

# Das Ma'assebuch 72

**„Rabbi Tarfon rettet  
sich durch seinen  
Namen“**

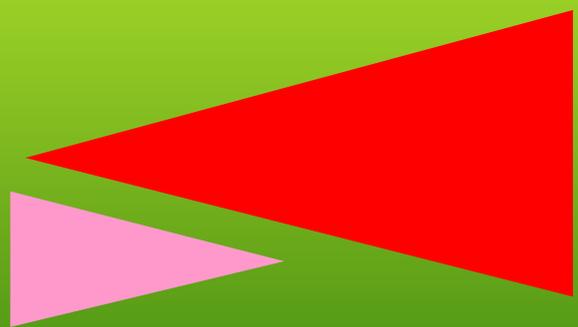

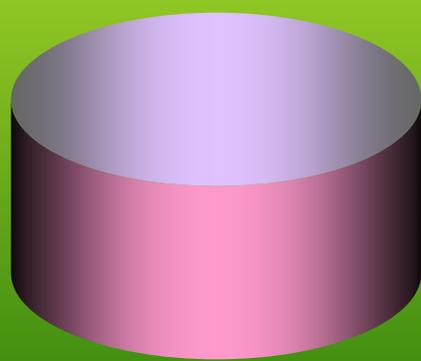

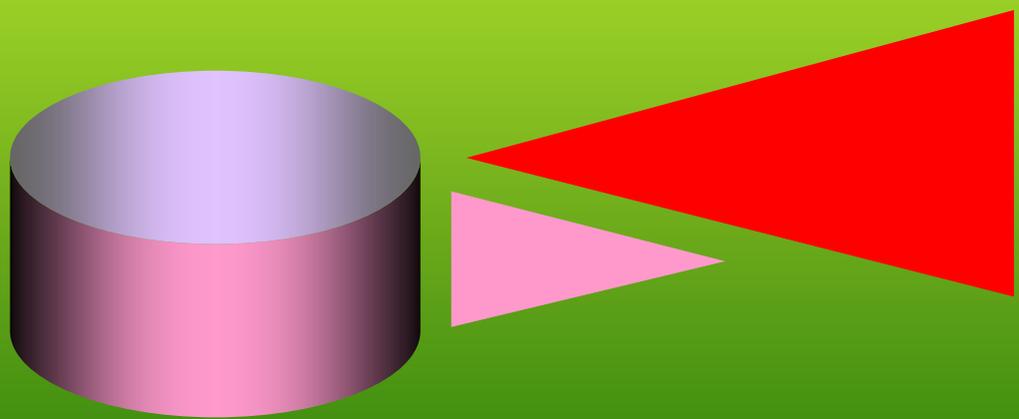

Er nahm unbedacht

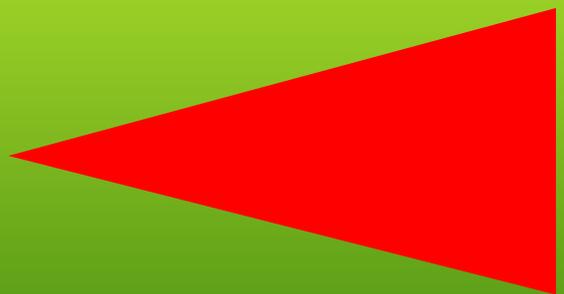

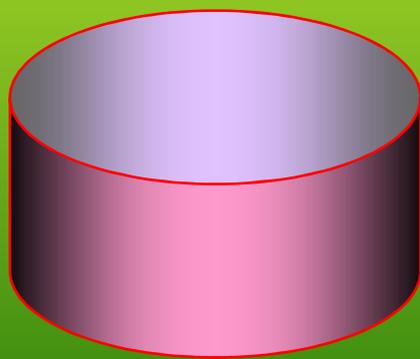

