Kein Ochse

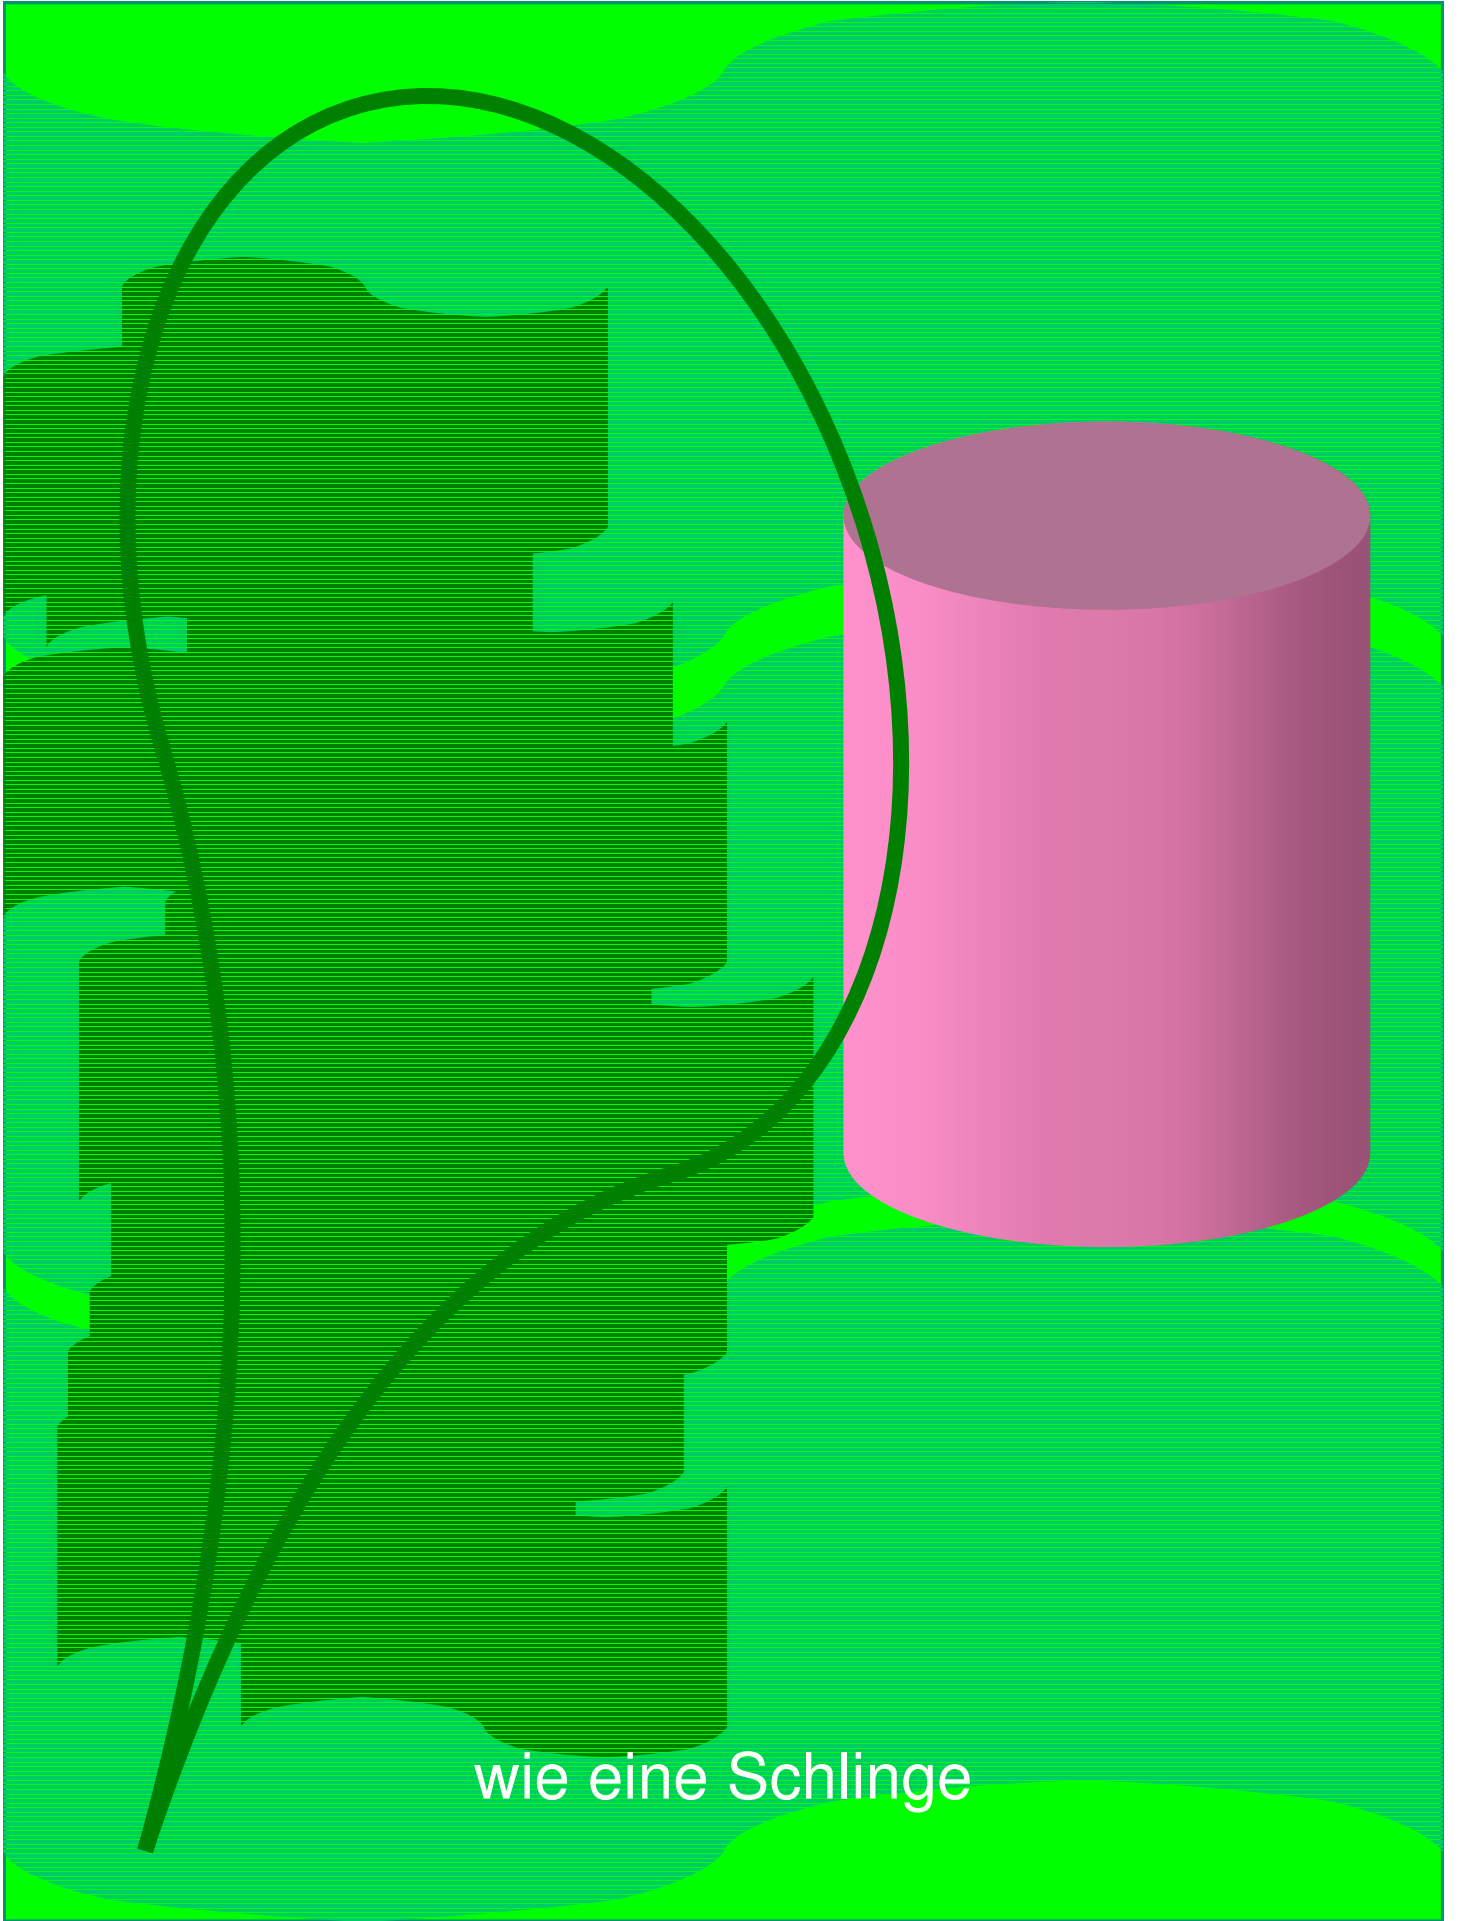

Nur vorübergehend wurde der Ochse

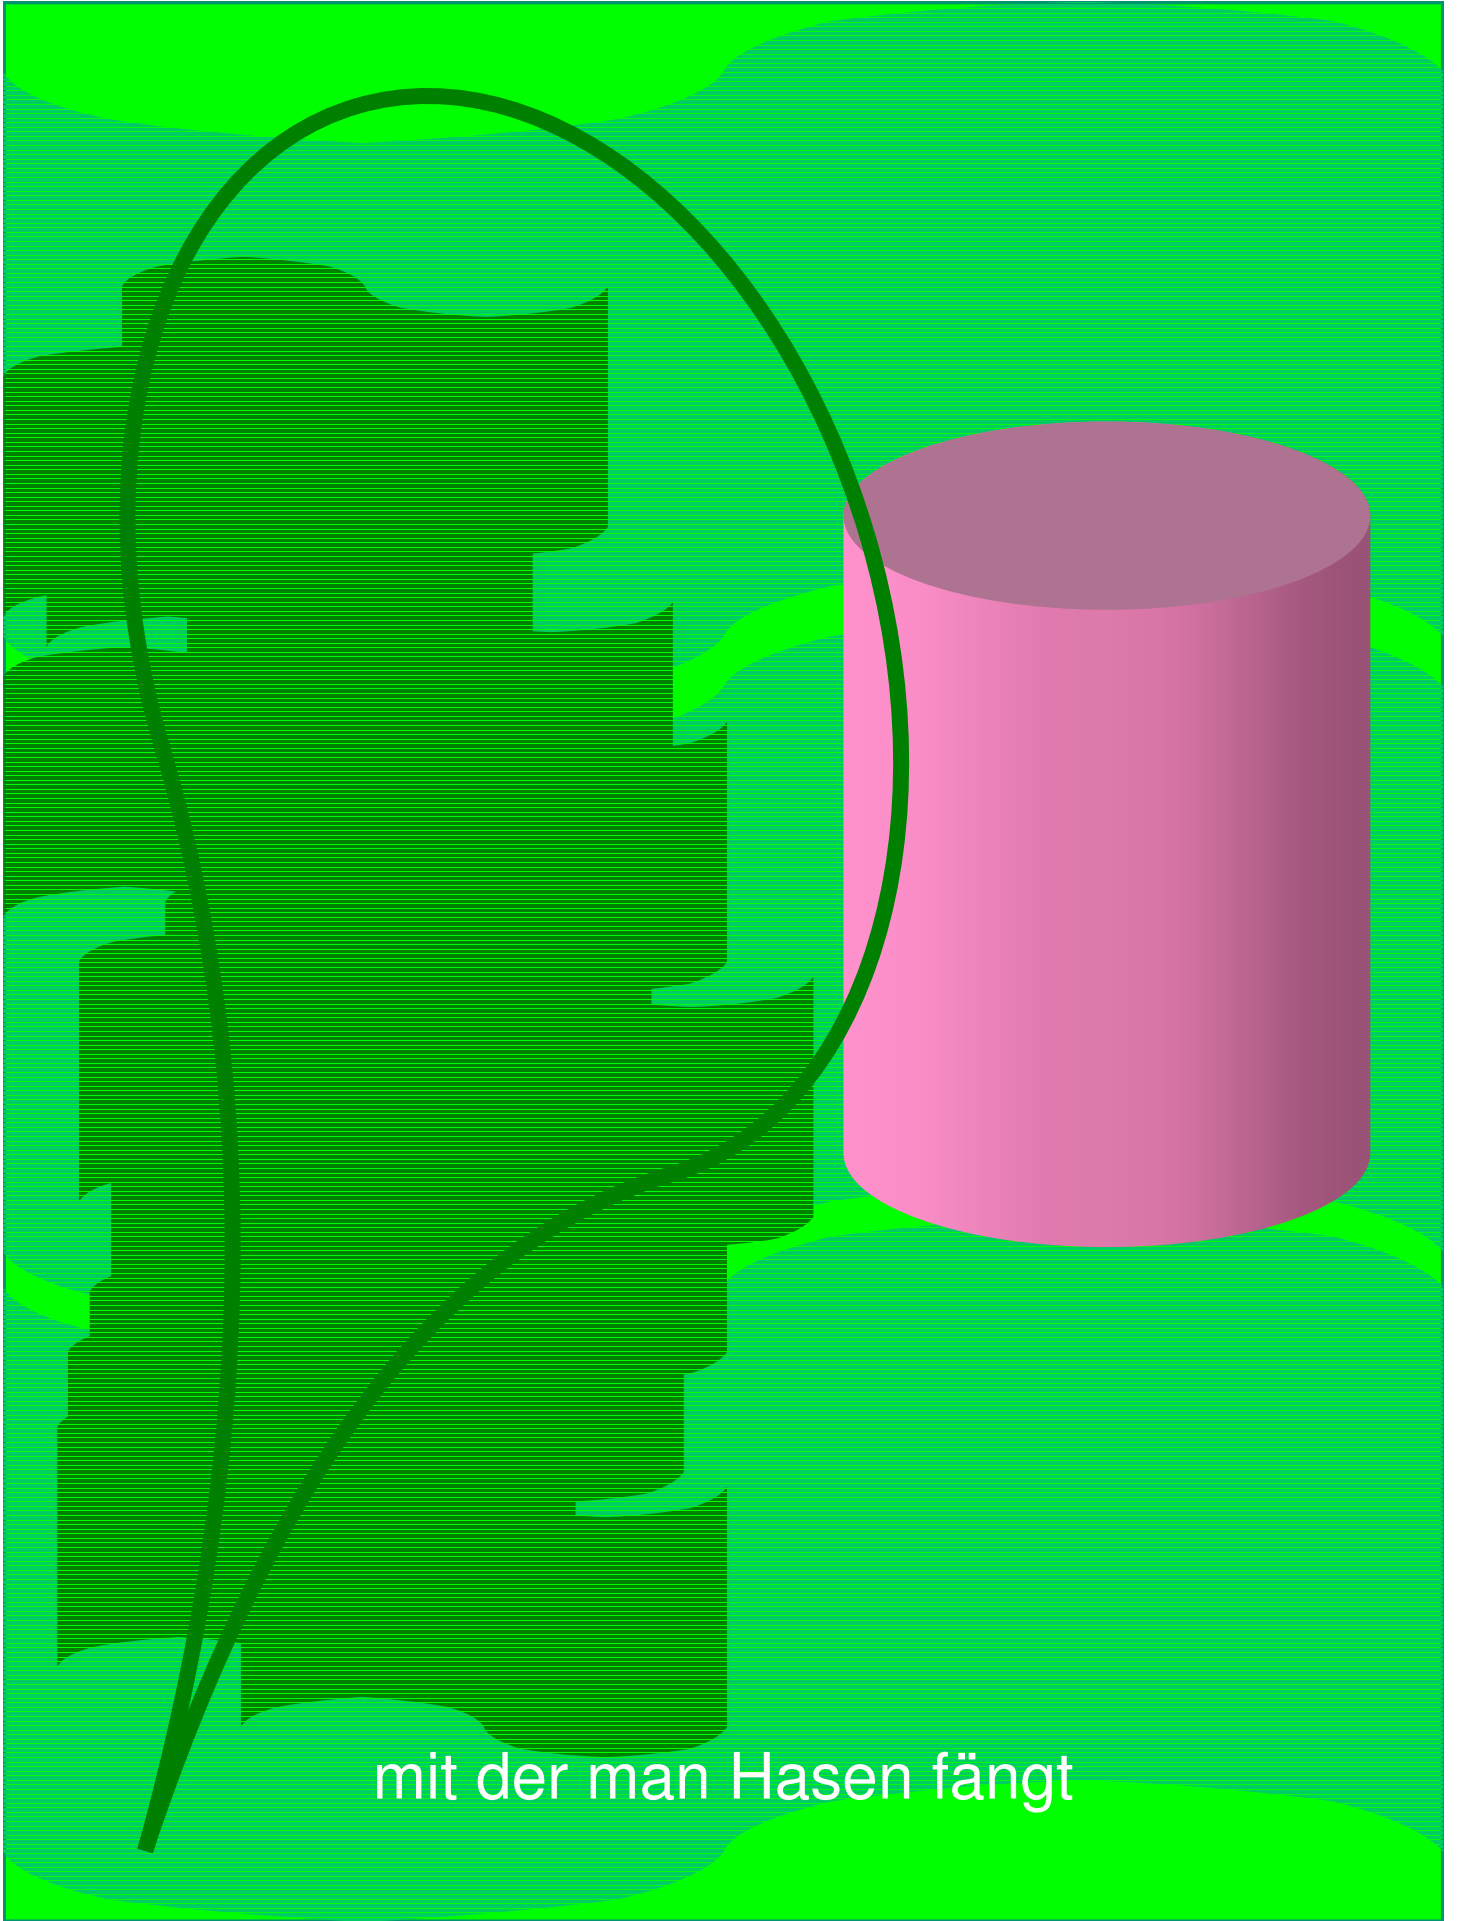

als Wegweiser

A 3D illustration featuring a pink cylinder with a purple top and bottom face, resting on a grey cylindrical base. A red wireframe structure, consisting of a rectangular frame with two diagonal lines forming an 'X', is overlaid on the scene. The background is a light blue gradient with soft, white, cloud-like shapes. The word 'aufgestellt' is written in white text at the bottom center.

