Holz auf Jesu Schultern

von der Welt verflucht

ward zum Baum des Lebens

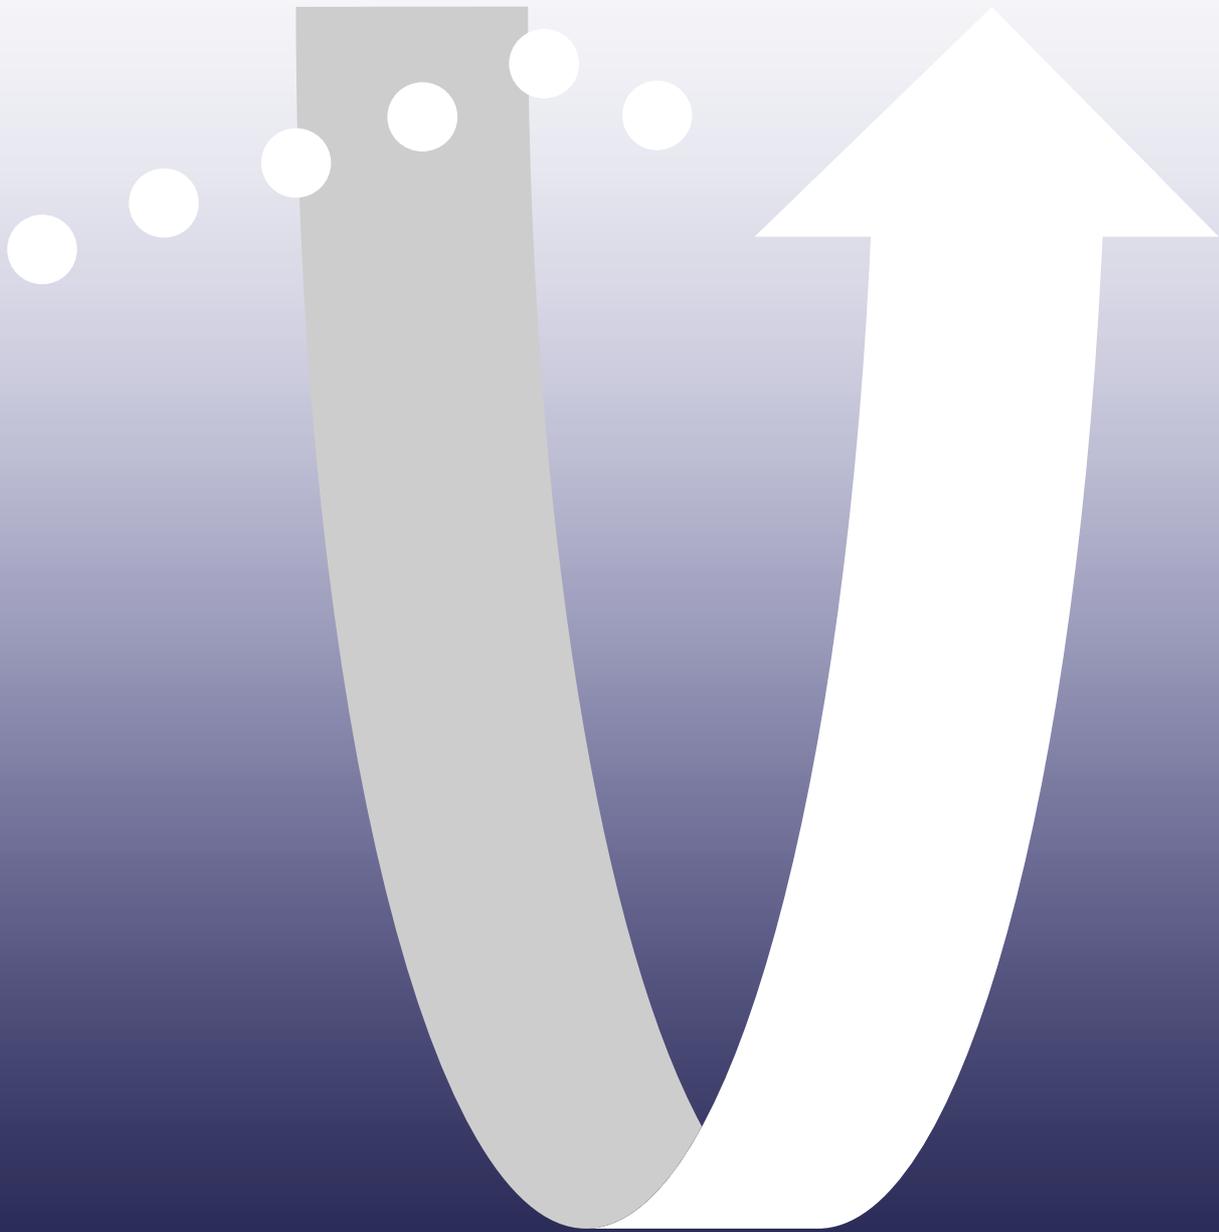

und bringt gute Frucht

Kyrie eleison

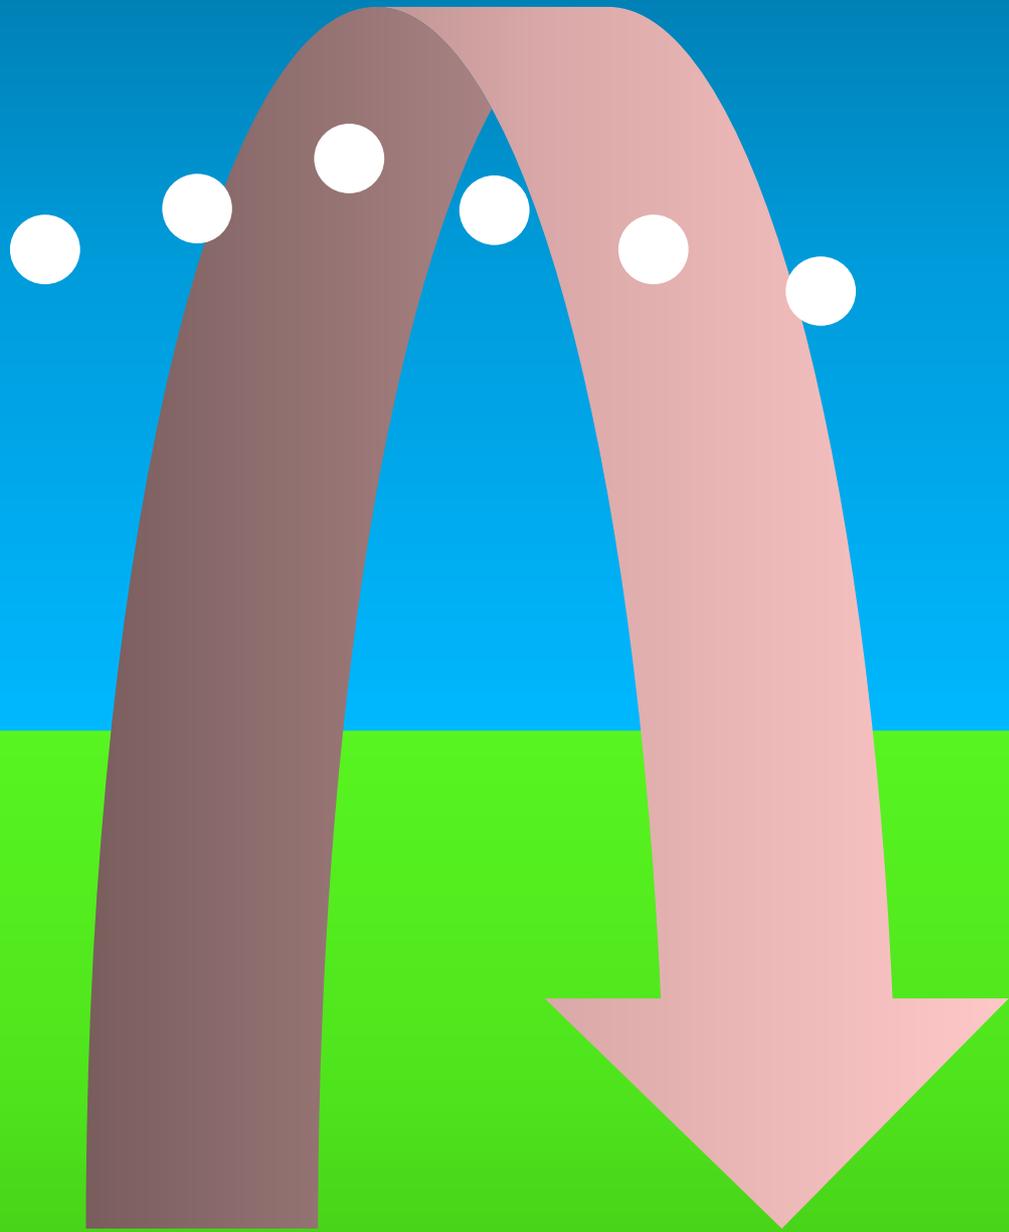

Sieh, wohin wir gehn

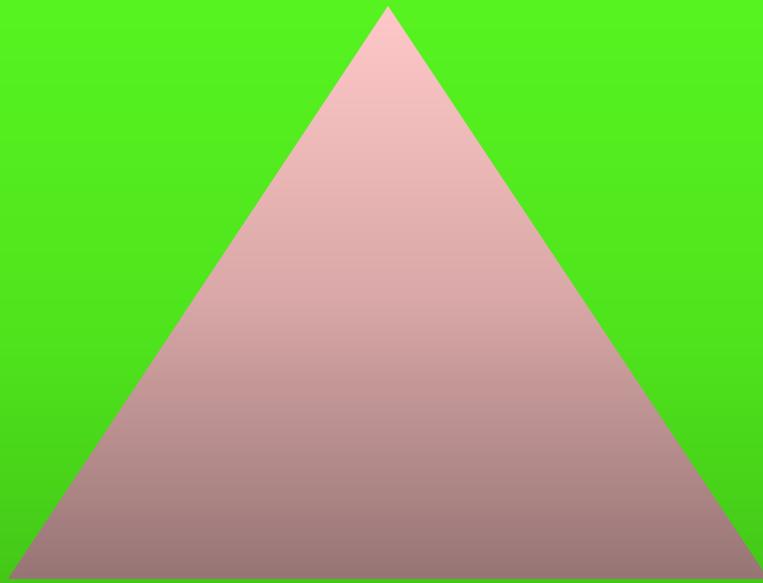

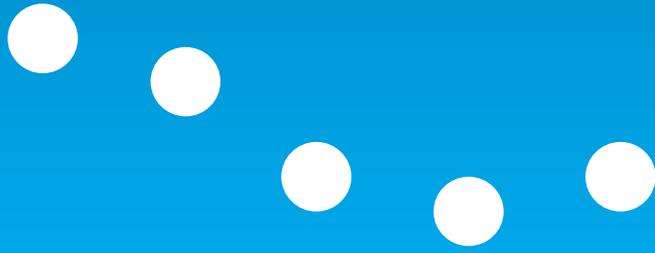

Ruf uns aus den Toten

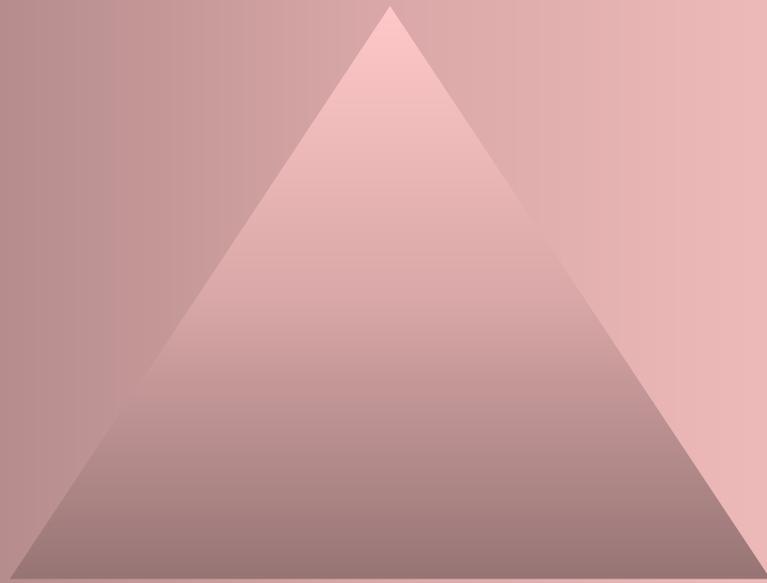

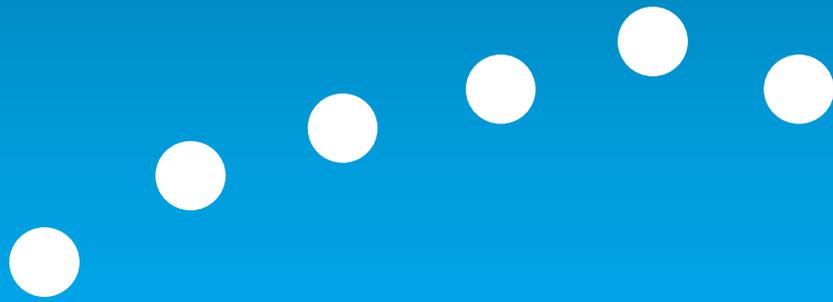

