Herz Jesu, Gottes Opferbrand

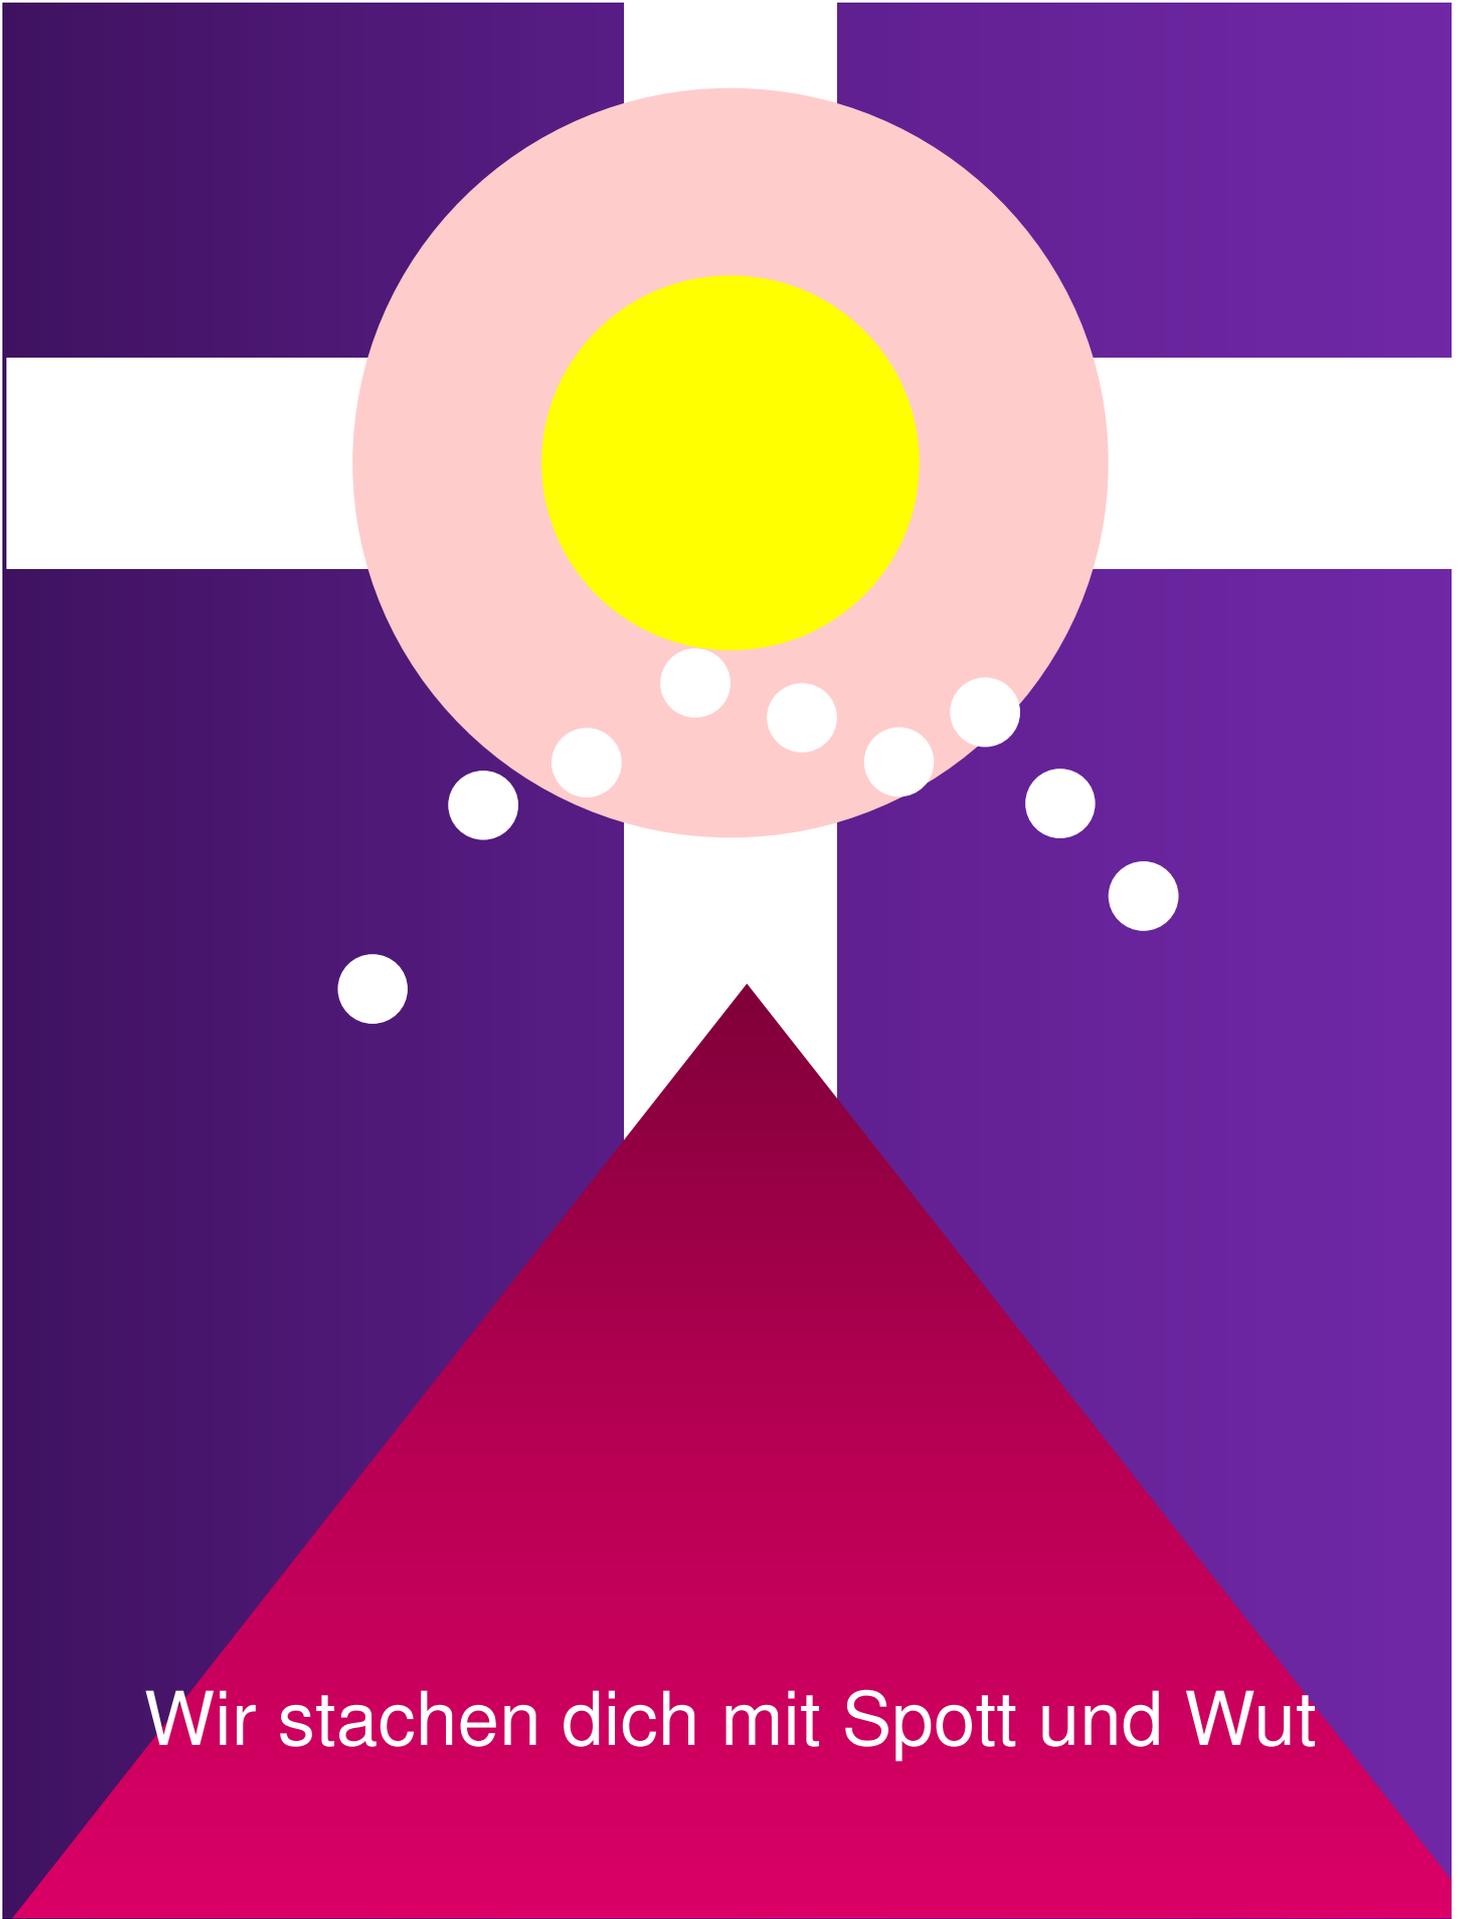

der unsre Lieb entfachte

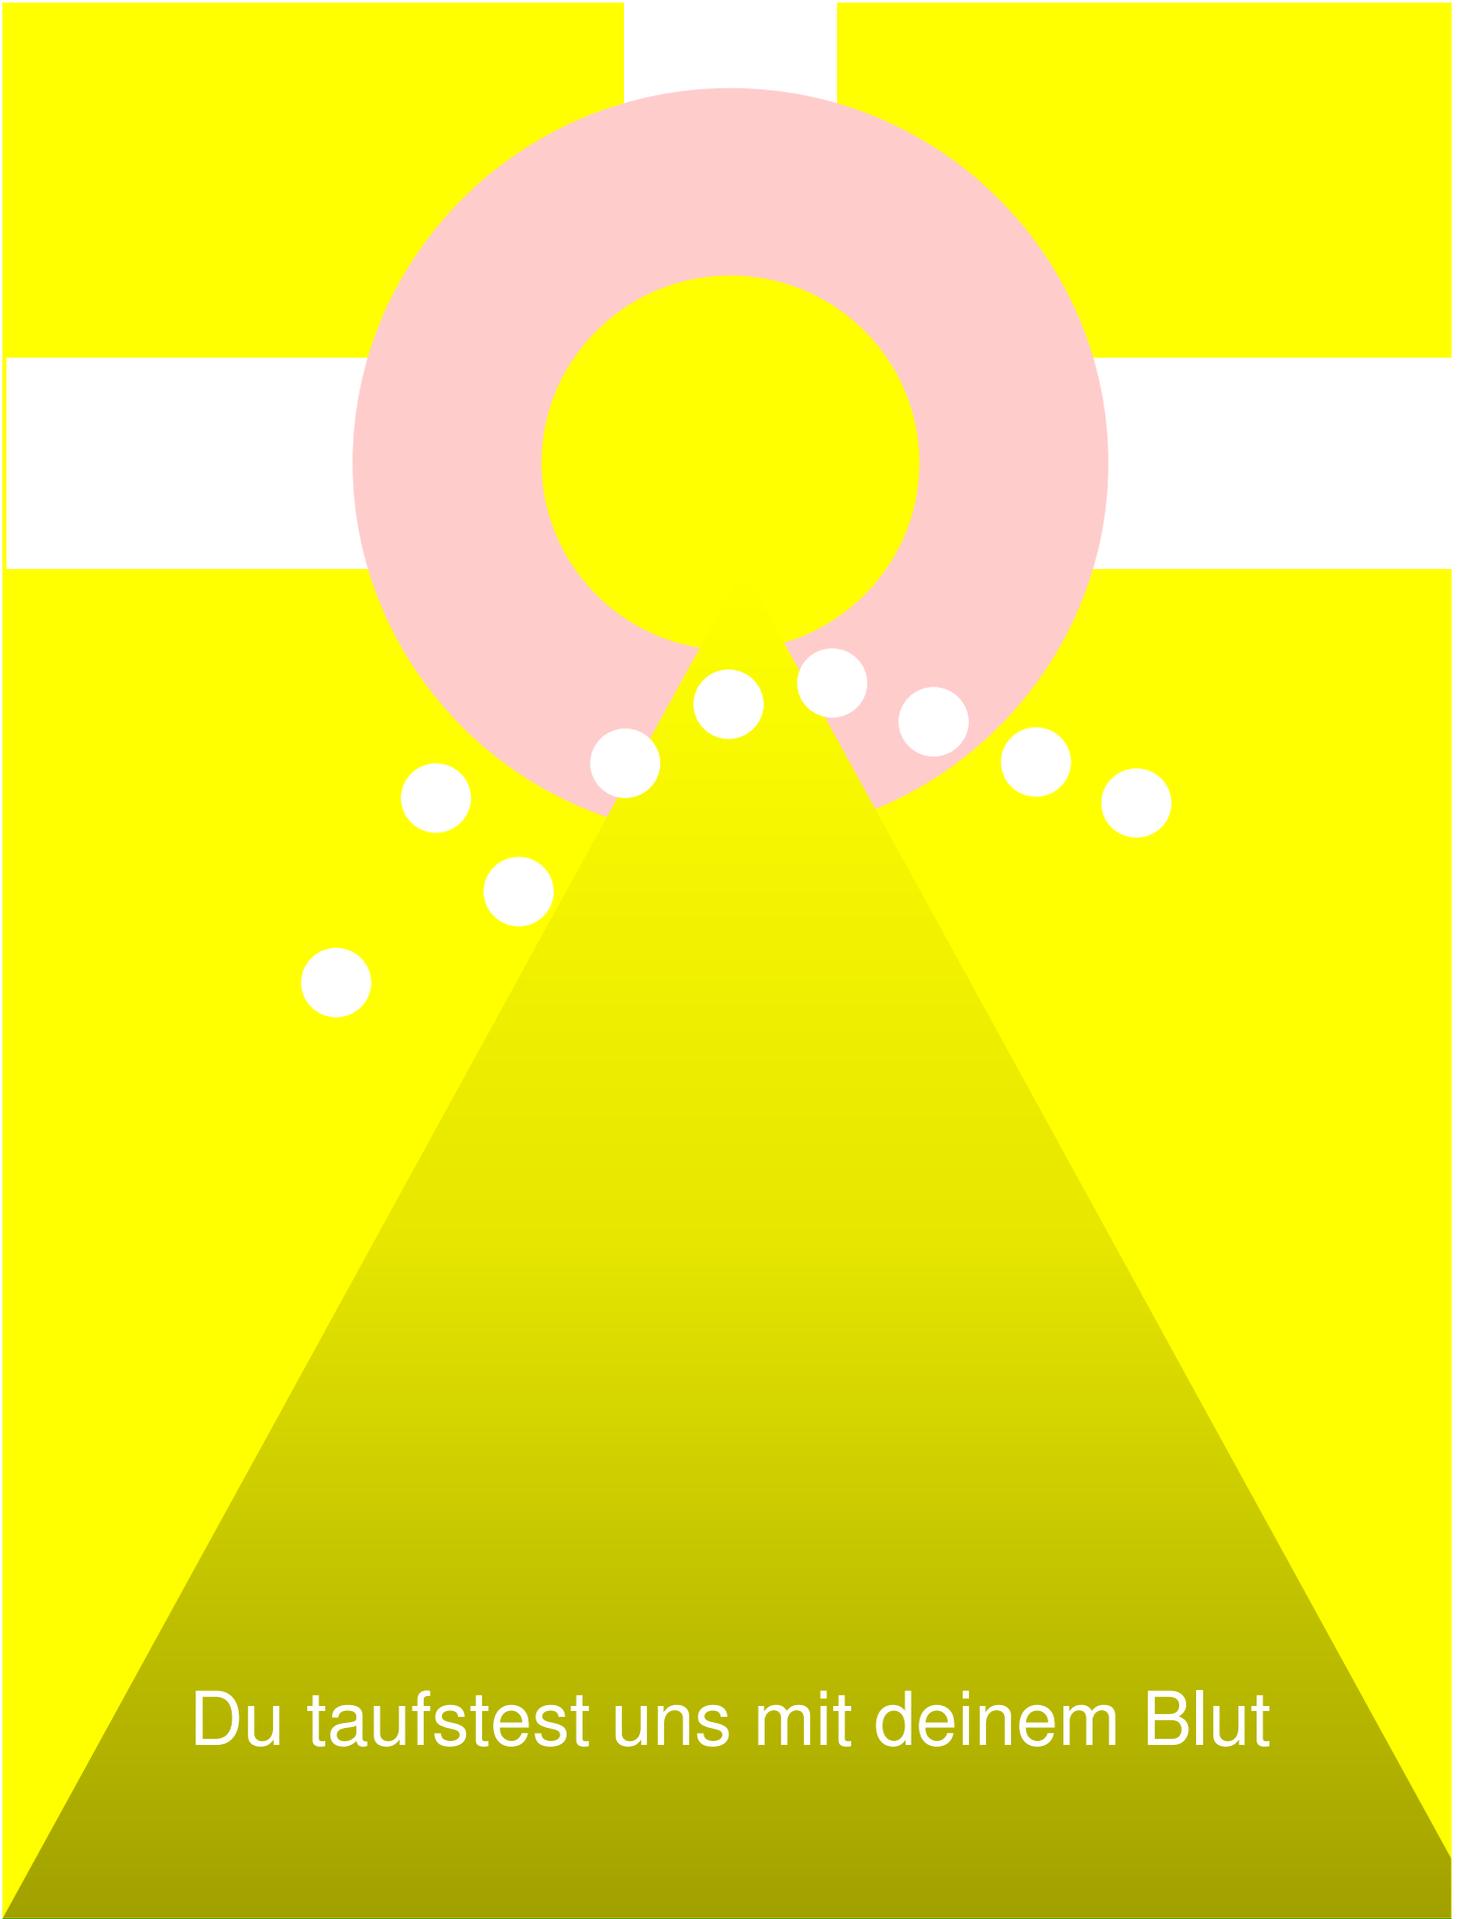

O Herz, in Nacht zu uns gesandt

