O selger Urgrund allen Seins

Heiland der Welt, Herr Jesus Christ

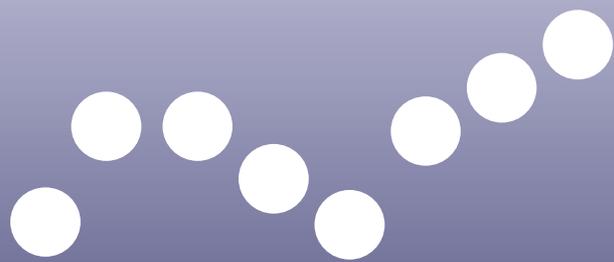

du Licht von deines Vaters Licht

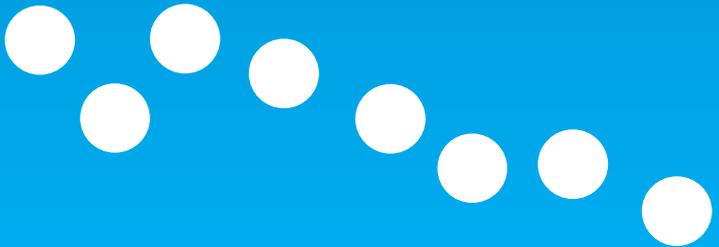

und wahrer Gott vom wahren Gott

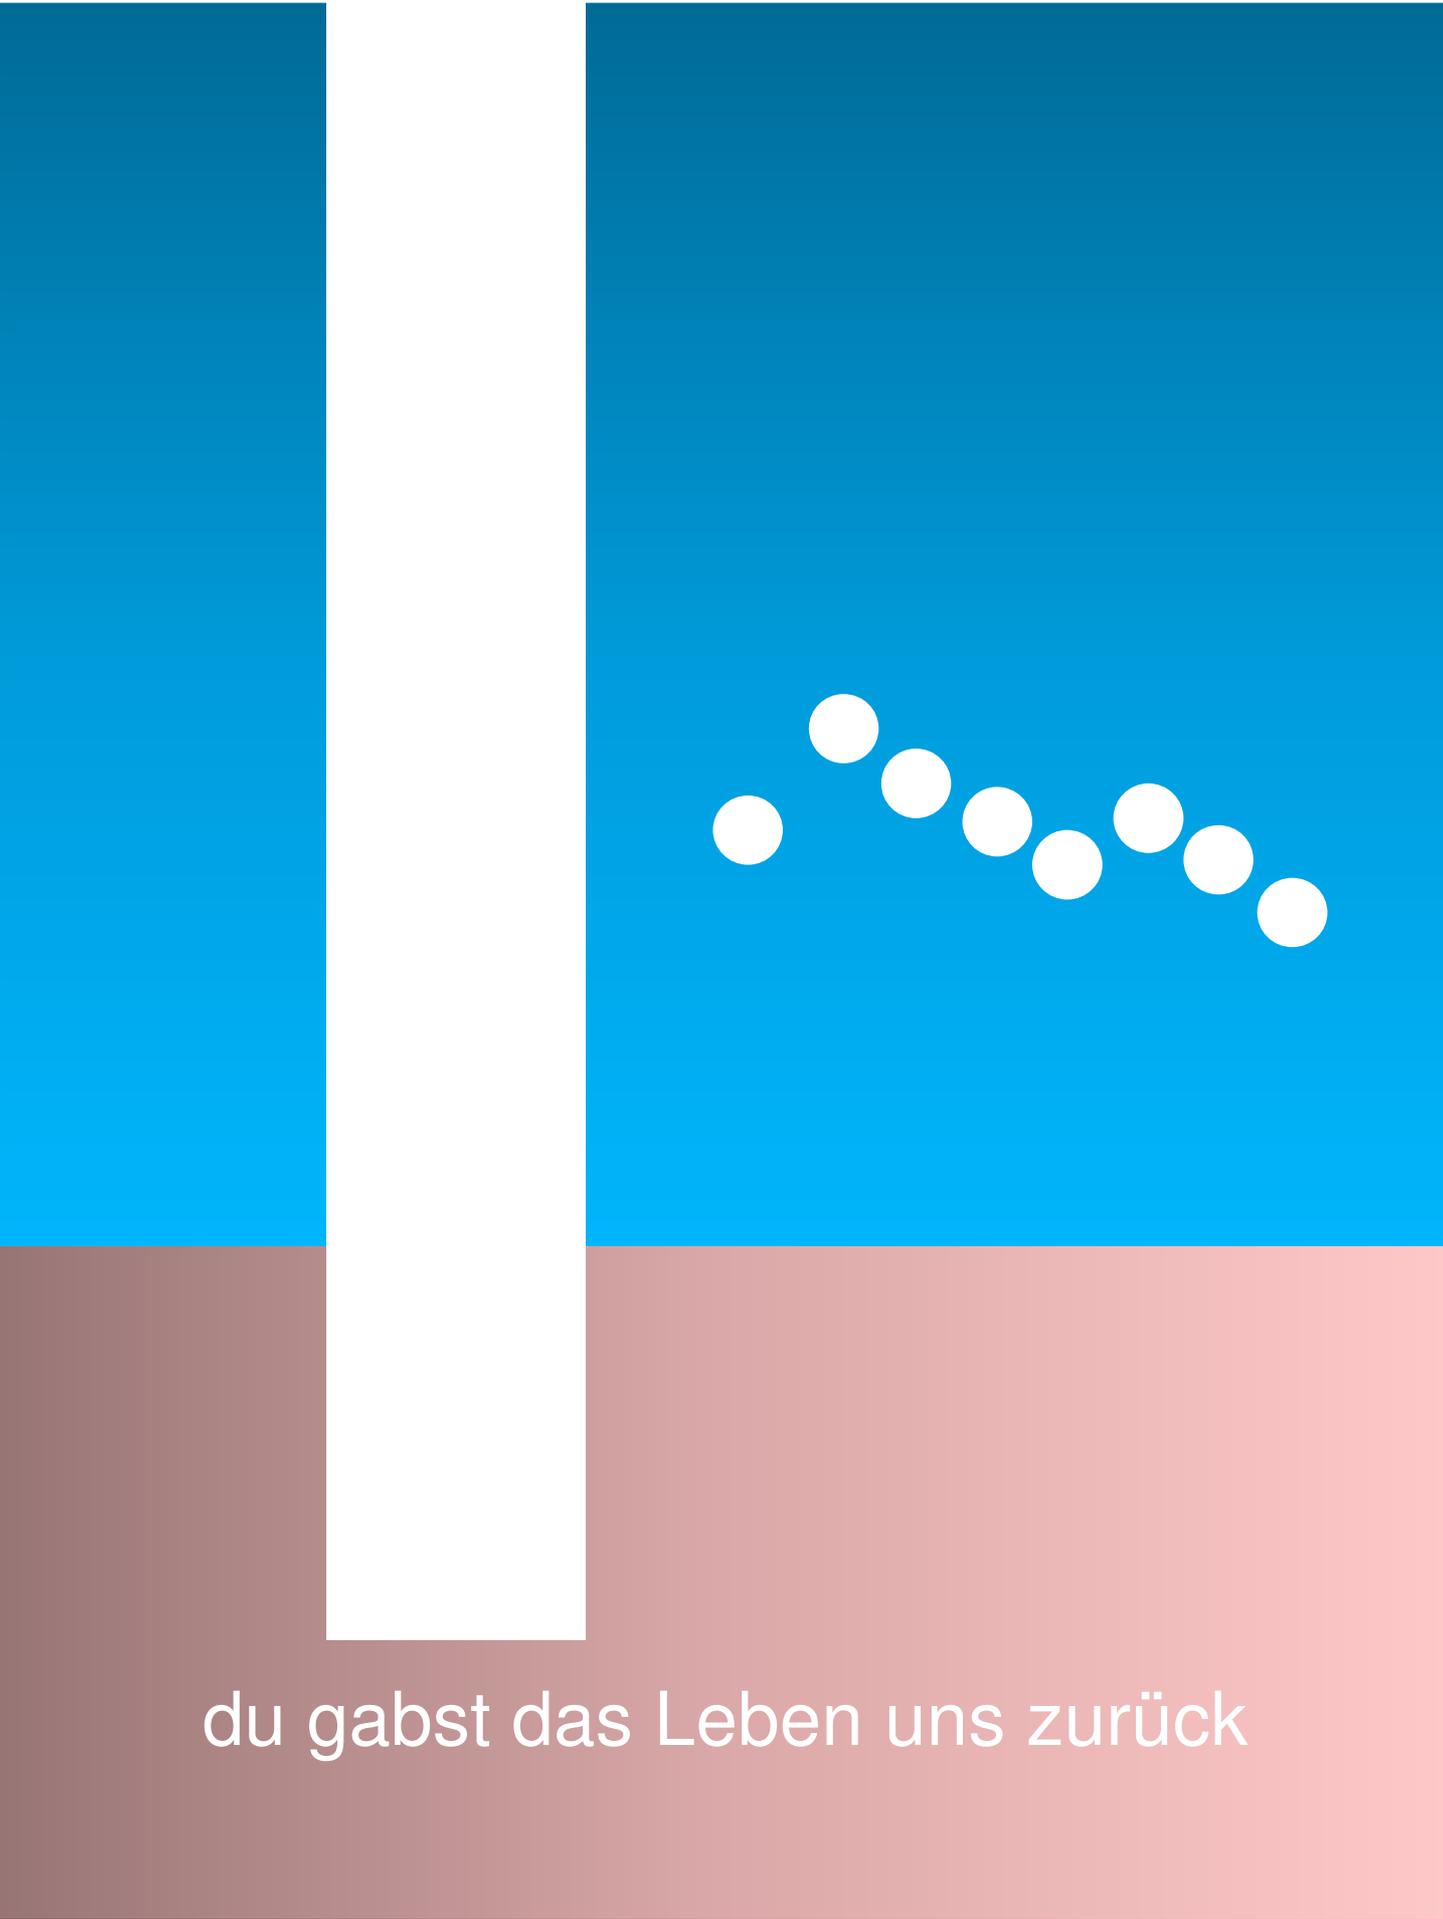

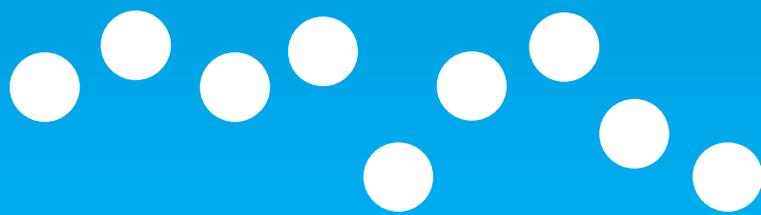

