

GL 104

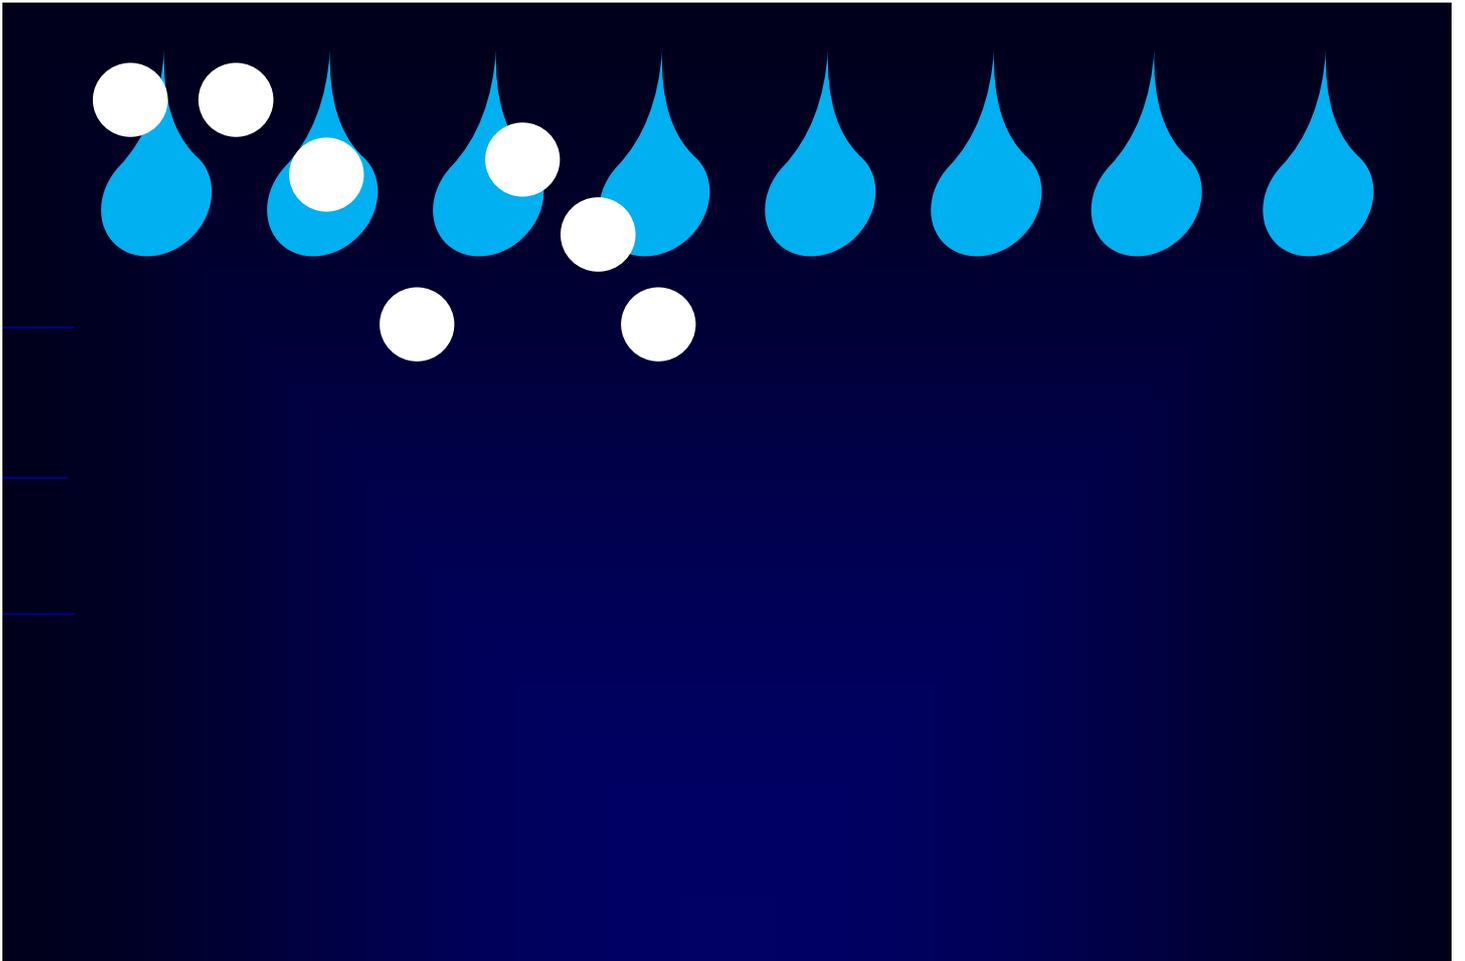

„Tauet Himmel aus den Höhn“

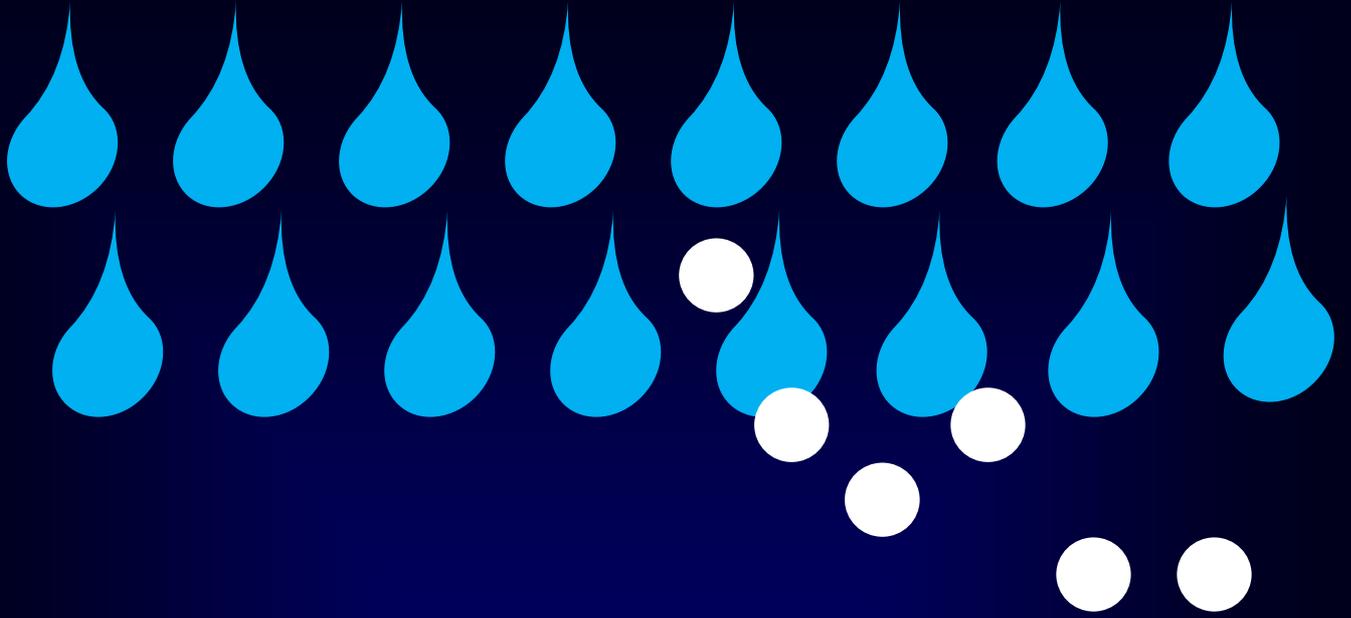

T: Johannes Schlick 1970

M: Johannes Spangenberg 1544

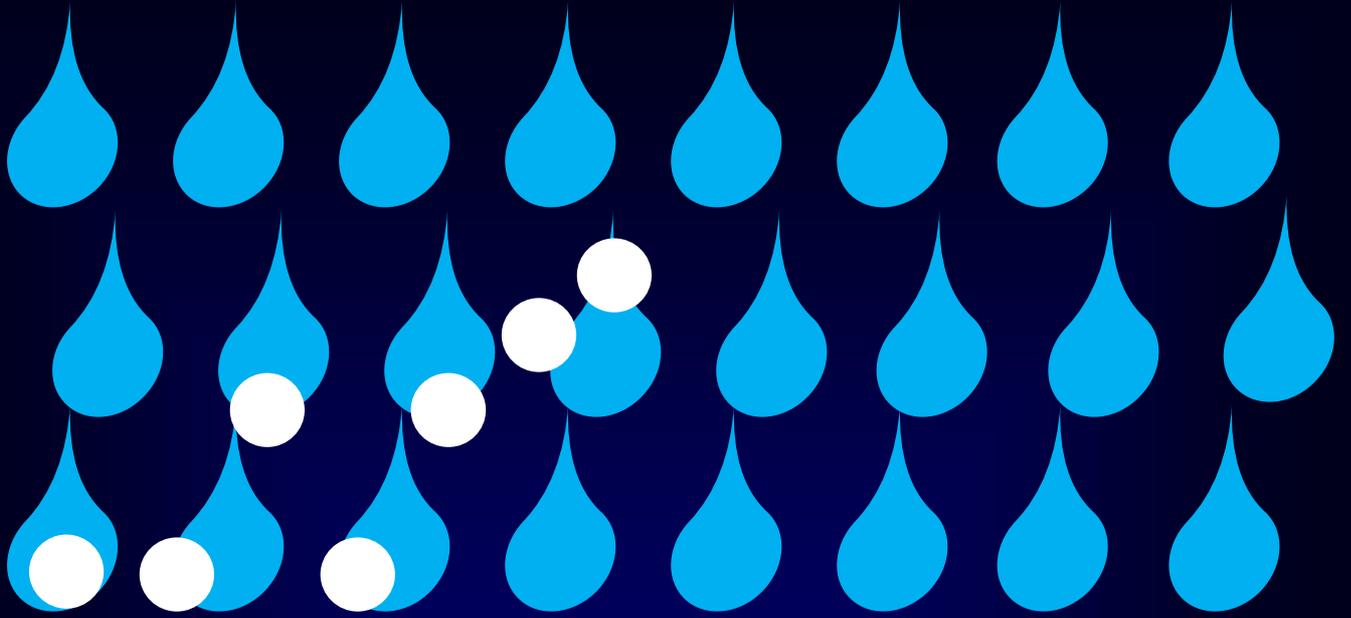