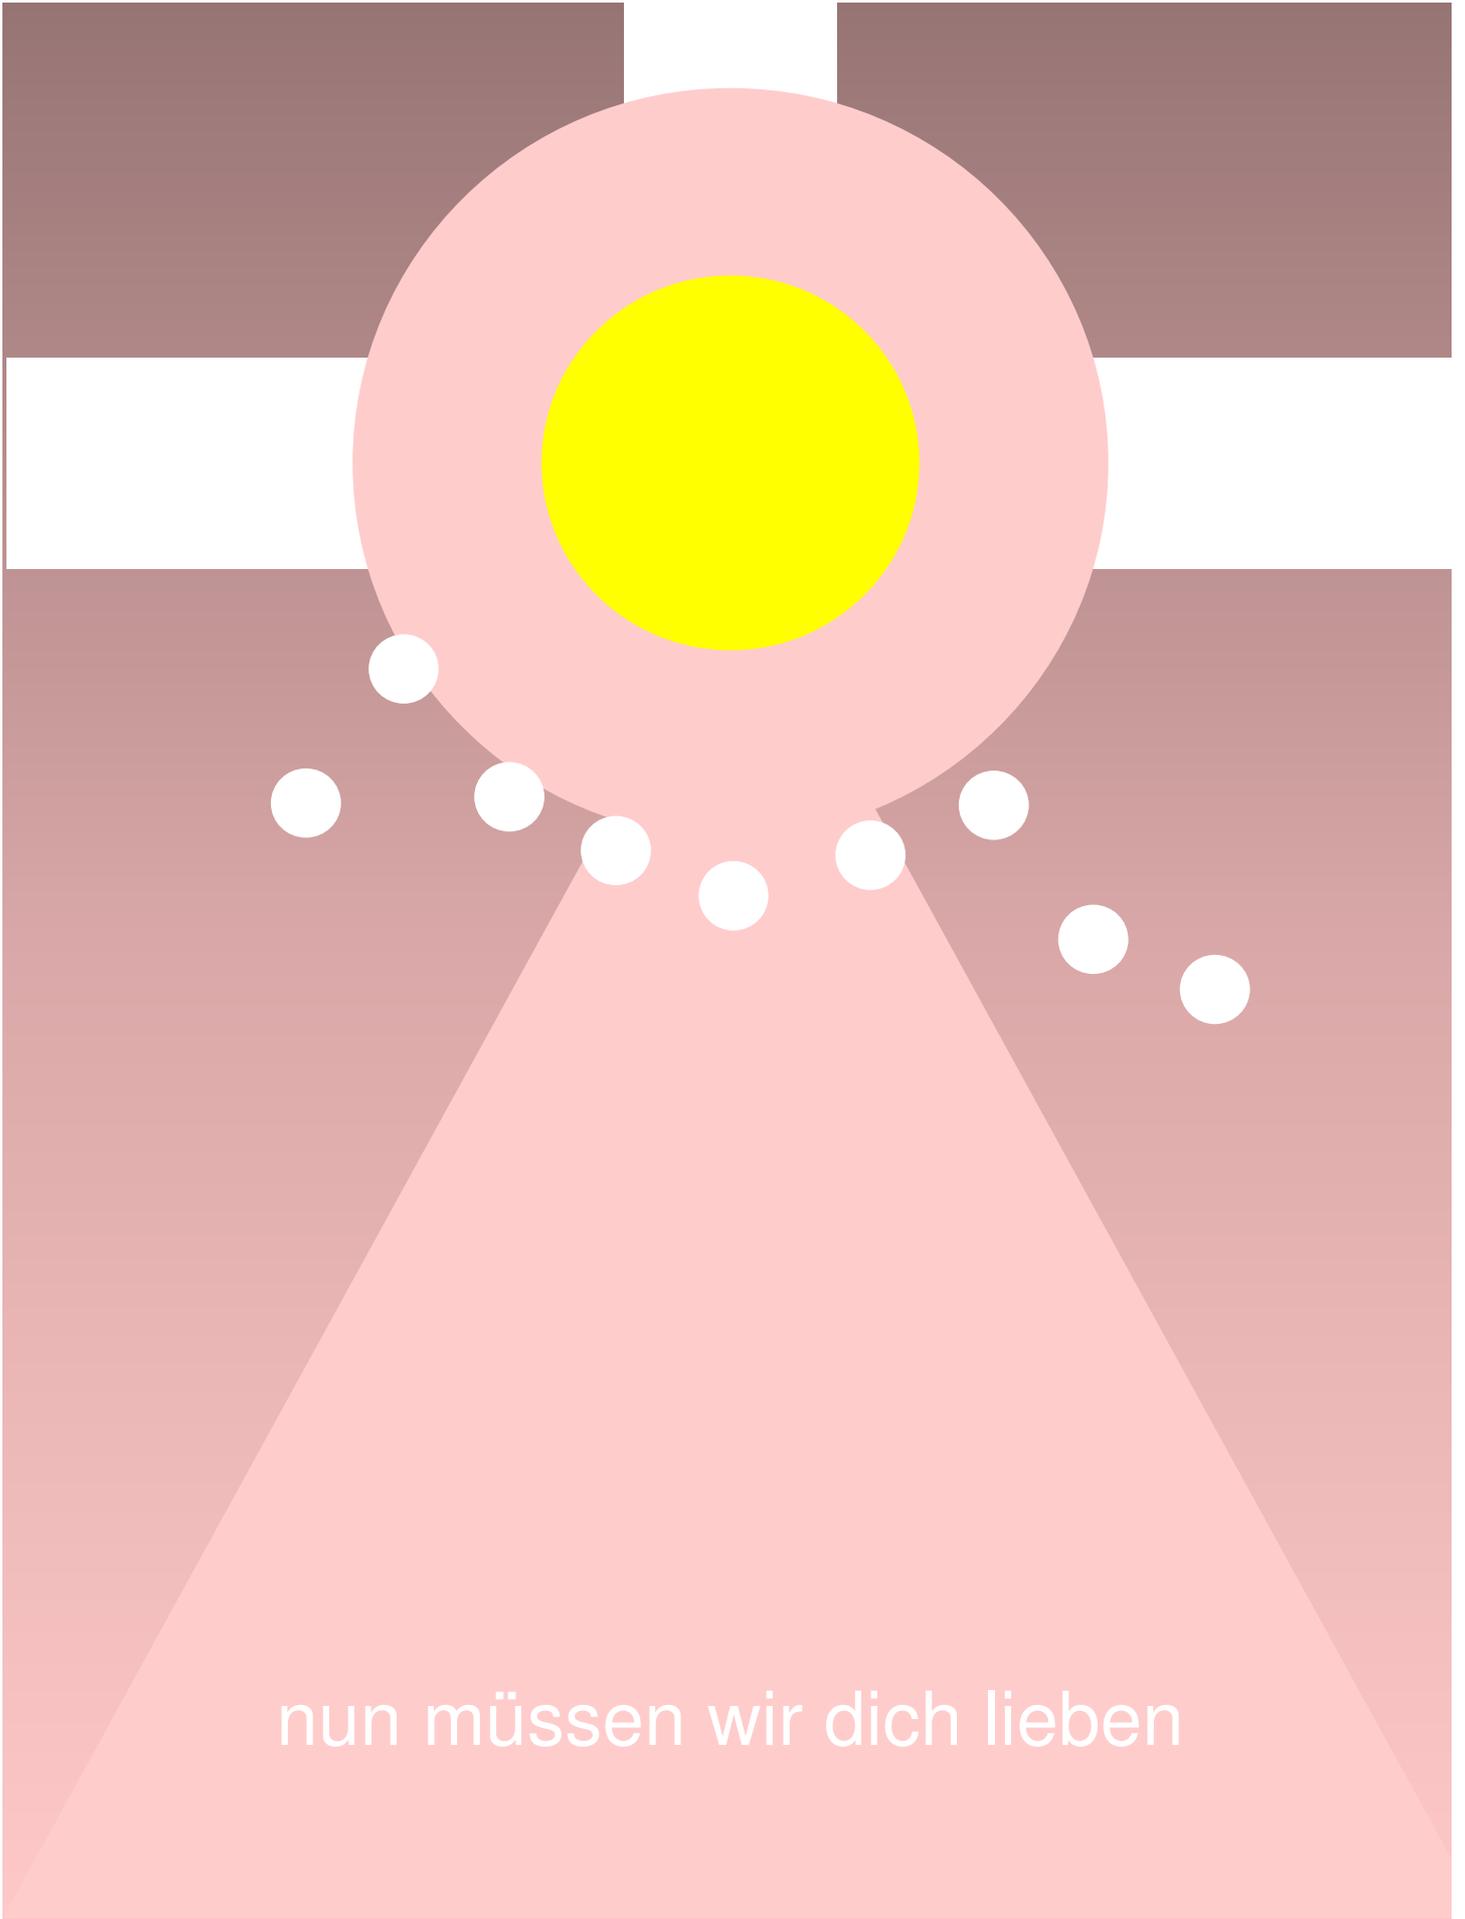

als Schuld den Tod uns brachte

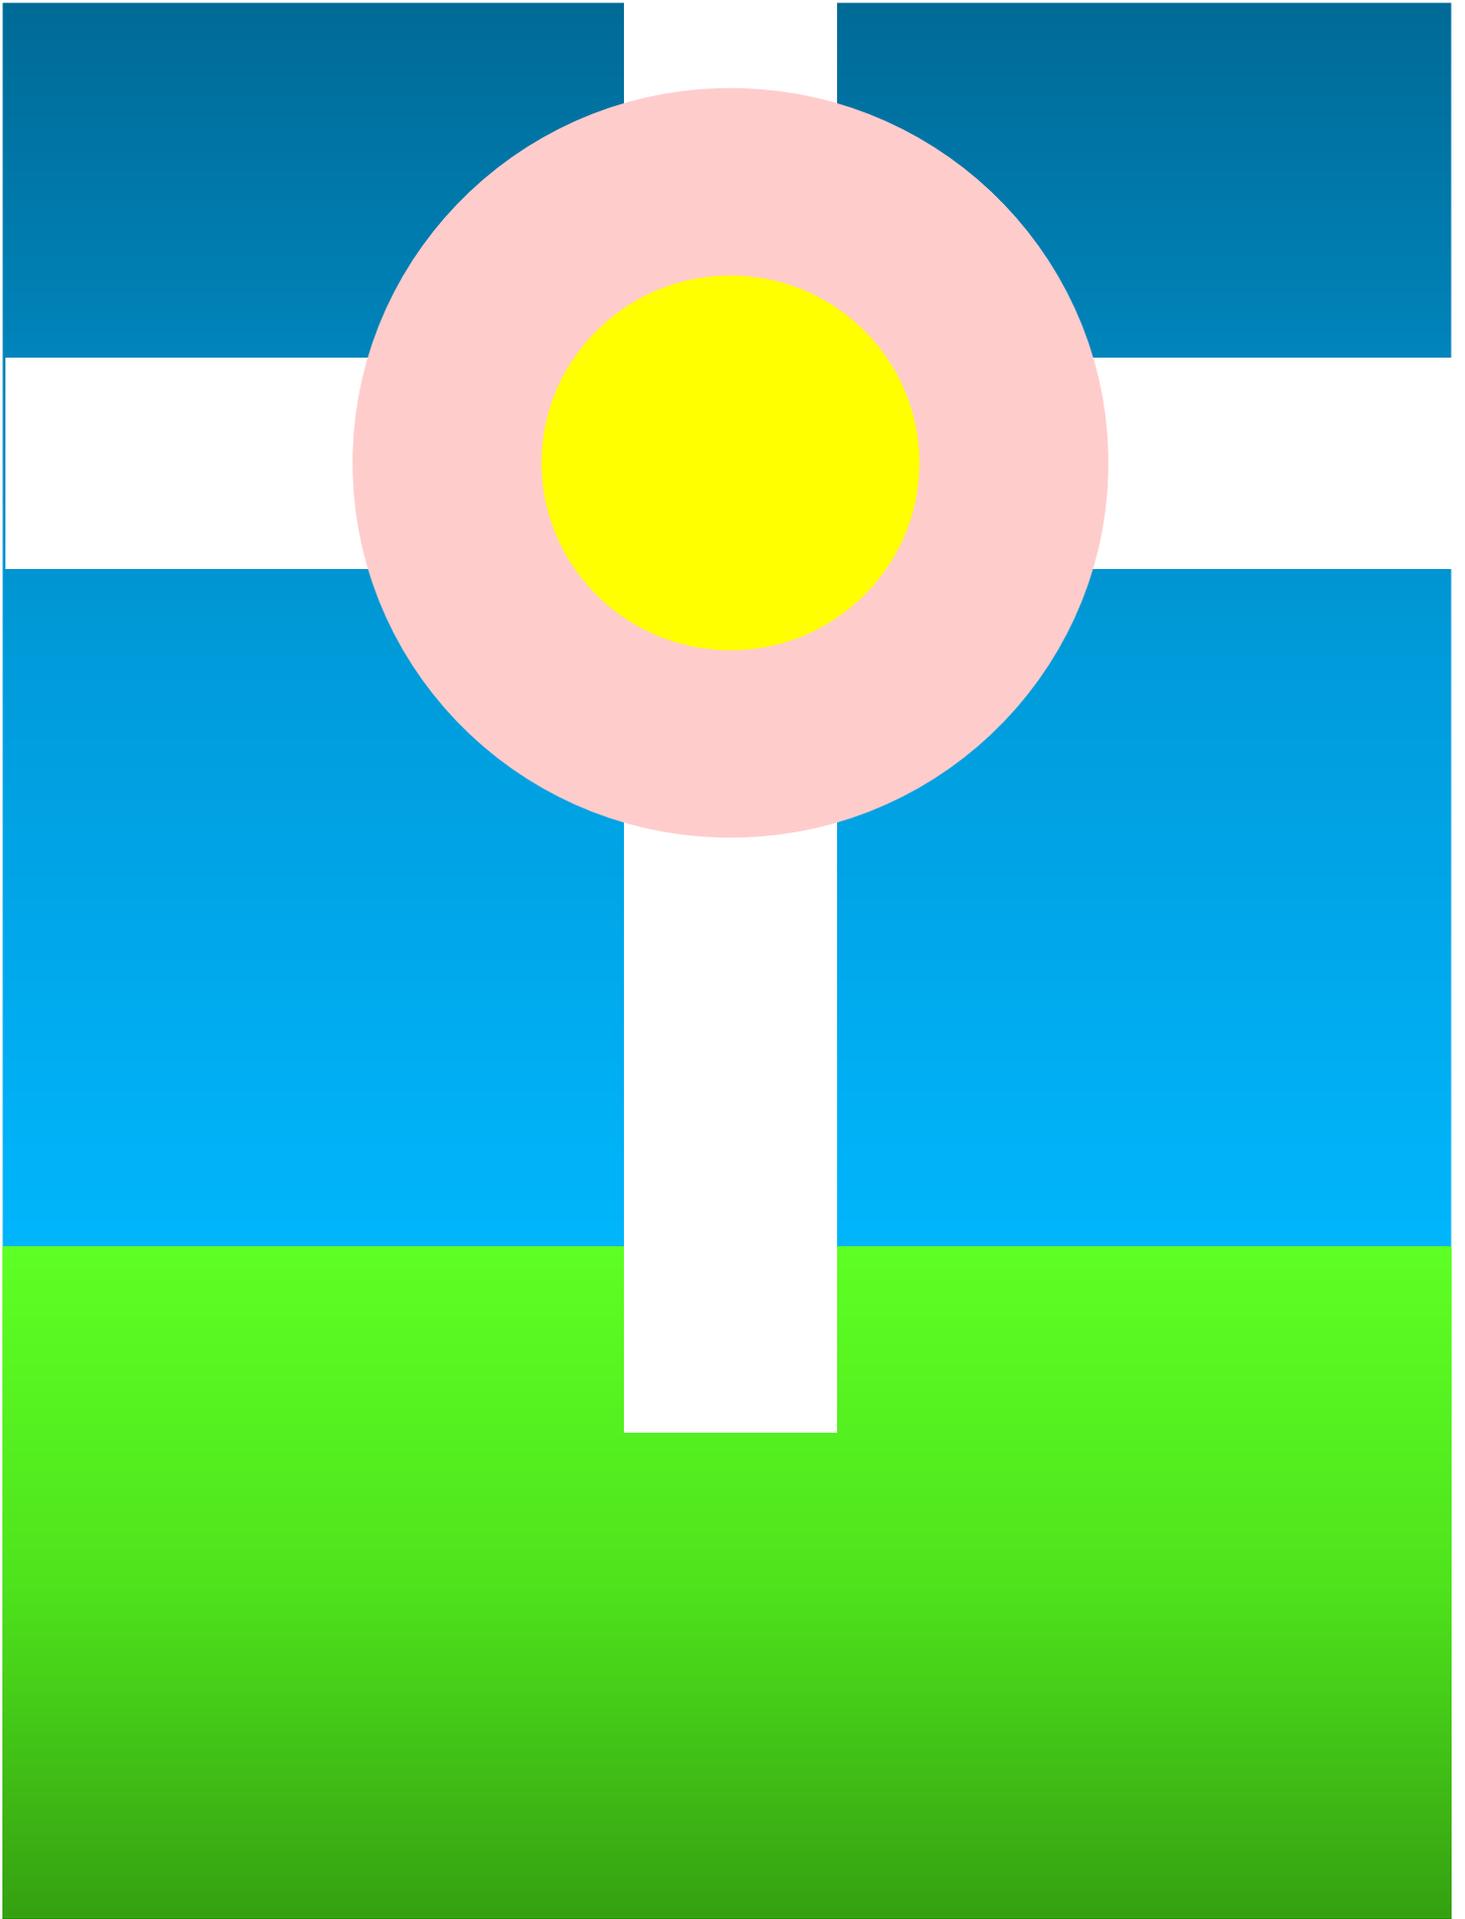

Wir stachen dich mit Spott und Wut

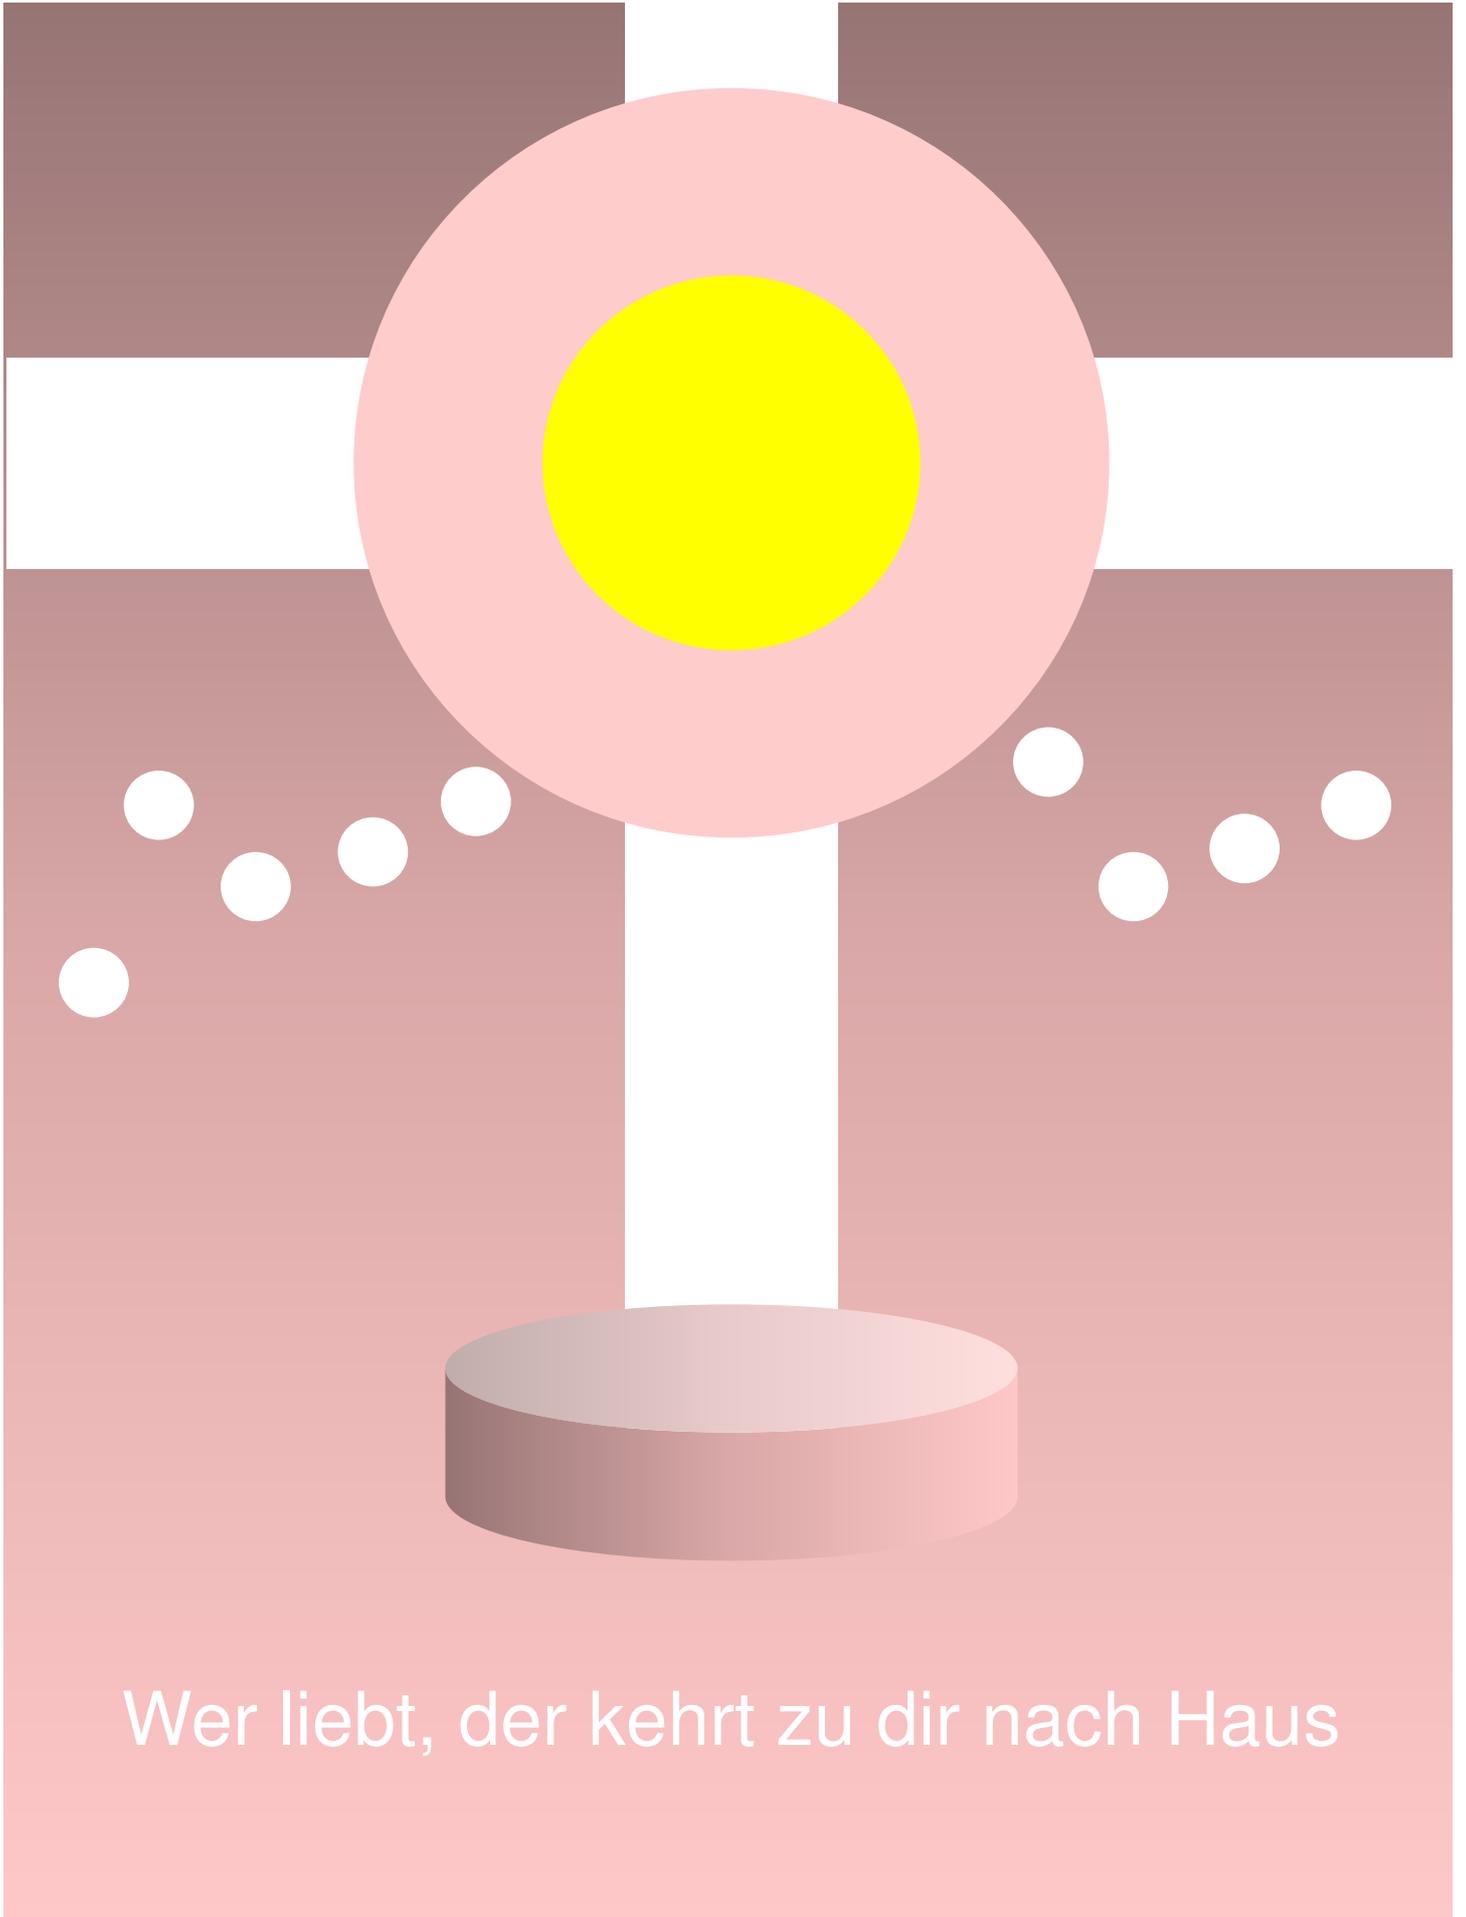