lass uns auferstehn

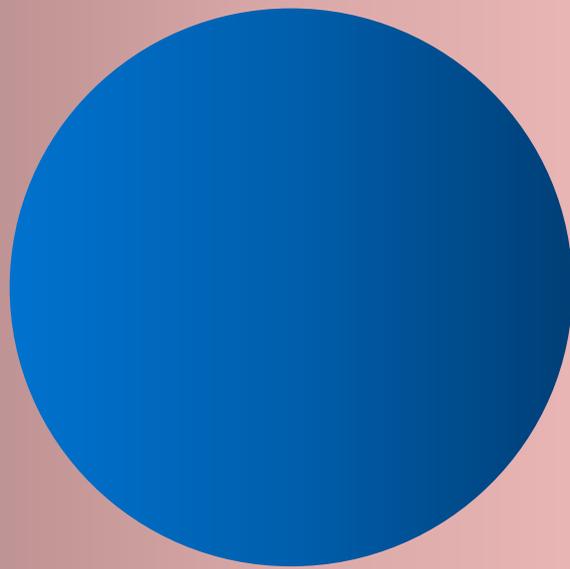

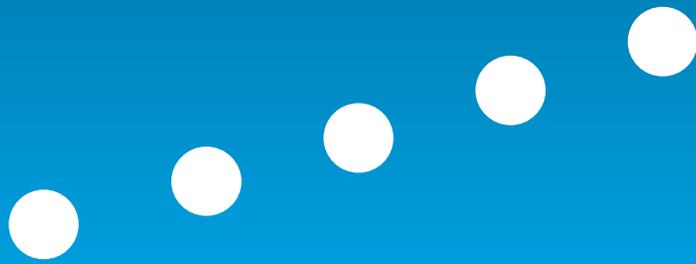

Wollen wir Gott bitten

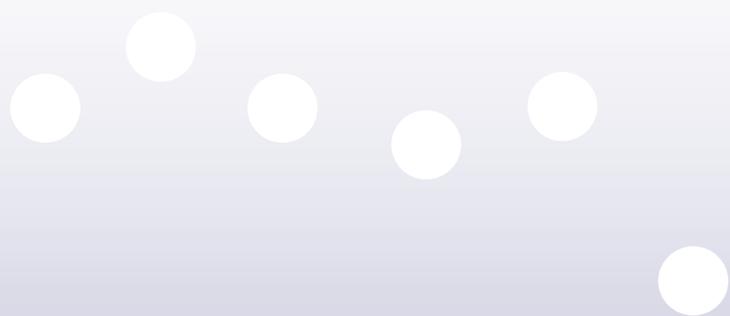

dass auf unsrer Fahrt

Friede unsre Herzen

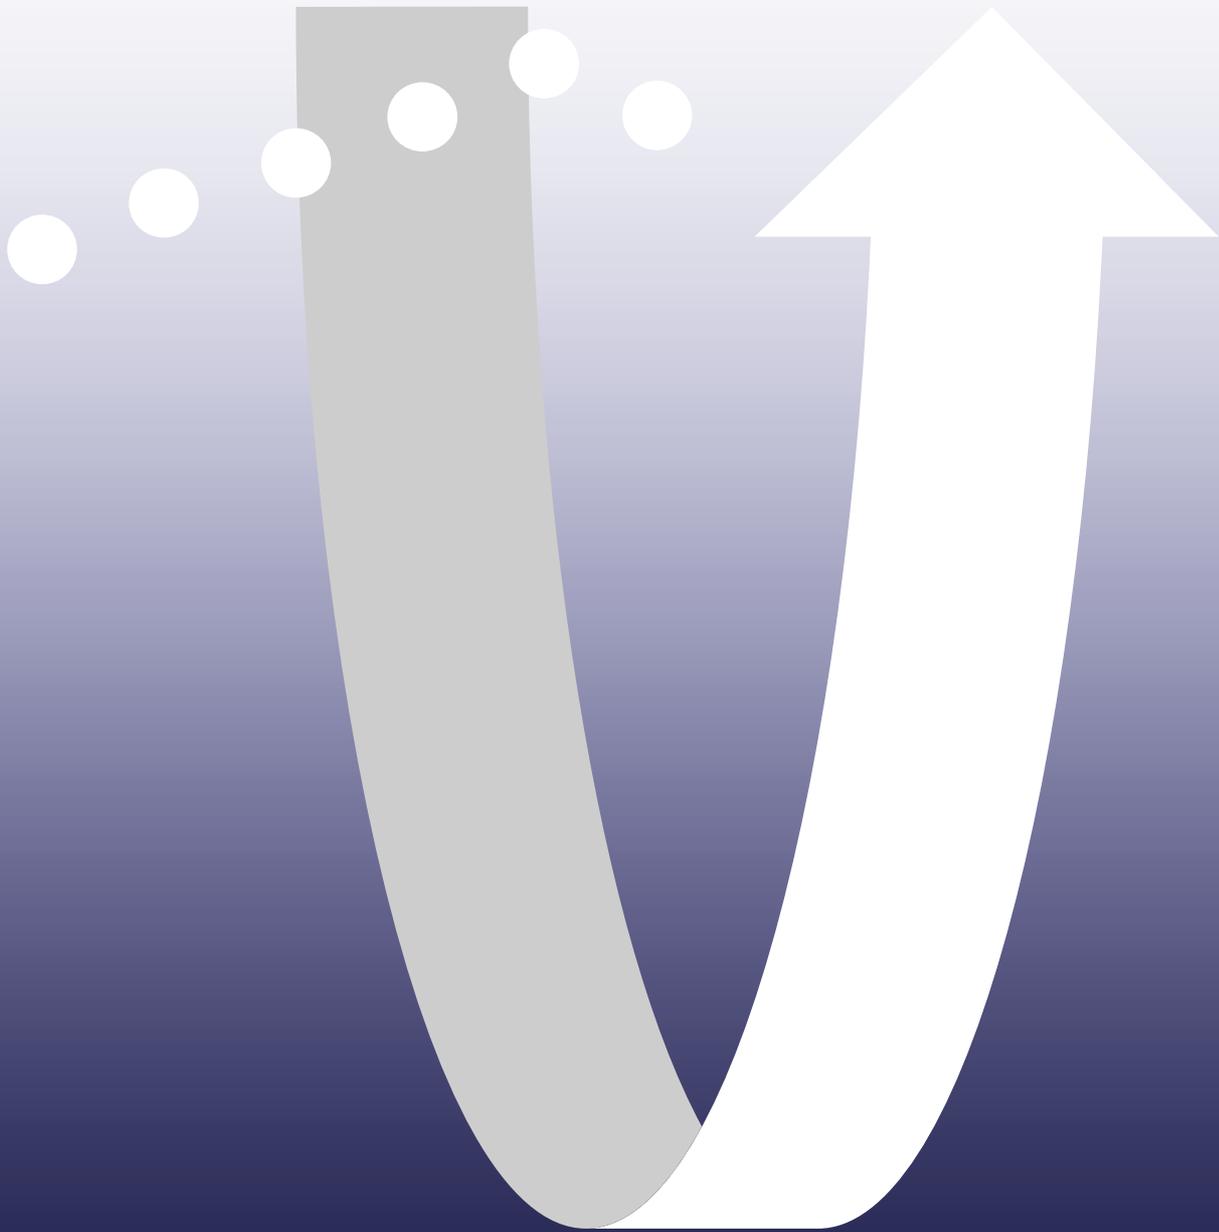

und die Welt bewahrt

Kyrie eleison

Sieh, wohin wir gehn

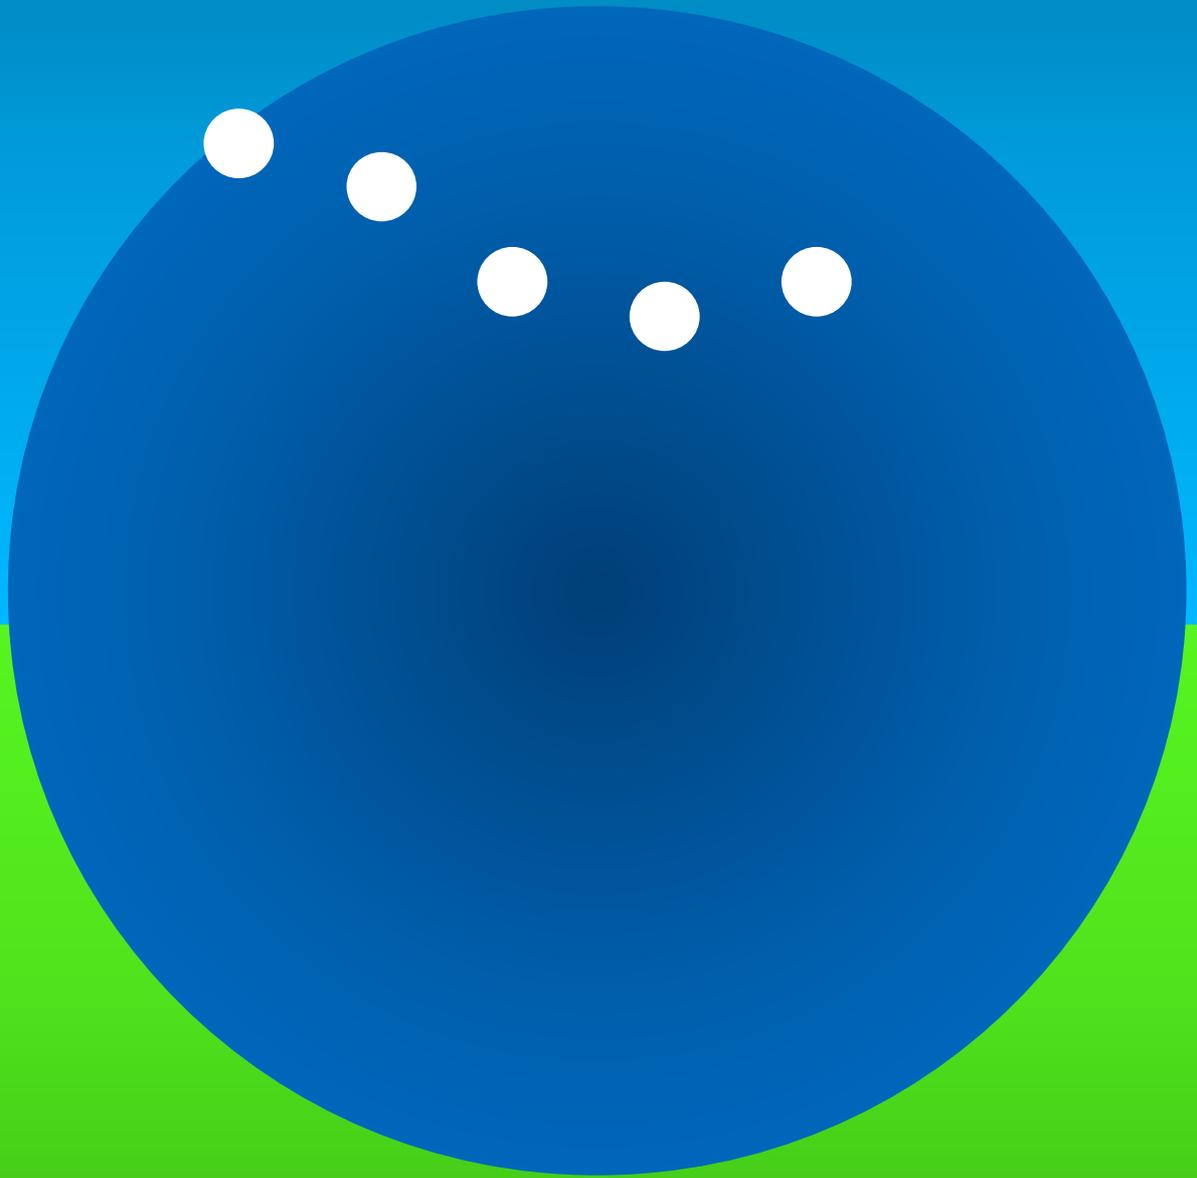

Ruf uns aus den Toten