eine Feige am Wegrand

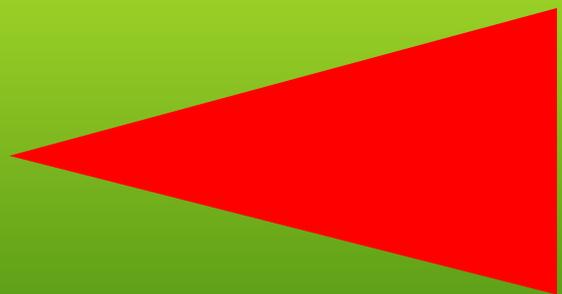

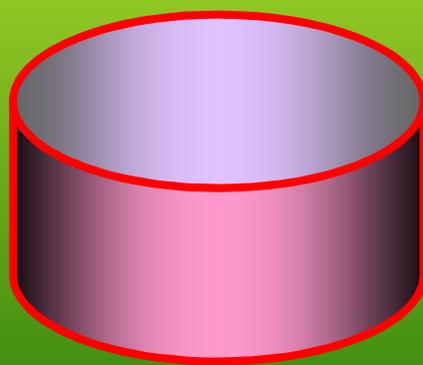

doch der Wächter glaubte

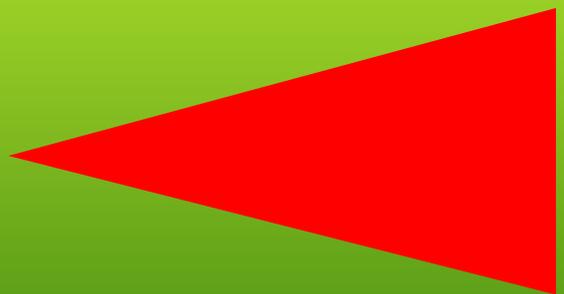

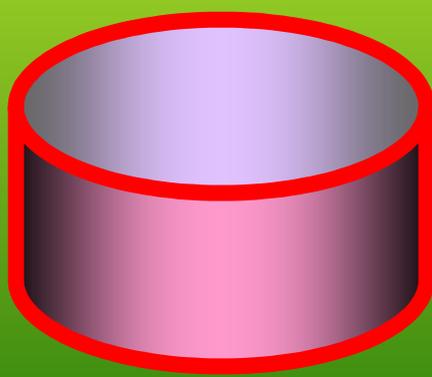

den langerwarteten Dieb gefasst zu haben