Du taufstest uns mit deinem Blut

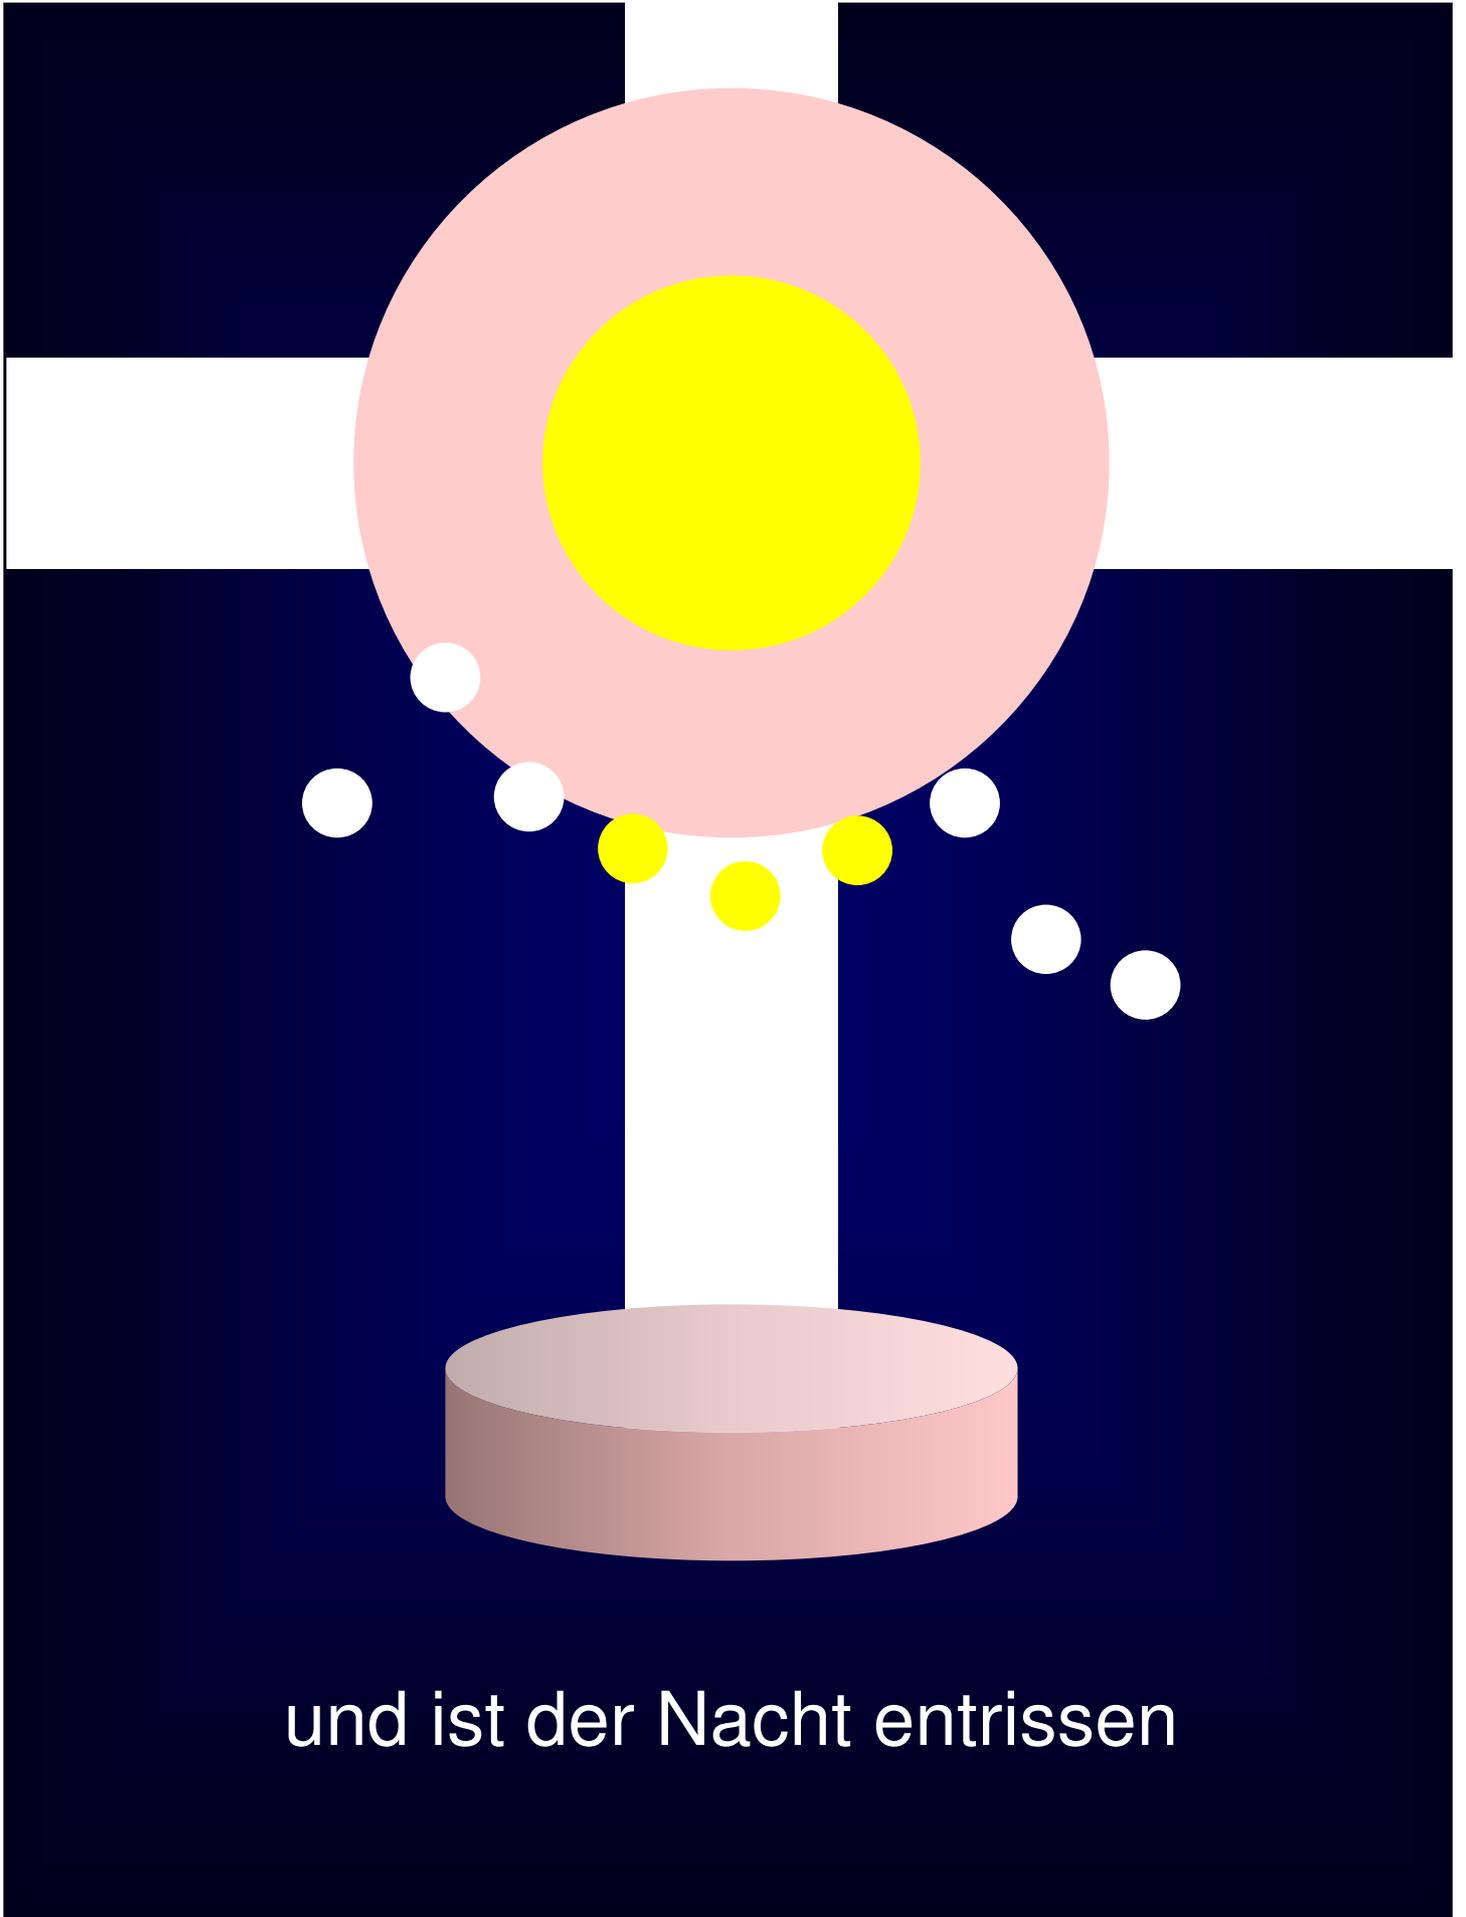

nun müssen wir dich lieben

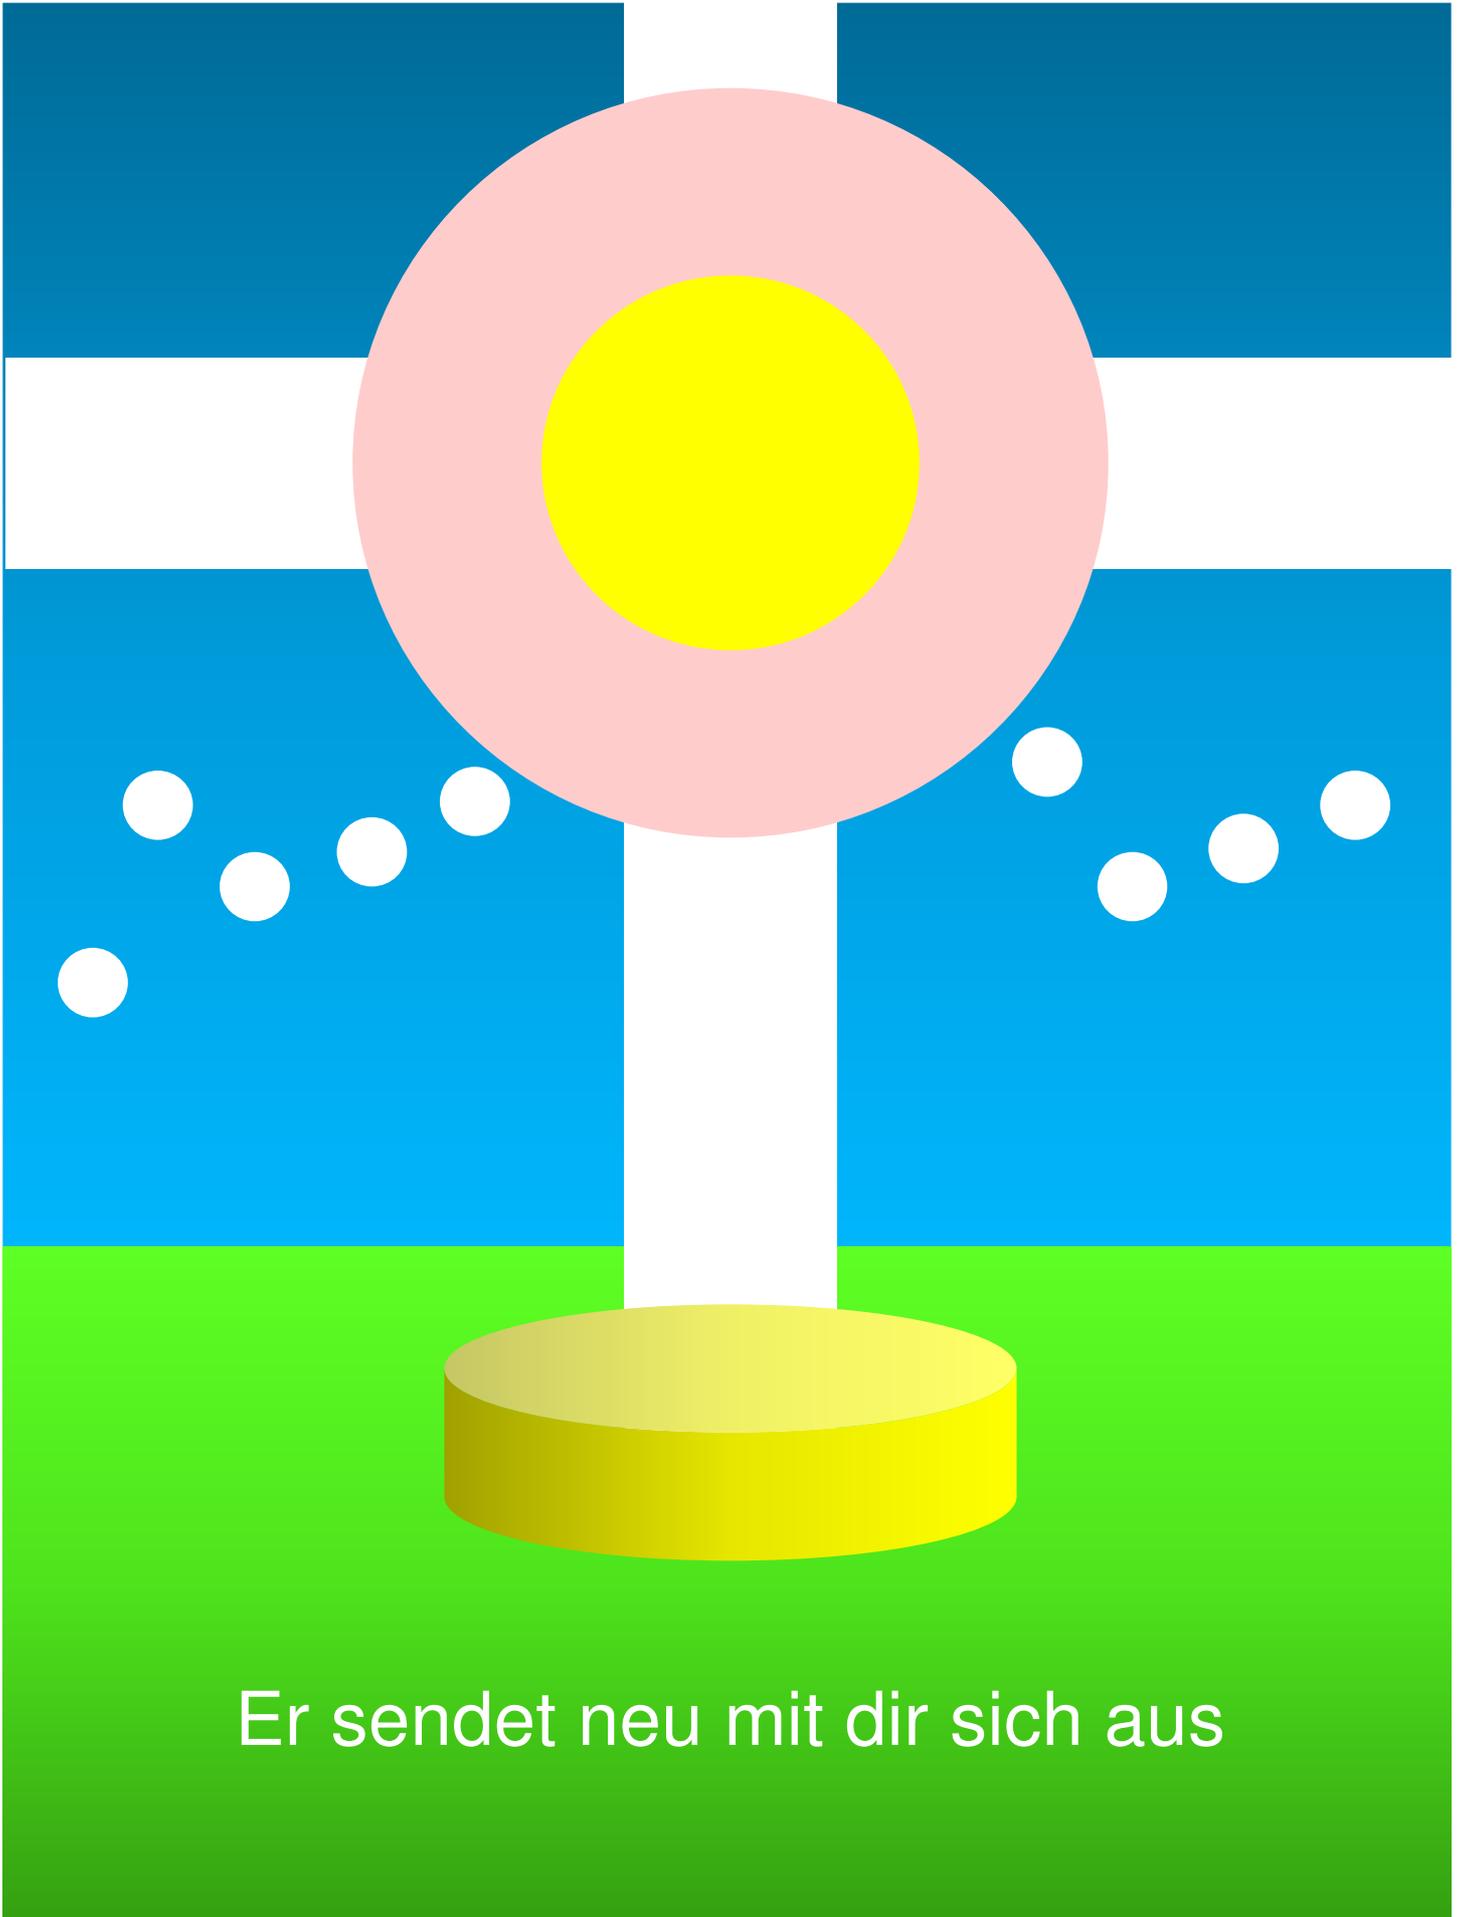

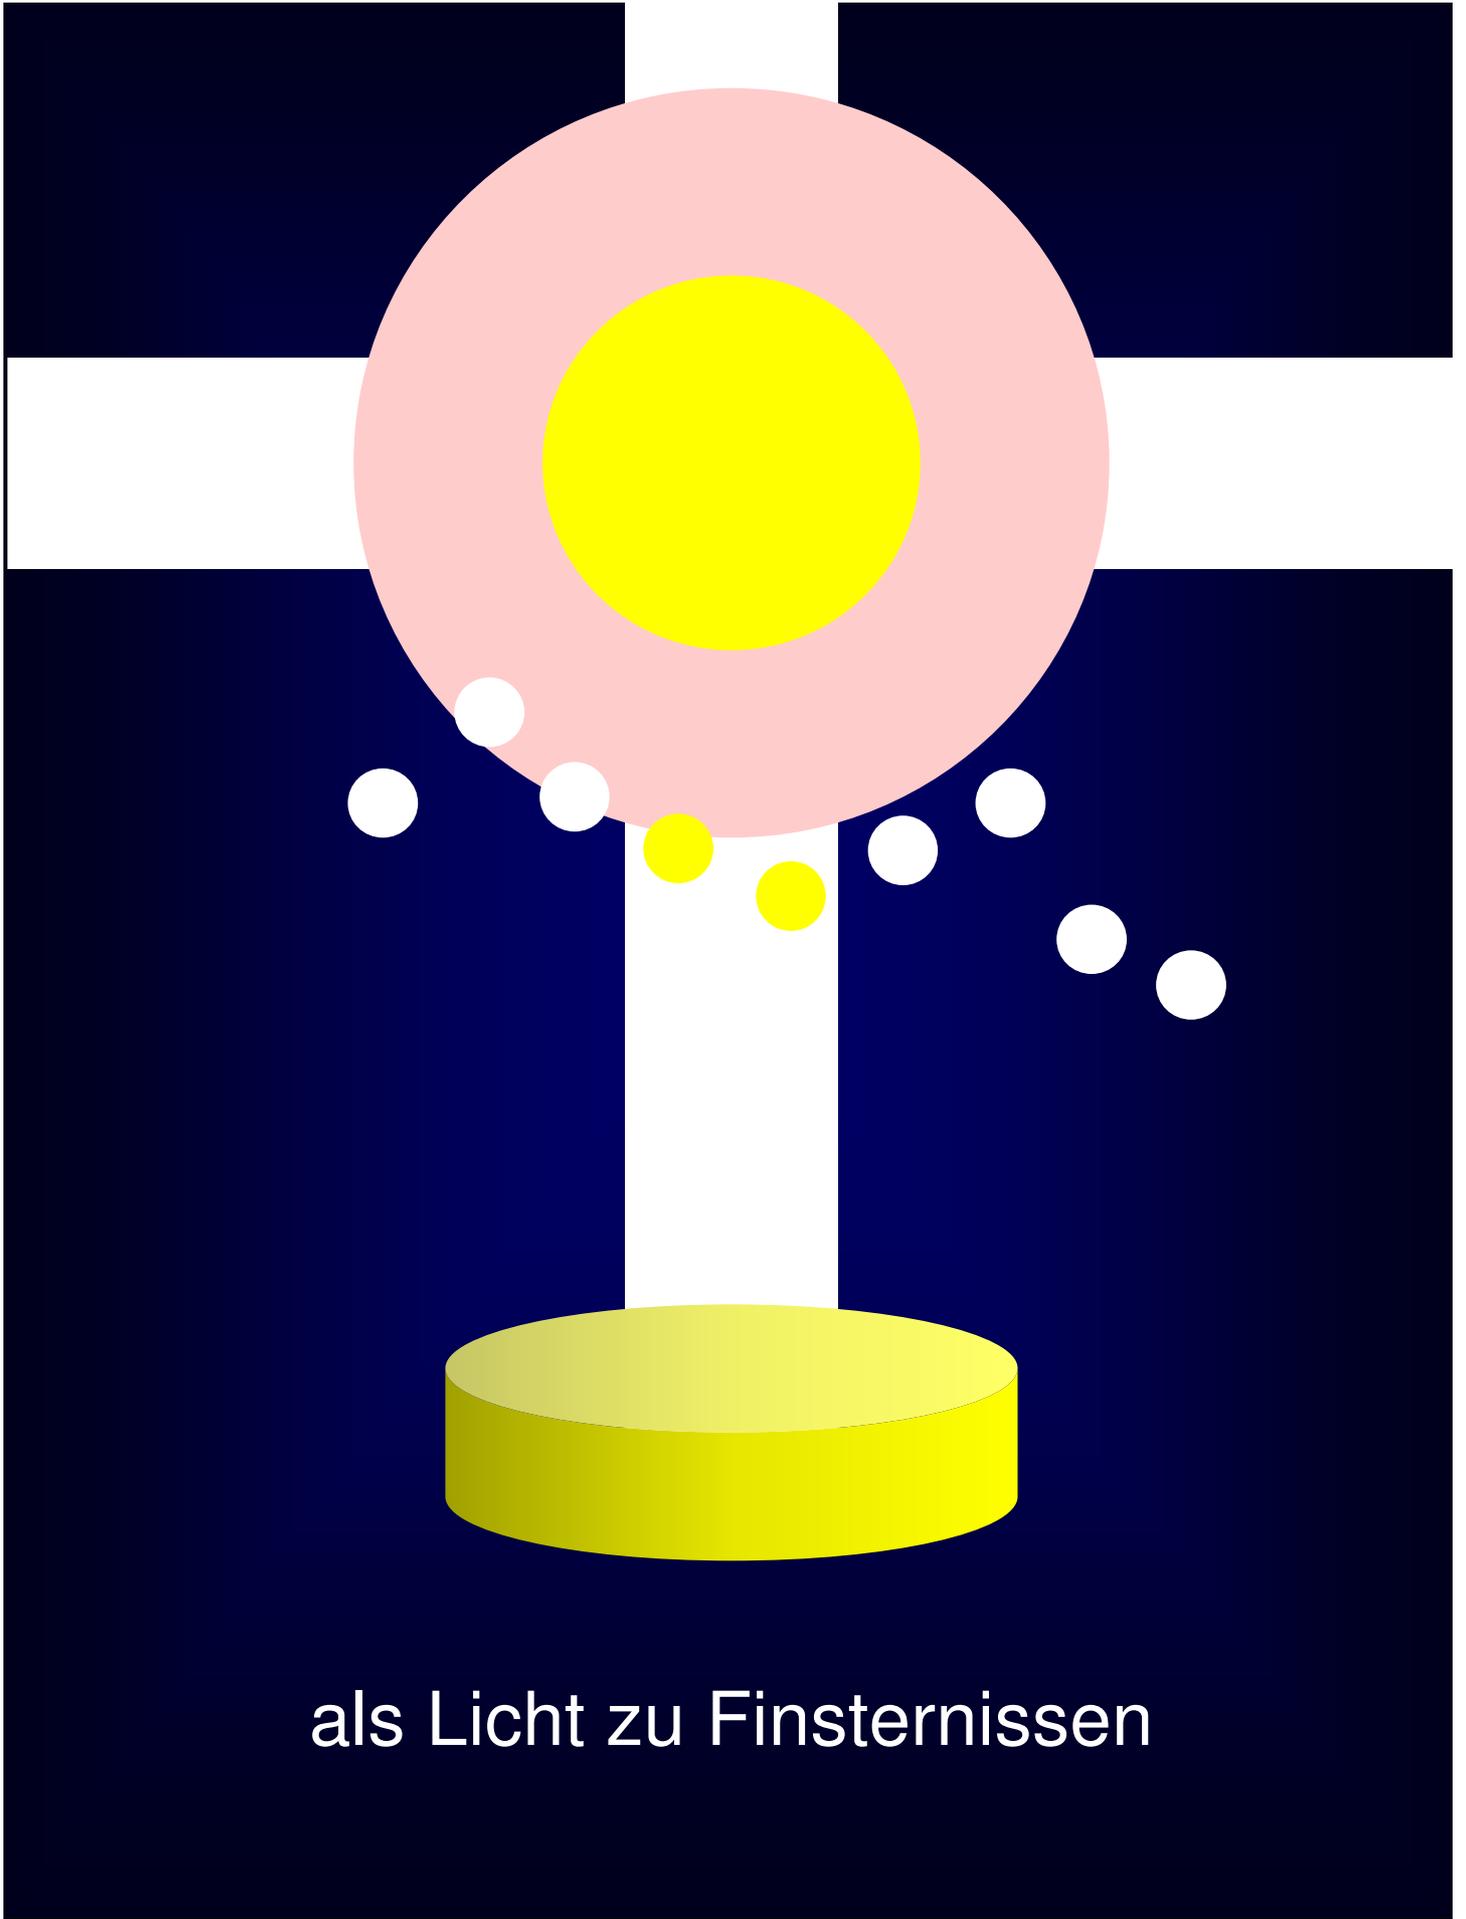