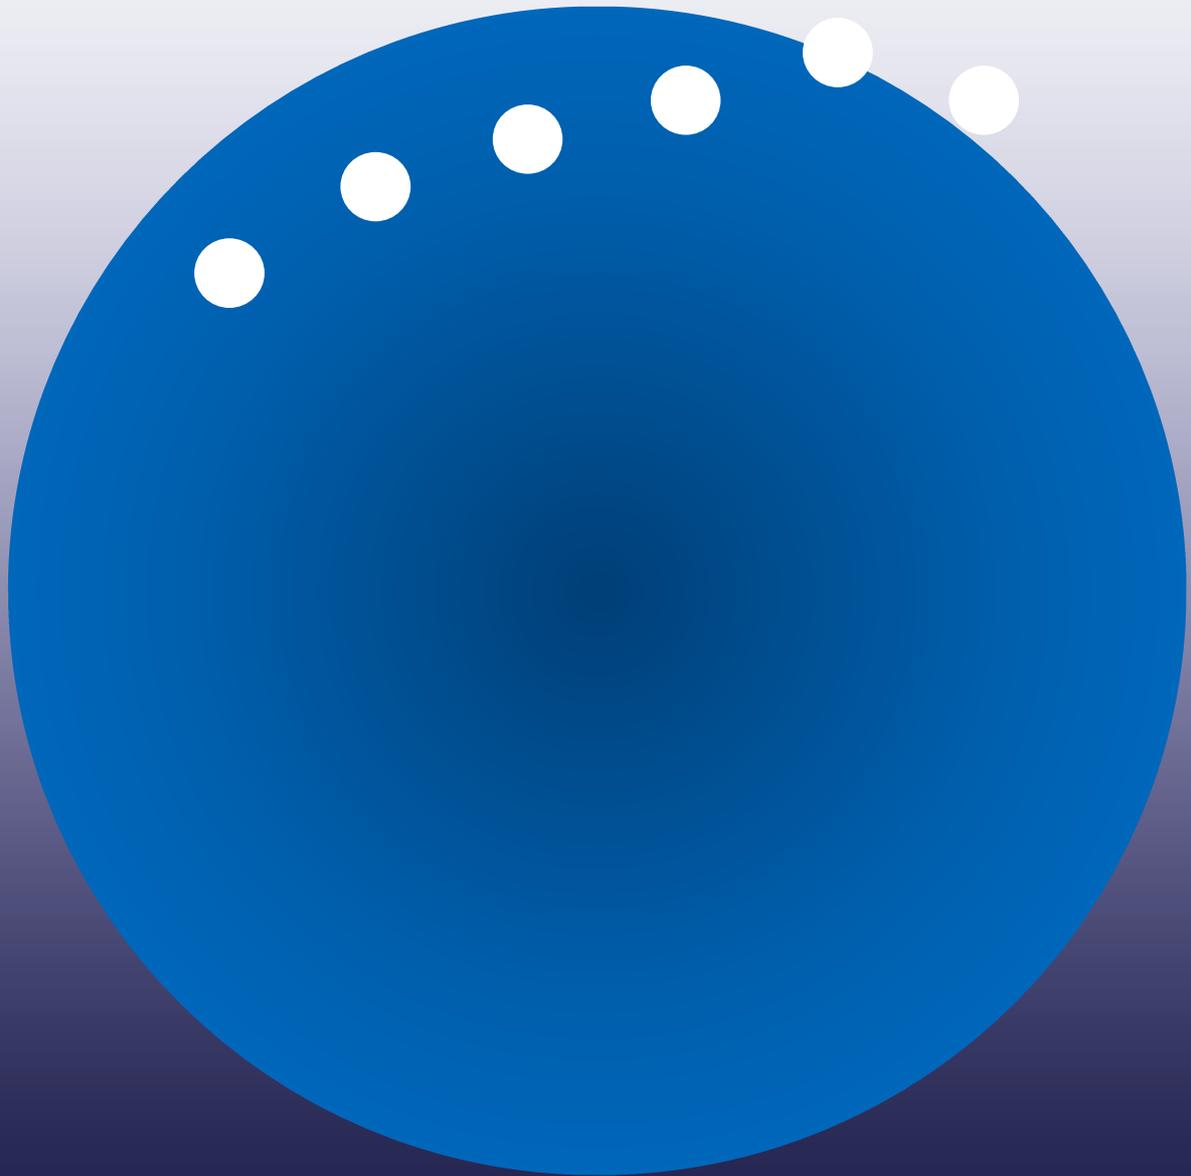

lass uns auferstehn

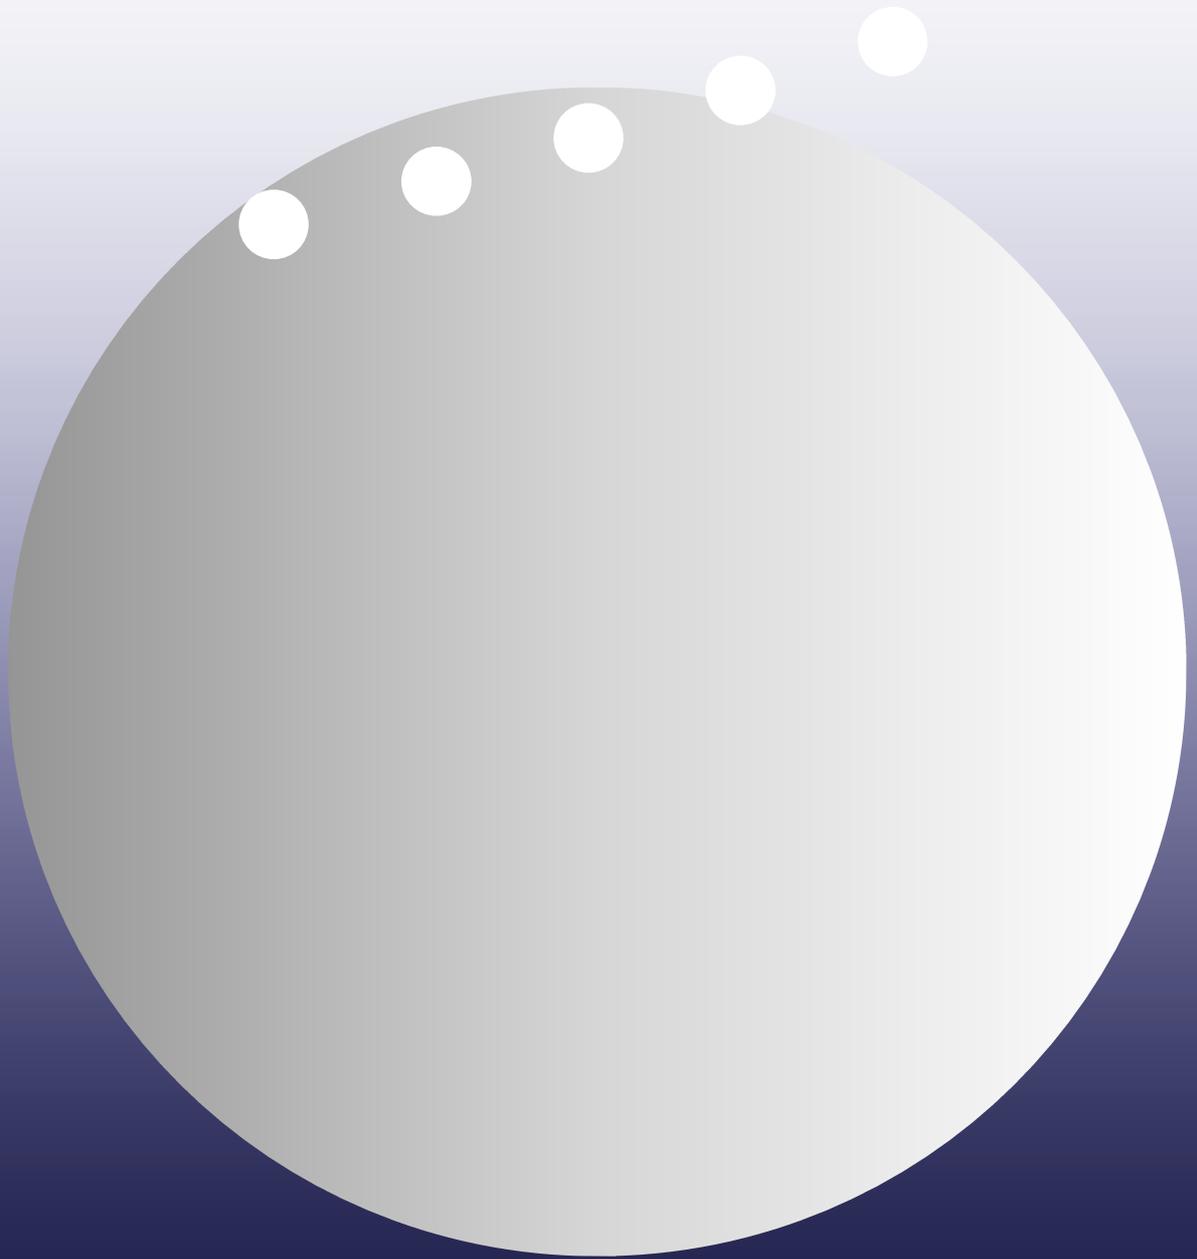

Denn die Erde klagt uns

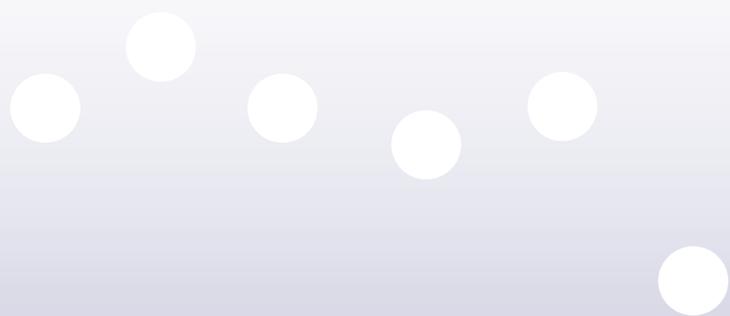

an bei Tag und Nacht

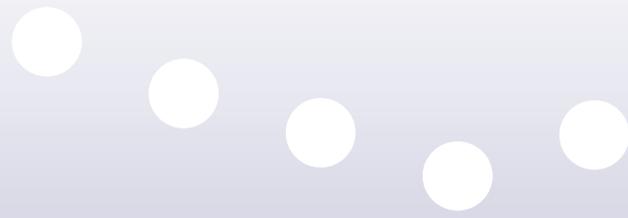

Doch der Himmel sagt uns

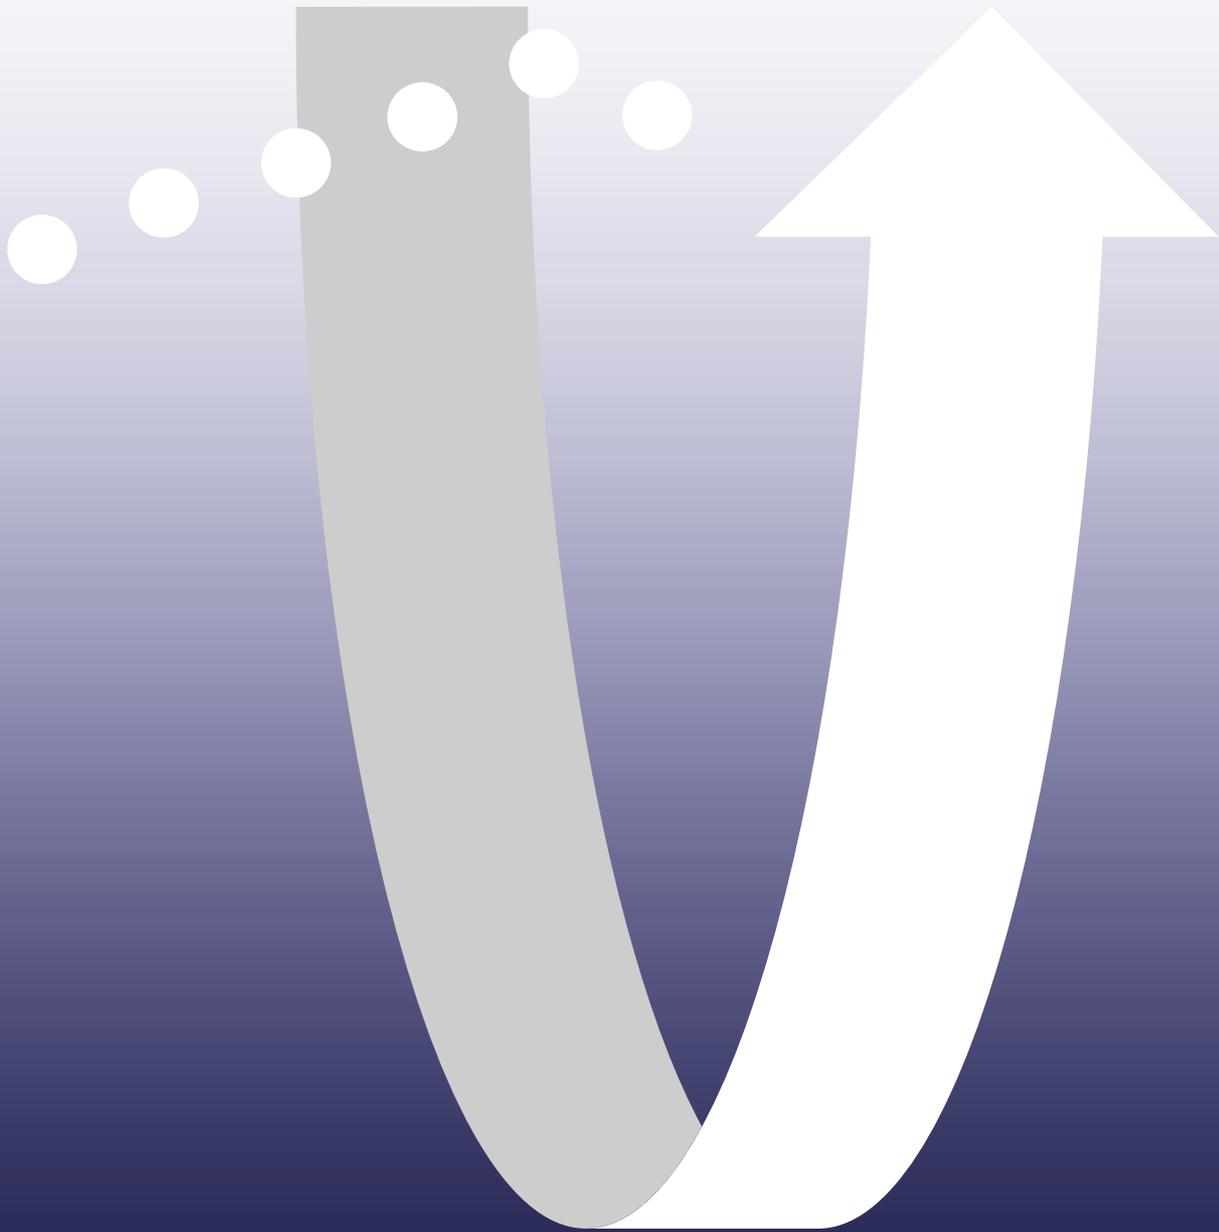

Alles ist vollbracht

Kyrie eleison

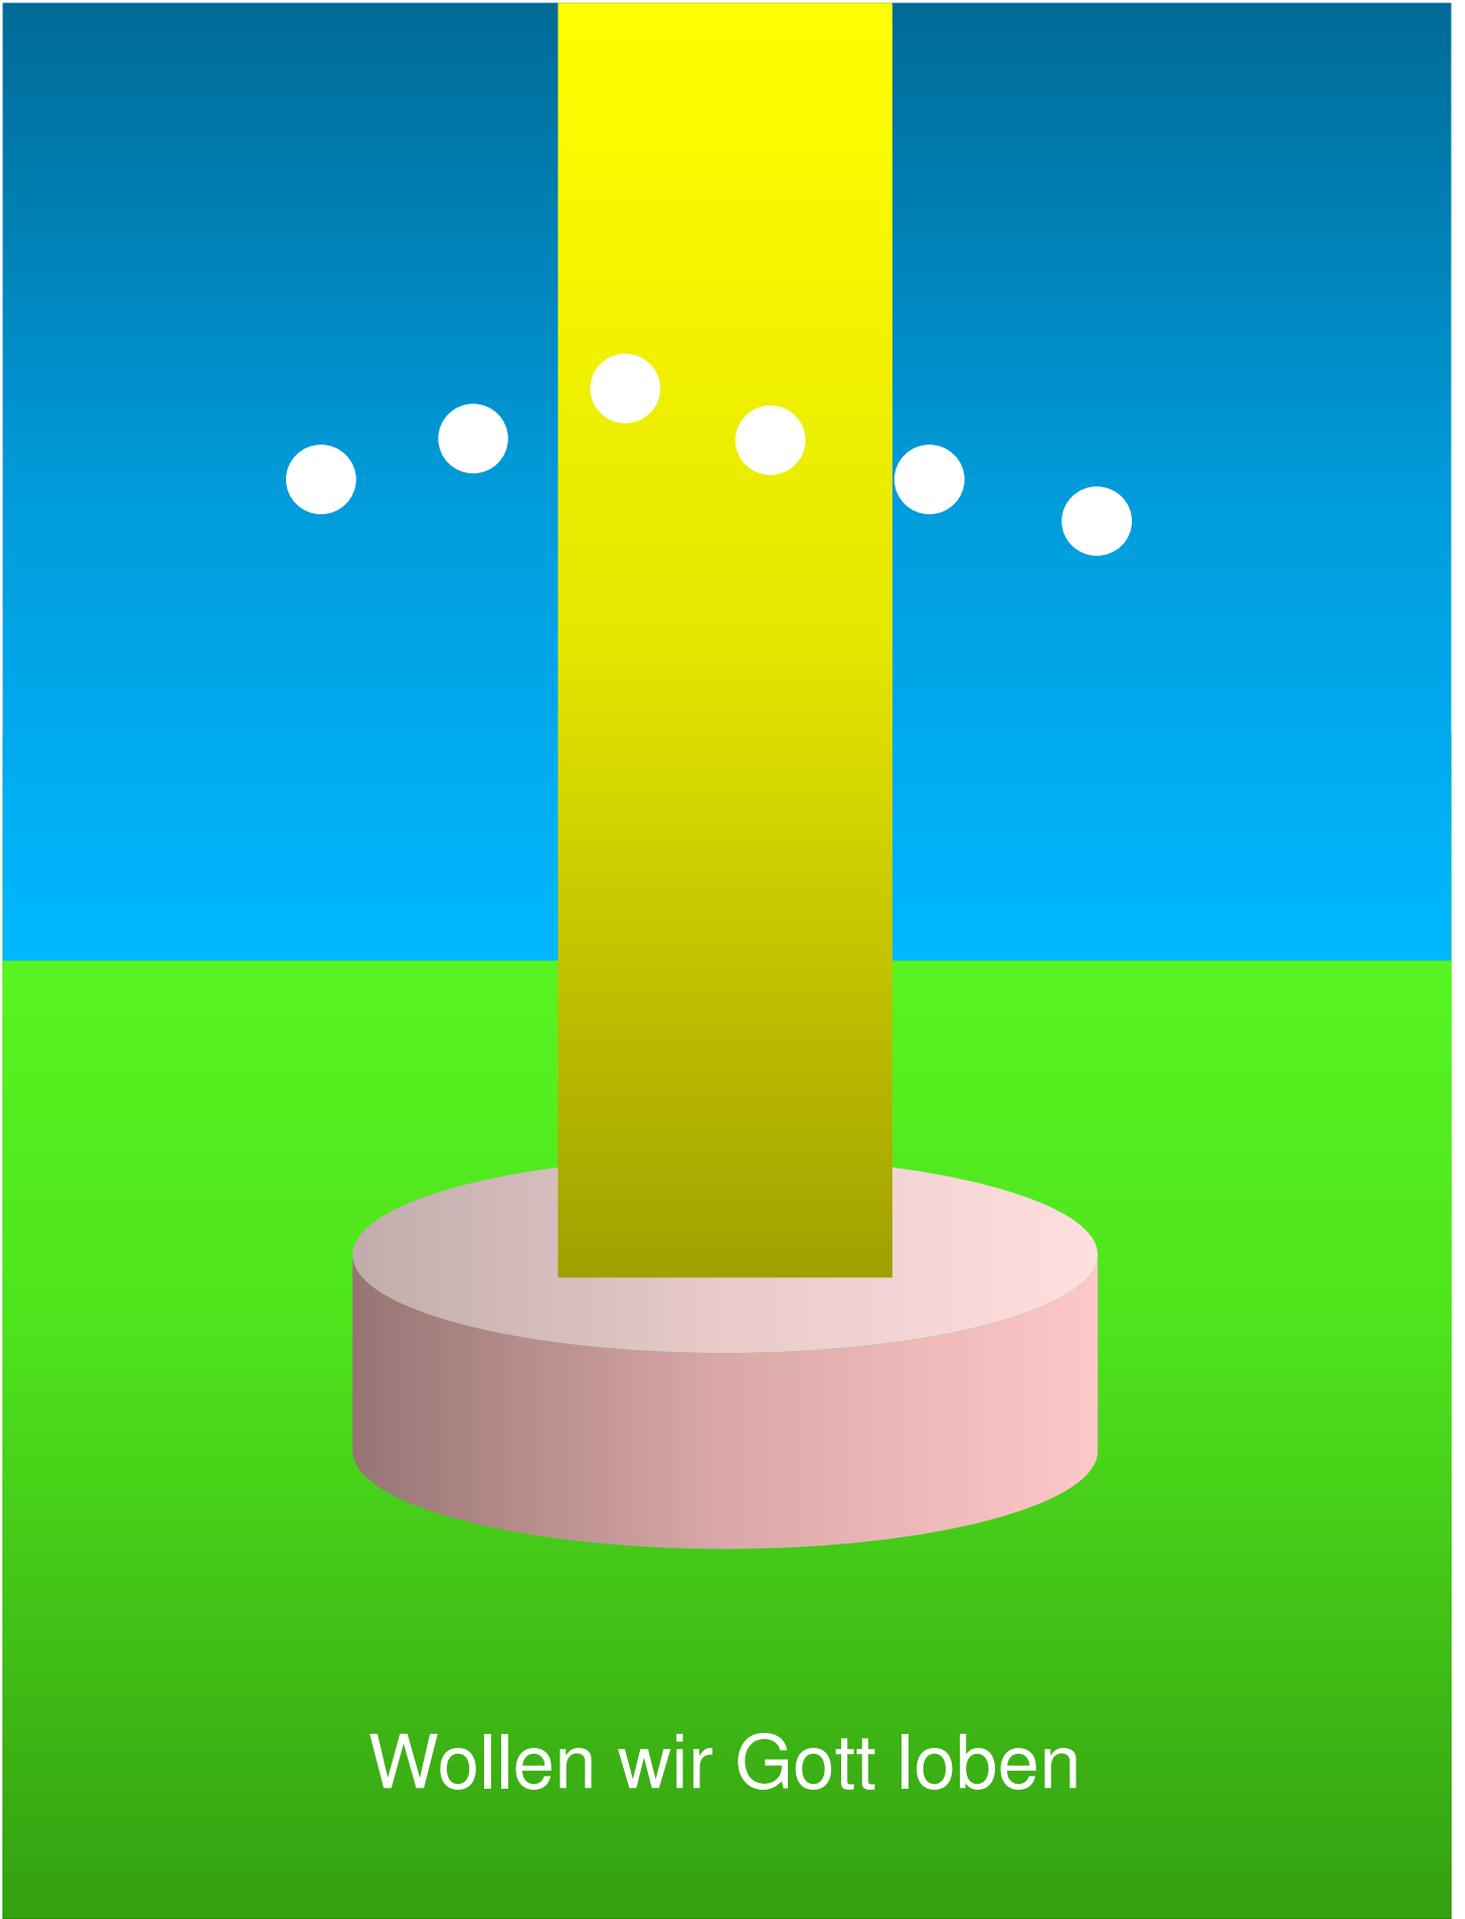

