# „Was uns die Erde Gutes spendet“

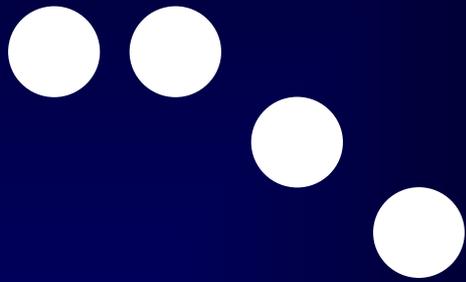

*T: Friedrich Dörr 1971 M: Genf 1543*

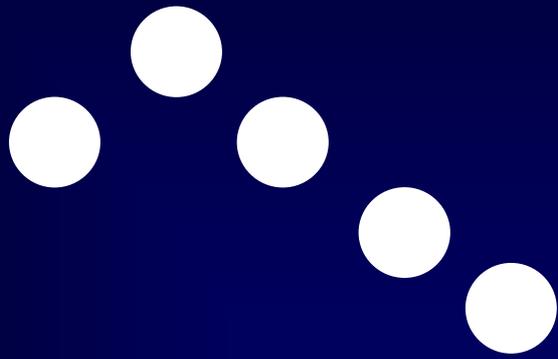

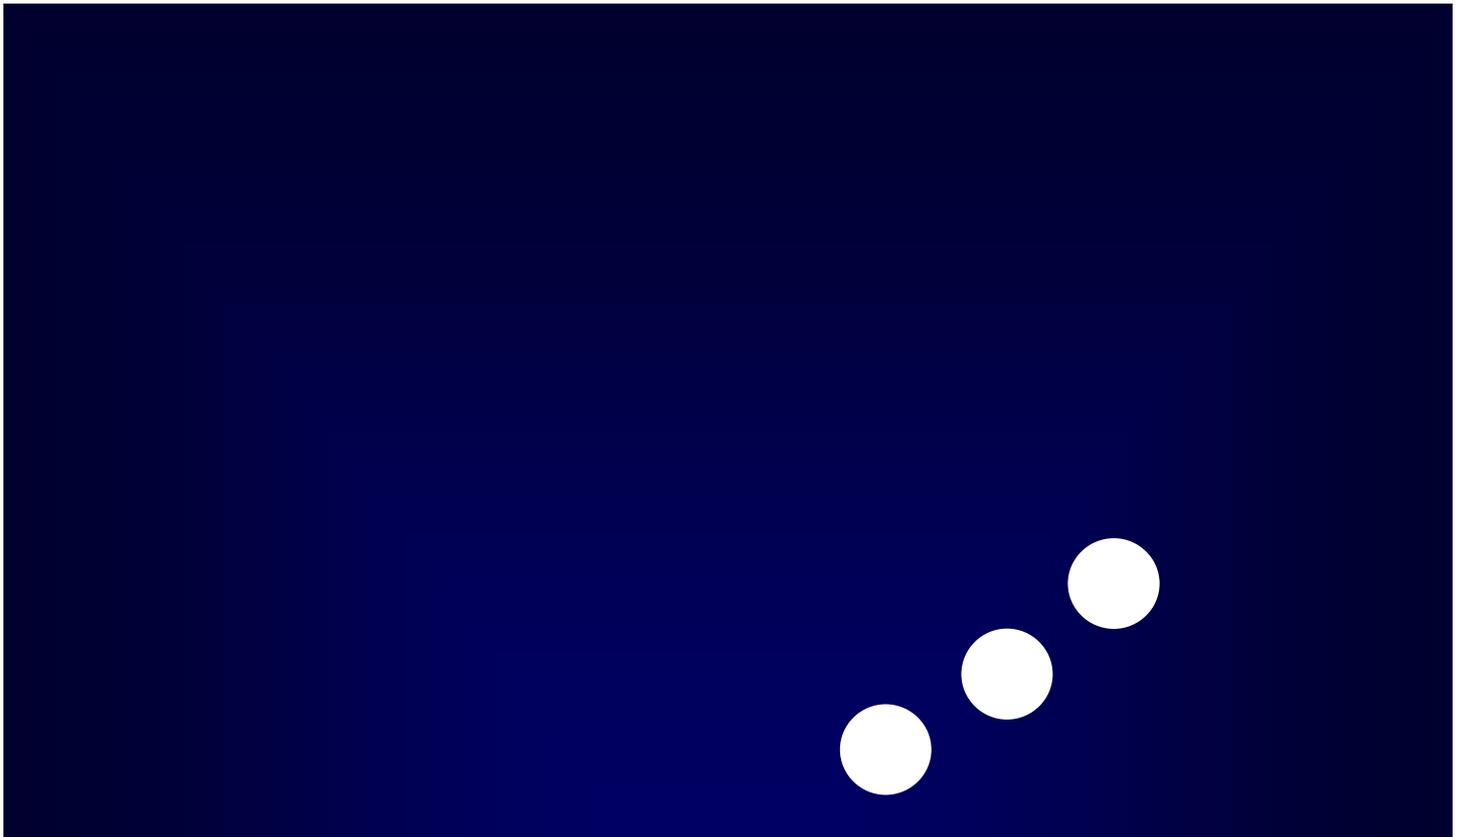

Was uns die Erde

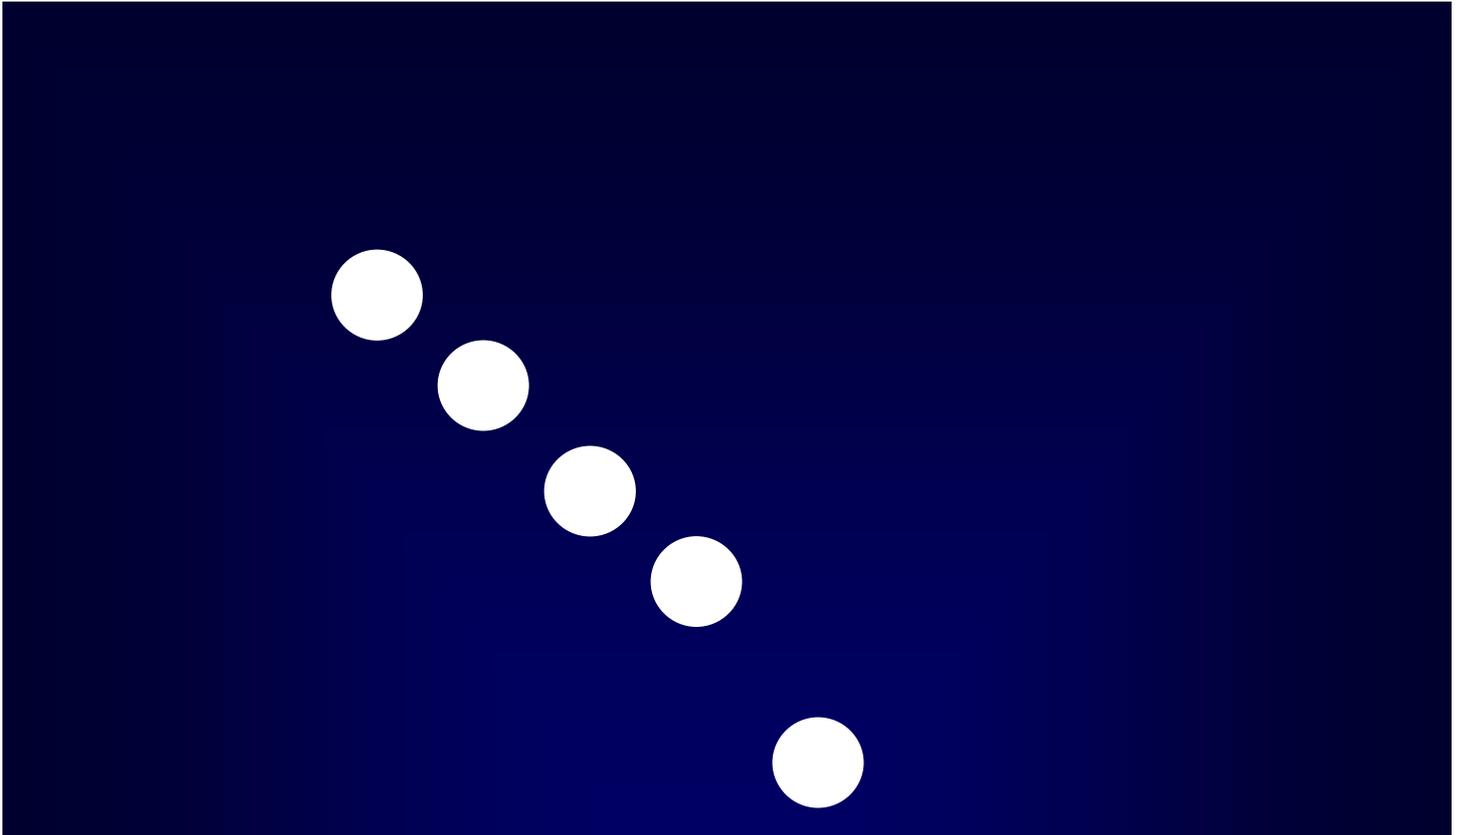