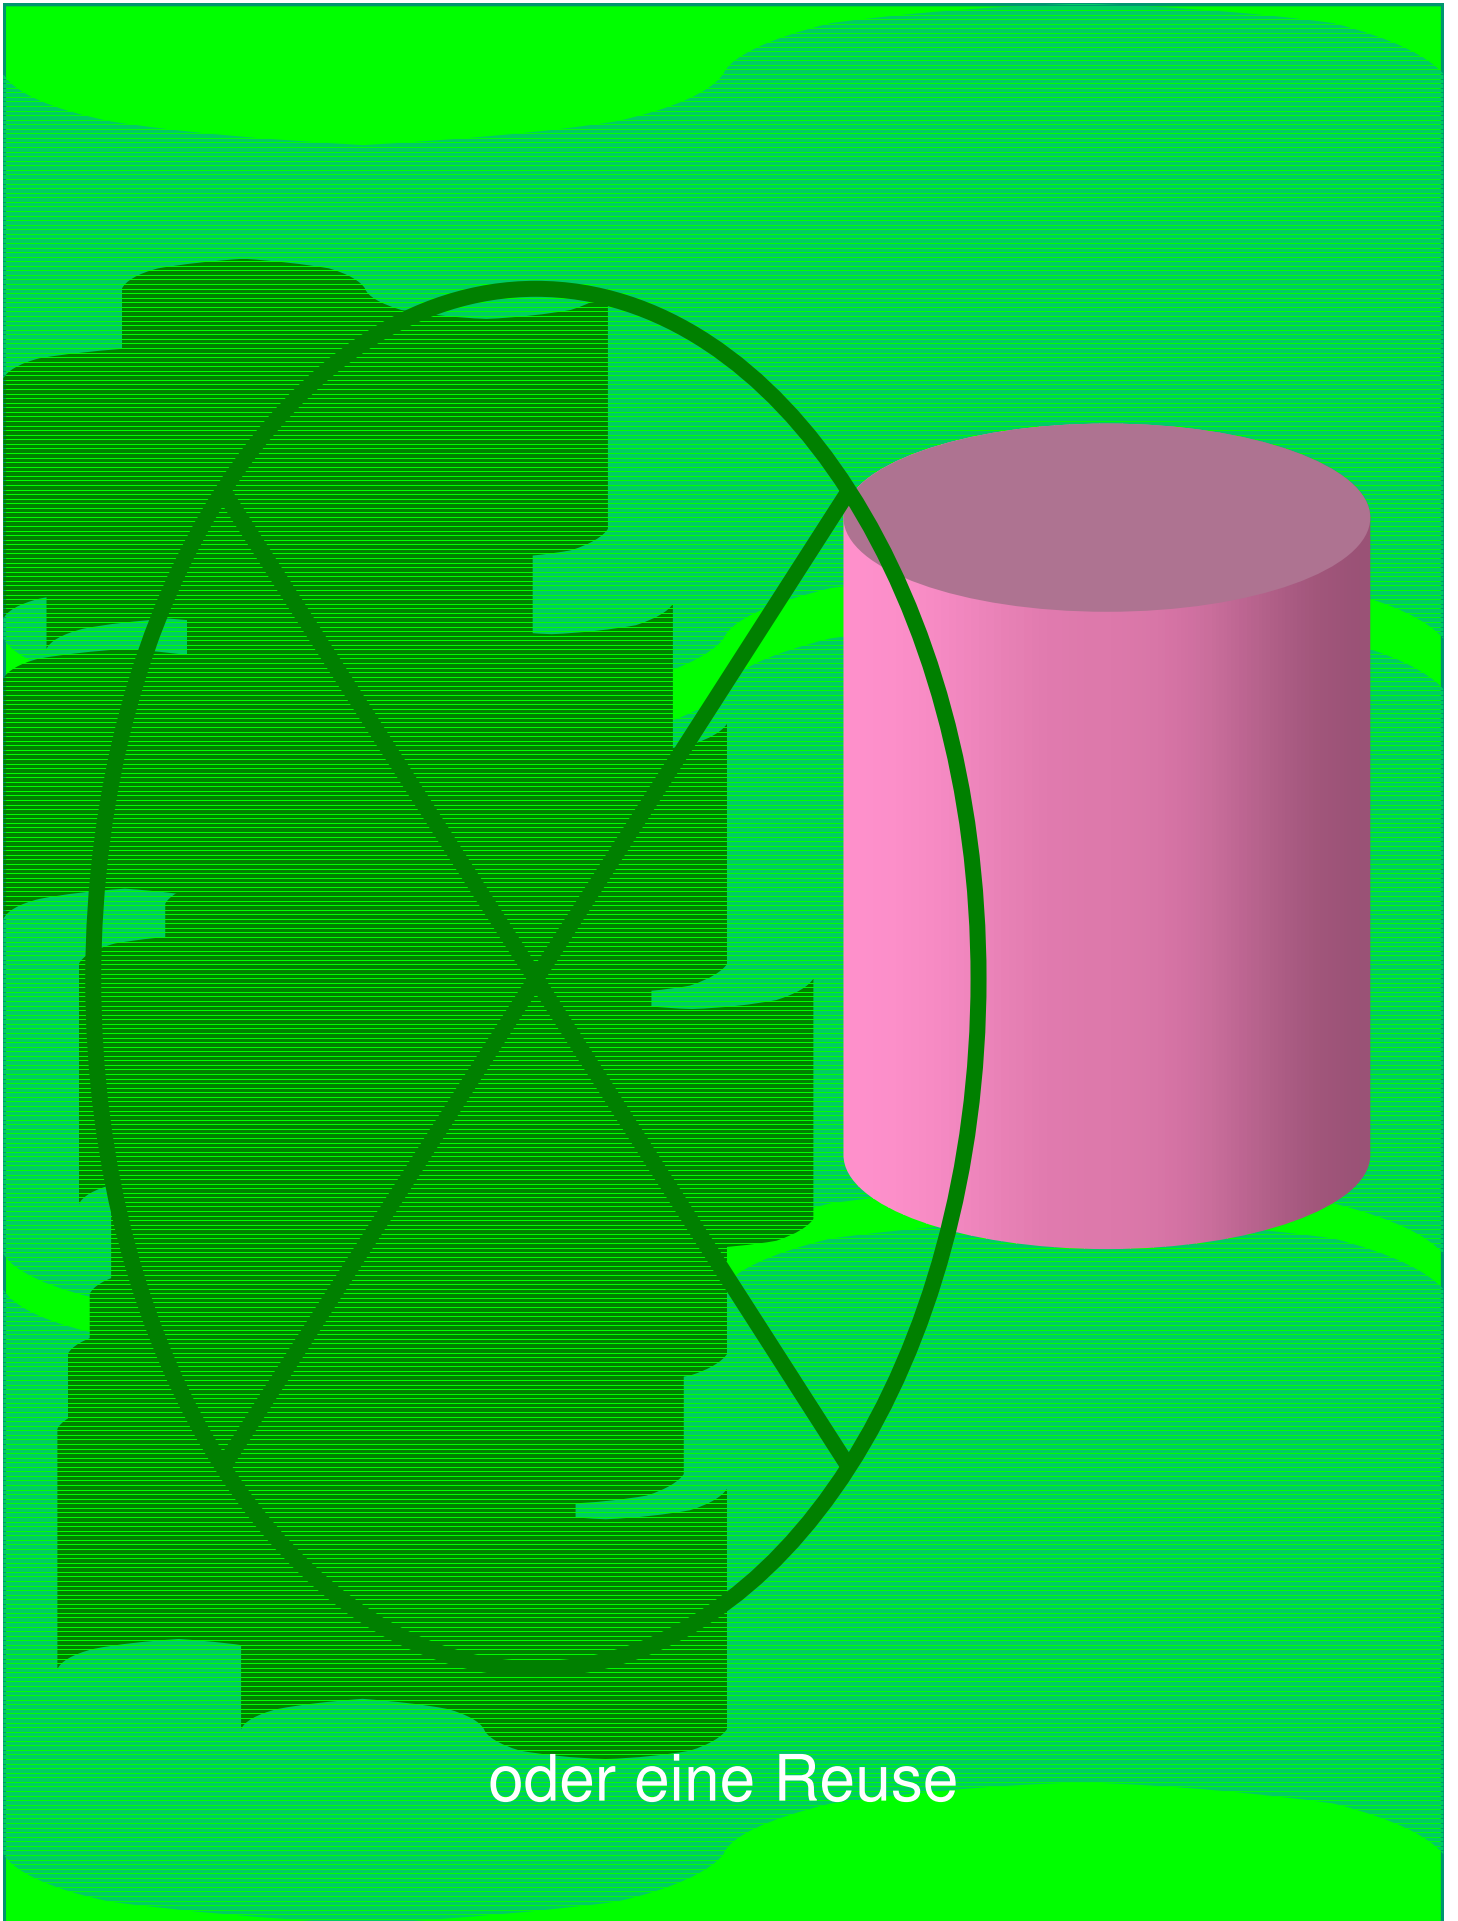

aufgestellt