Wie hat die Liebe dich gedrängt

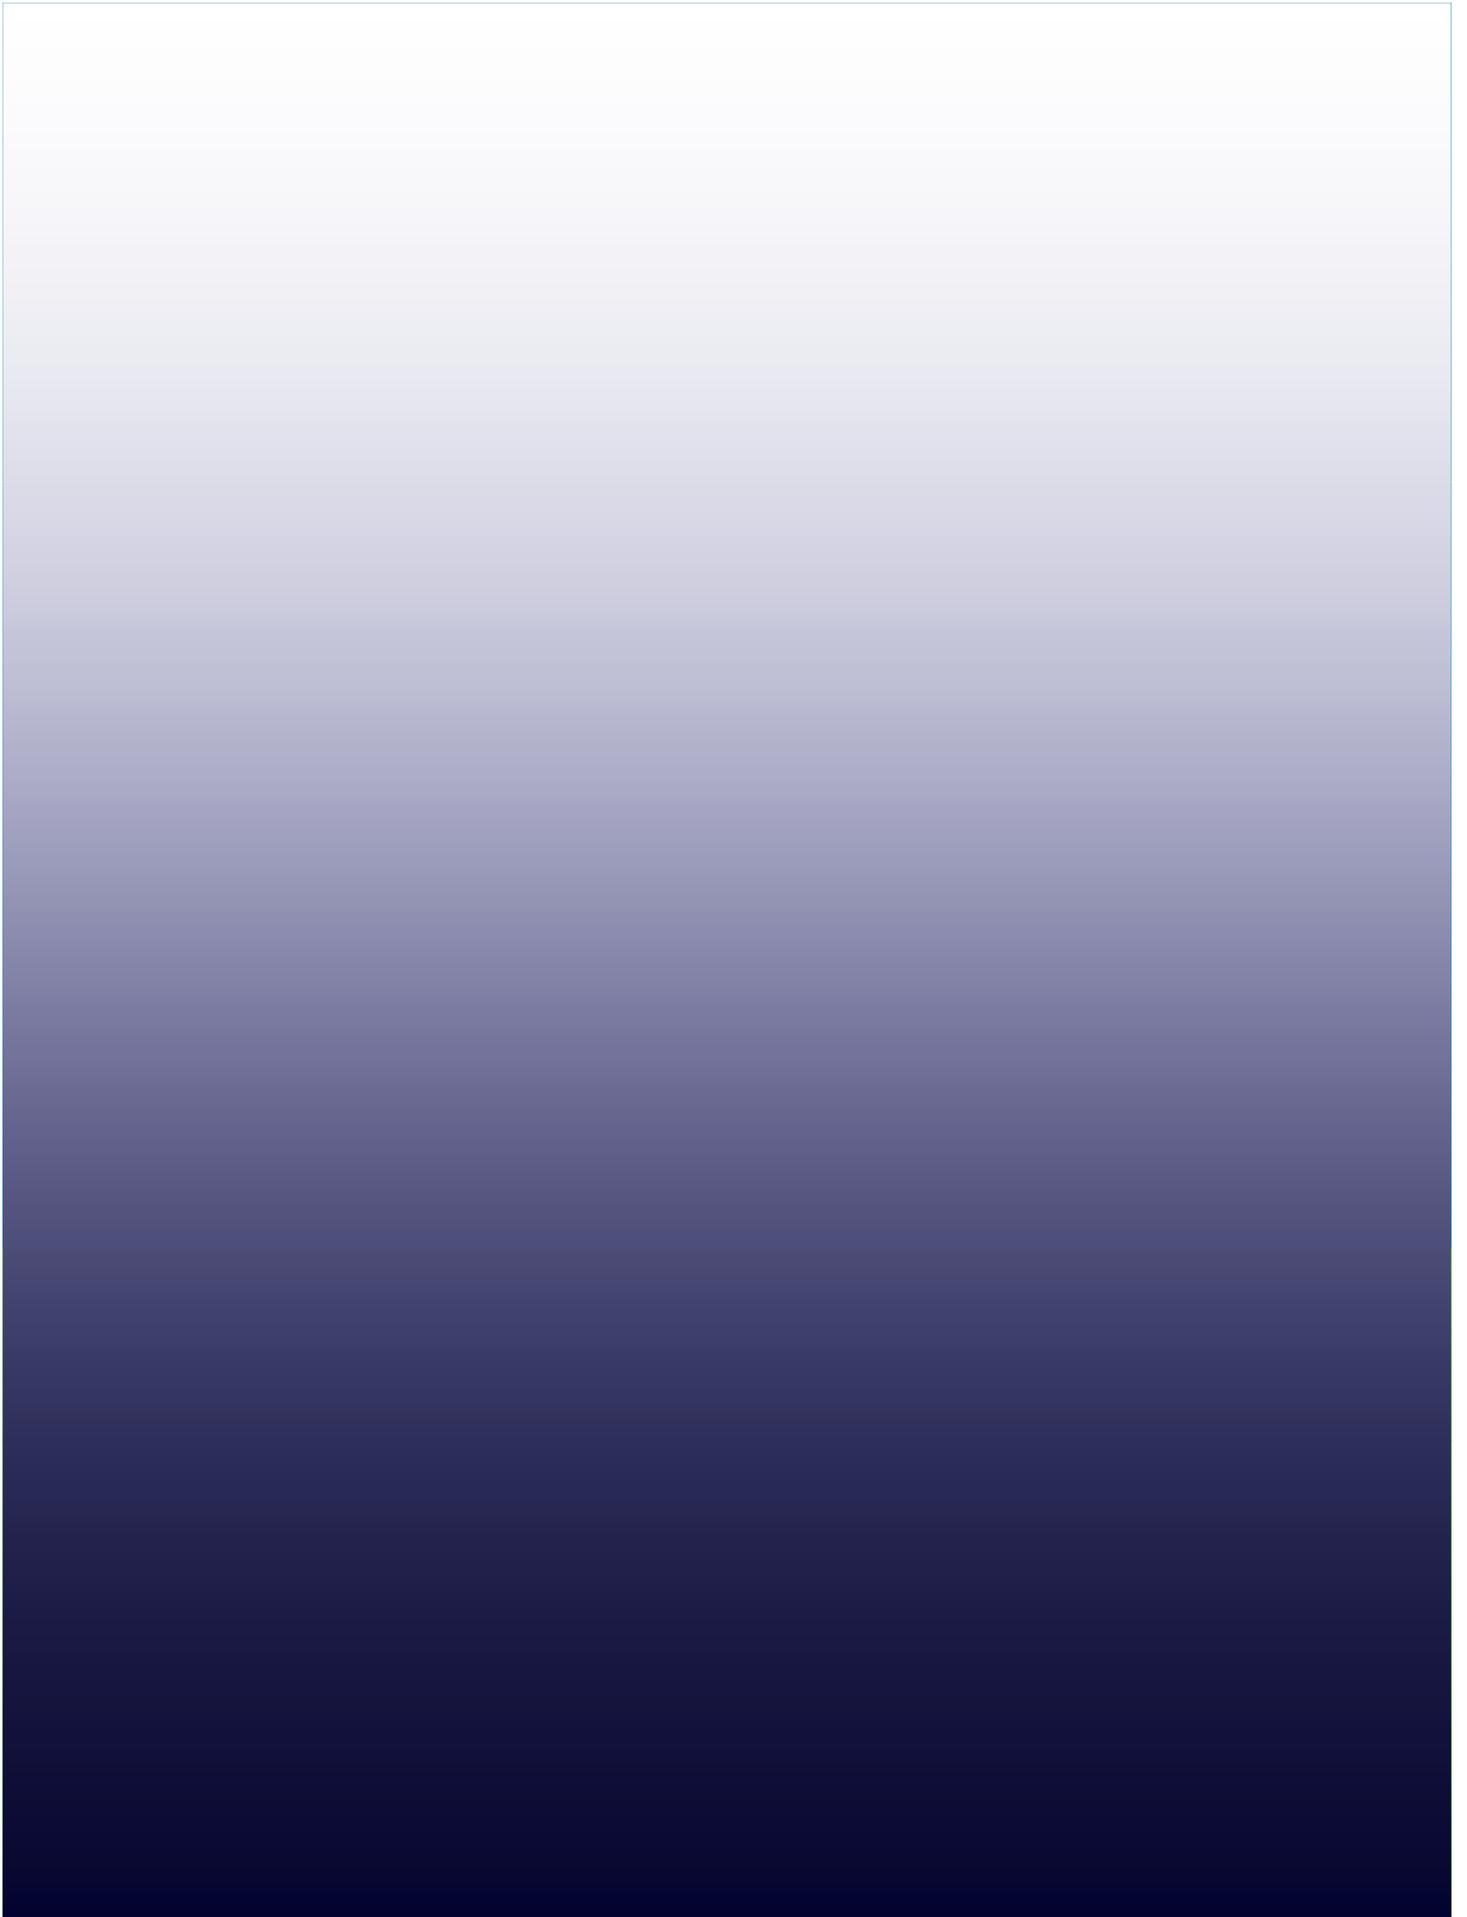

dass du für uns den Tod erwählt

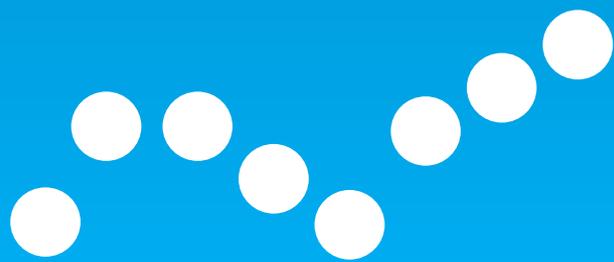