**Gutes spendet**

was unsrer Hände

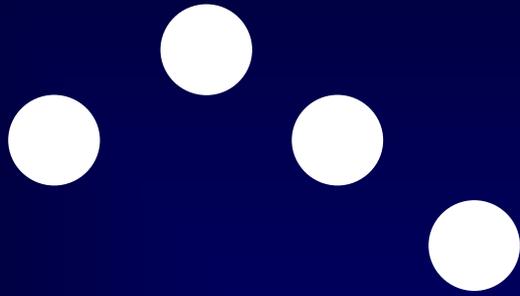

**Fleiß vollbracht**

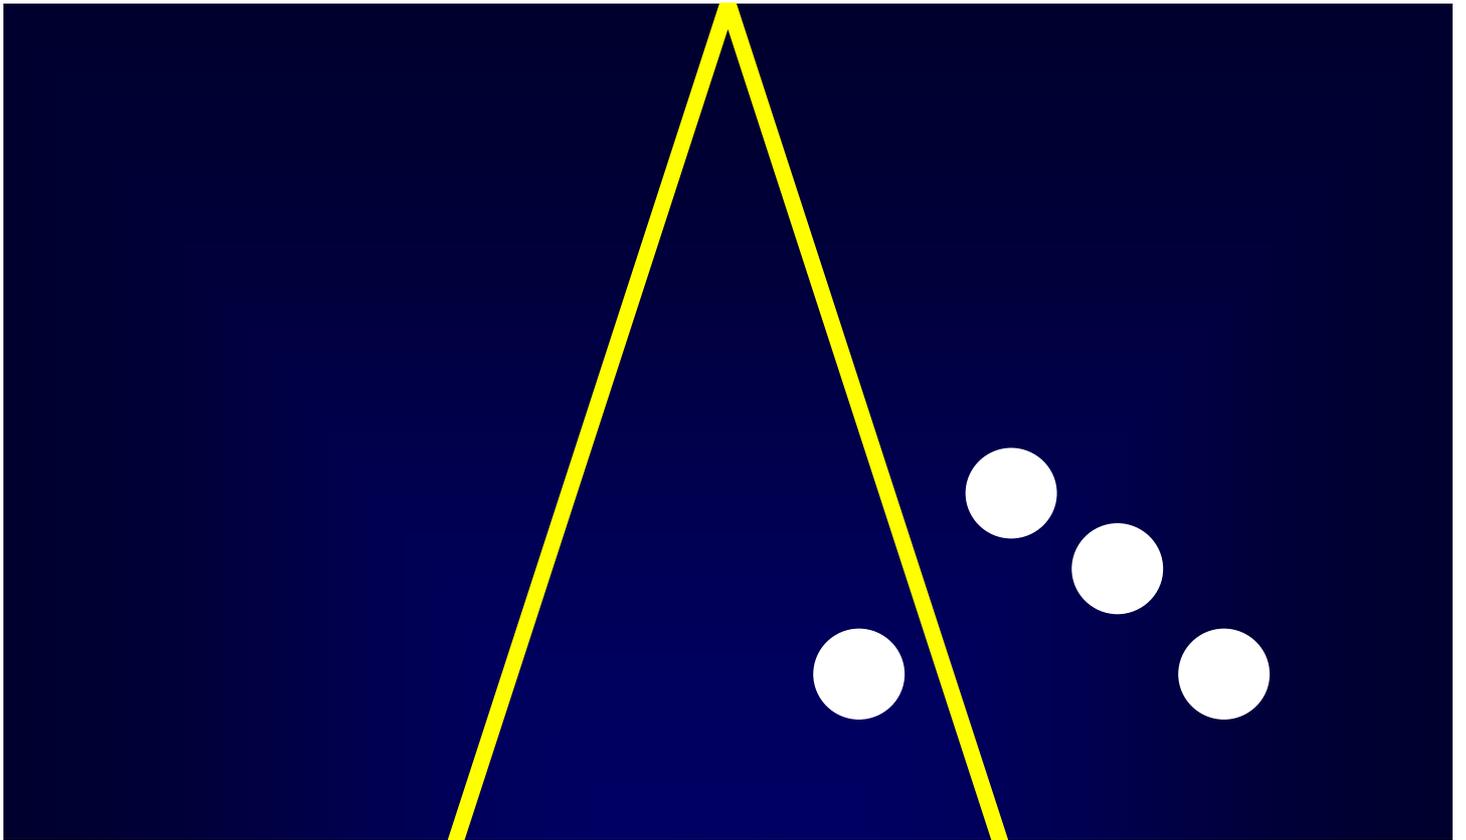

was wir begonnen

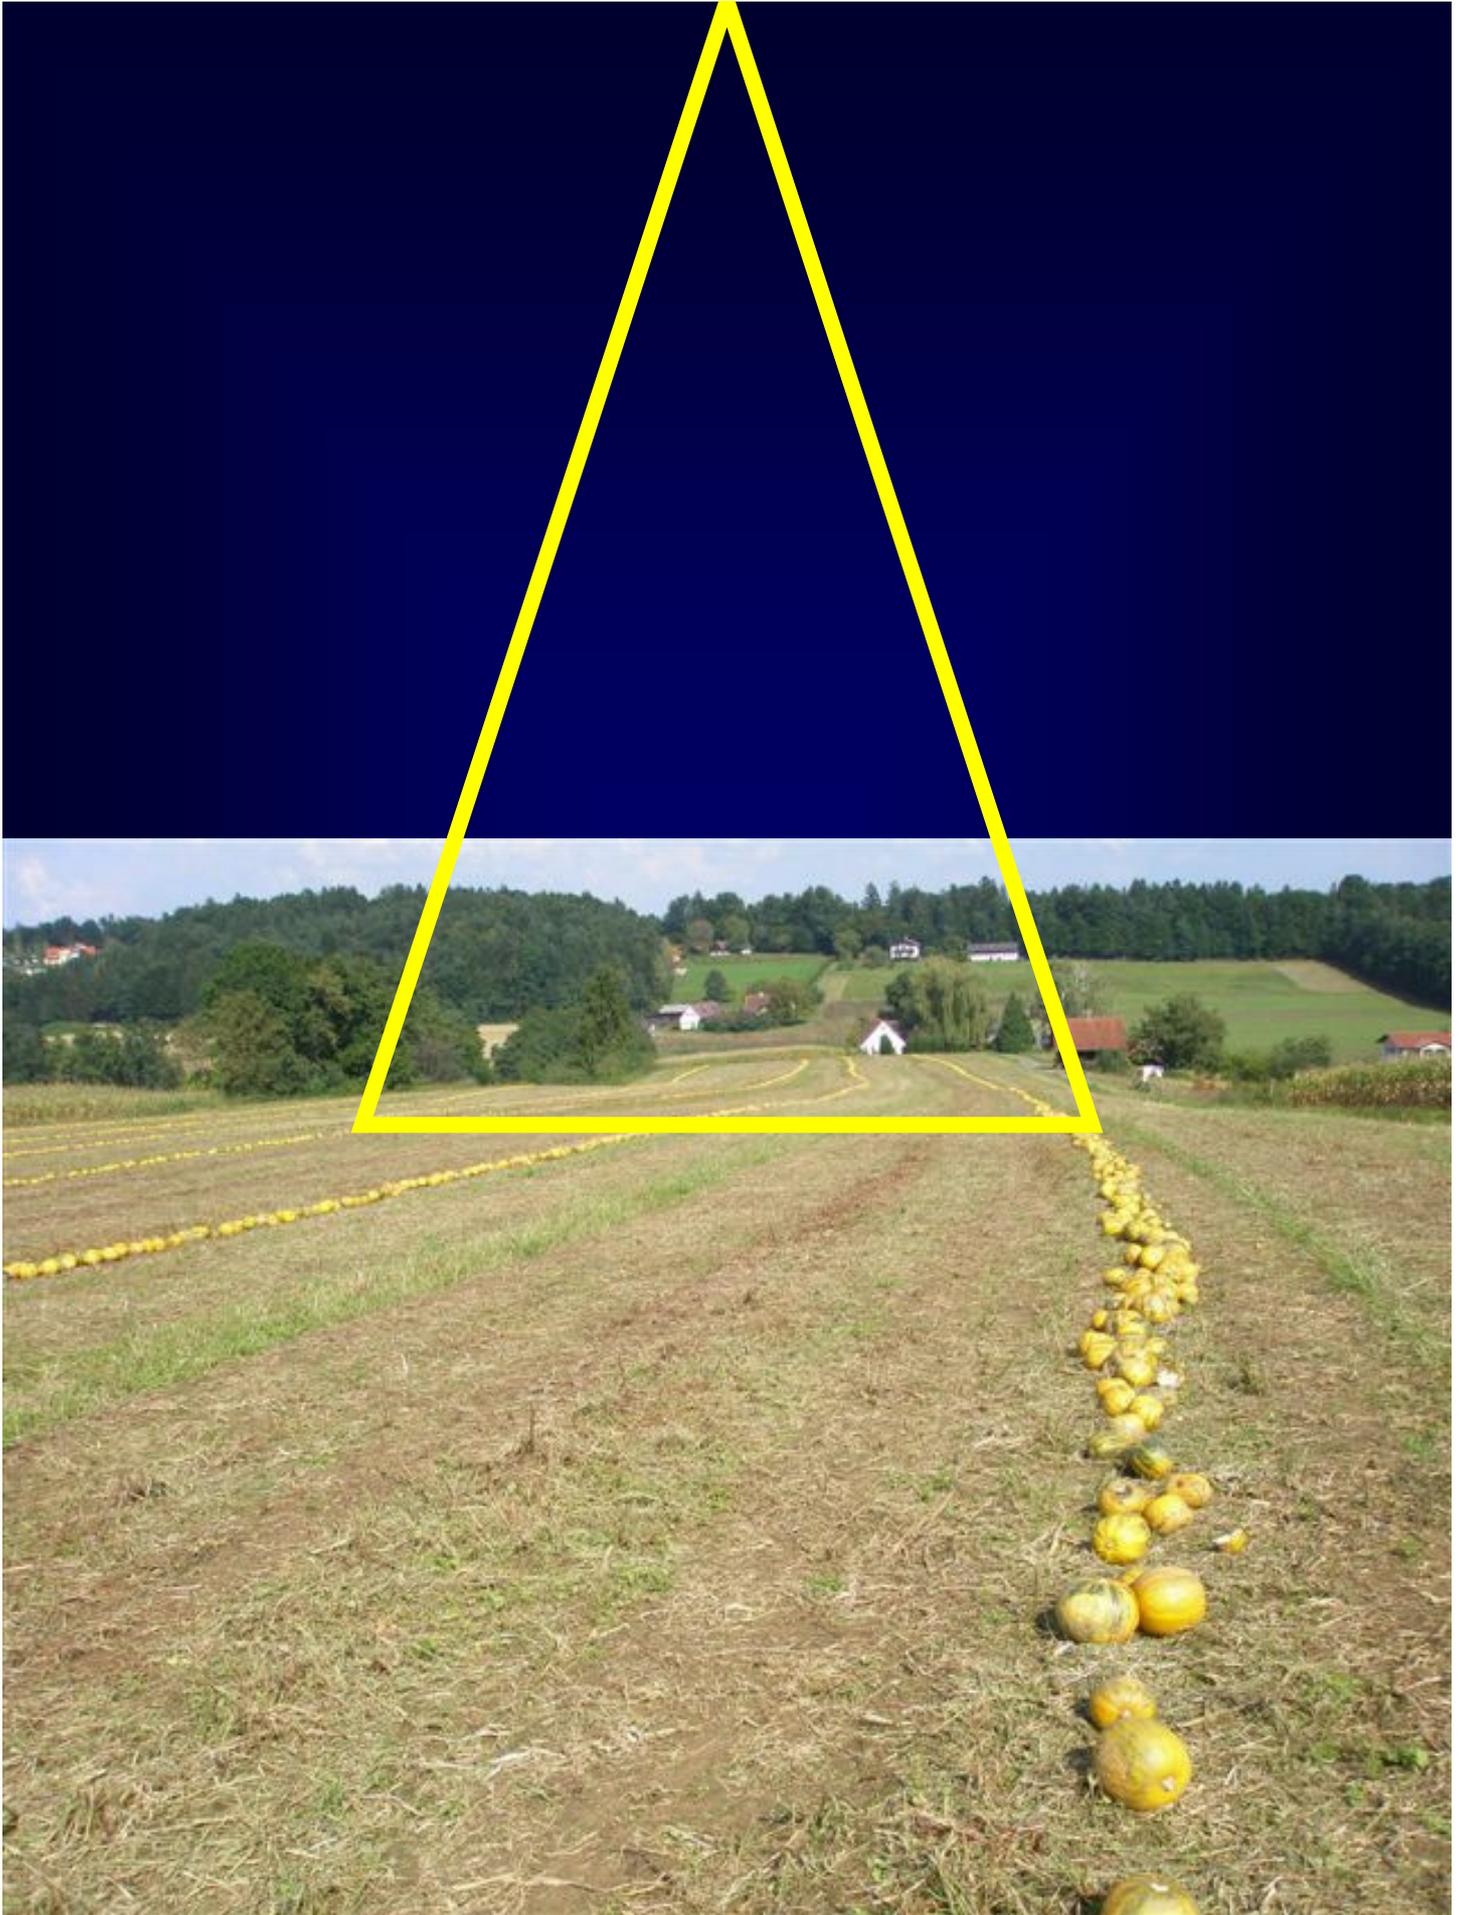

**und vollendet**

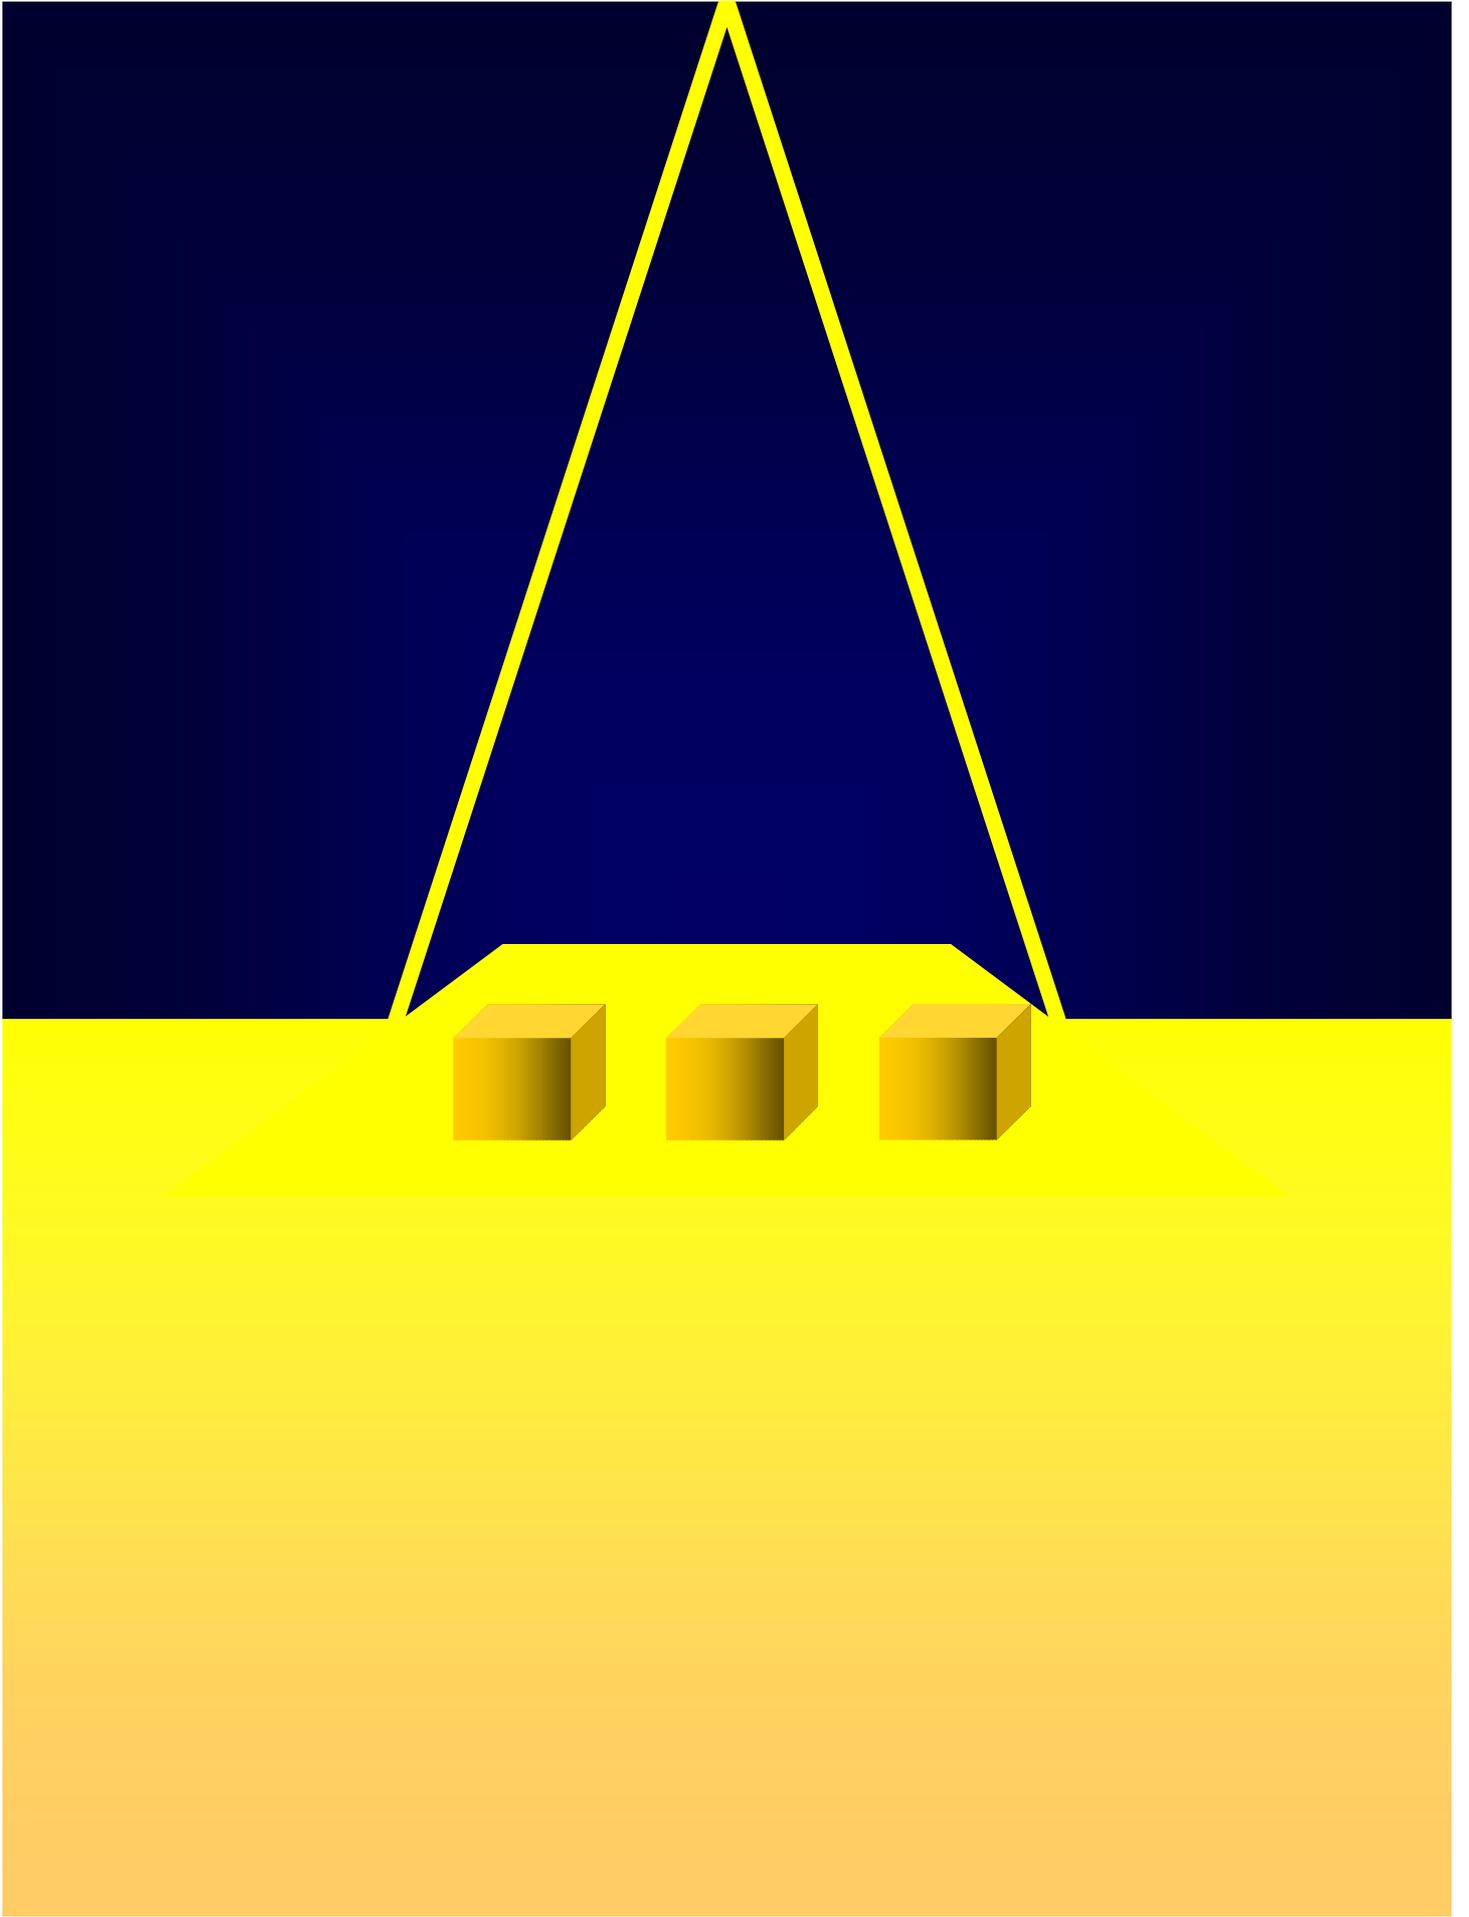

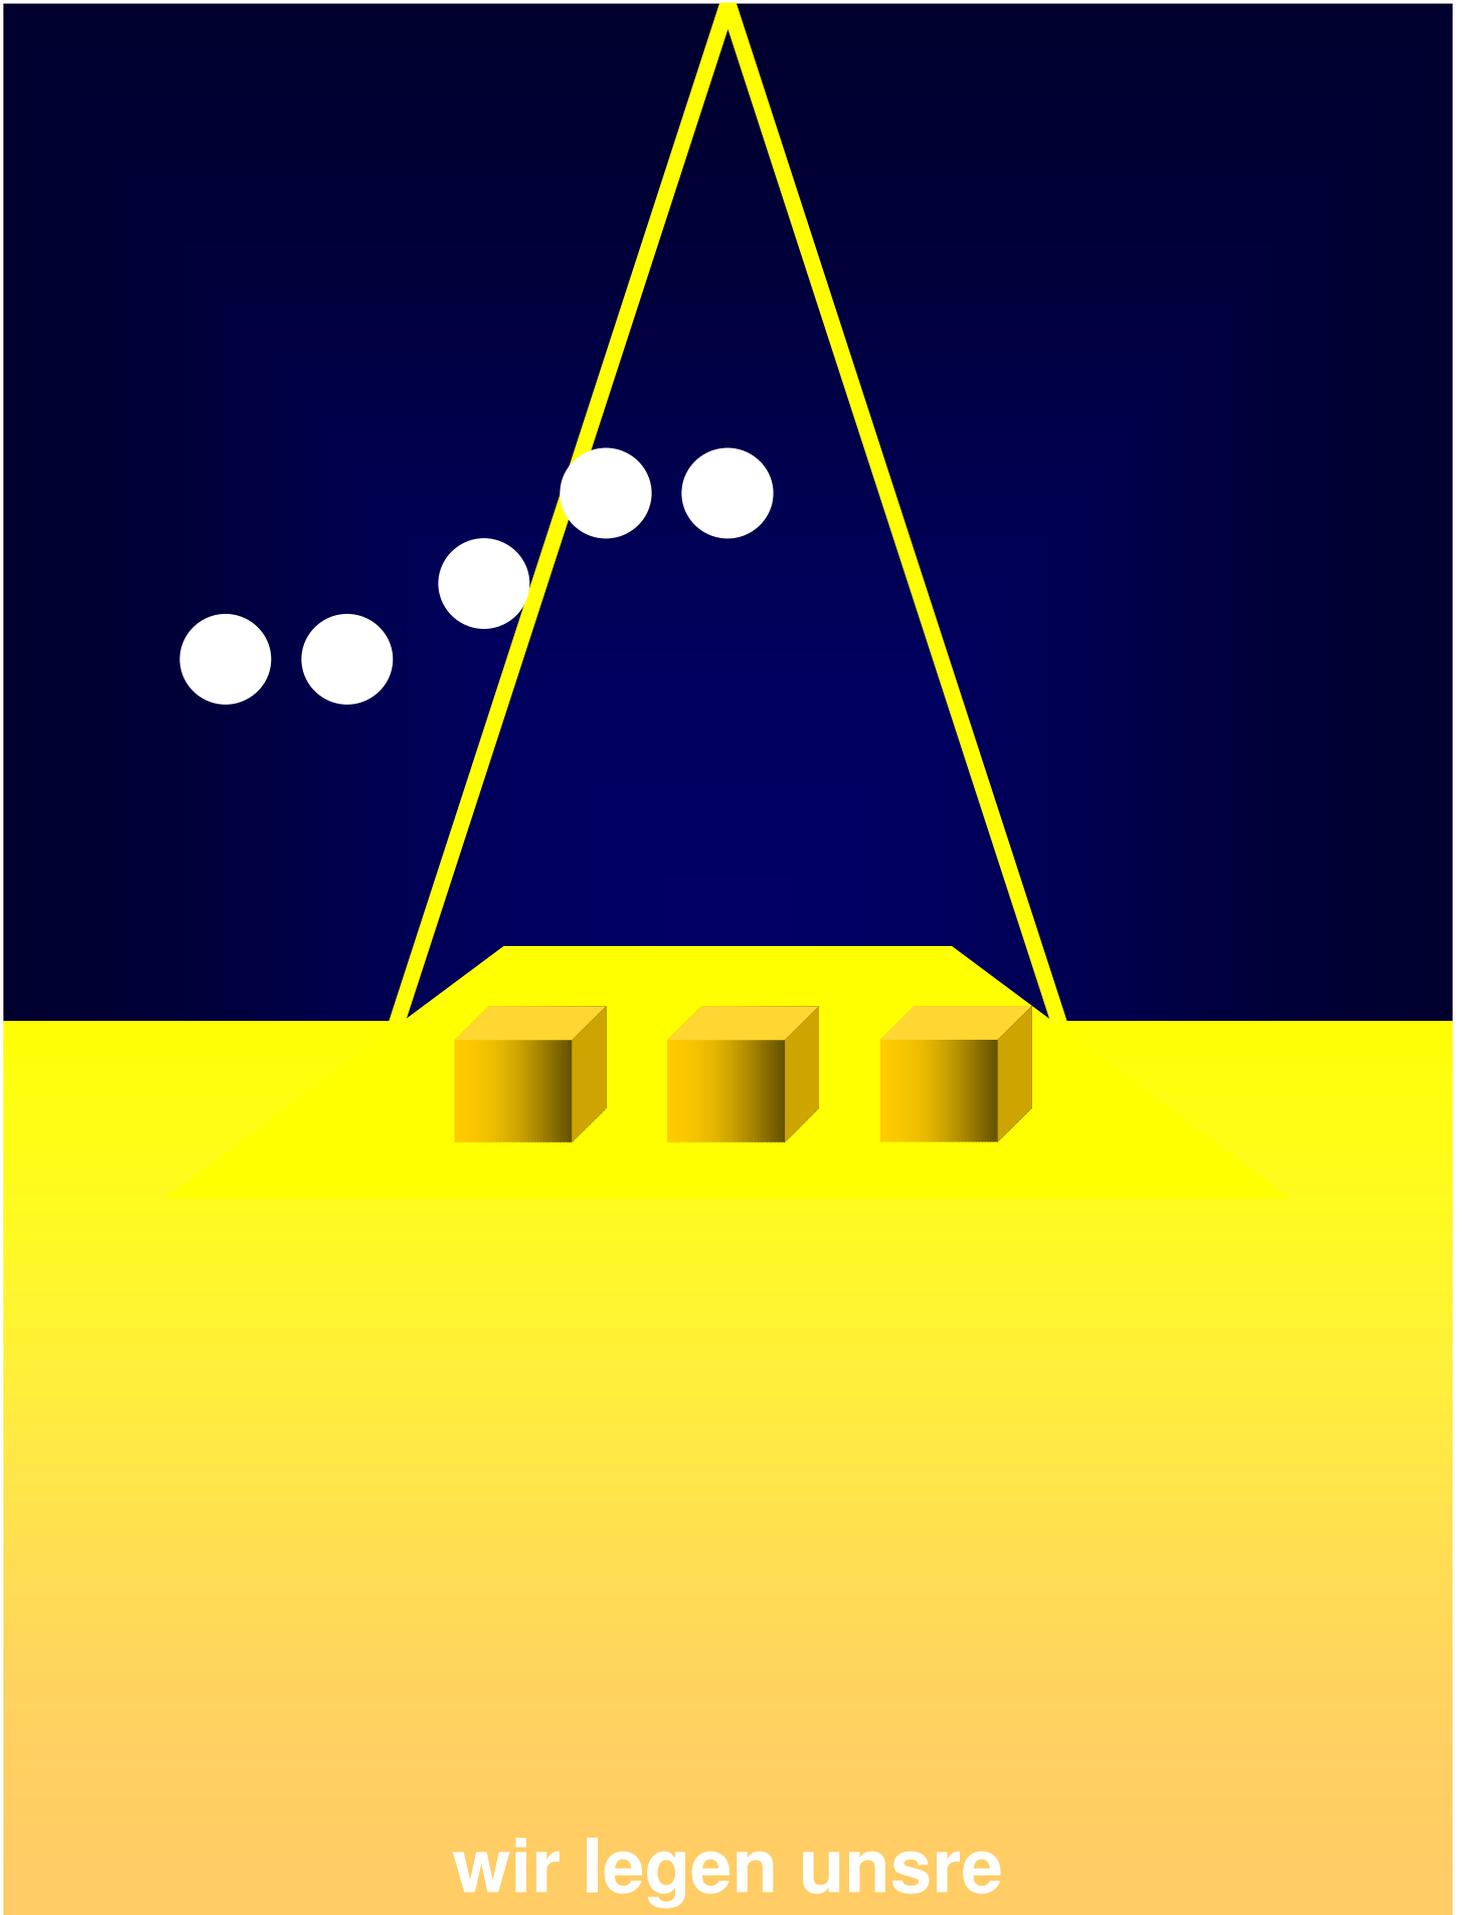

