Erhabene Dreifaltigkeit

in einem Licht der Gottheit eins

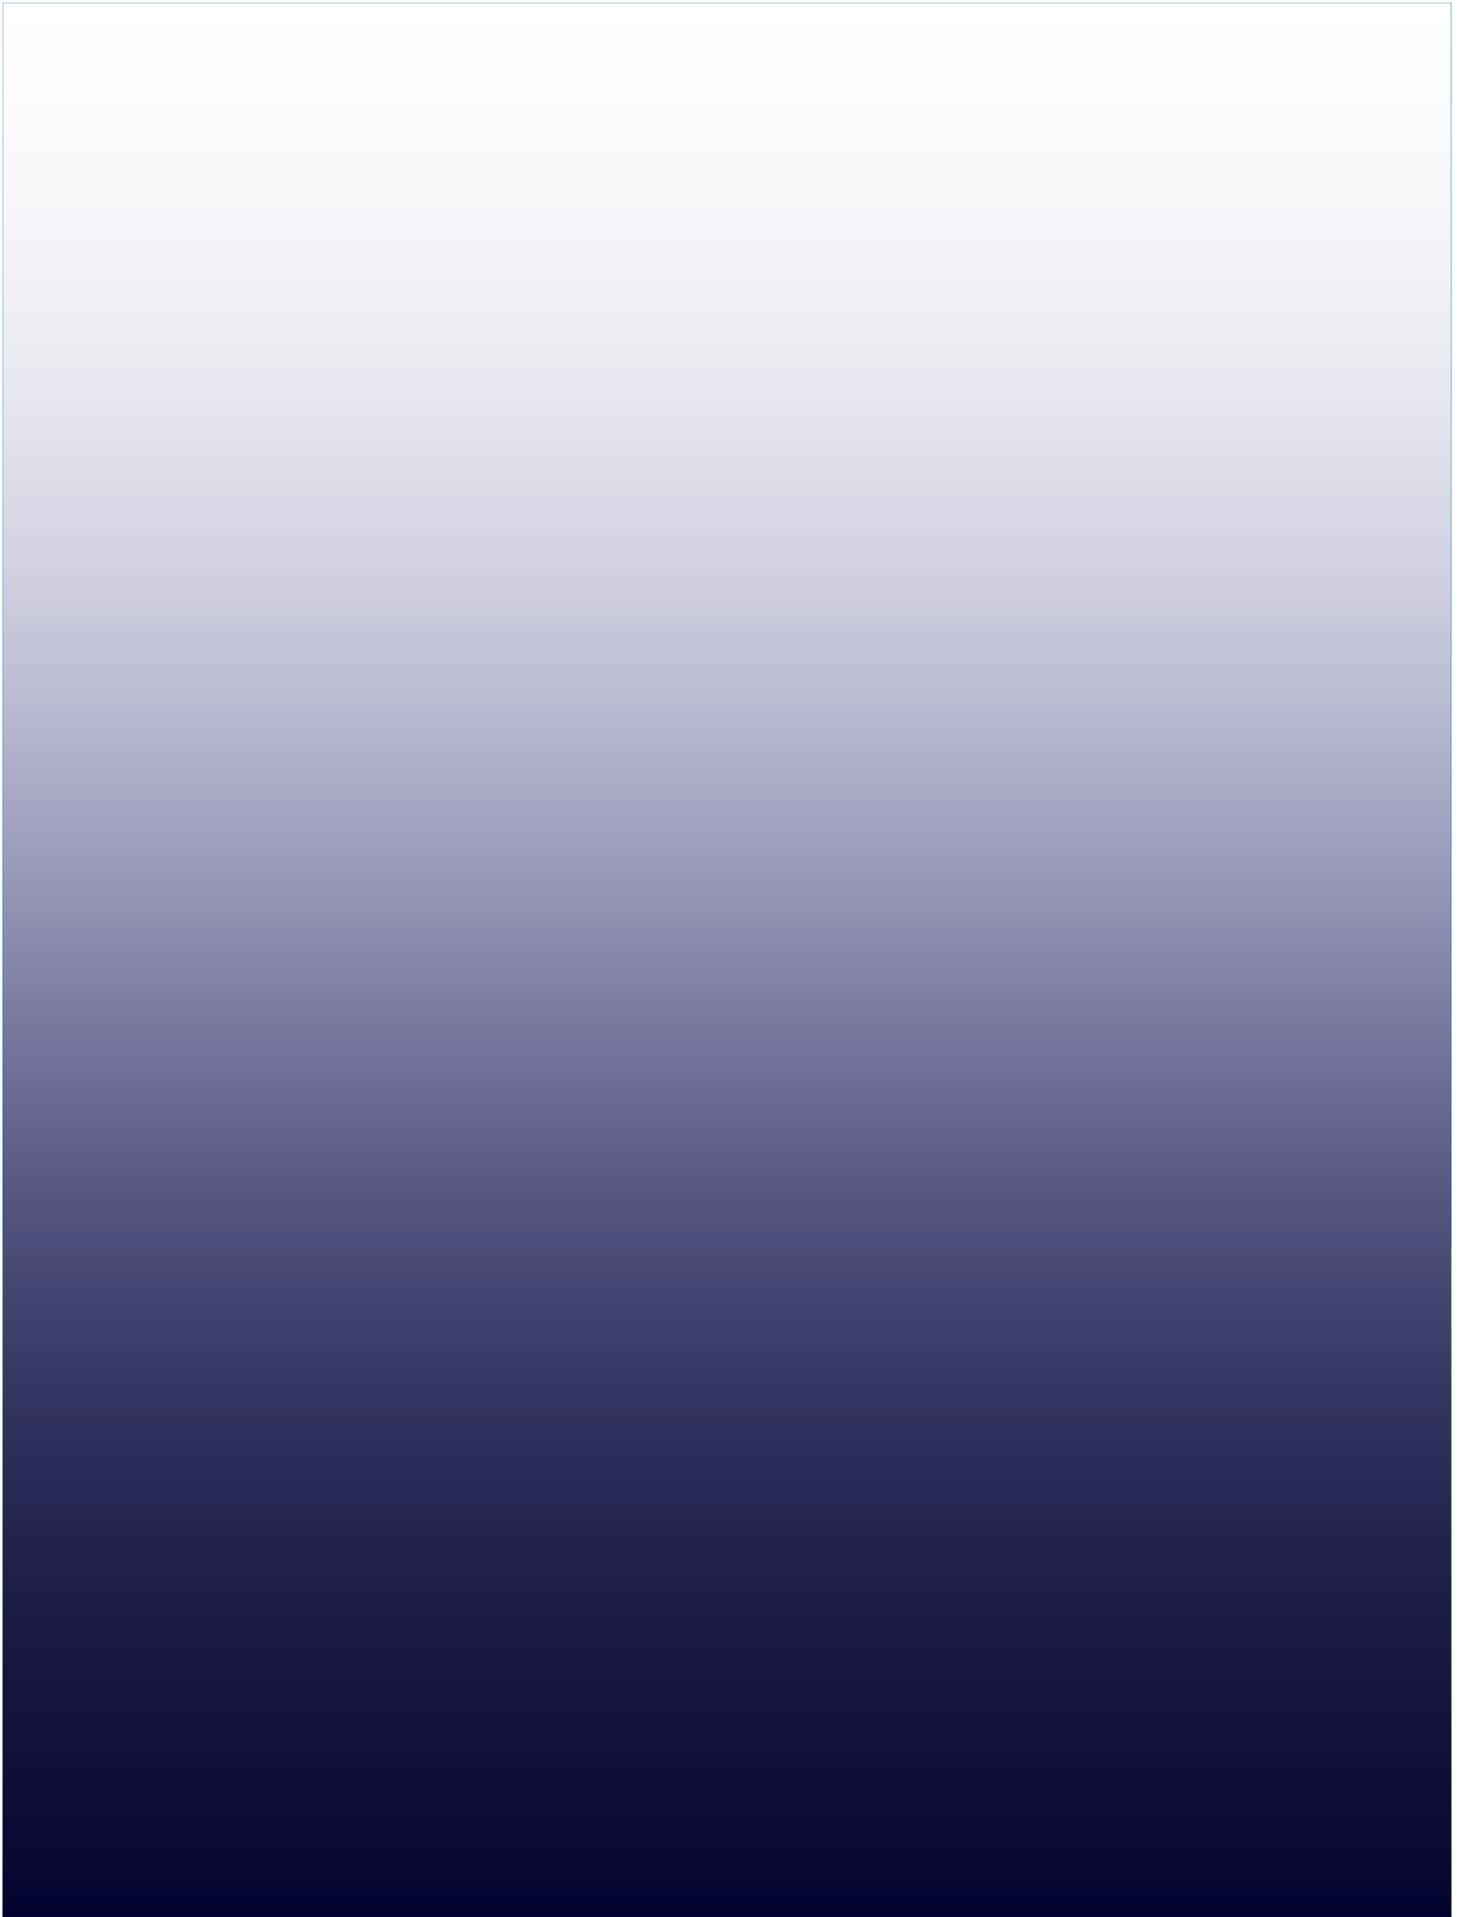

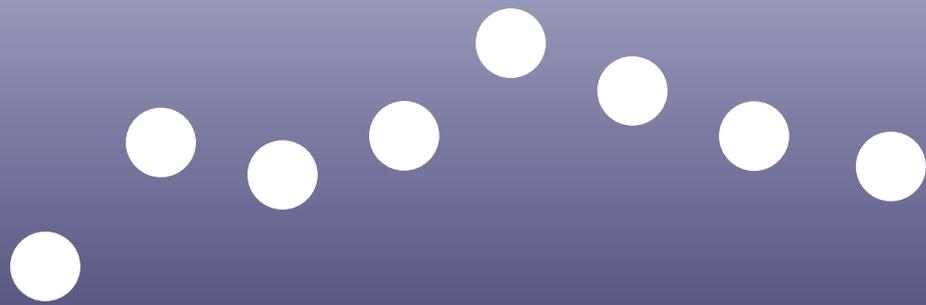

unendliches Geheimnis du

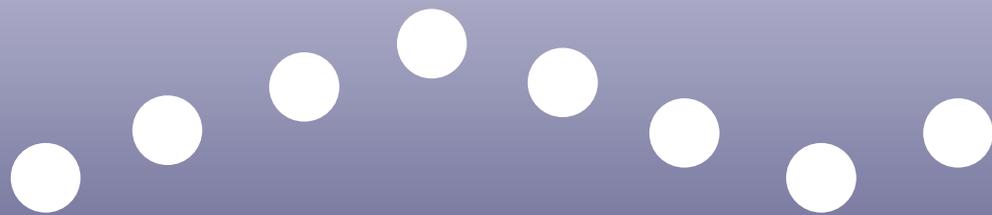