Sieh, wohin wir gehn

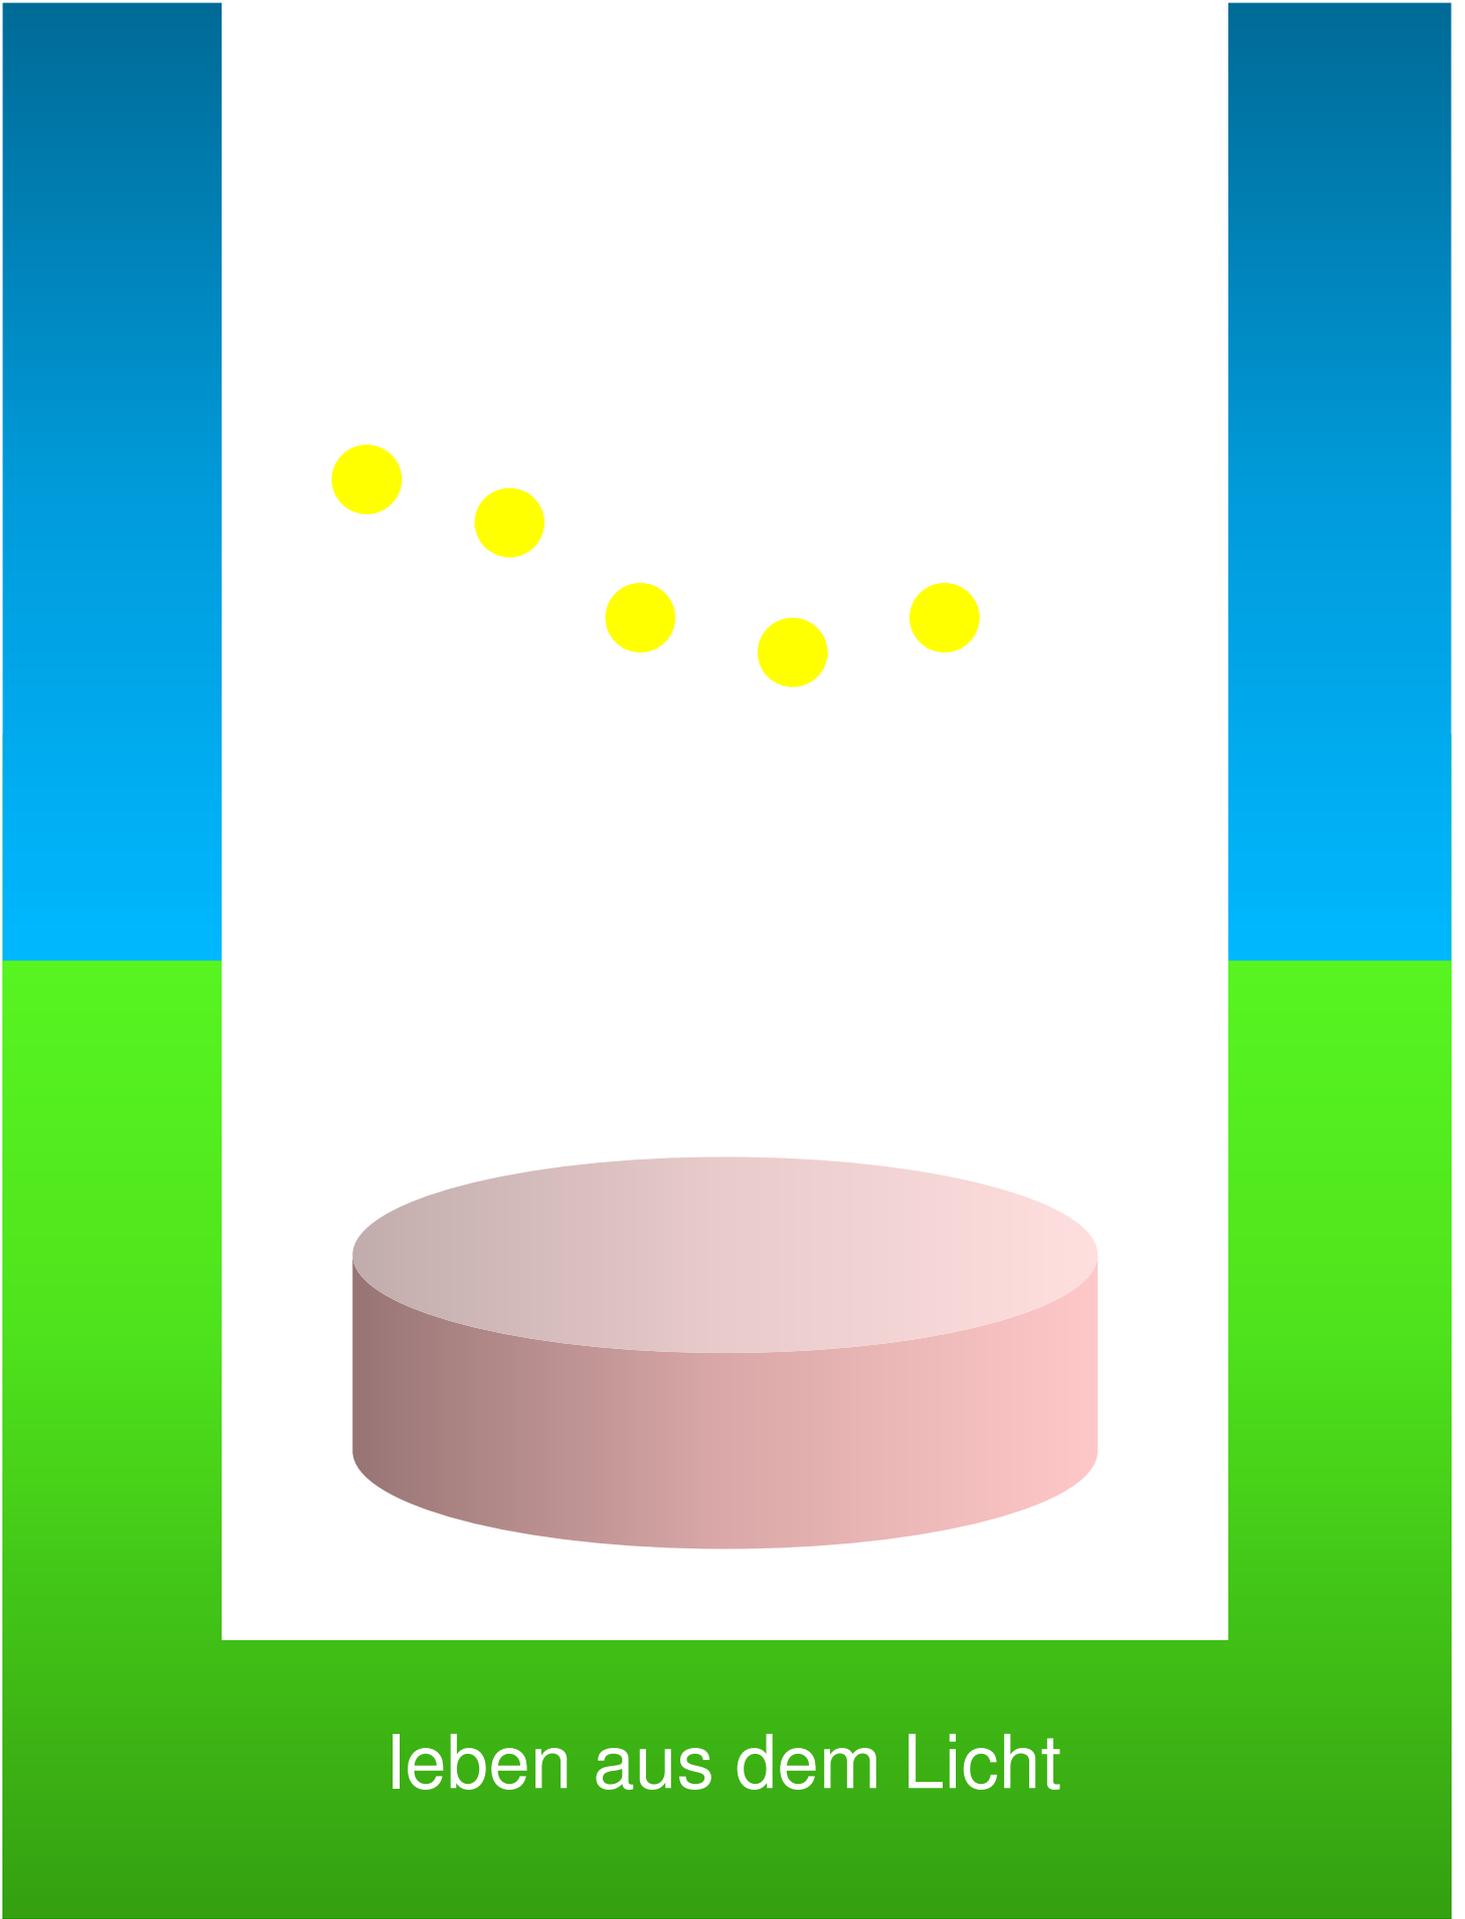

Ruf uns aus den Toten

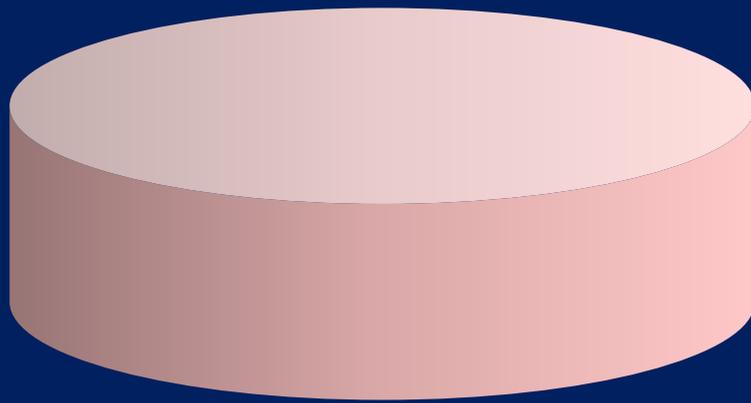

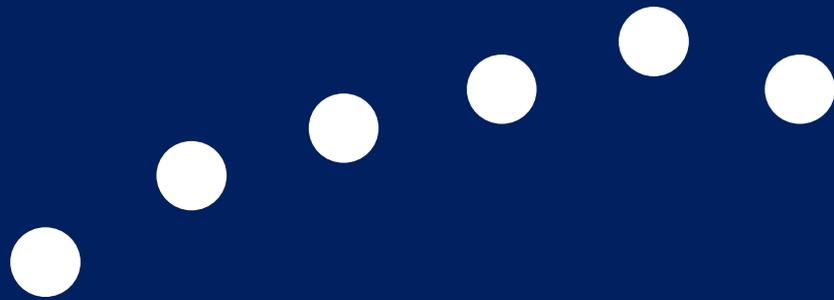

lass uns auferstehn

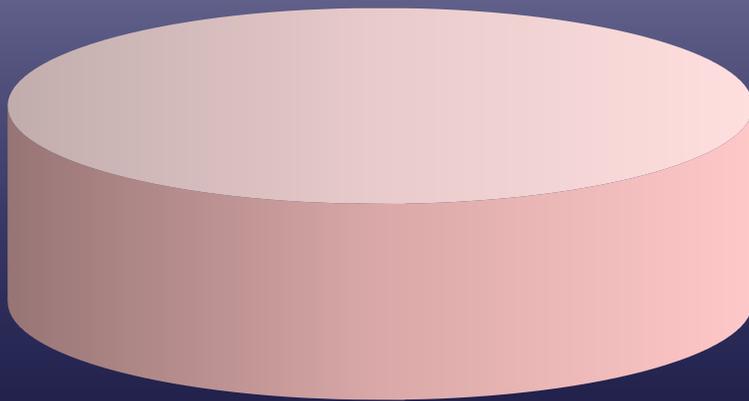

Wollen wir Gott loben

leben aus dem Licht

streng ist seine Güte

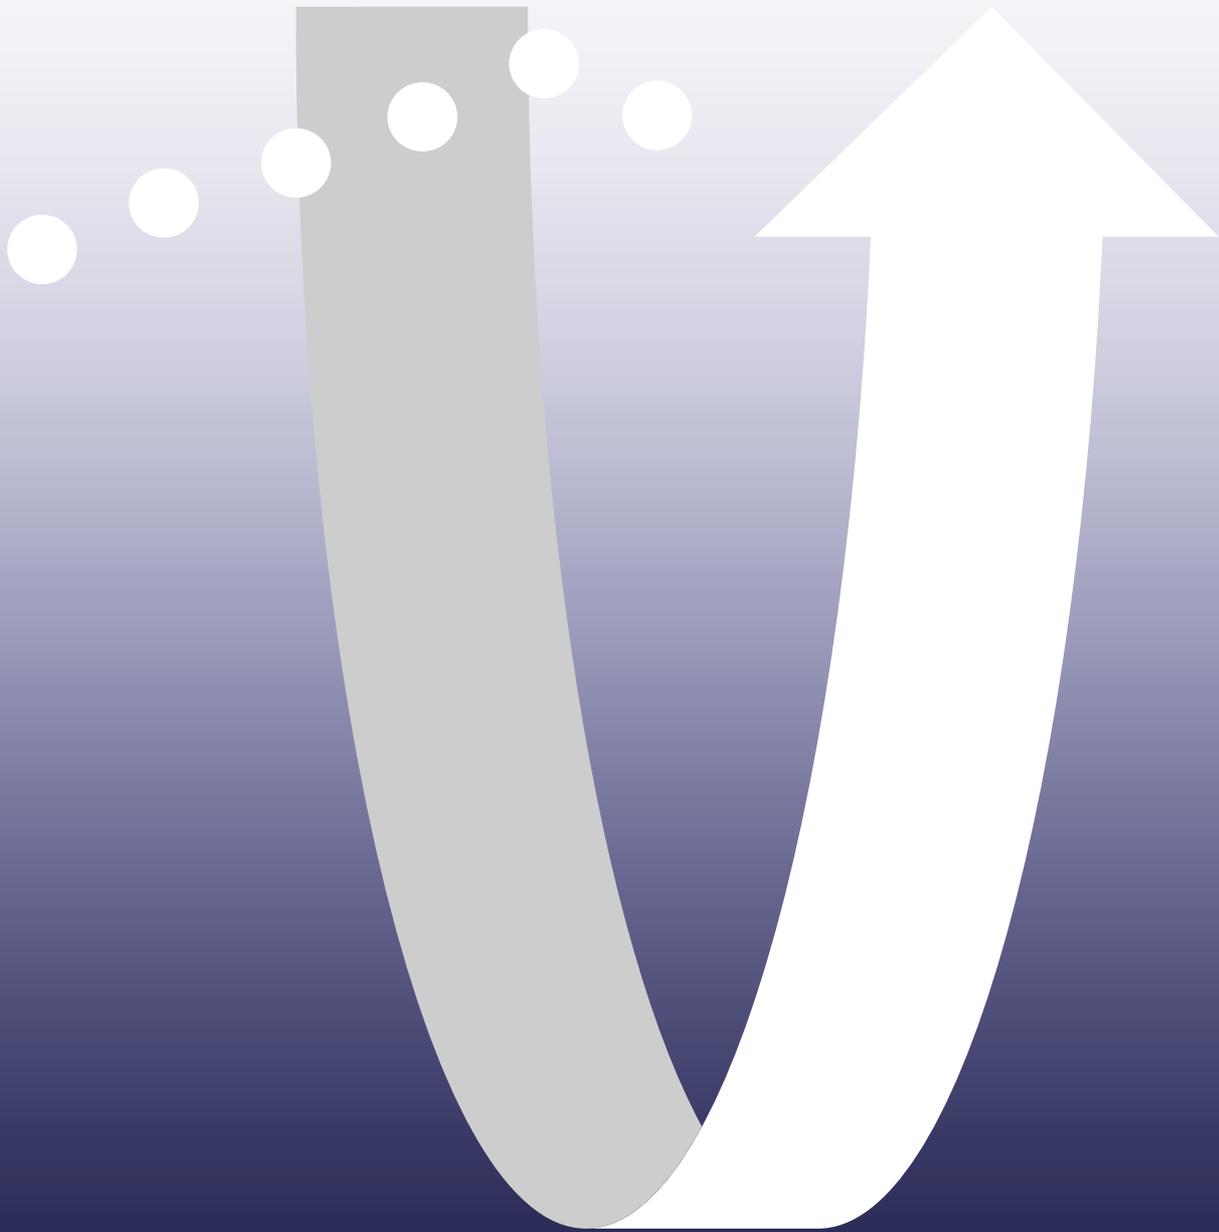

gnädig sein Gericht

Kyrie eleison

