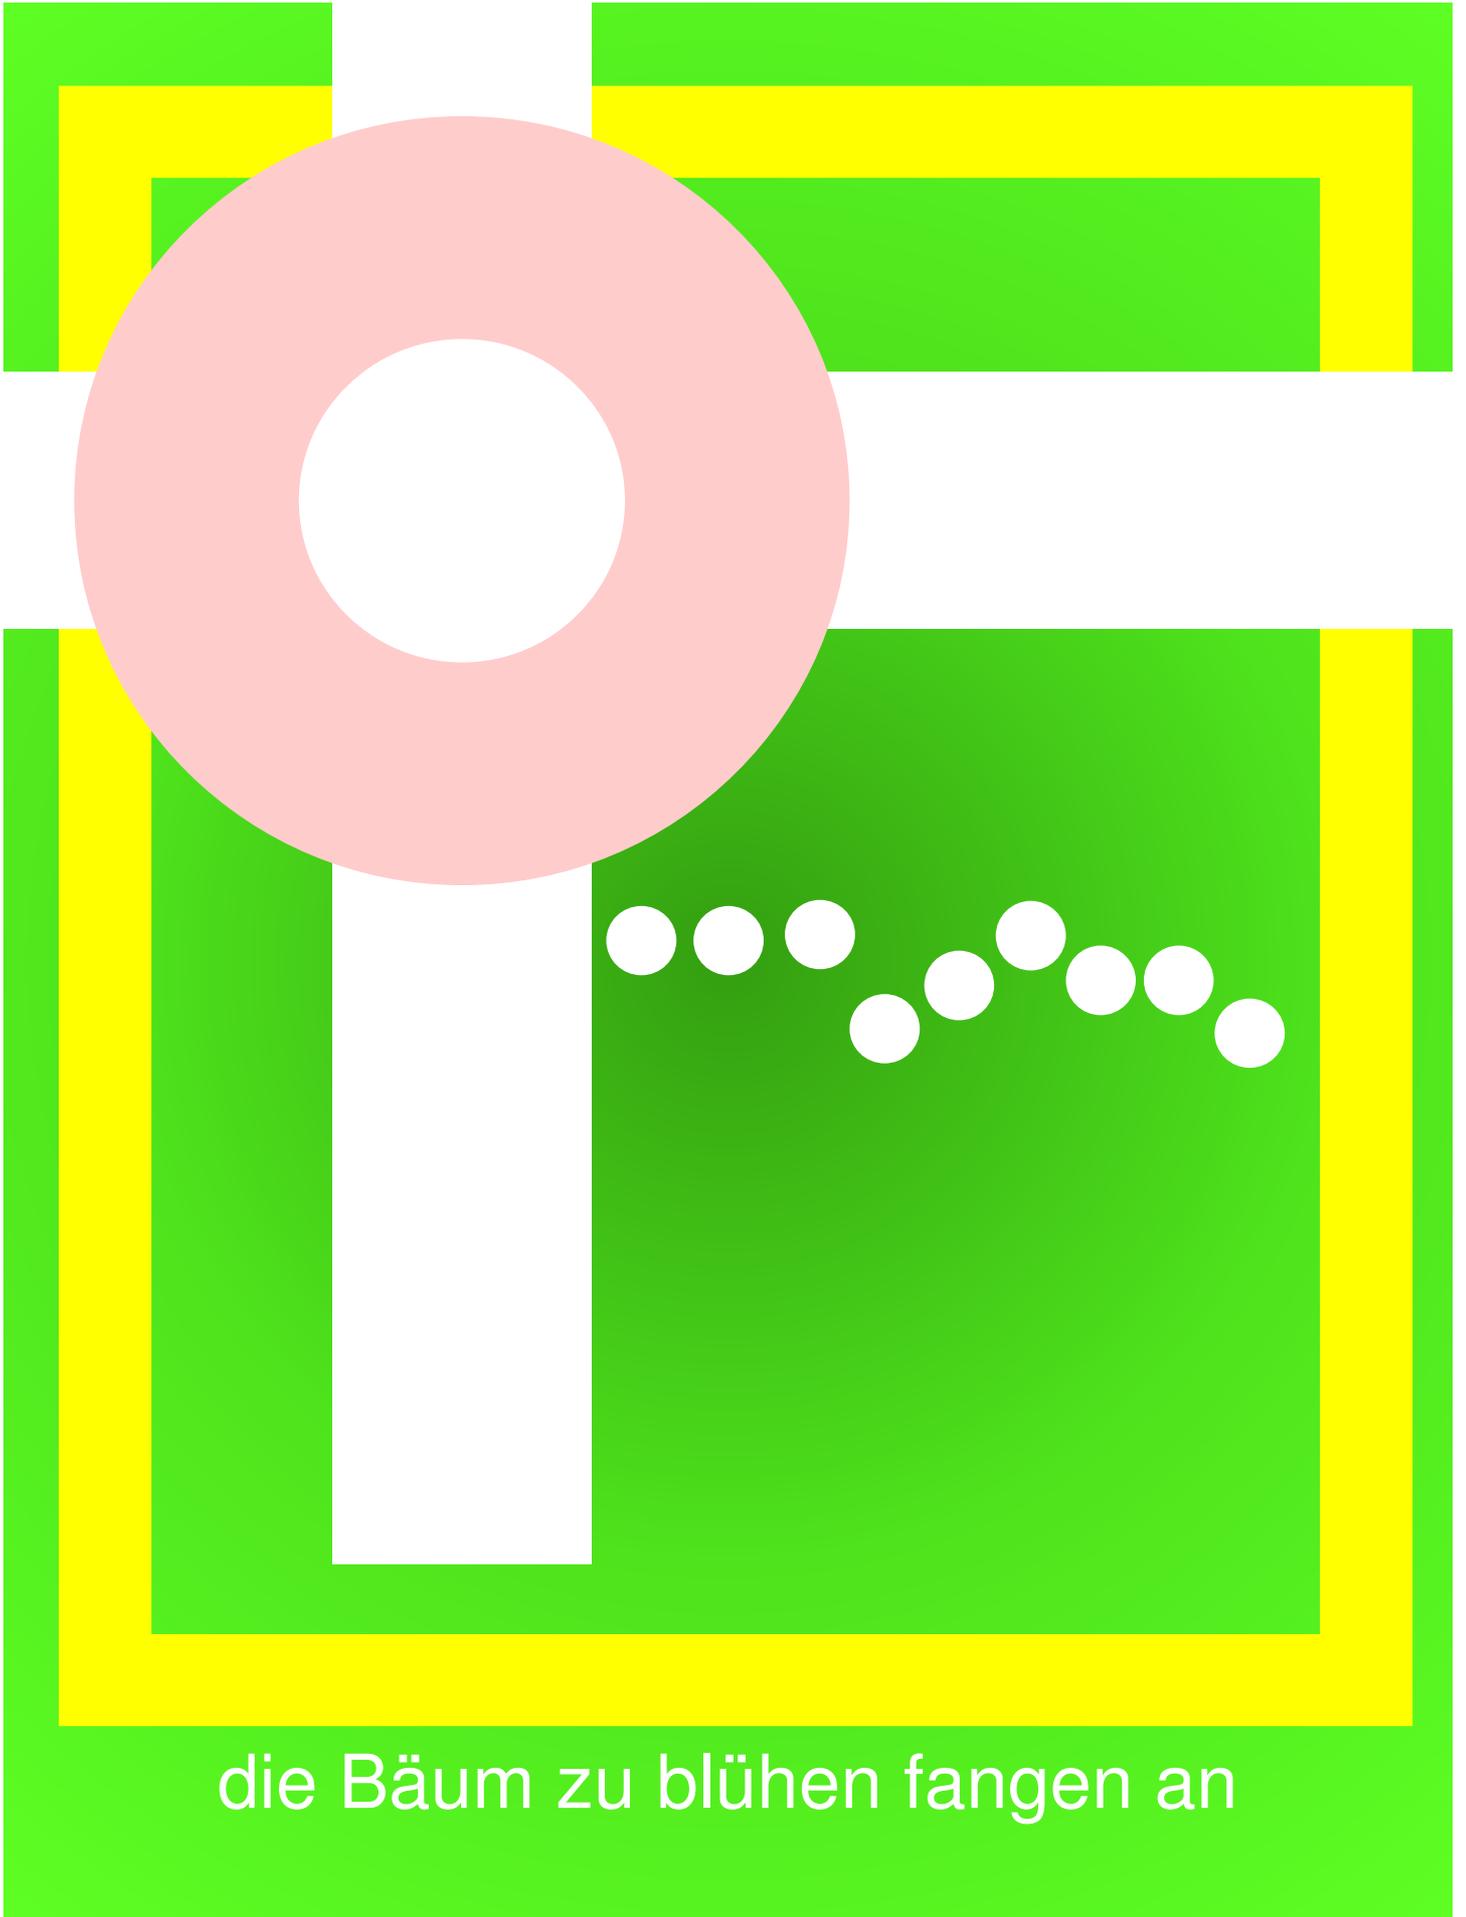

Halleluja, Halleluja

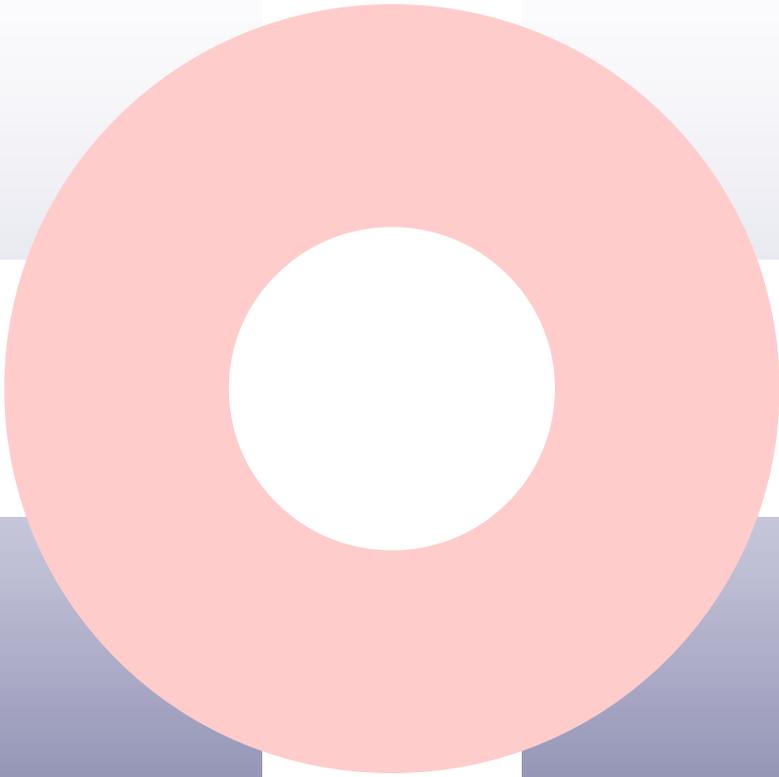

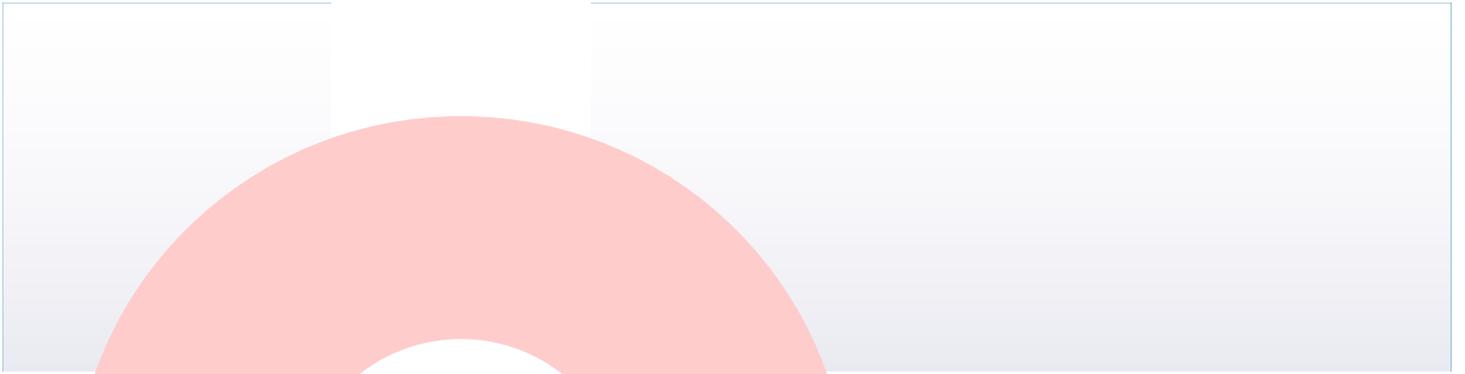

Jetzt grünet, was nur grünen kann