und tiefster Ursprung allen Seins

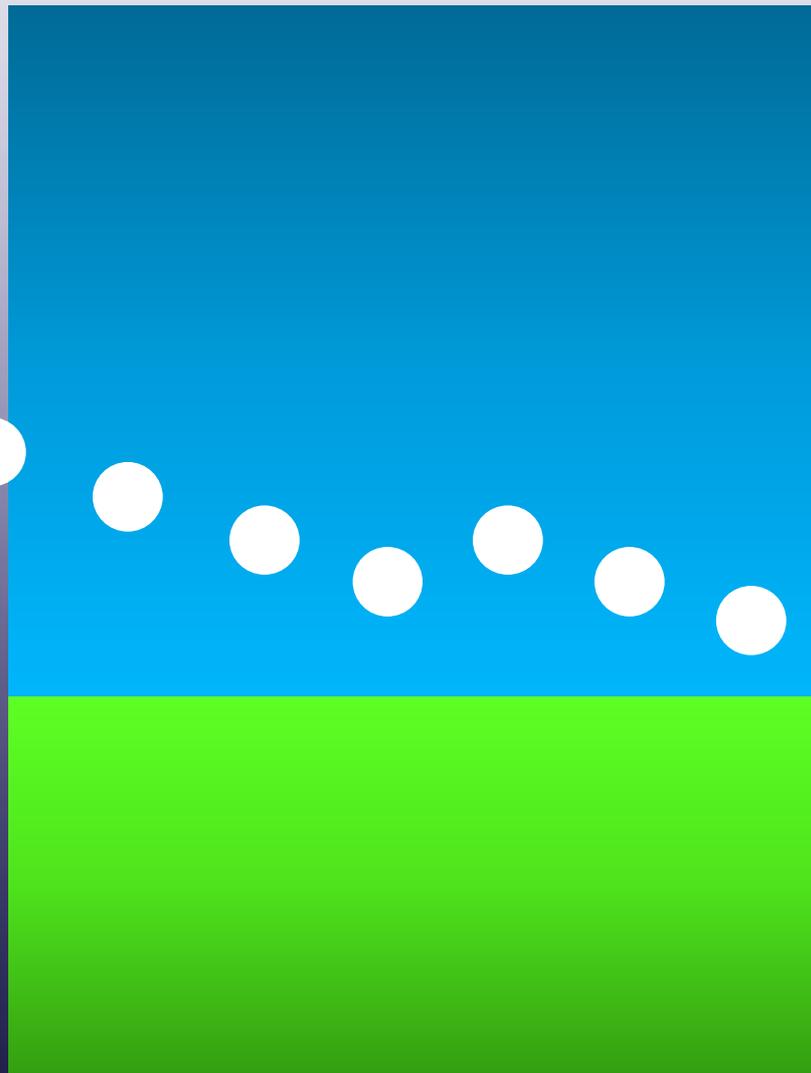

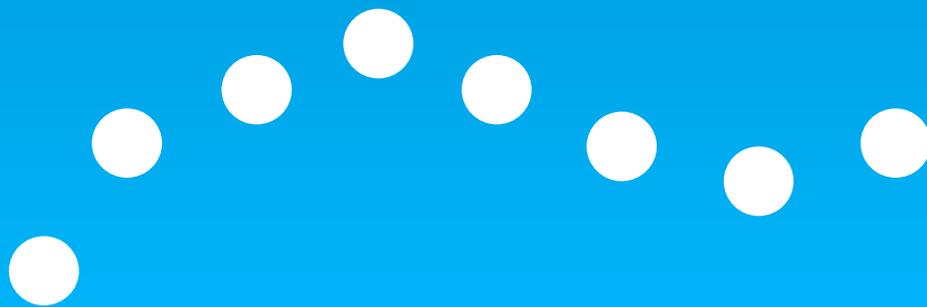

Dich rühmt des Himmels hehre Schar

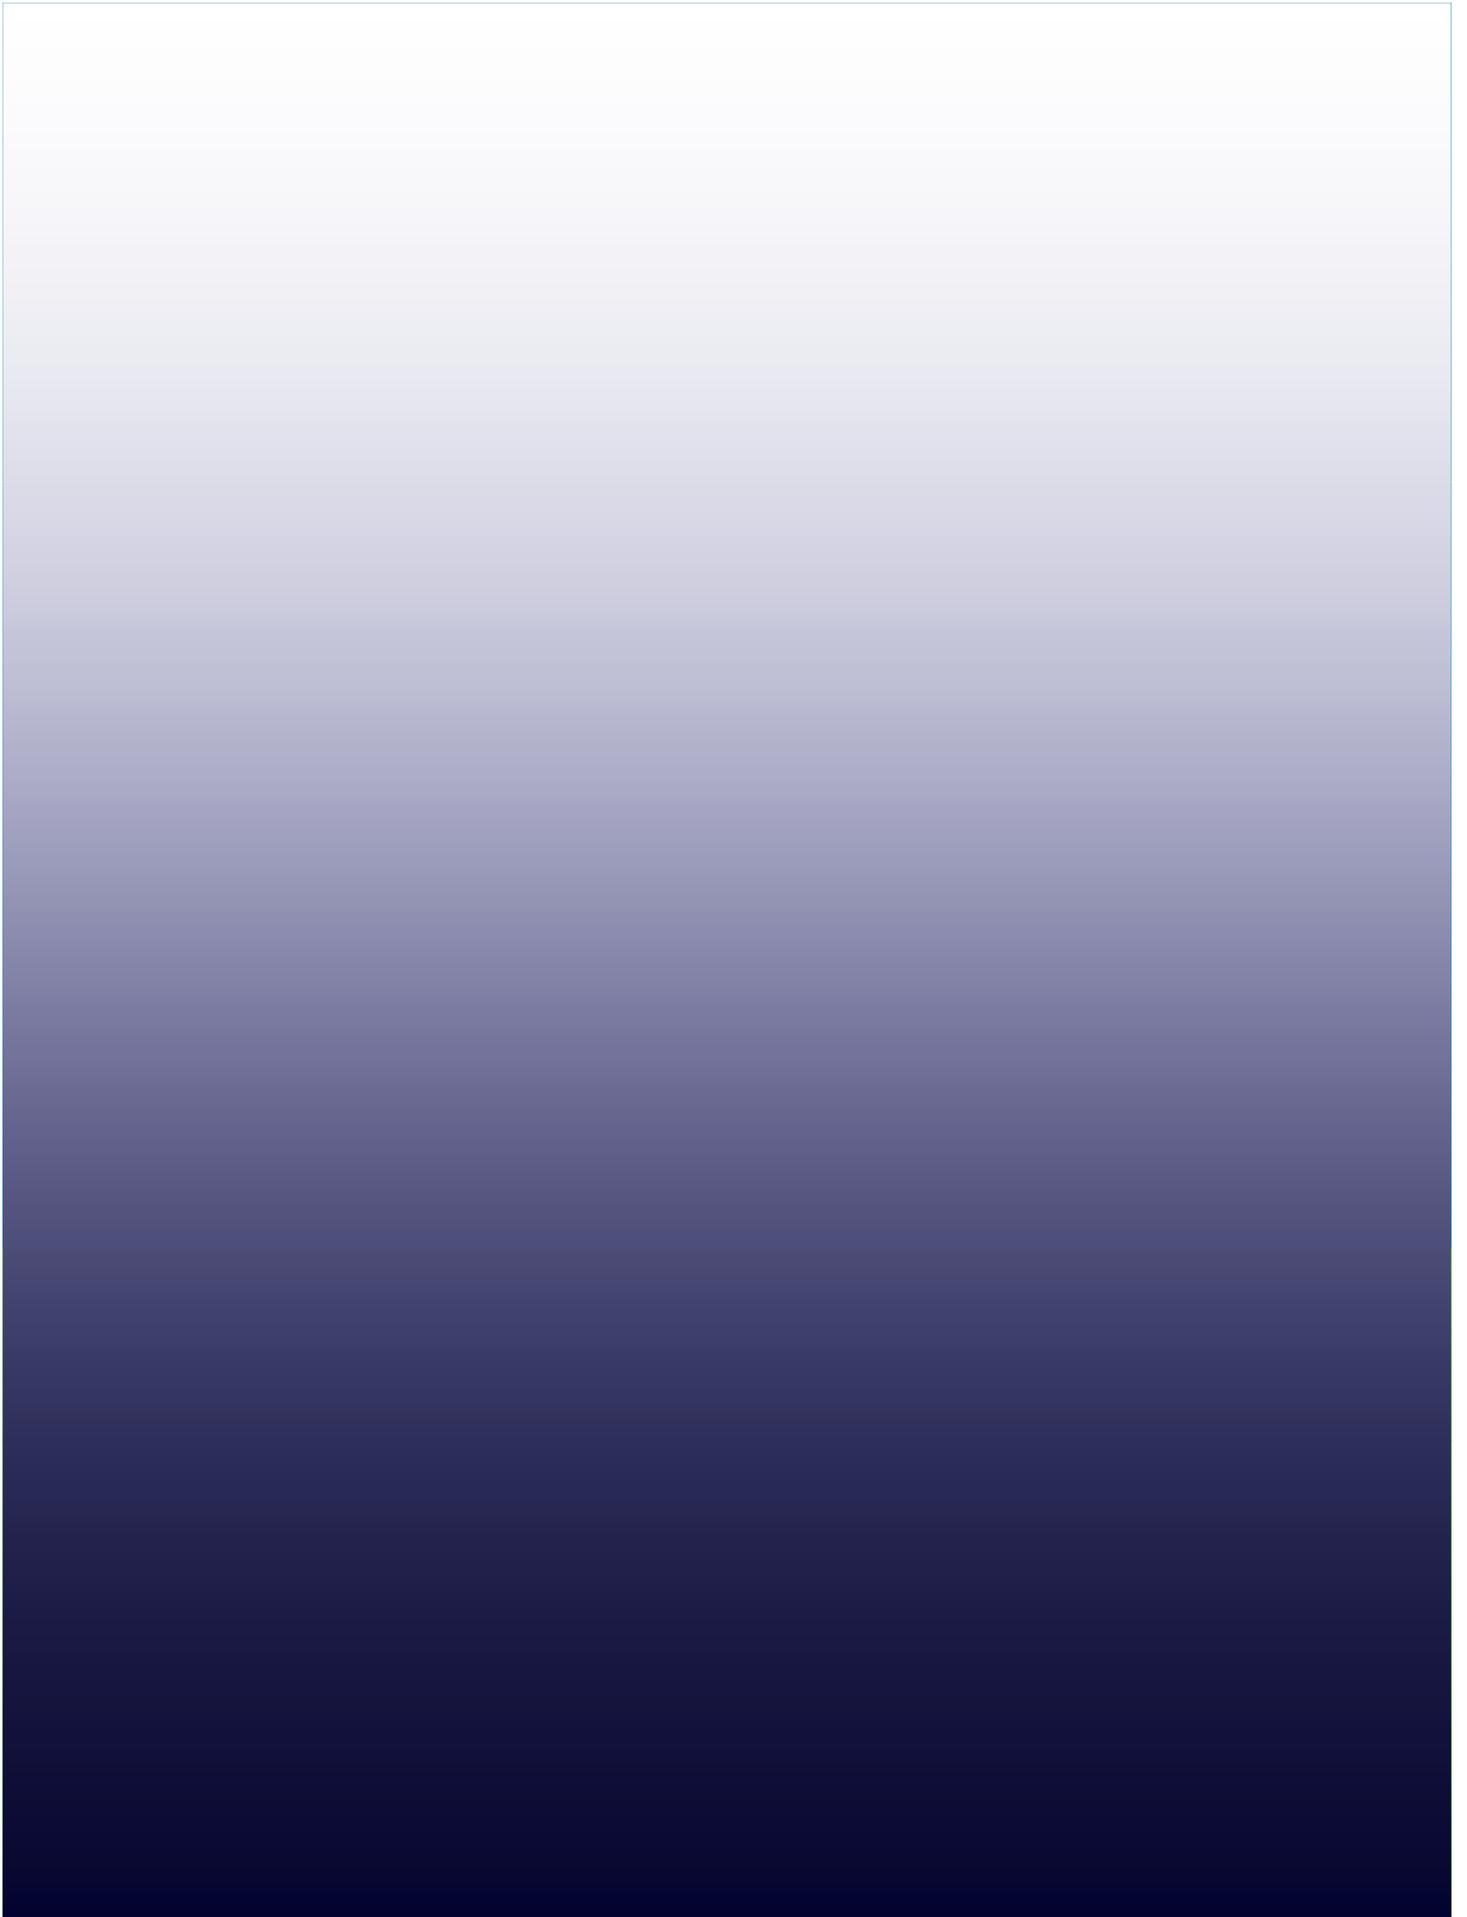

ihr Lied ruft deinen Lobpreis aus