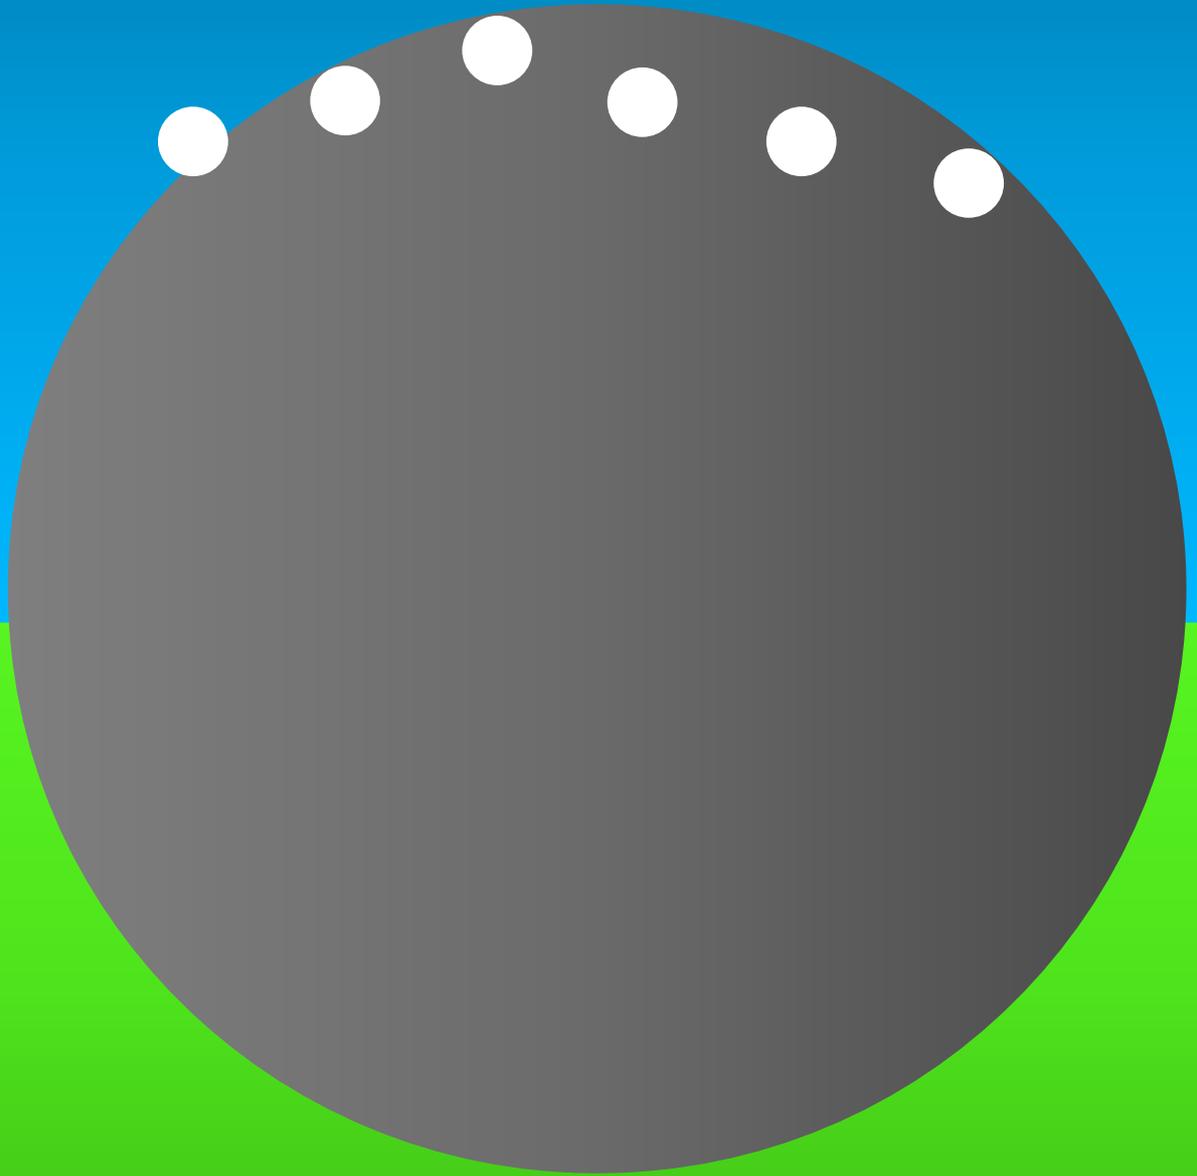

Sieh, wohin wir gehn

Ruf uns aus den Toten

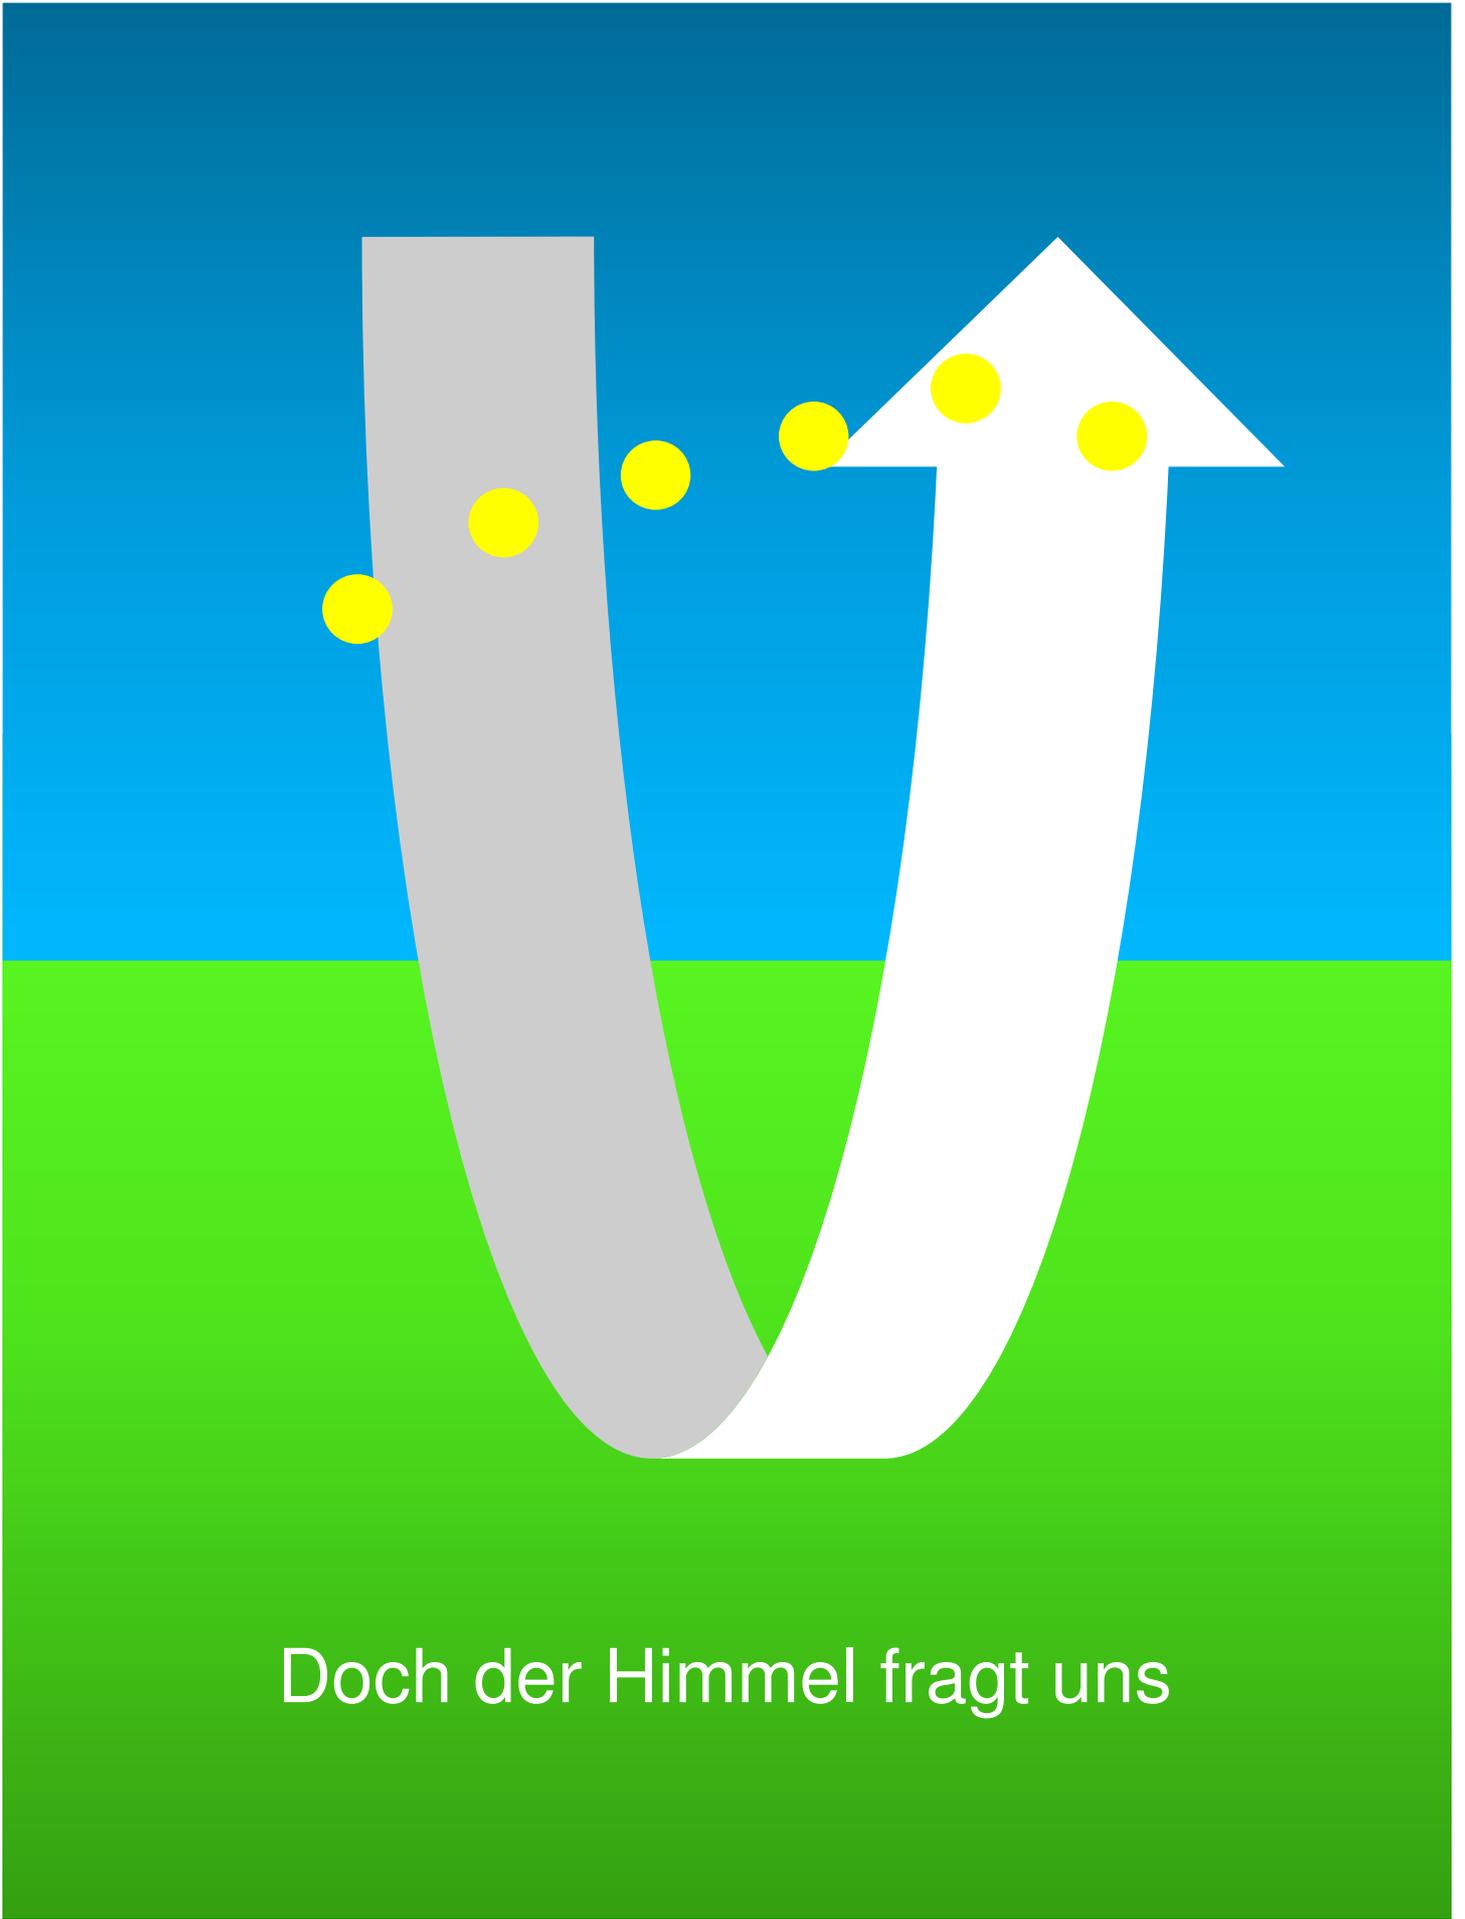

lass uns auferstehn

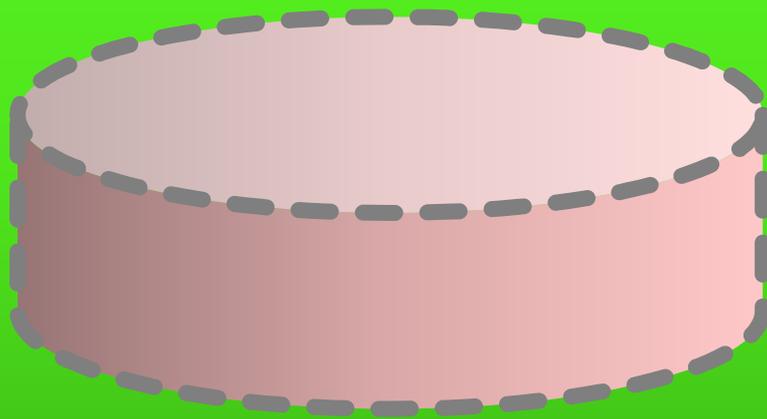

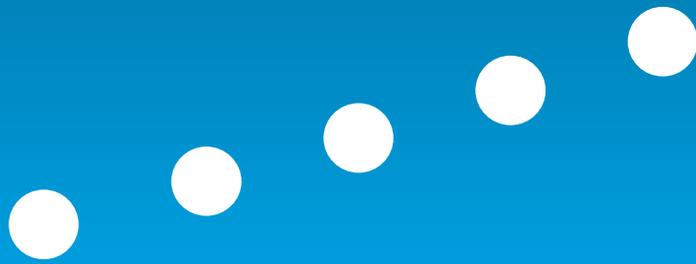

Denn die Erde jagt uns

auf den Abgrund zu

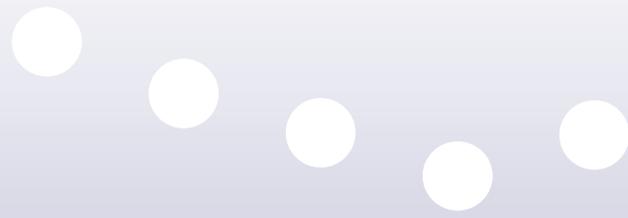

Doch der Himmel fragt uns

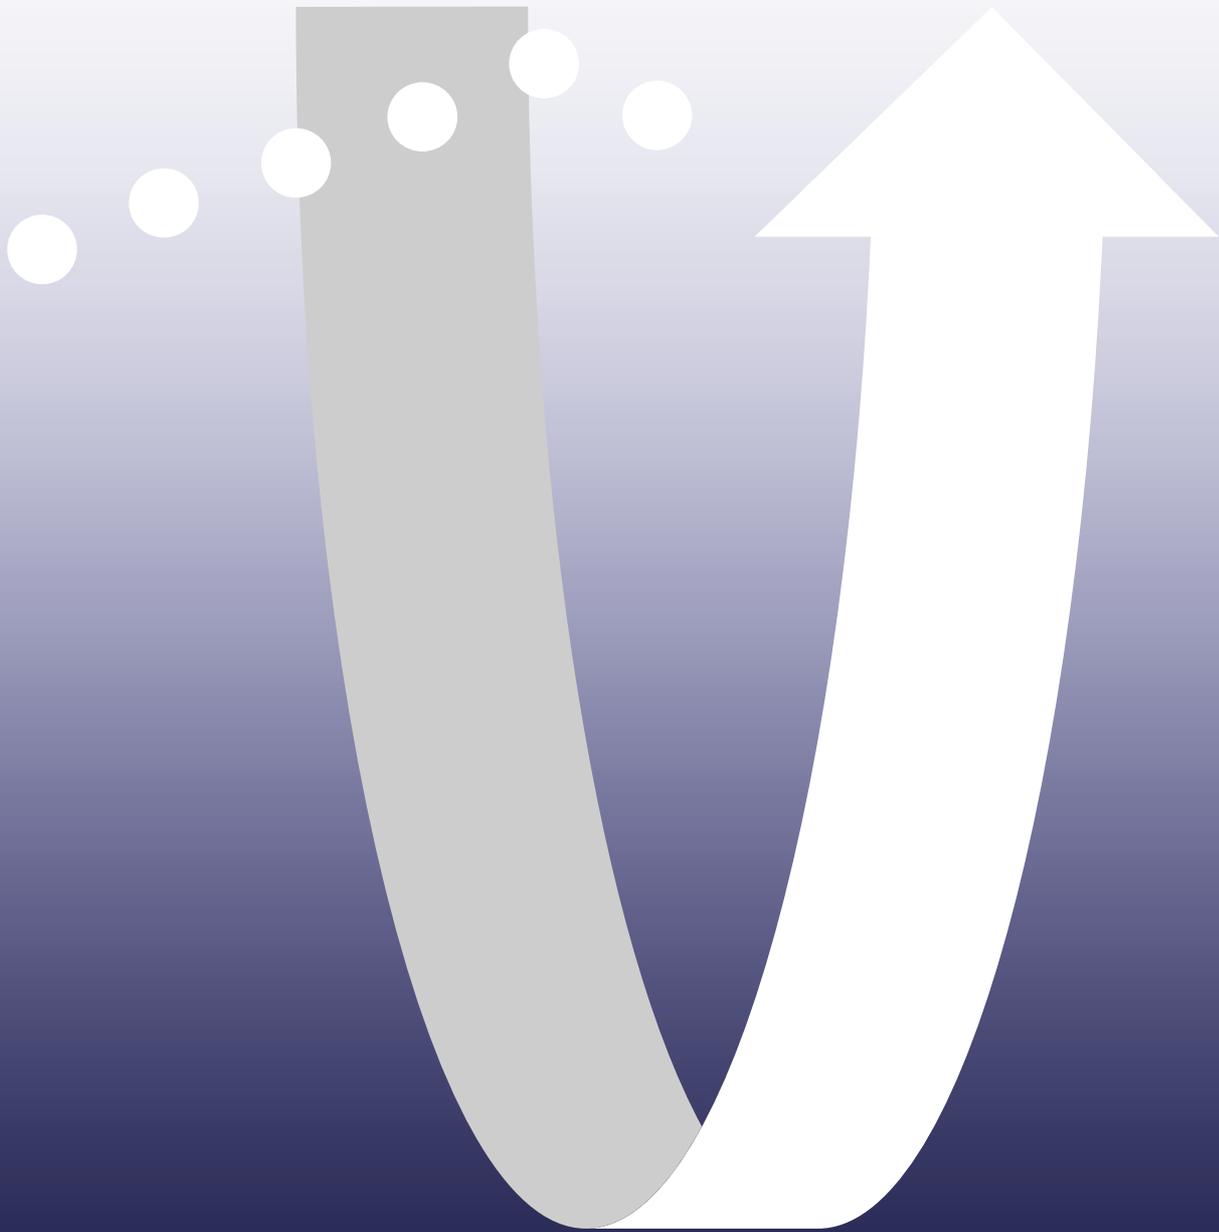

Warum zweifelst du?