sei Gott und Herr

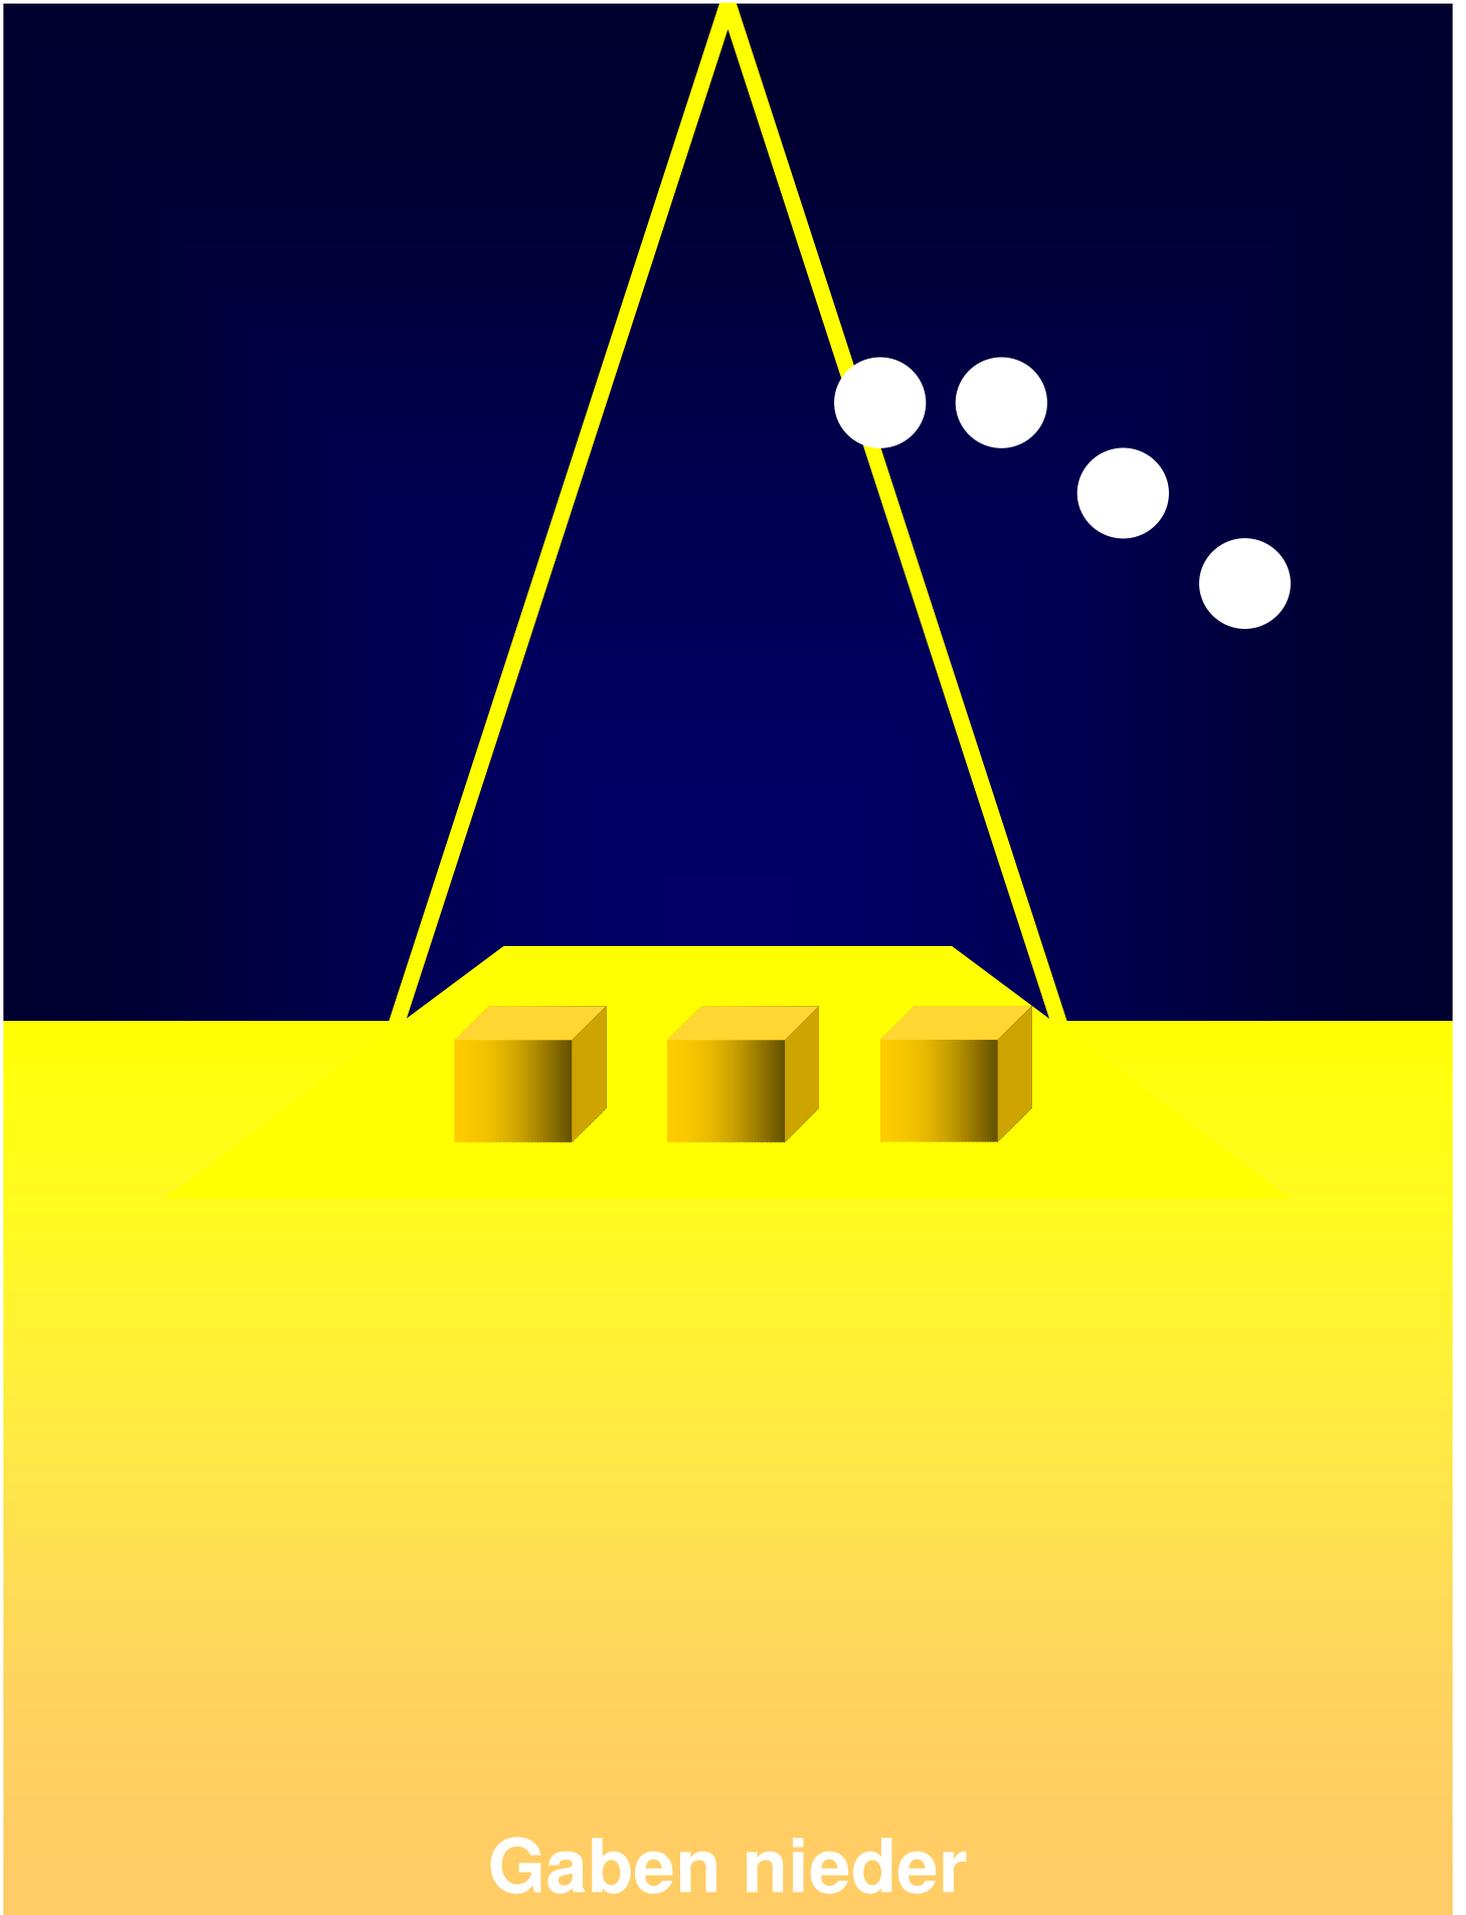

zu Dir gebracht

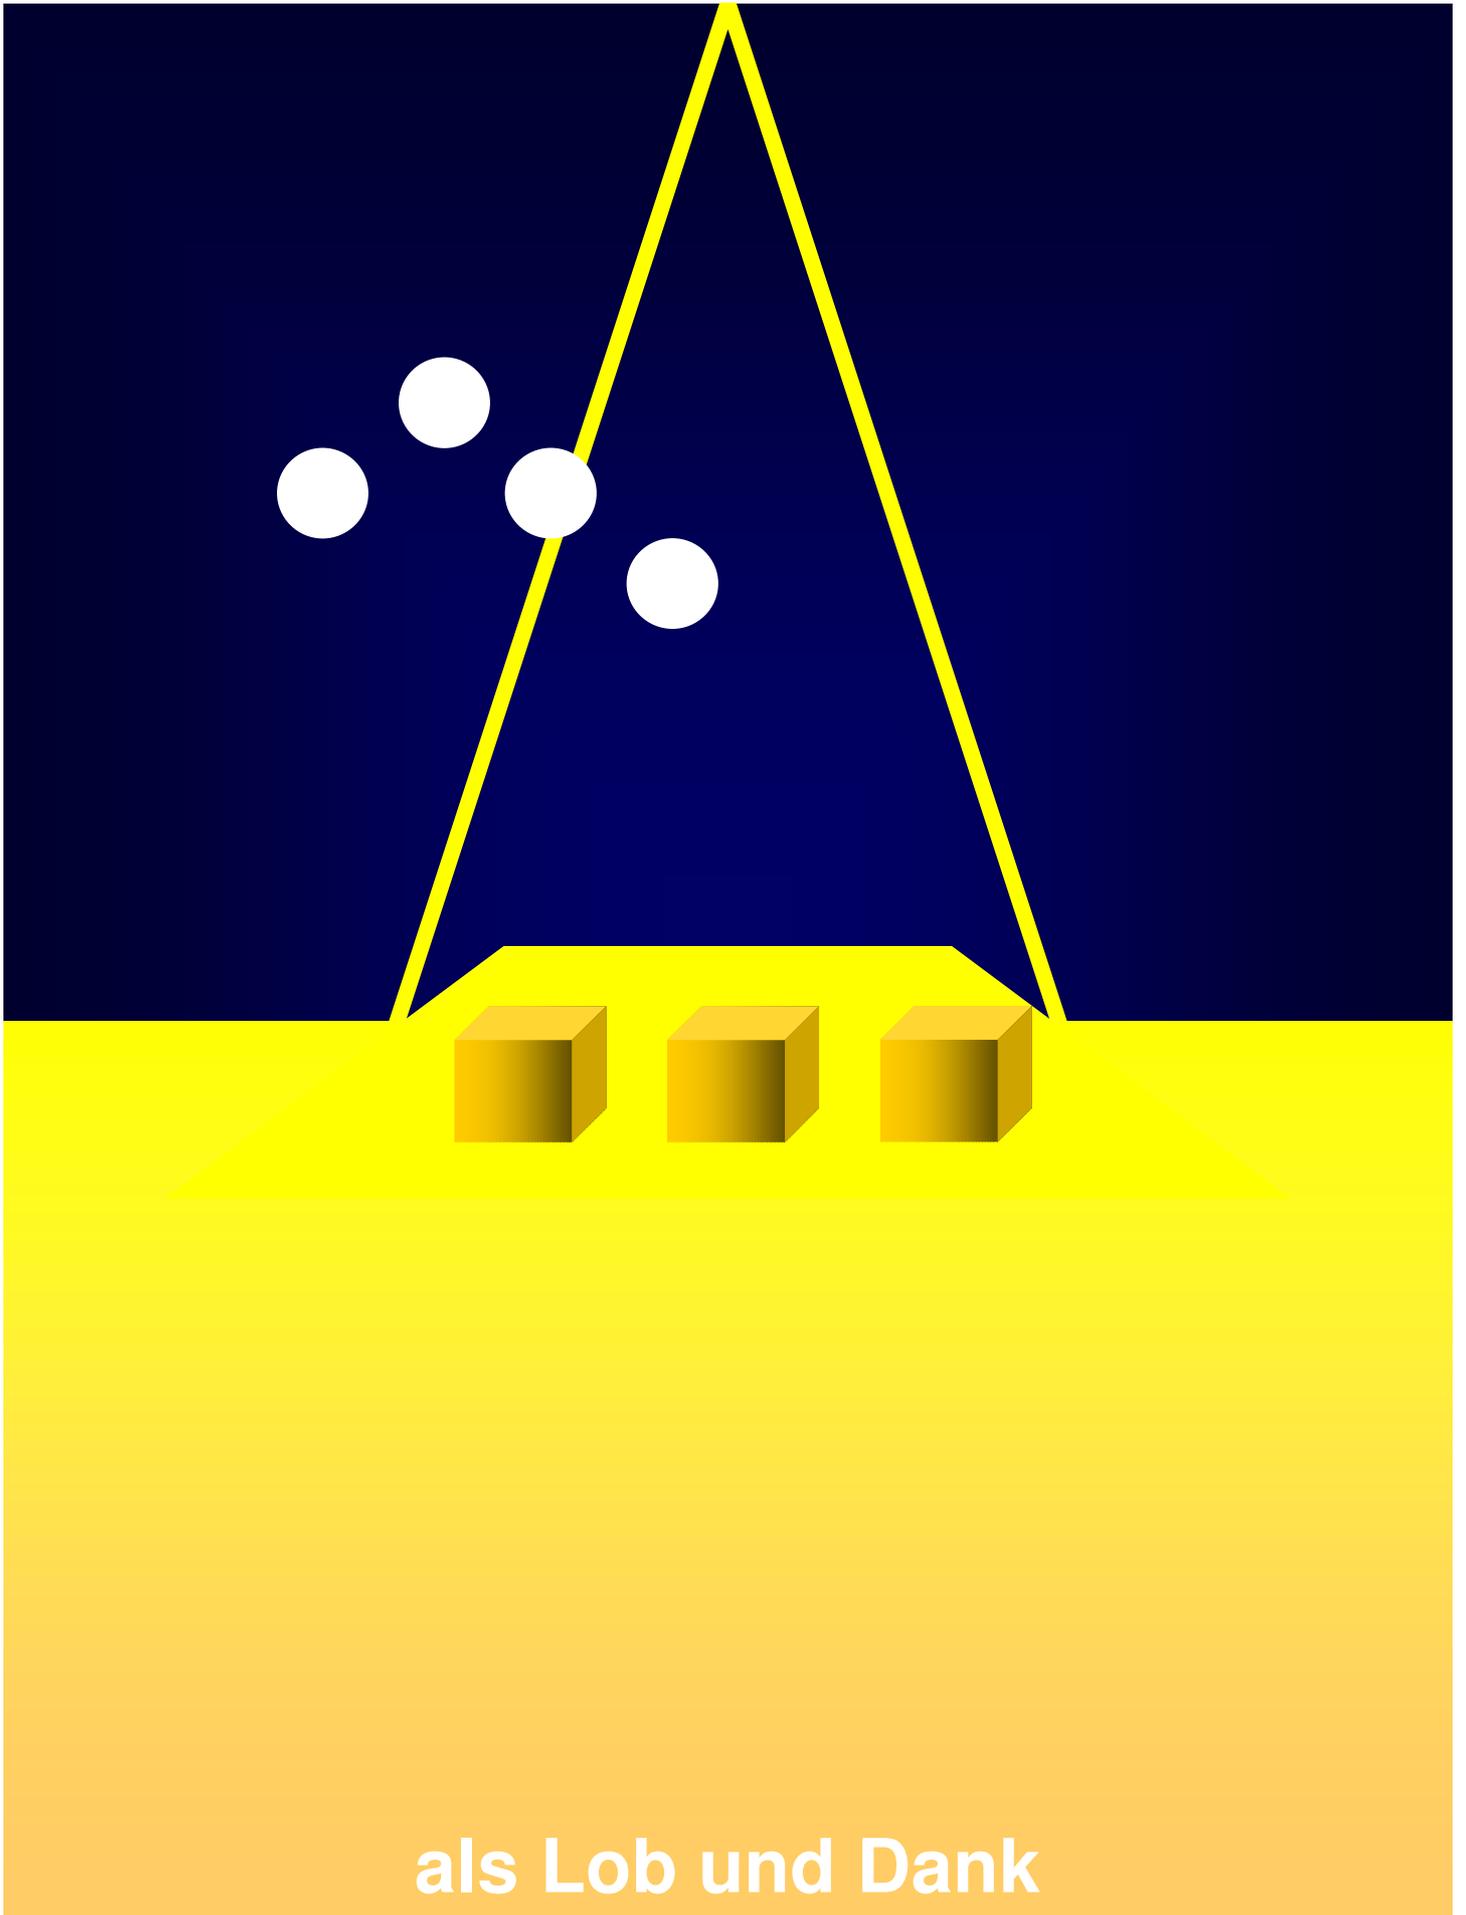

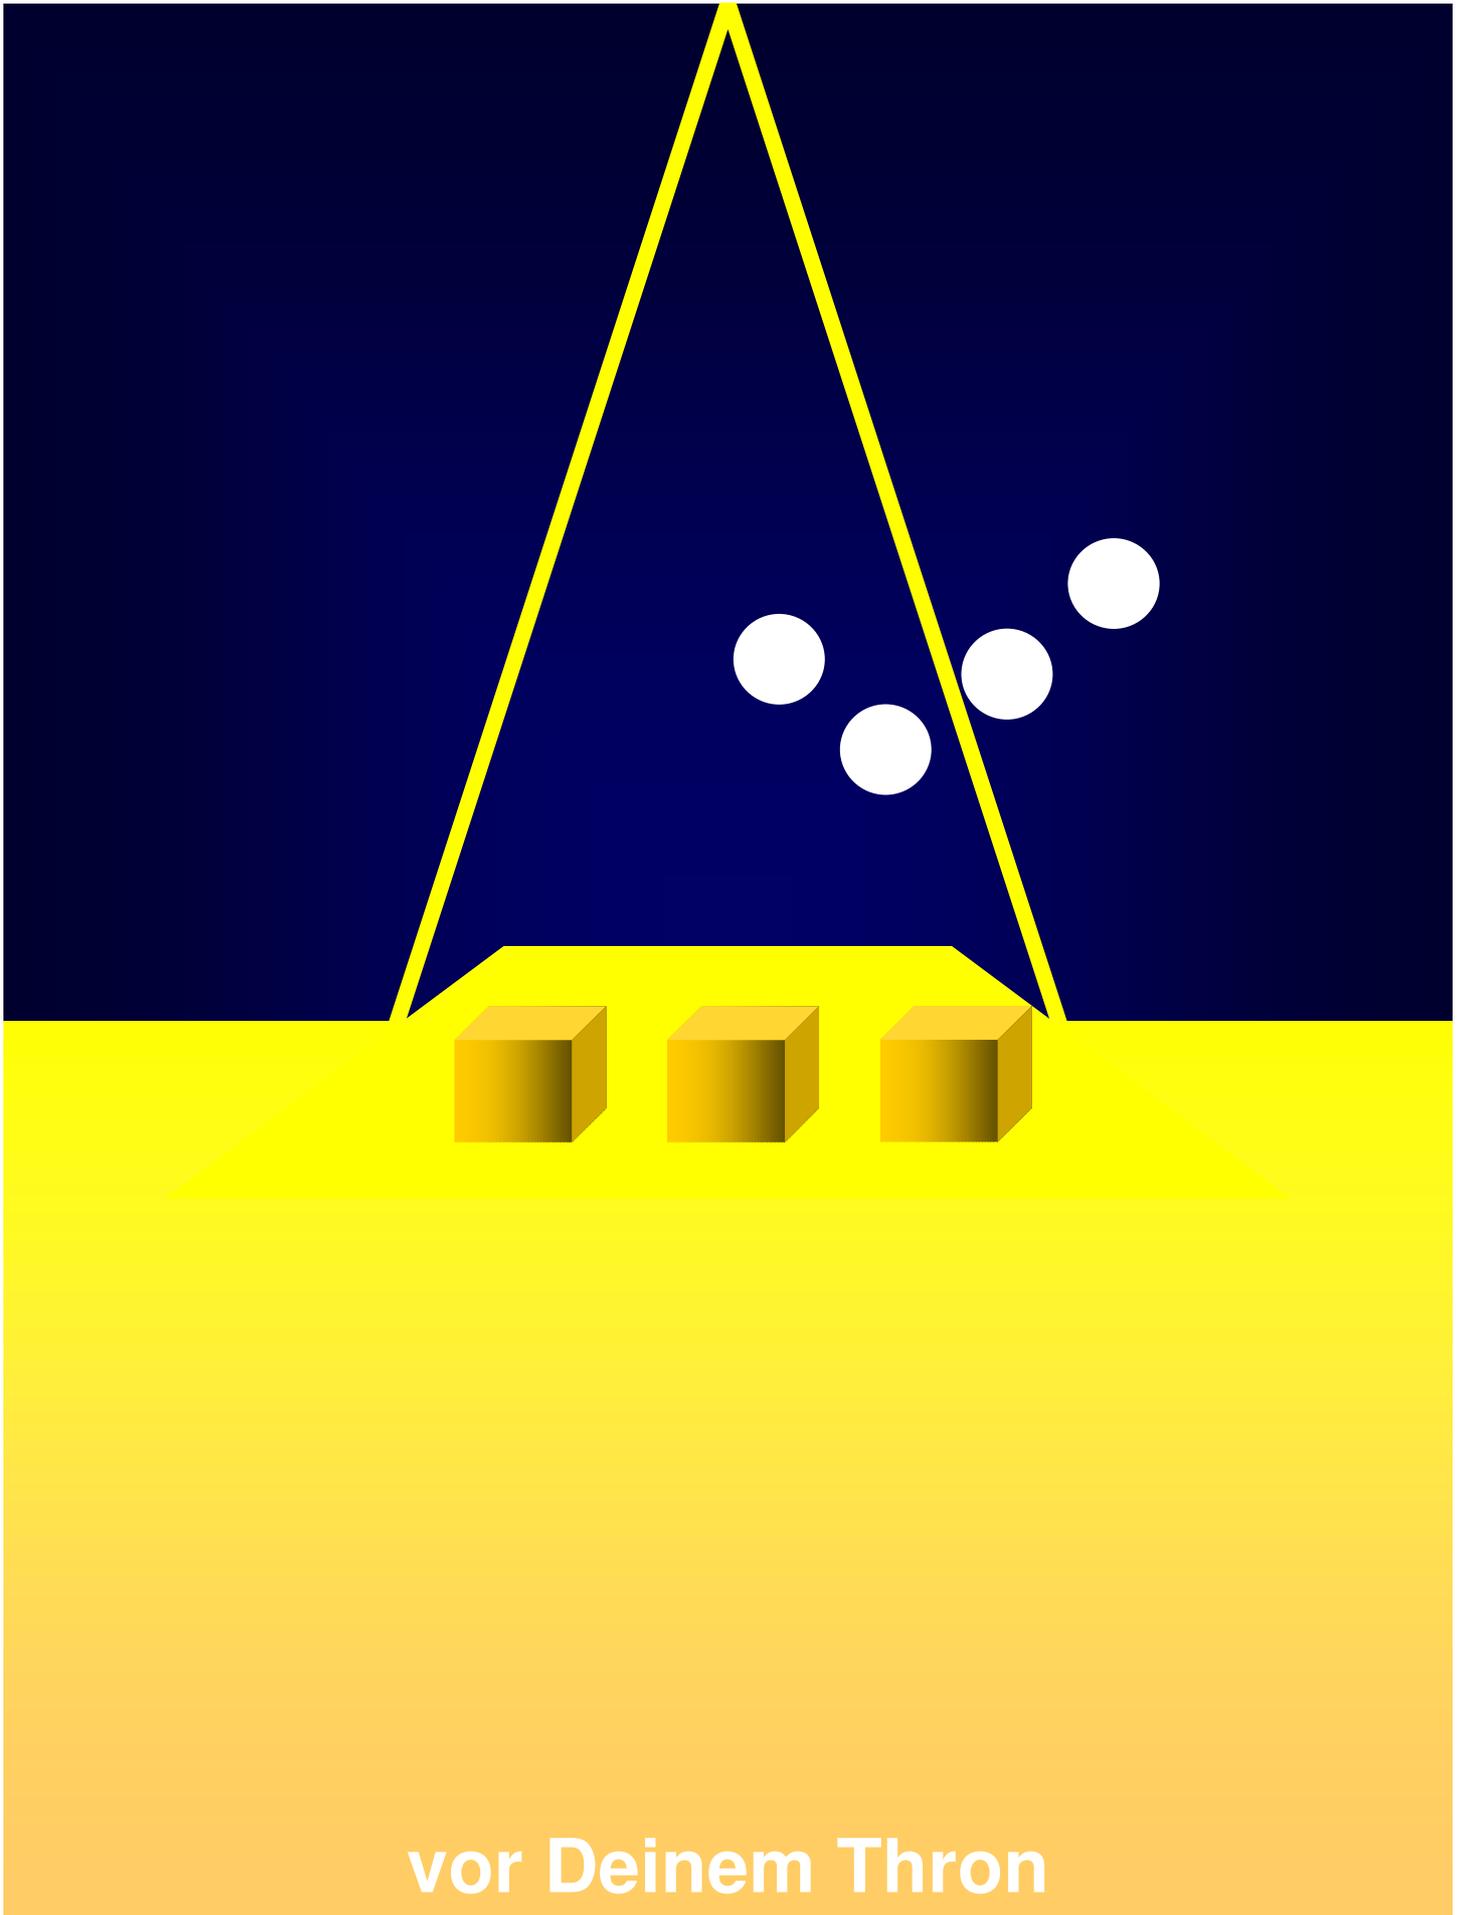

wir legen unsre

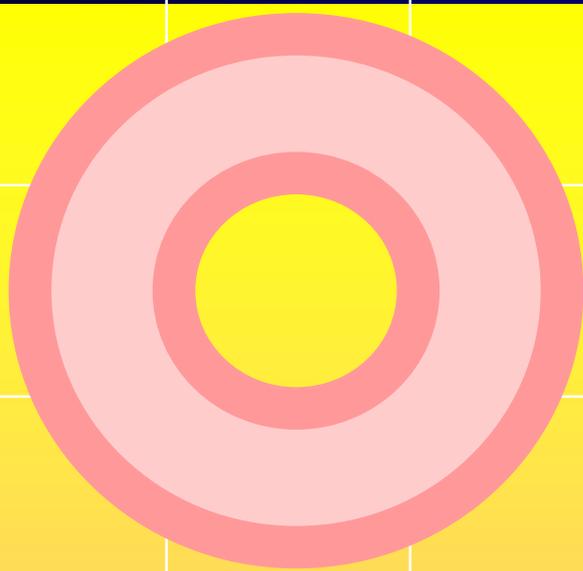

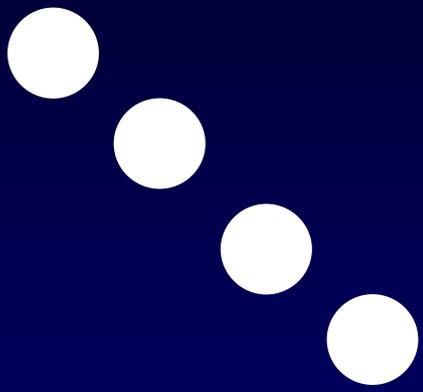