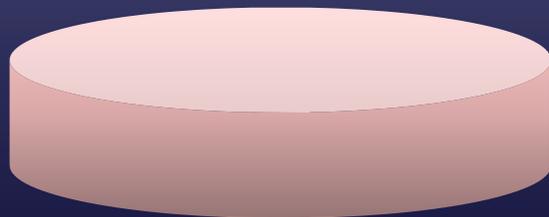

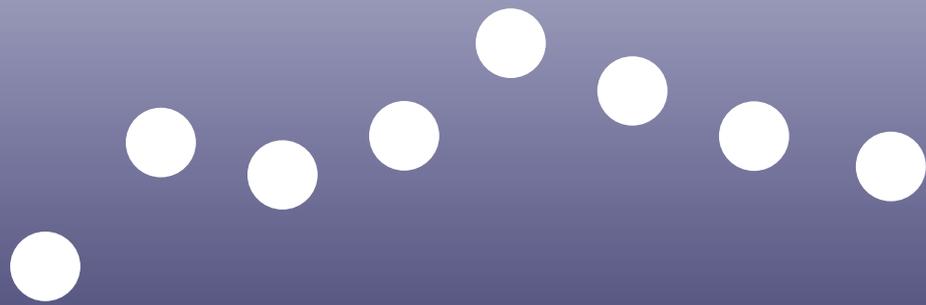

dir jubelt deine Schöpfung zu

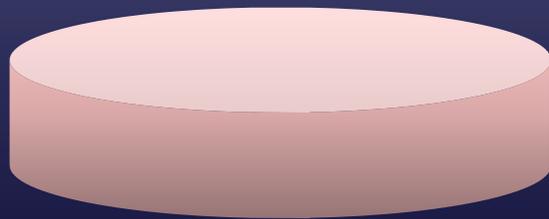

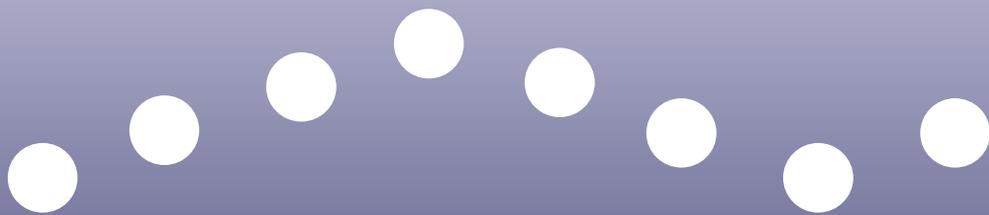