wie eine Schlinge

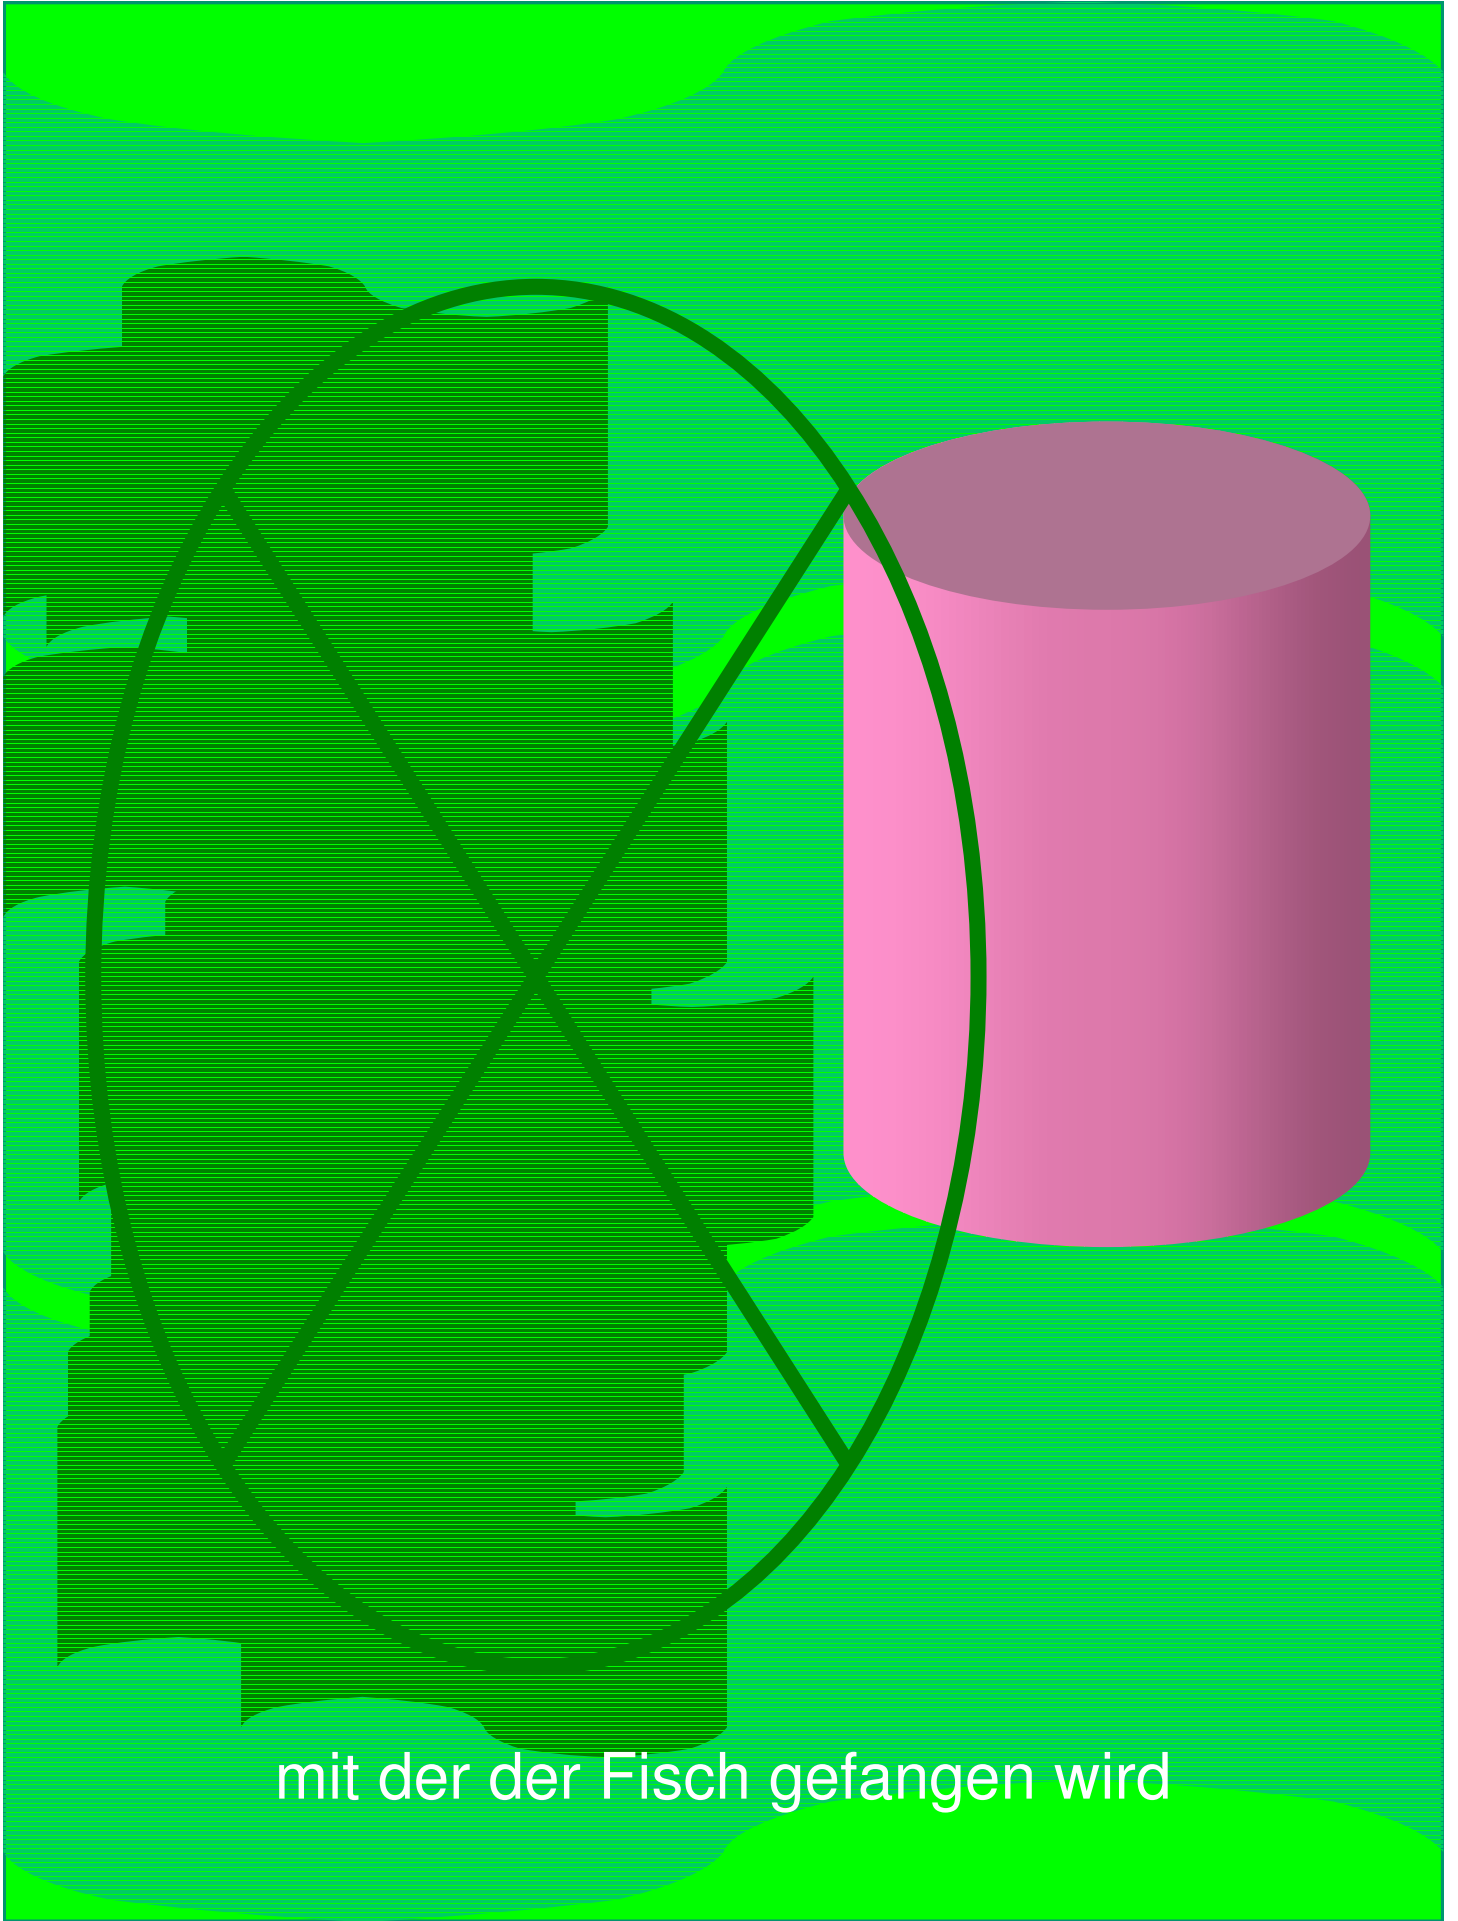