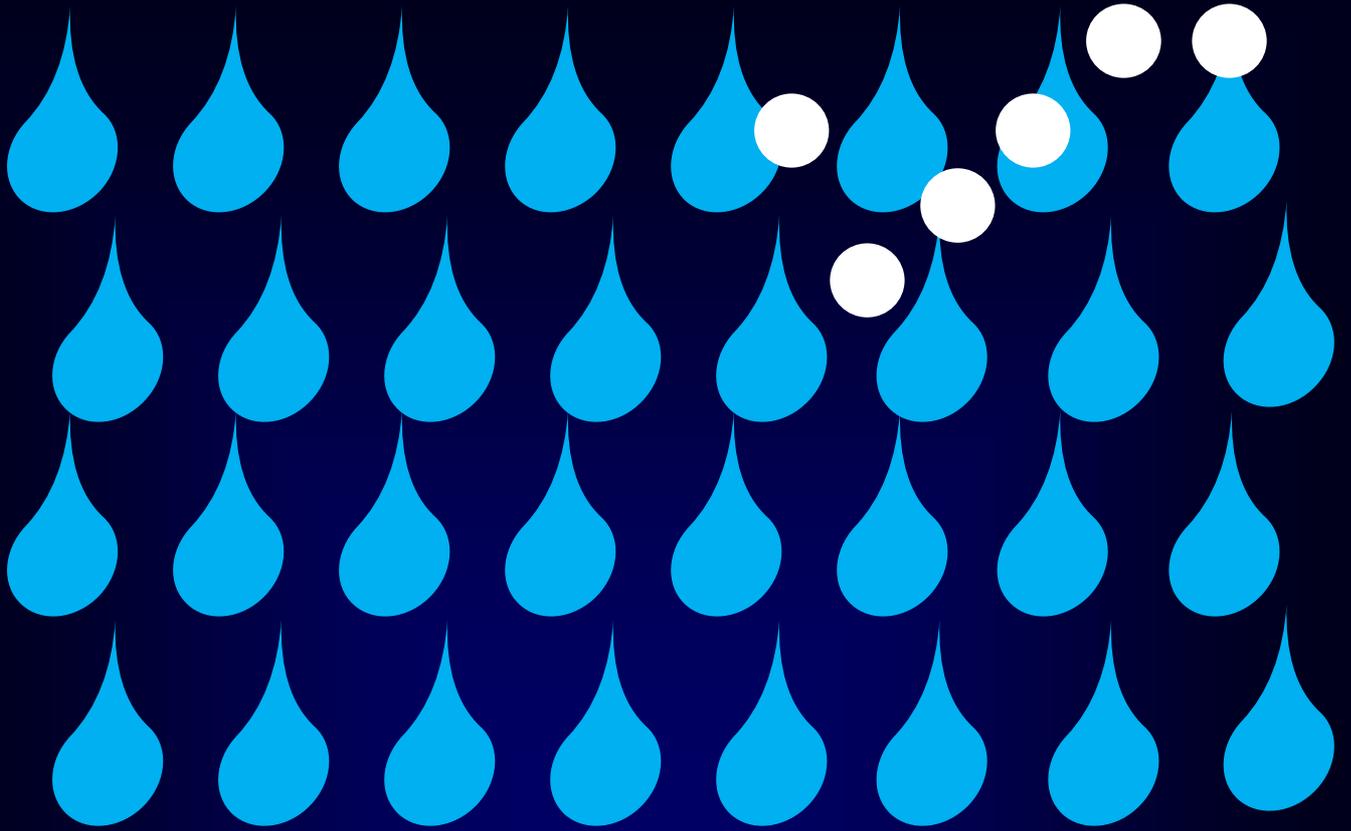

Tauet Himmel aus den Höhn

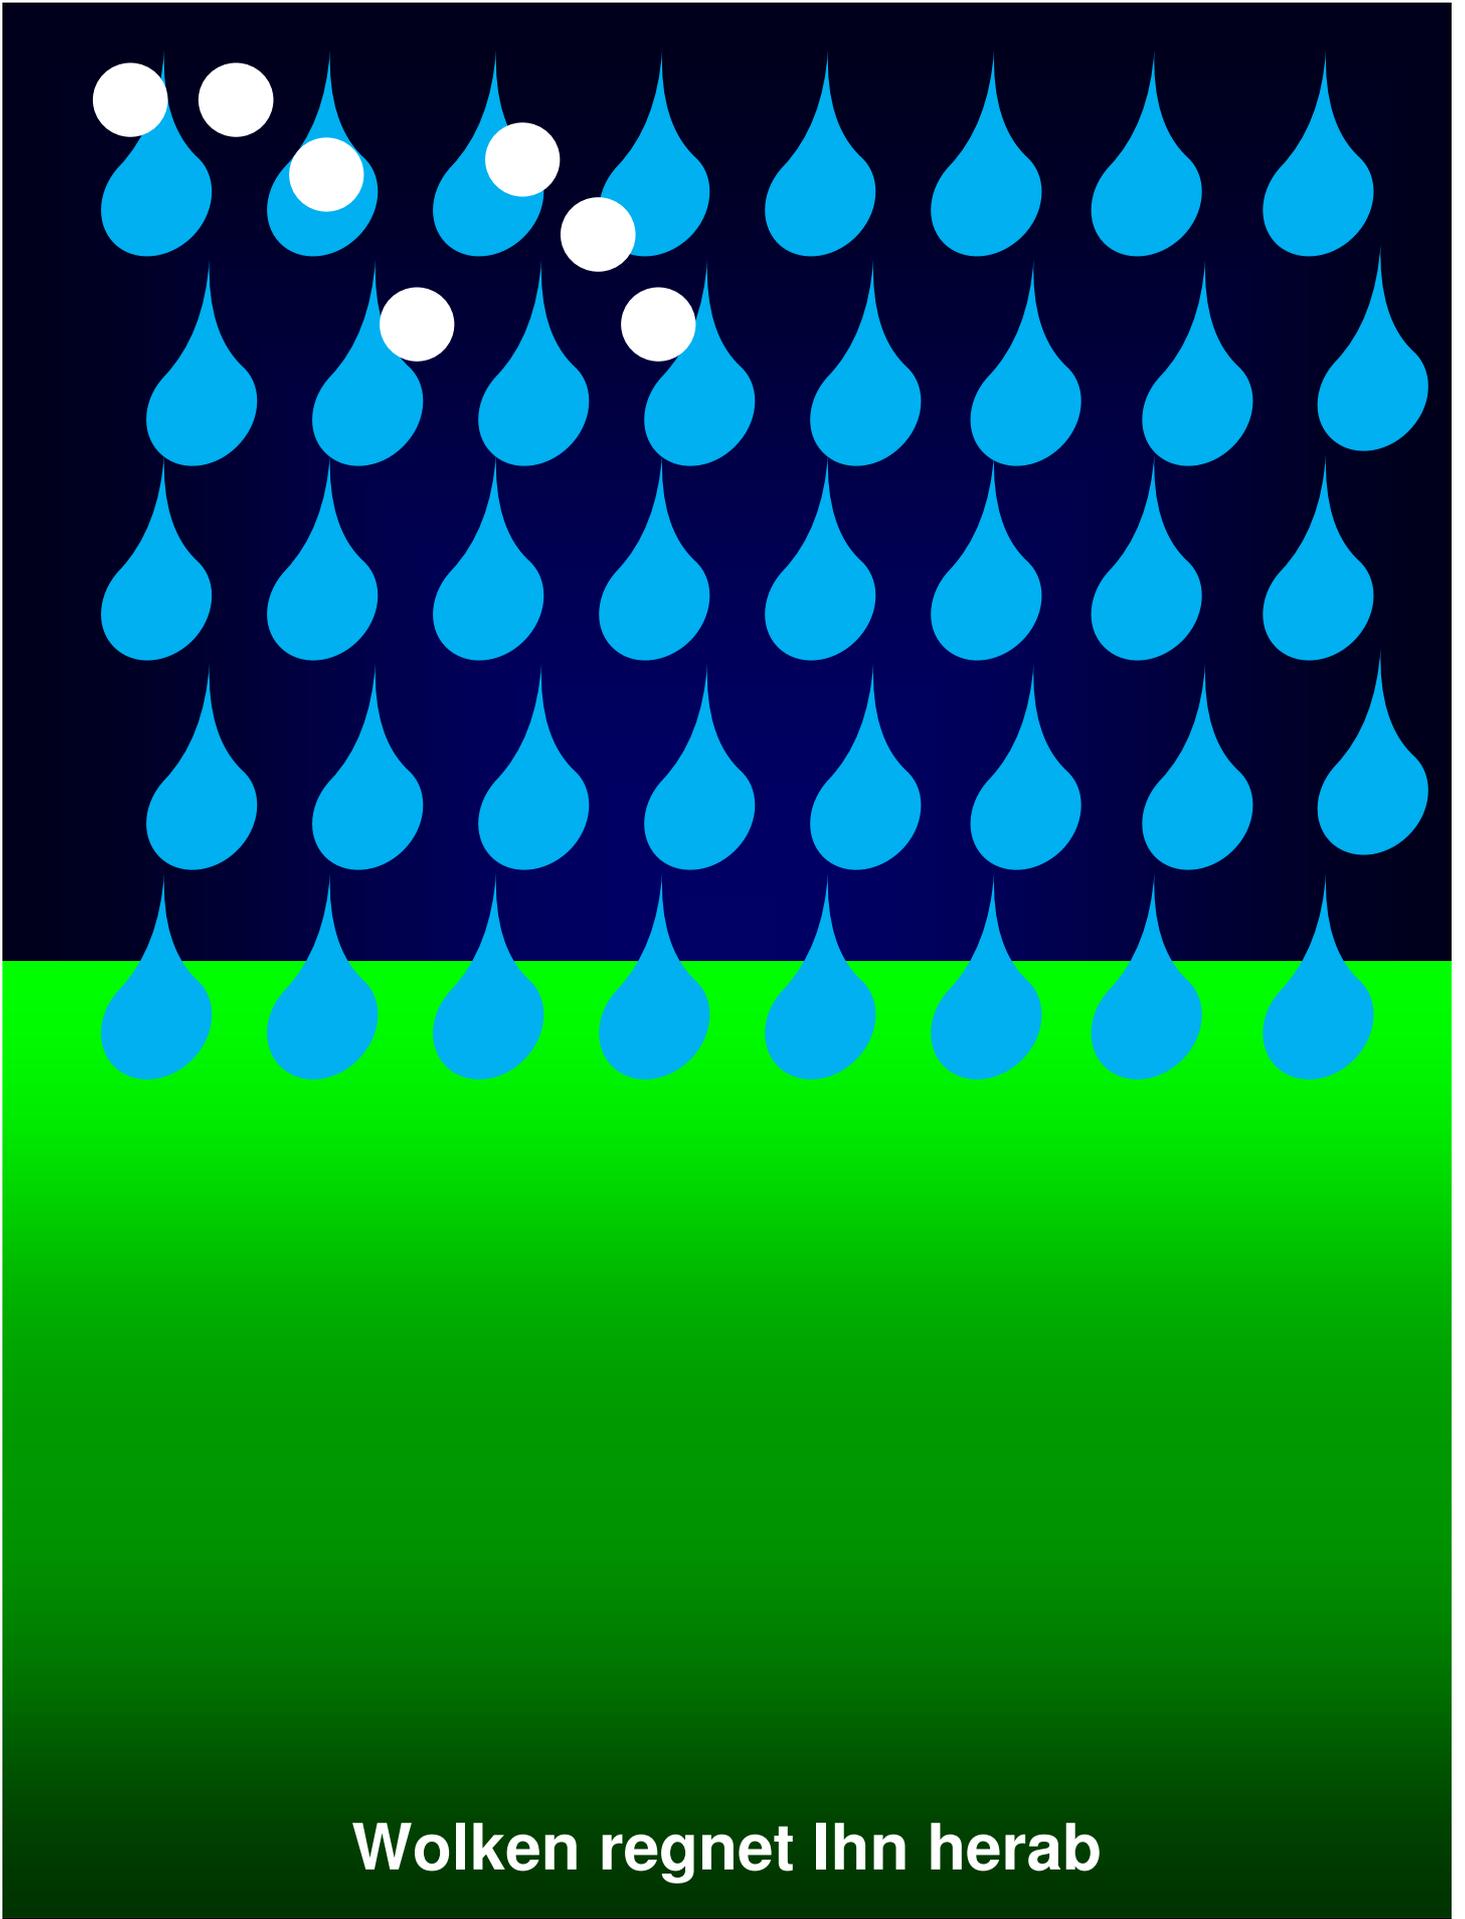

tauet den Gerechten

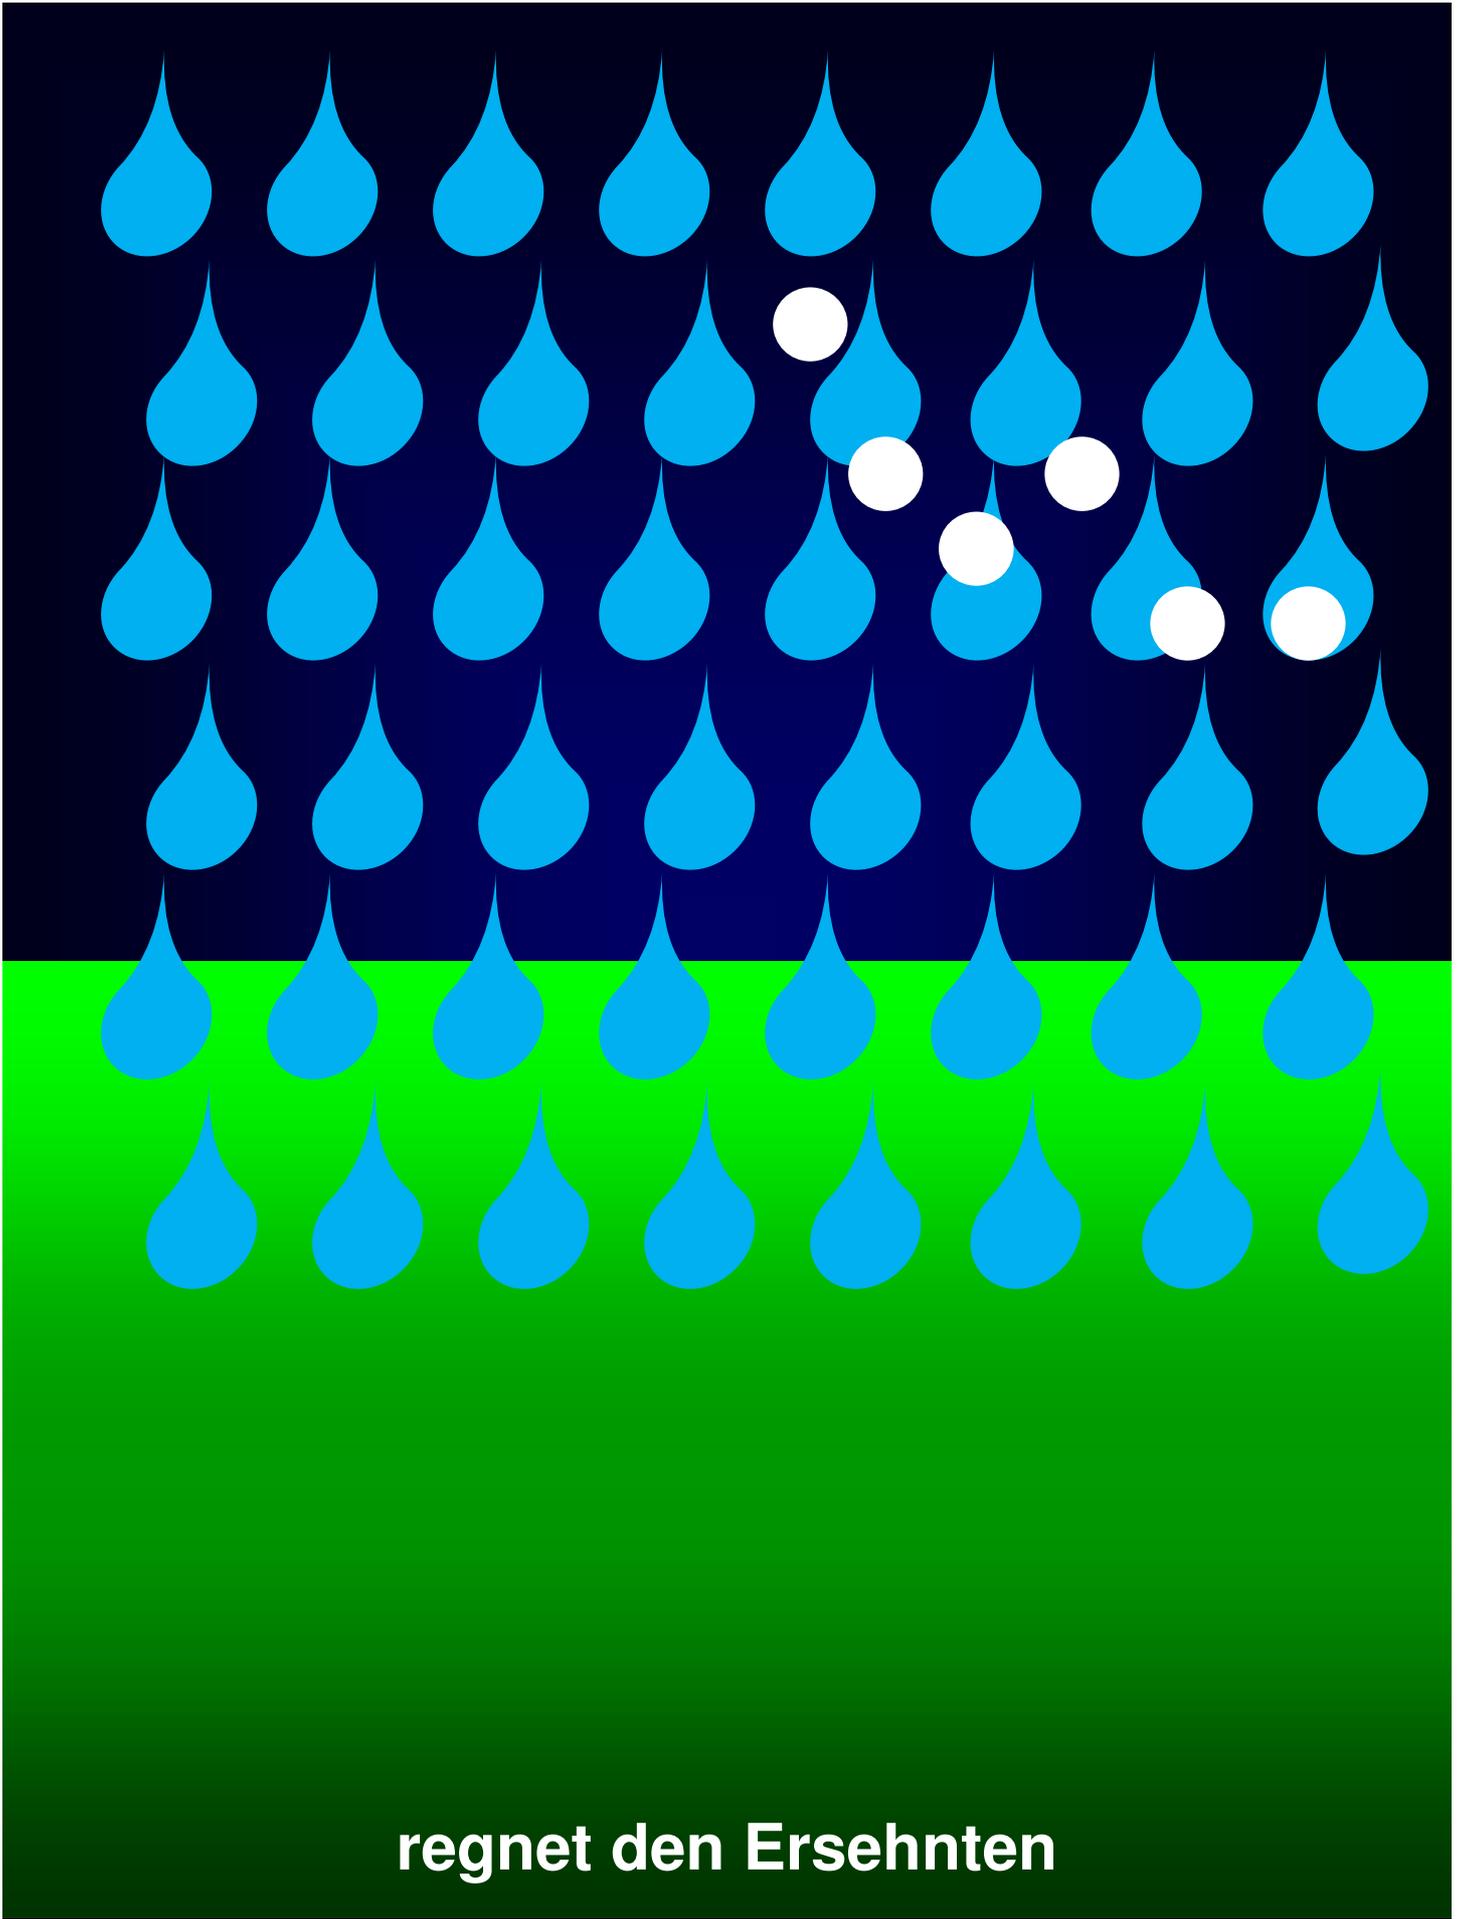

was verdorrt ist blühe auf

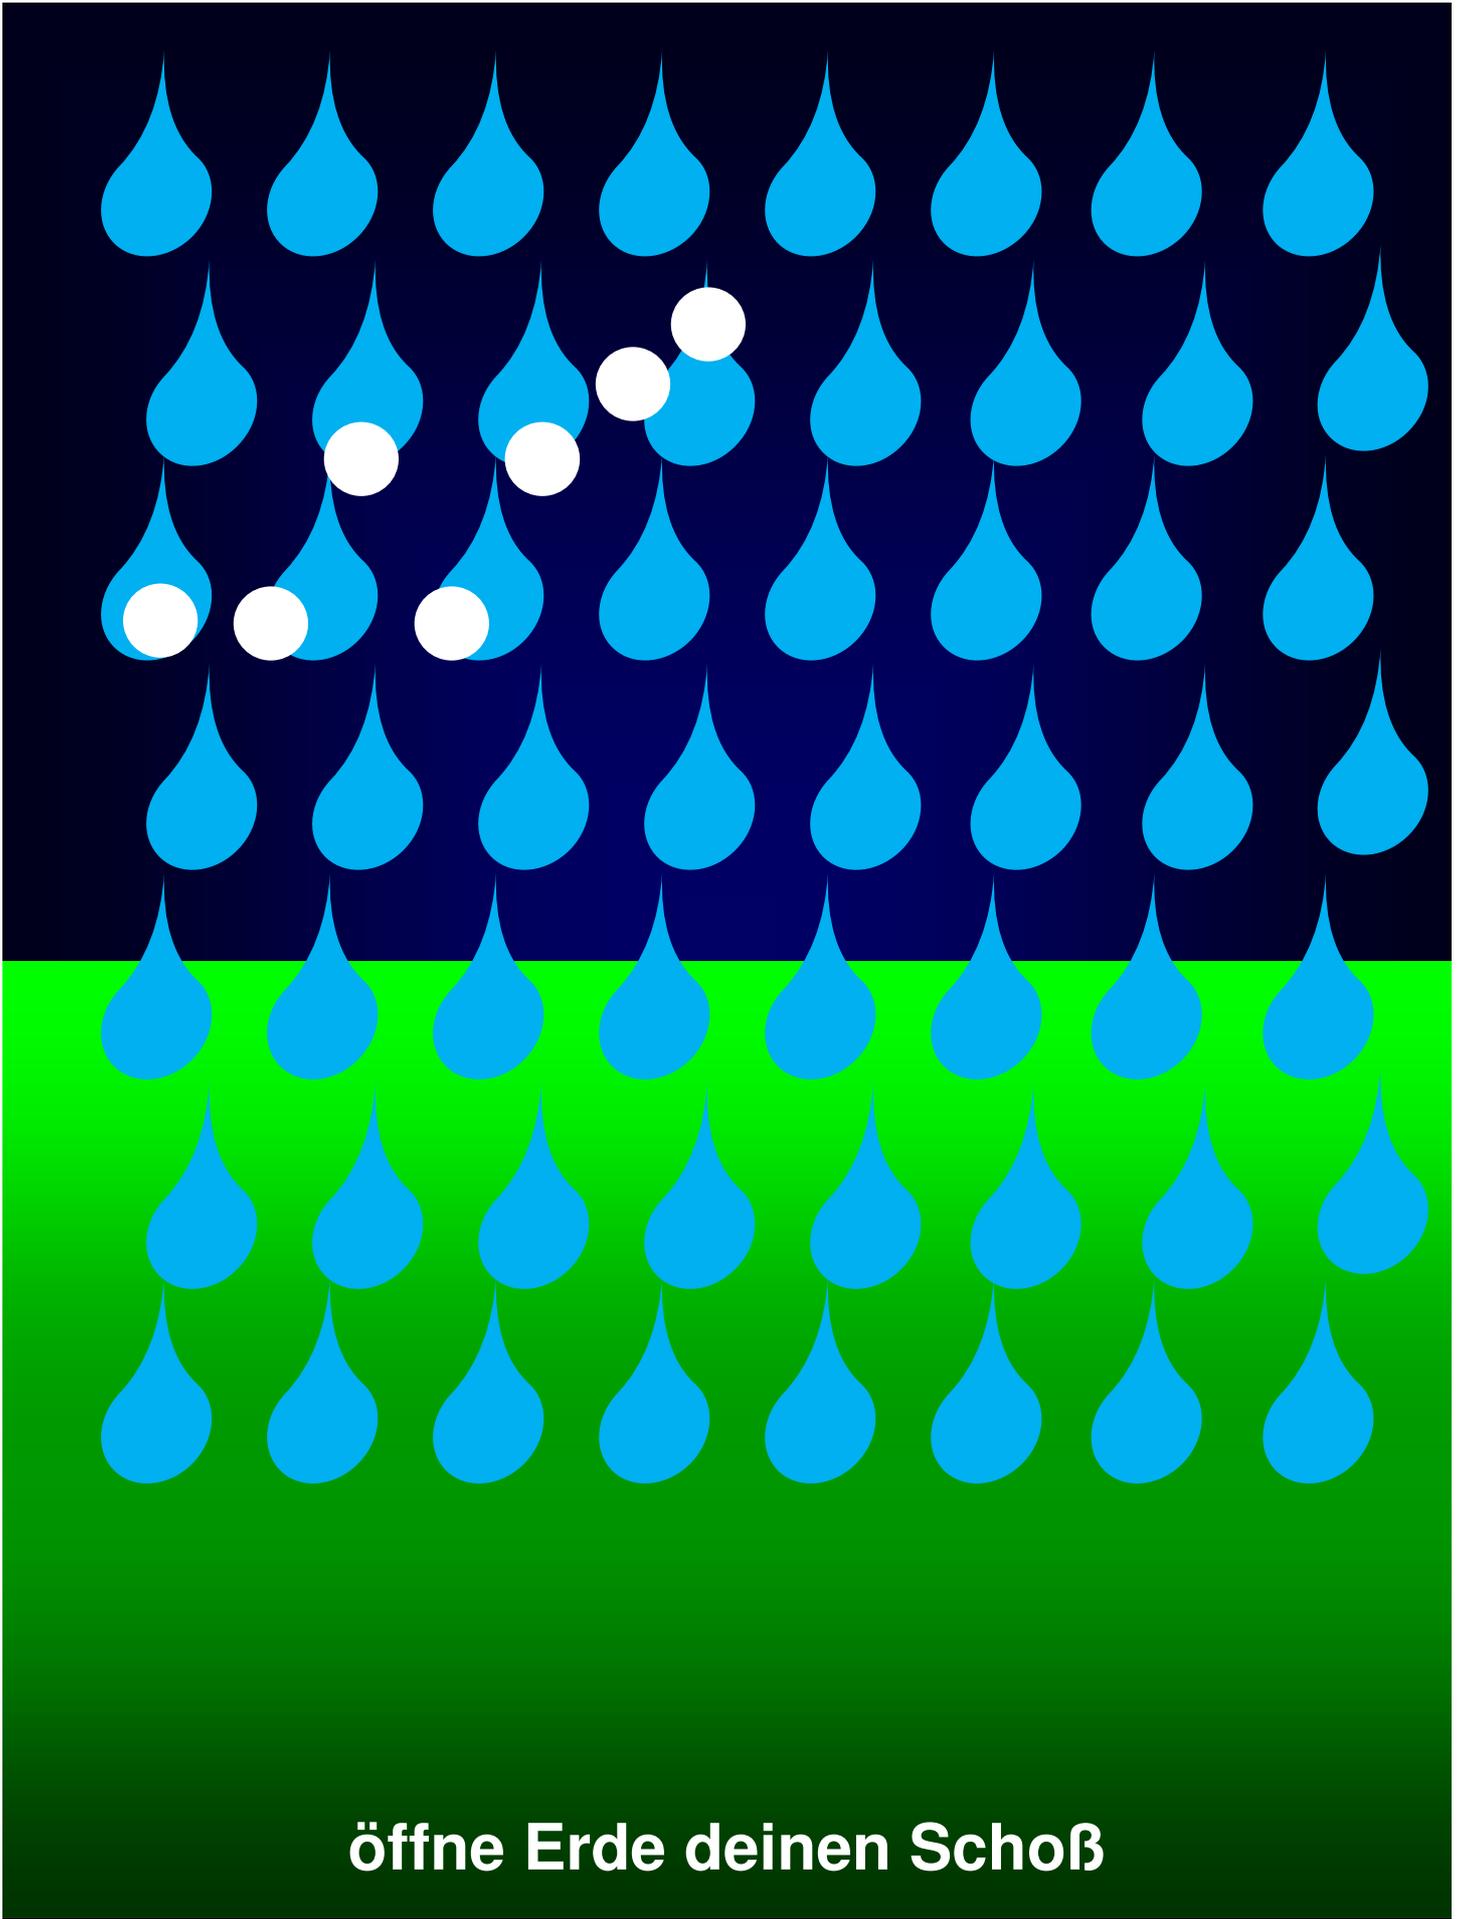