Wer liebt, der kehrt zu dir nach Haus

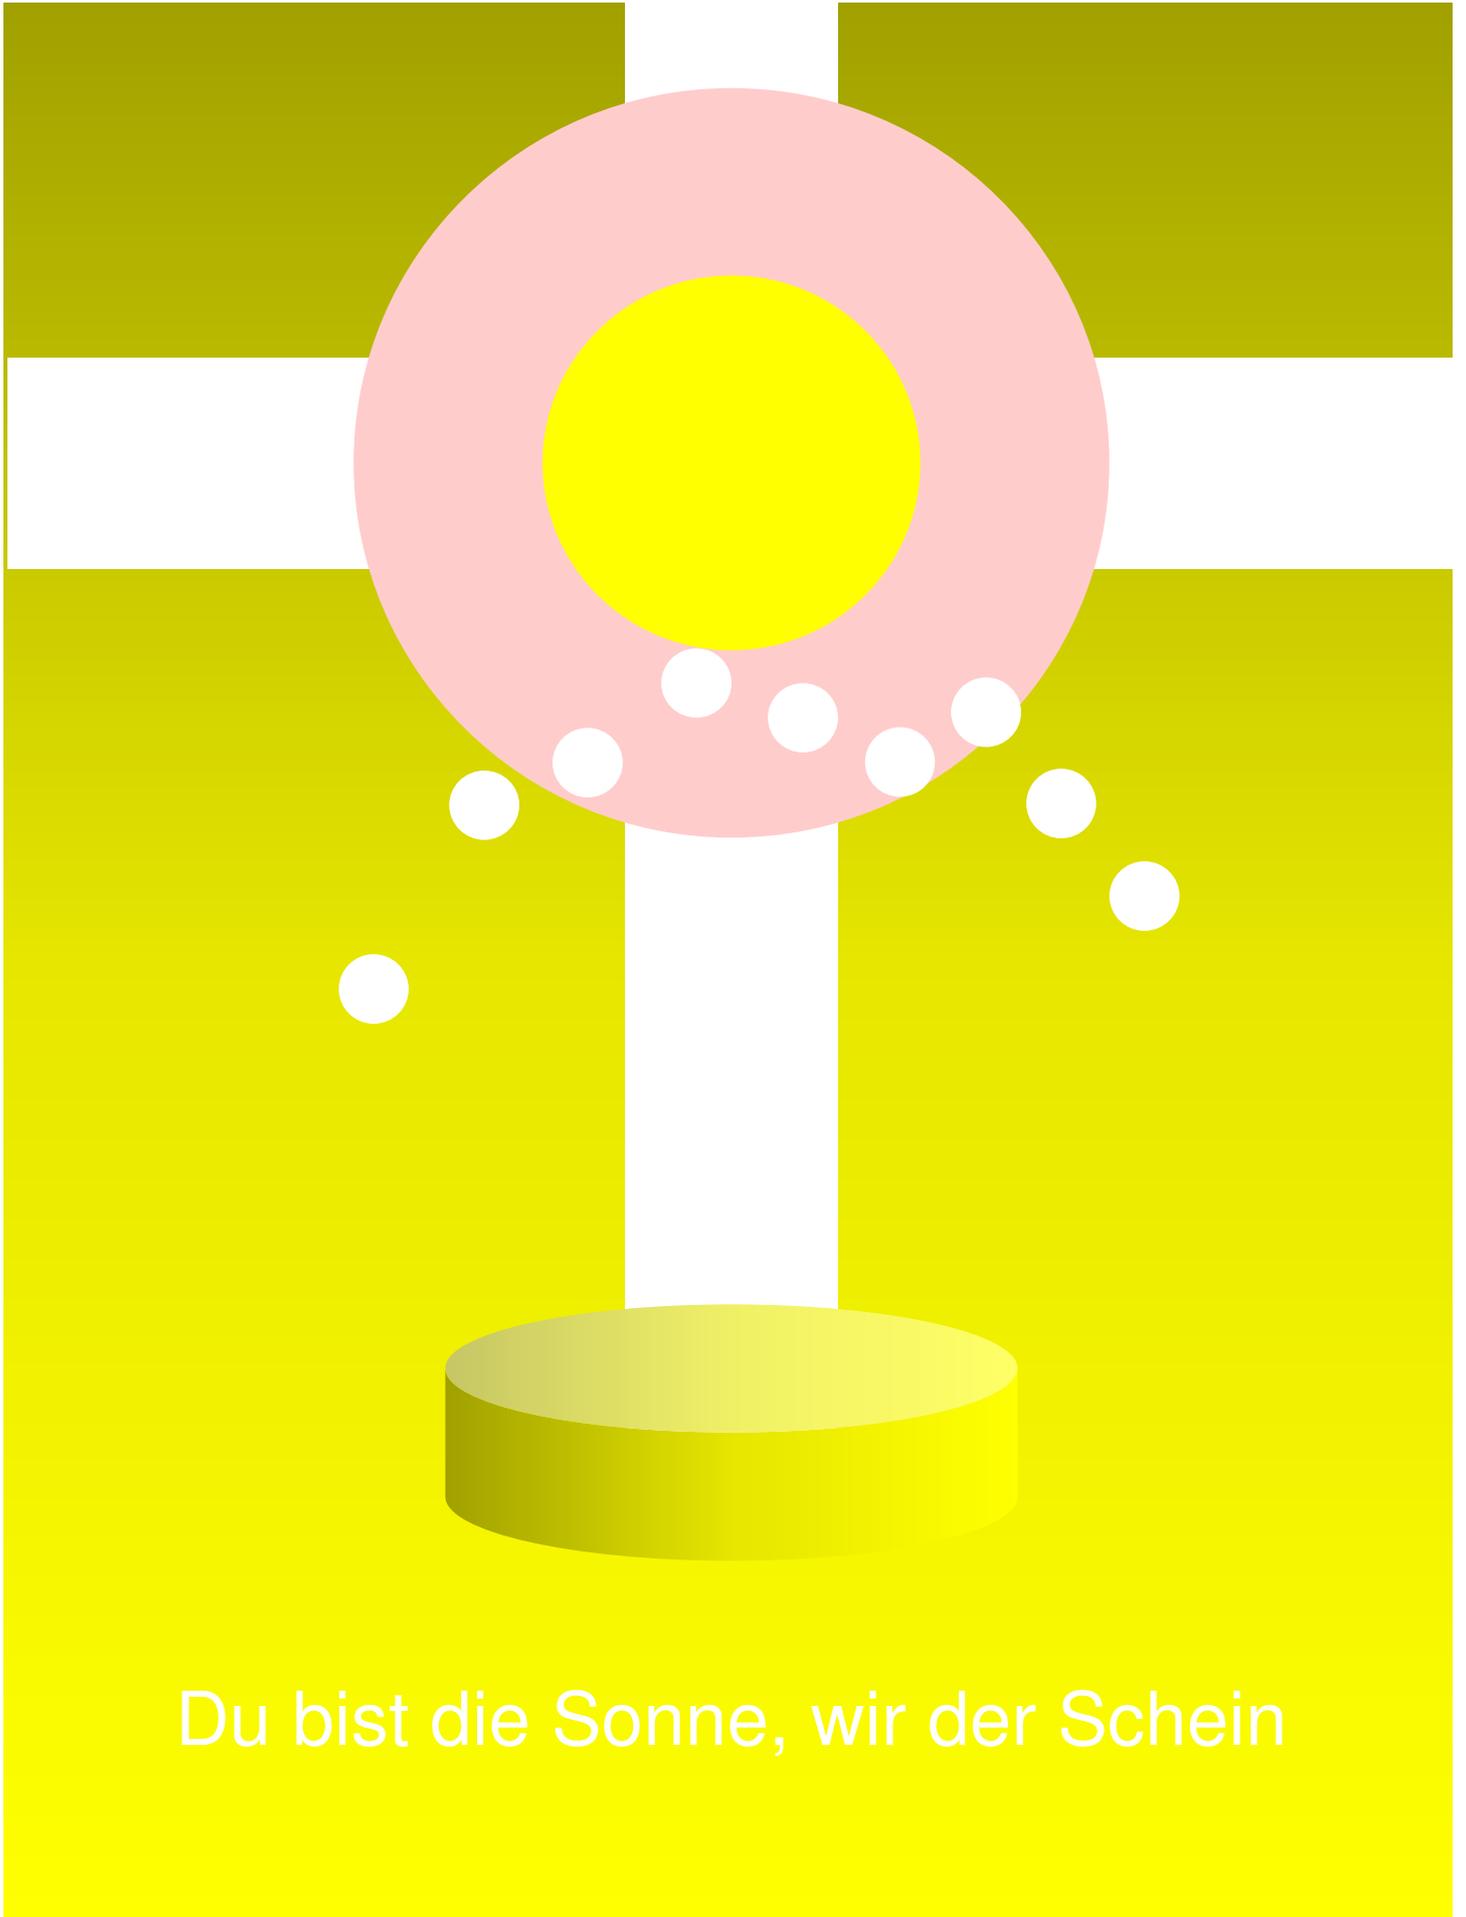

und ist der Nacht entrissen

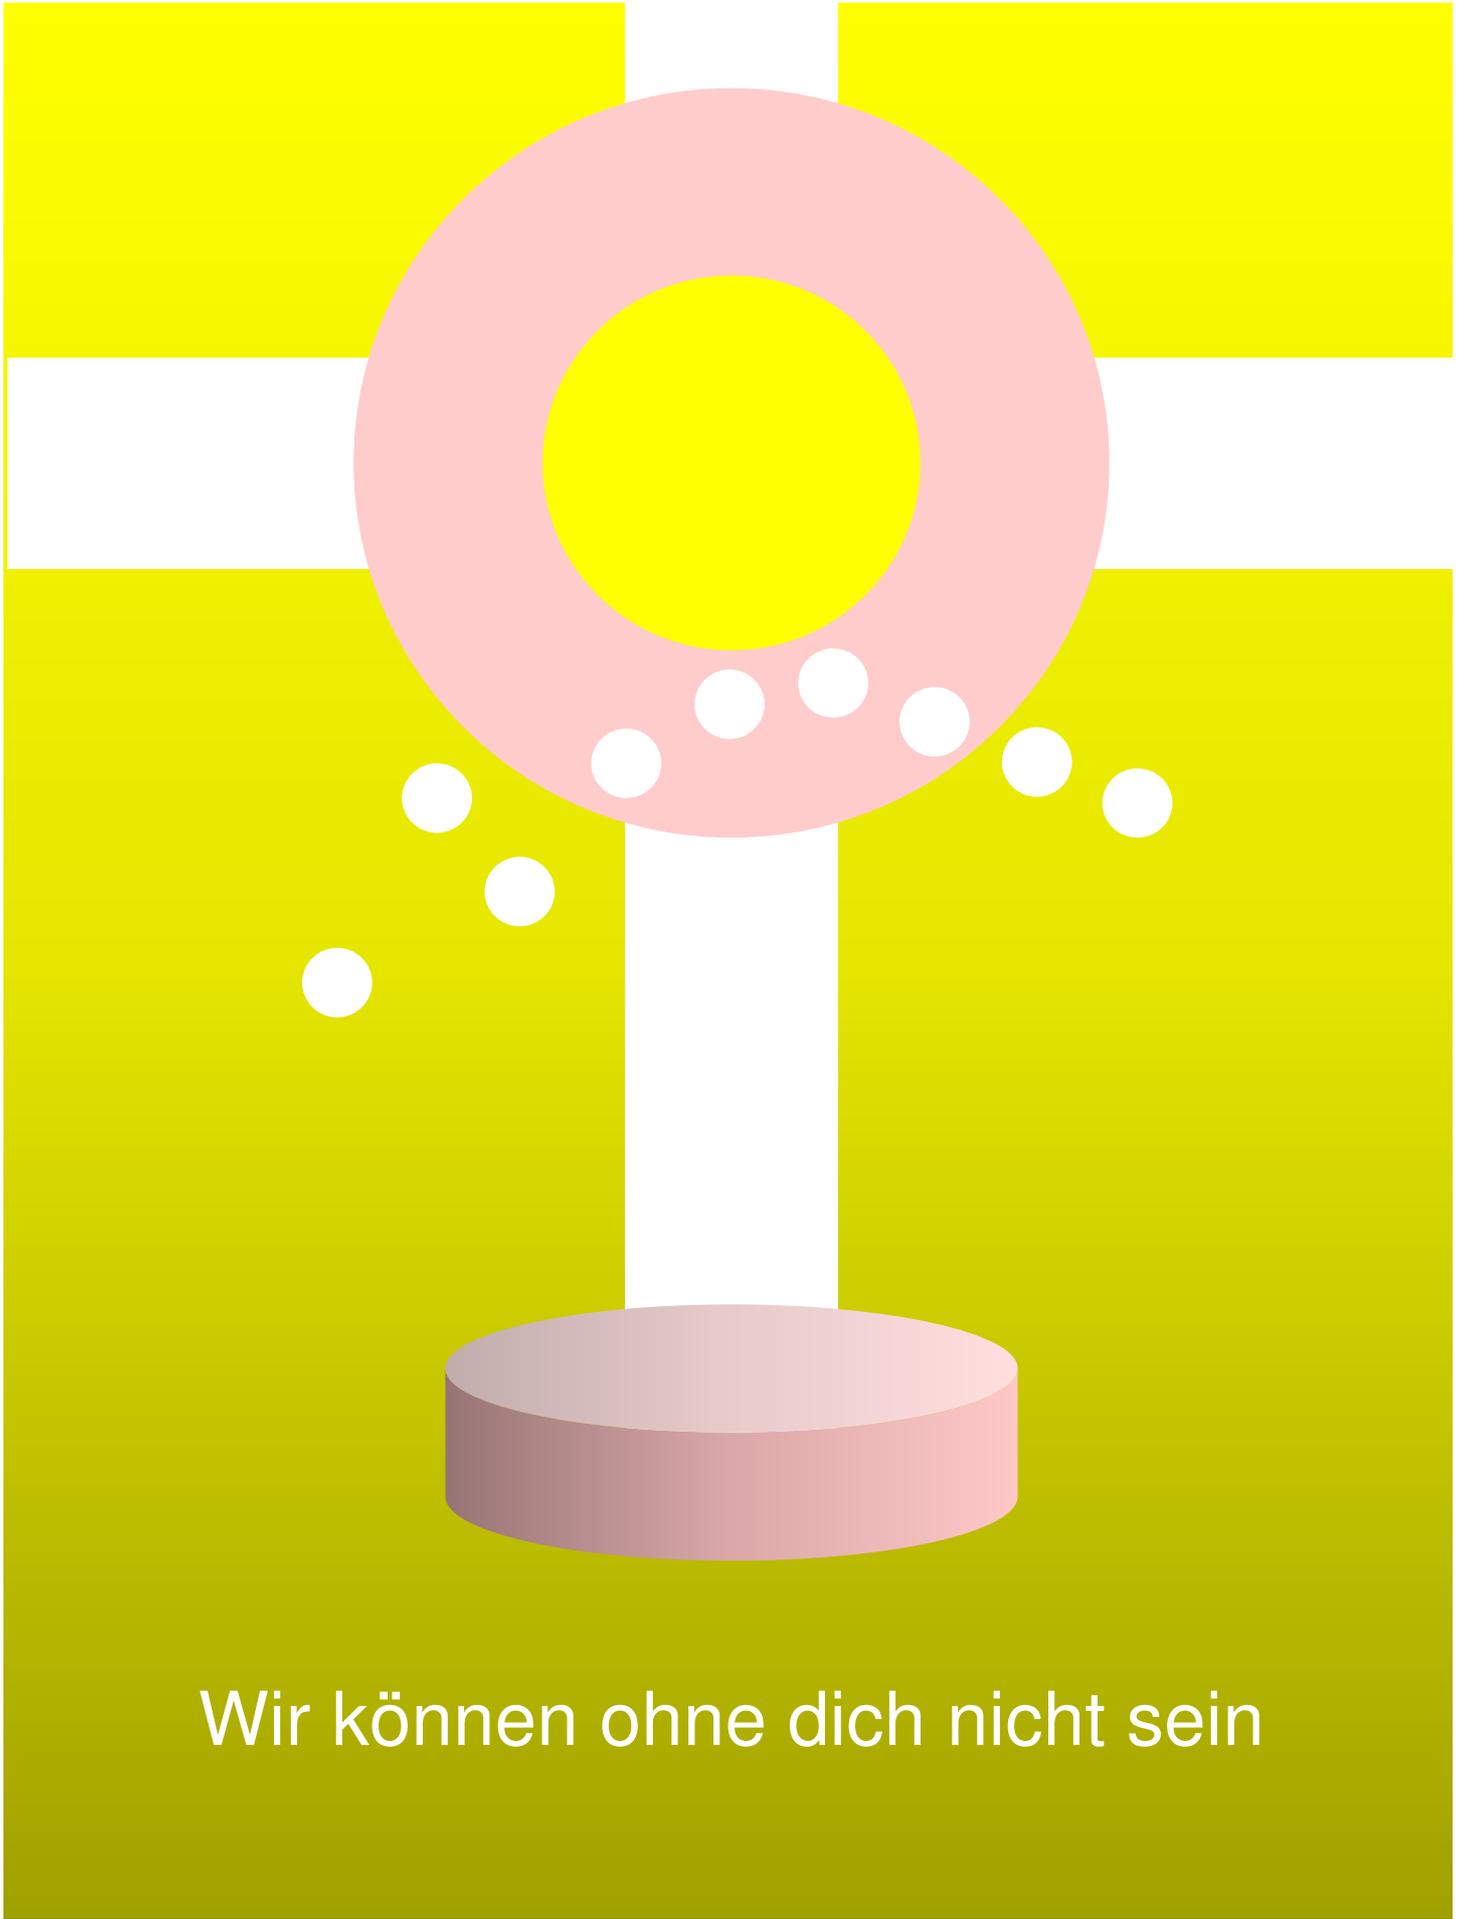

Er sendet neu mit dir sich aus