du gabst das Leben uns zurück

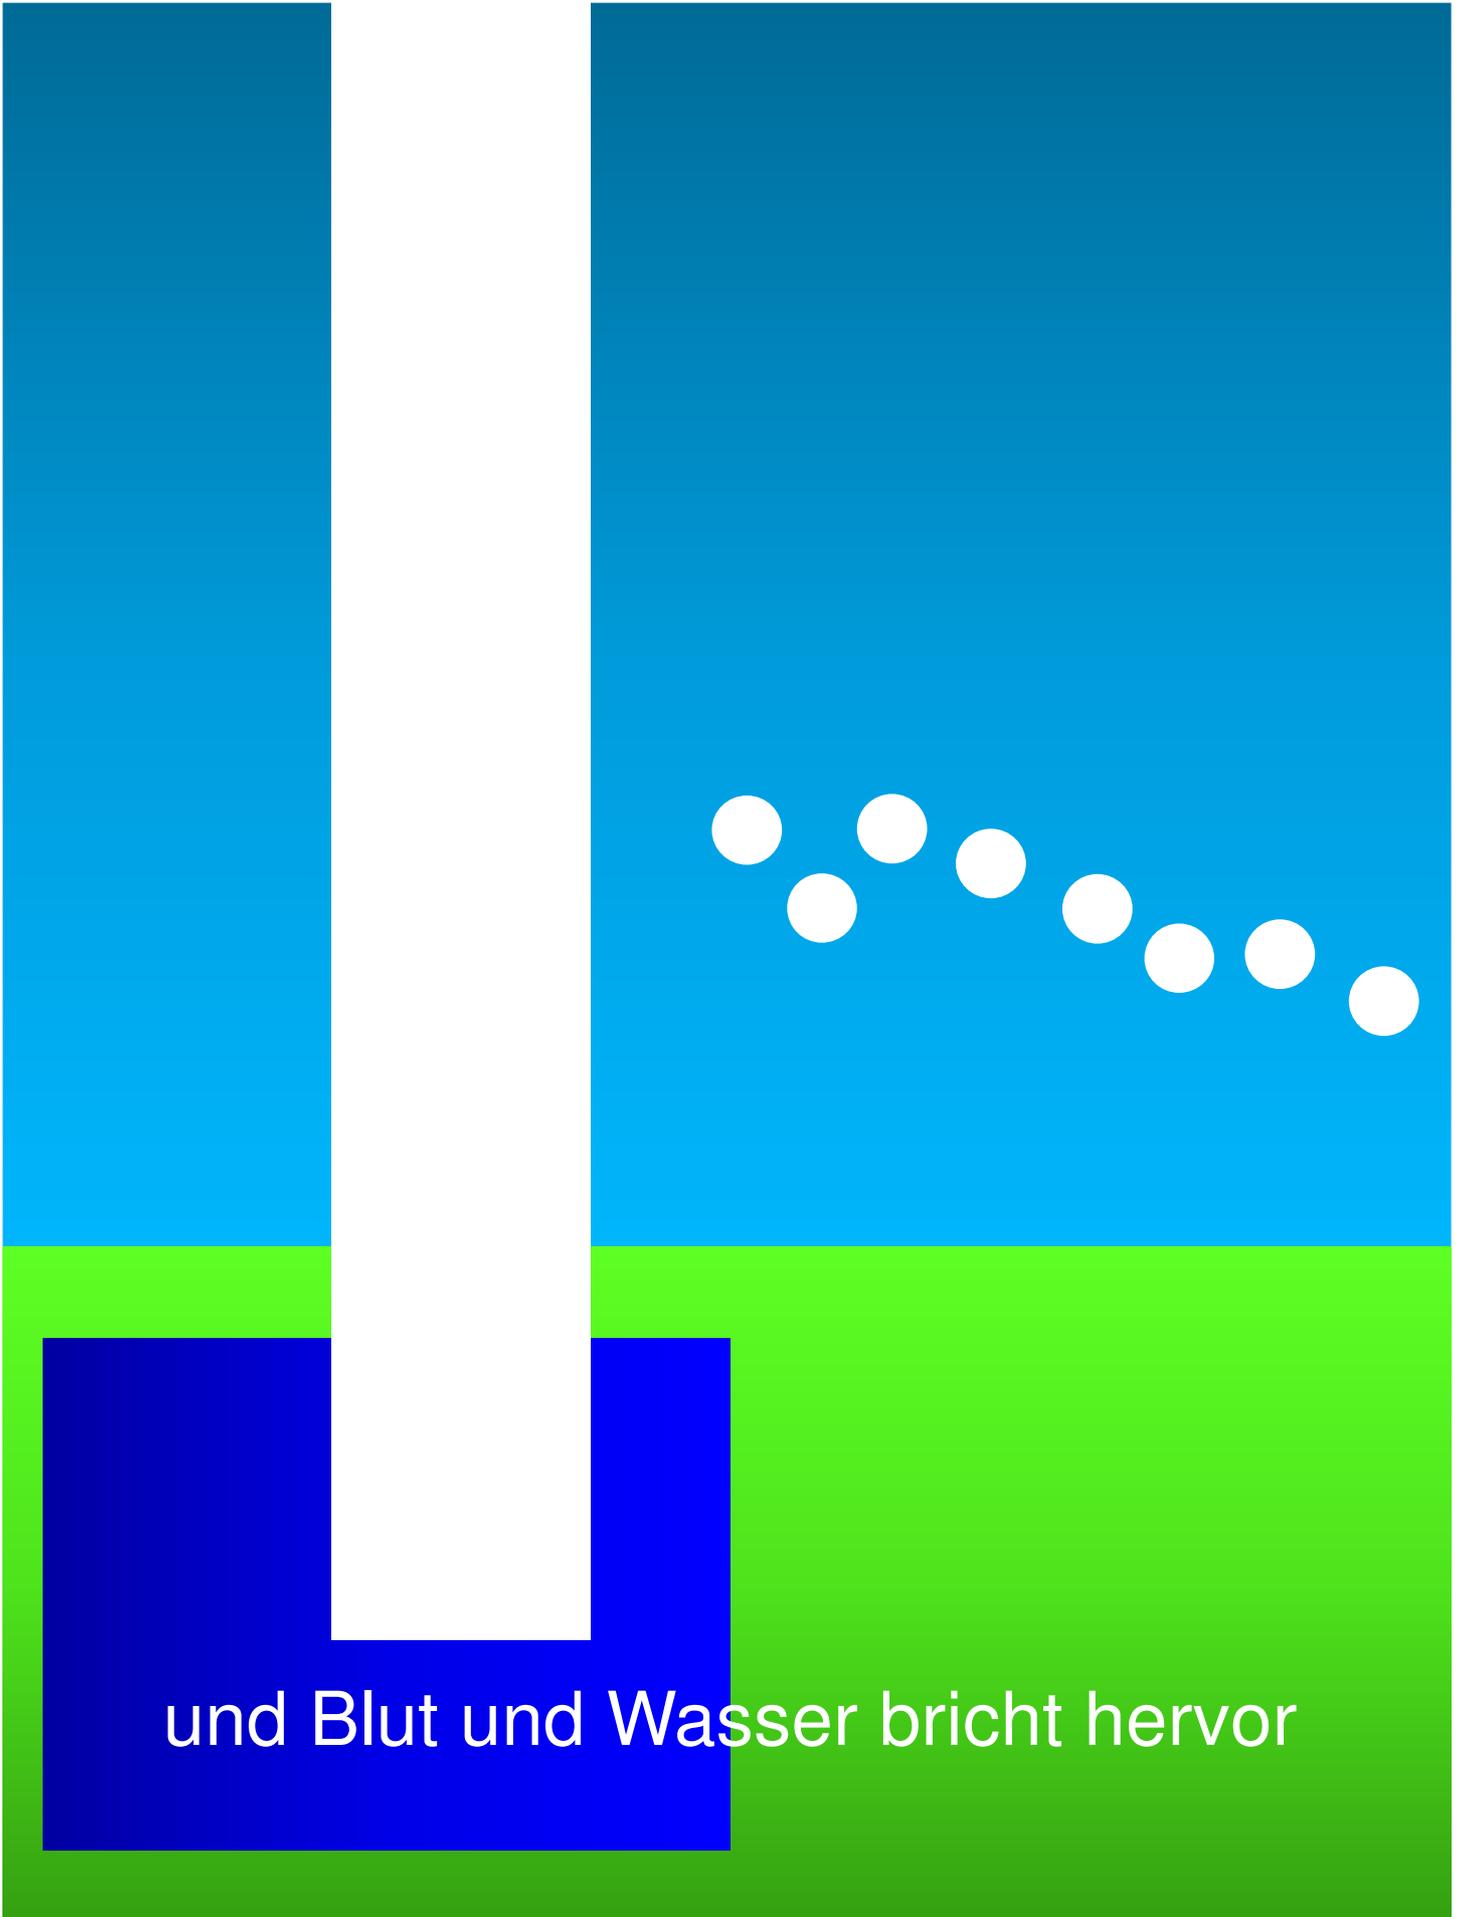

das Adams Sünde uns geraubt

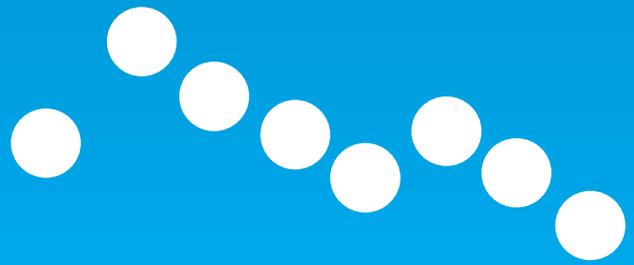