unter Seinem Segen

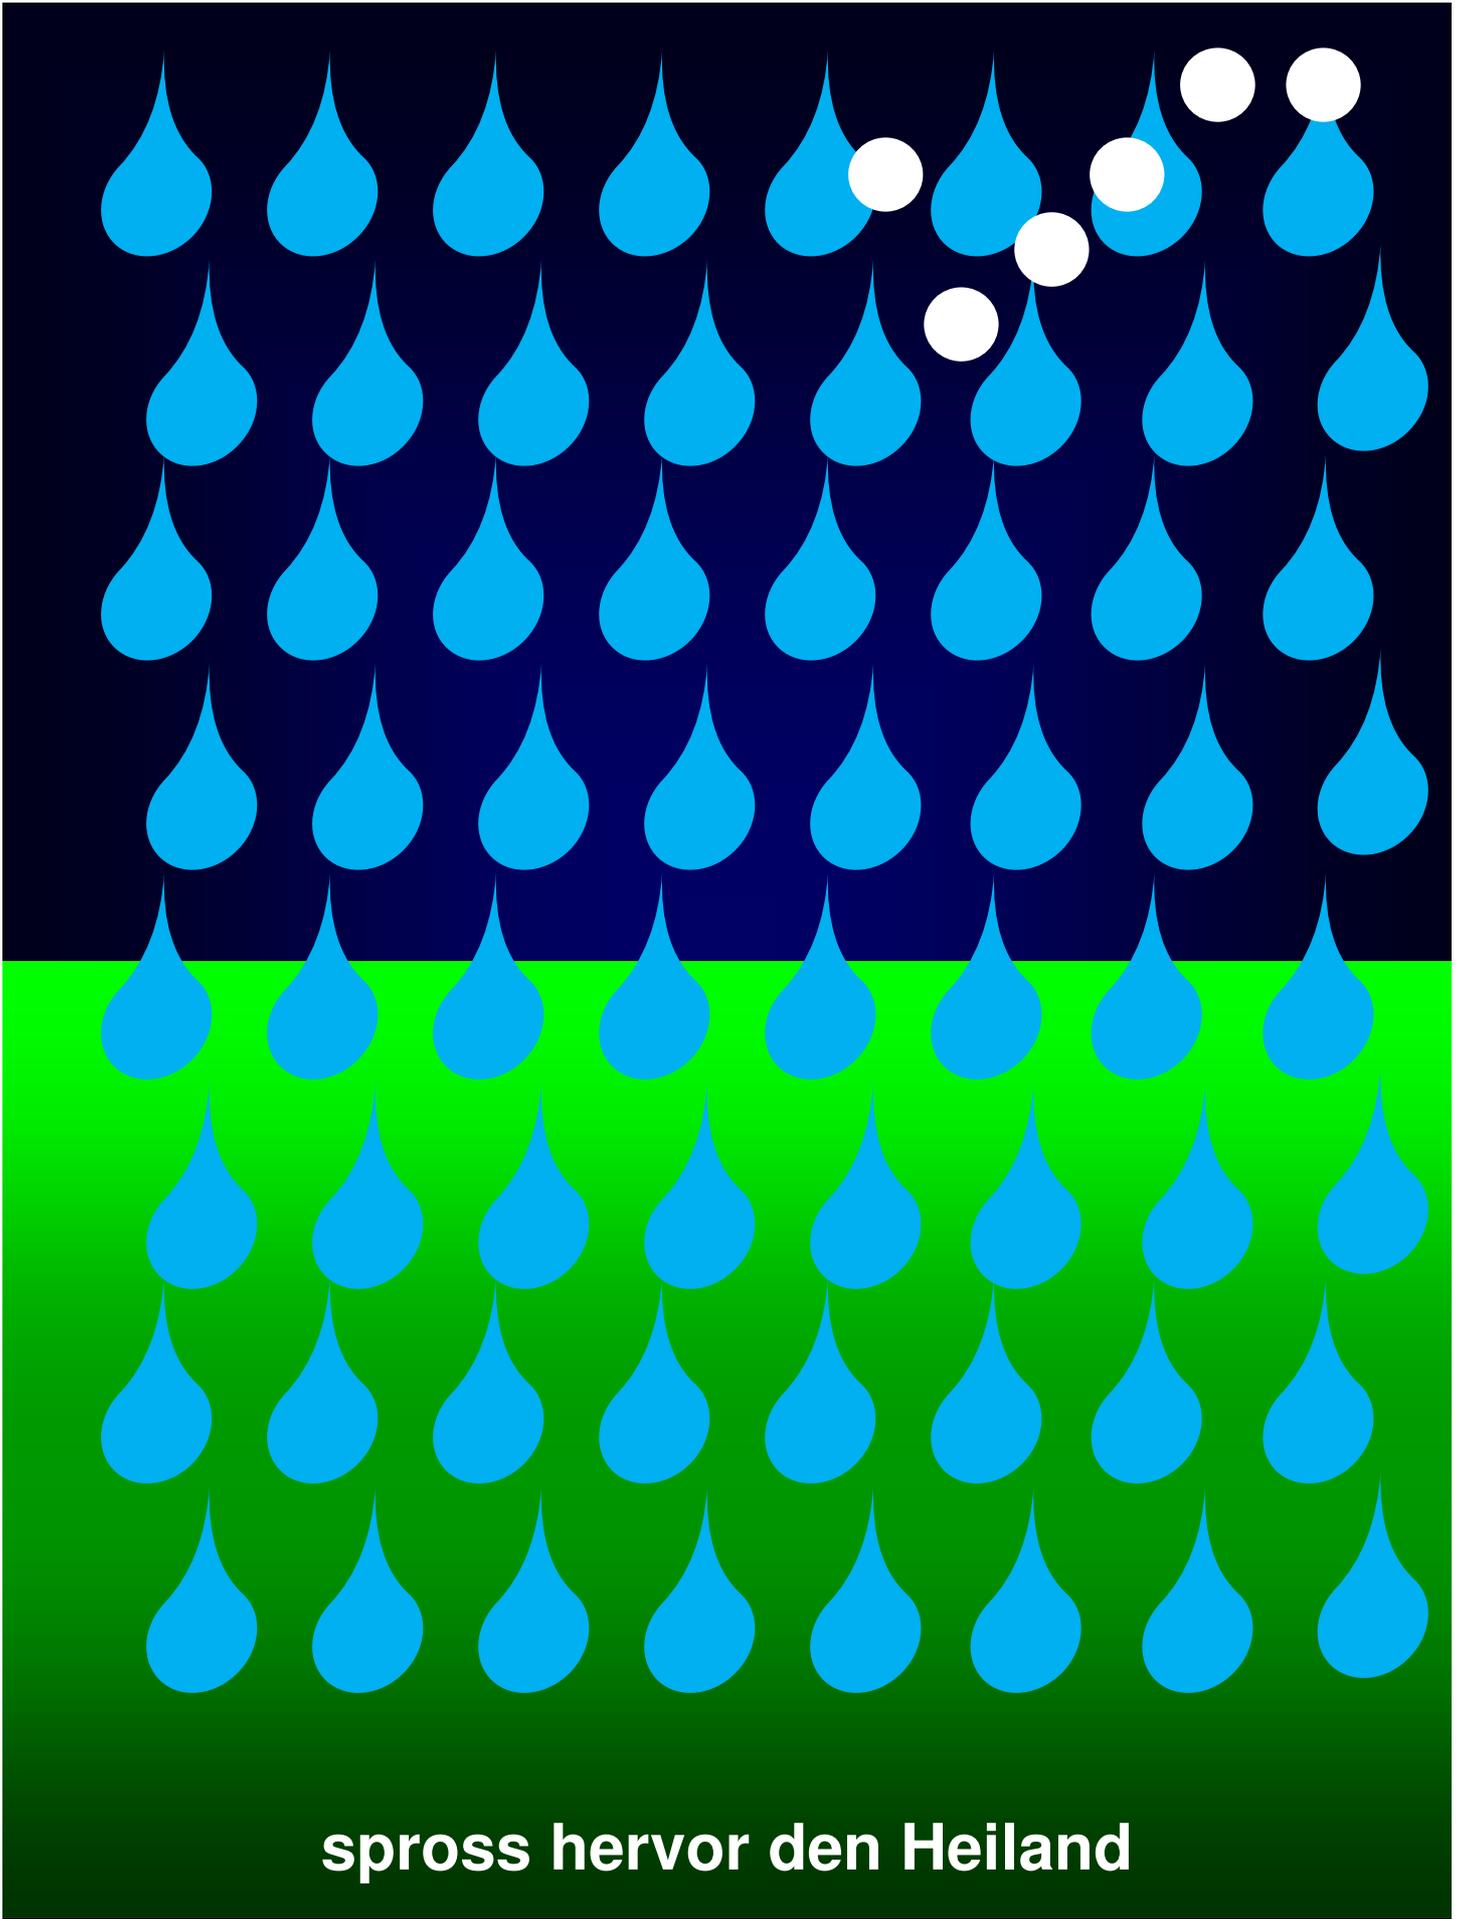

Wolken regnet Ihn herab

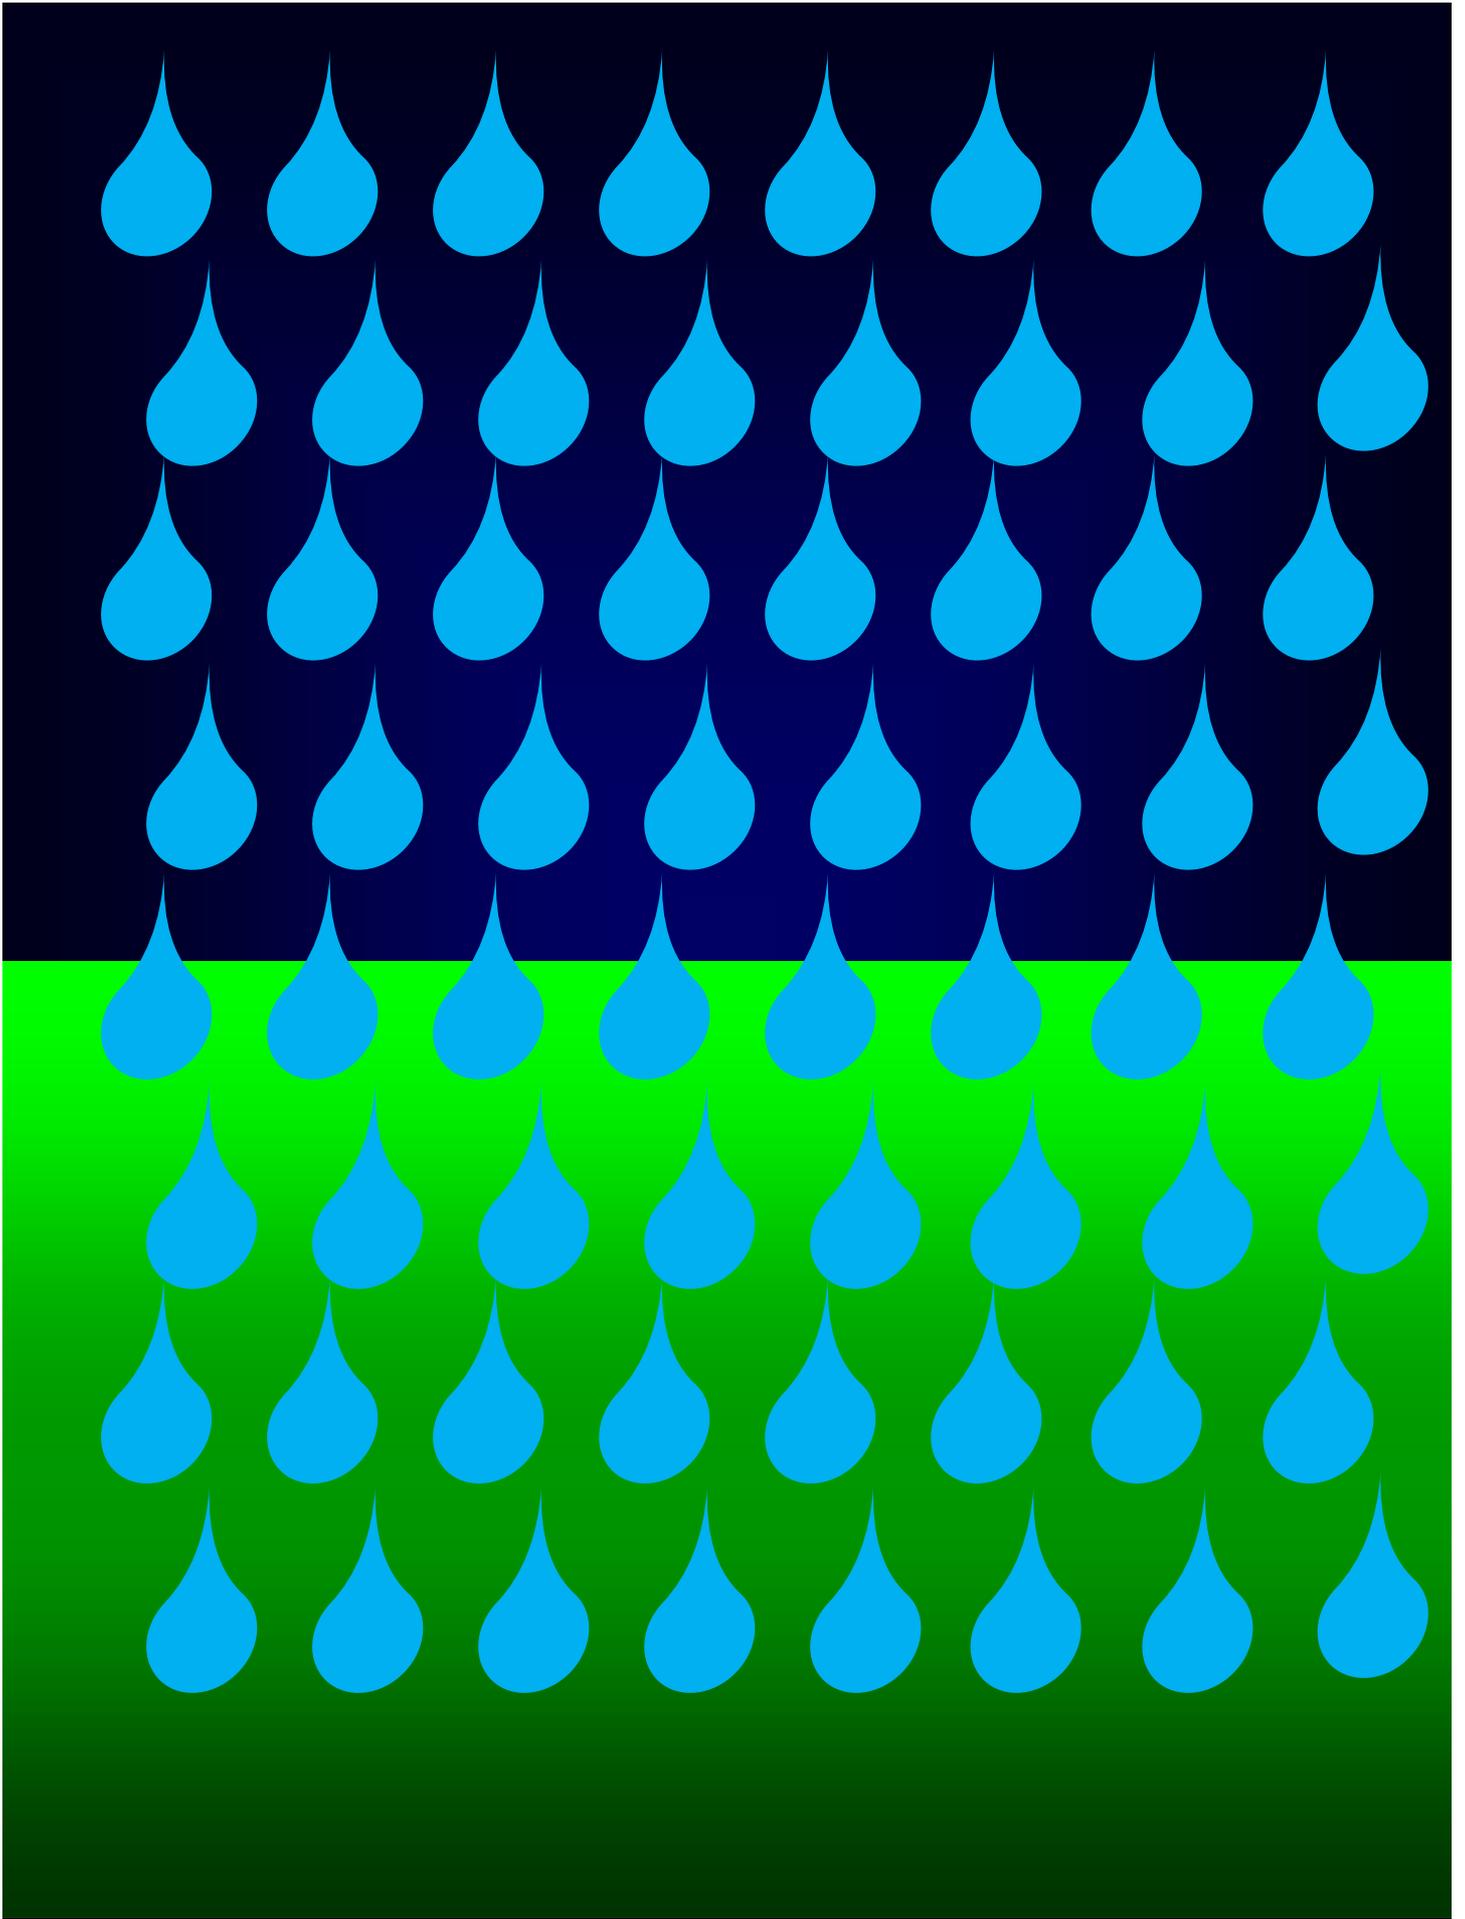

regnet den Ersehnten

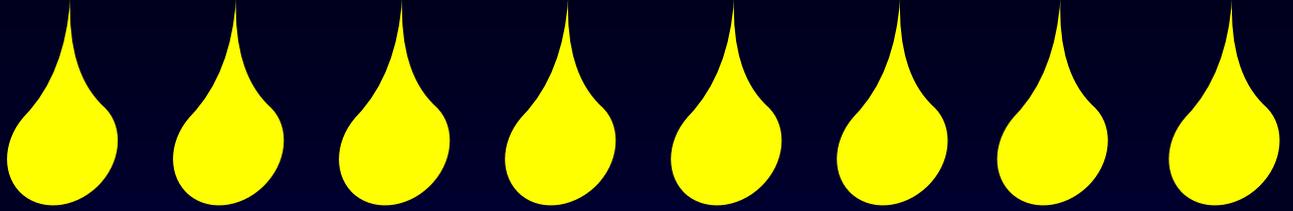

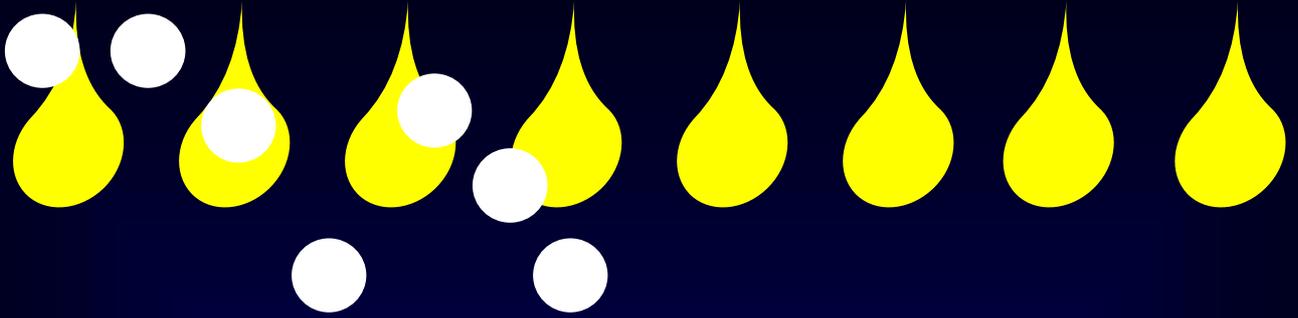