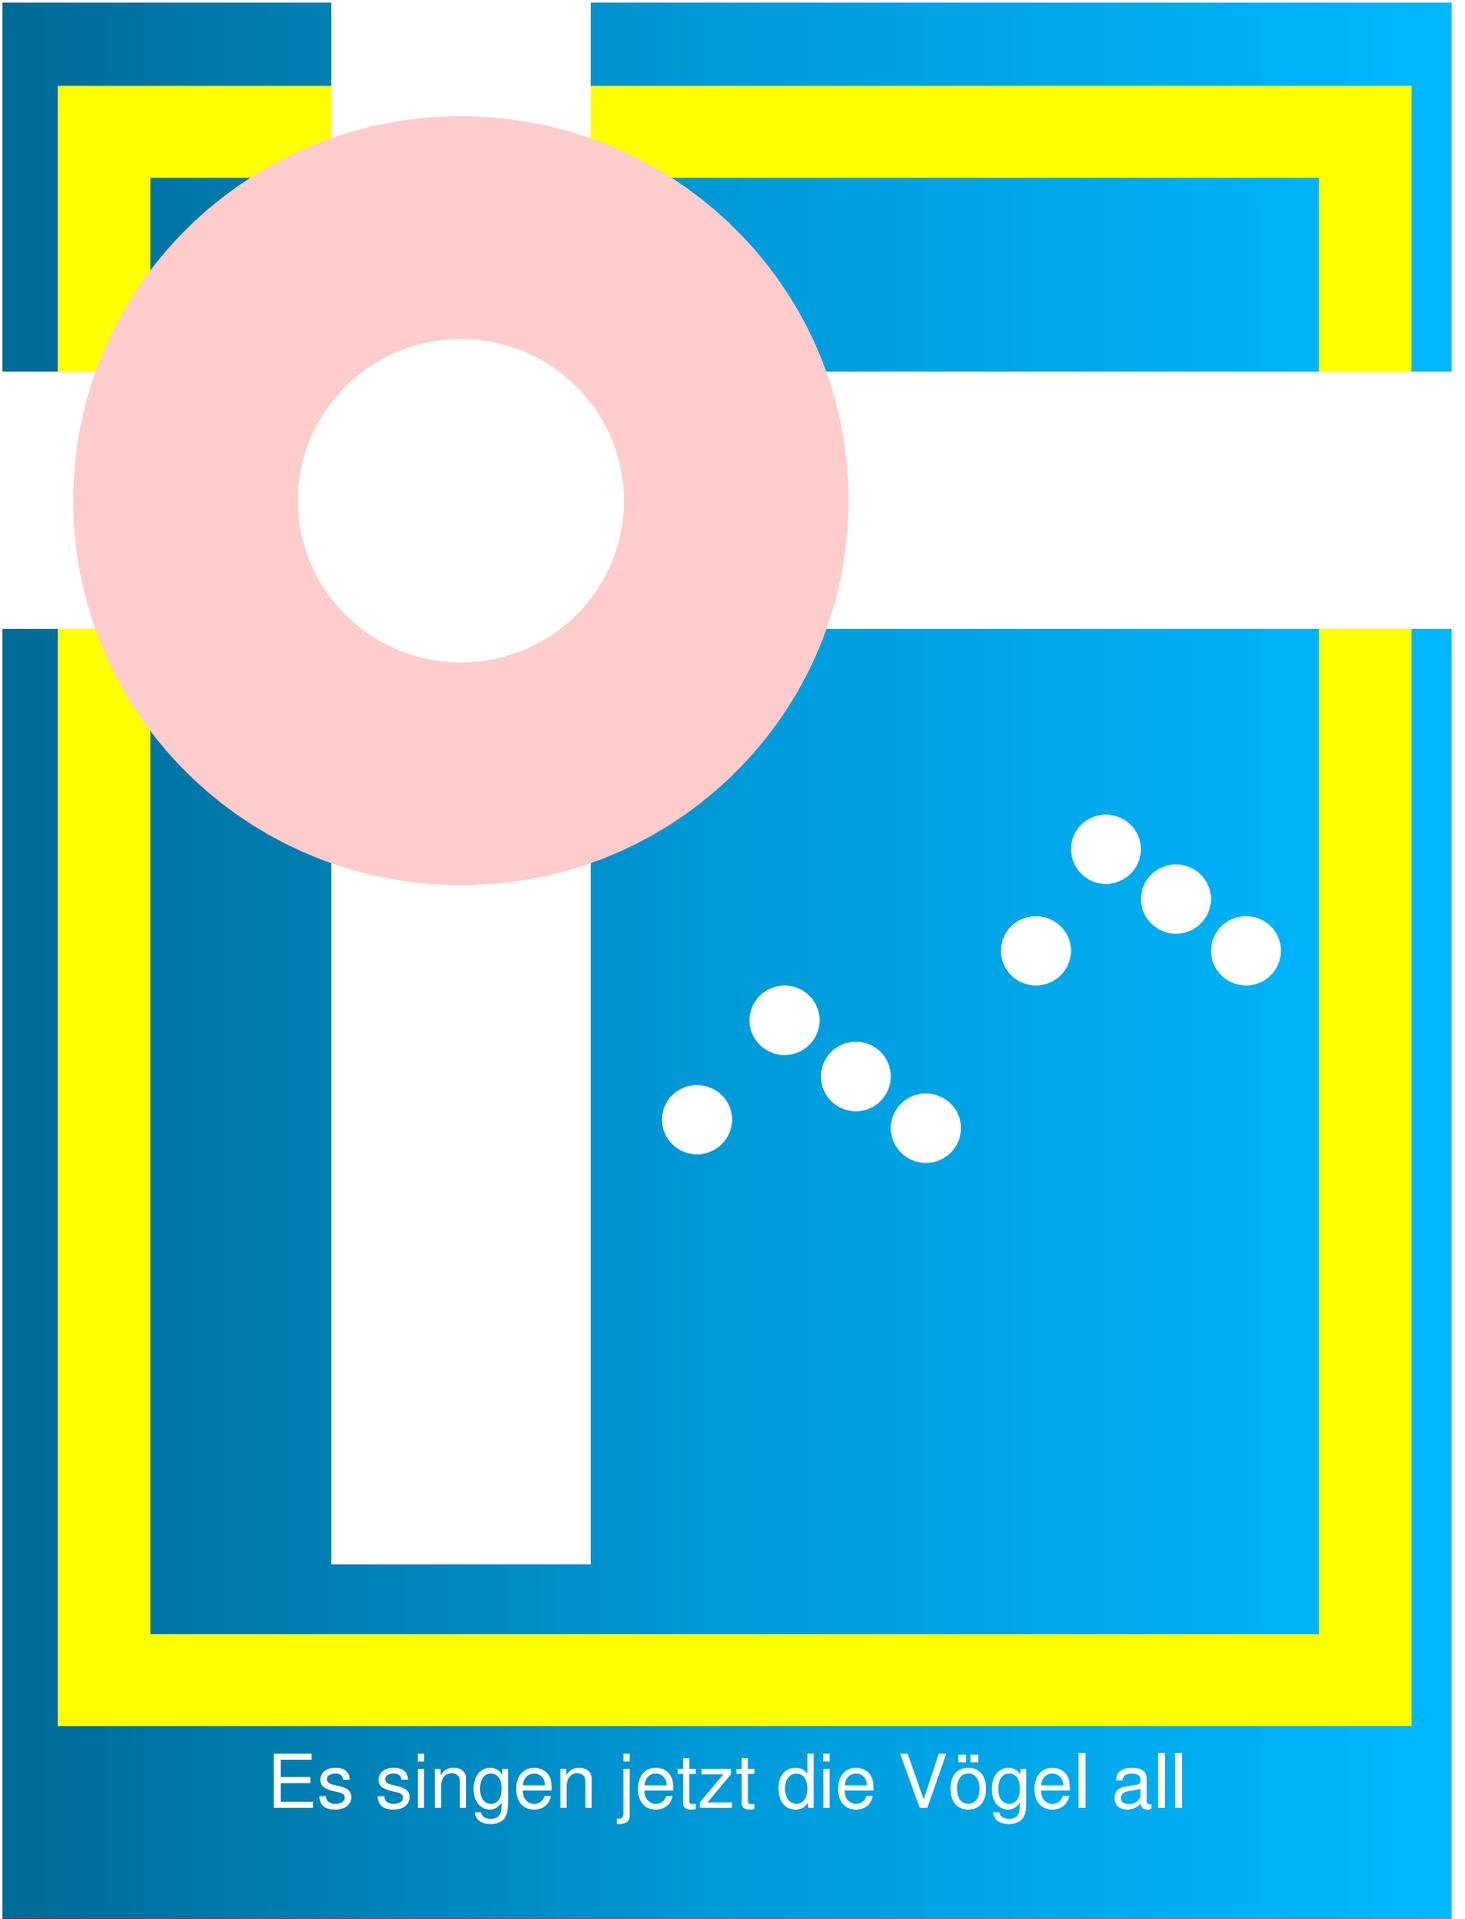

Halleluja, Halleluja

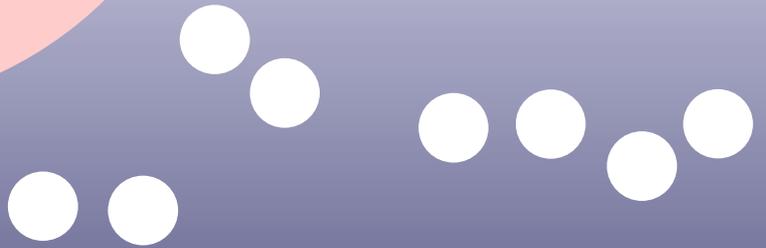

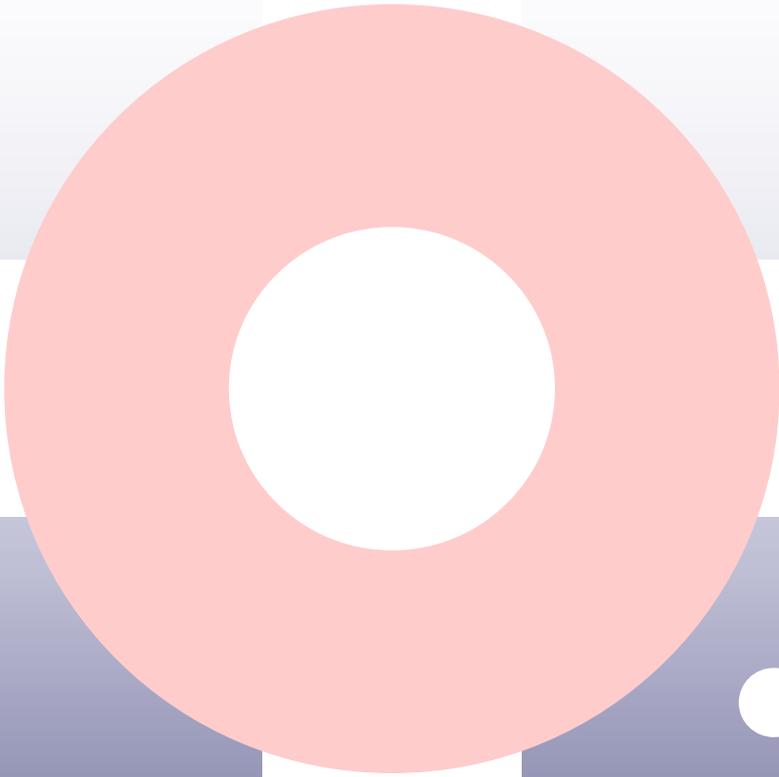