der du dein Bildnis aufgeprägt

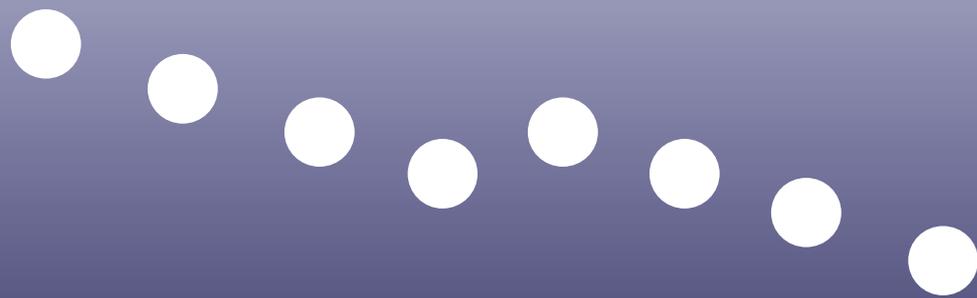

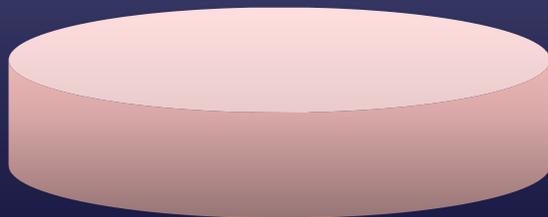

Wir neigen staunend uns vor dir

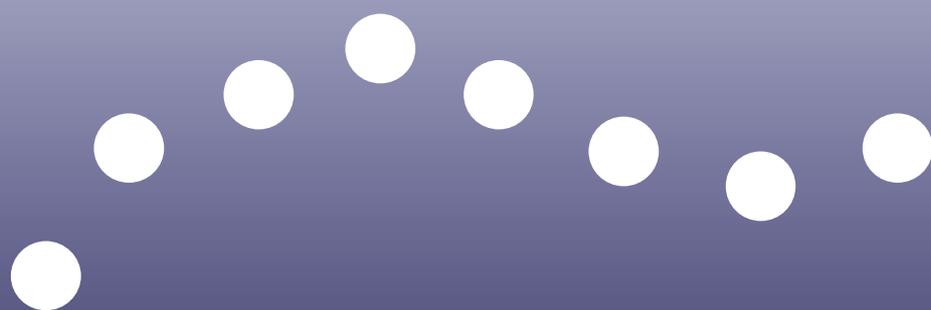

und beten deine Größe an