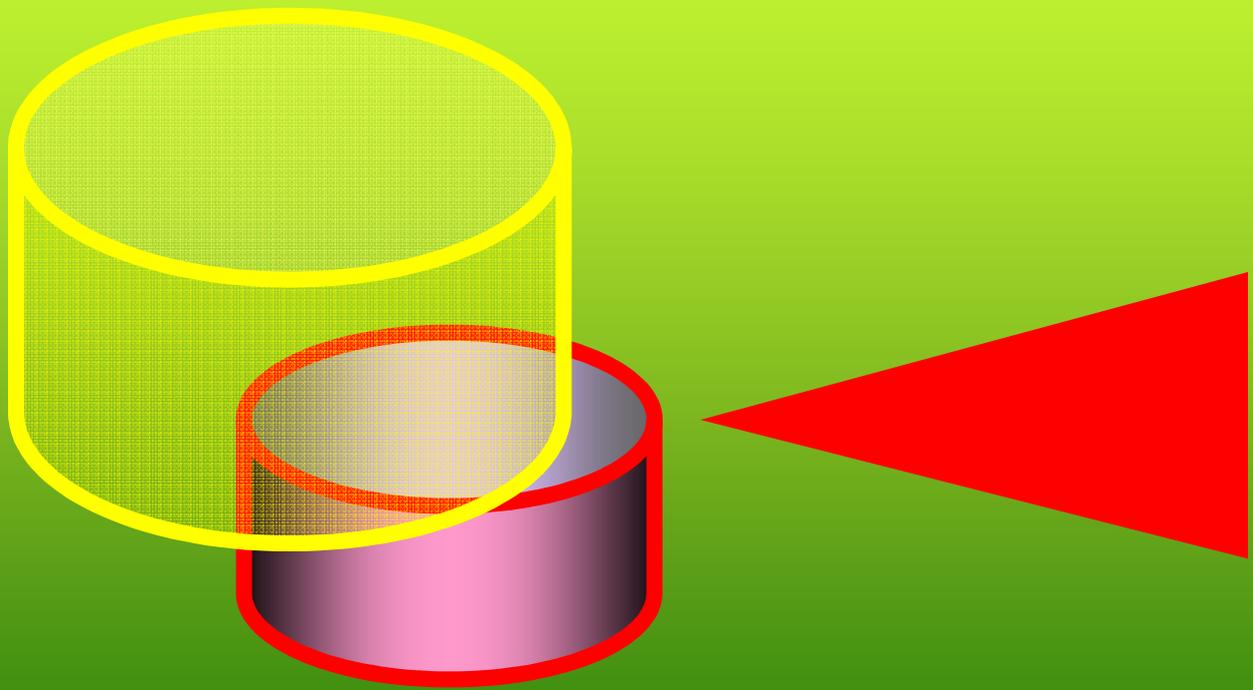

steckte ihn in einen Sack

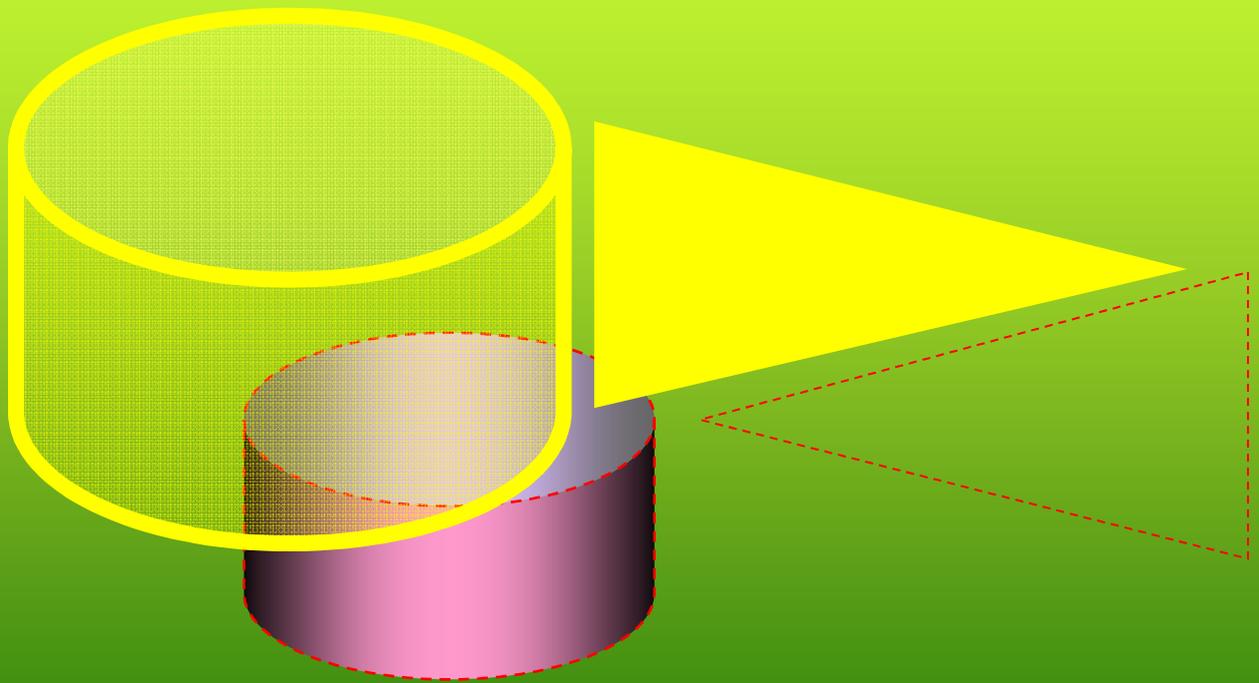

und trug ihn zum Wasser