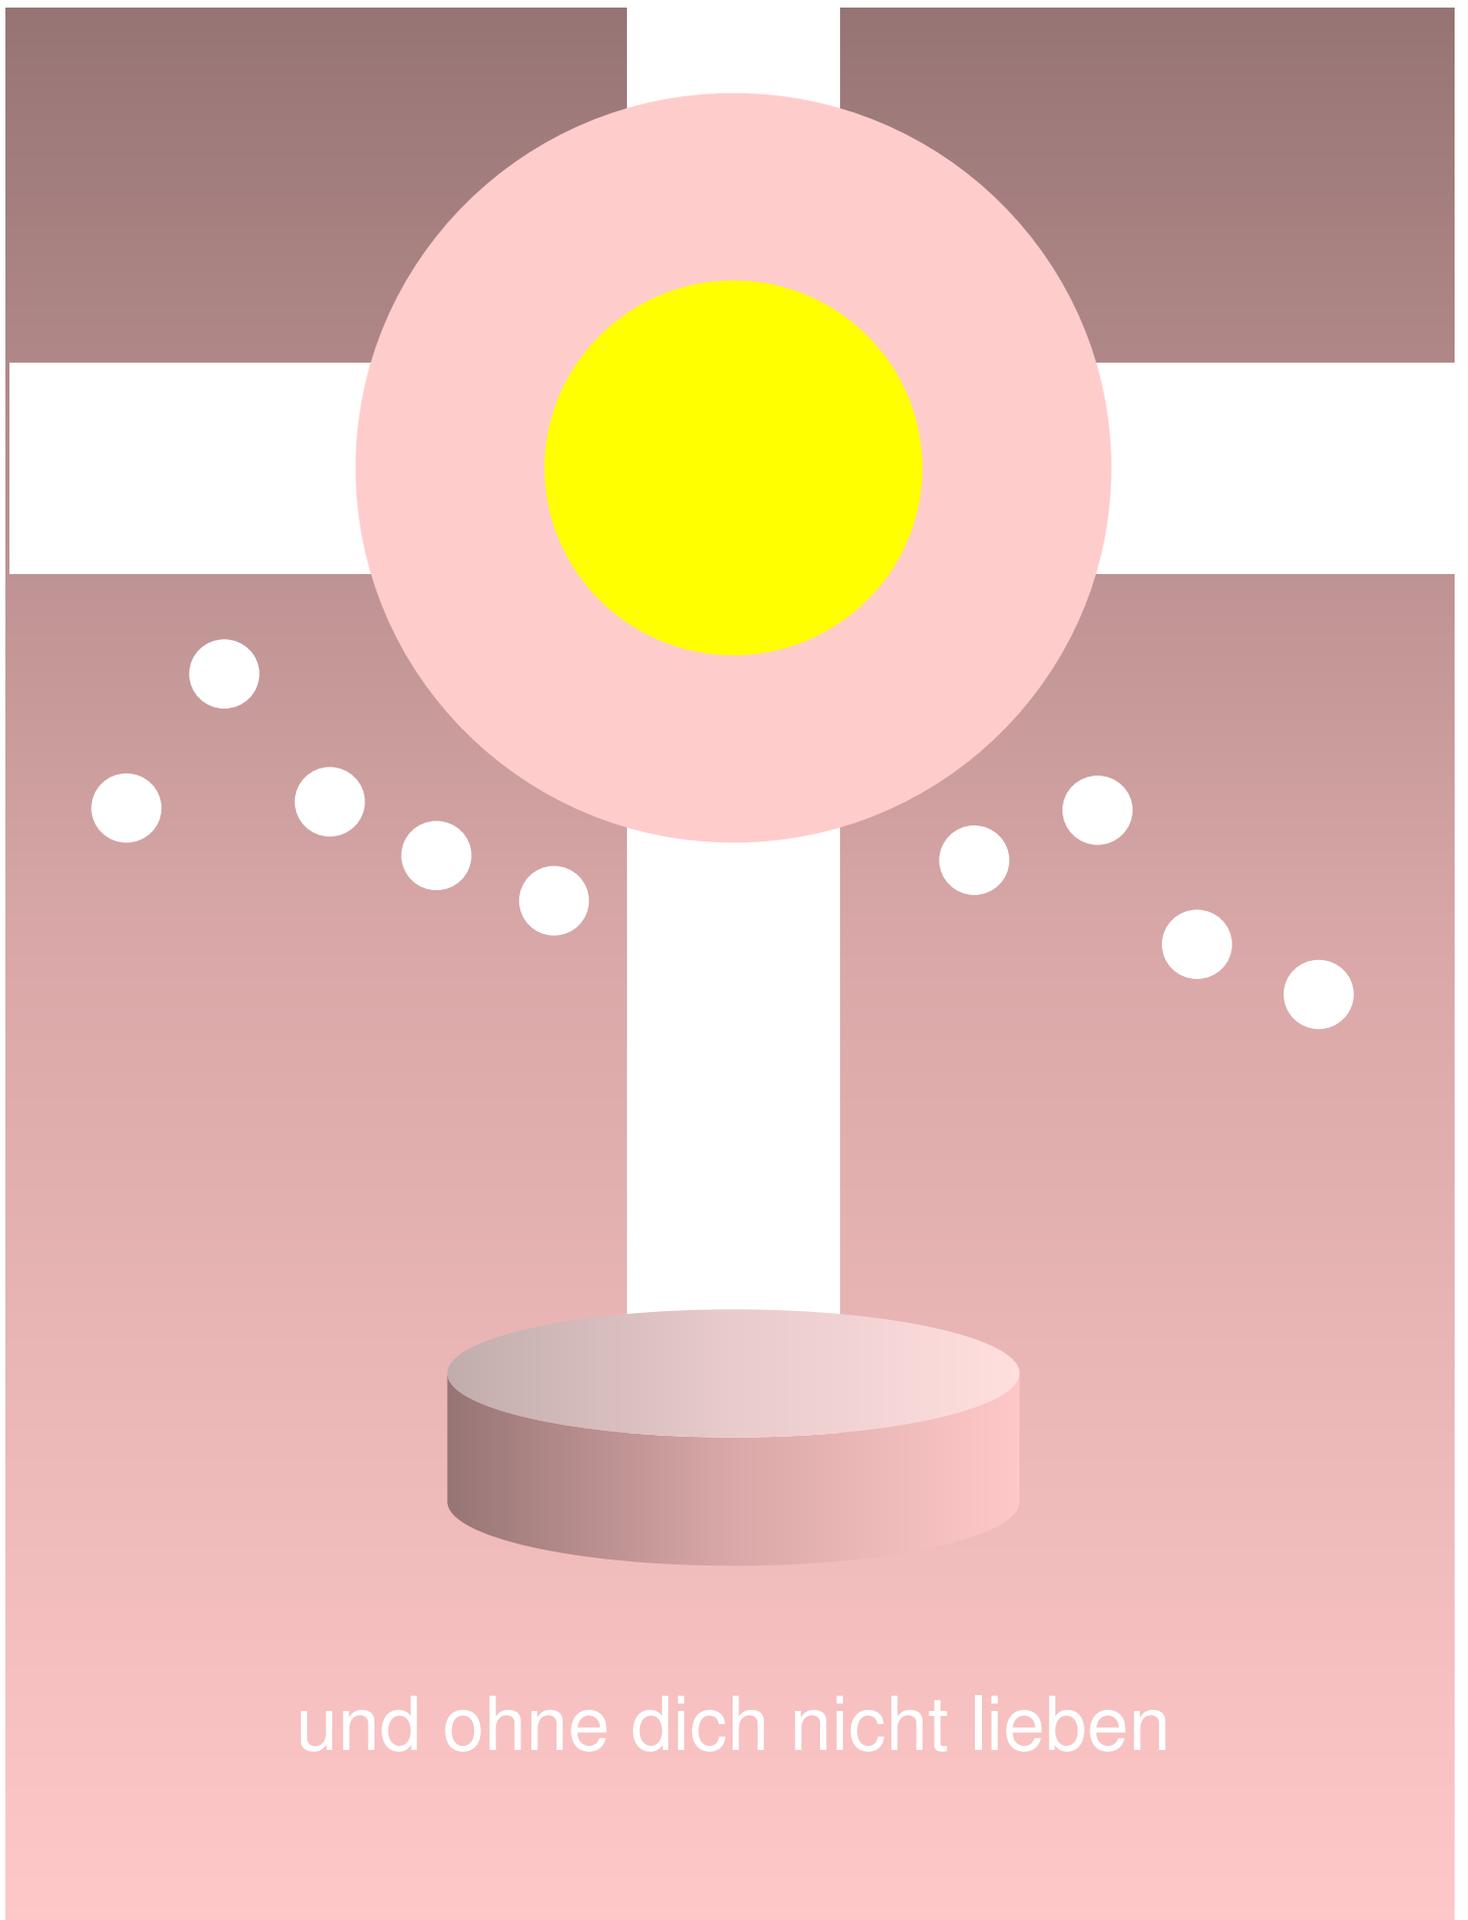

als Licht zu Finsternissen

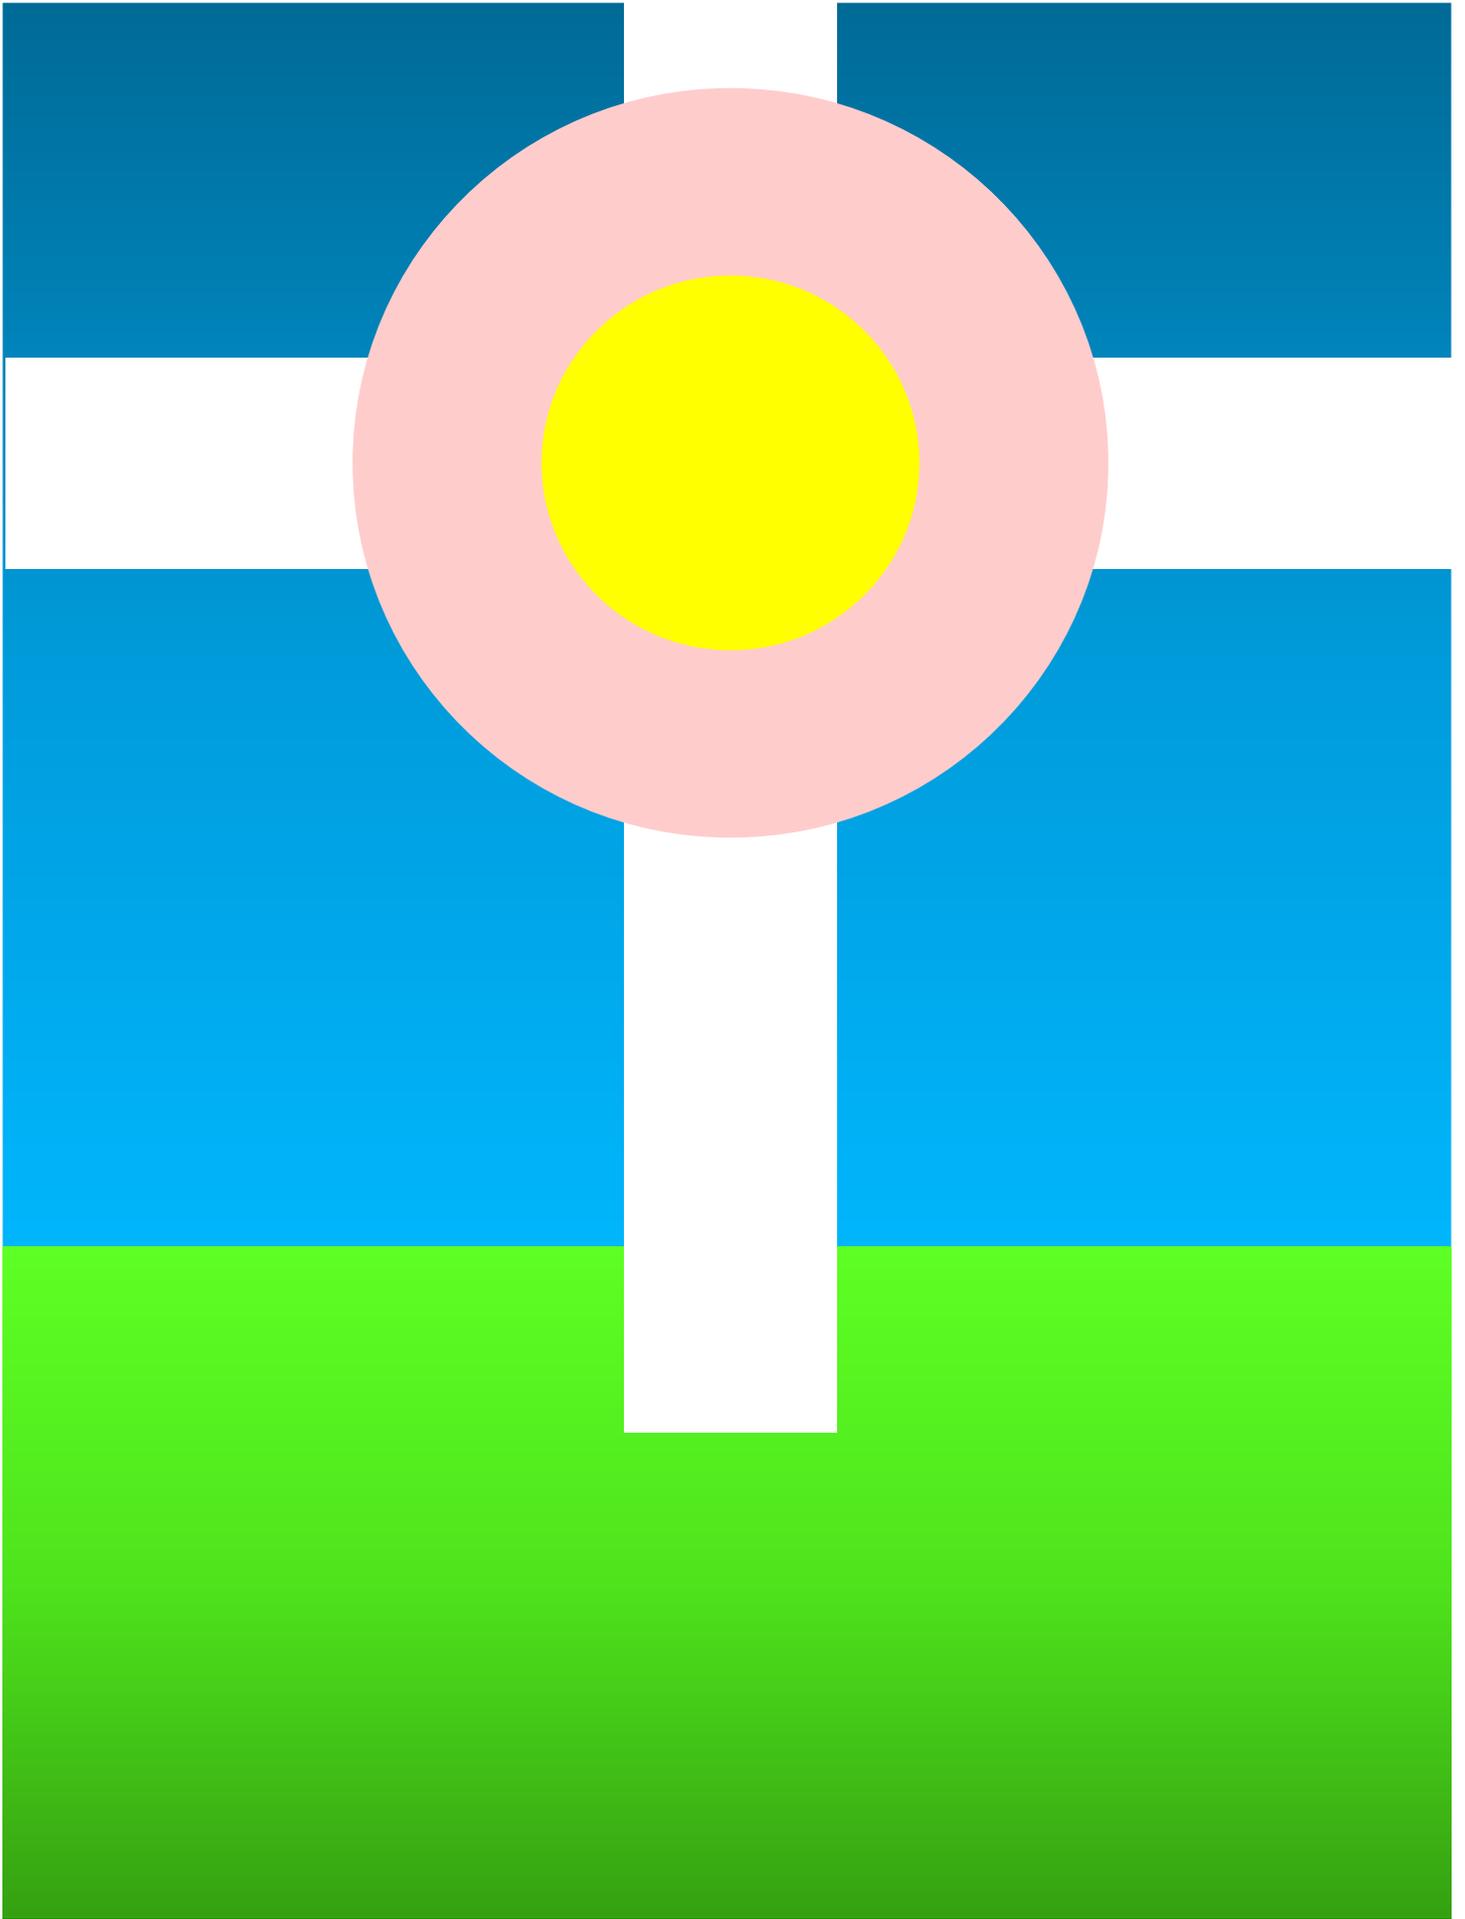

Du bist die Sonne, wir der Schein

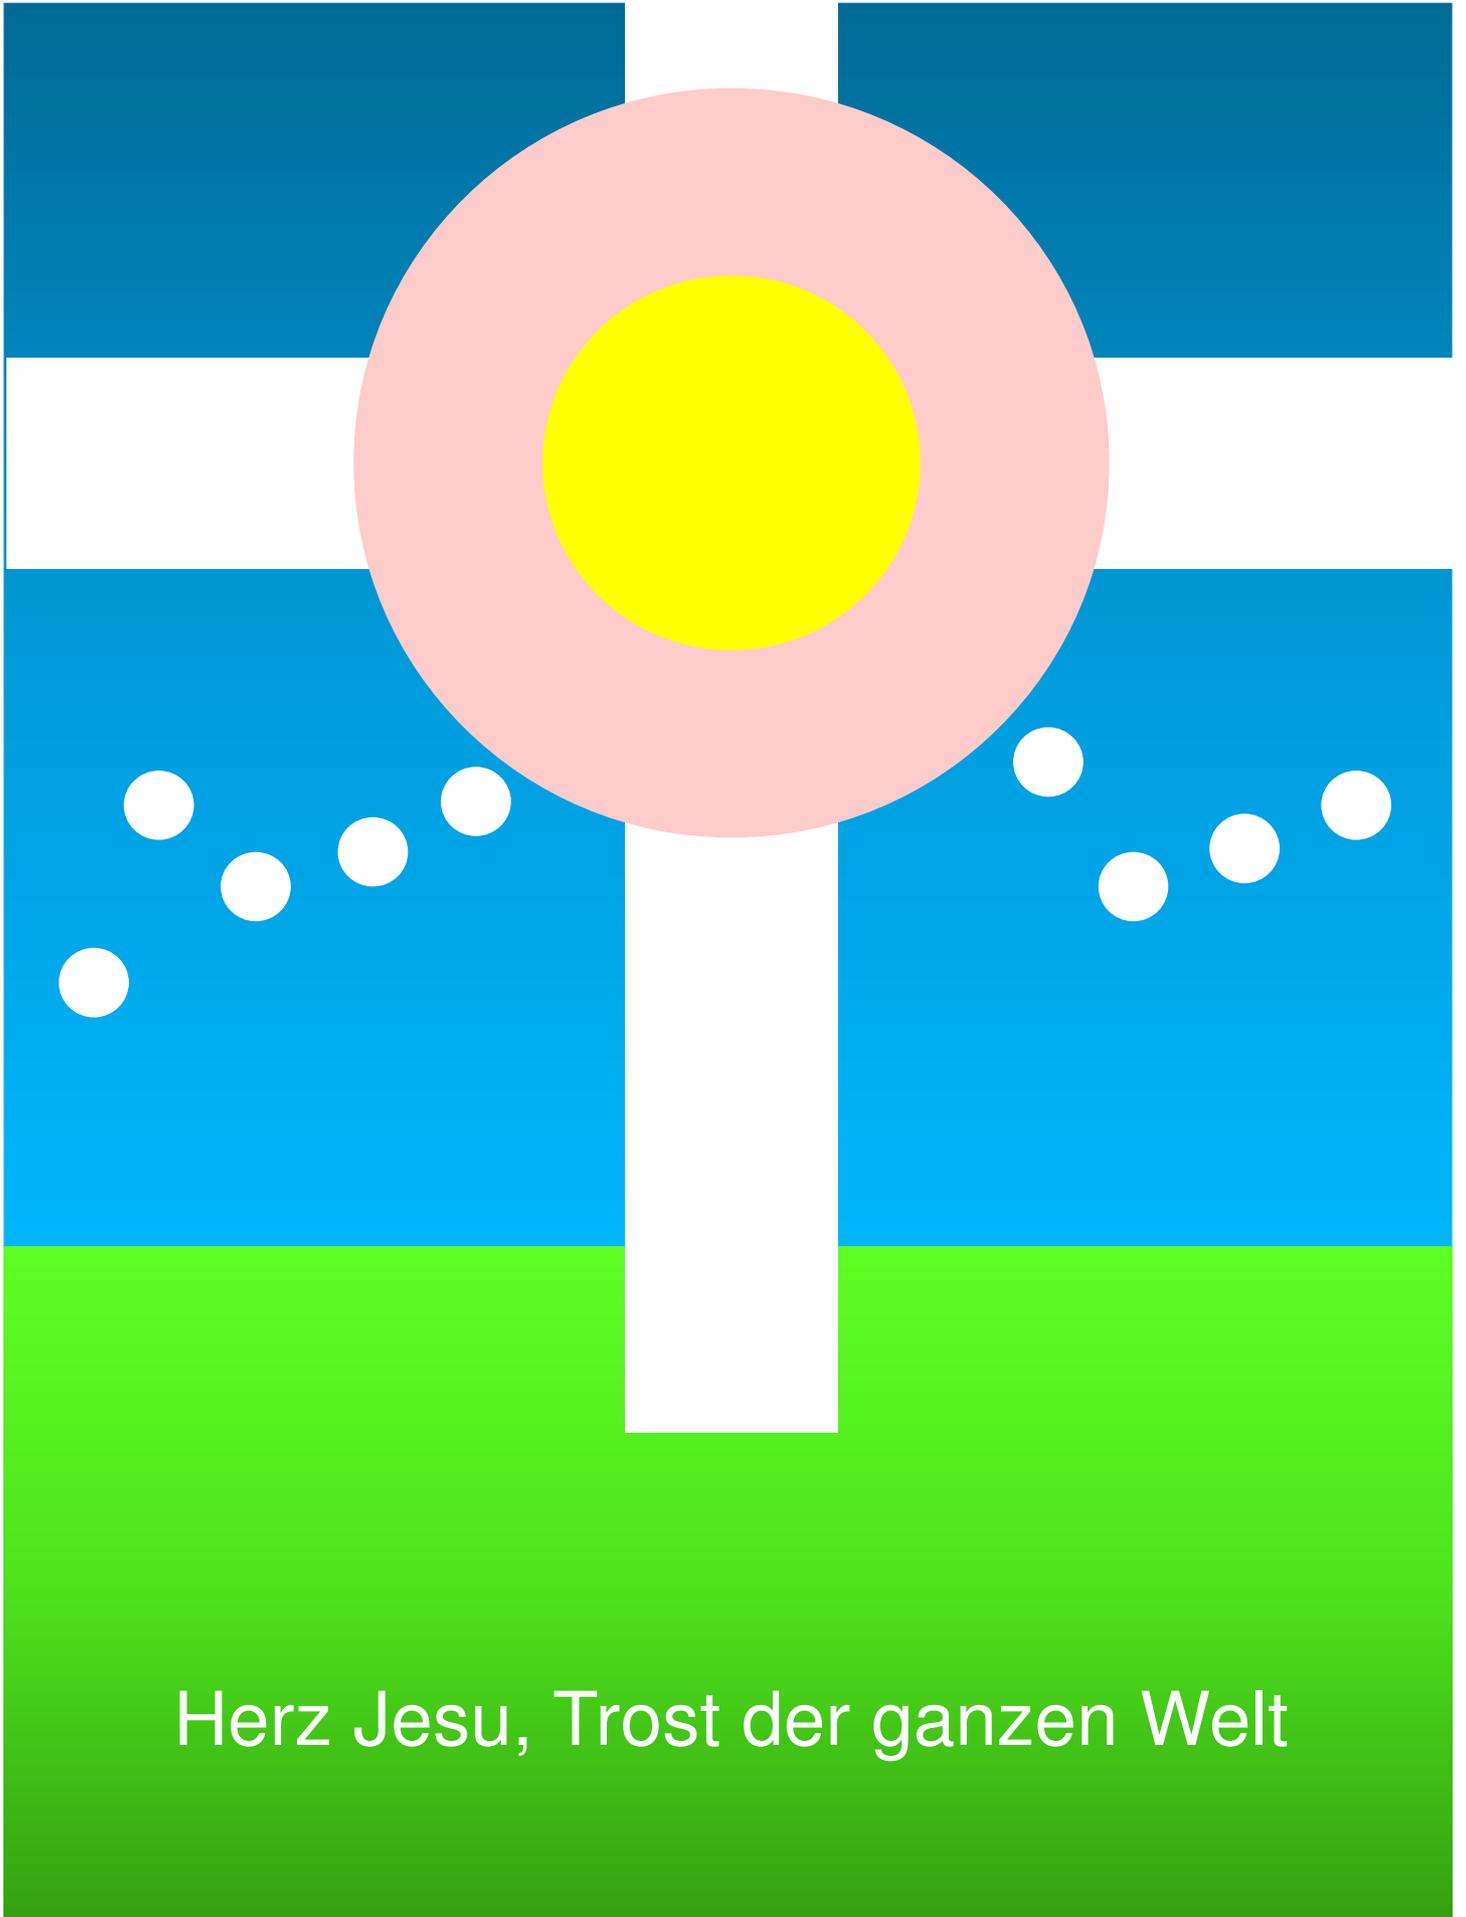