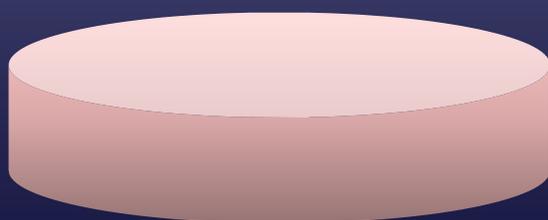

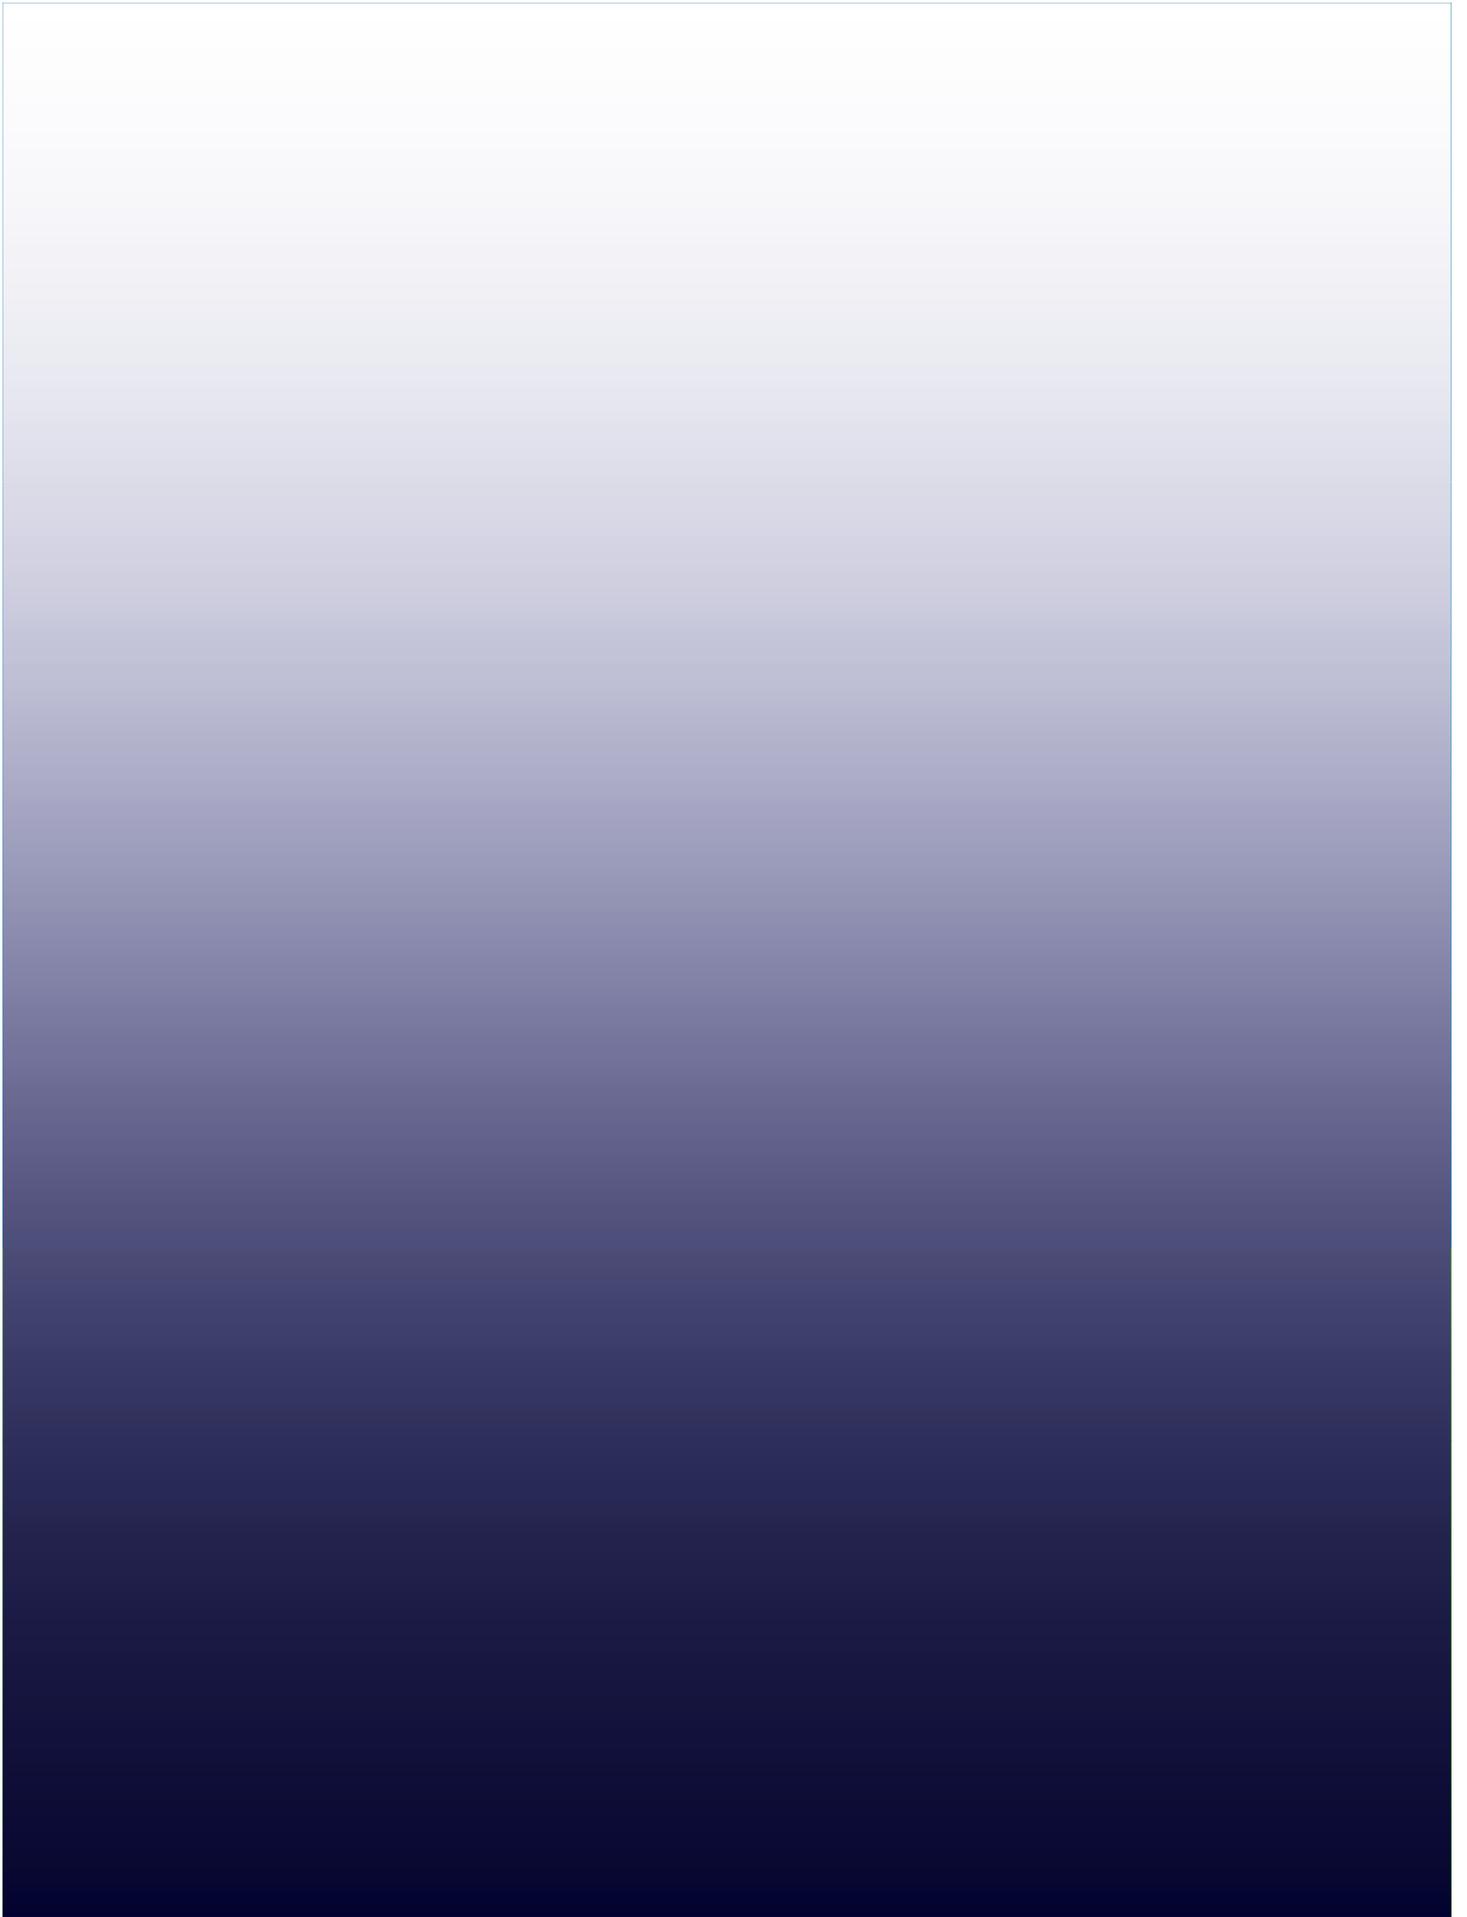

vereine mit der Engel Lied

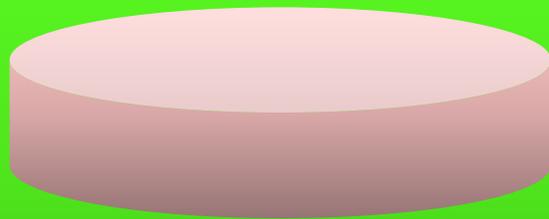

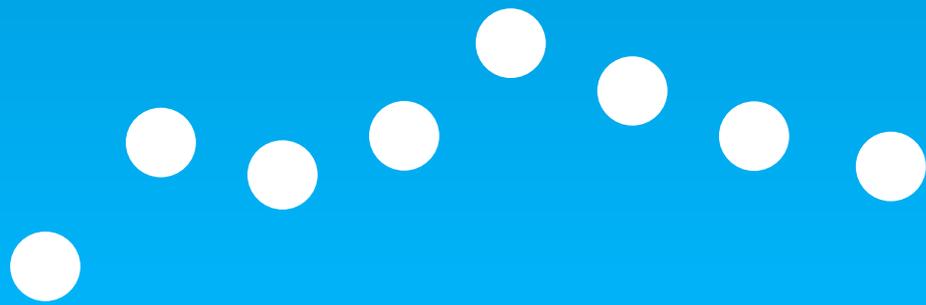

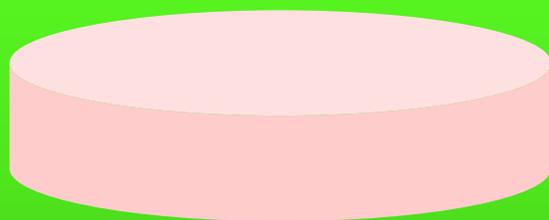