die Bäume zu blühen fangen an

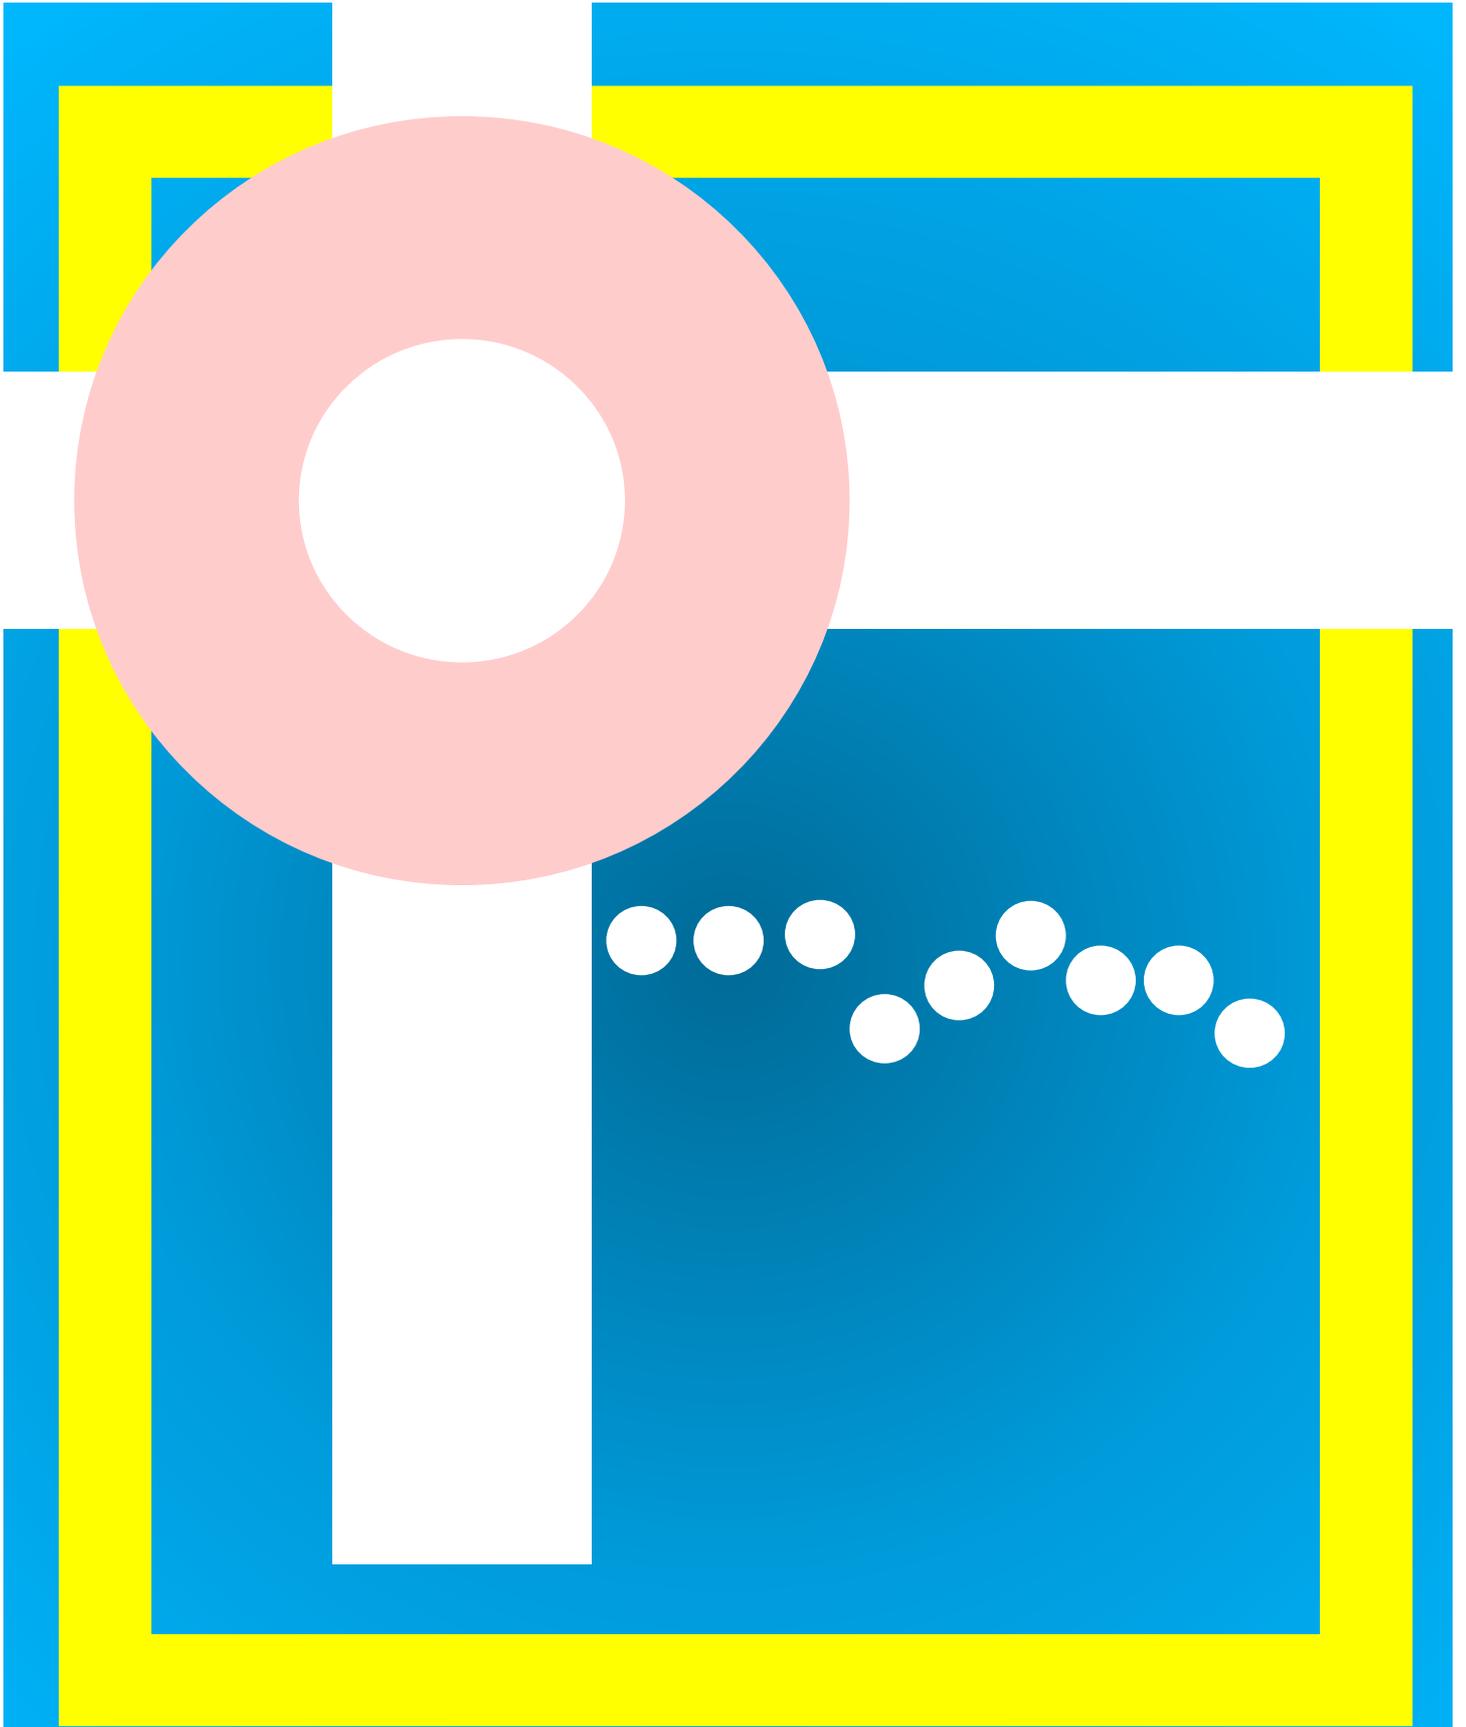

Halleluja, Halleluja

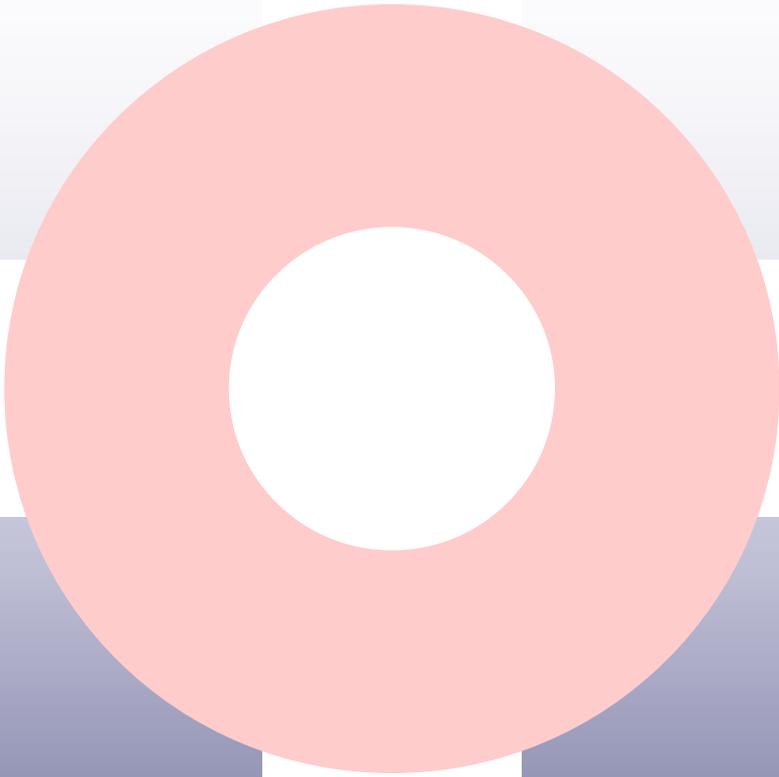

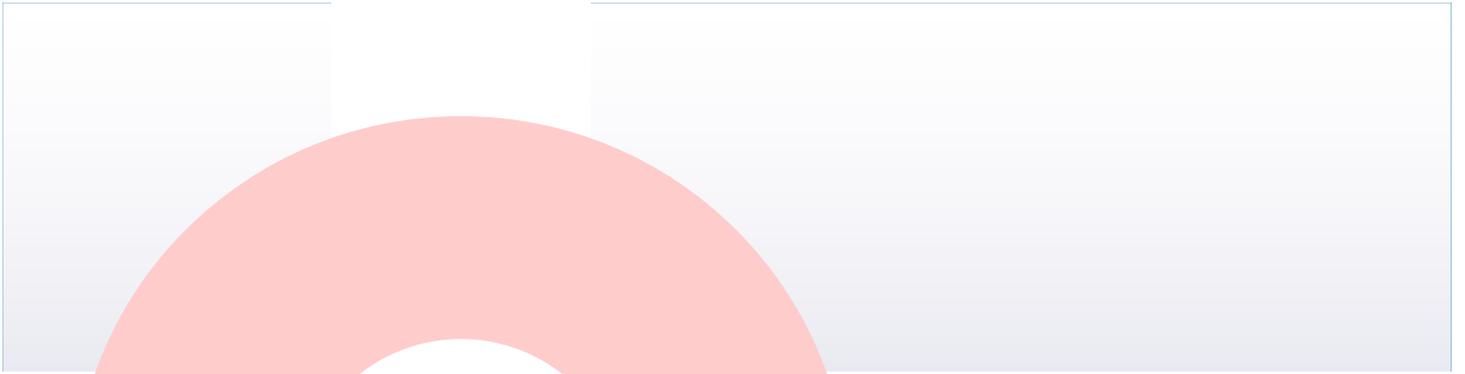