Kyrie eleison

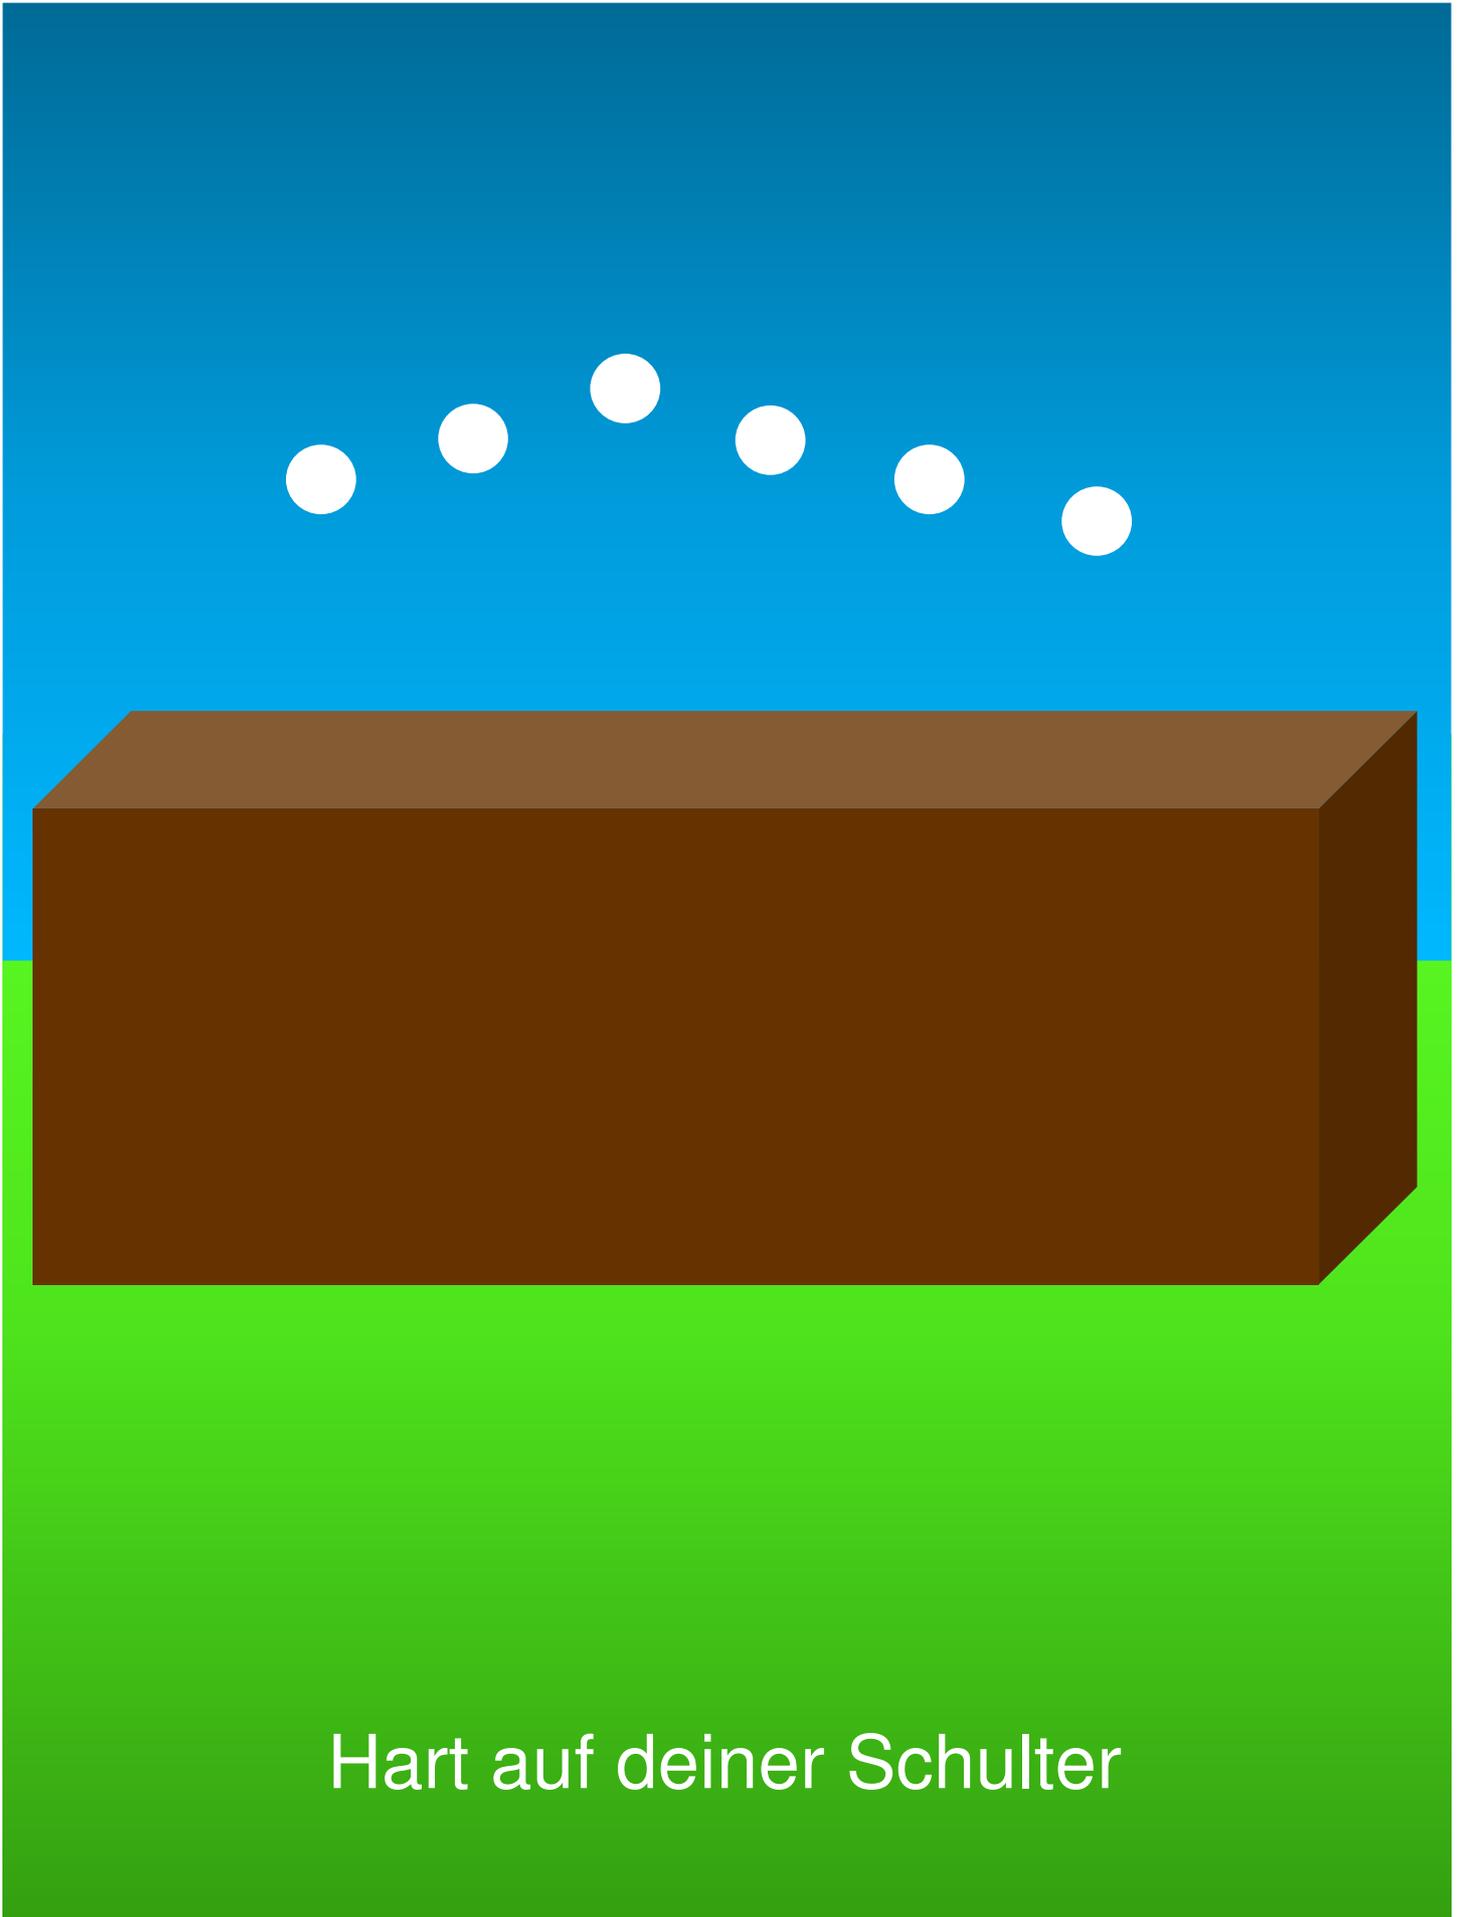

Sieh, wohin wir gehn

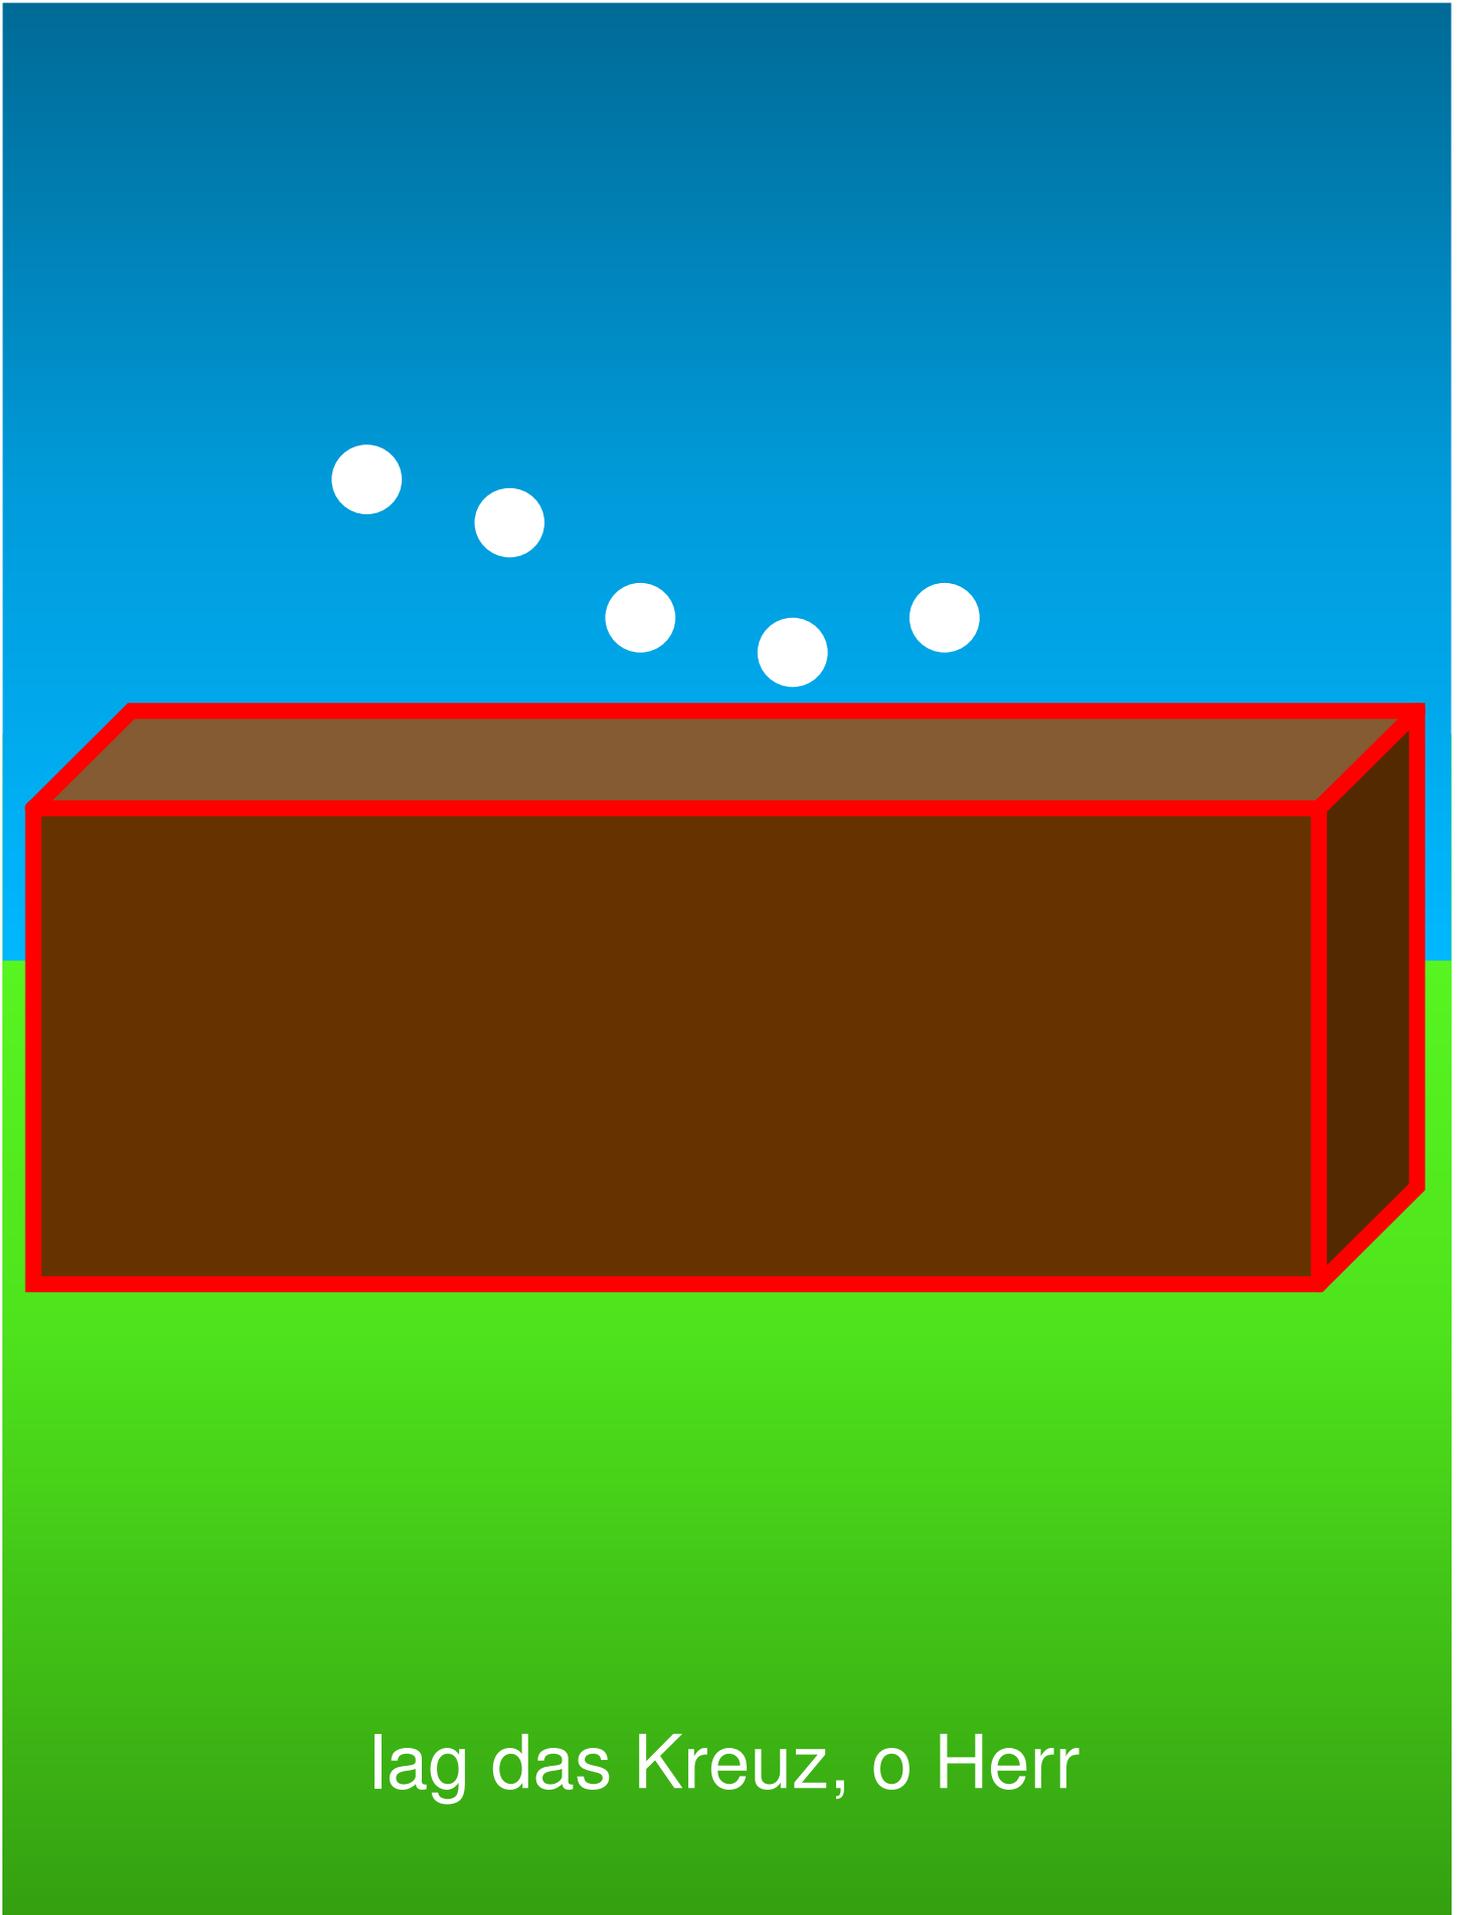

Ruf uns aus den Toten

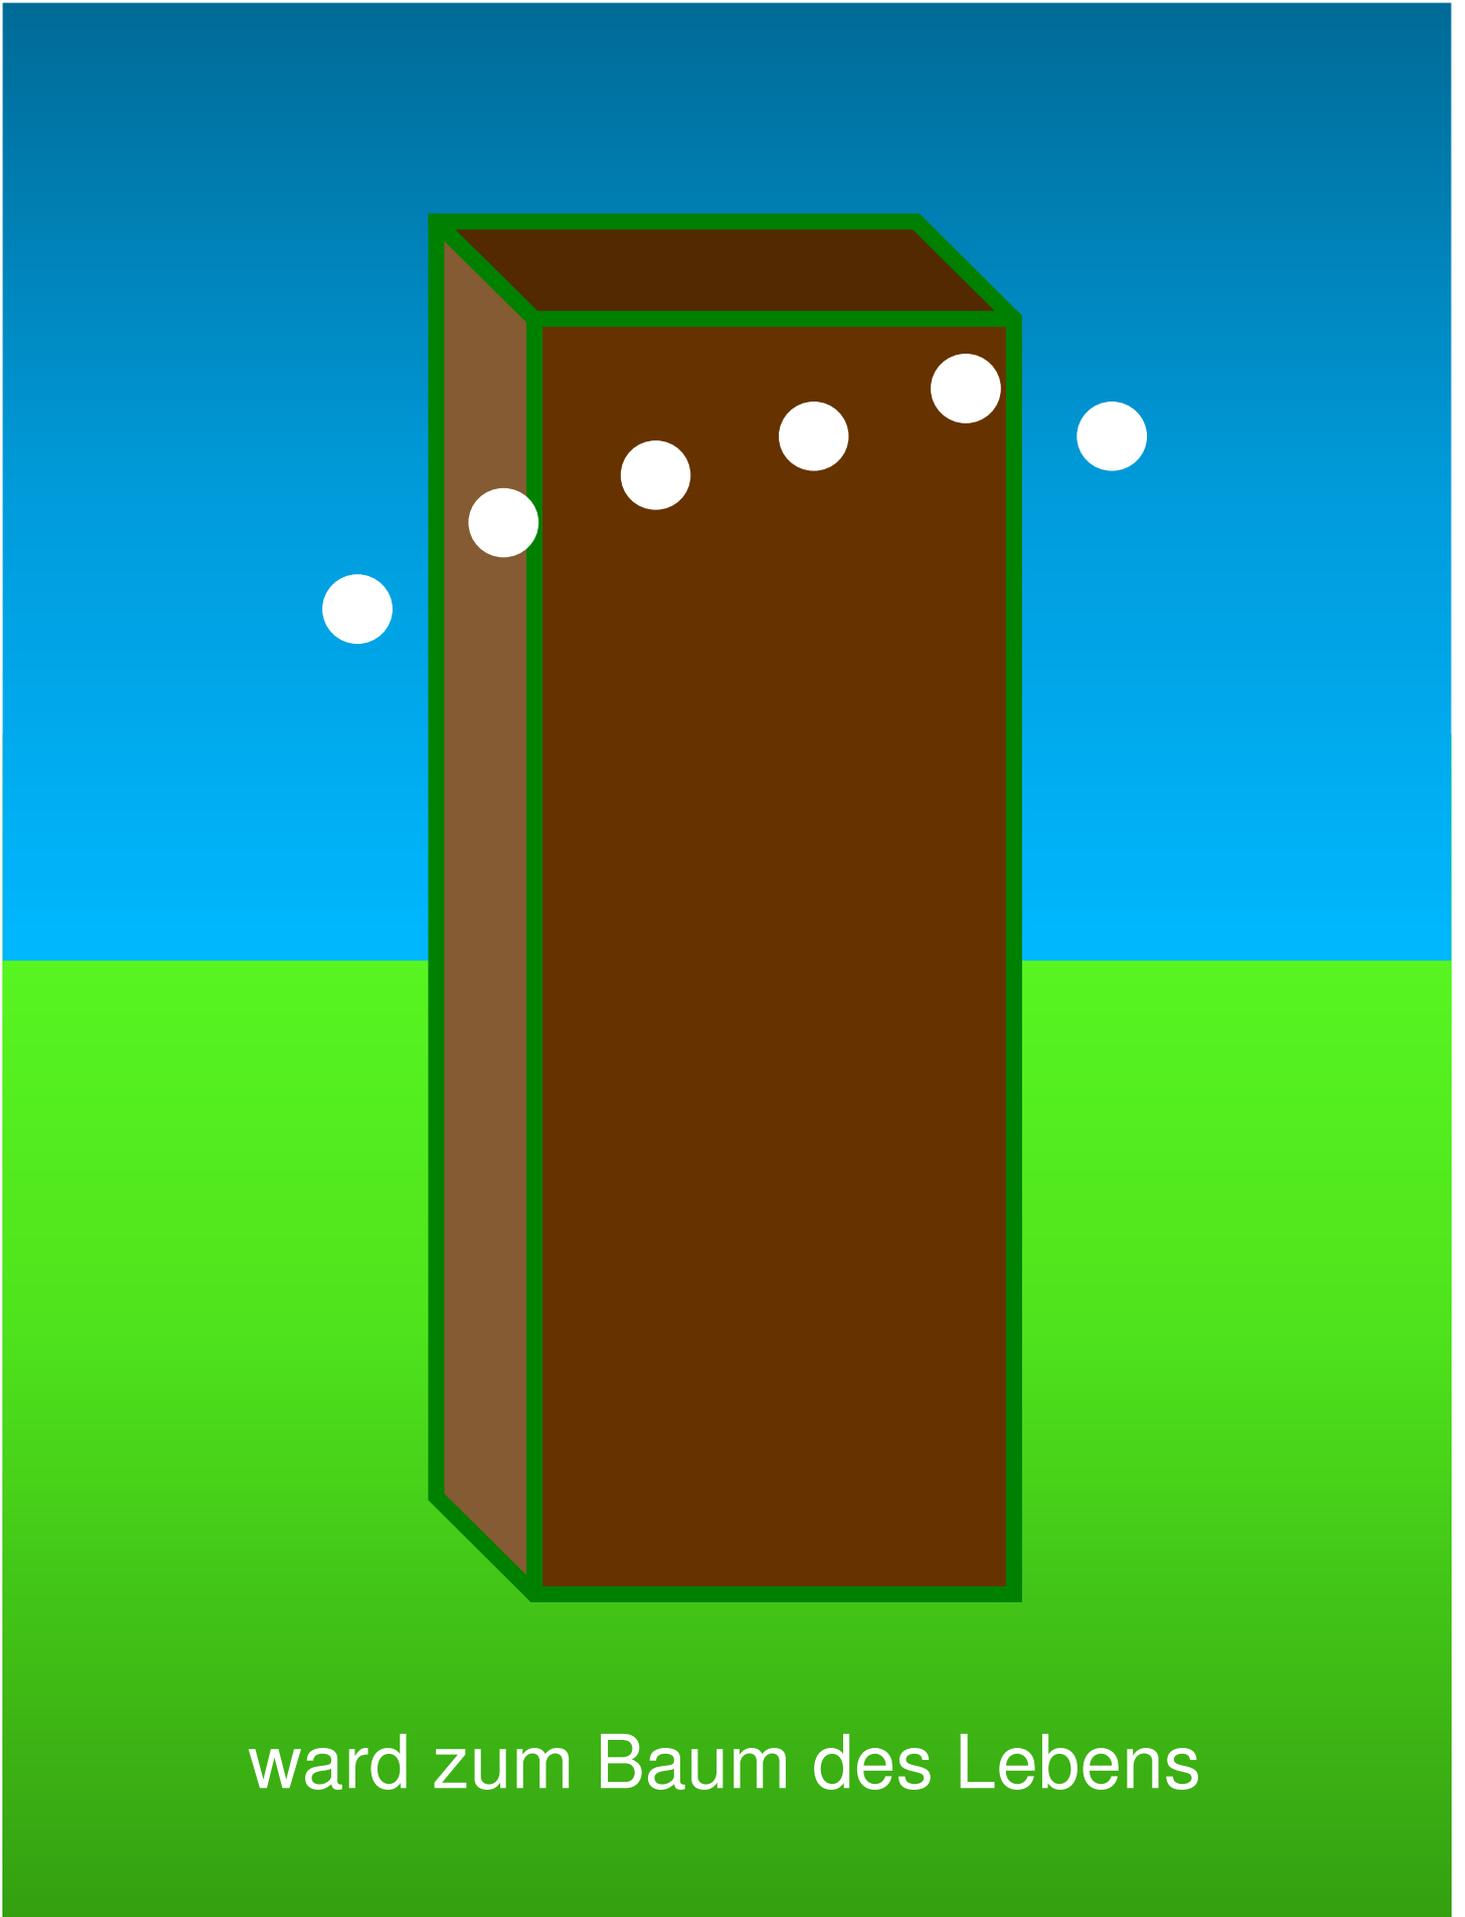