Wir können ohne dich nicht sein

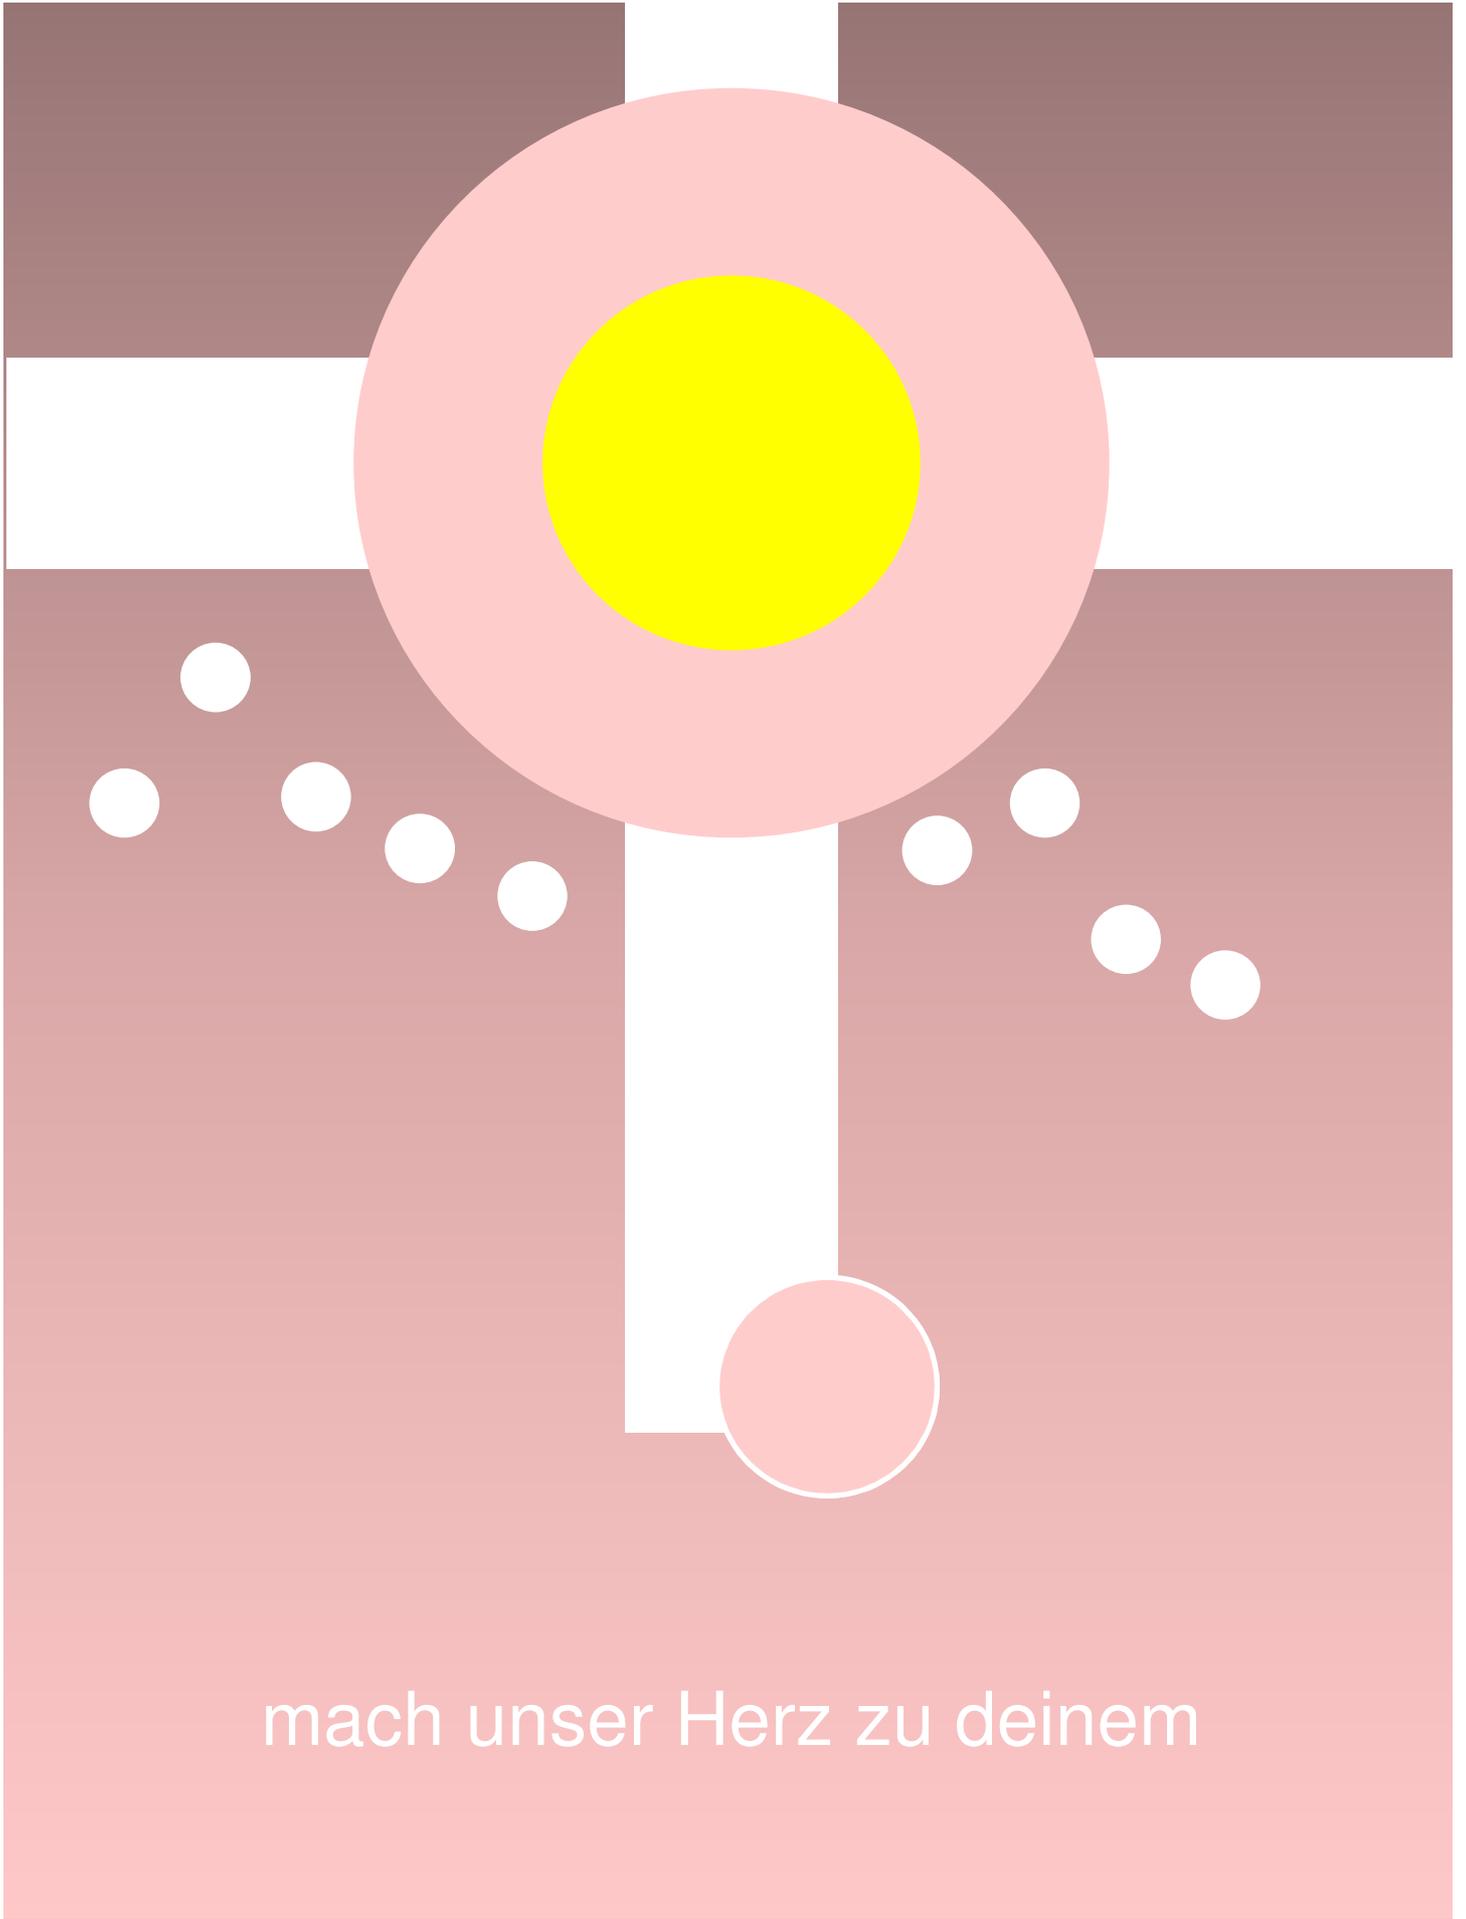

und ohne dich nicht lieben

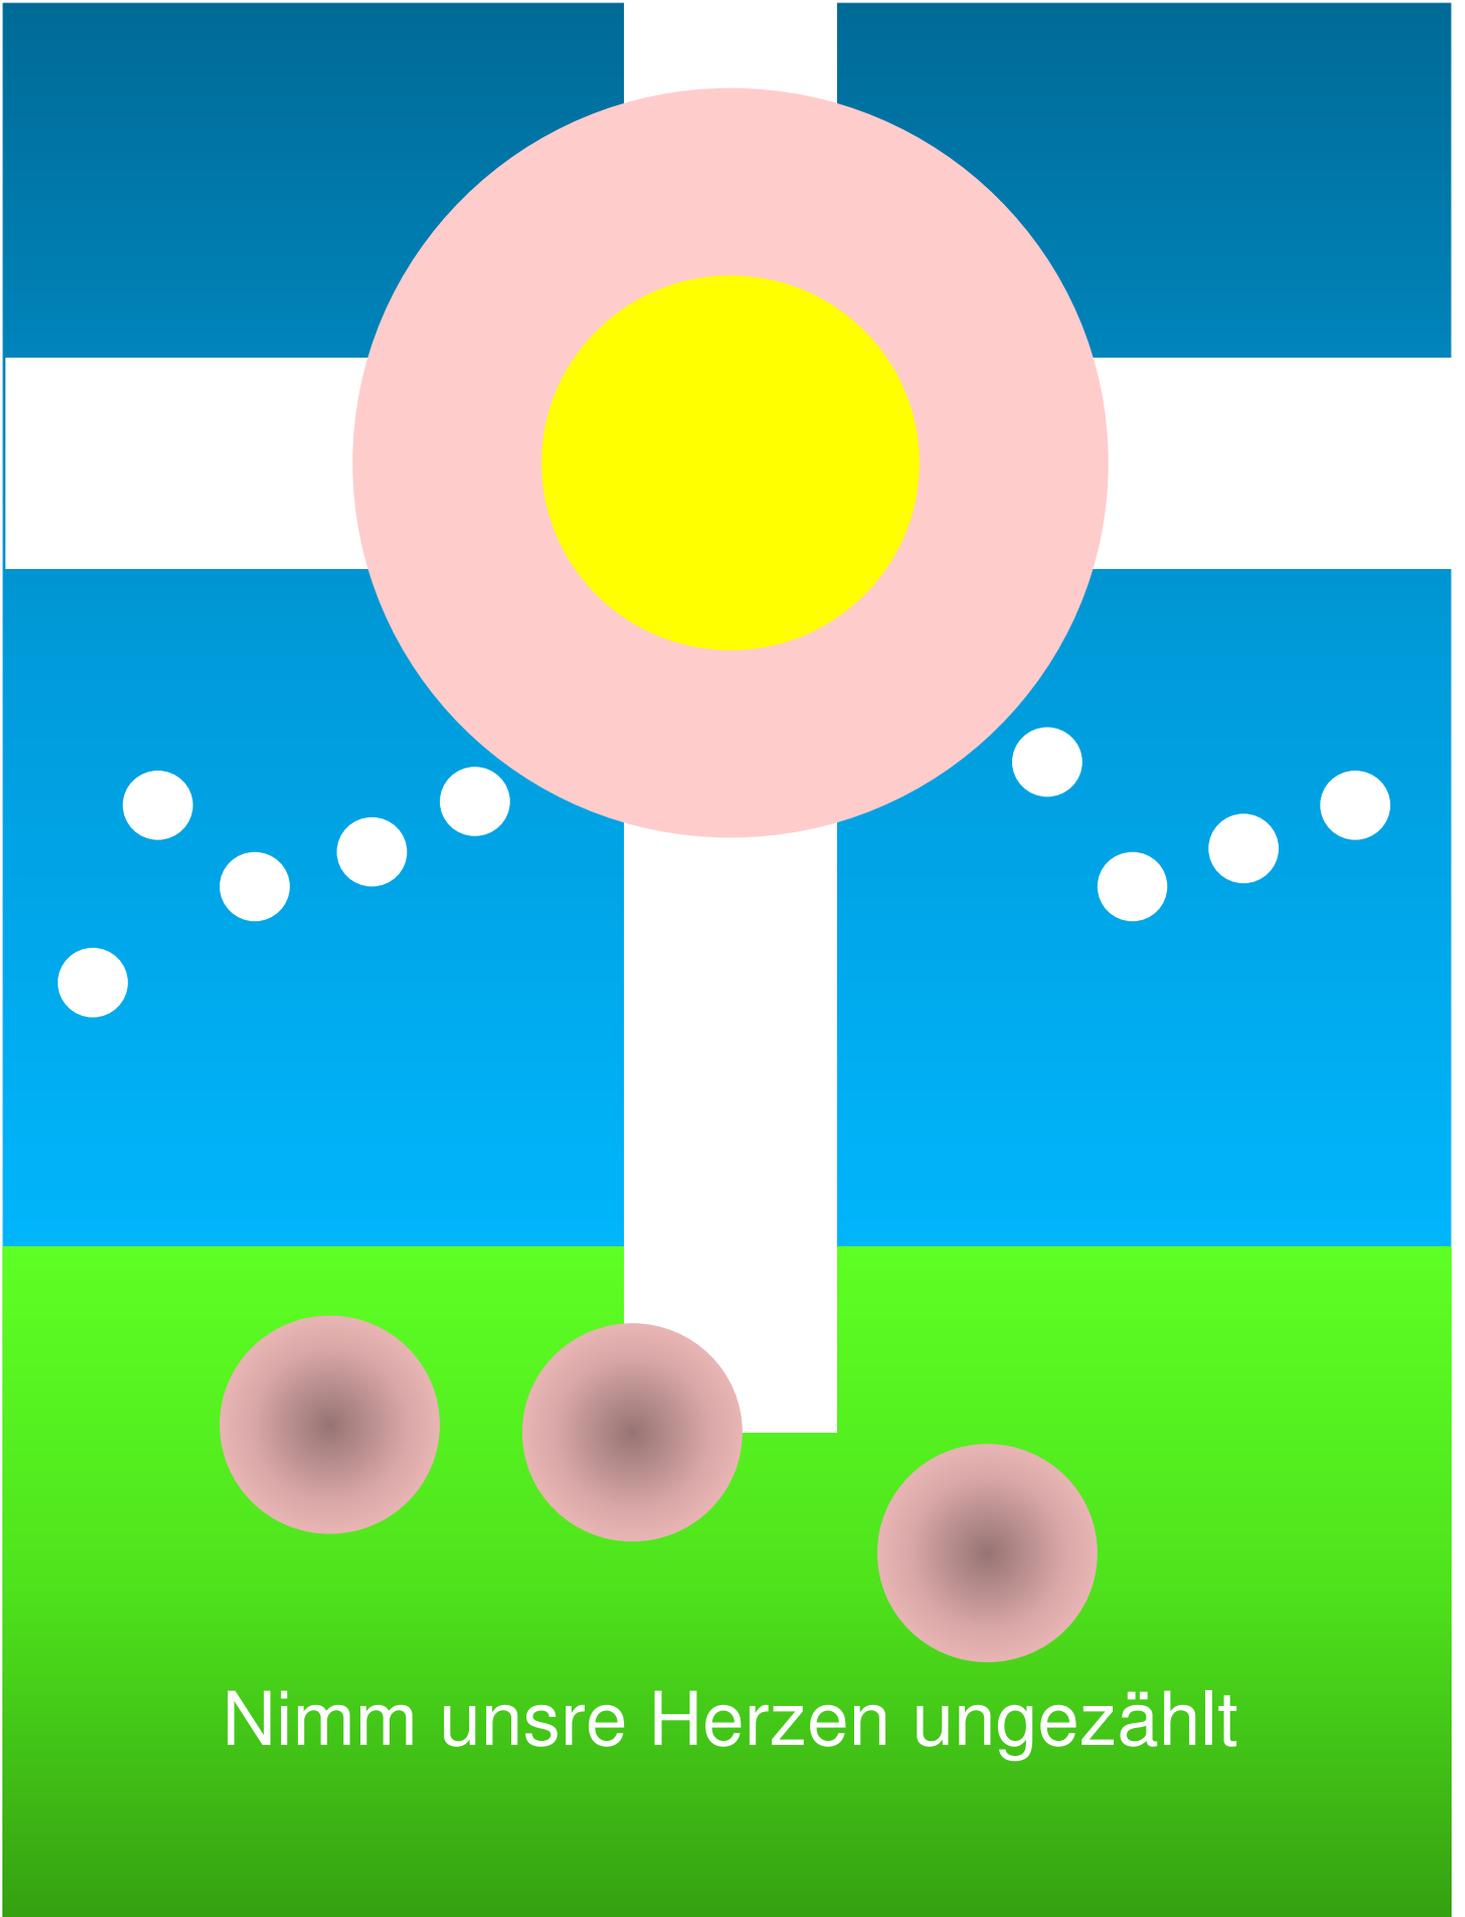