Es singen jetzt die Vögel all

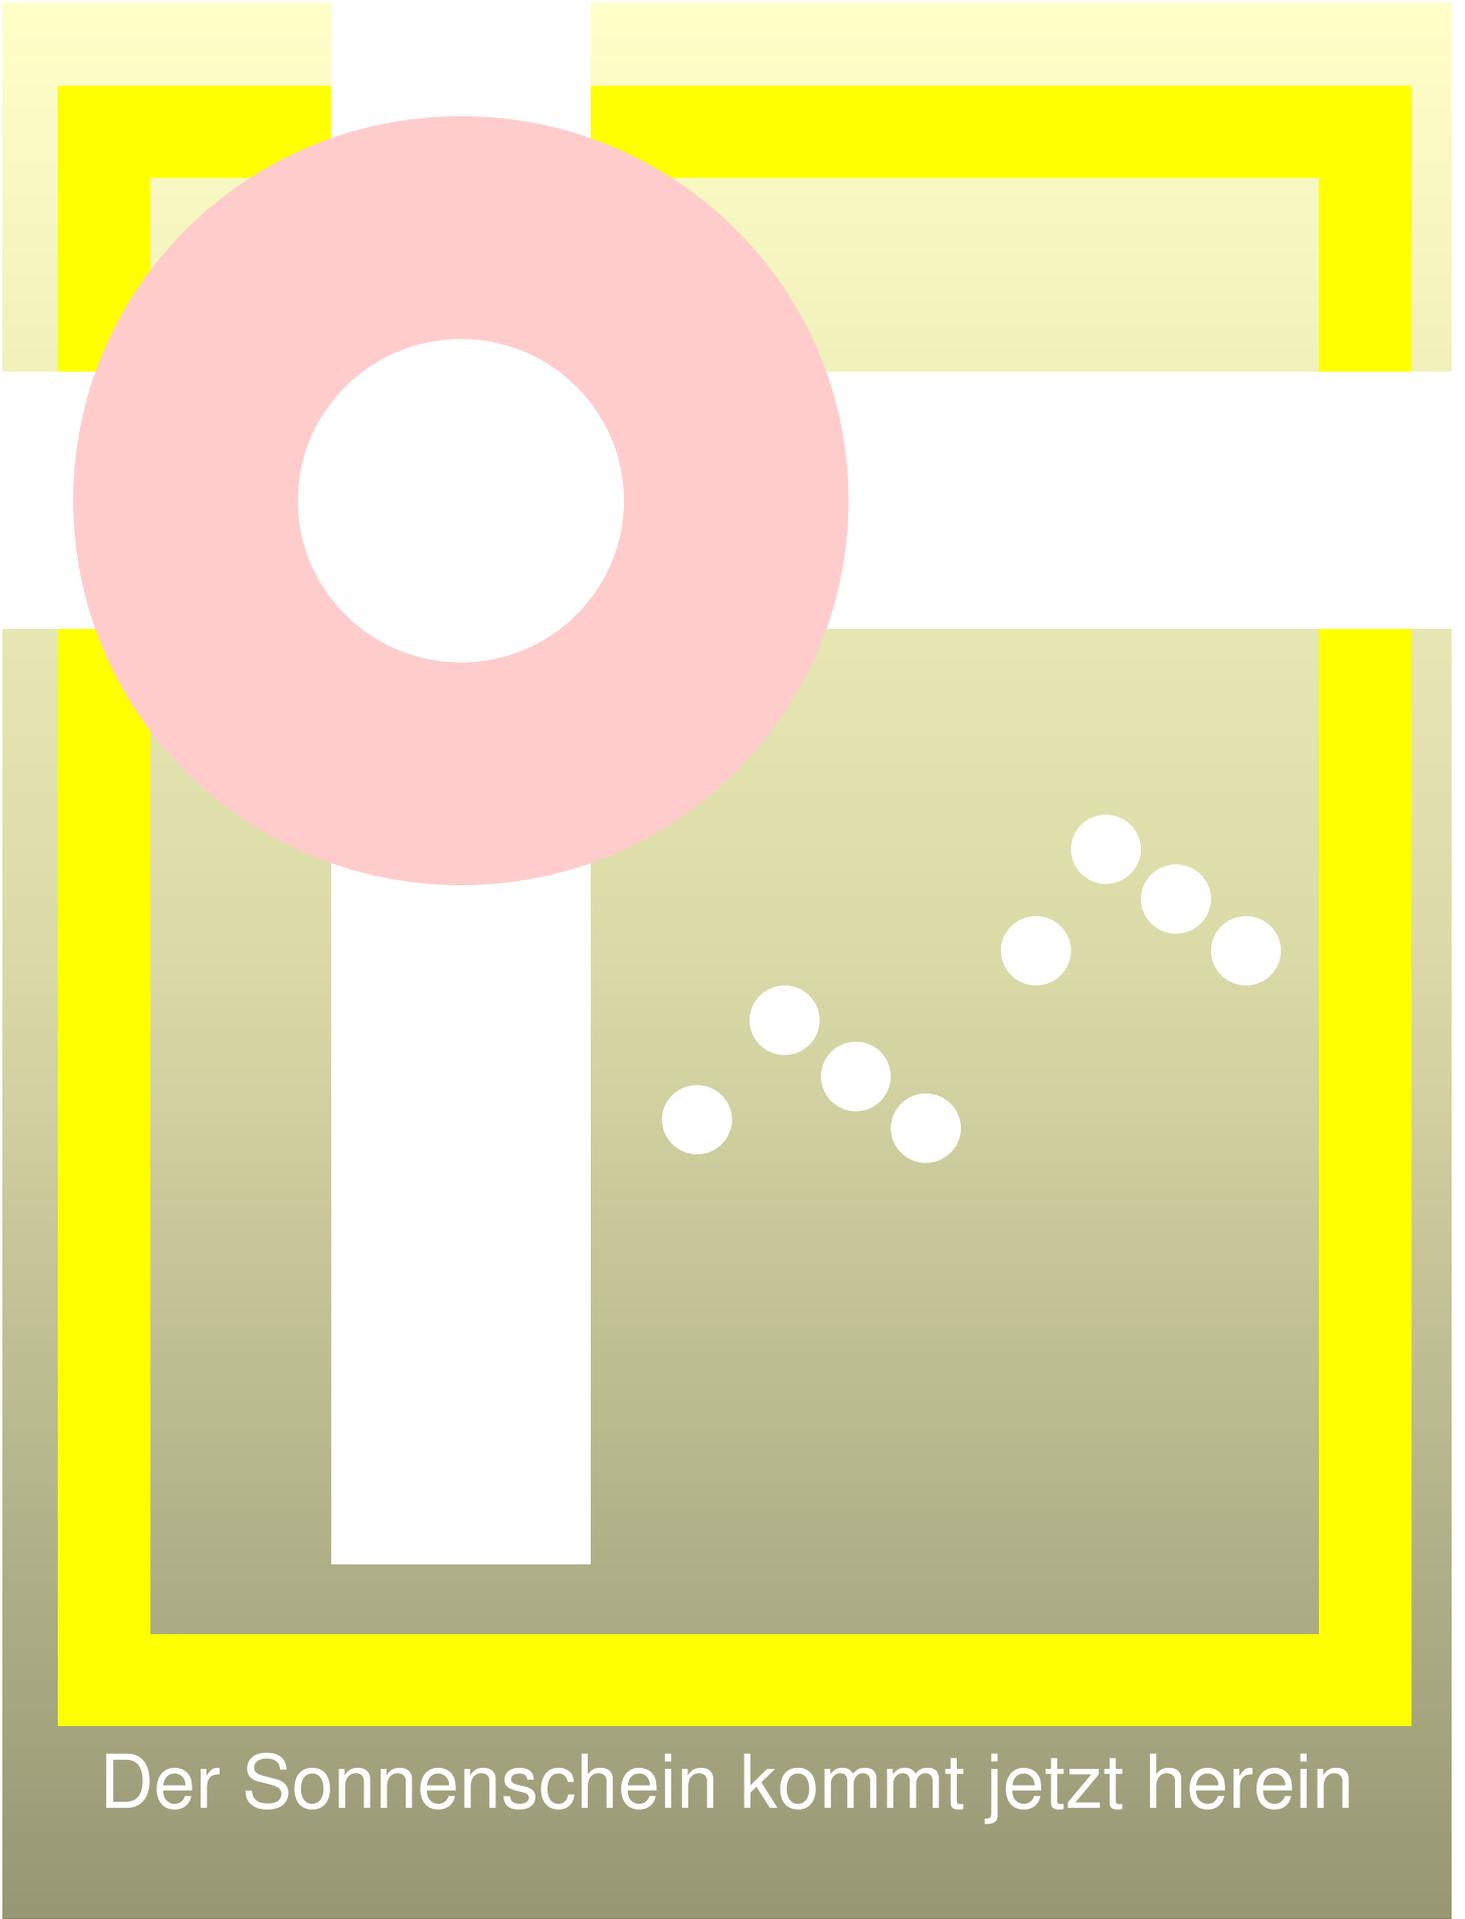

Halleluja, Halleluja

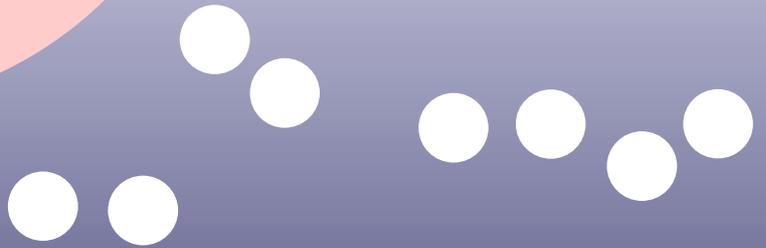

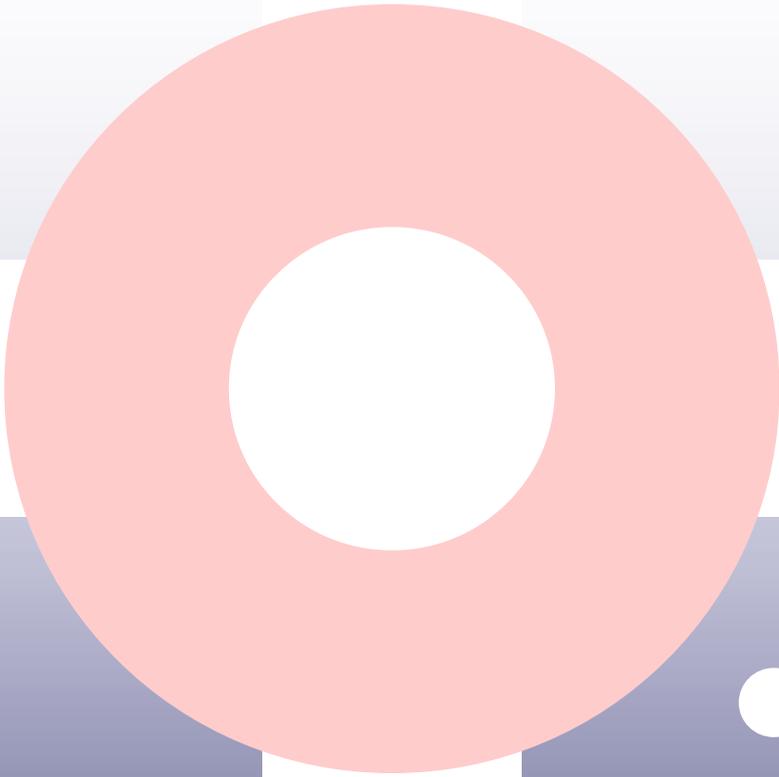