öffne Erde deinen Schoß

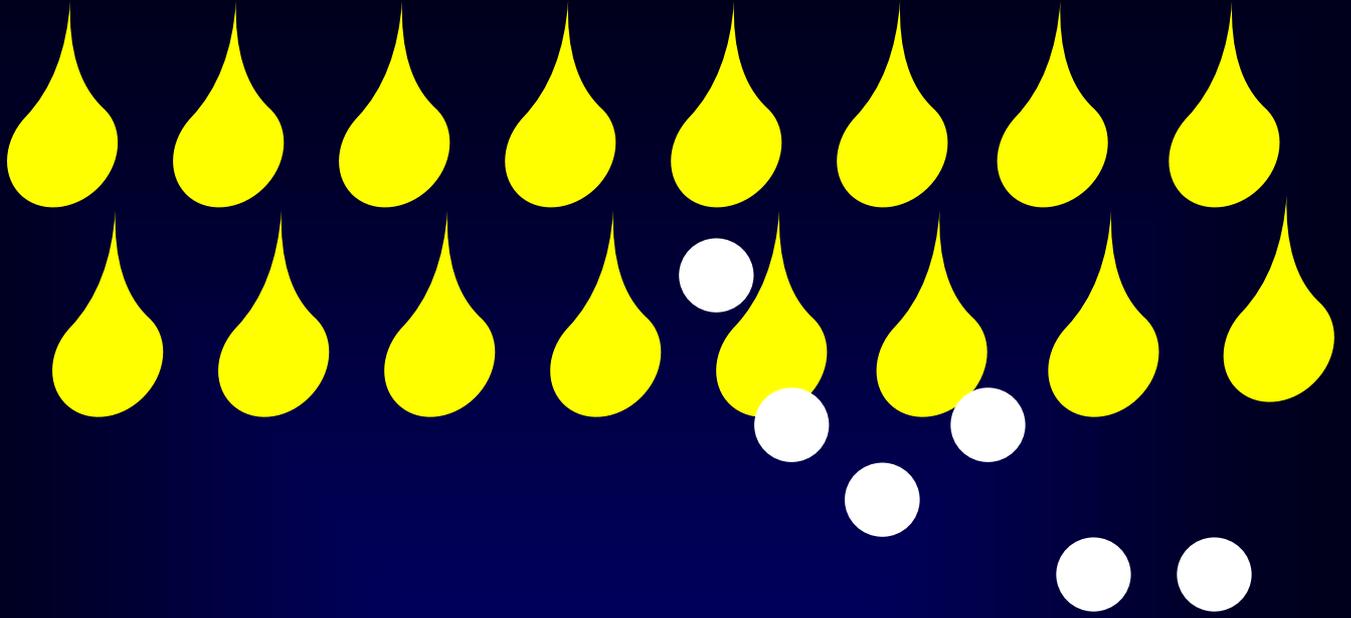

sross hervor den Heiland

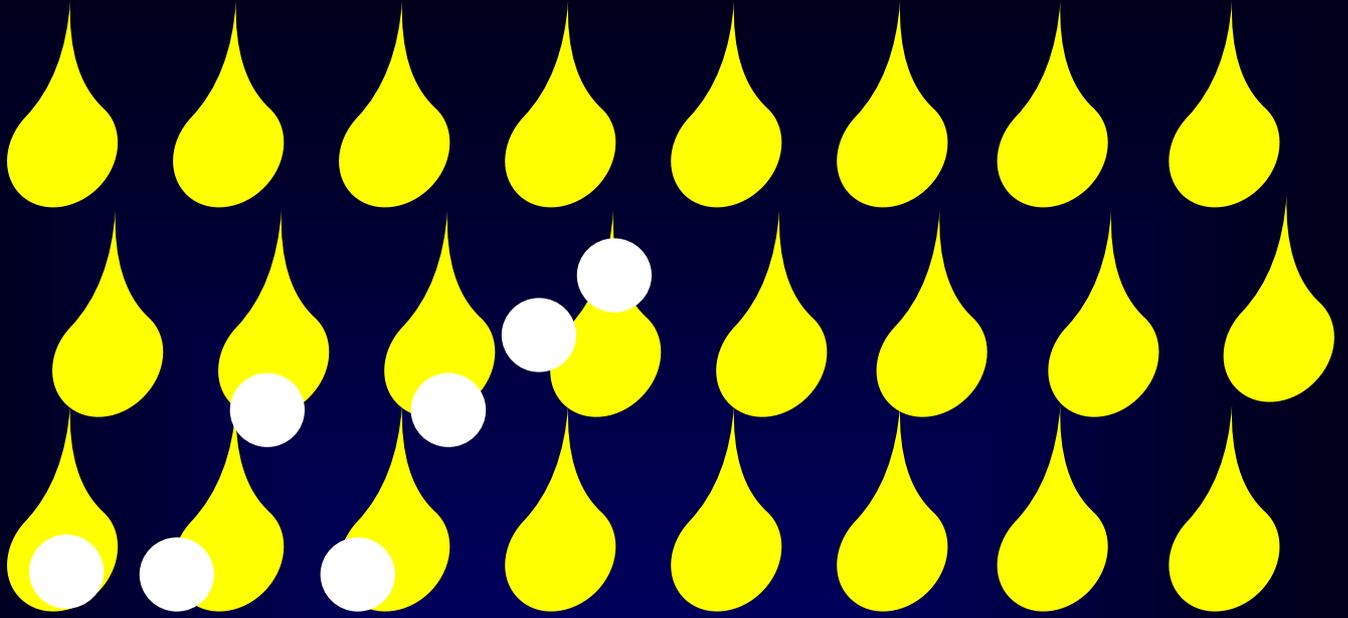

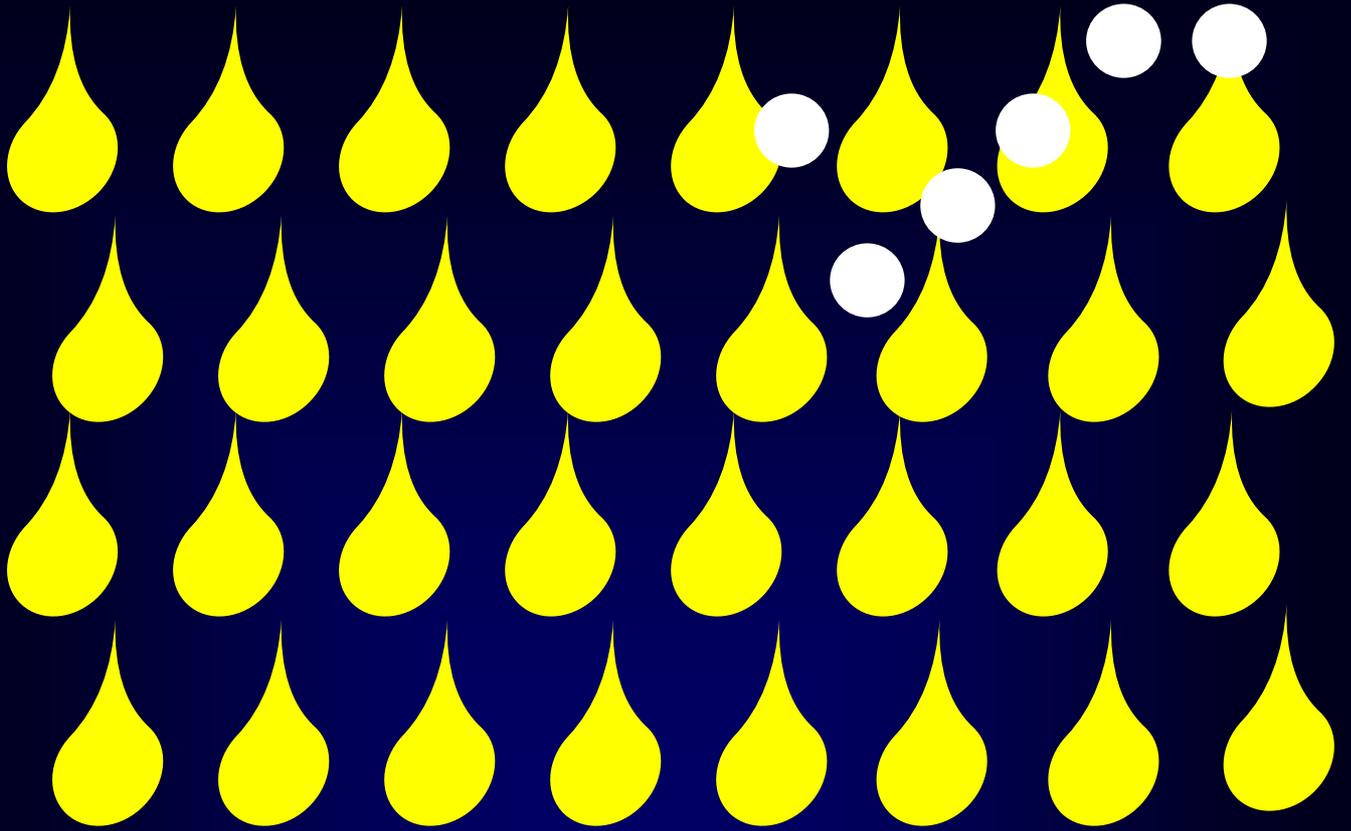

komm o Trost der ganzen Welt

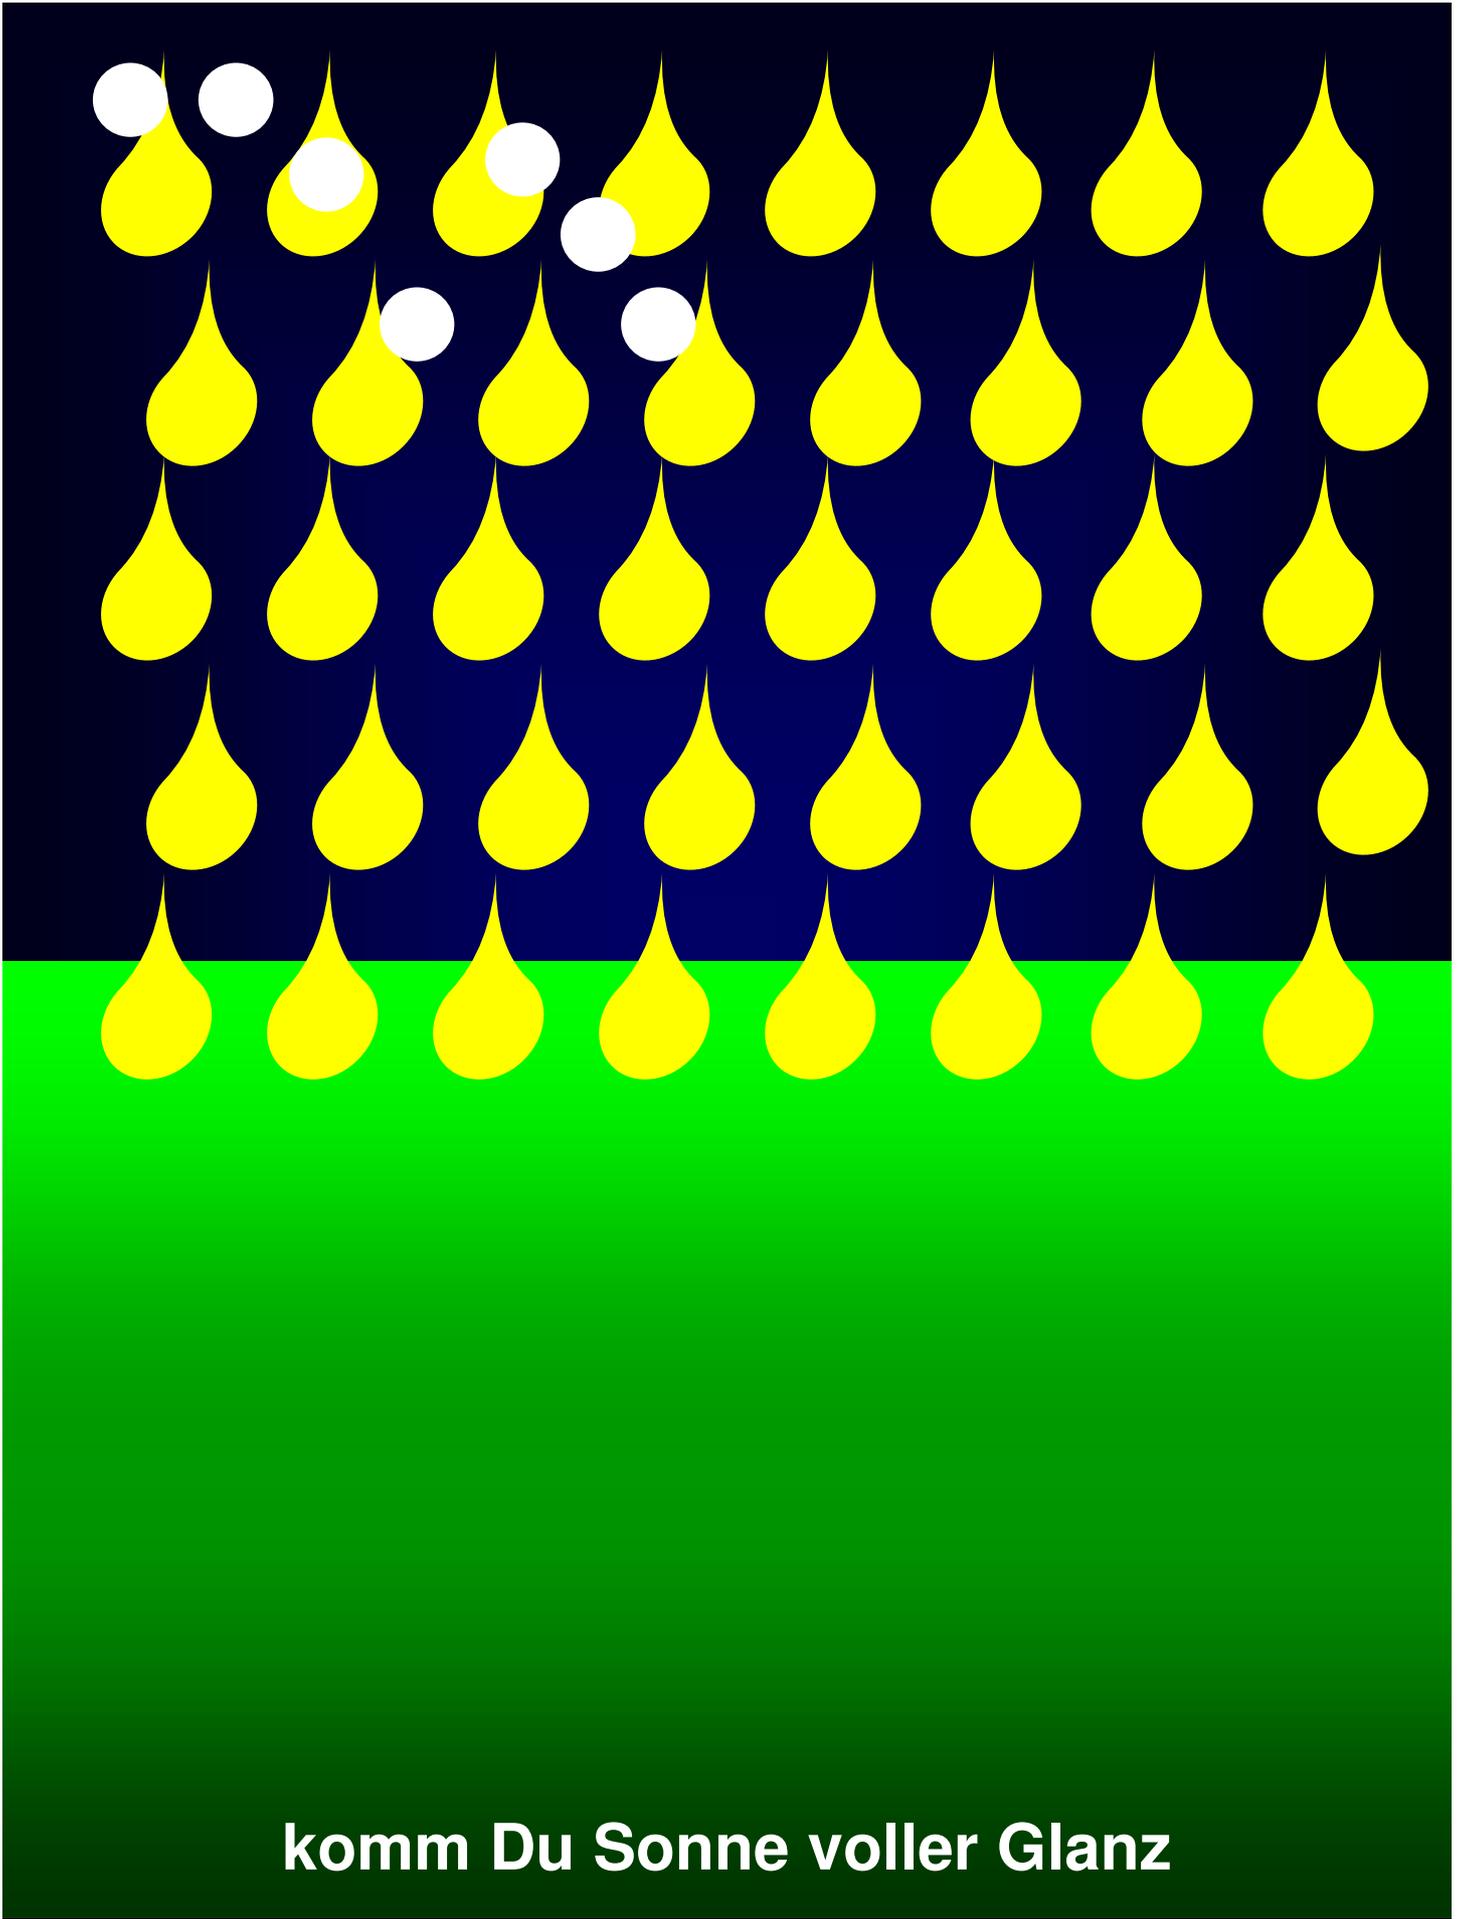