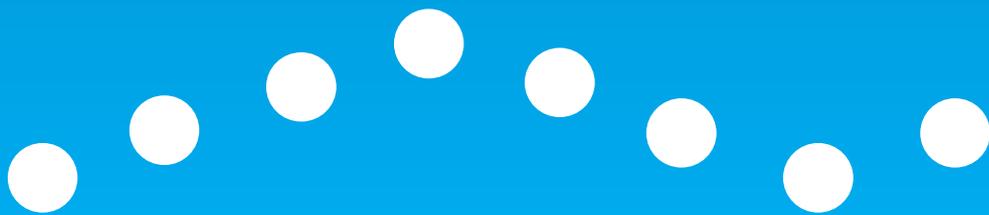

den Hochgesang, den wir dir weihn

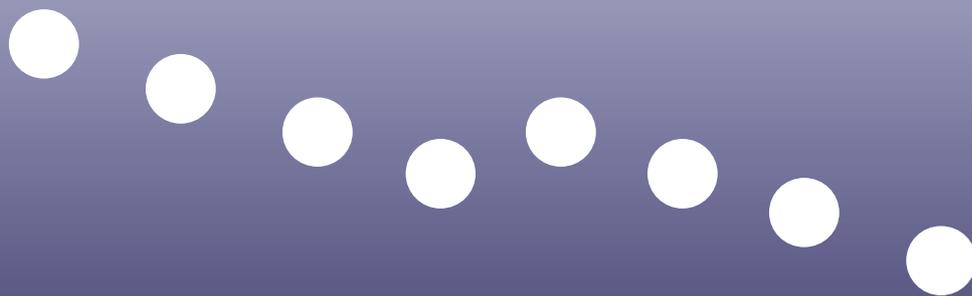

Was alle Einsicht übersteigt

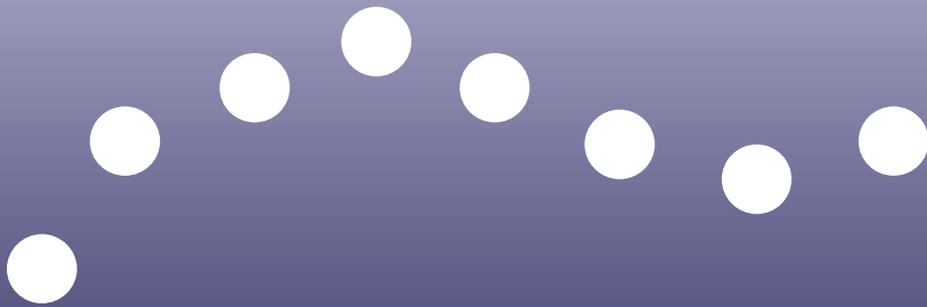