jetzt singt und klingt die Nachtigall

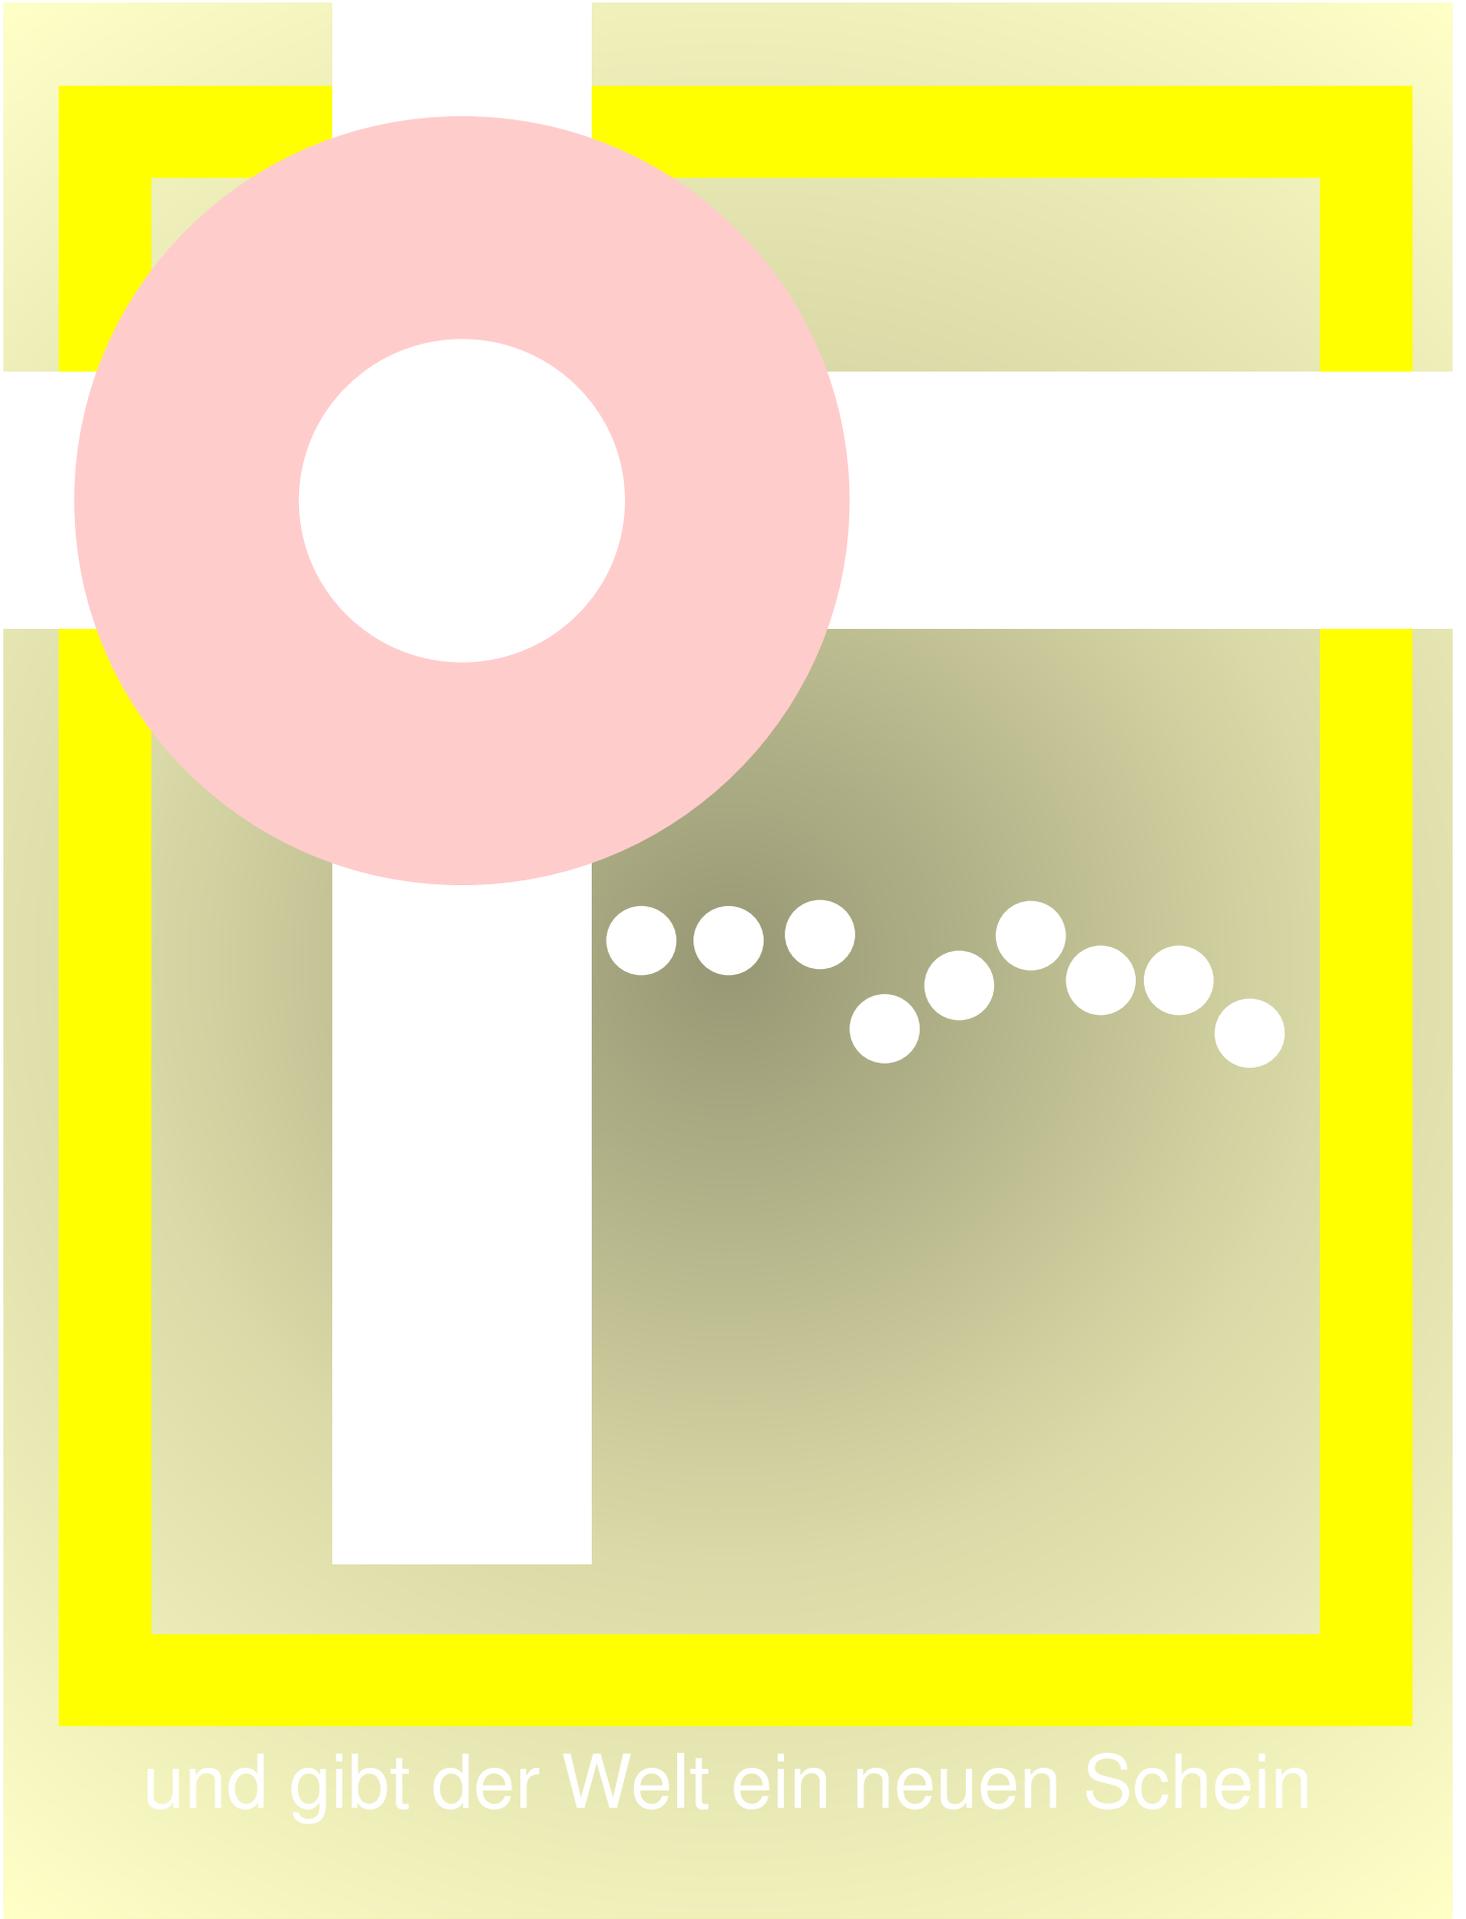

Halleluja, Halleluja

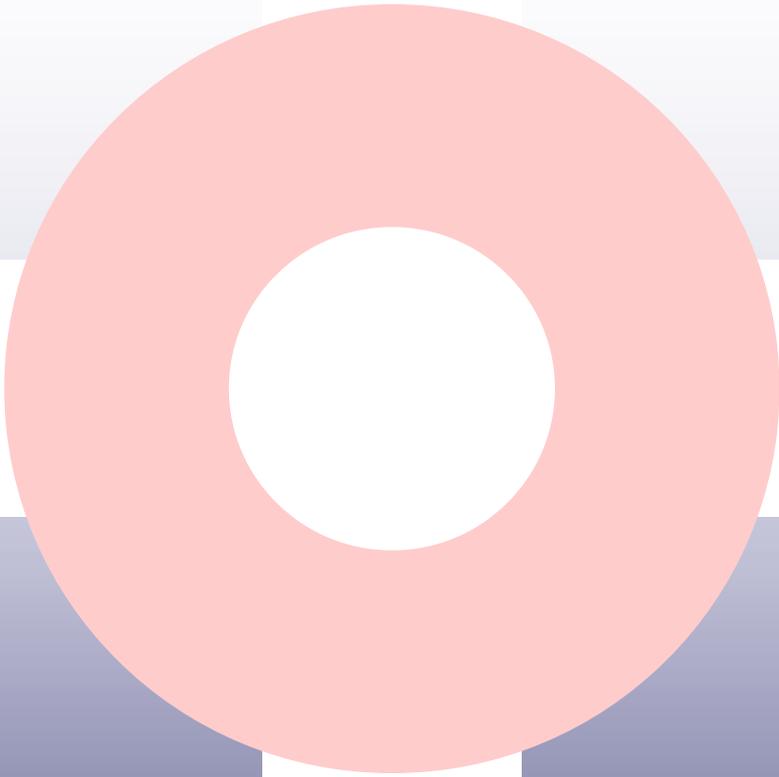