rette uns vom Tode

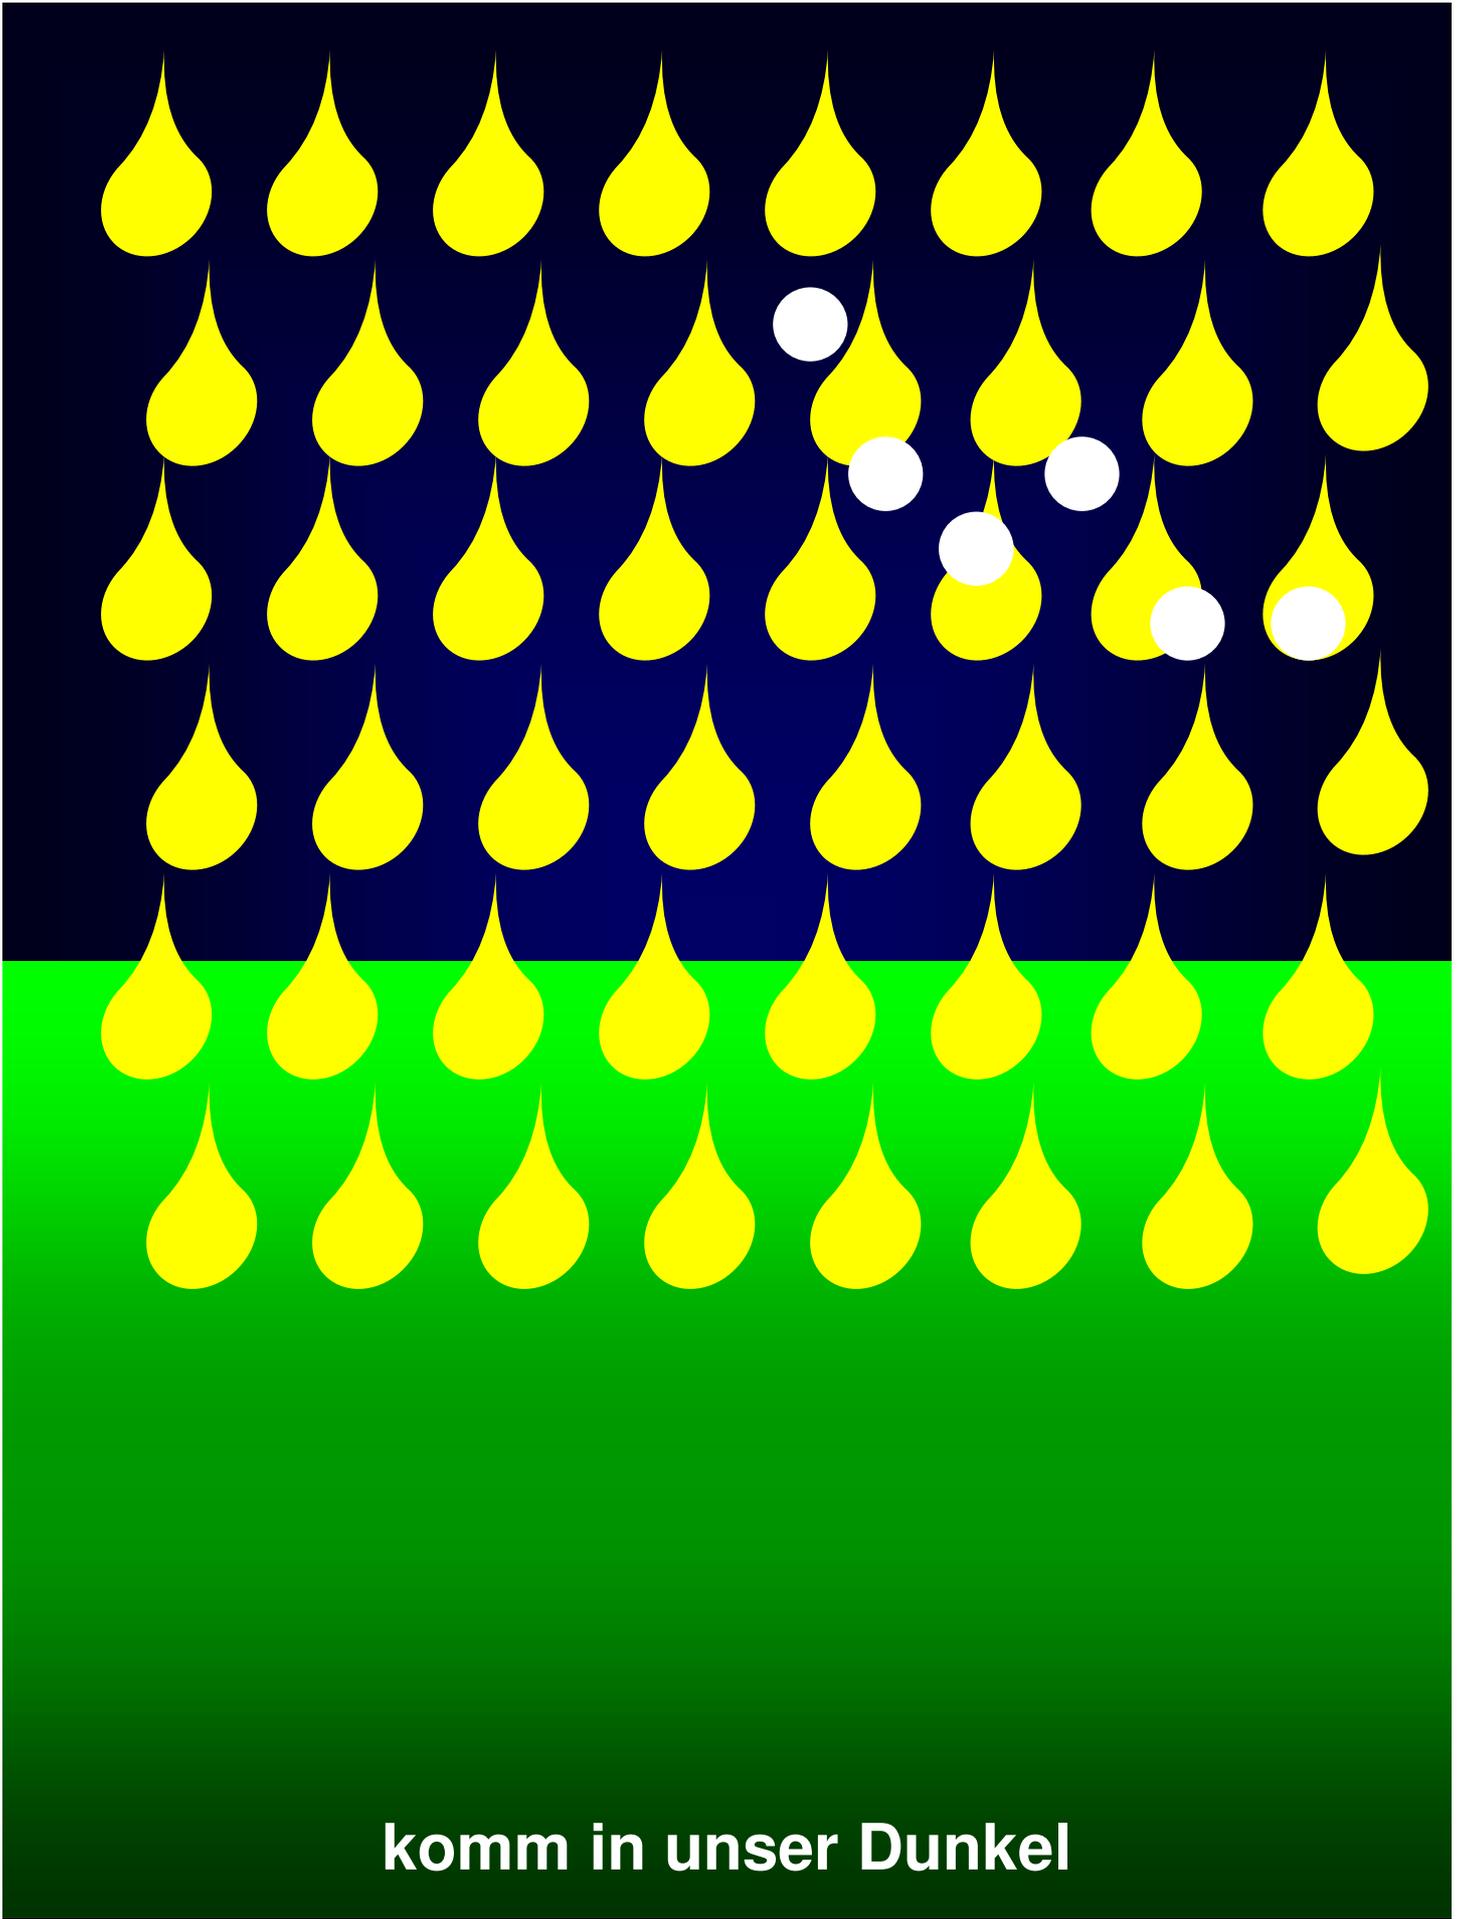

komm aus Deiner Herrlichkeit

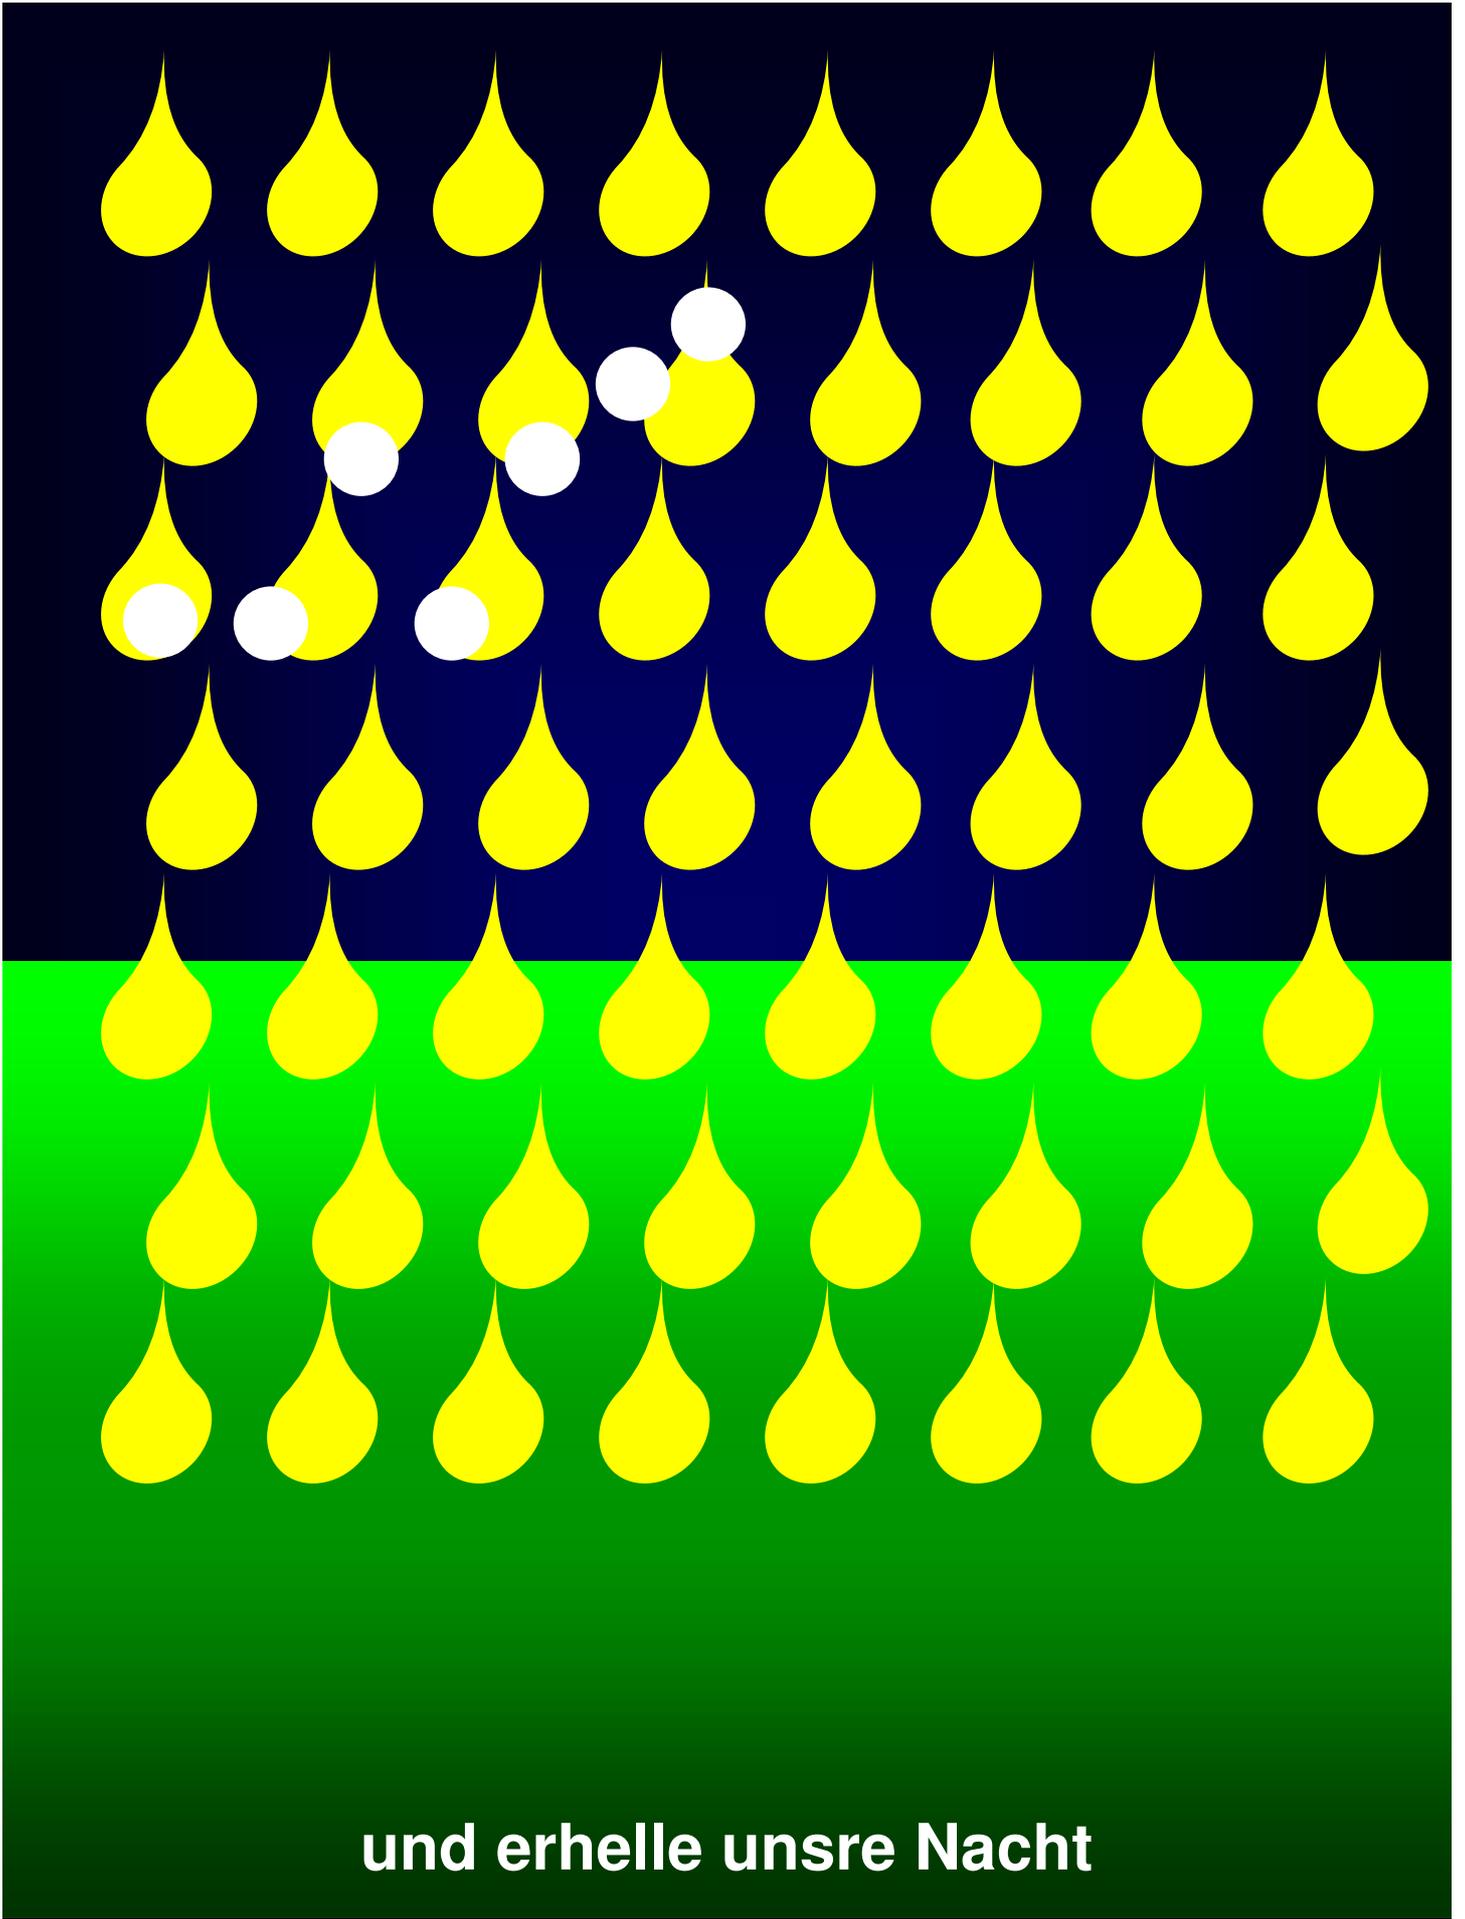

komm uns zu erlösen

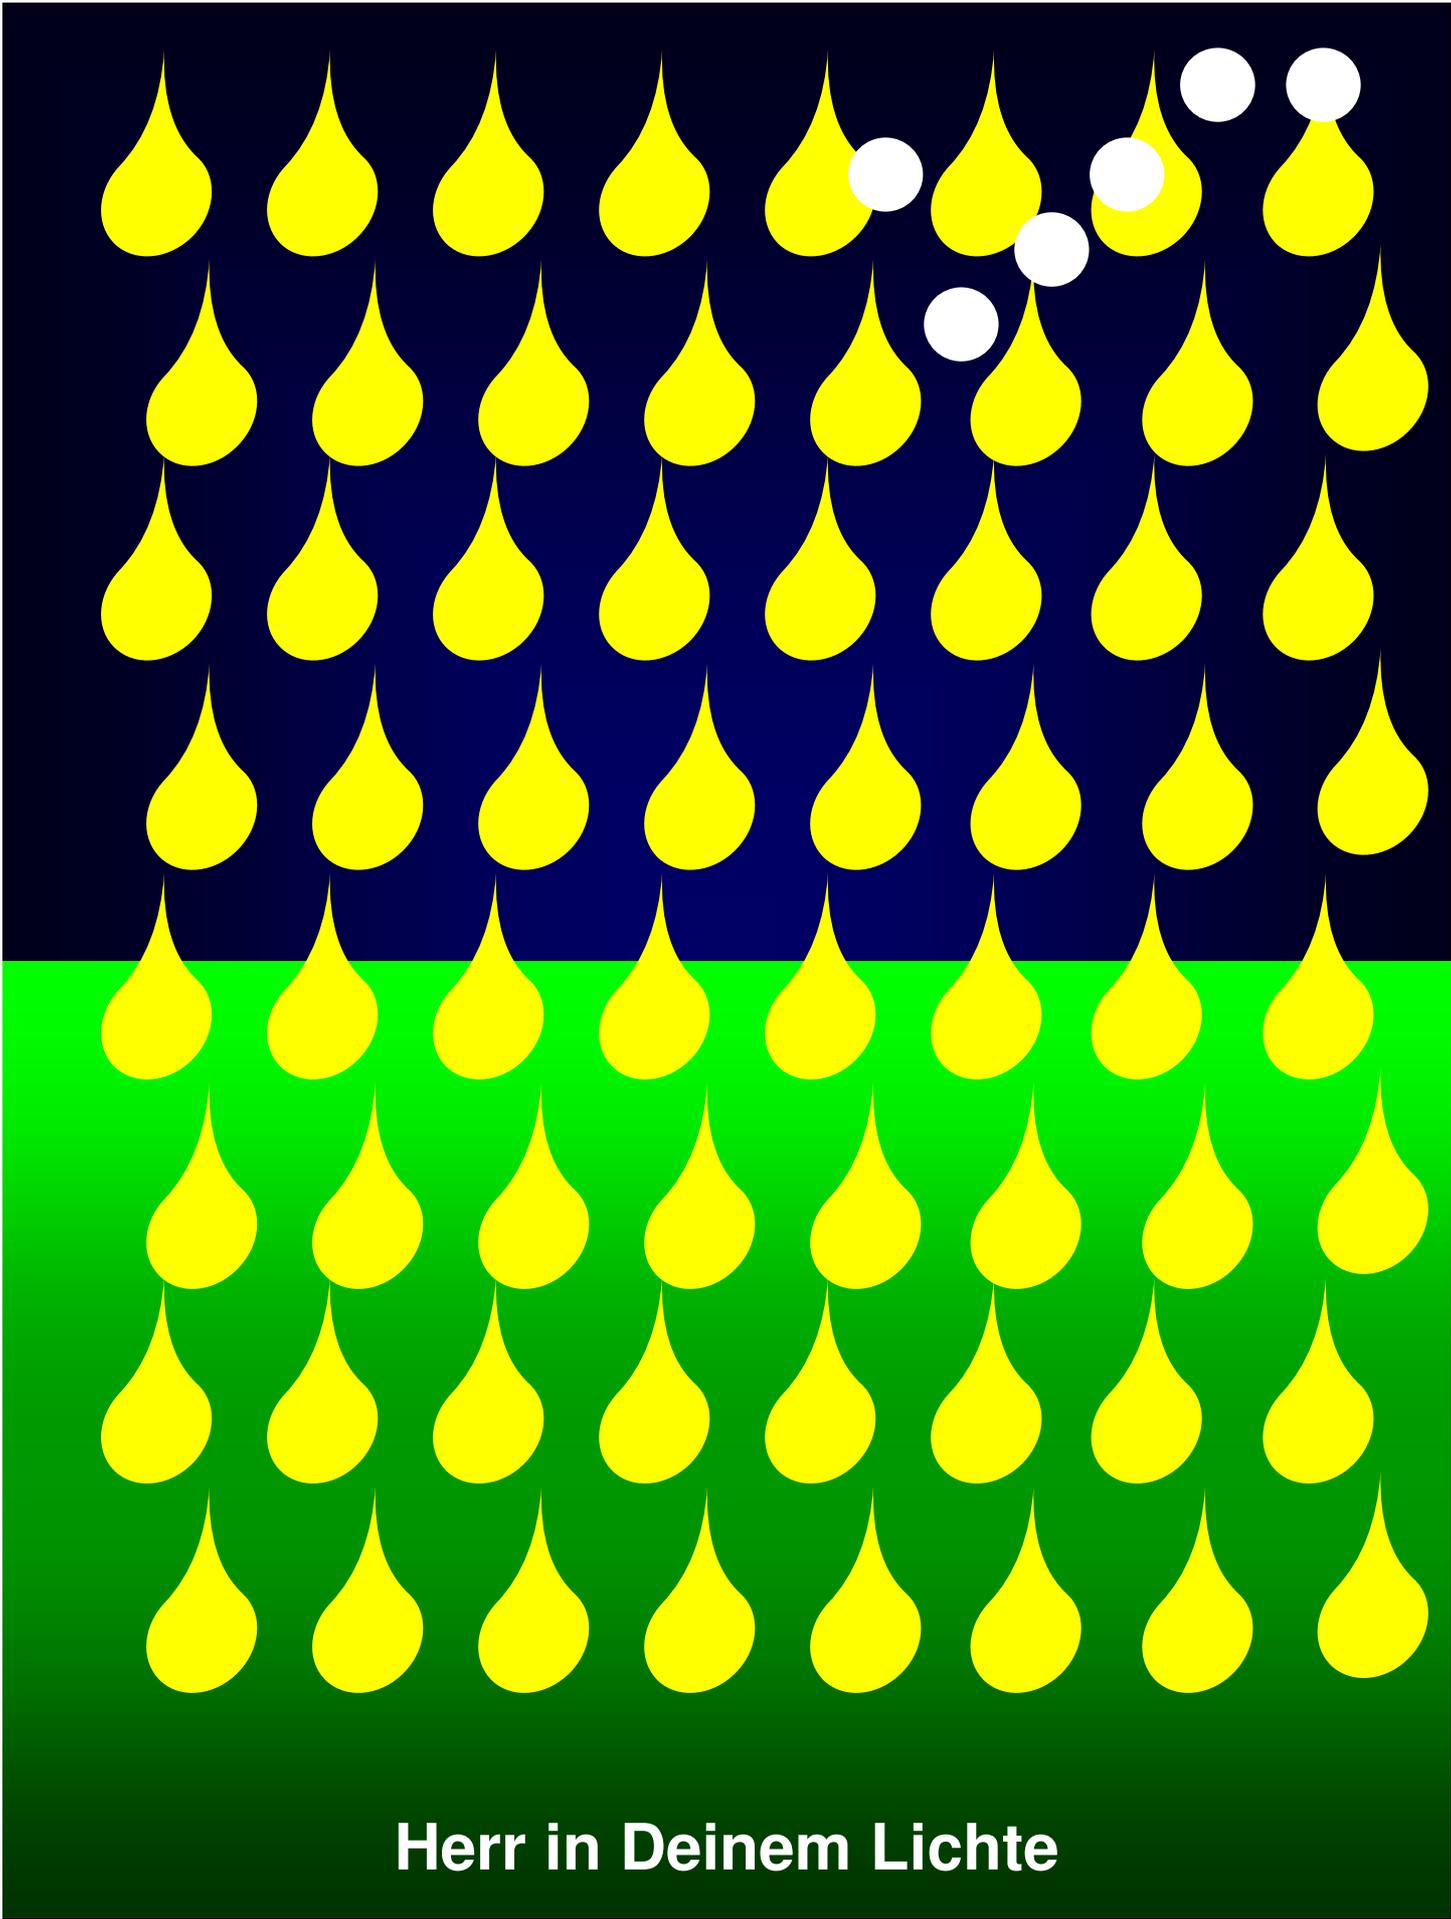

komm Du Sonne voller Glanz