Gaben nieder

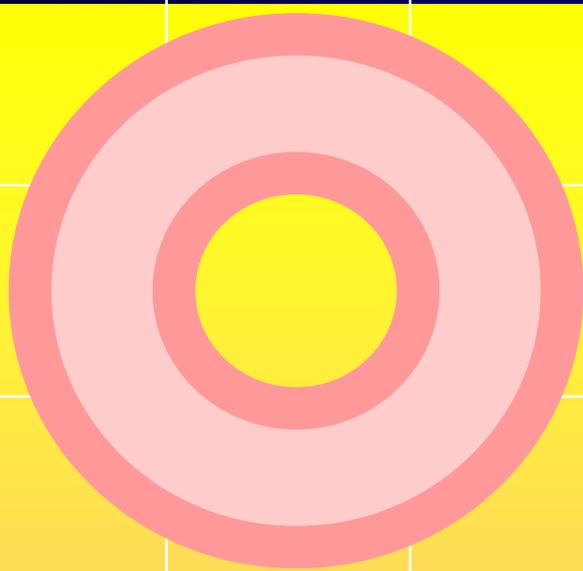

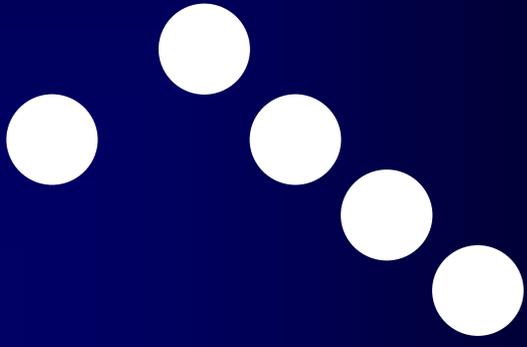

als Lob und Dank

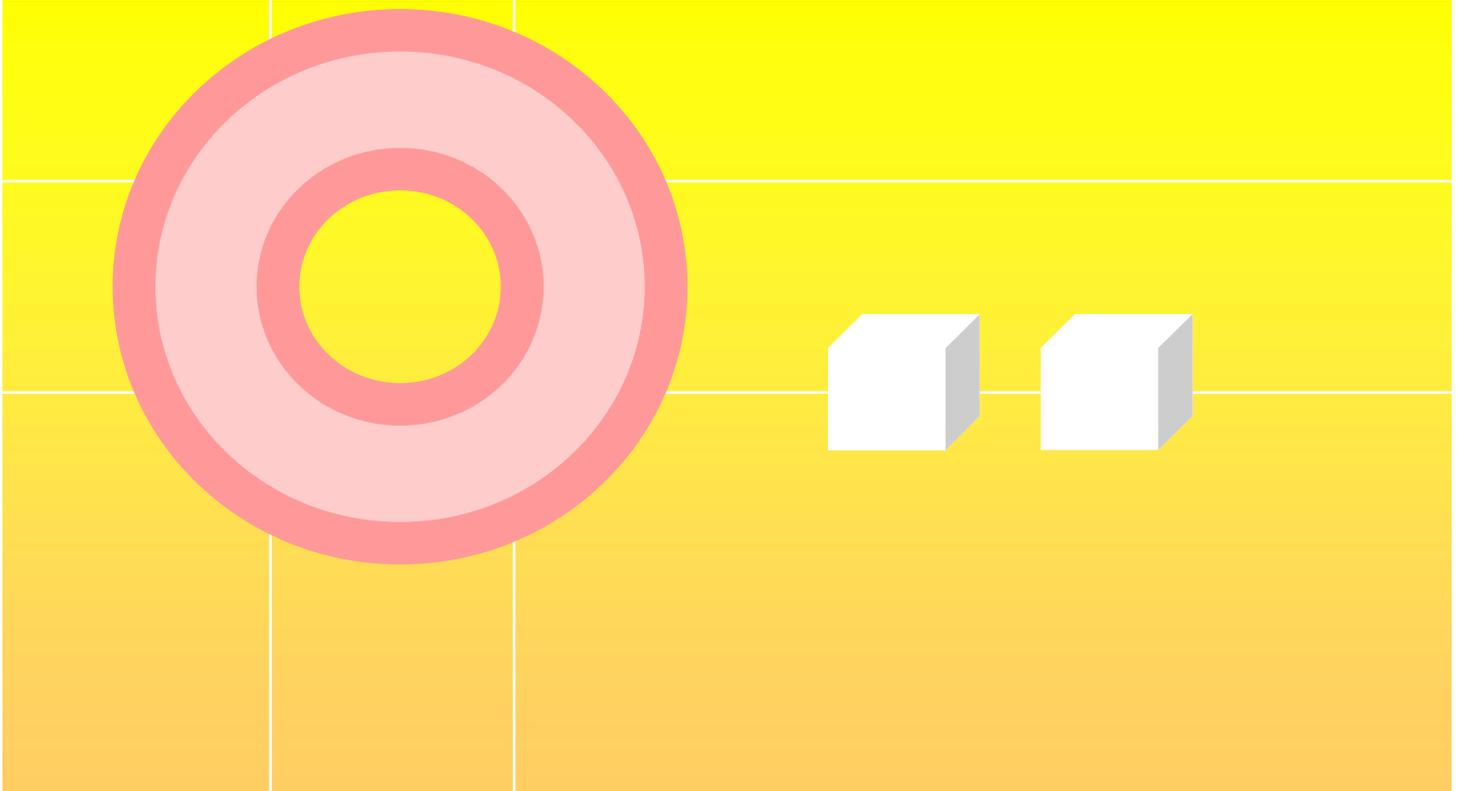

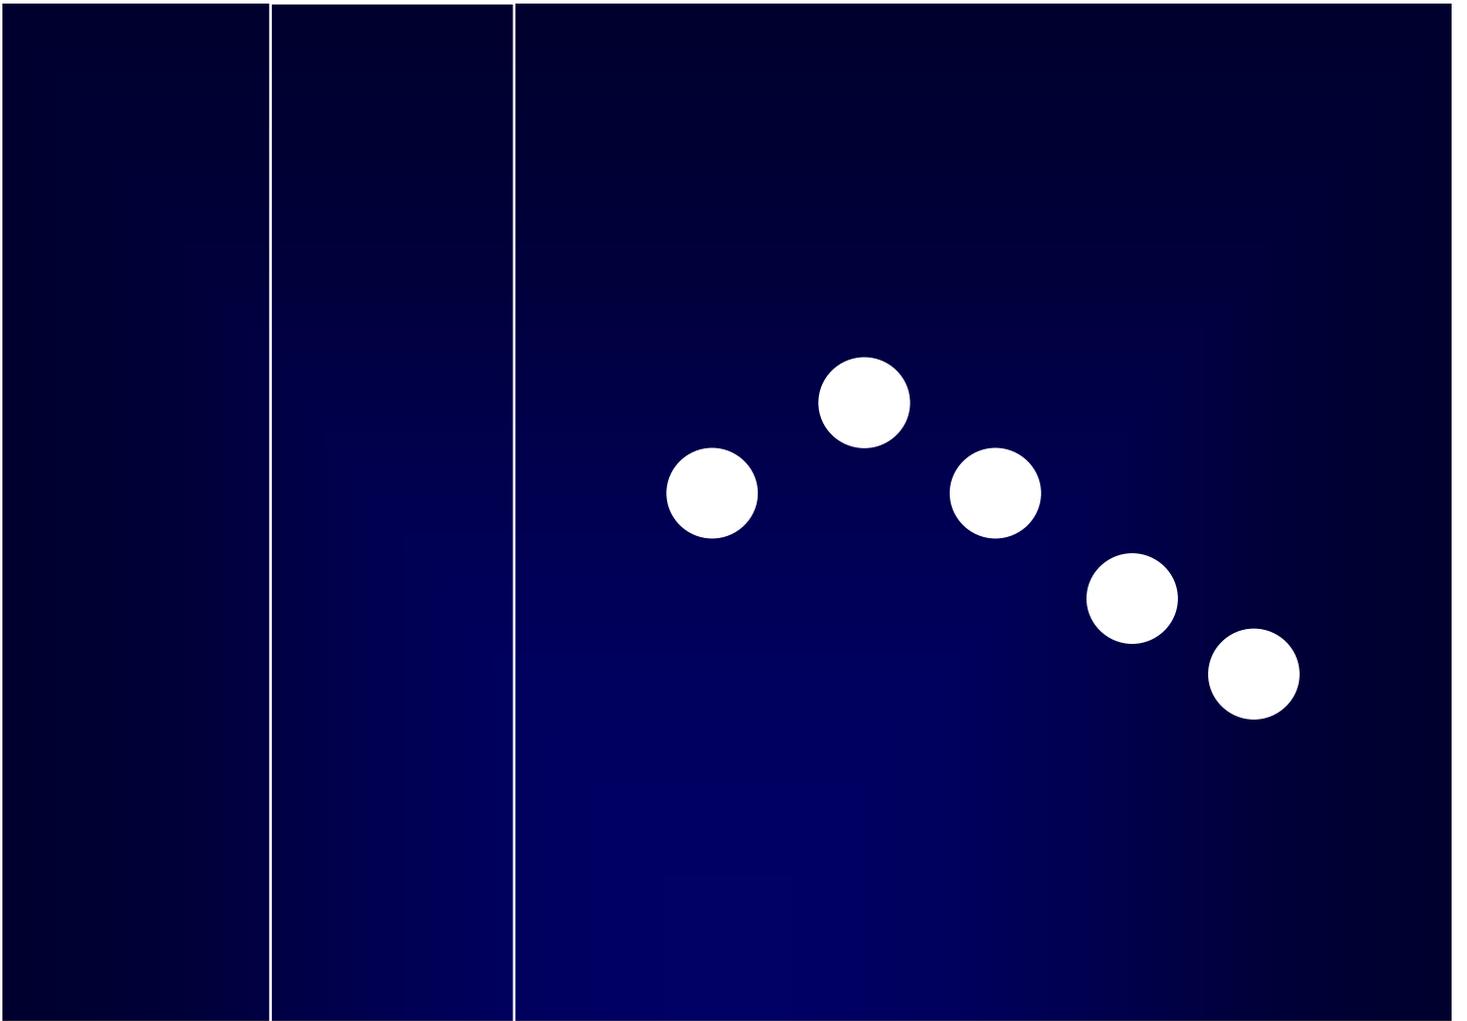

vor Deinem Thron

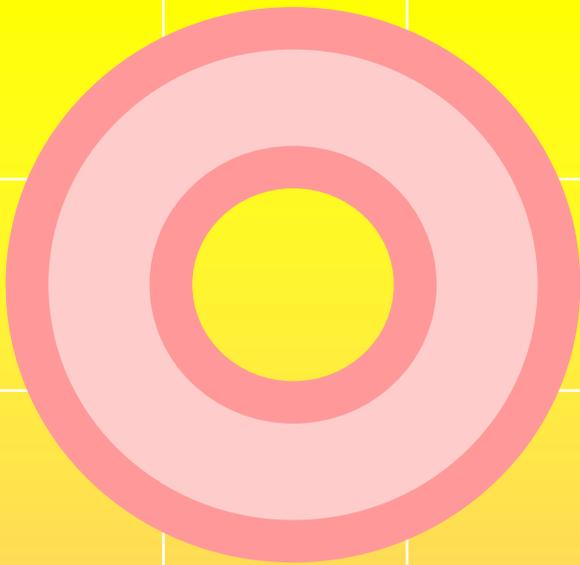

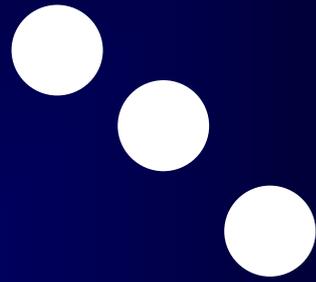