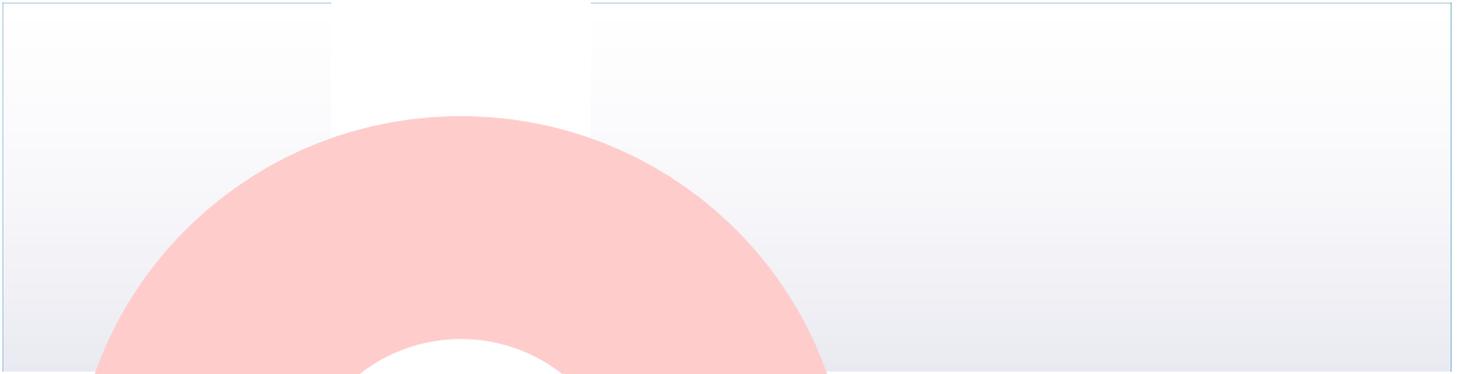

Der Sonnenschein kommt jetzt herein

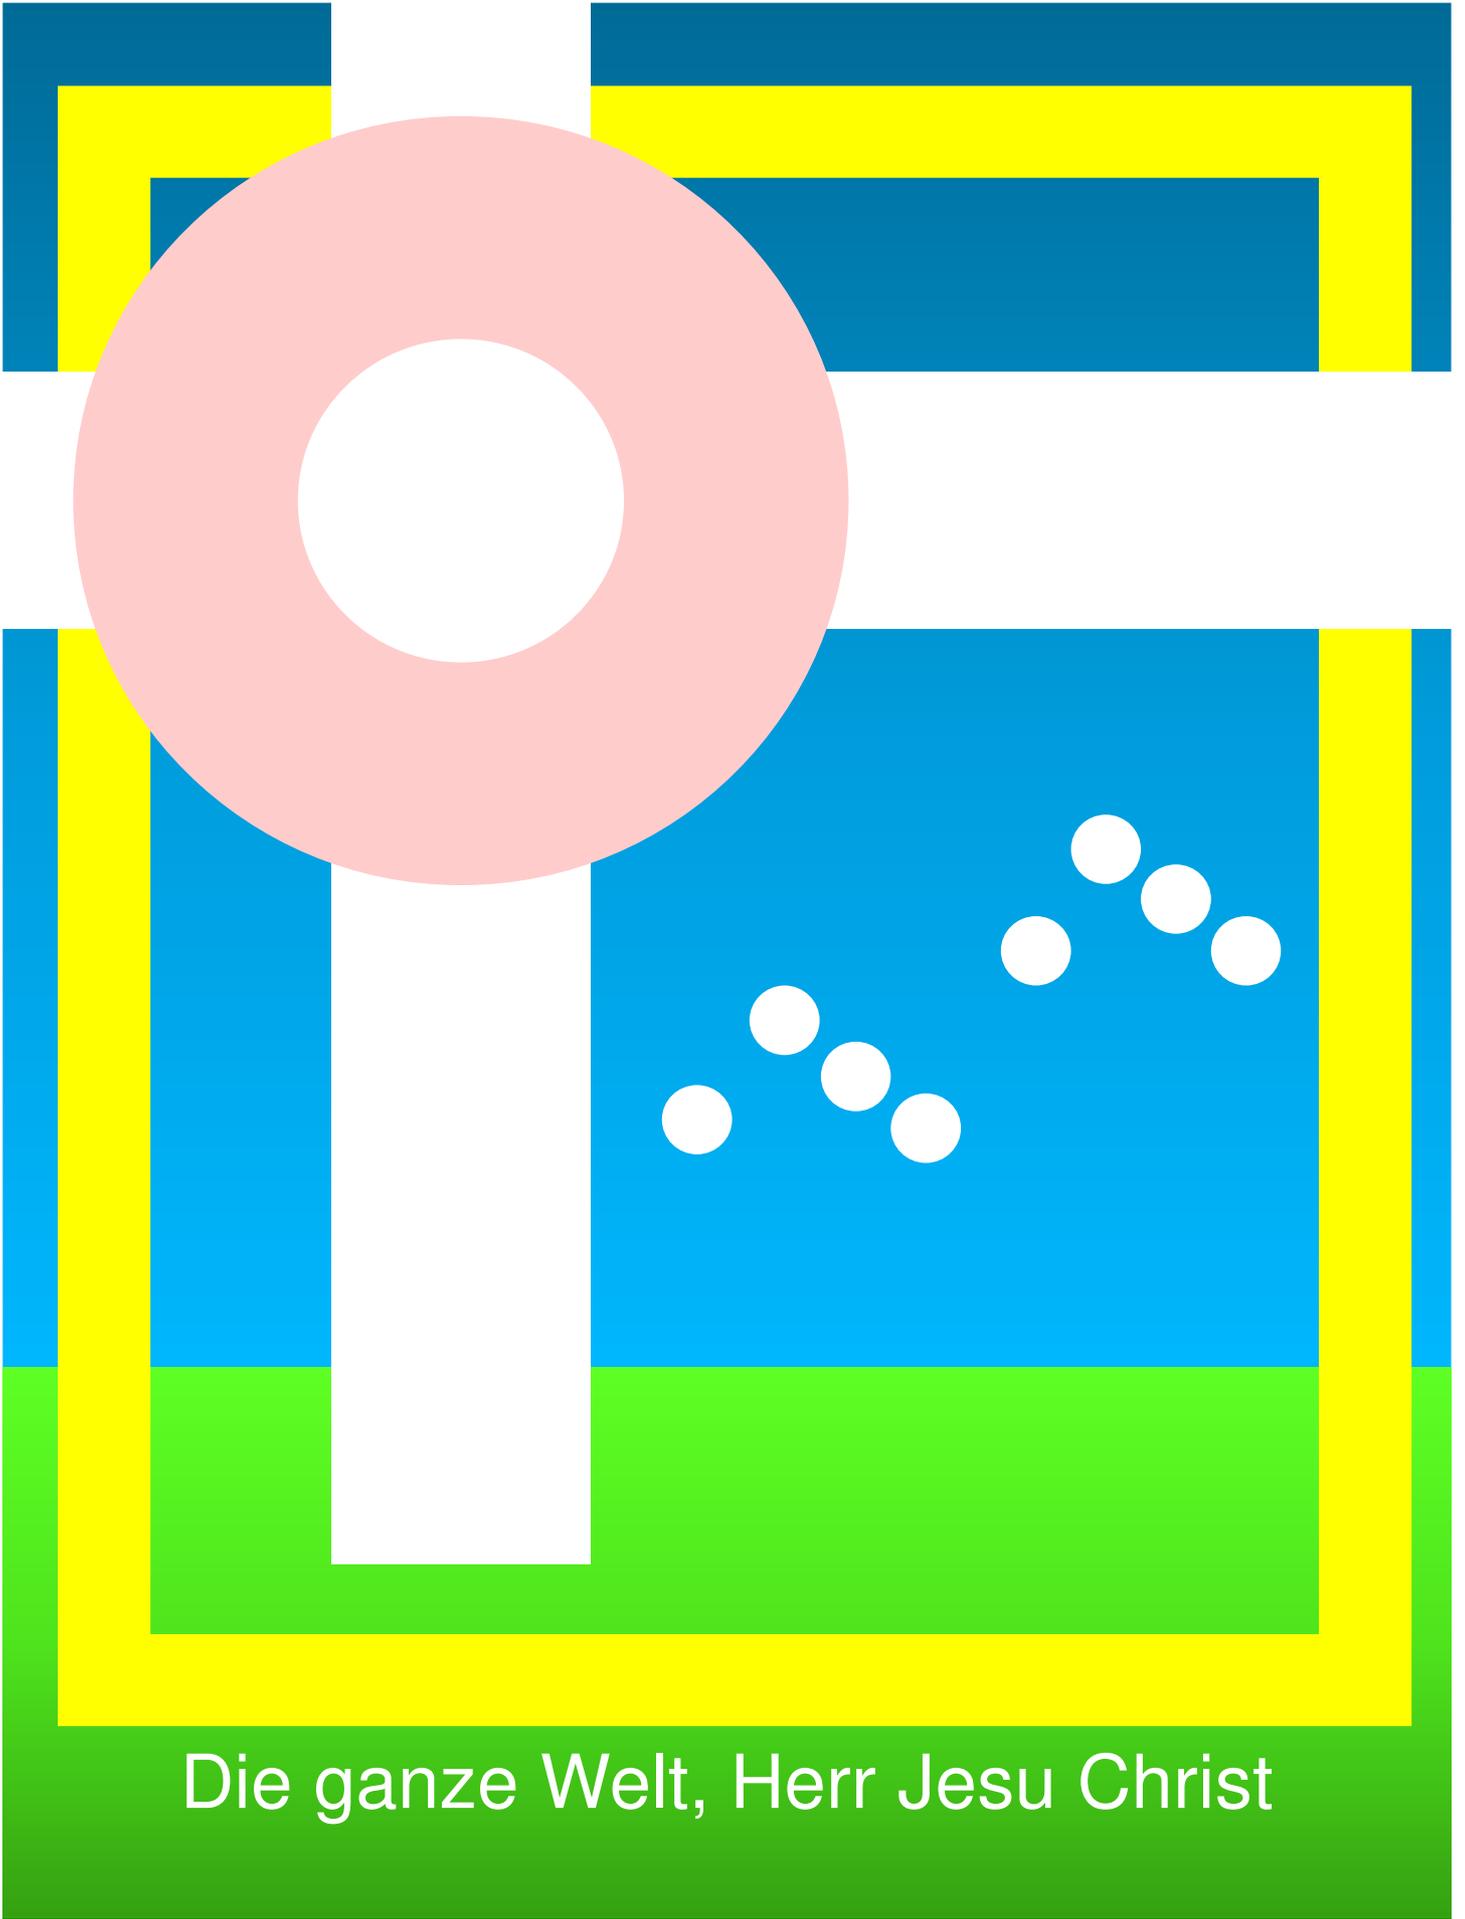

Halleluja, Halleluja

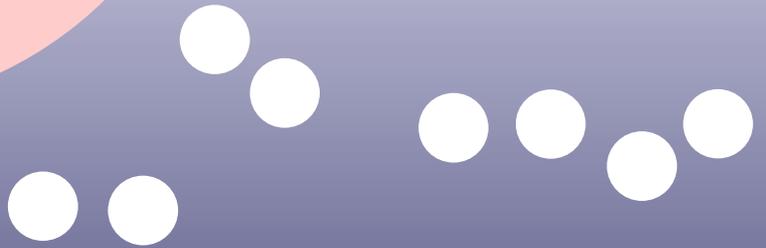