lass uns auferstehn

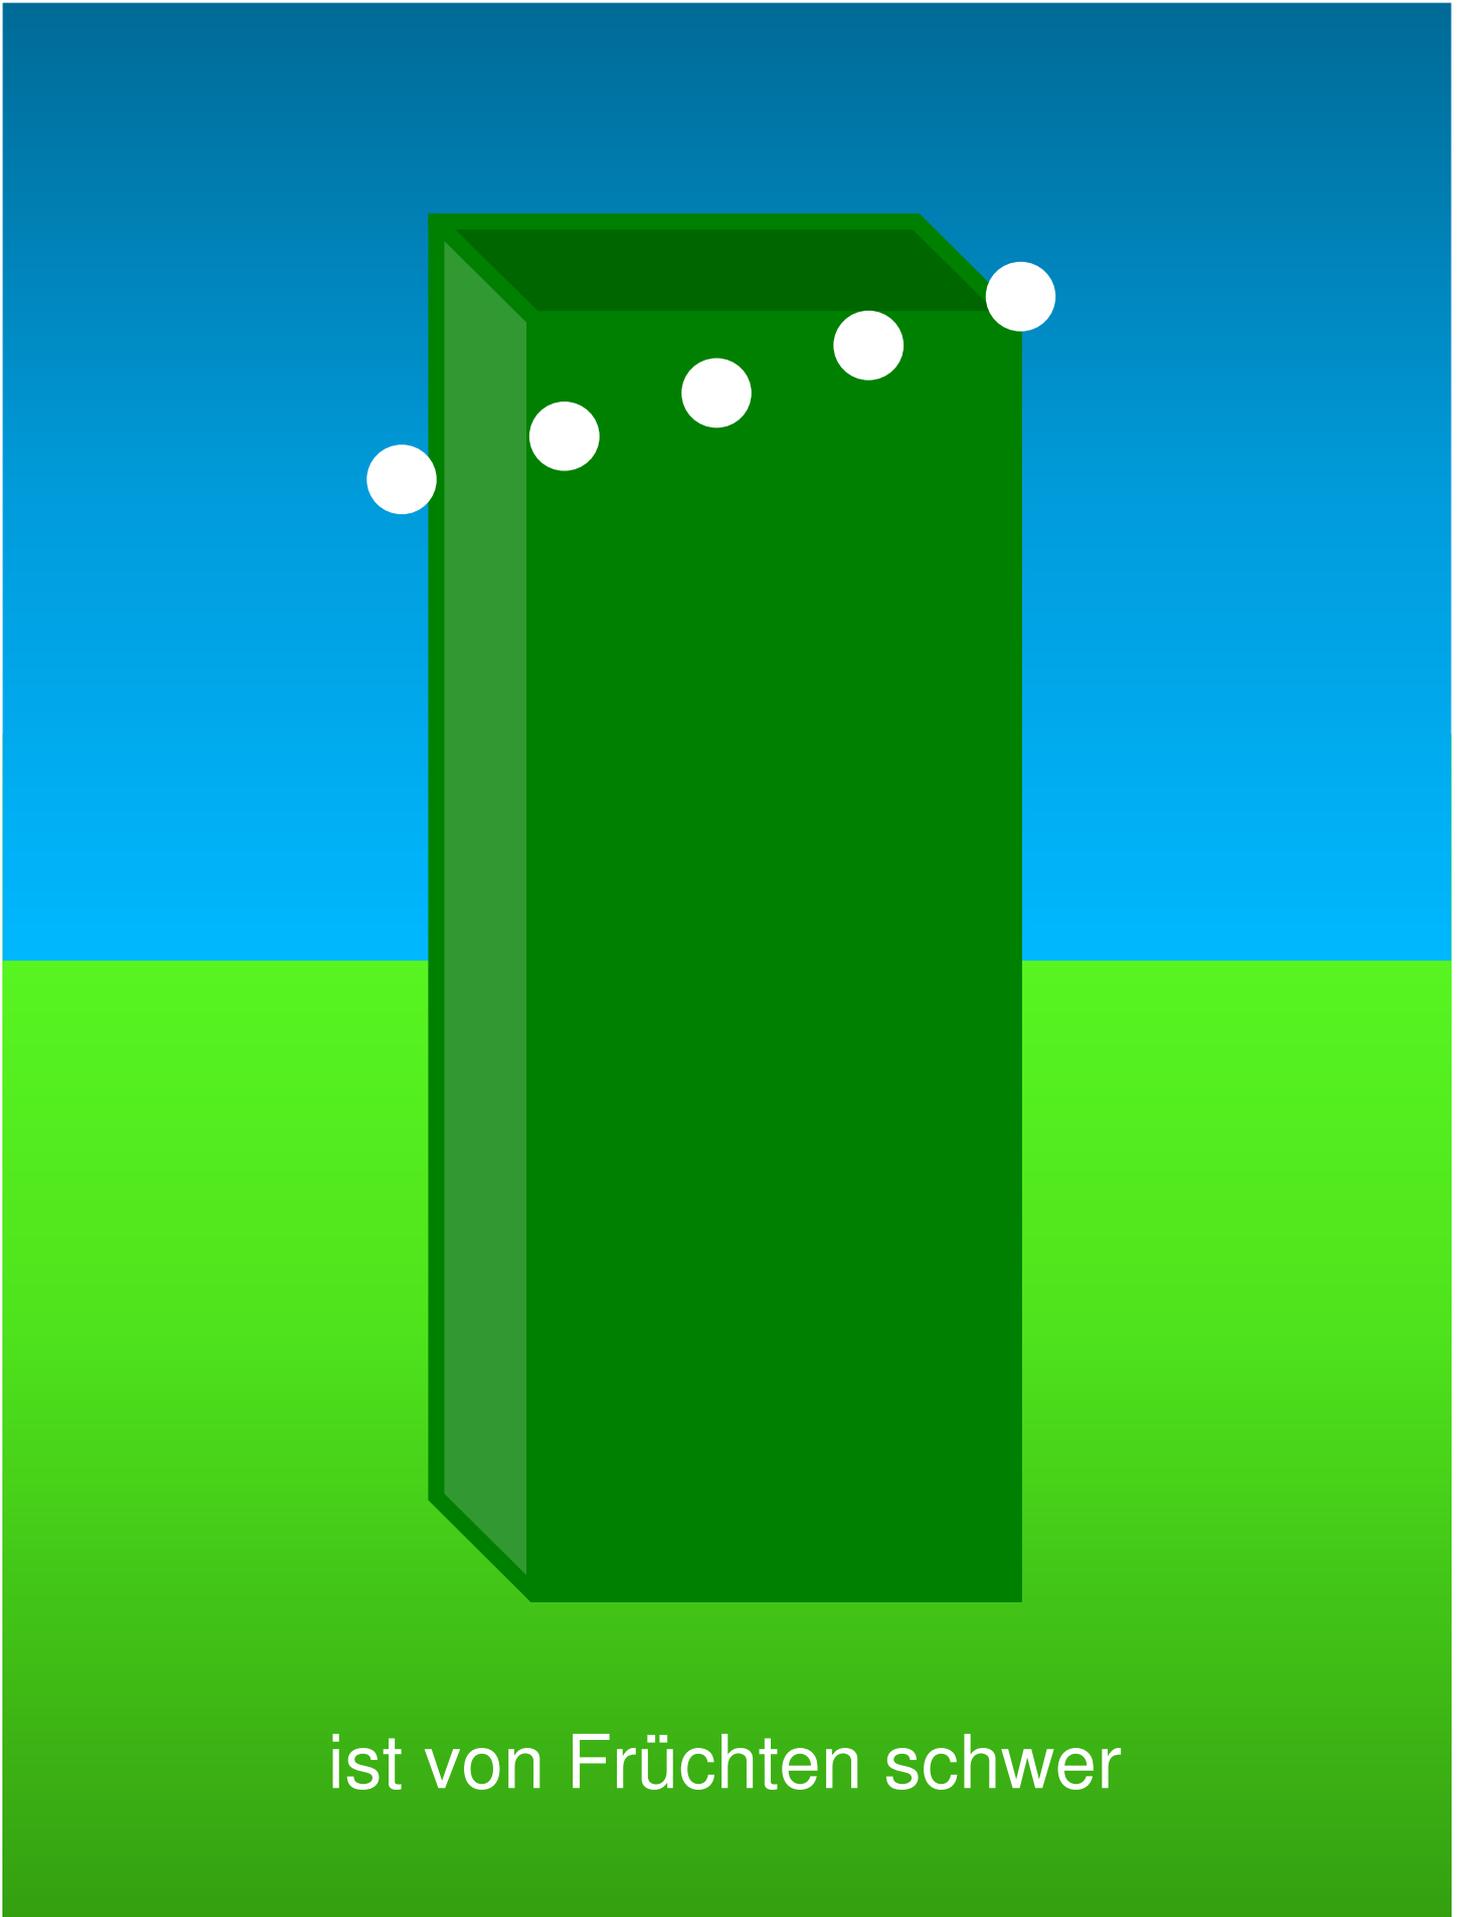

Hart auf deiner Schulter

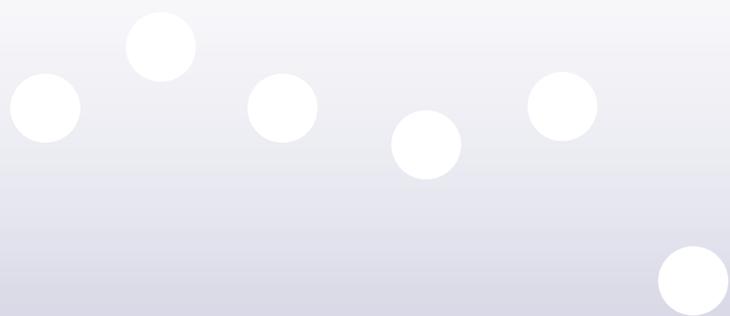

lag das Kreuz, o Herr