mit der man Hasen fängt

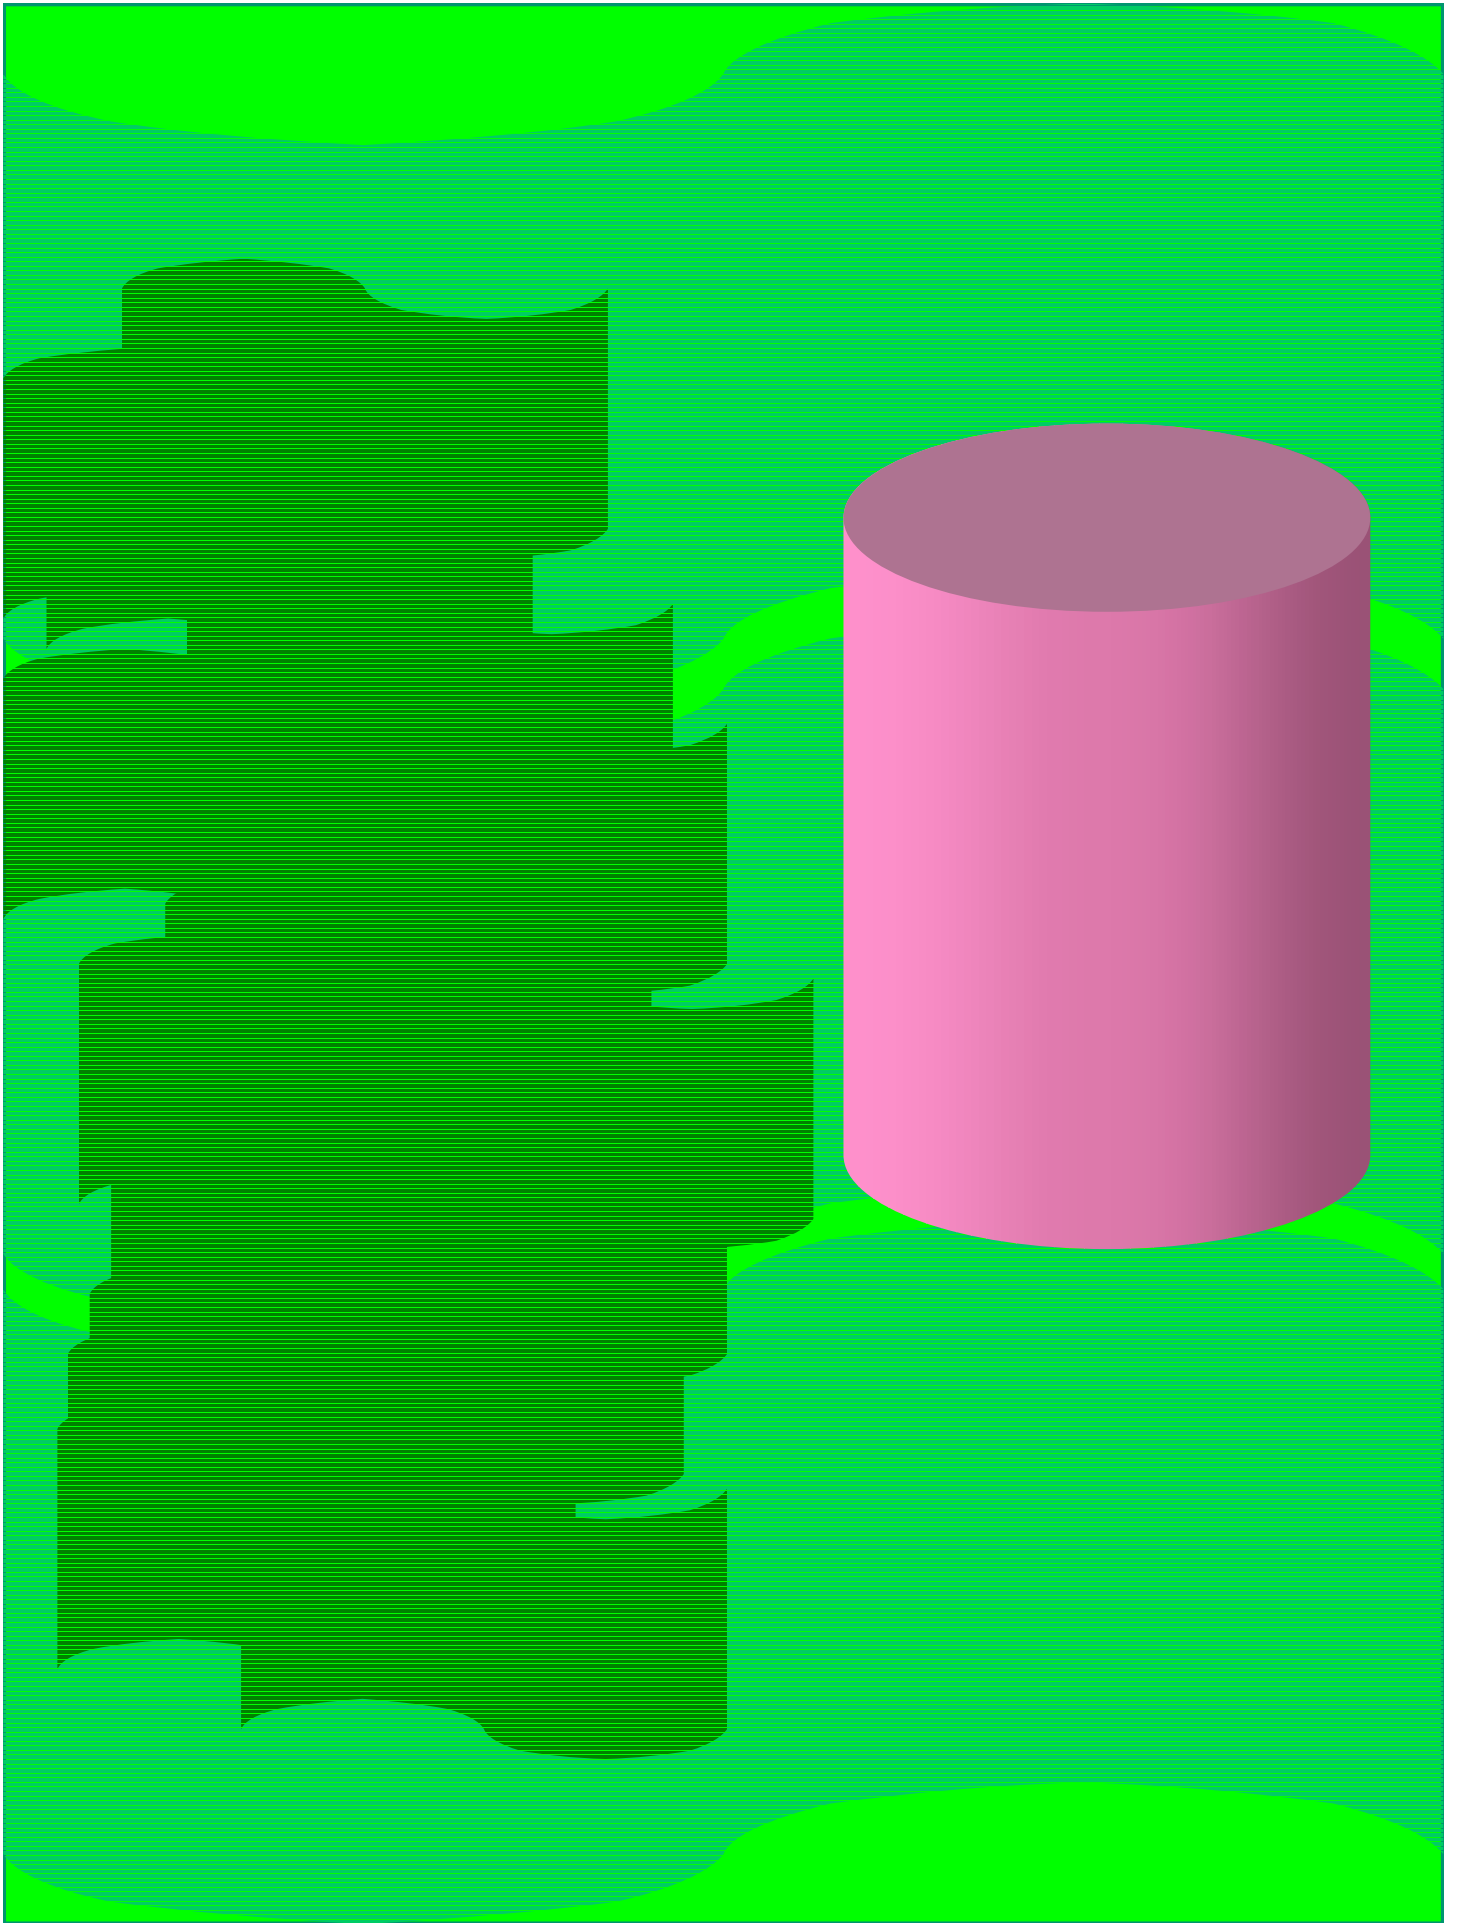