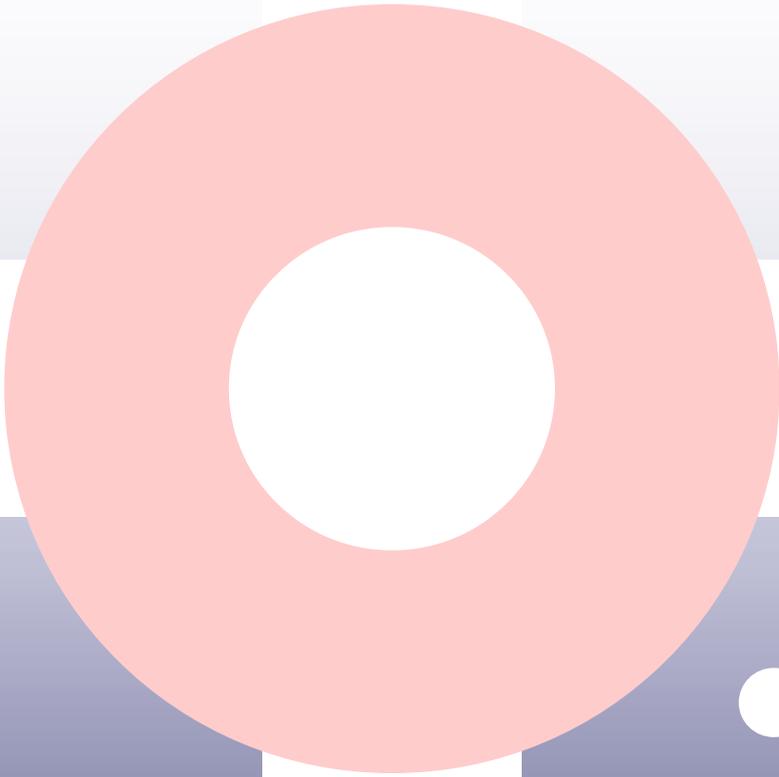

und gibt der Welt ein neuen Schein

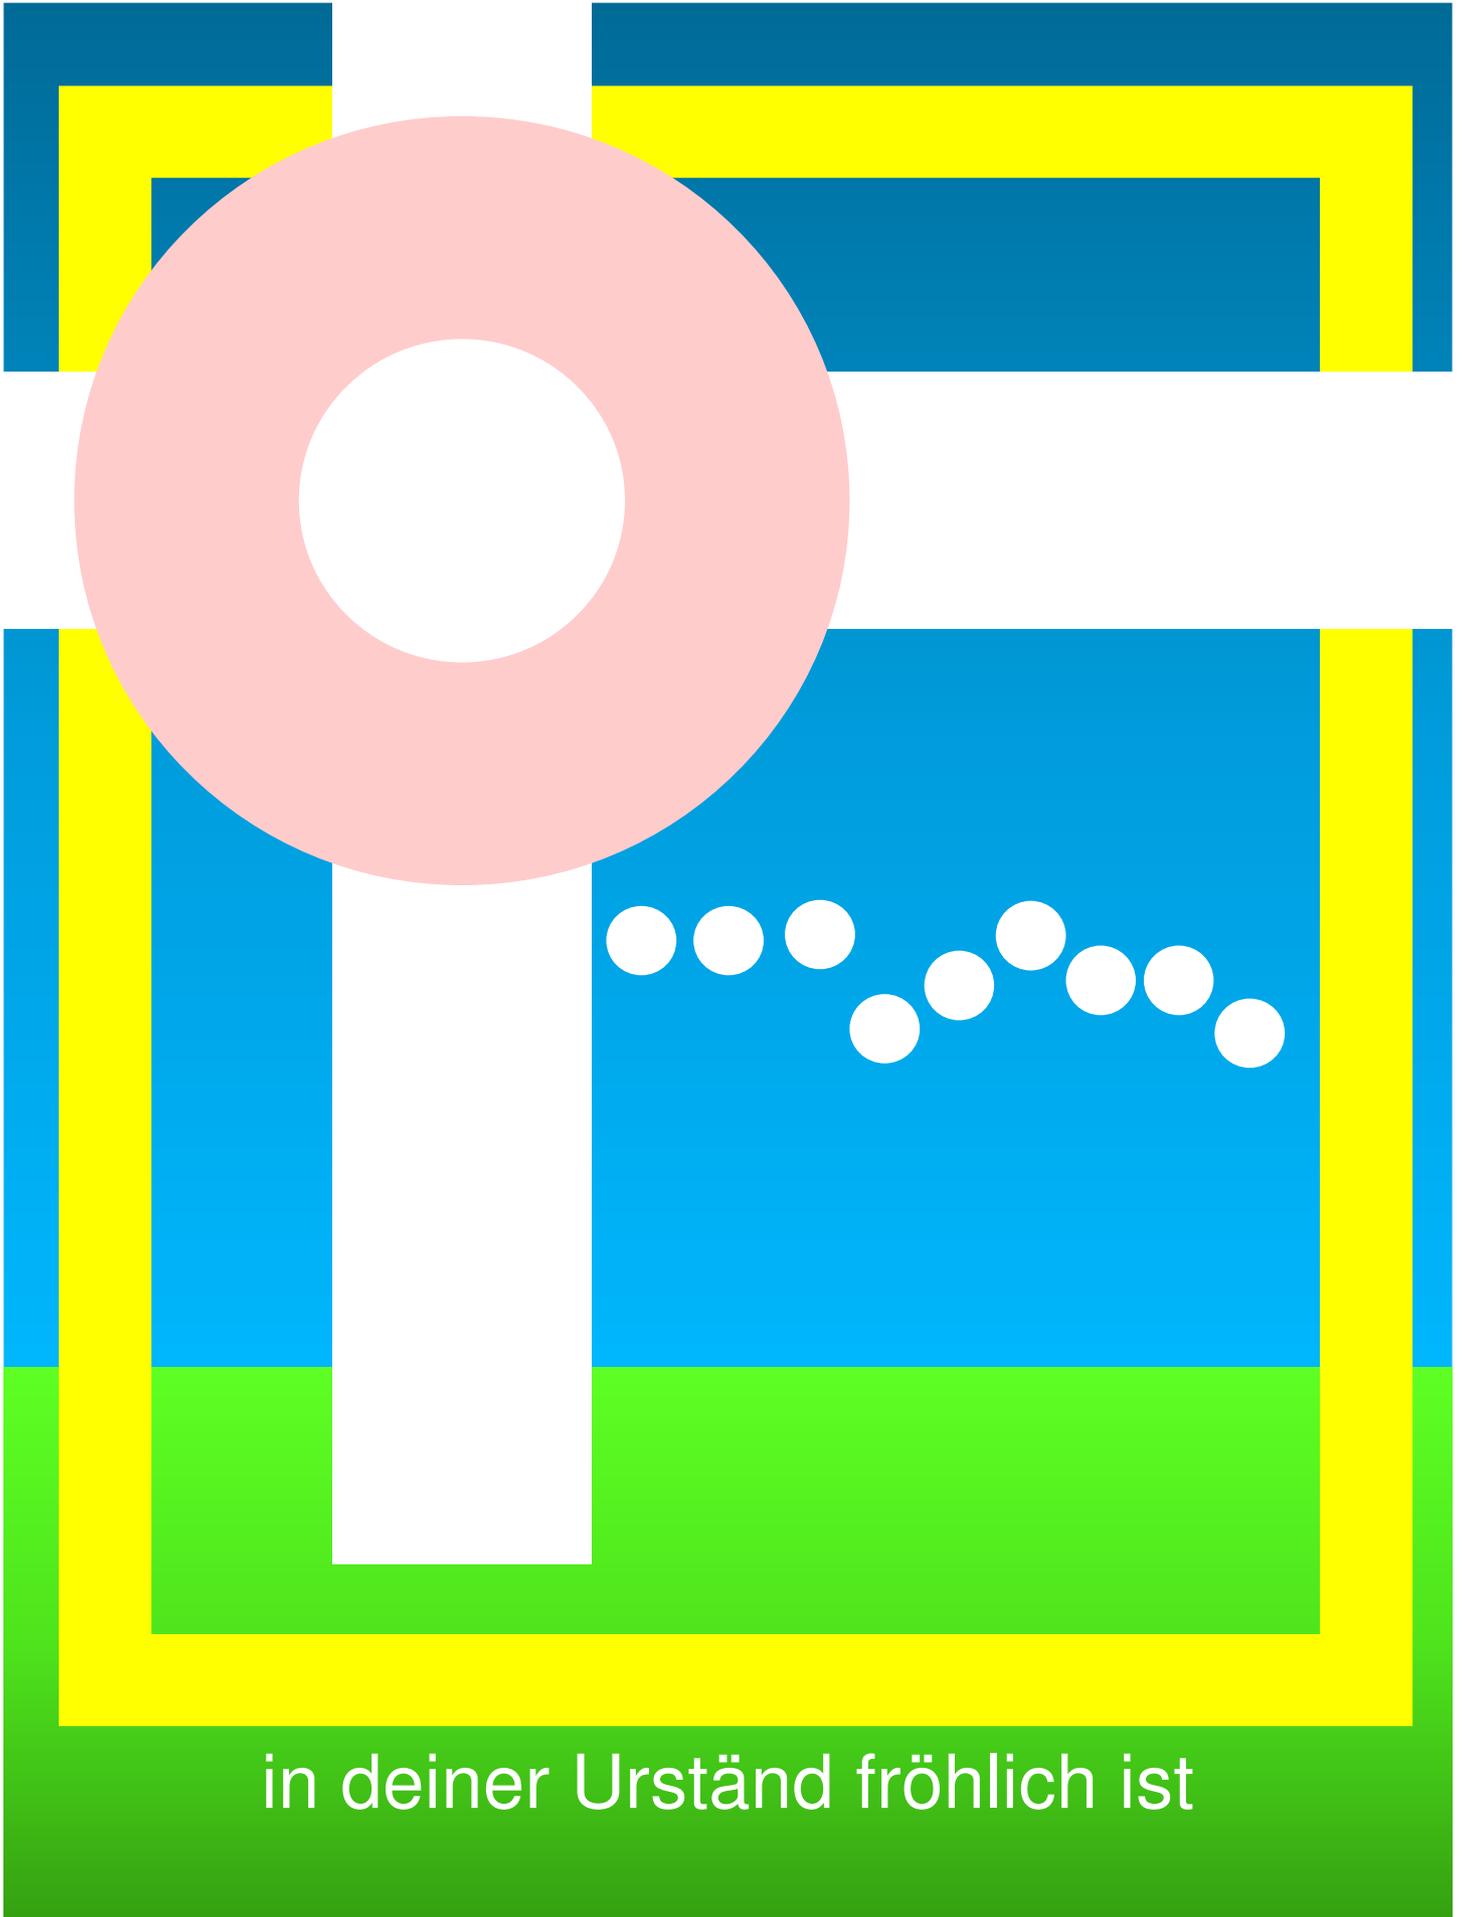

Halleluja, Halleluja

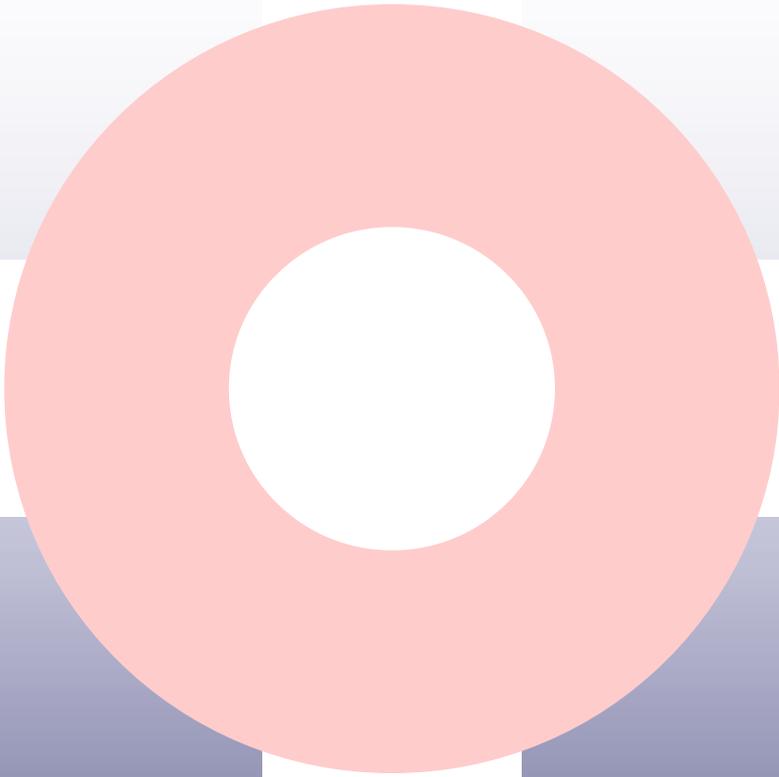