ward zum Baum des Lebens

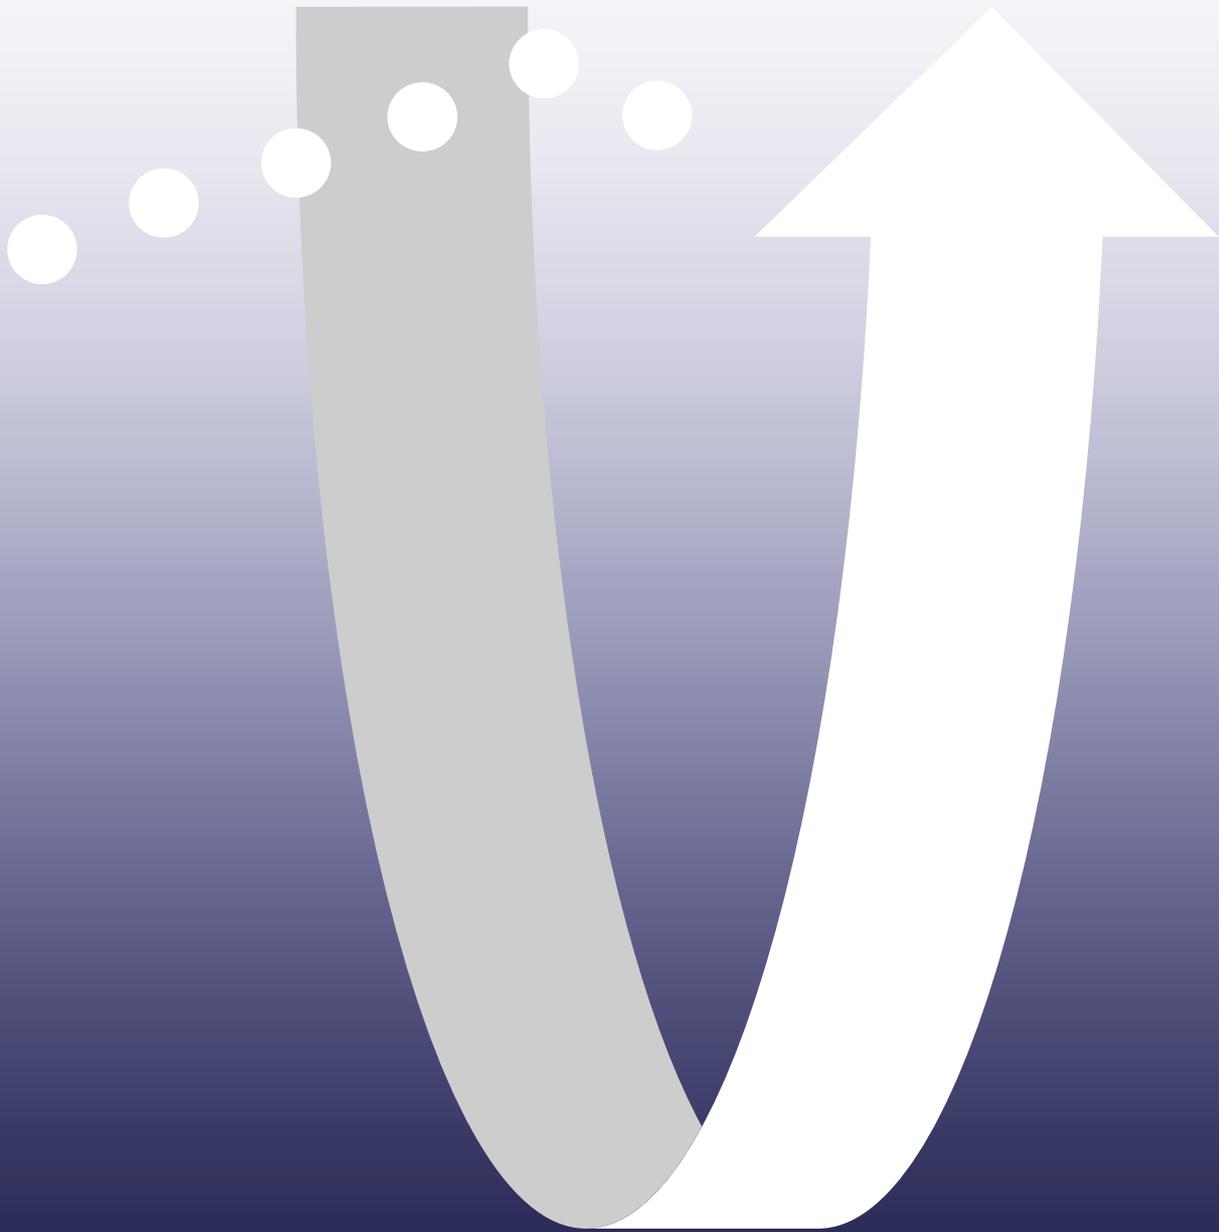

ist von Früchten schwer

Kyrie eleison

Sieh, wohin wir gehn

Ruf uns aus den Toten

lass uns auferstehn