Herr schenk sie uns

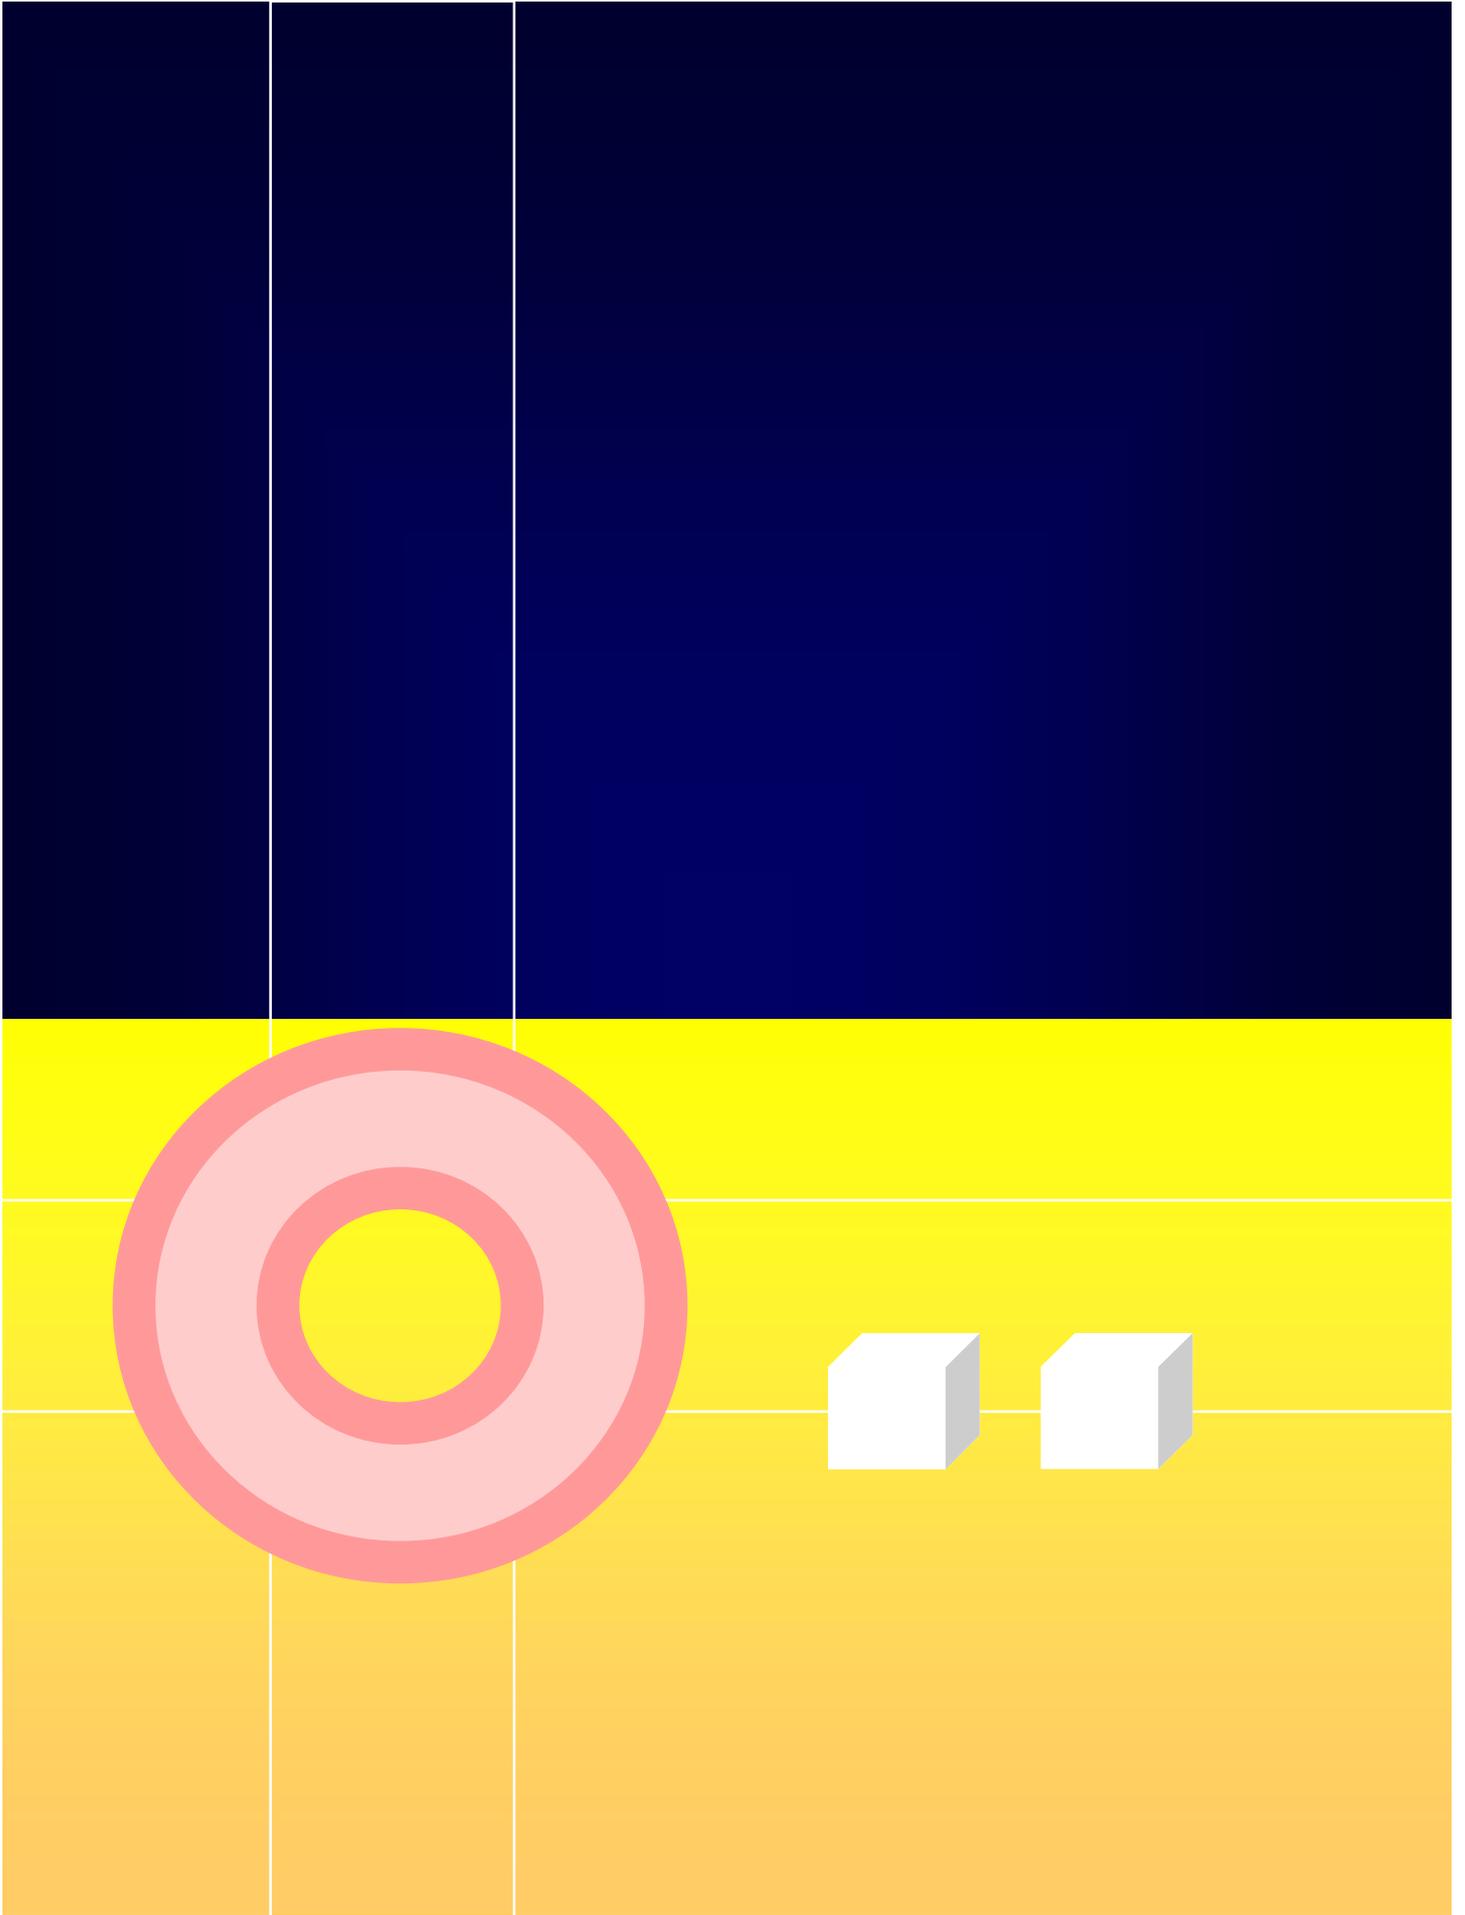

verwandelt wieder

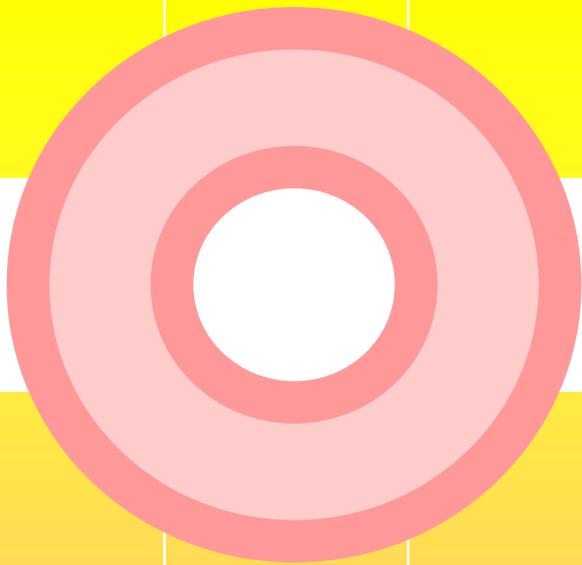

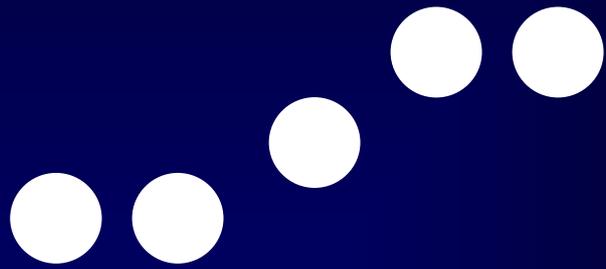

in Jesus Christus

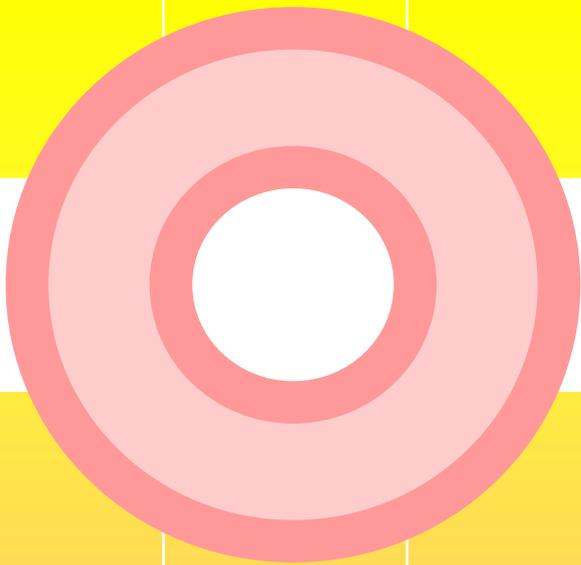

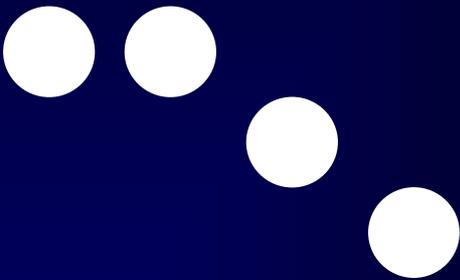