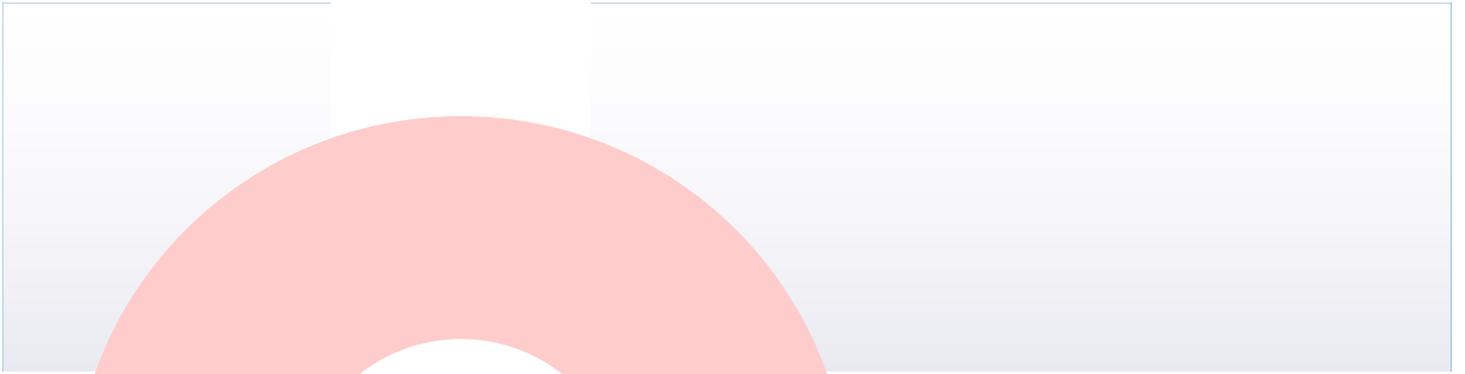

Die ganze Welt, Herr Jesu Christ

Halleluja, Halleluja

in deiner Urständ fröhlich ist

Halleluja, Halleluja