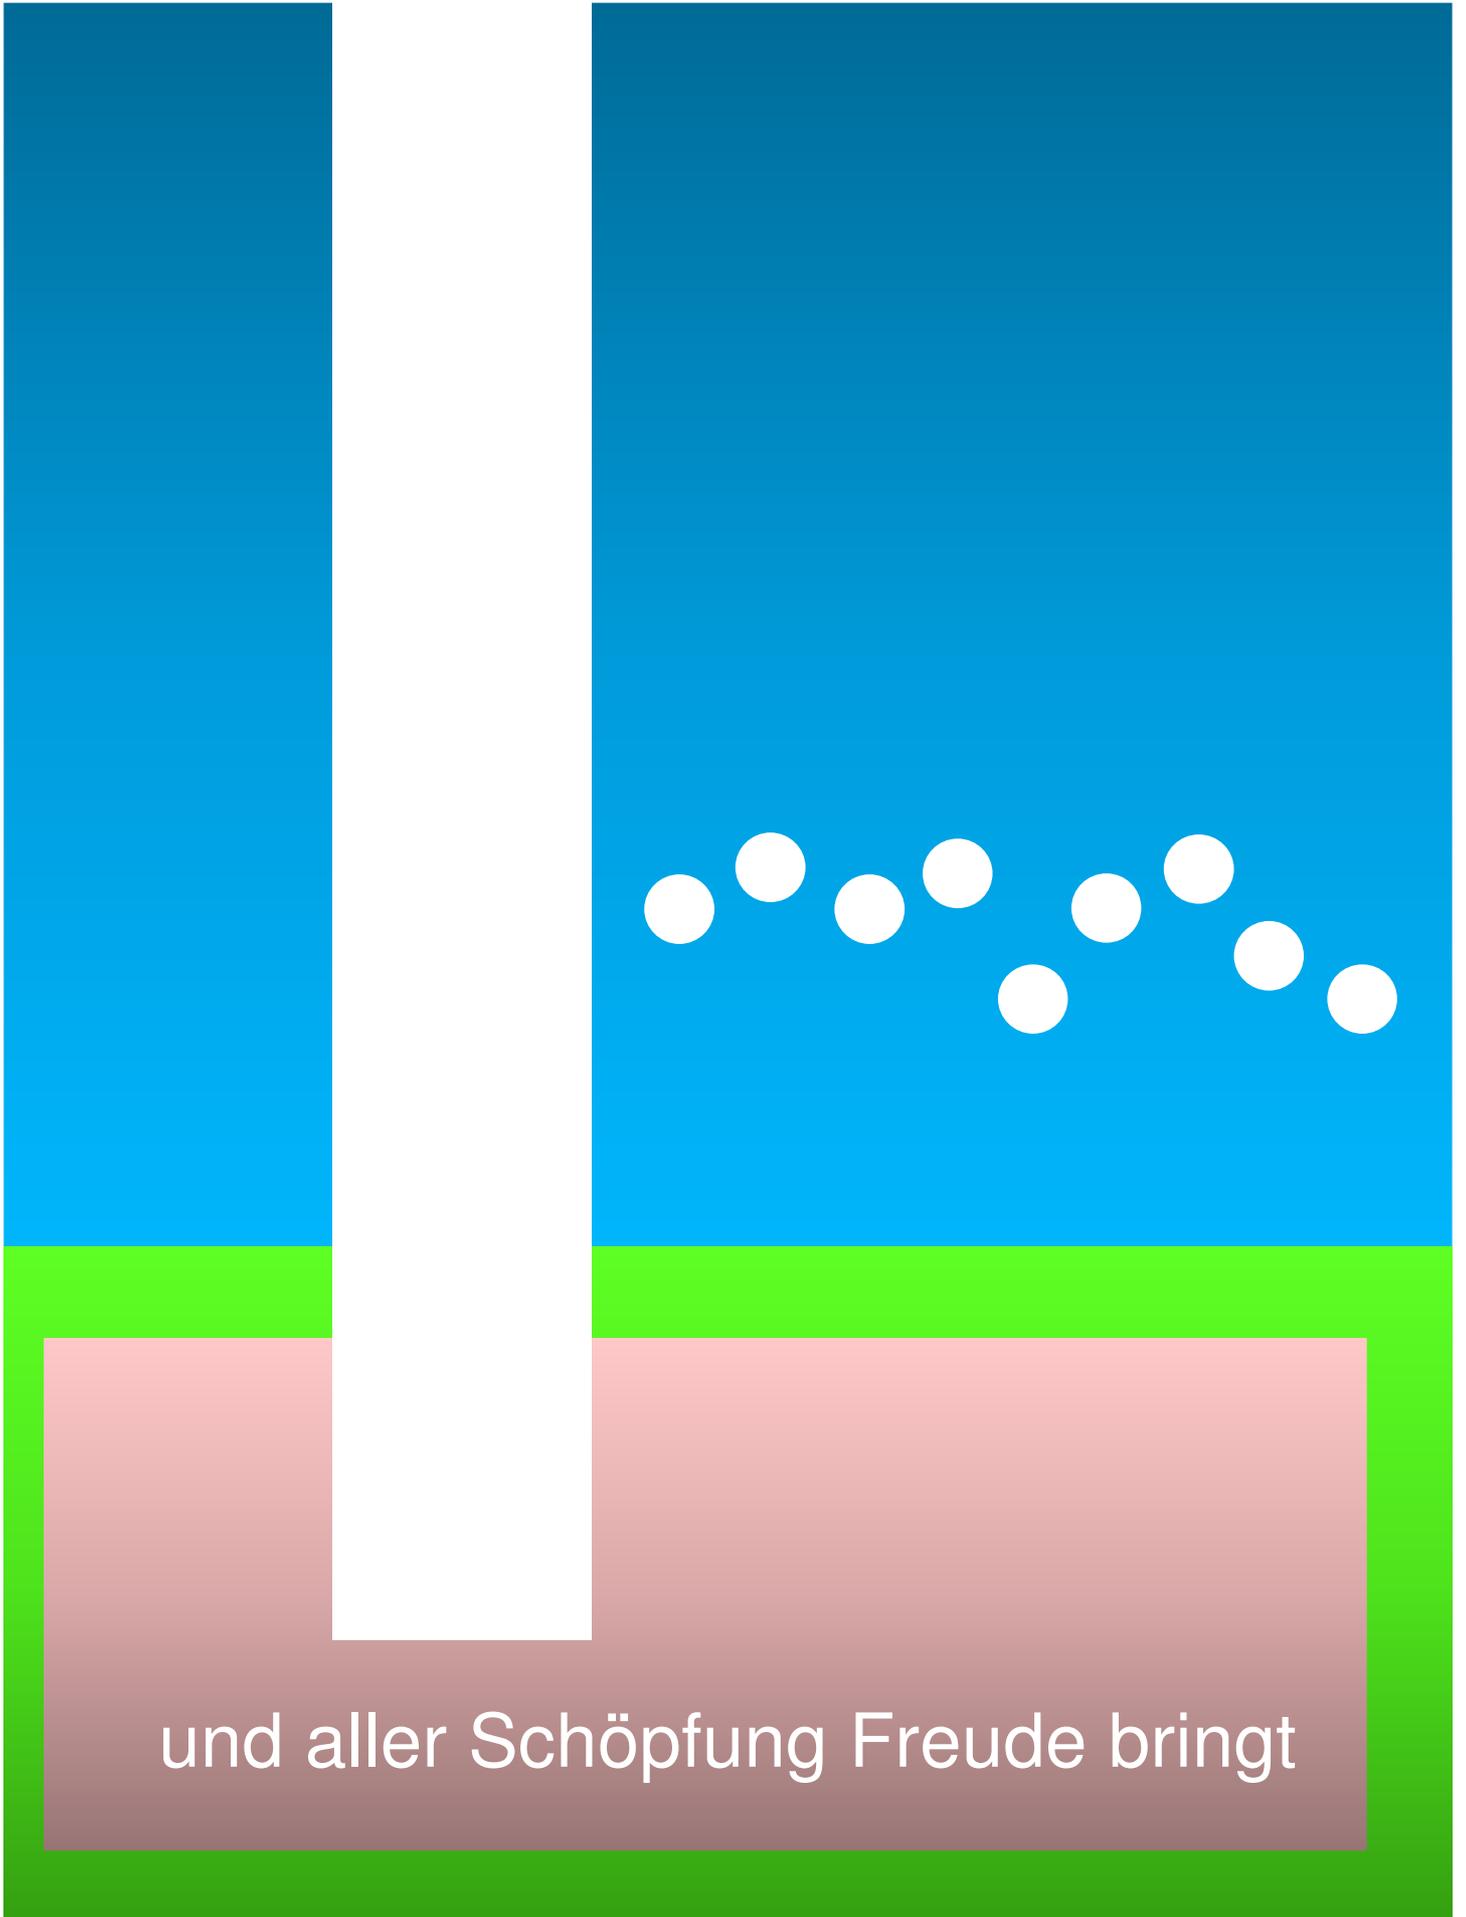

Der Stoß der Lanze trifft dein Herz

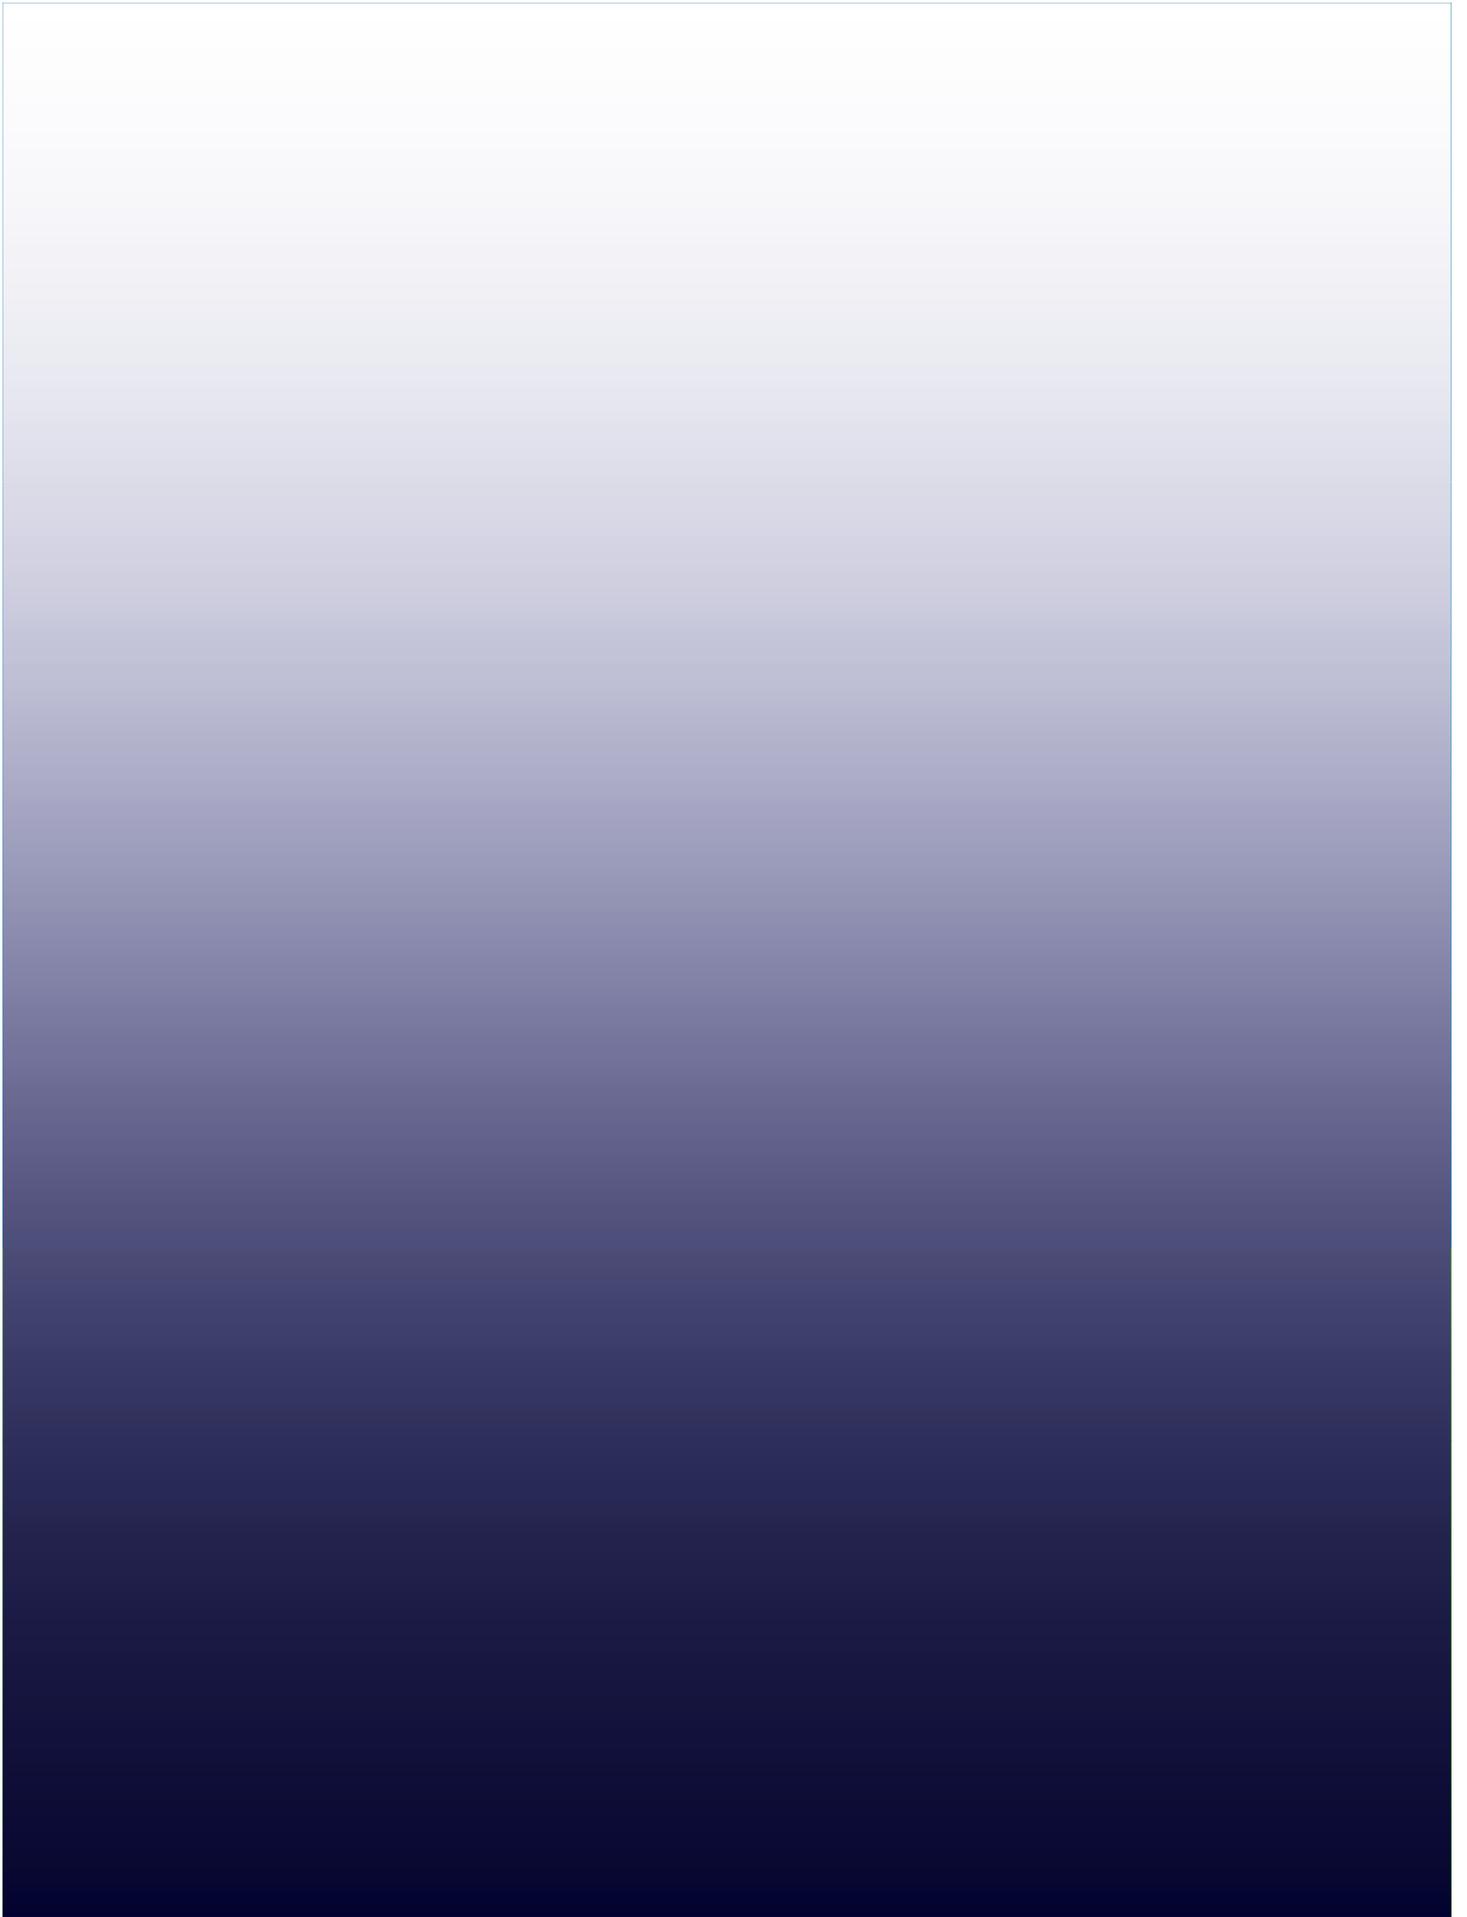