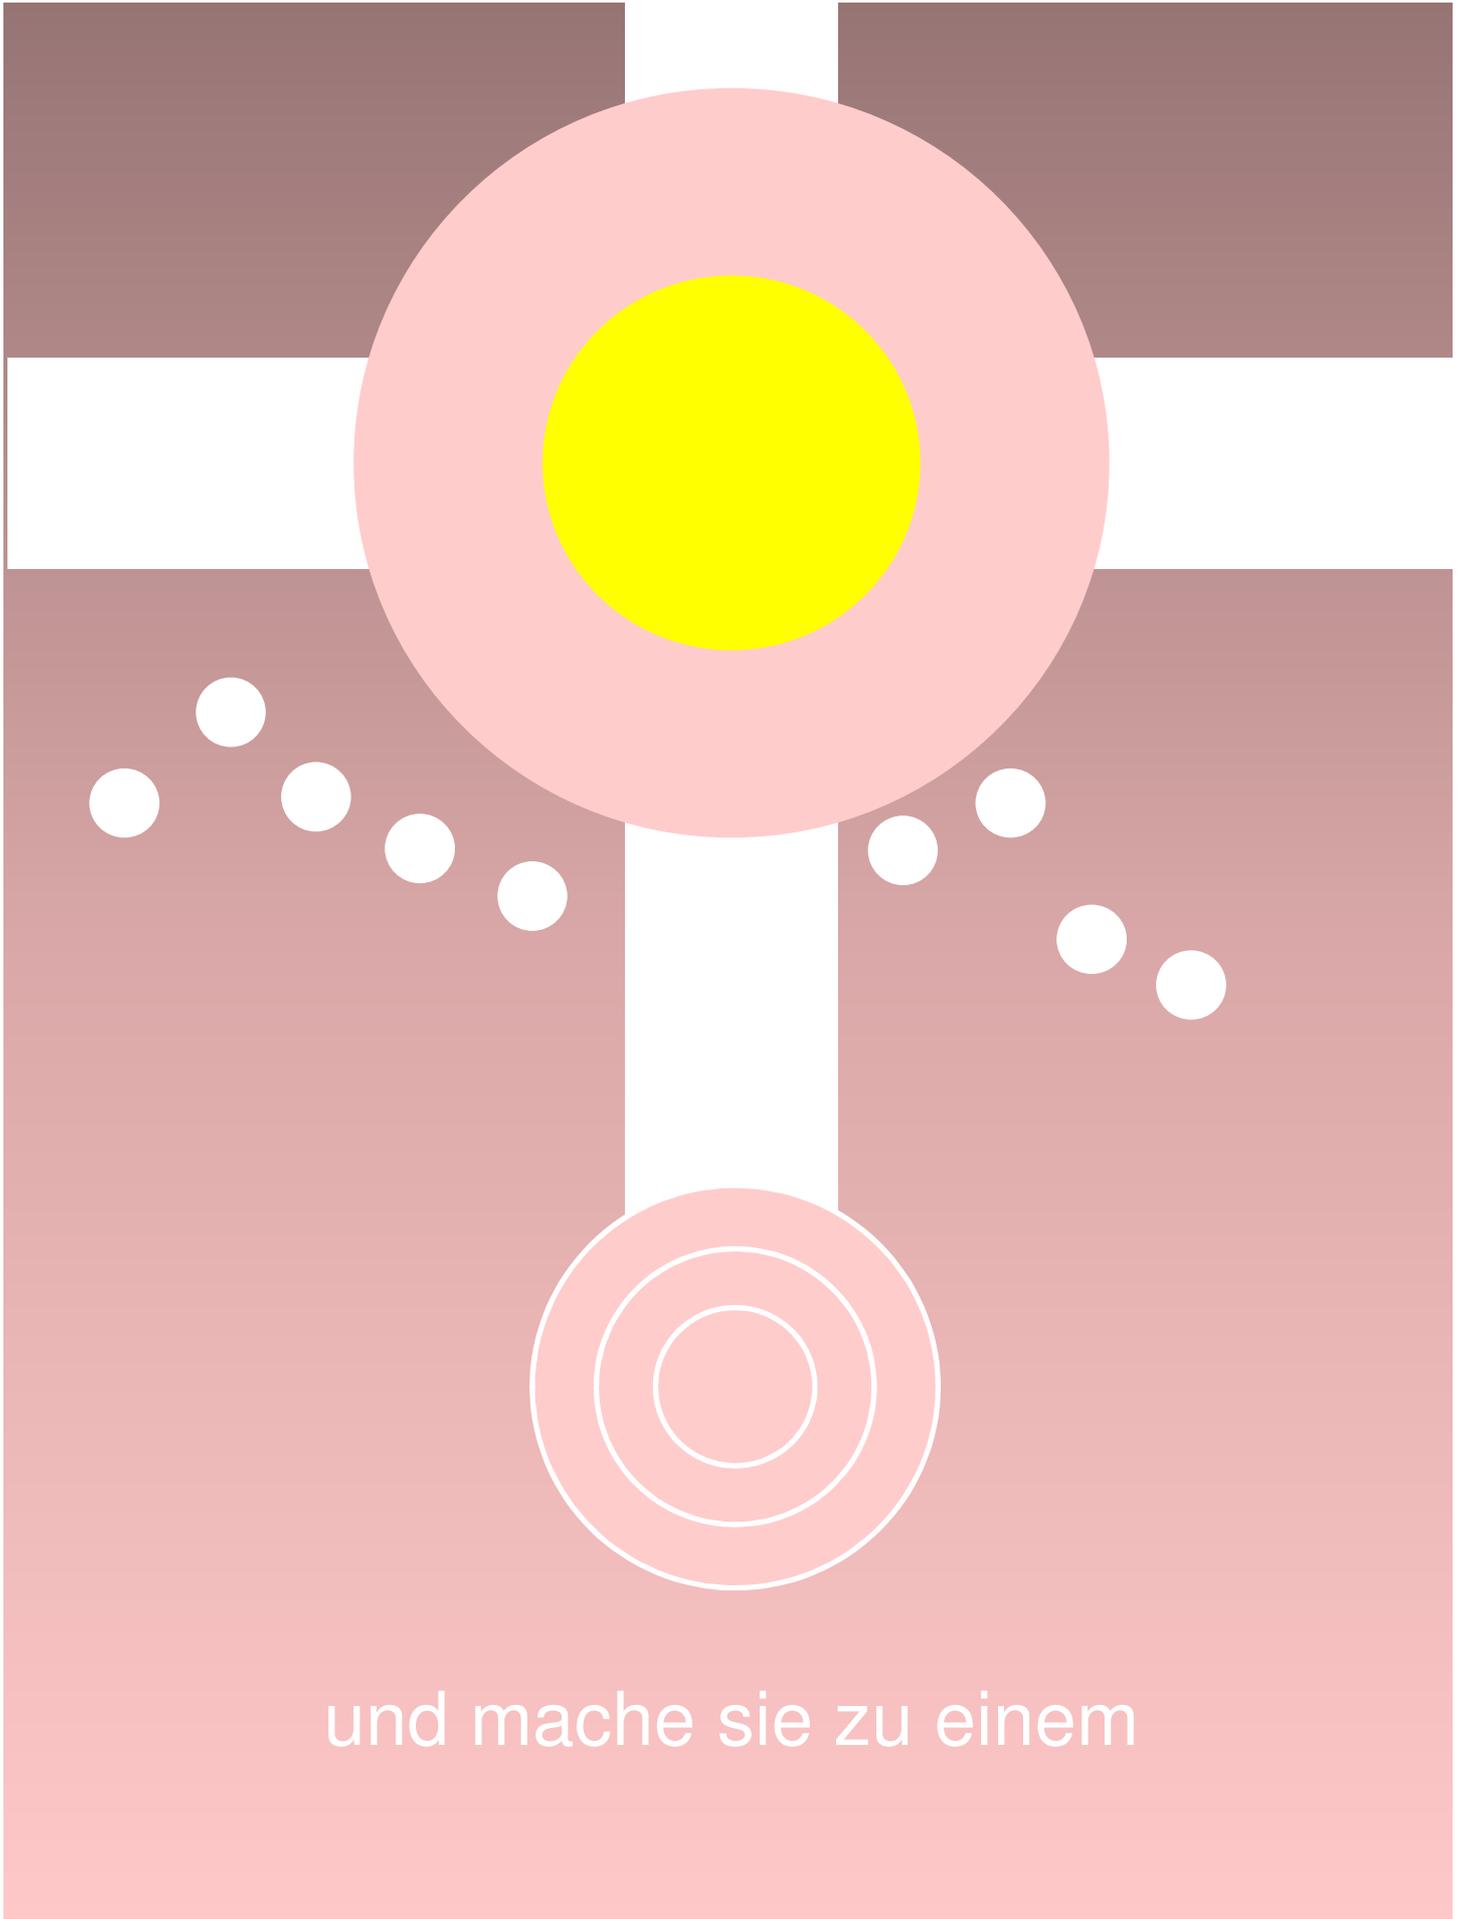

Herz Jesu, Trost der ganzen Welt

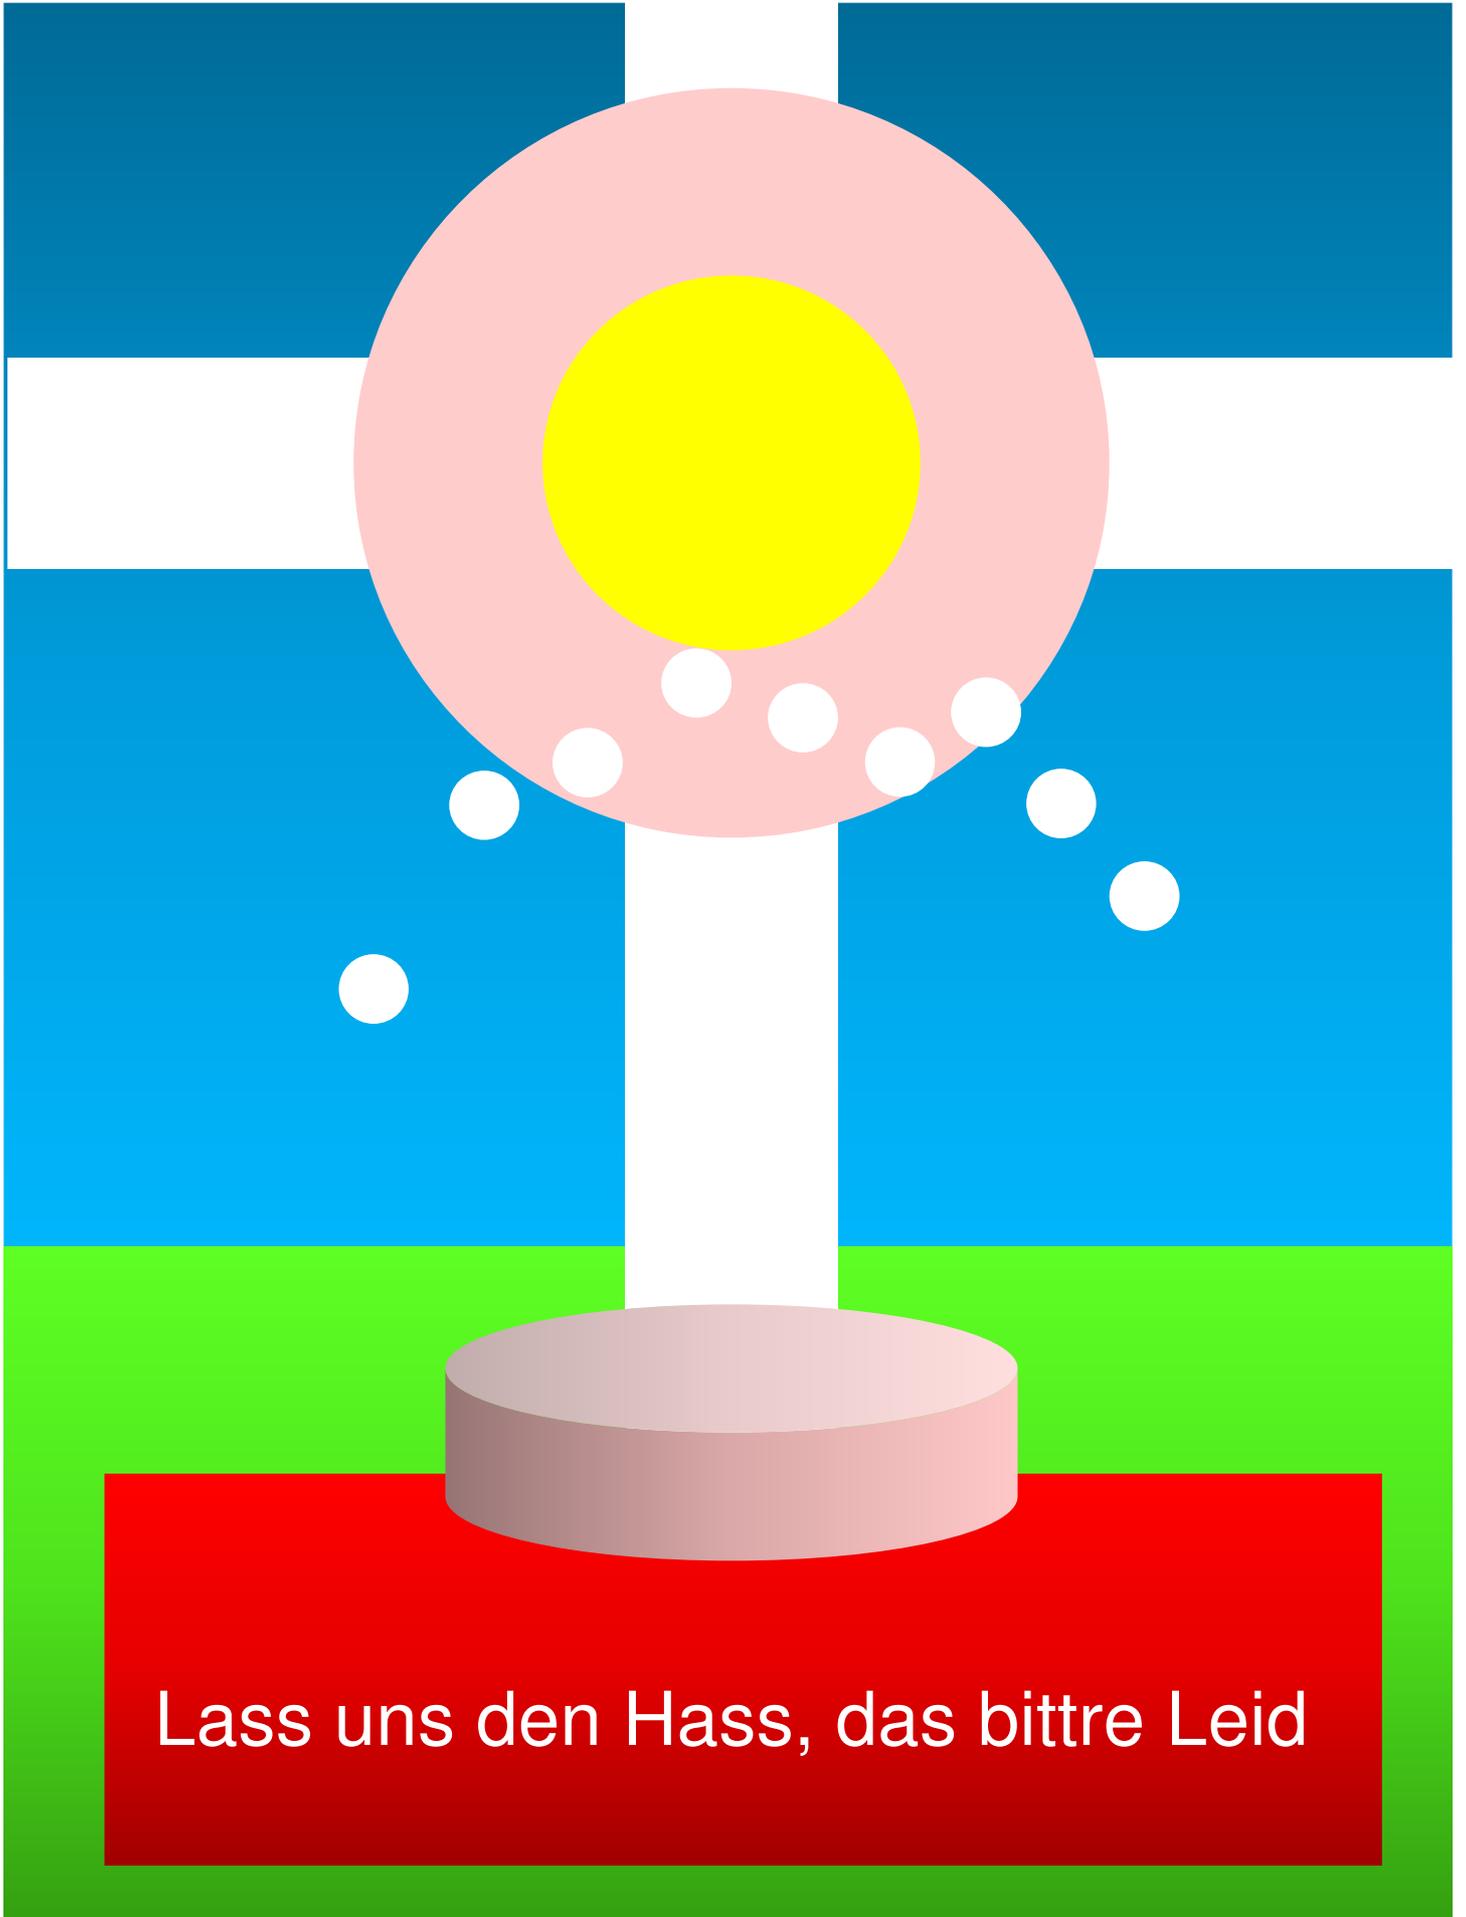

mach unser Herz zu deinem

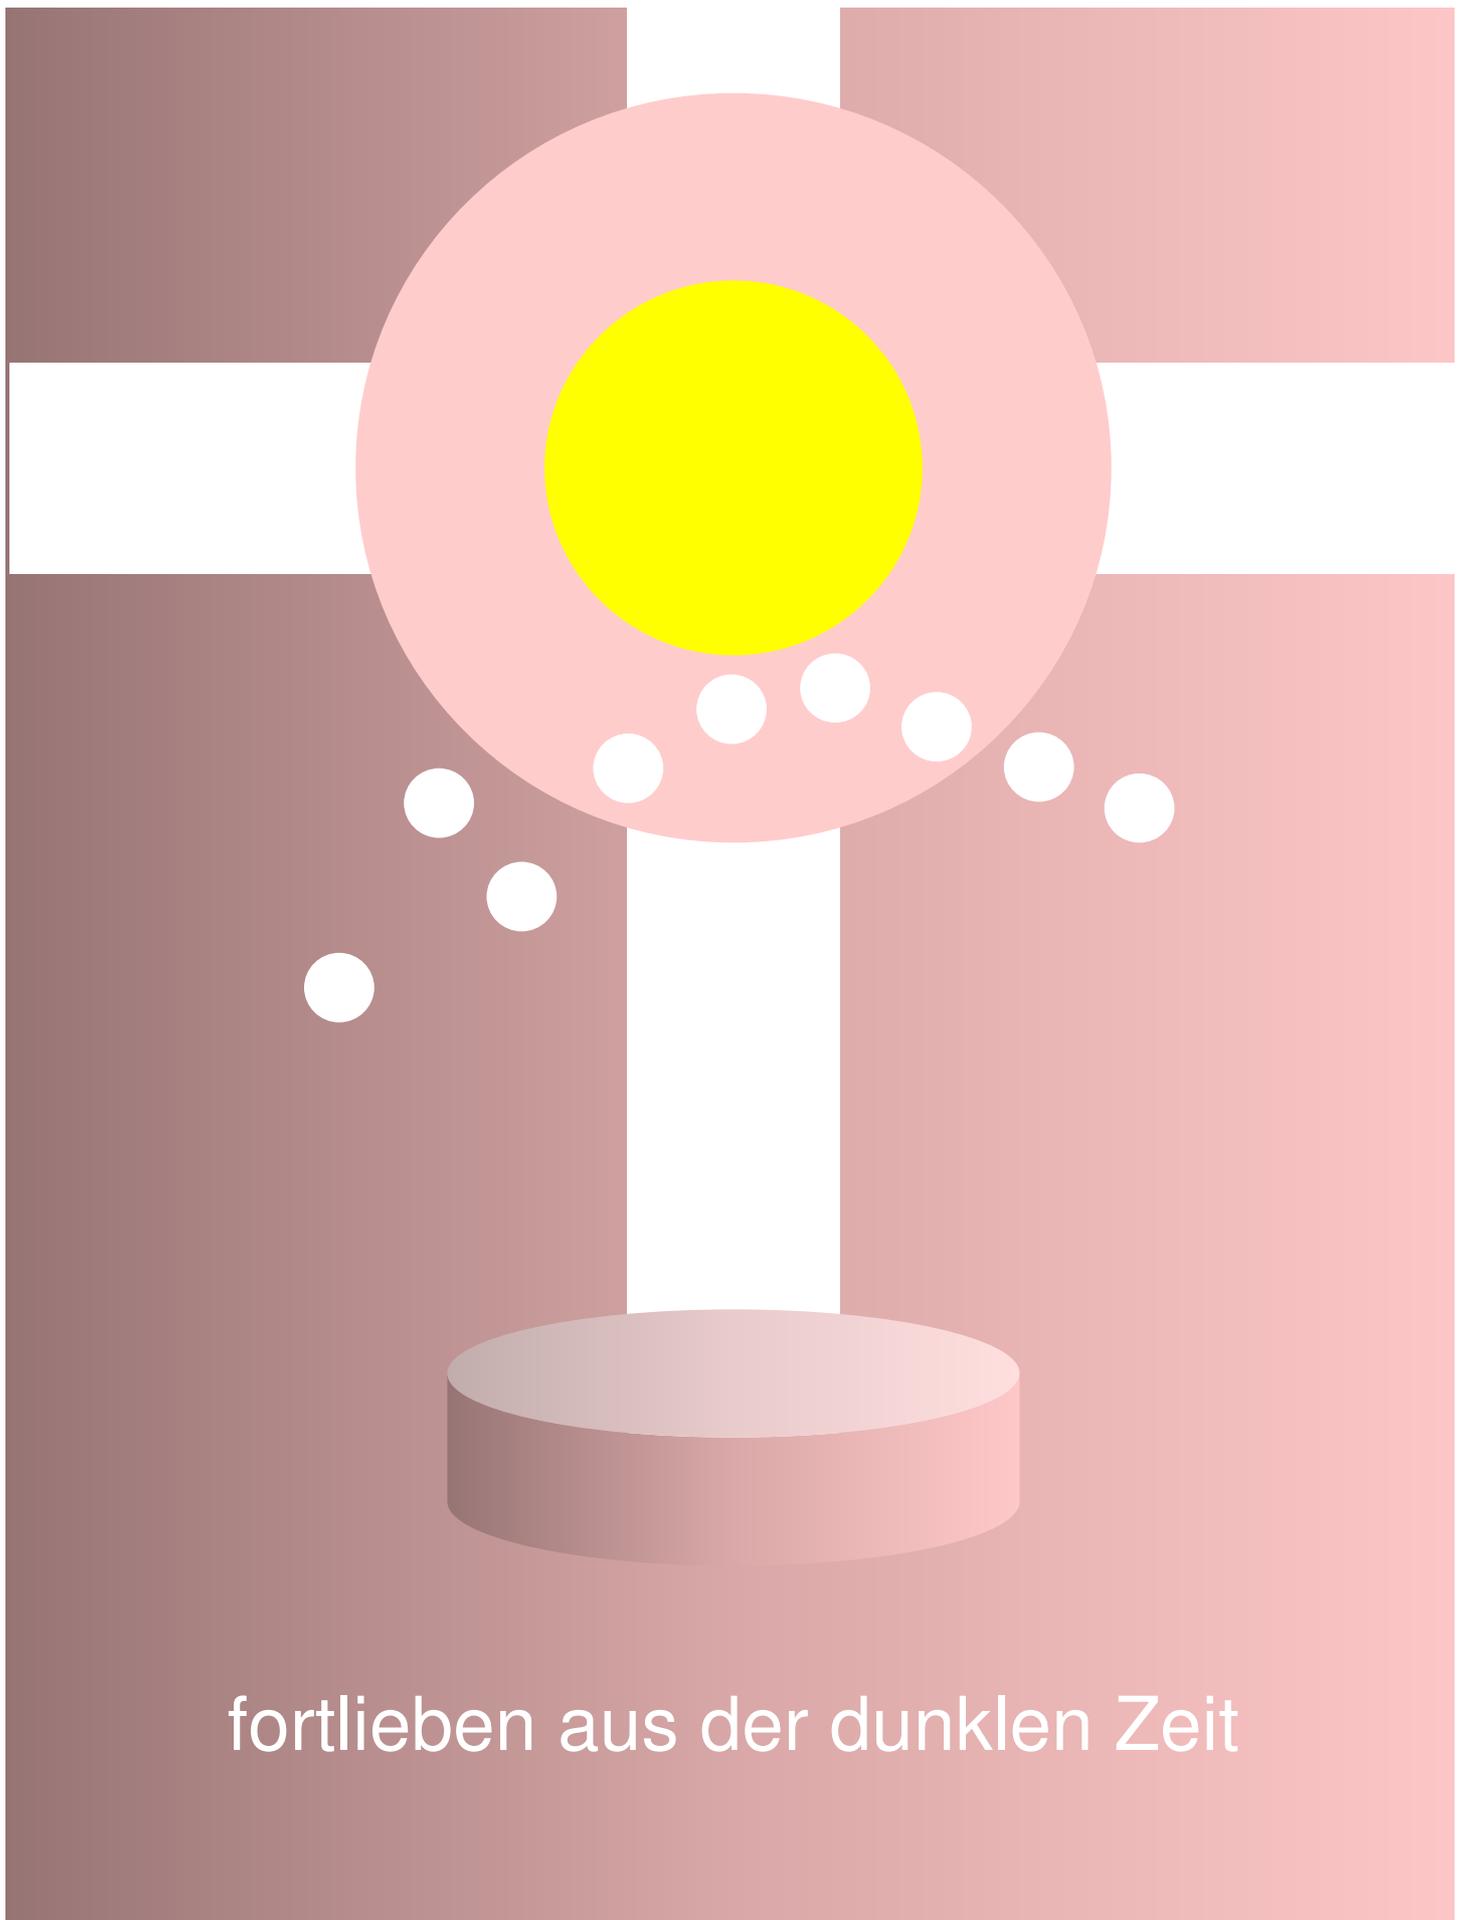