Deinem Sohn

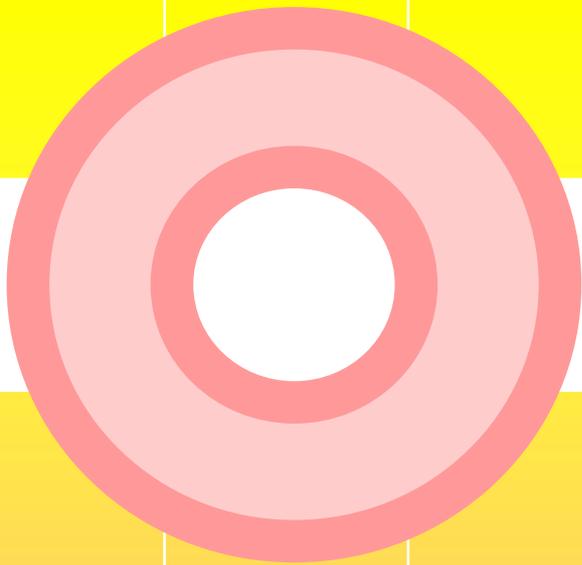

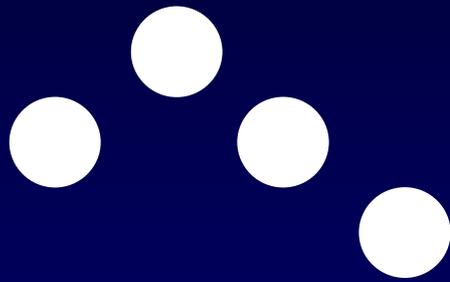

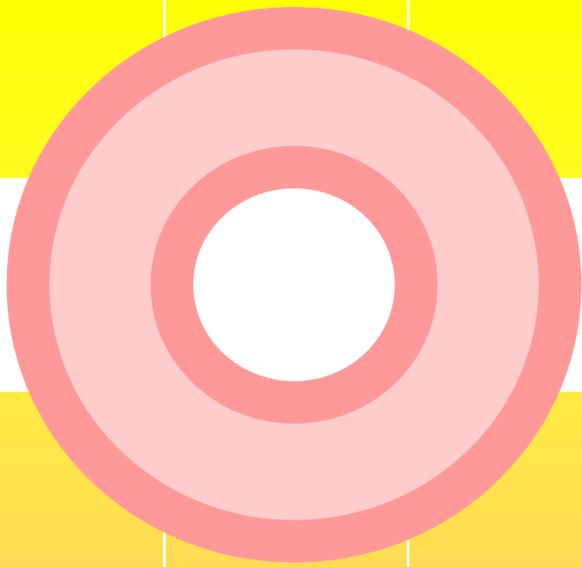

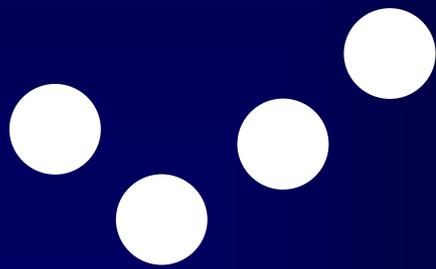

**wie Wein und Wasser**

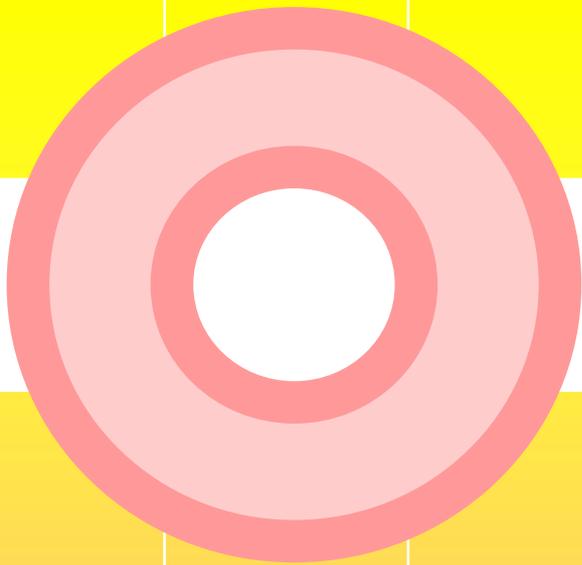

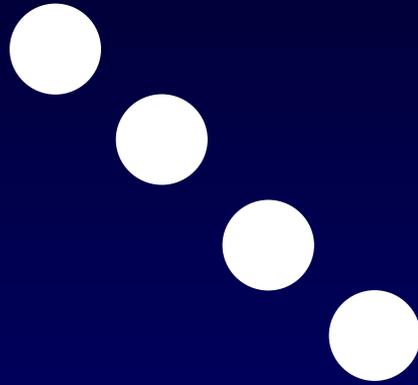