und Blut und Wasser bricht hervor

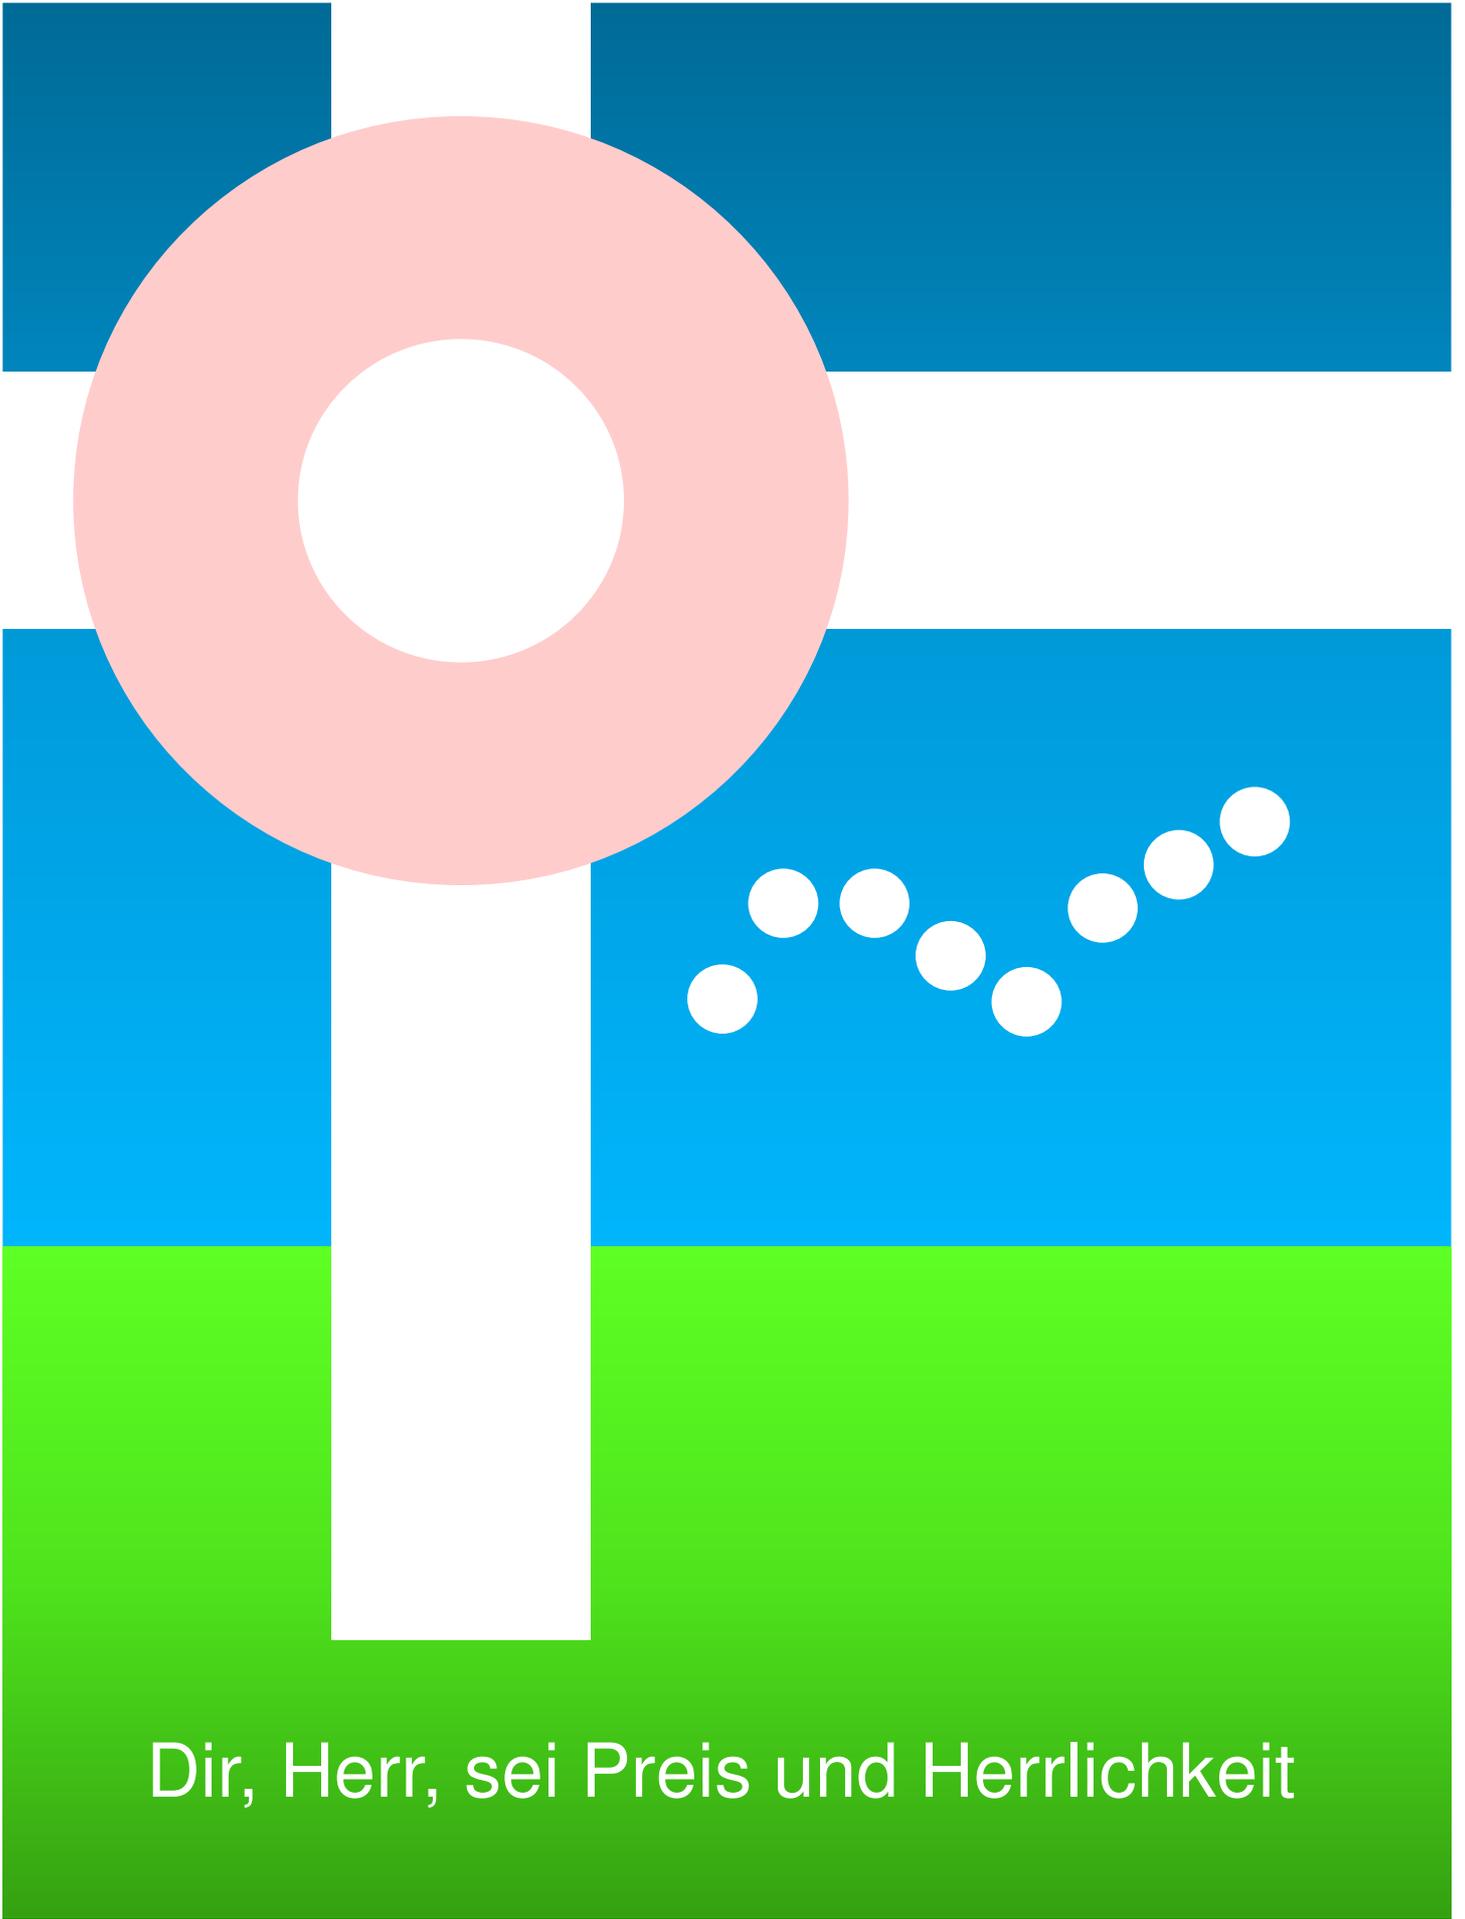

ein Quell des Heils, der nie versiegt

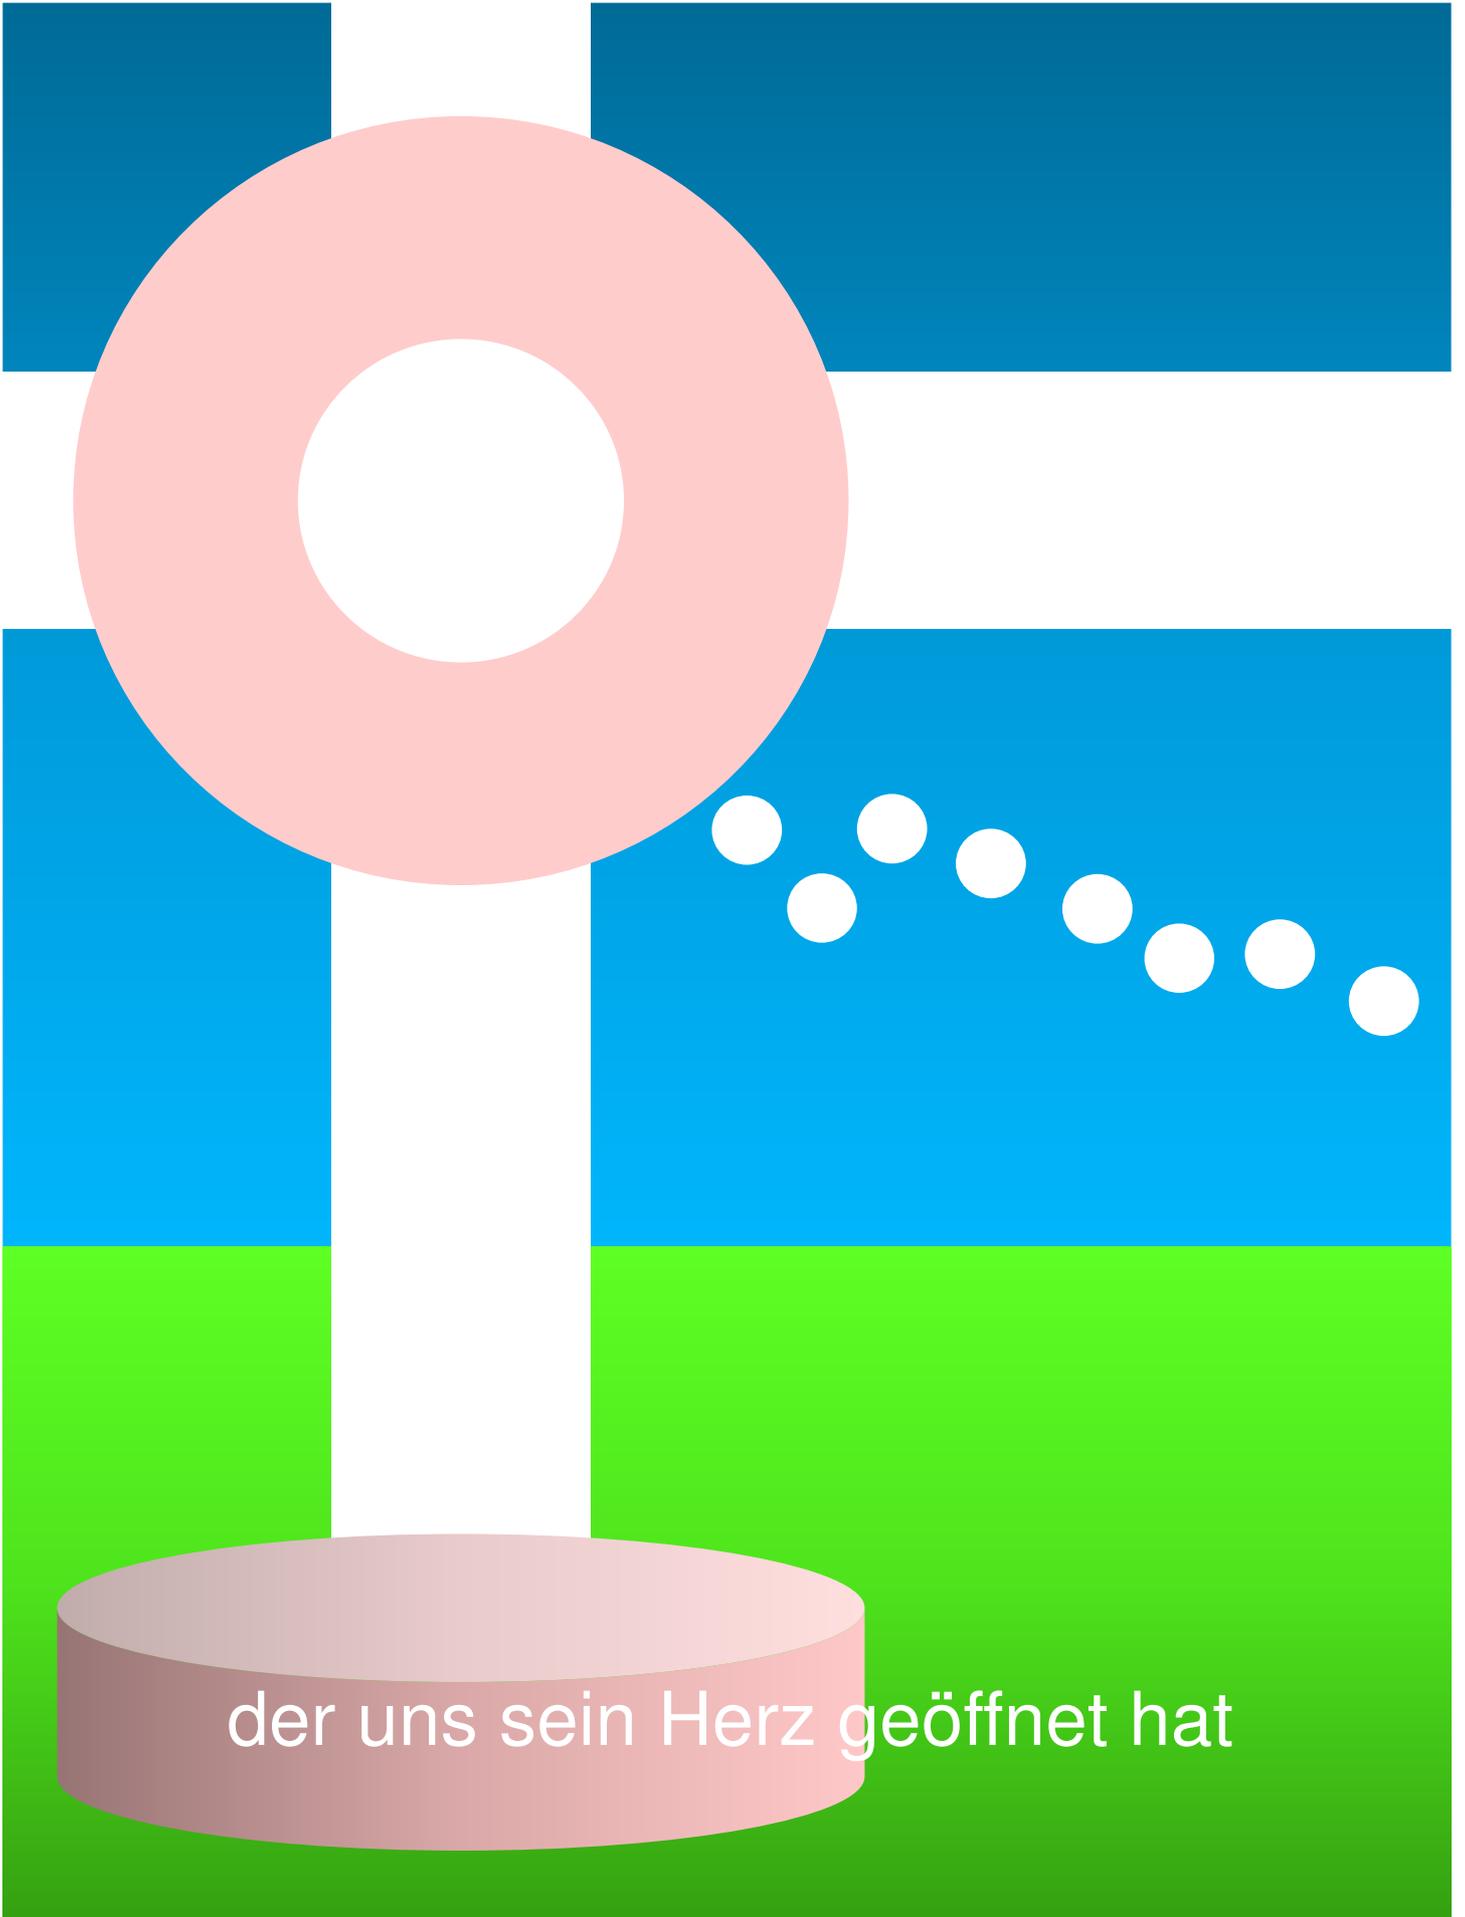