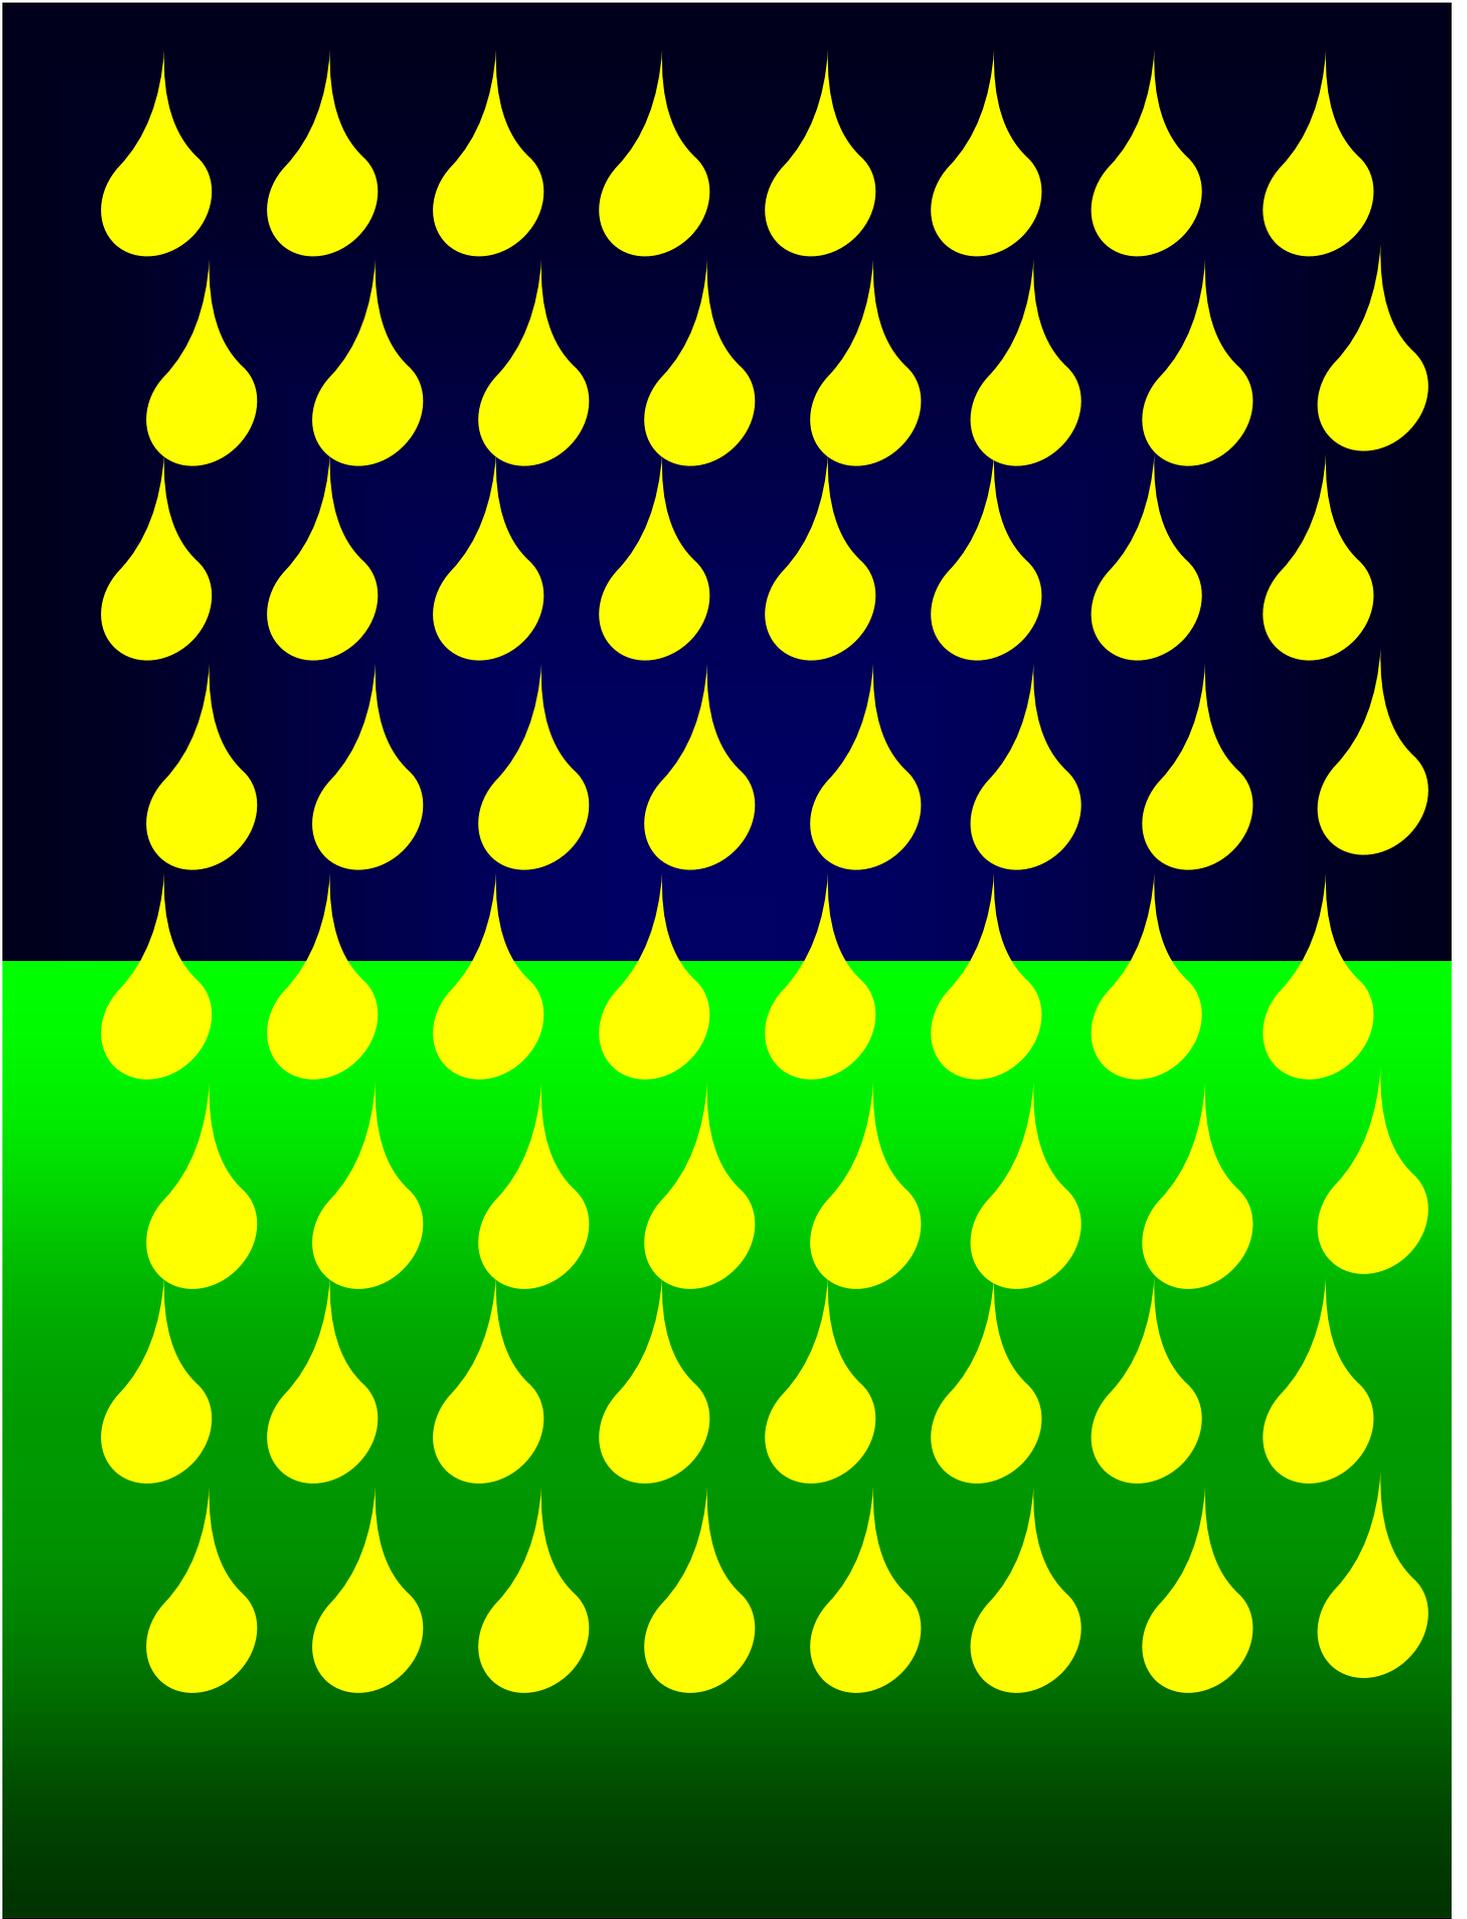

komm in unser Dunkel

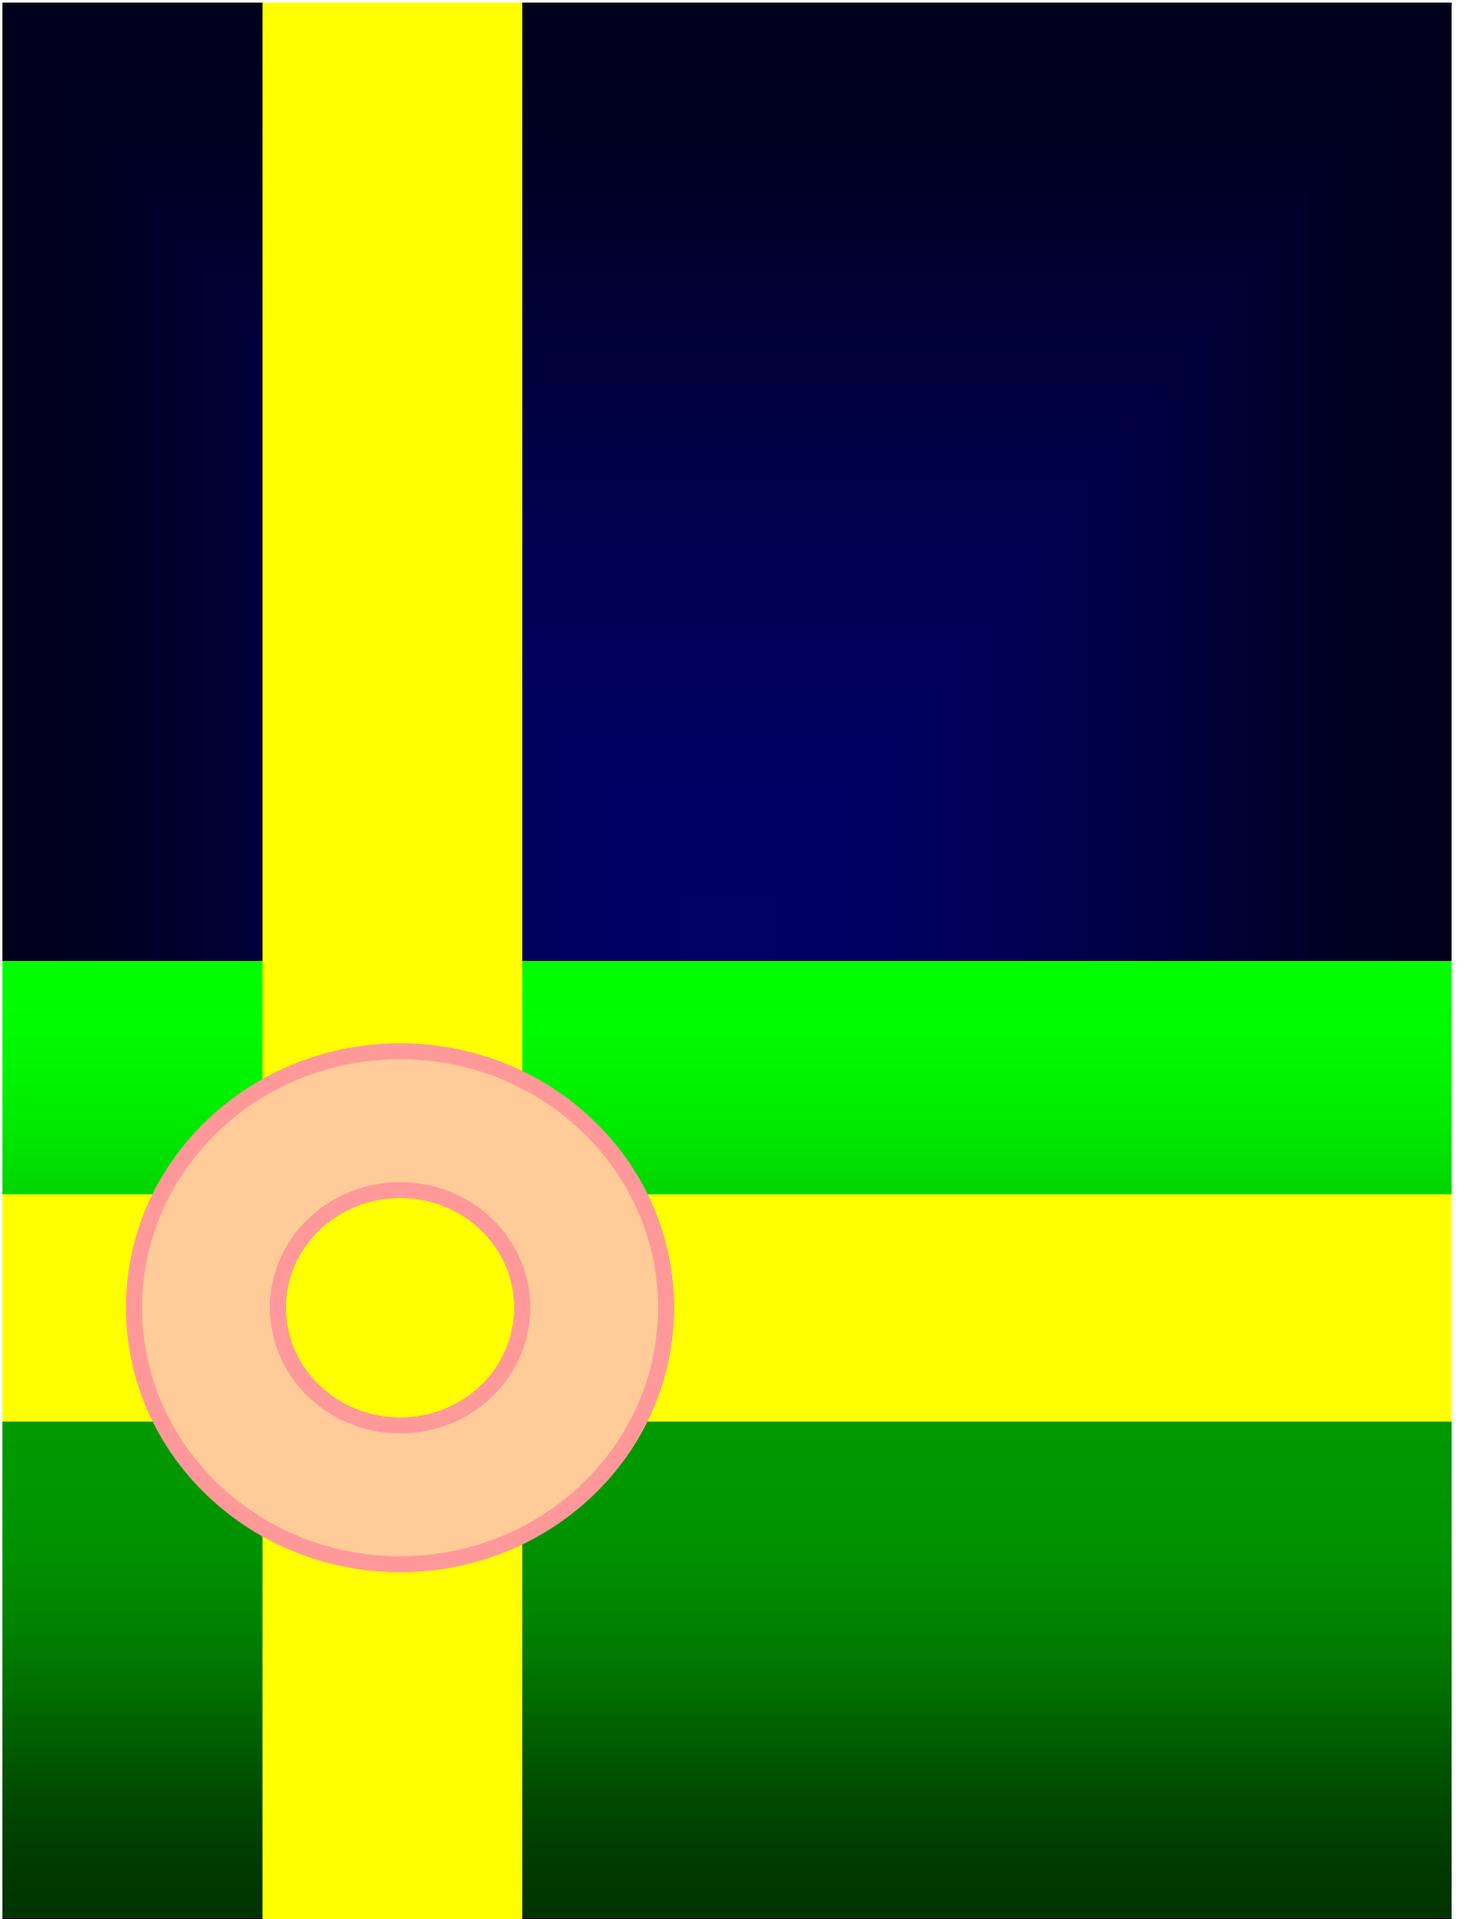

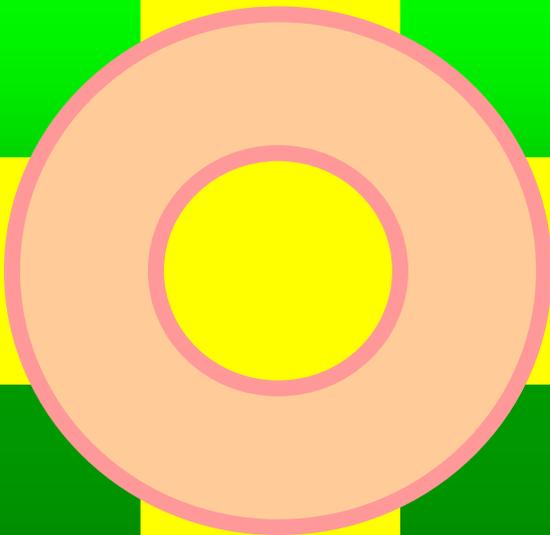

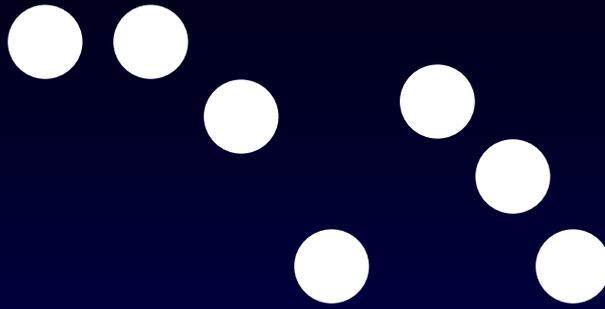

und erhelle unsre Nacht