sich verbinden

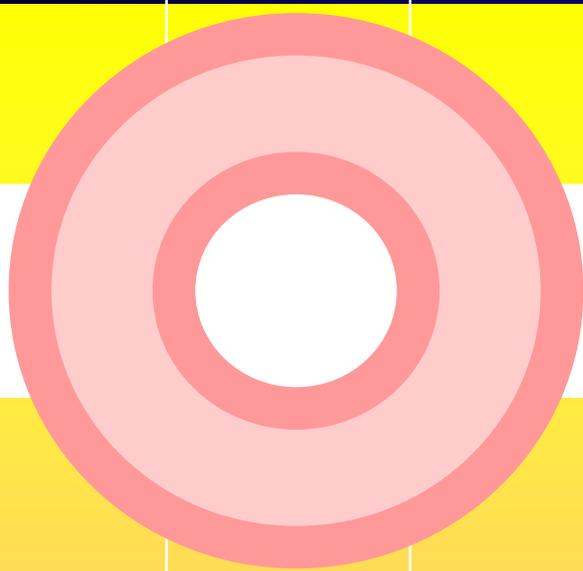

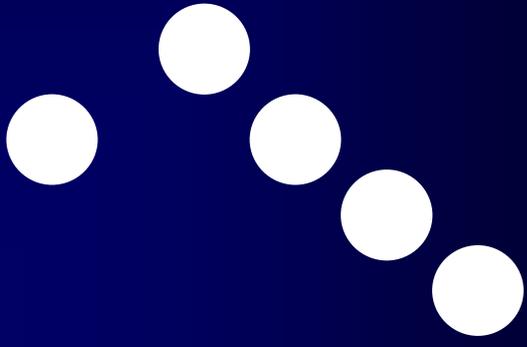

so gehen wir

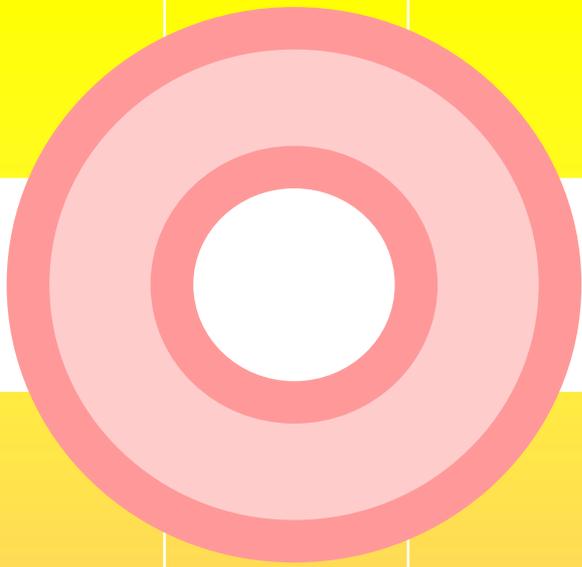

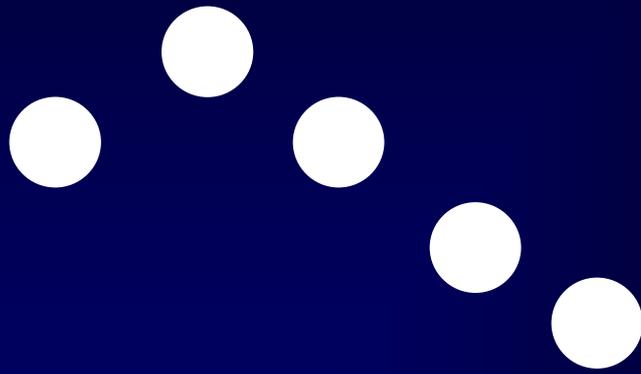

in Christus ein

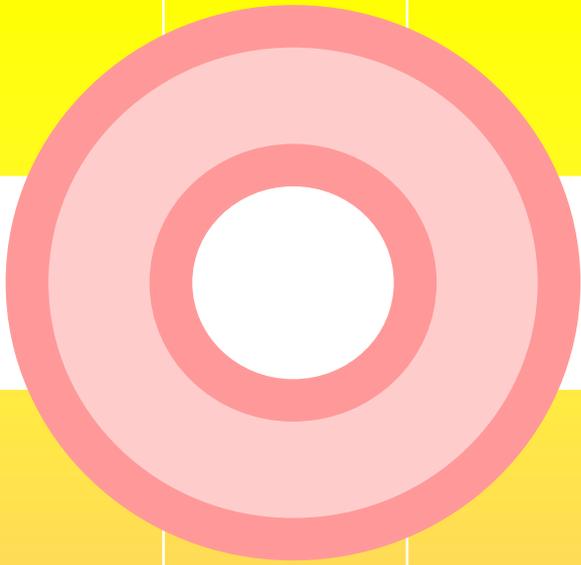