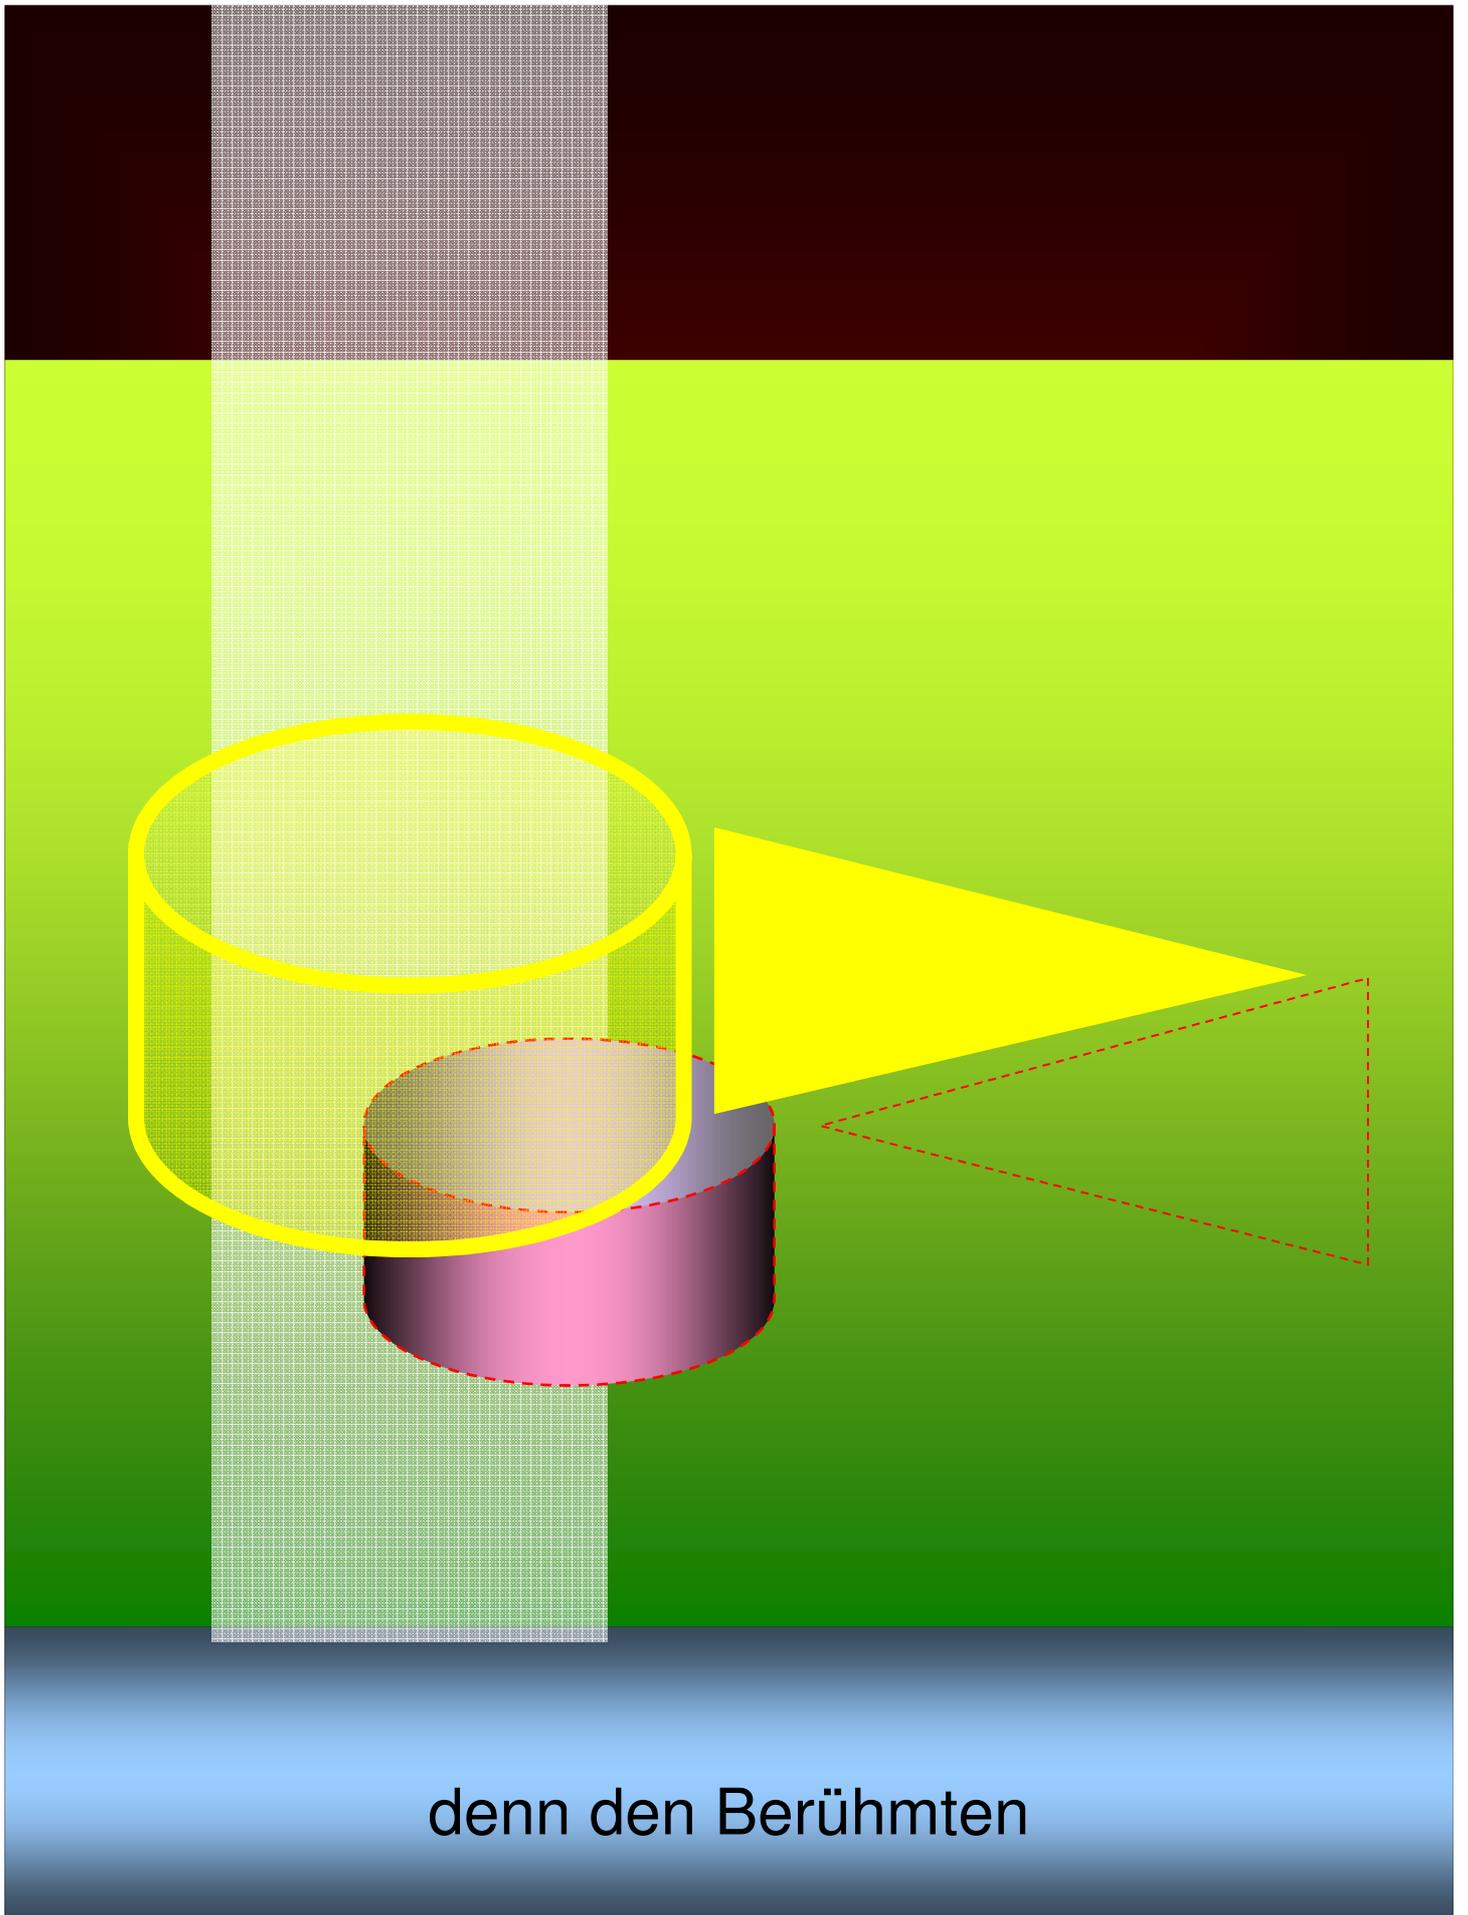

um ihn zu ertränken

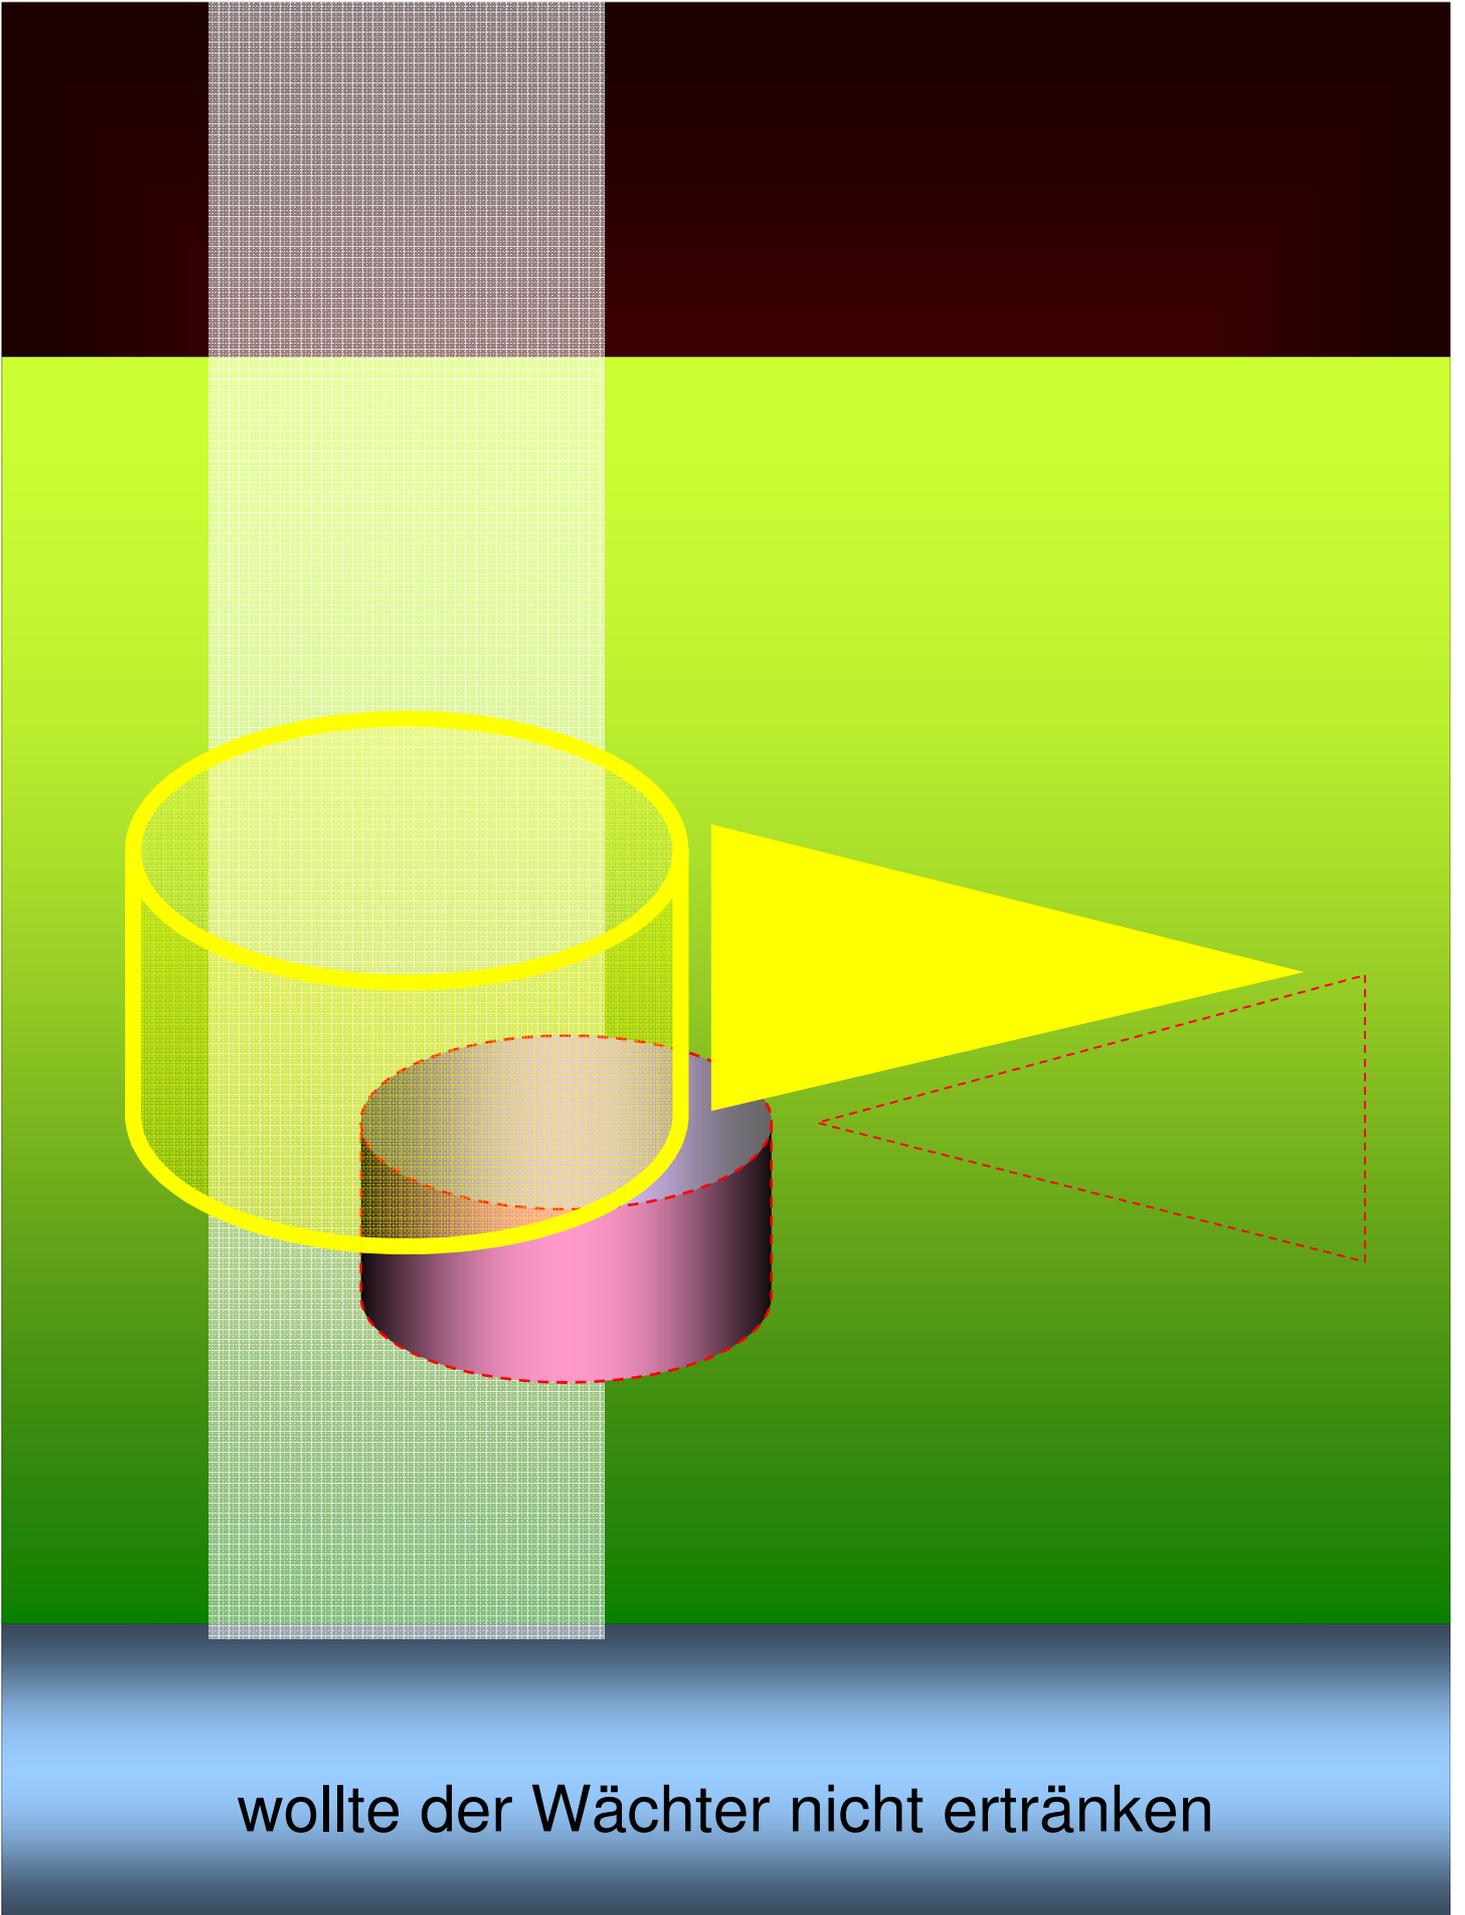

in dieser Not gab er seinen Namen preis