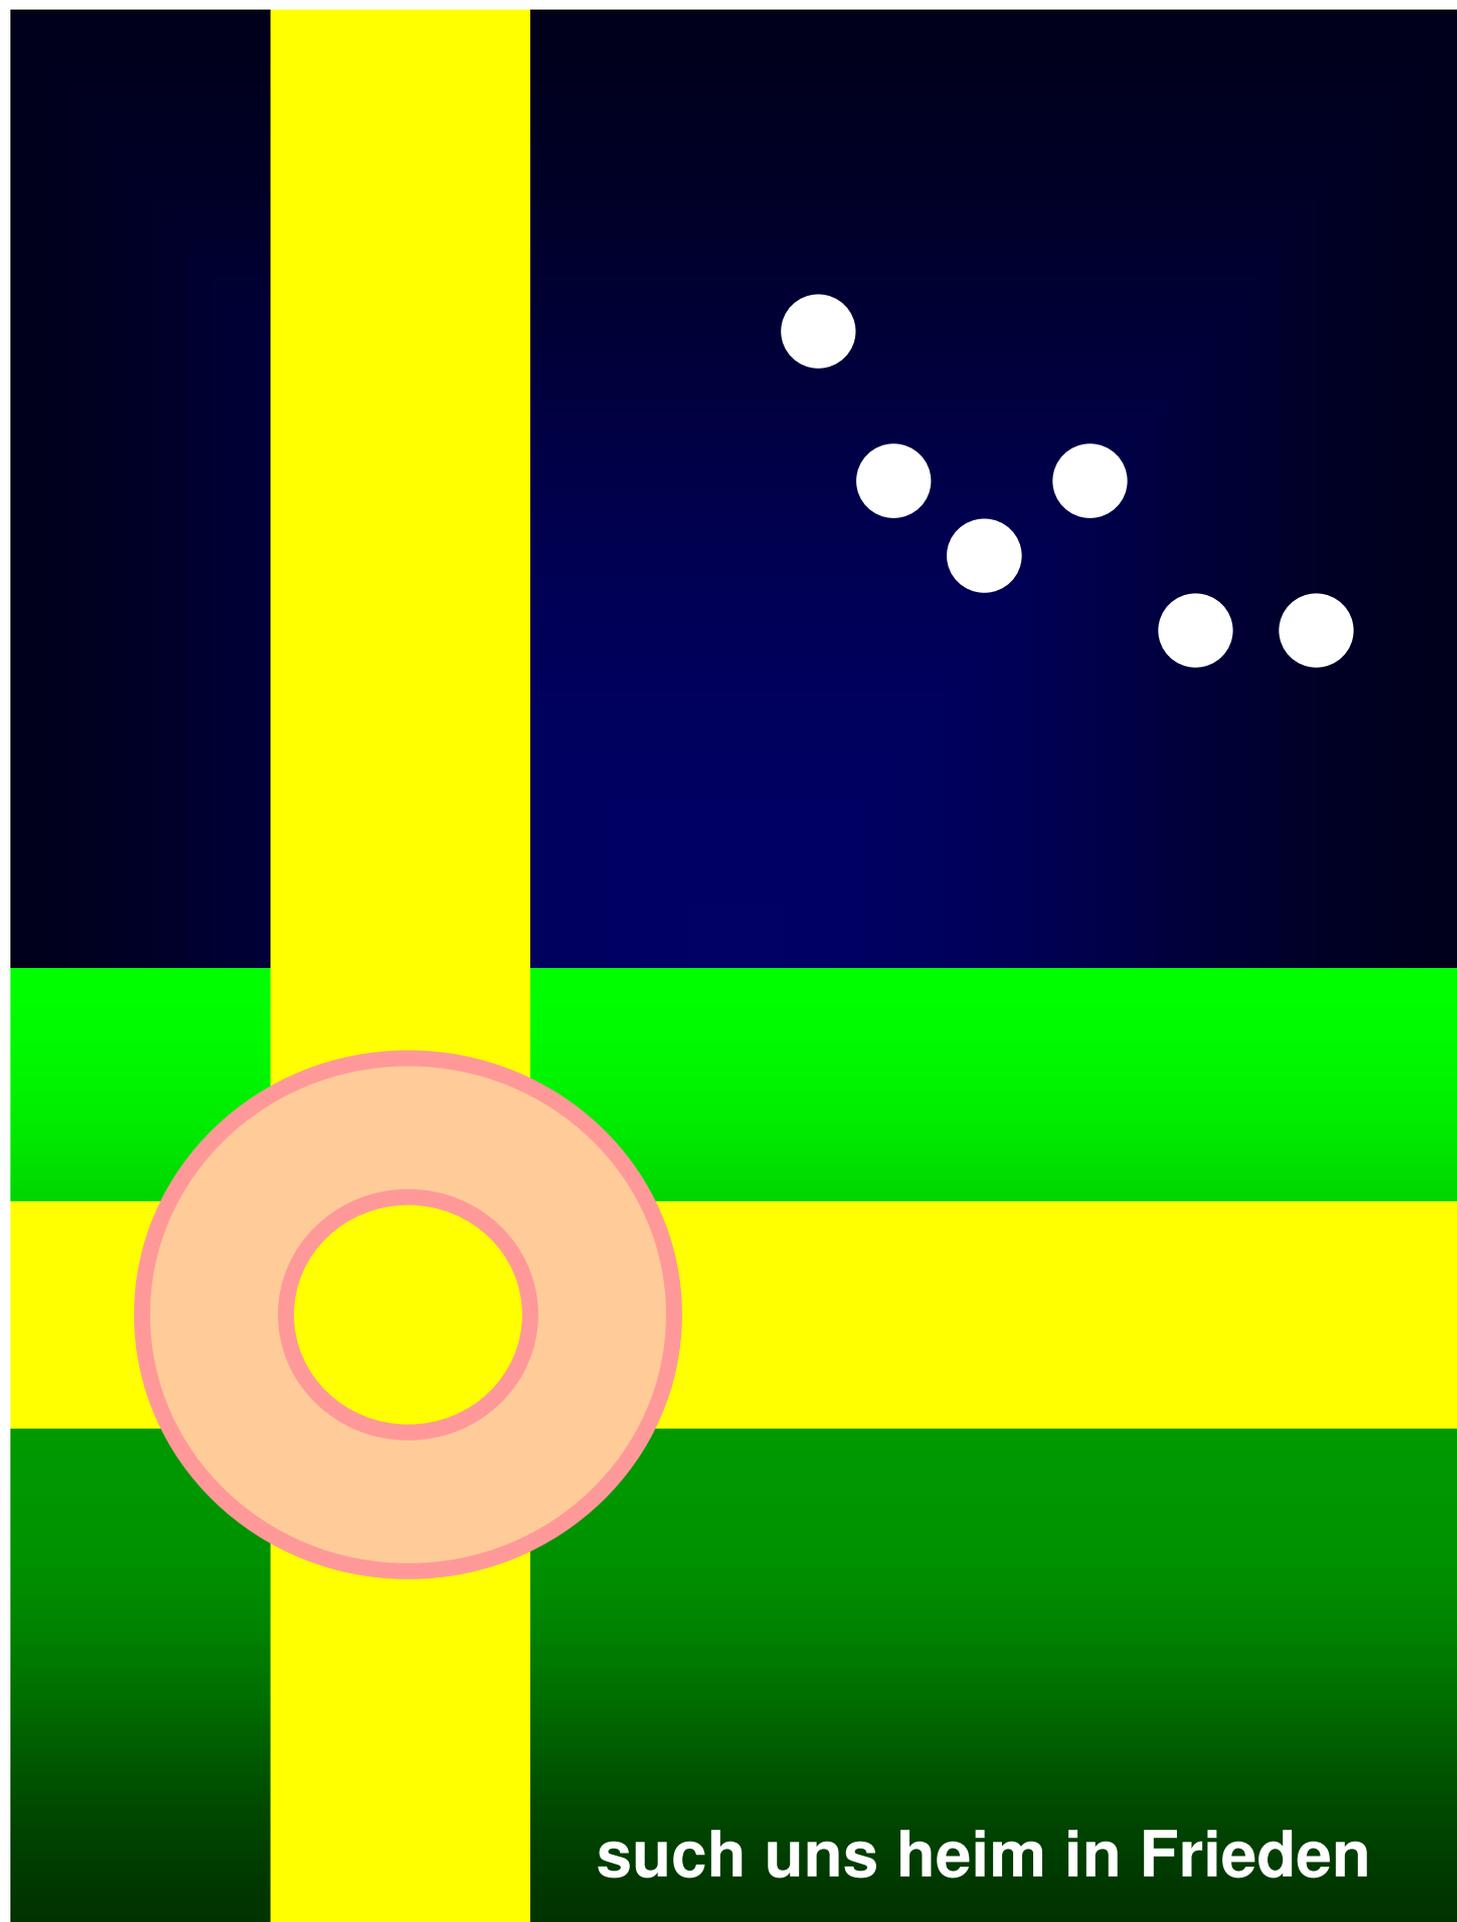

Herr in Deinem Lichte

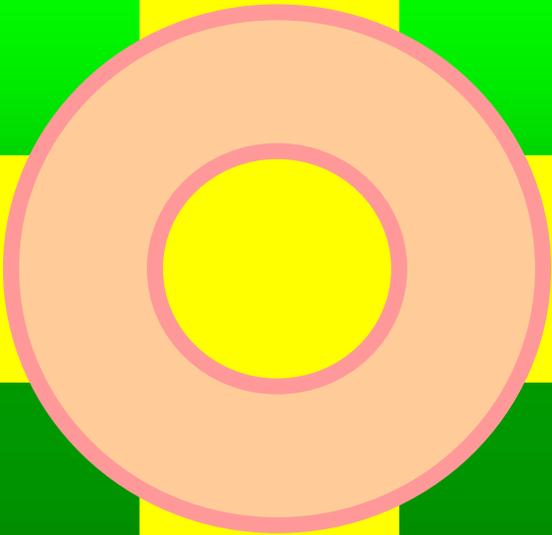

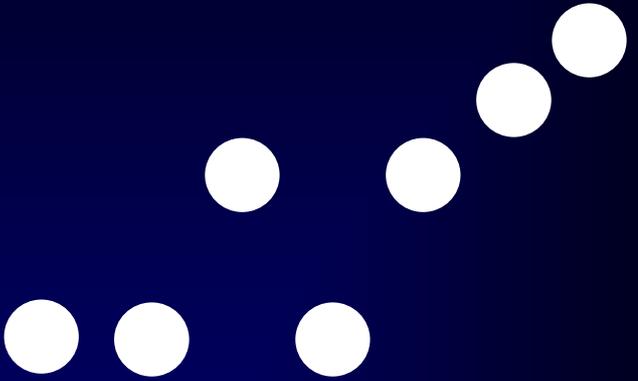

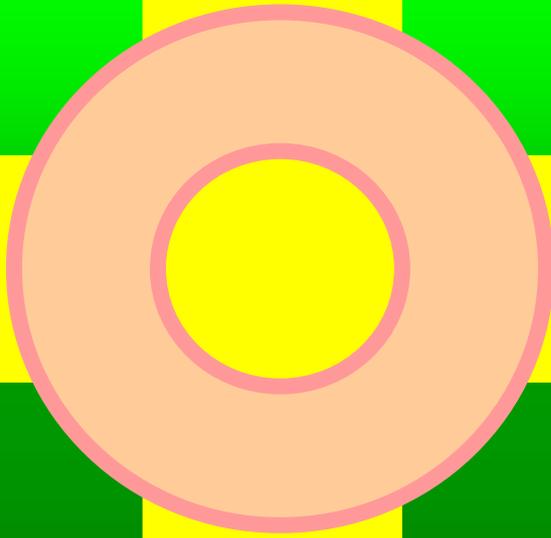

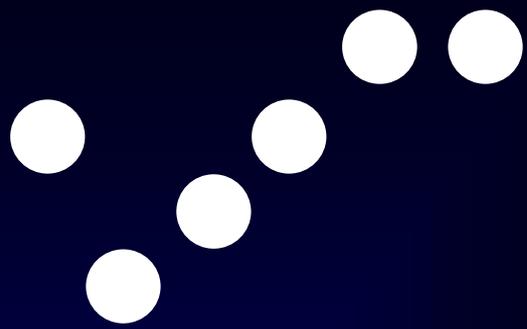