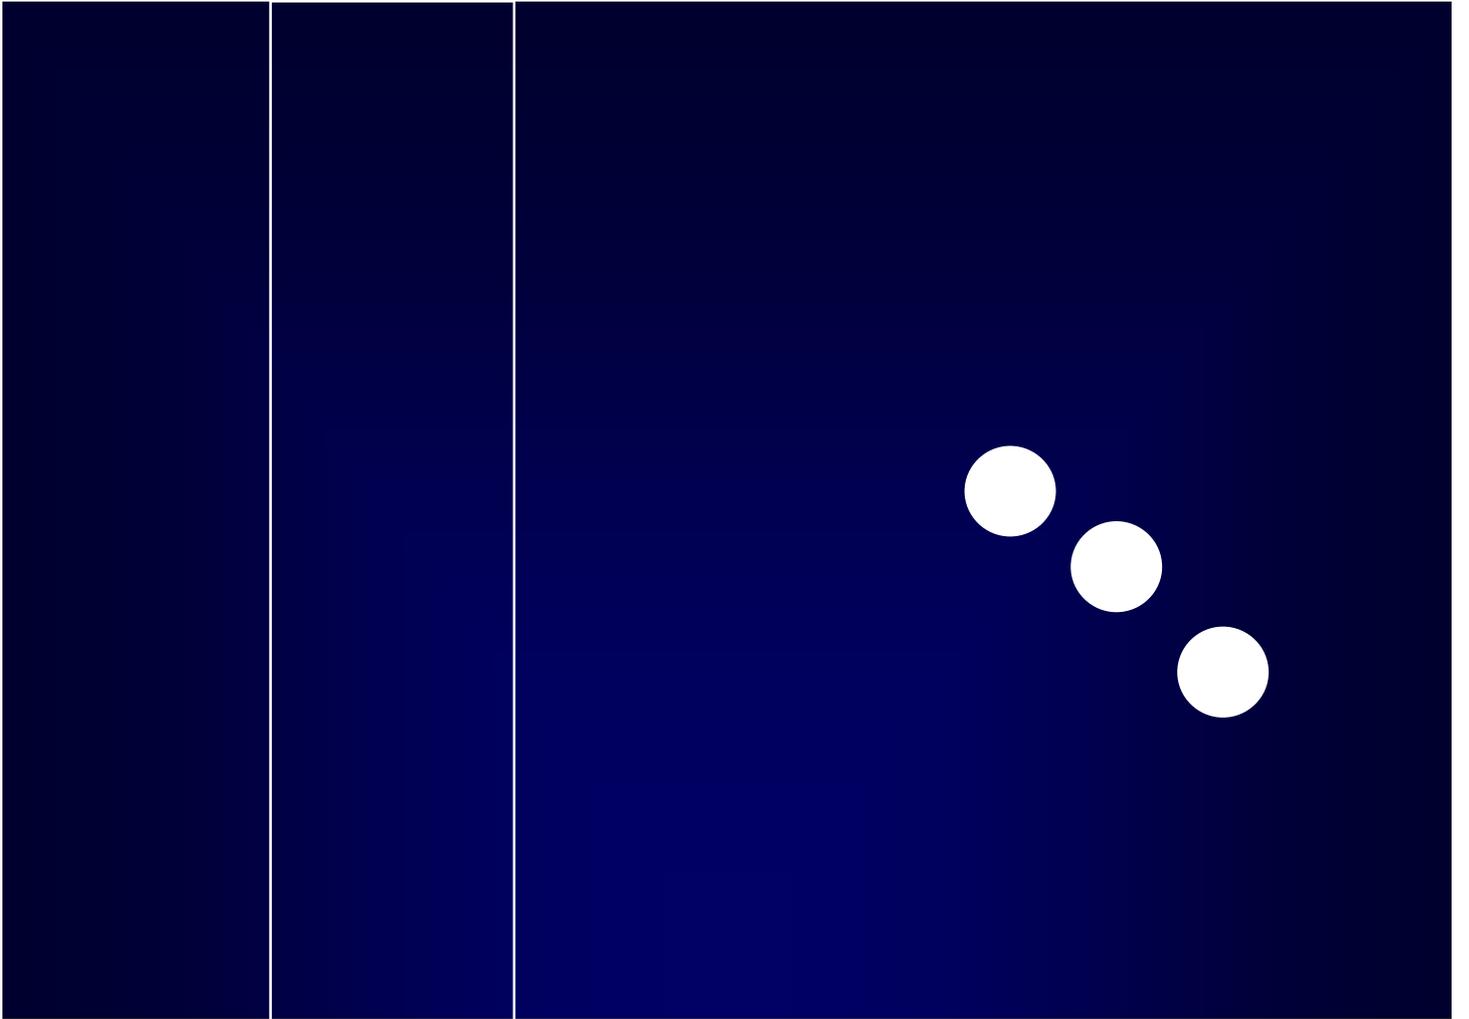

wir werden die

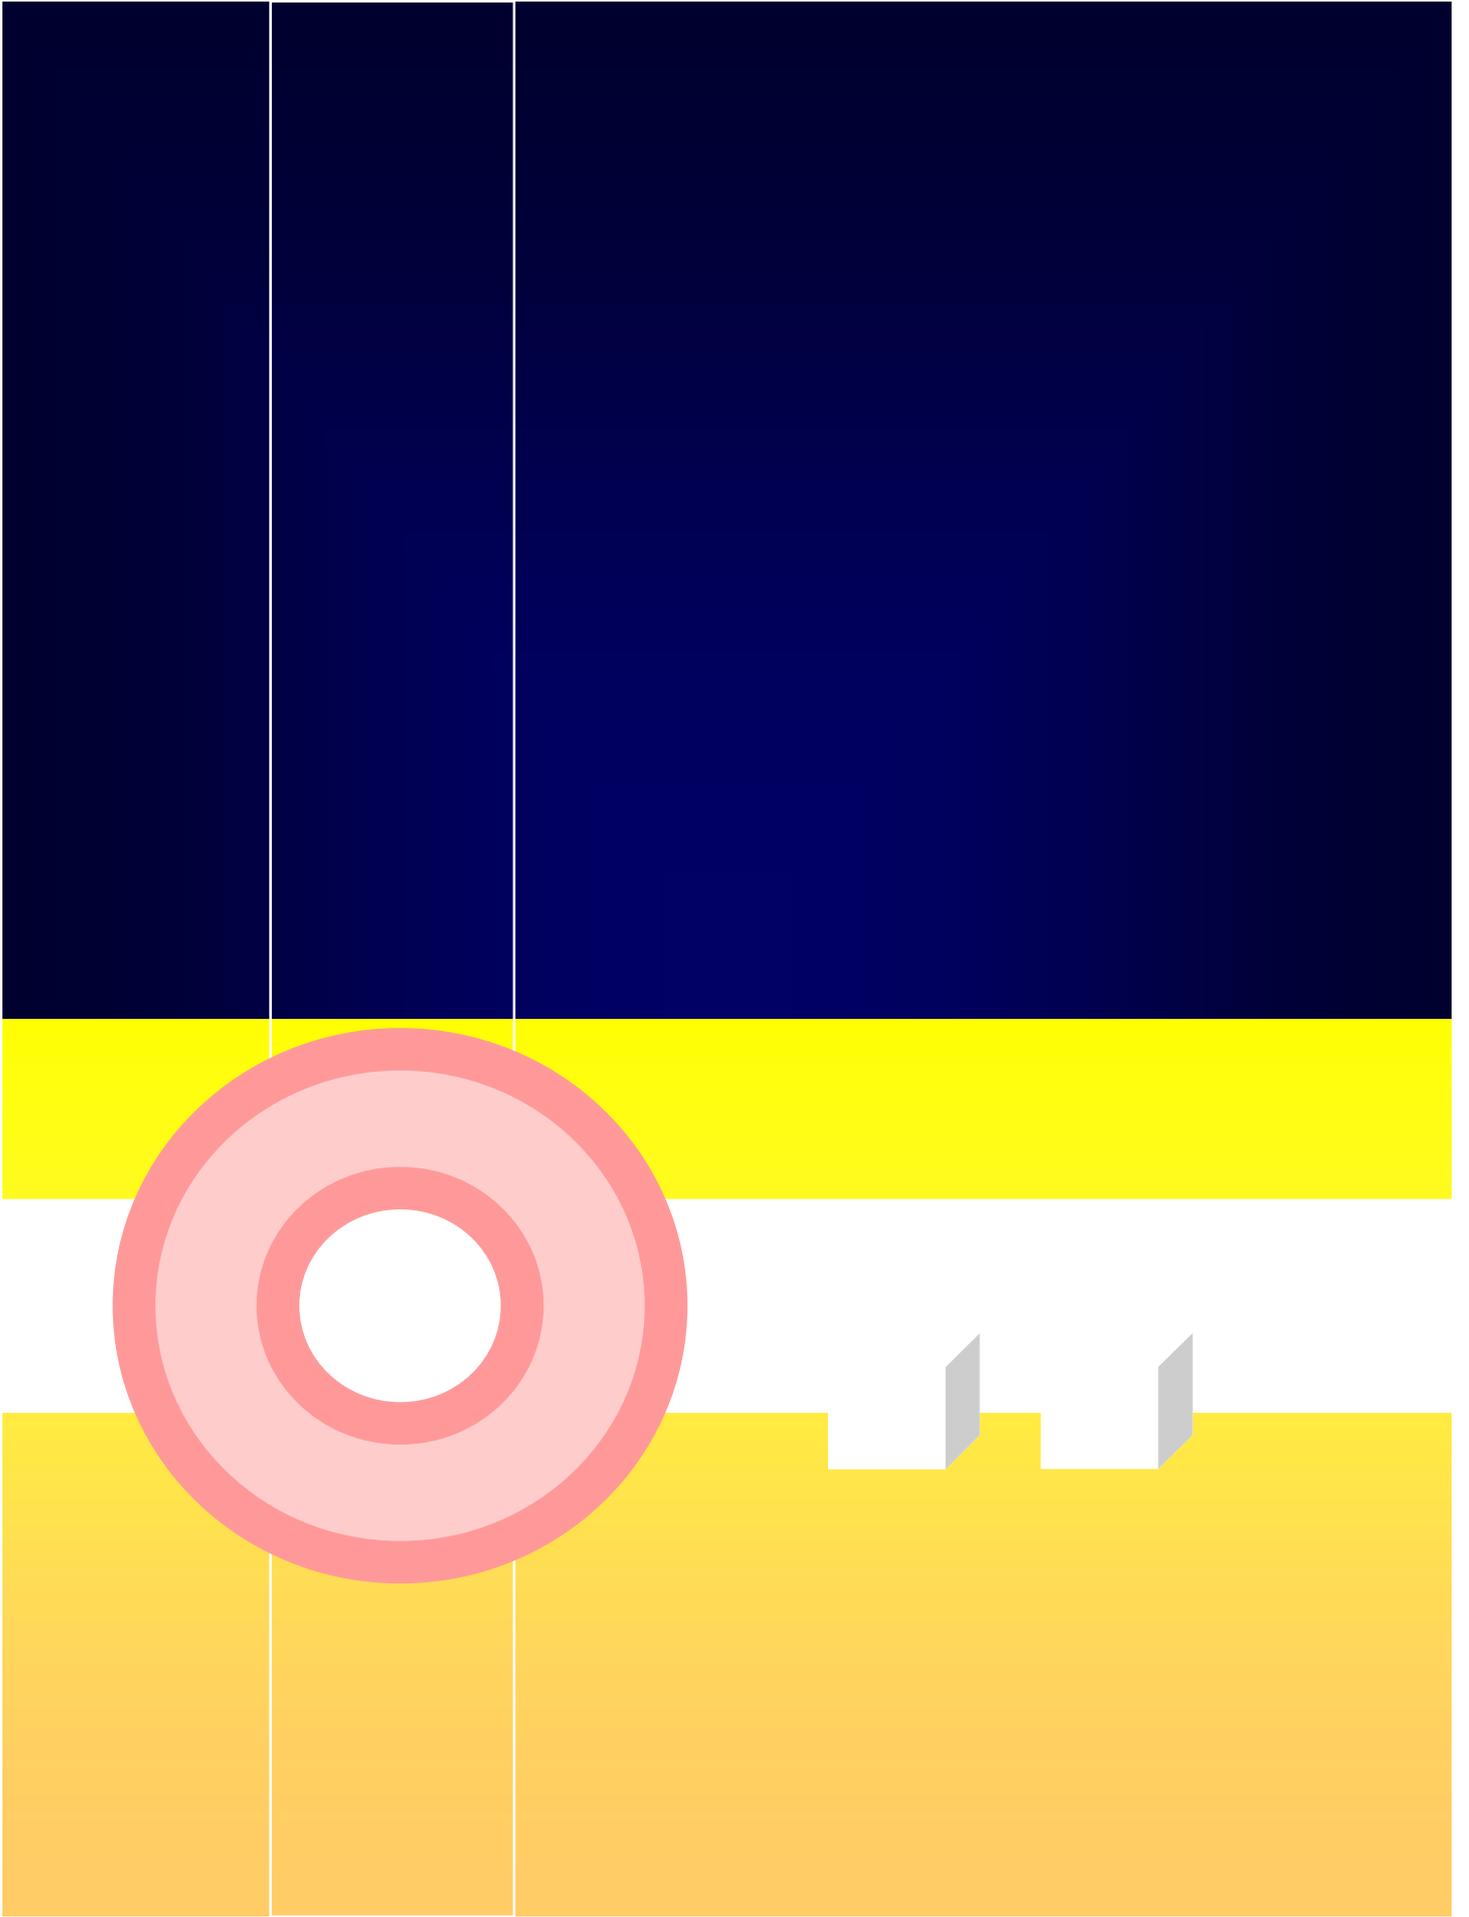

Vollendung finden

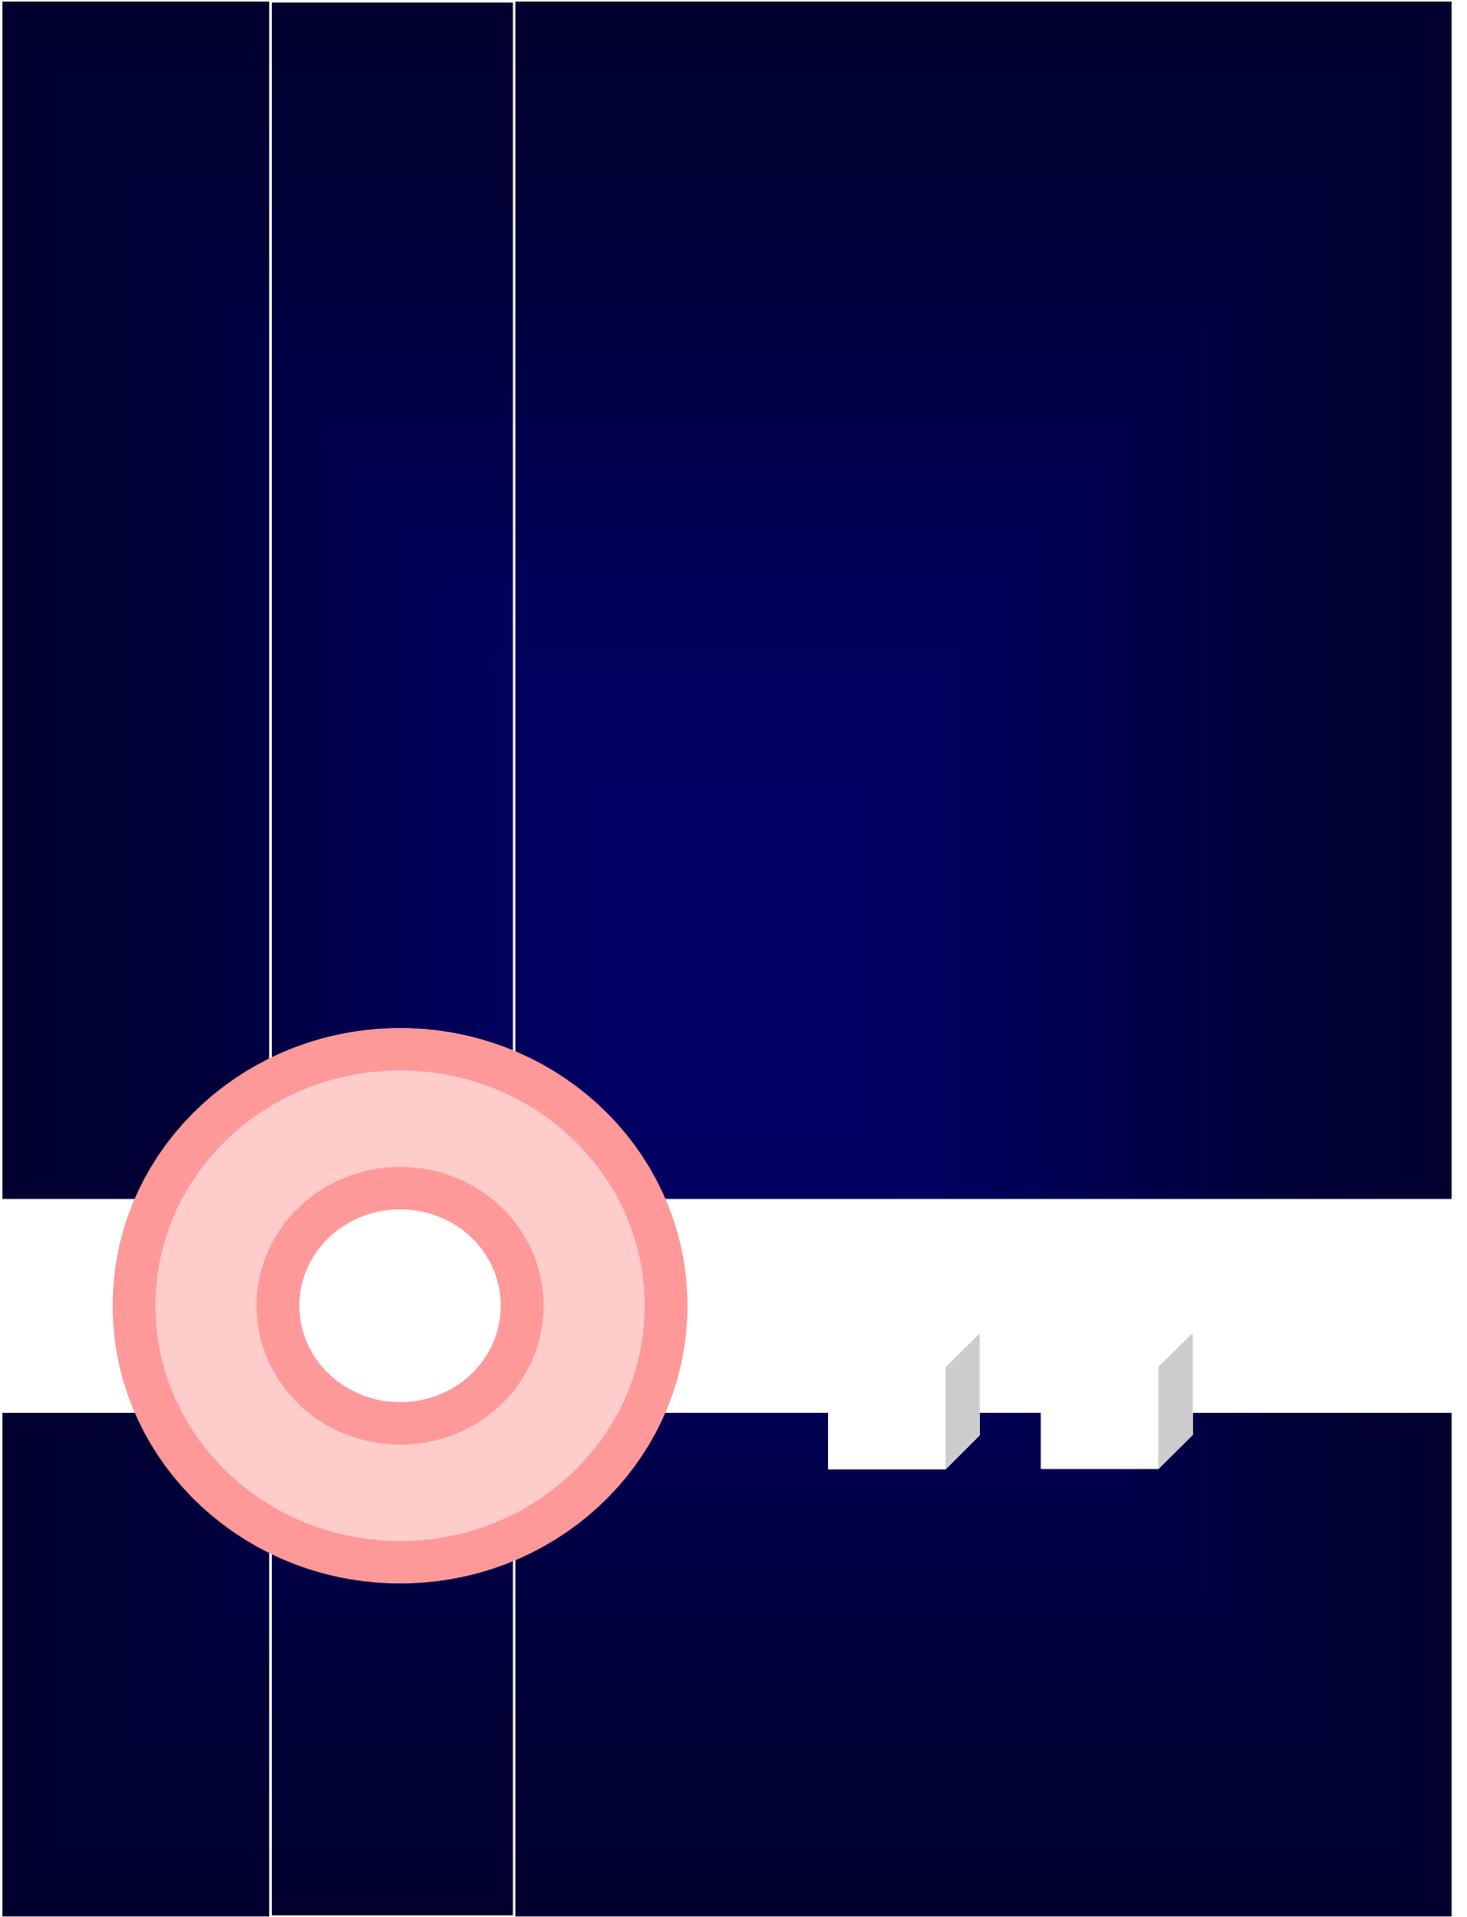

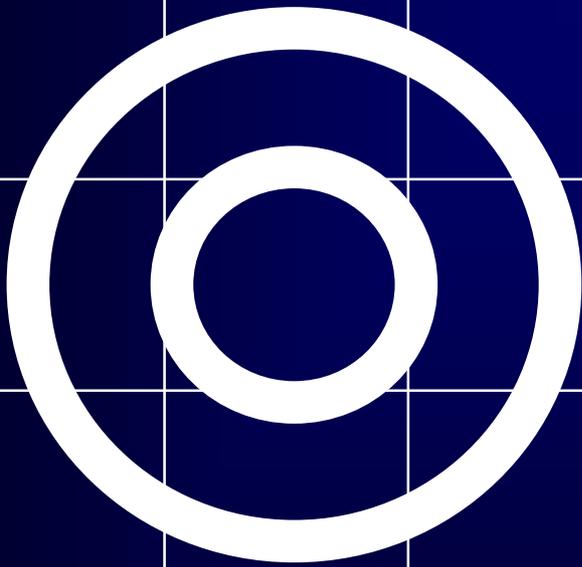

und seiner Gottheit

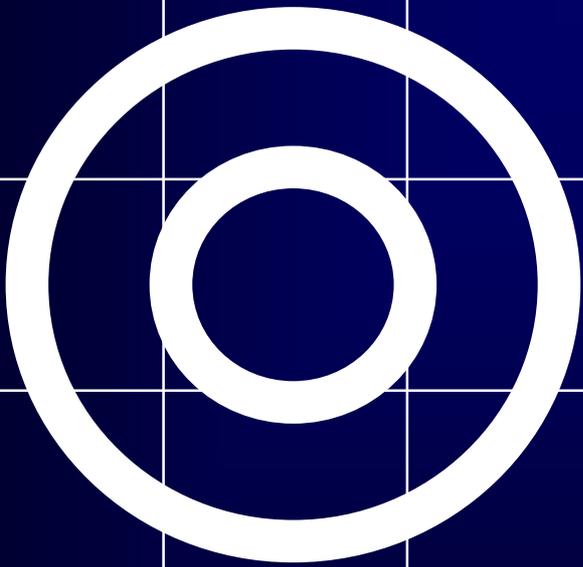

teilhaft sein