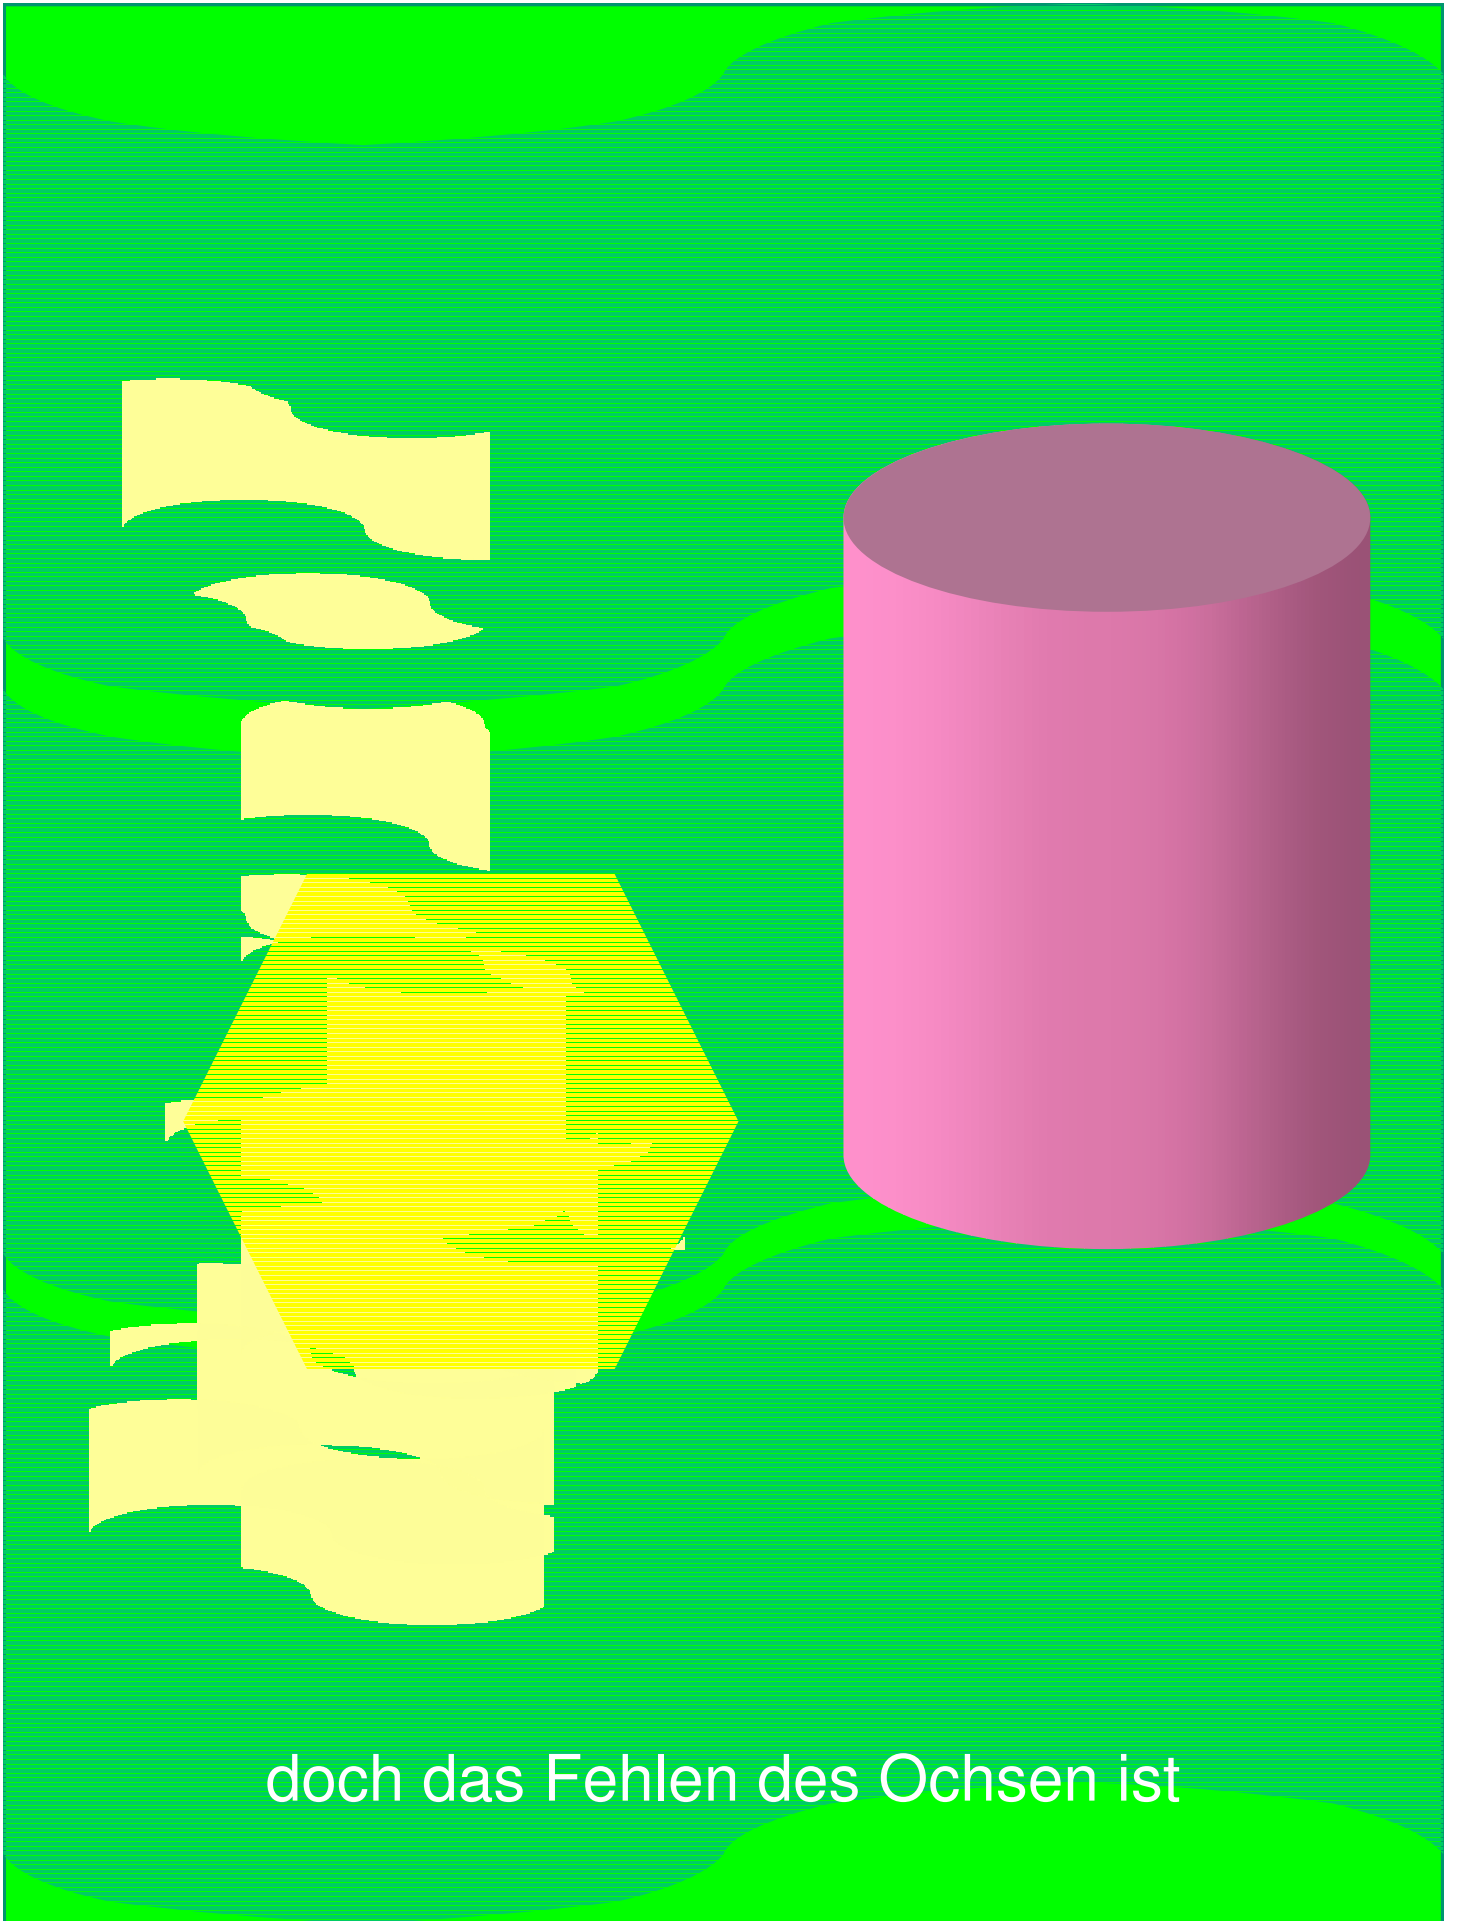

oder eine Reuse