und aller Schöpfung Freude bringt

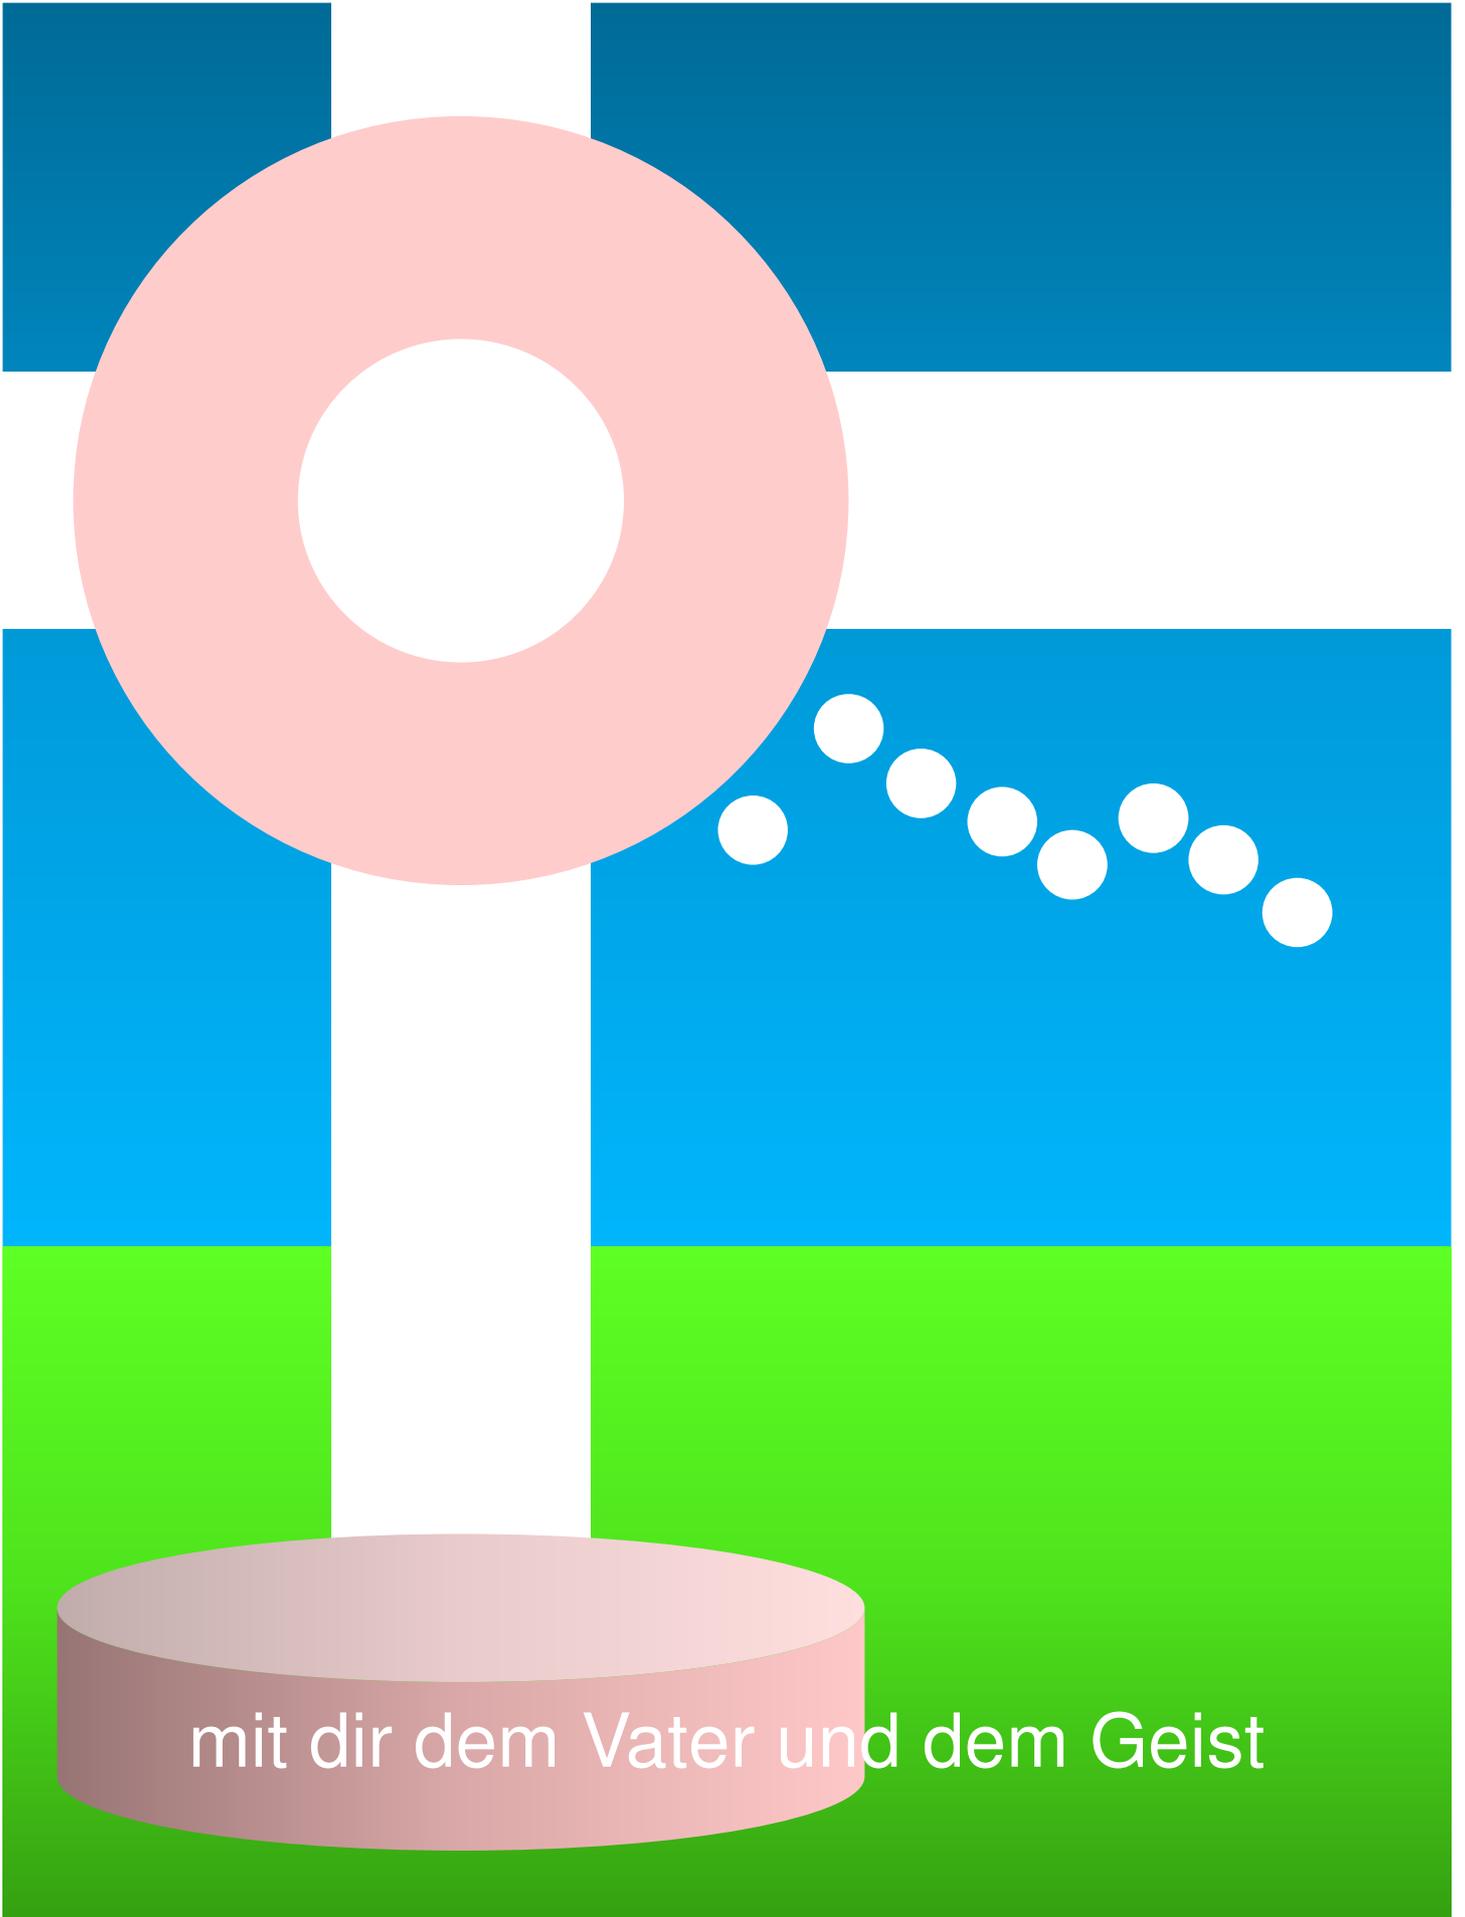

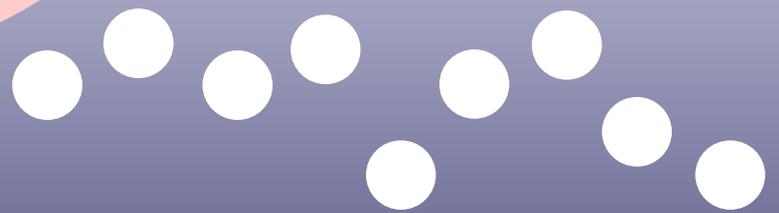

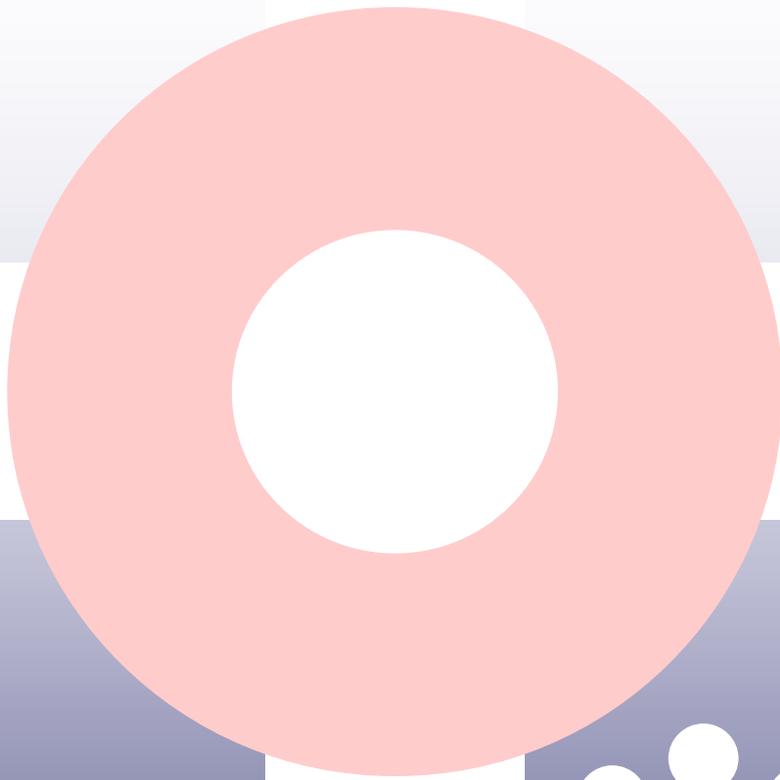

Dir, Herr, sei Preis und Herrlichkeit

der uns sein Herz geöffnet hat

mit dir dem Vater und dem Geist

durch alle Zeit und Ewigkeit