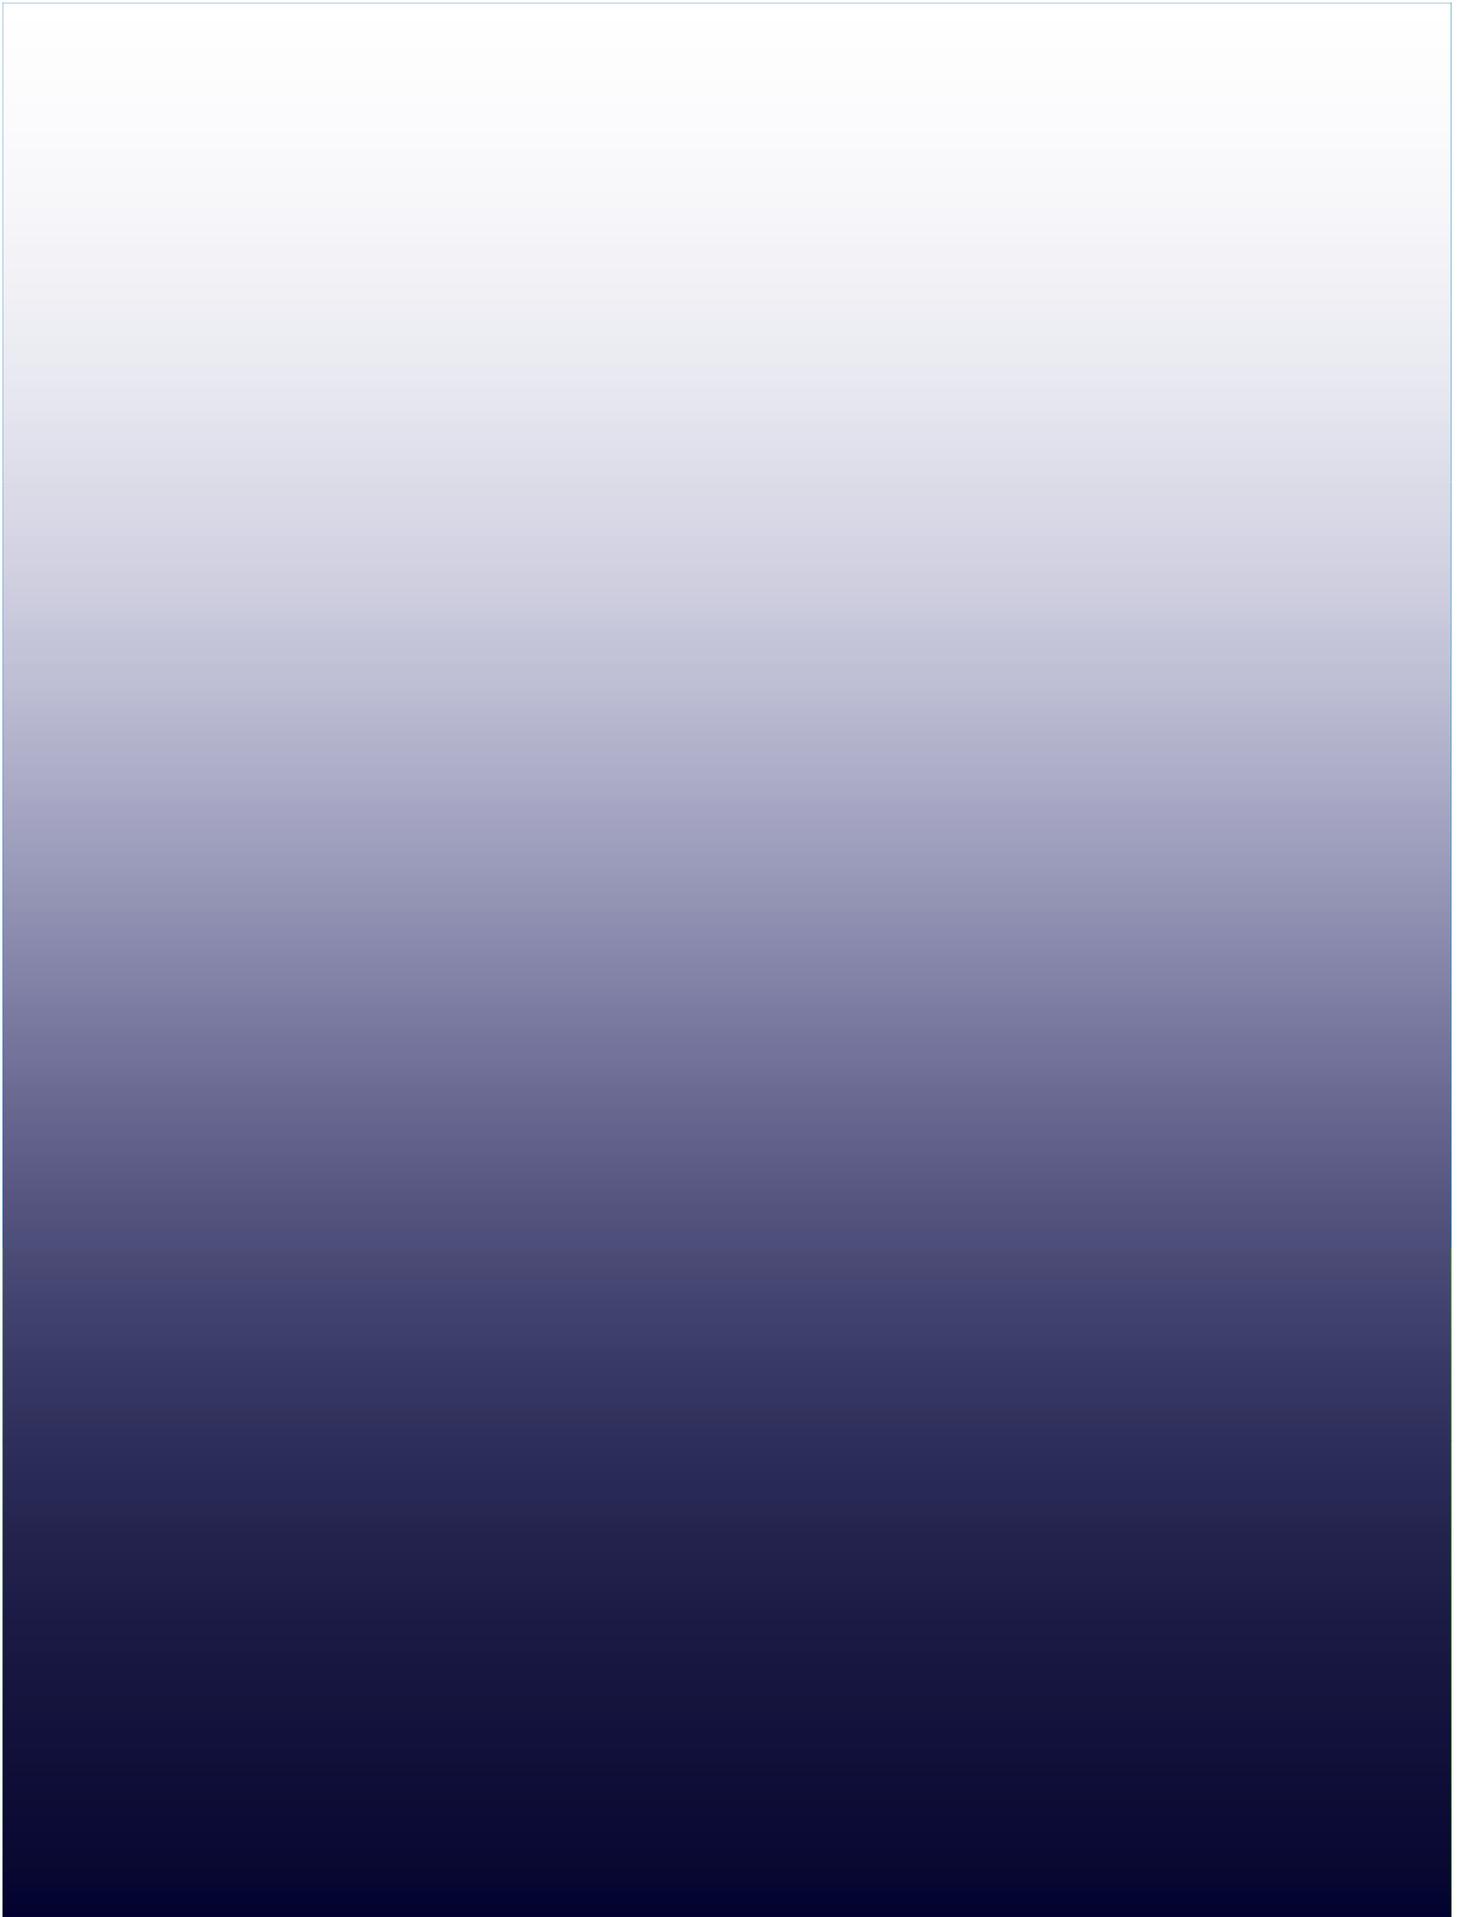

bekannt der Glaube ehrfurchtsvoll

Drei sind in tiefer Liebe eins

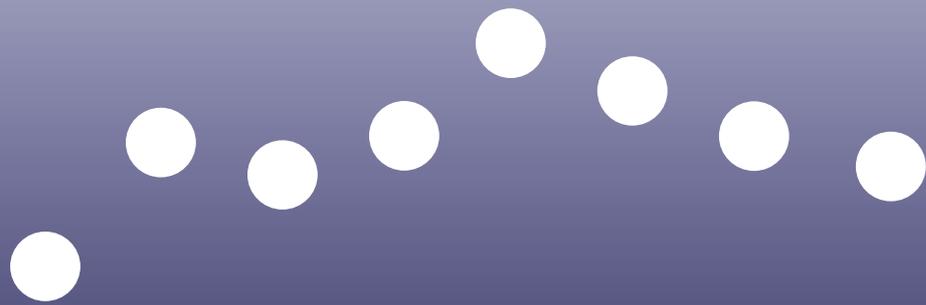

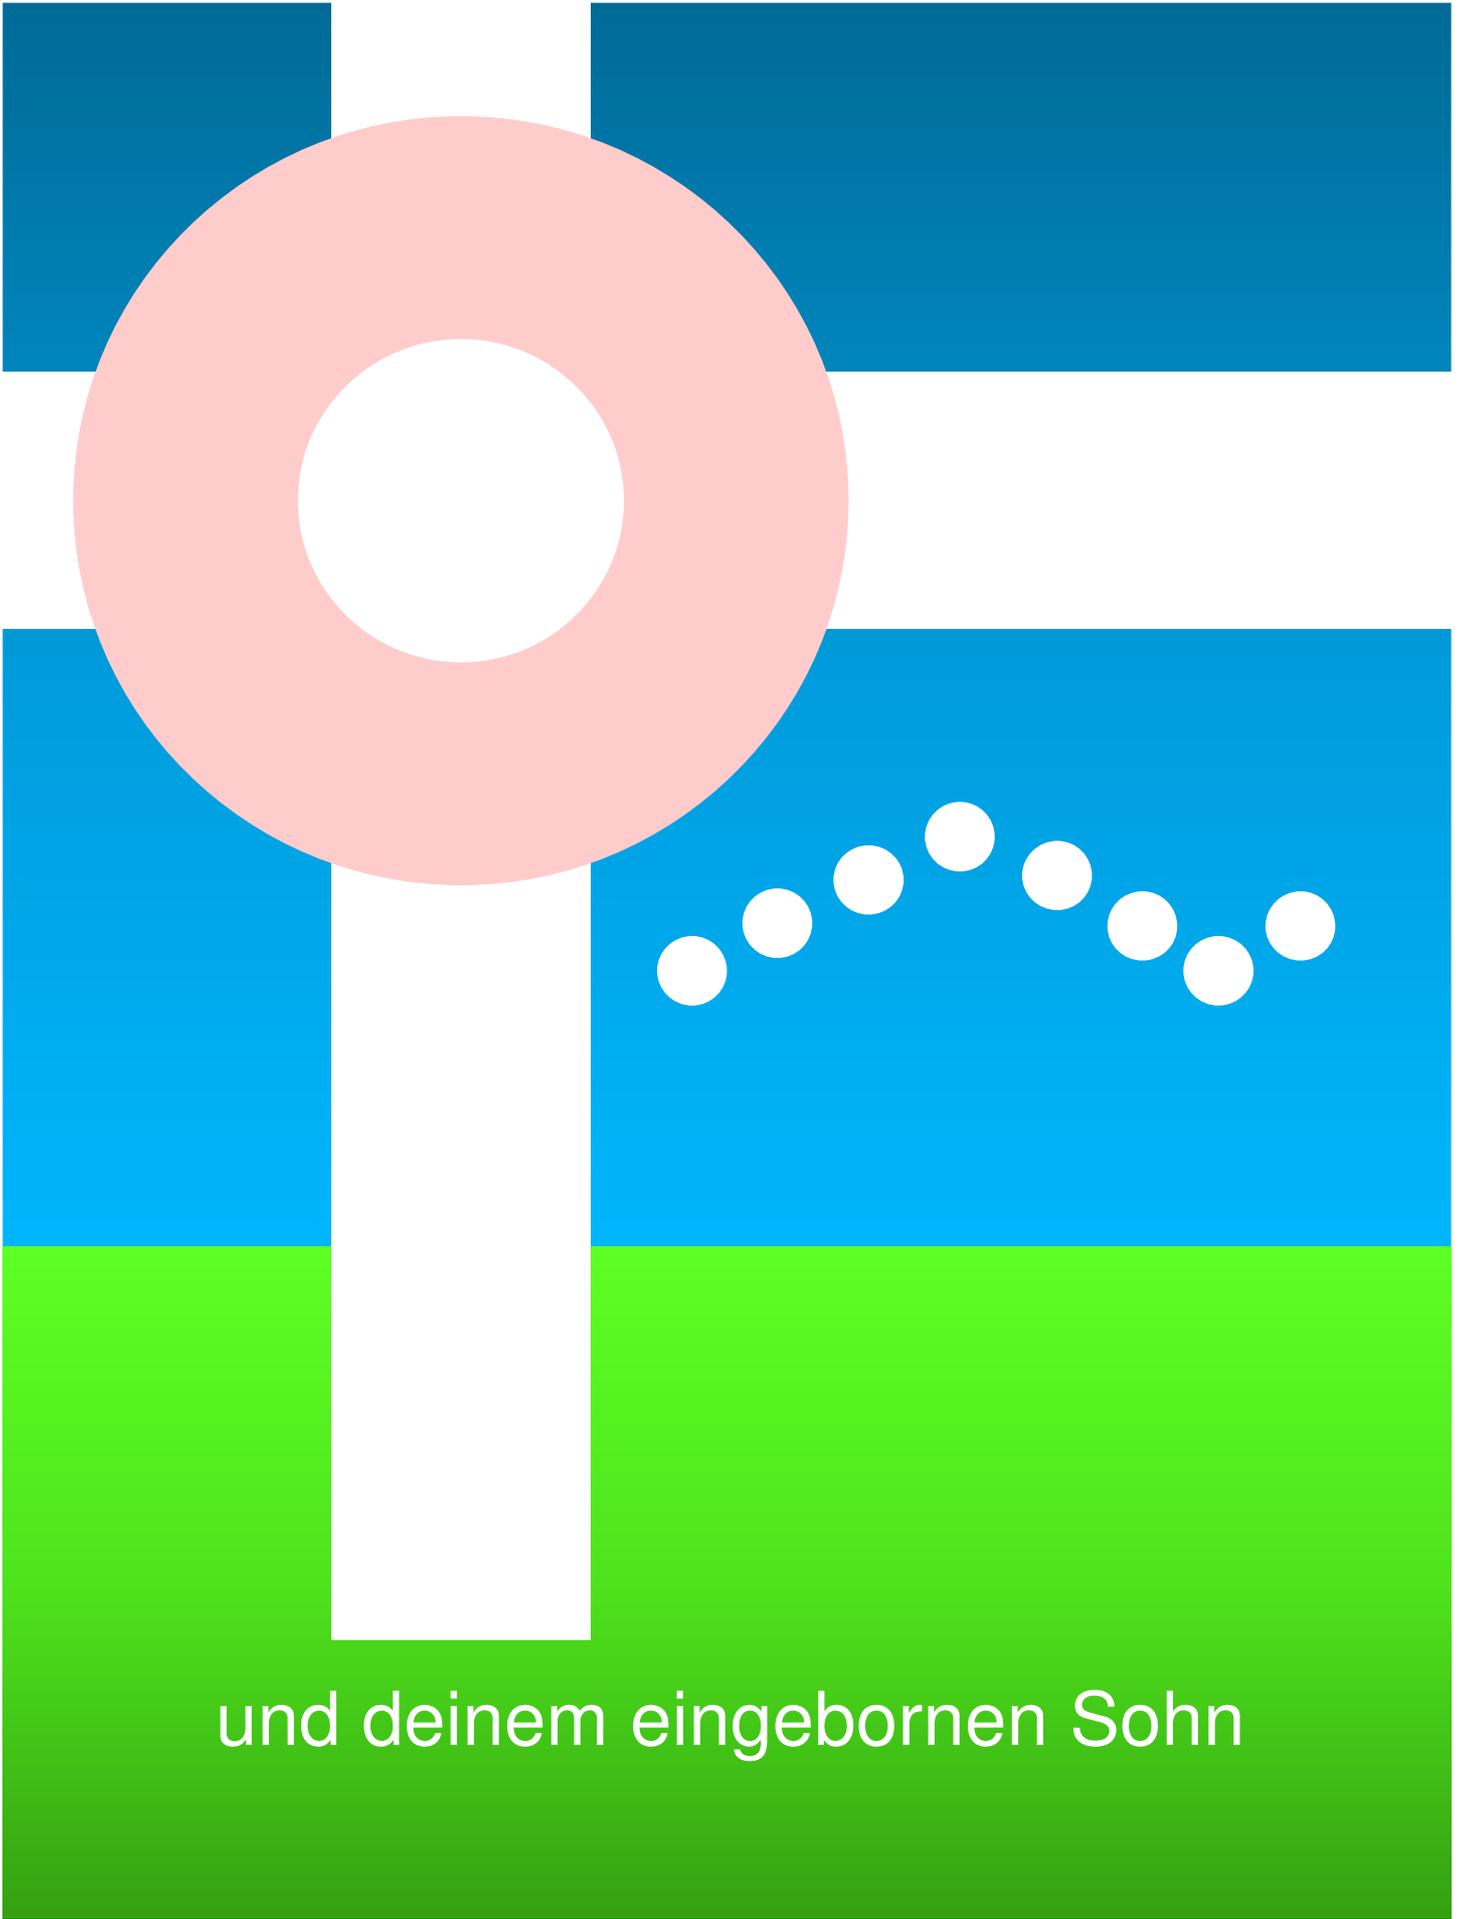

in einer Gottheit leben Drei