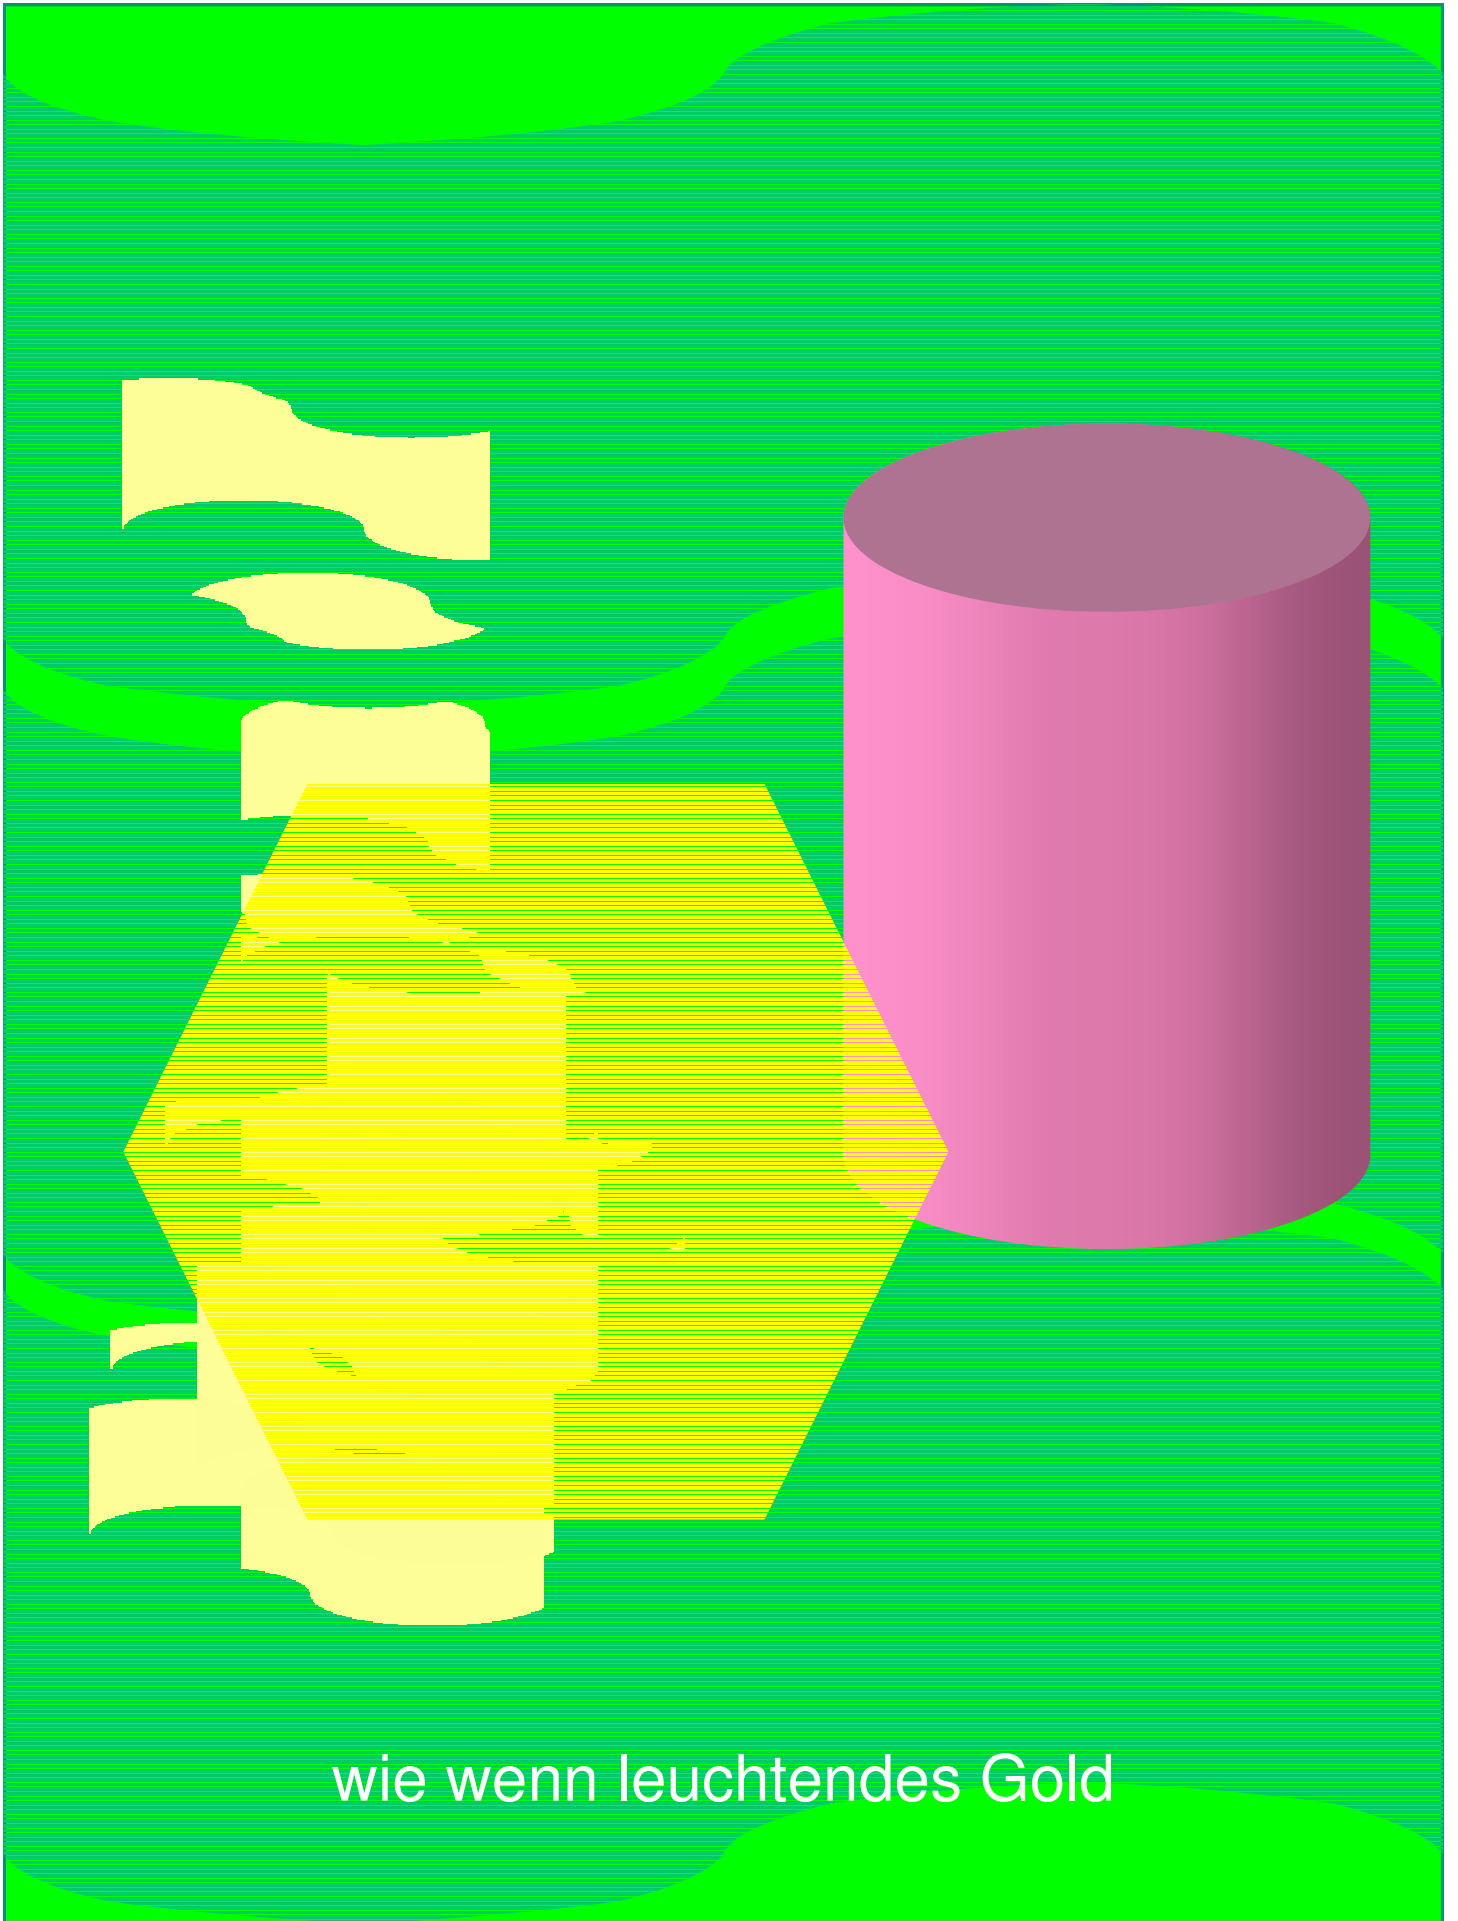

mit der der Fisch