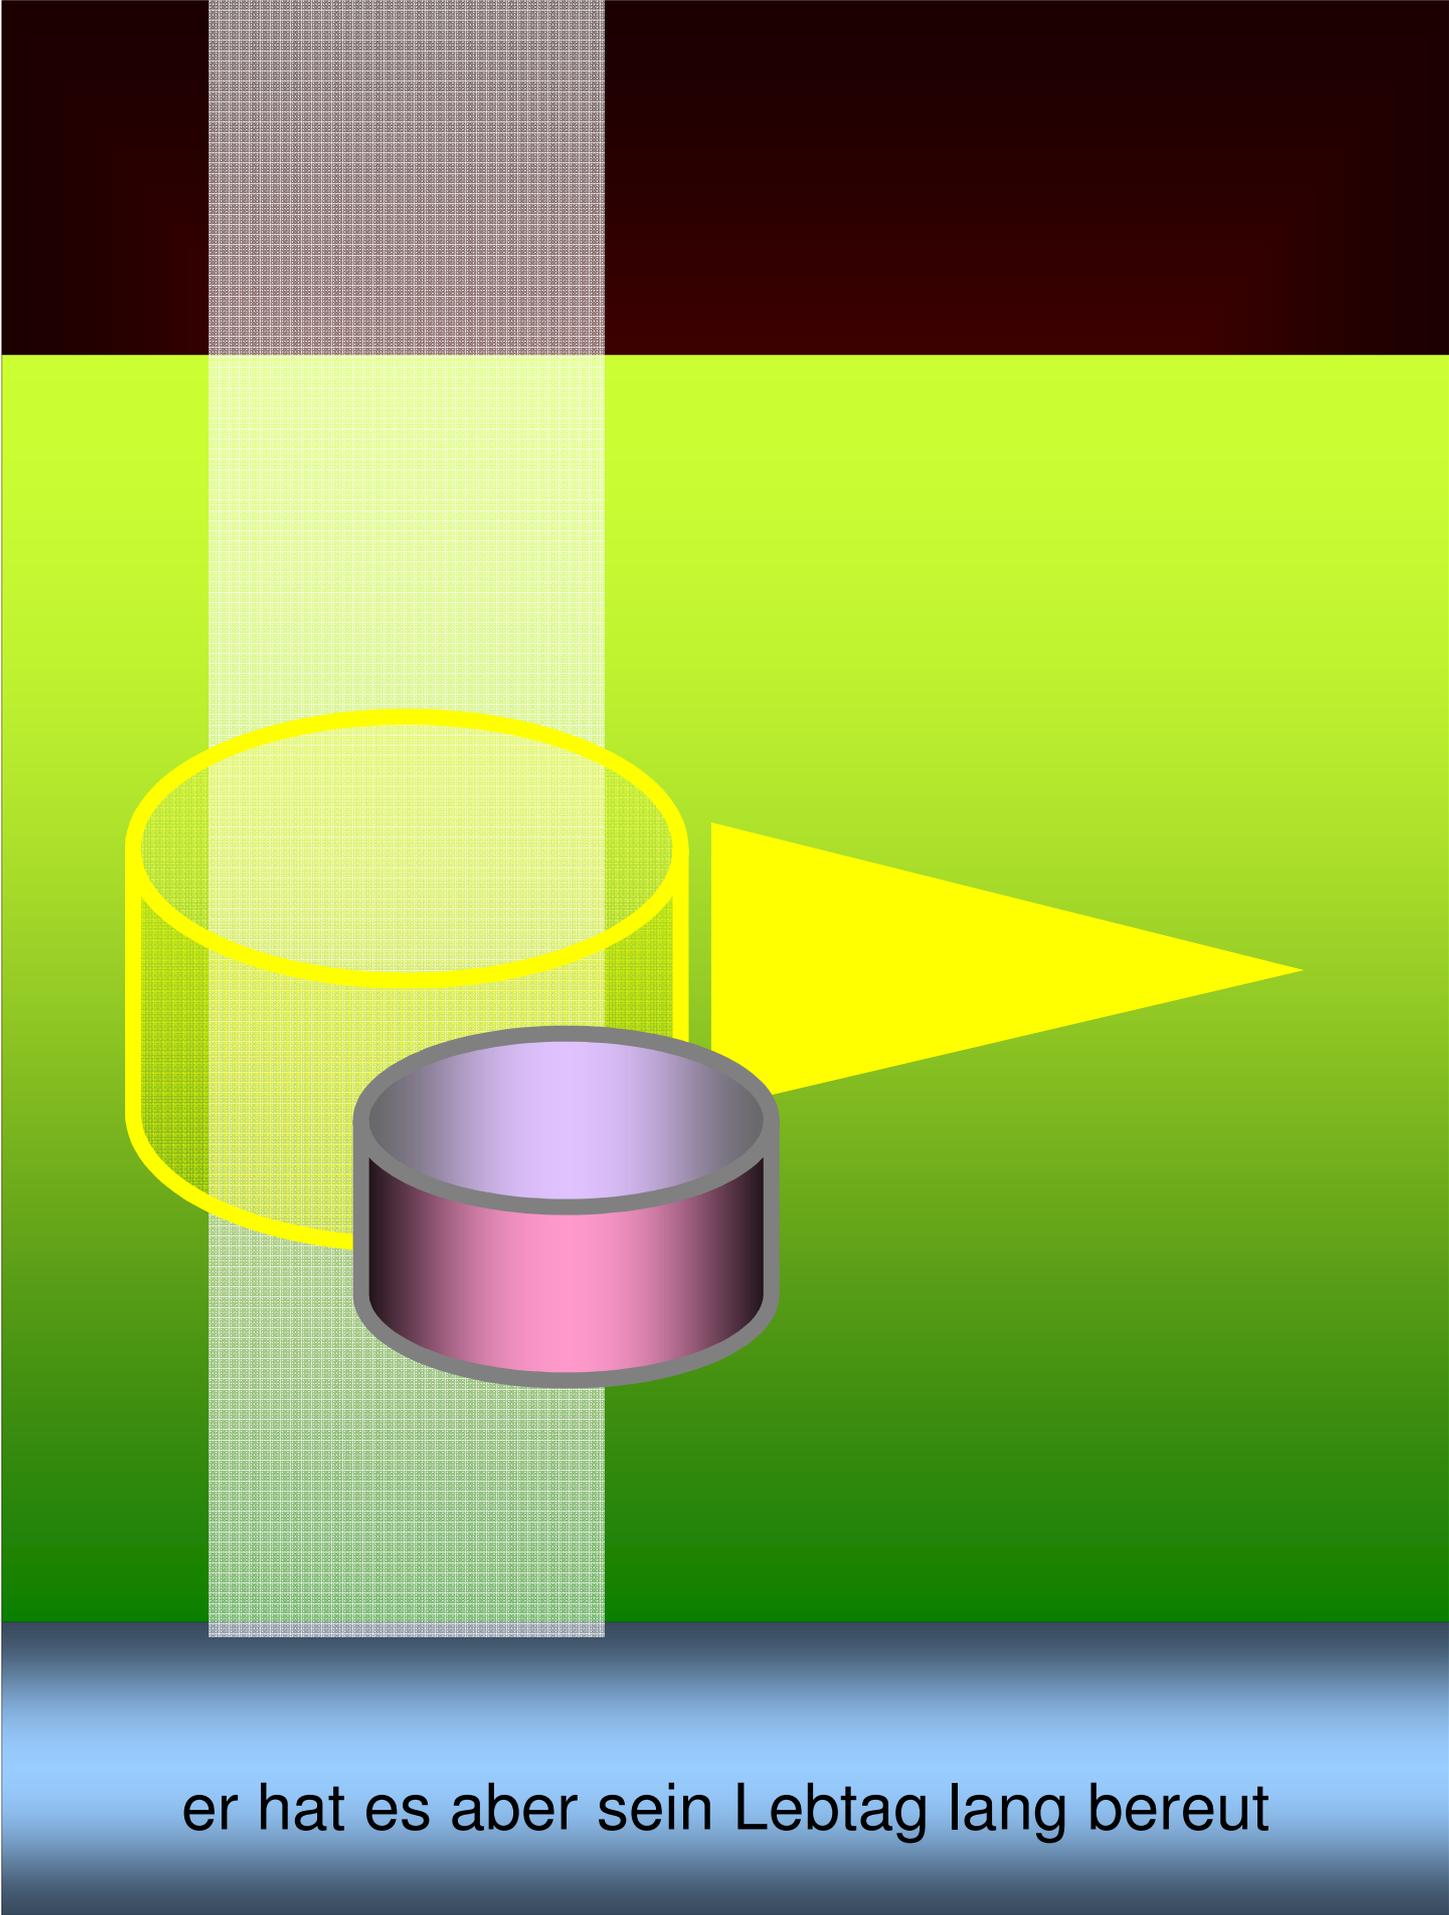

was ihn zwar rettete

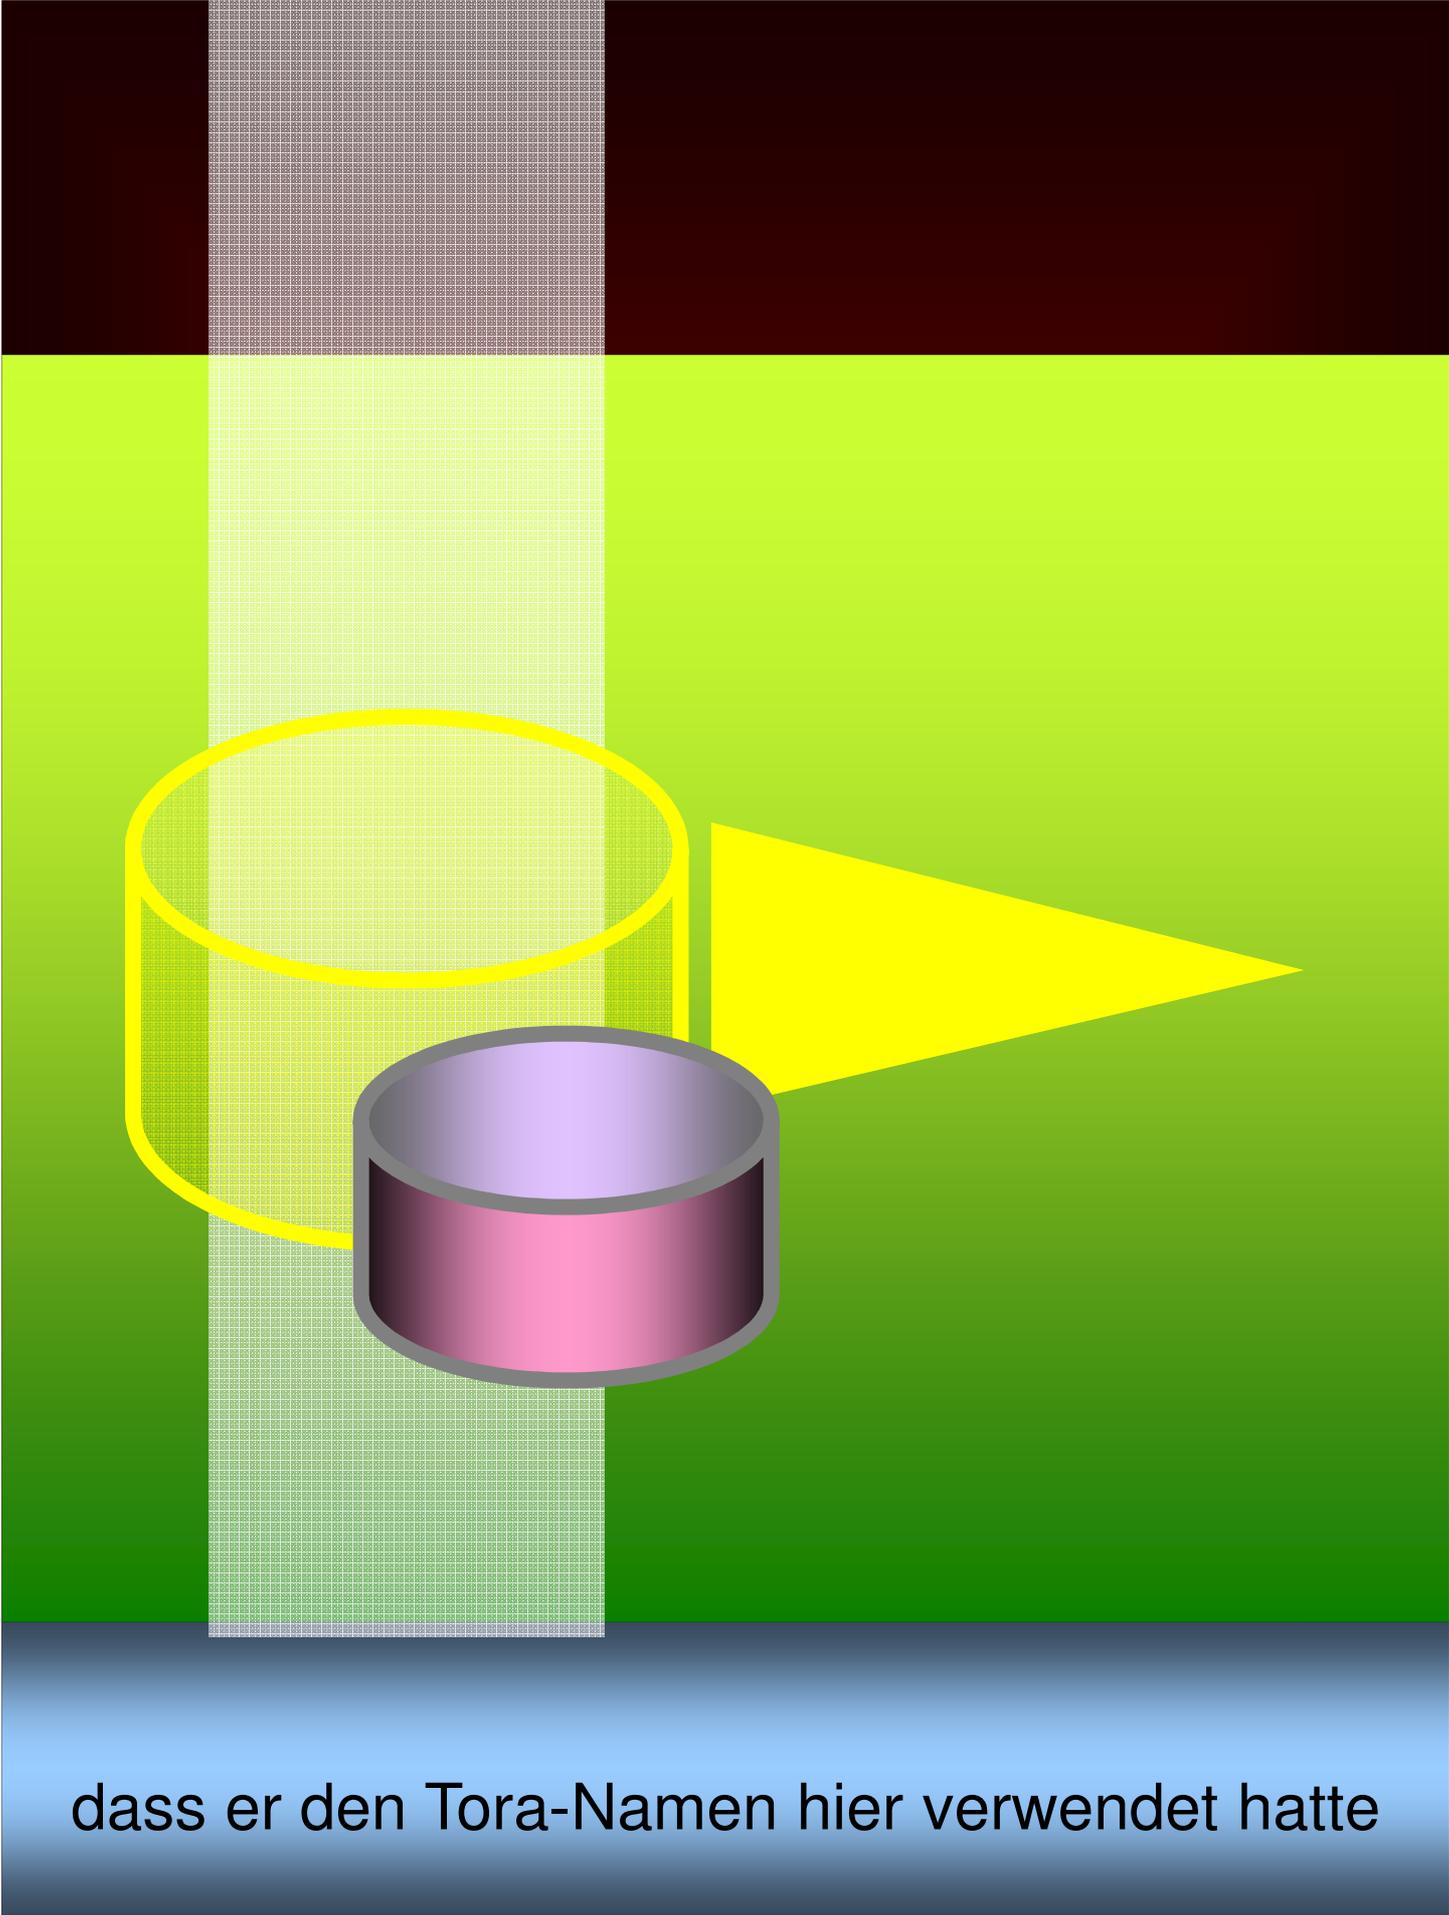

denn den Berühmten

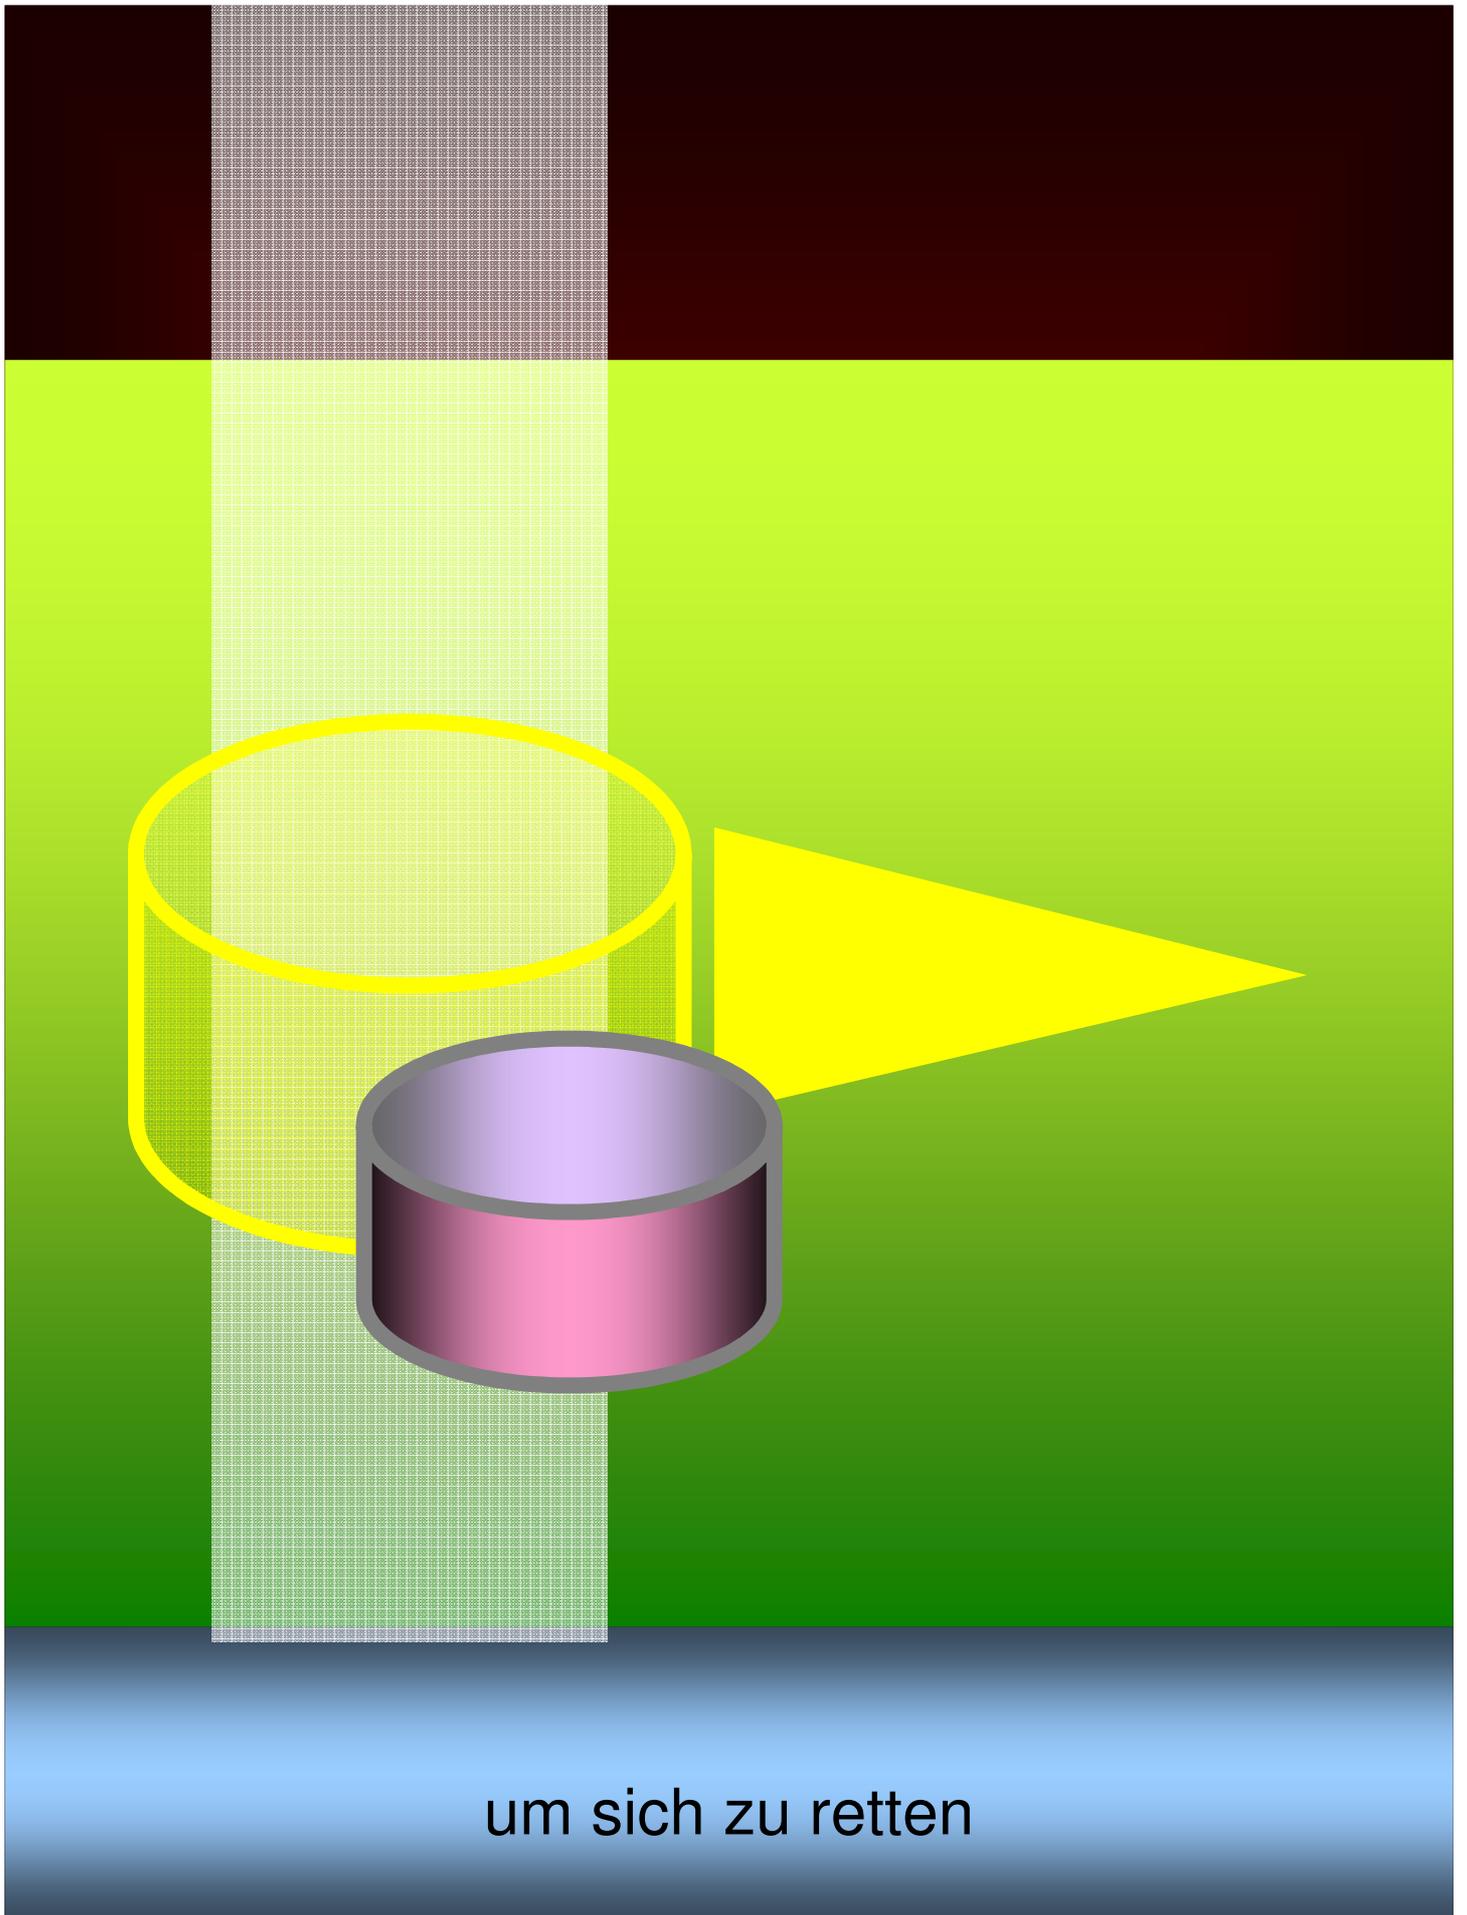

wolte der Wächter nicht ertränken

er hat es aber sein Lebtag lang bereut

dass er den Tora-Namen hier verwendet hatte

um sich zu retten