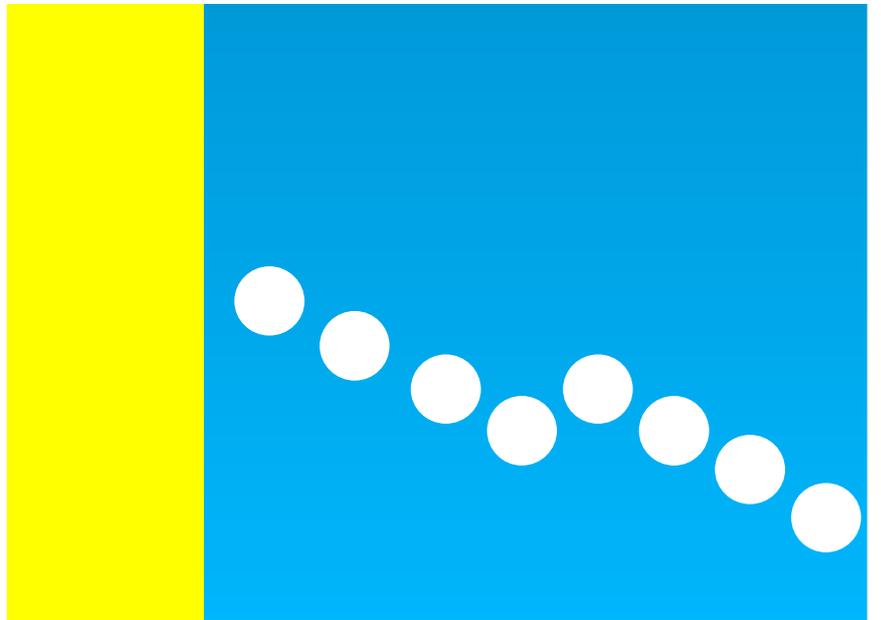

Gott Vater, dir sei Ruhm und Preis

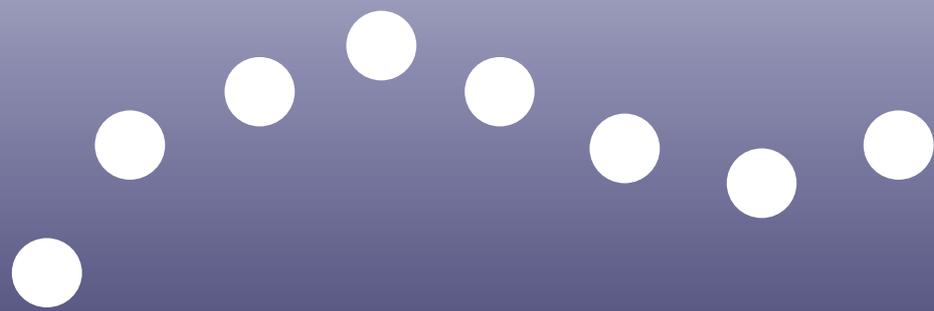

und deinem eingebornen Sohn

dem Geist, der unser Beistand ist

jetzt, immer und in Ewigkeit