komm Herr Jesu komme bald

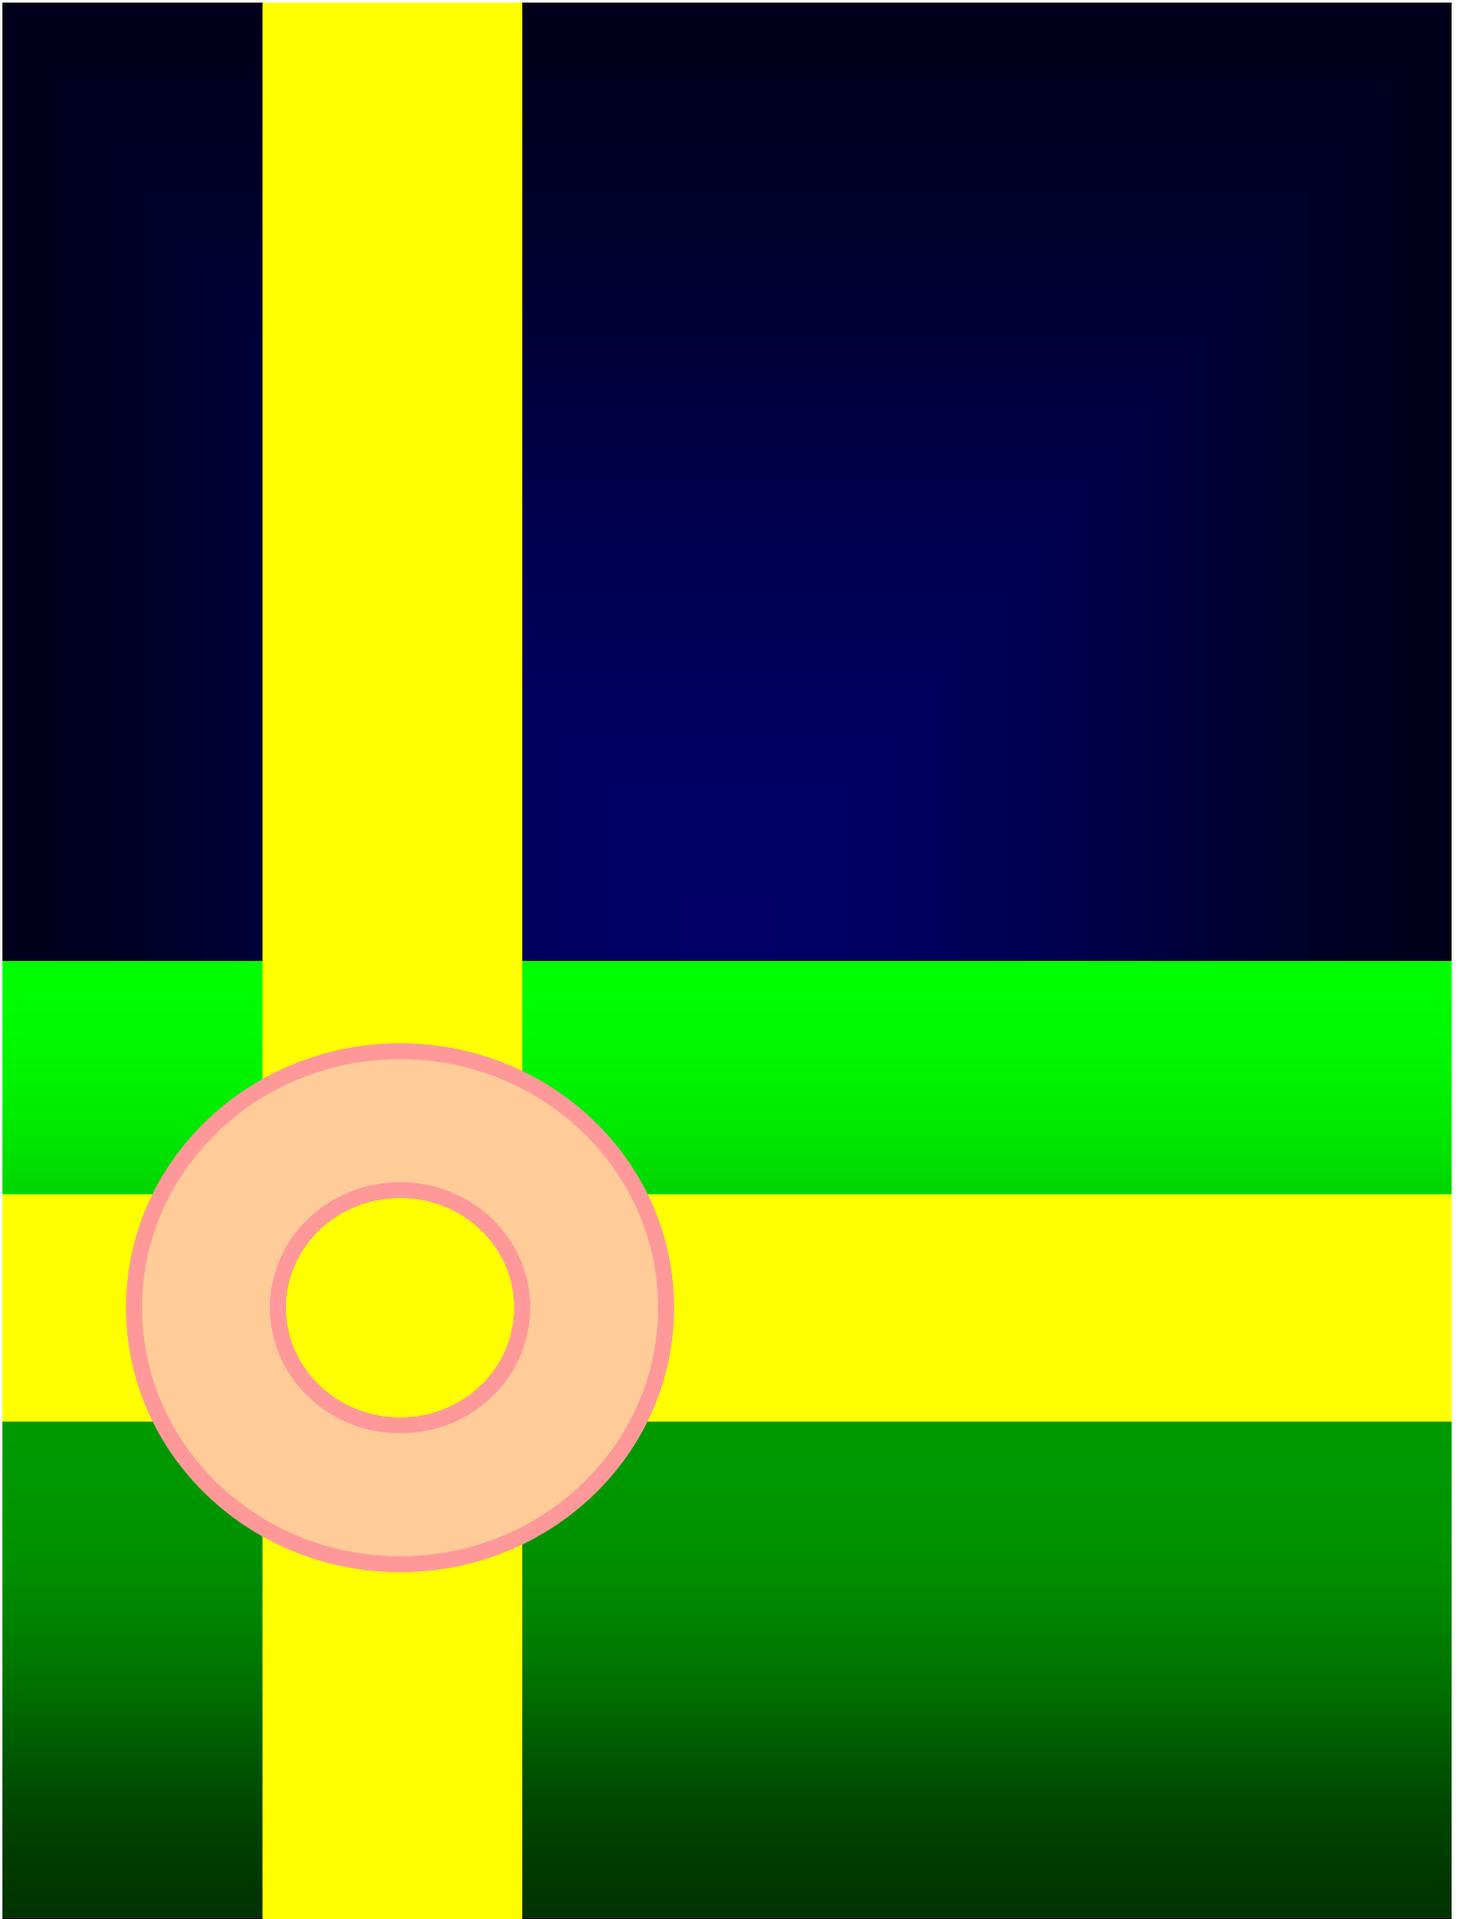

such uns heim in Frieden

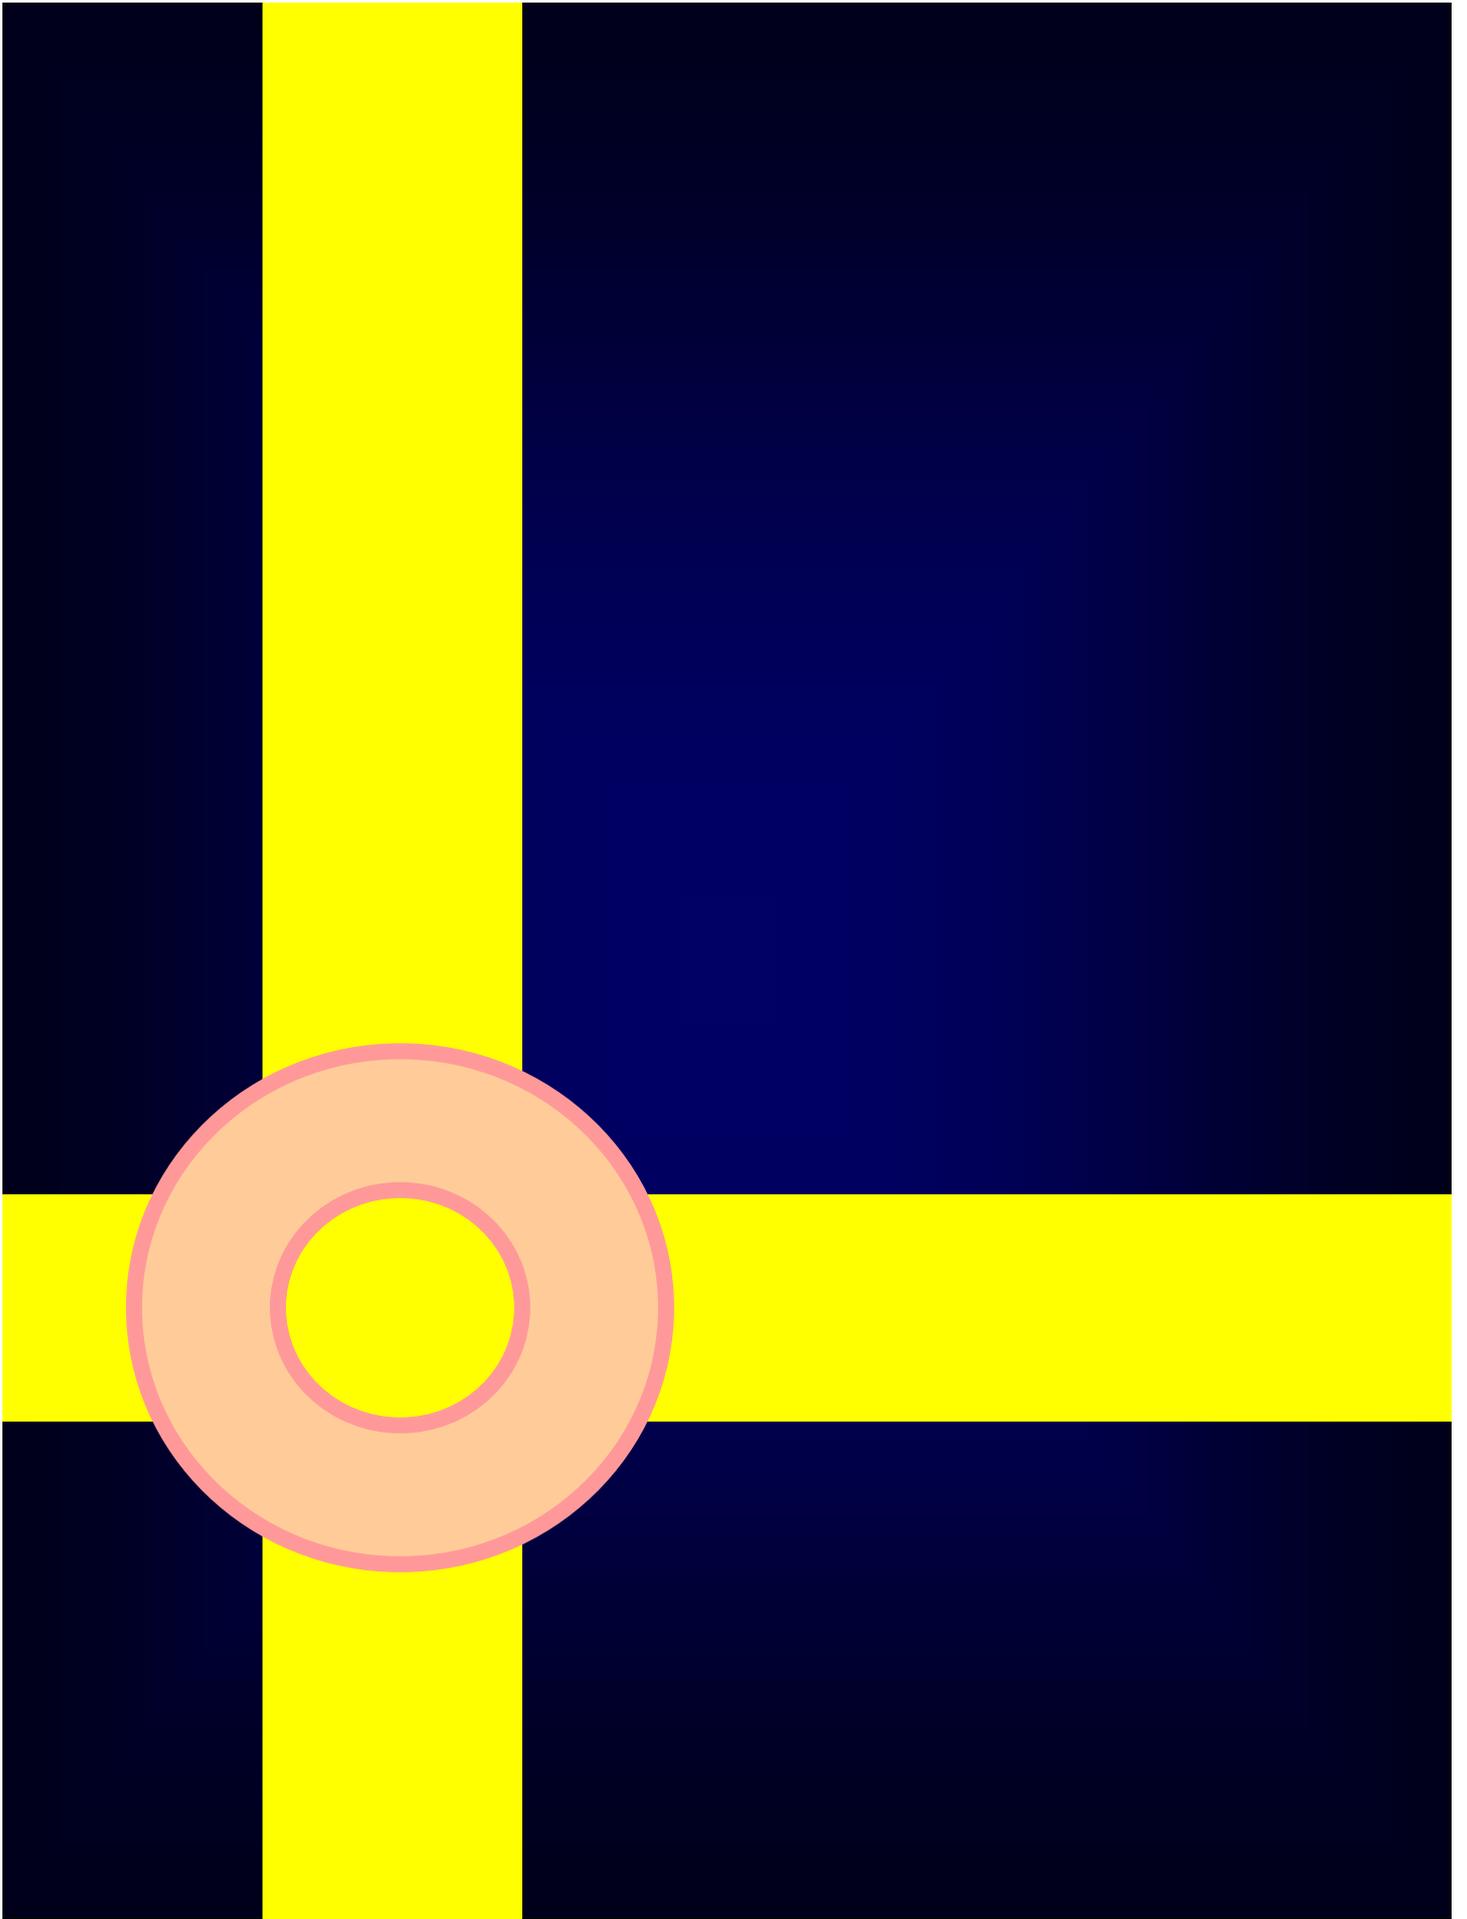

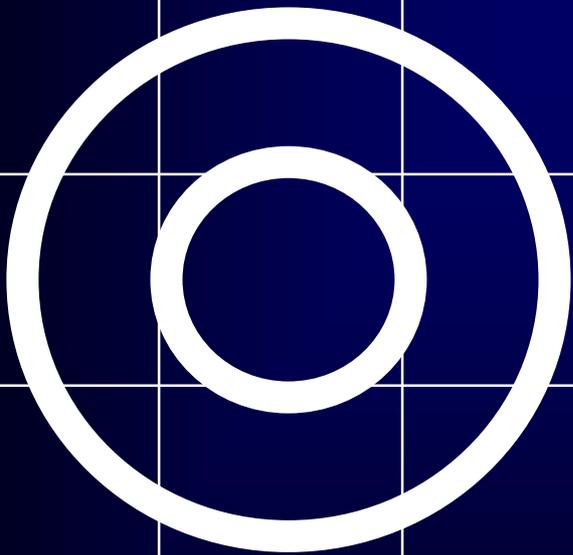

**mach die ganze Schöpfung
neu**

komm o komm Herr Jesu