Nimm unsre Herzen ungezählt

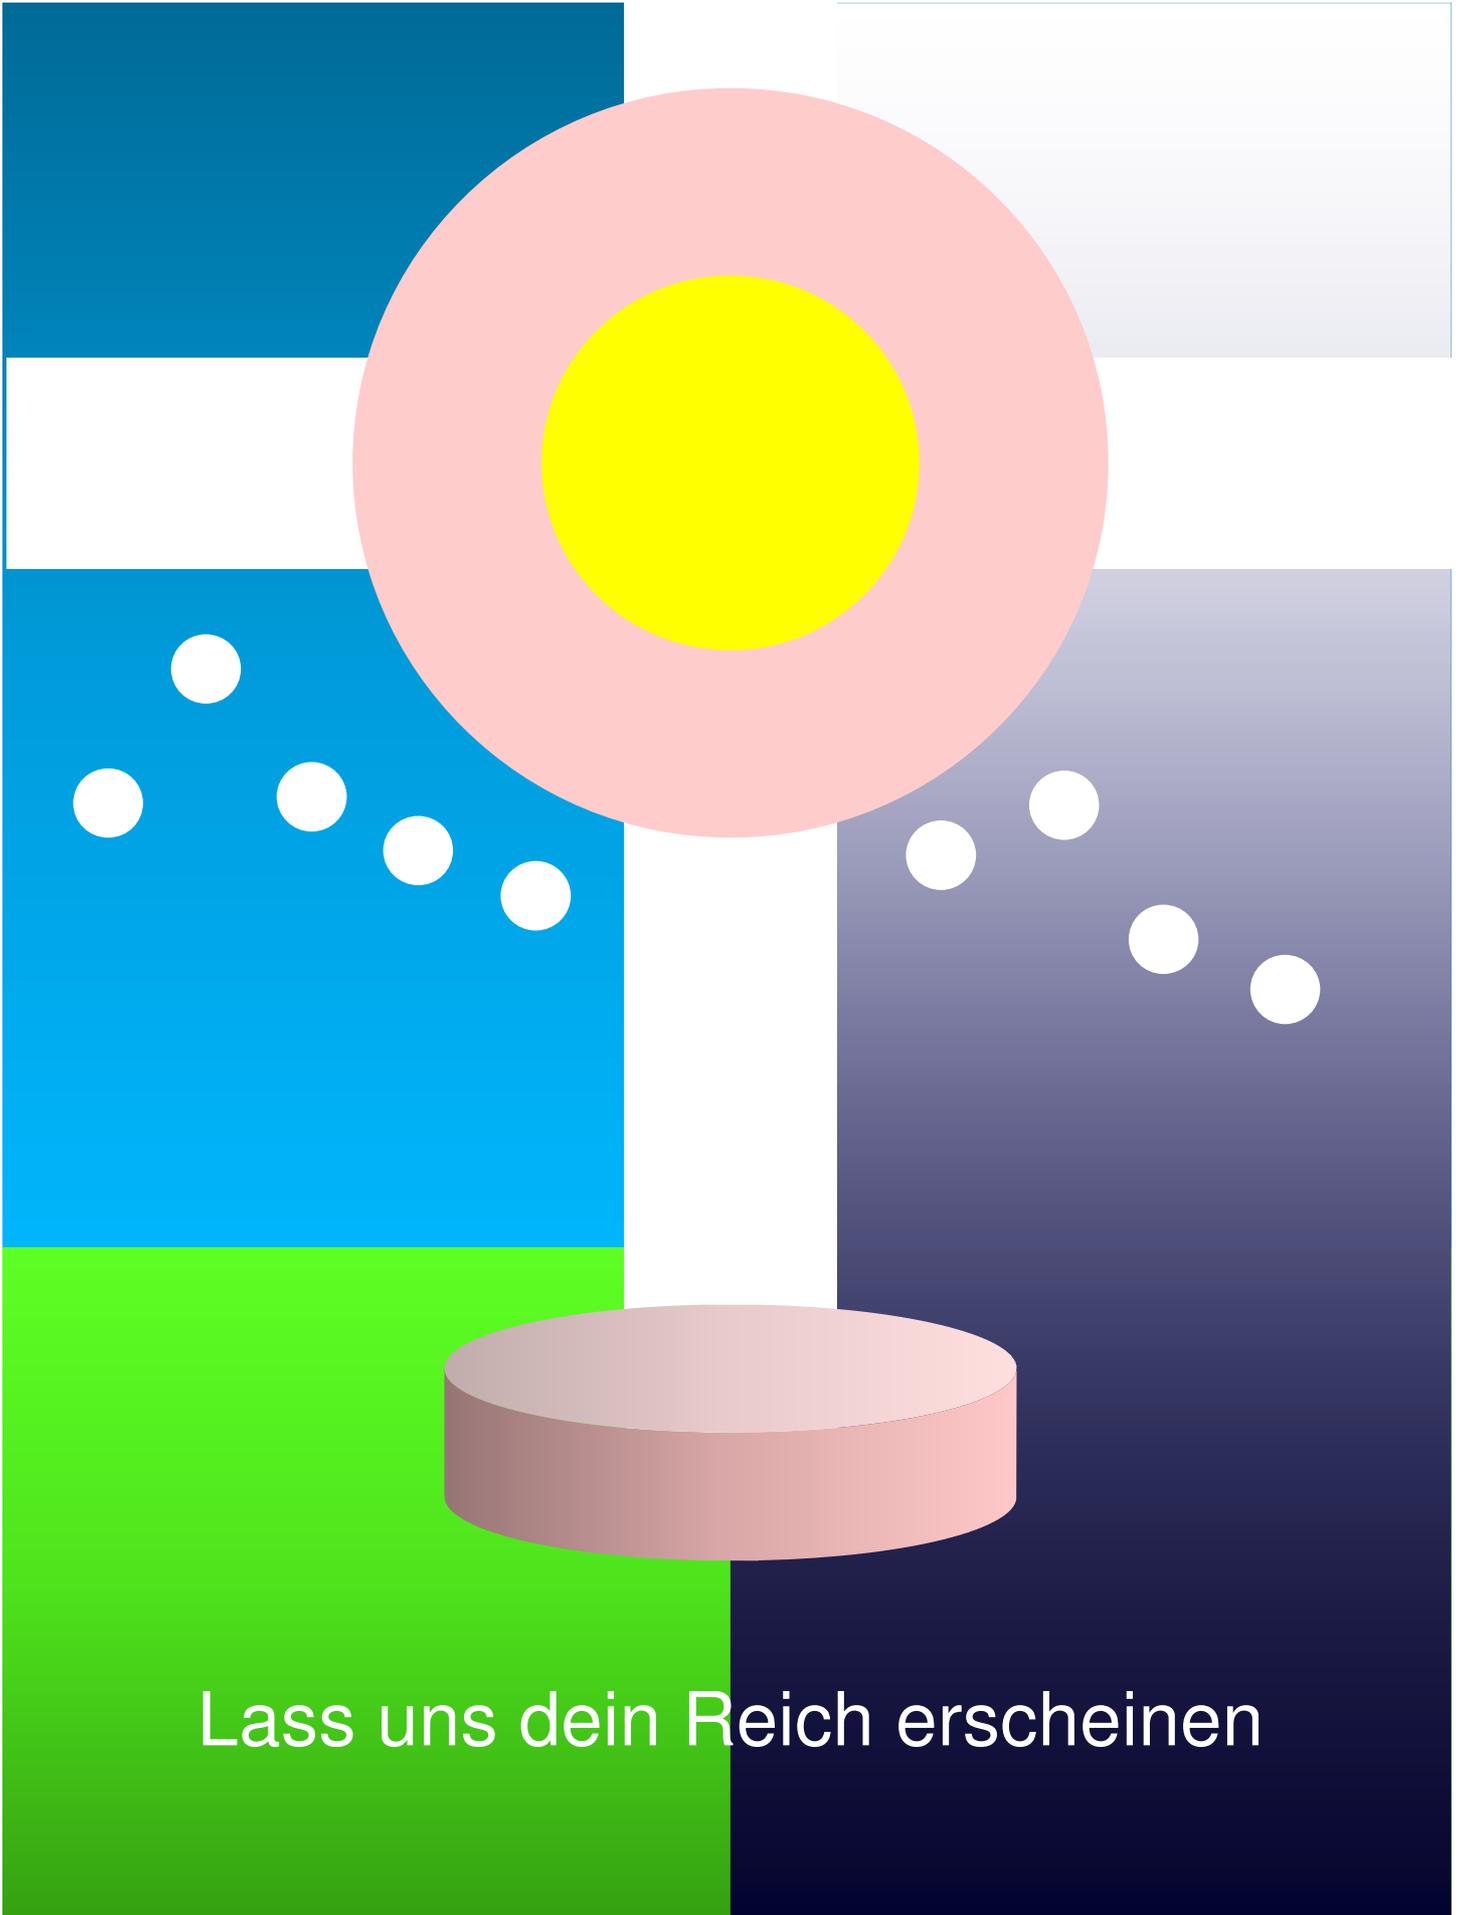

und mache sie zu einem

Lass uns den Hass, das bittere Leid

fortlieben aus der dunklen Zeit

Lass uns dein Reich erscheinen