gefangen wird

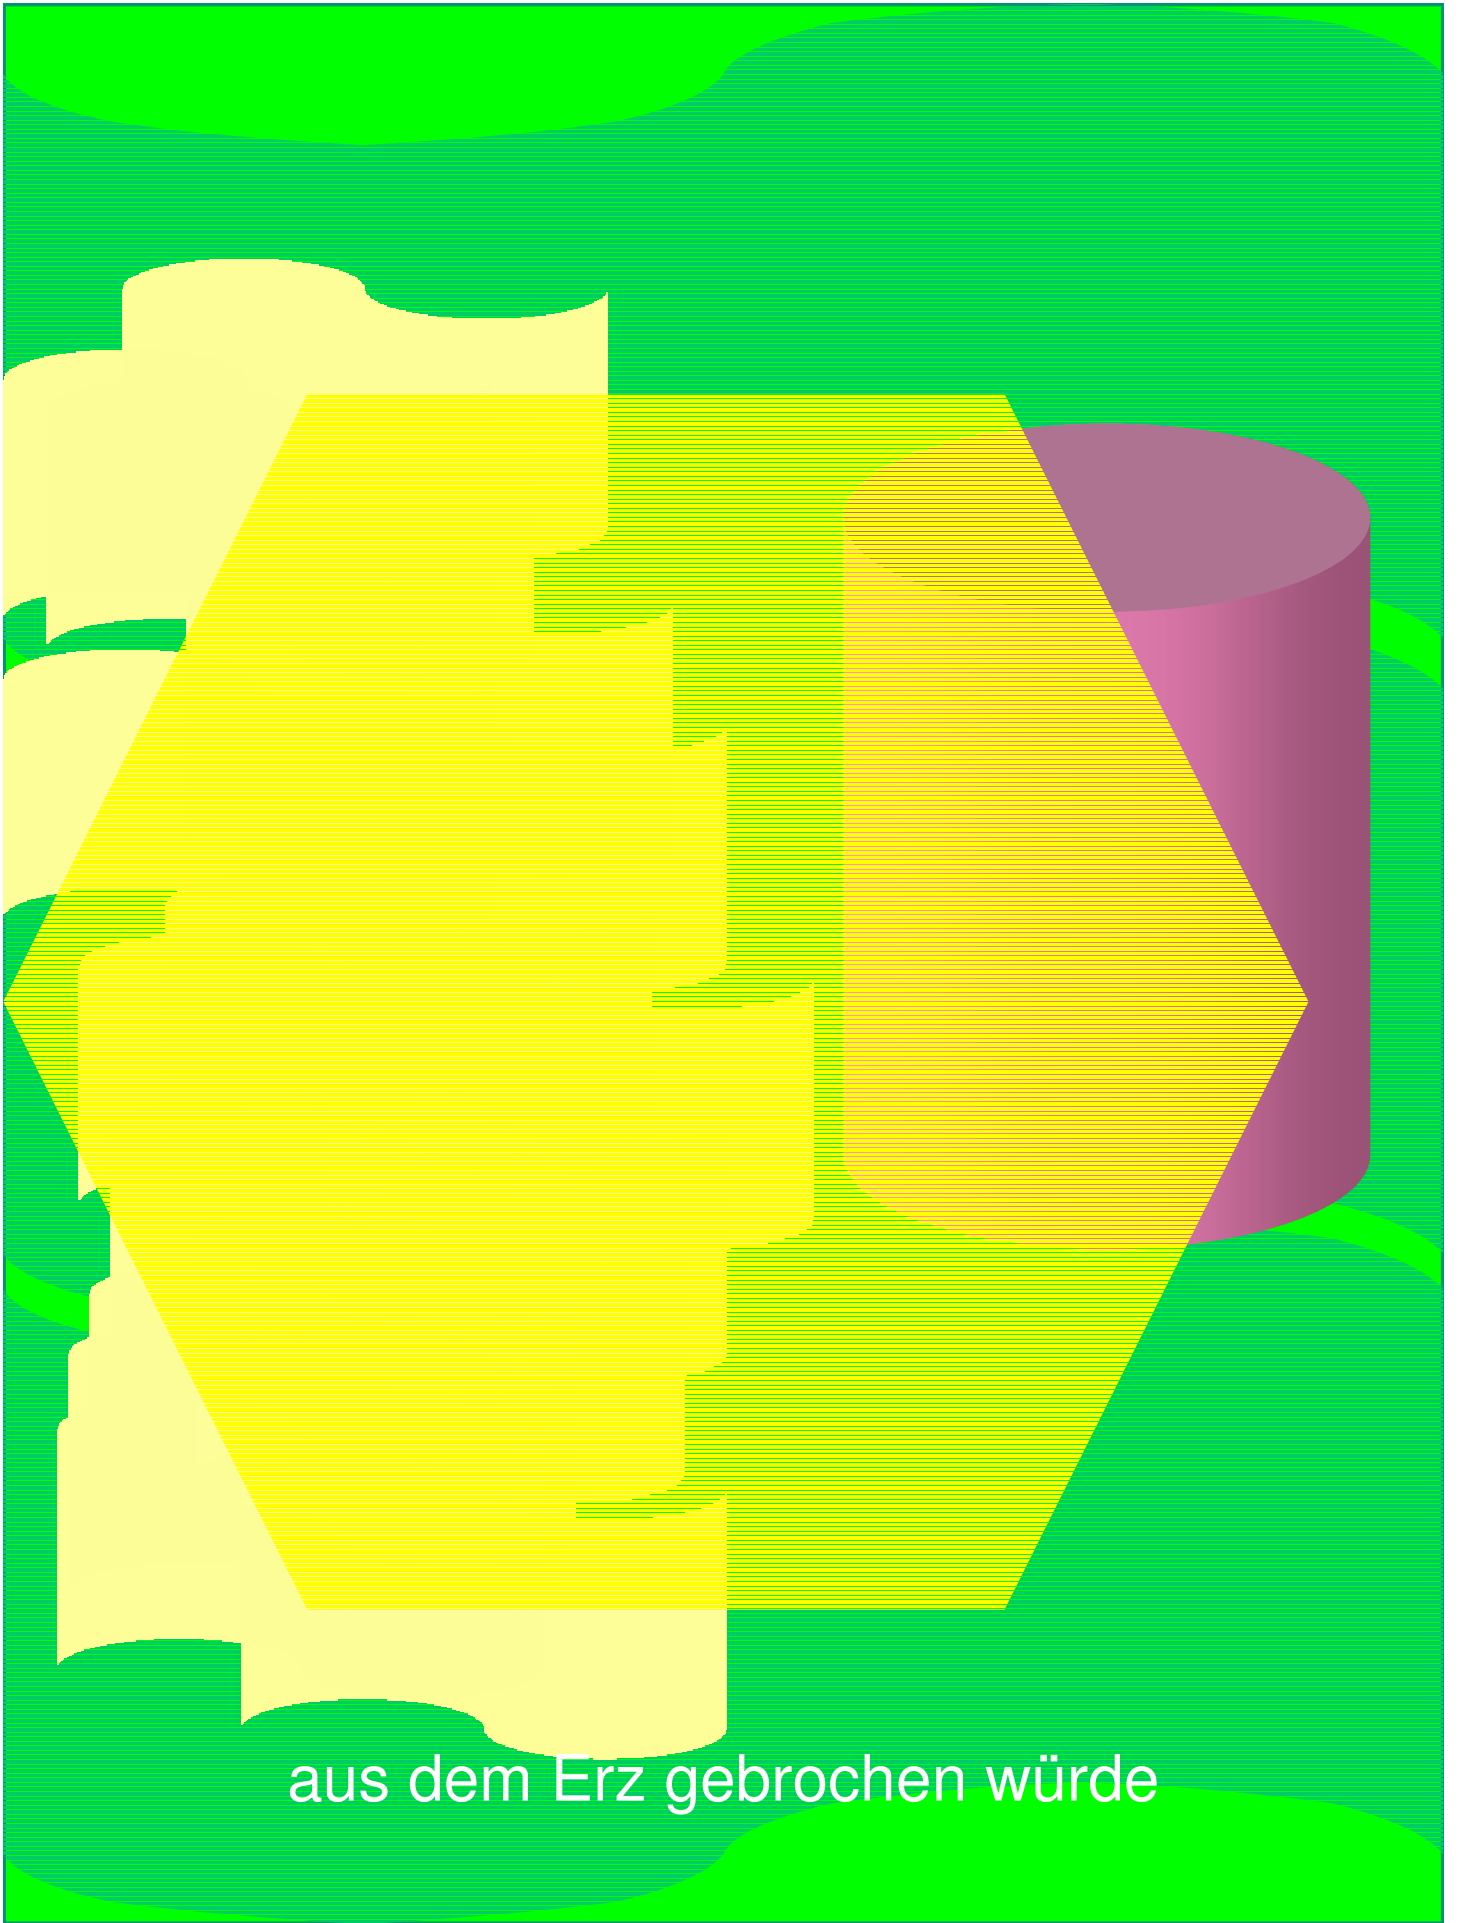

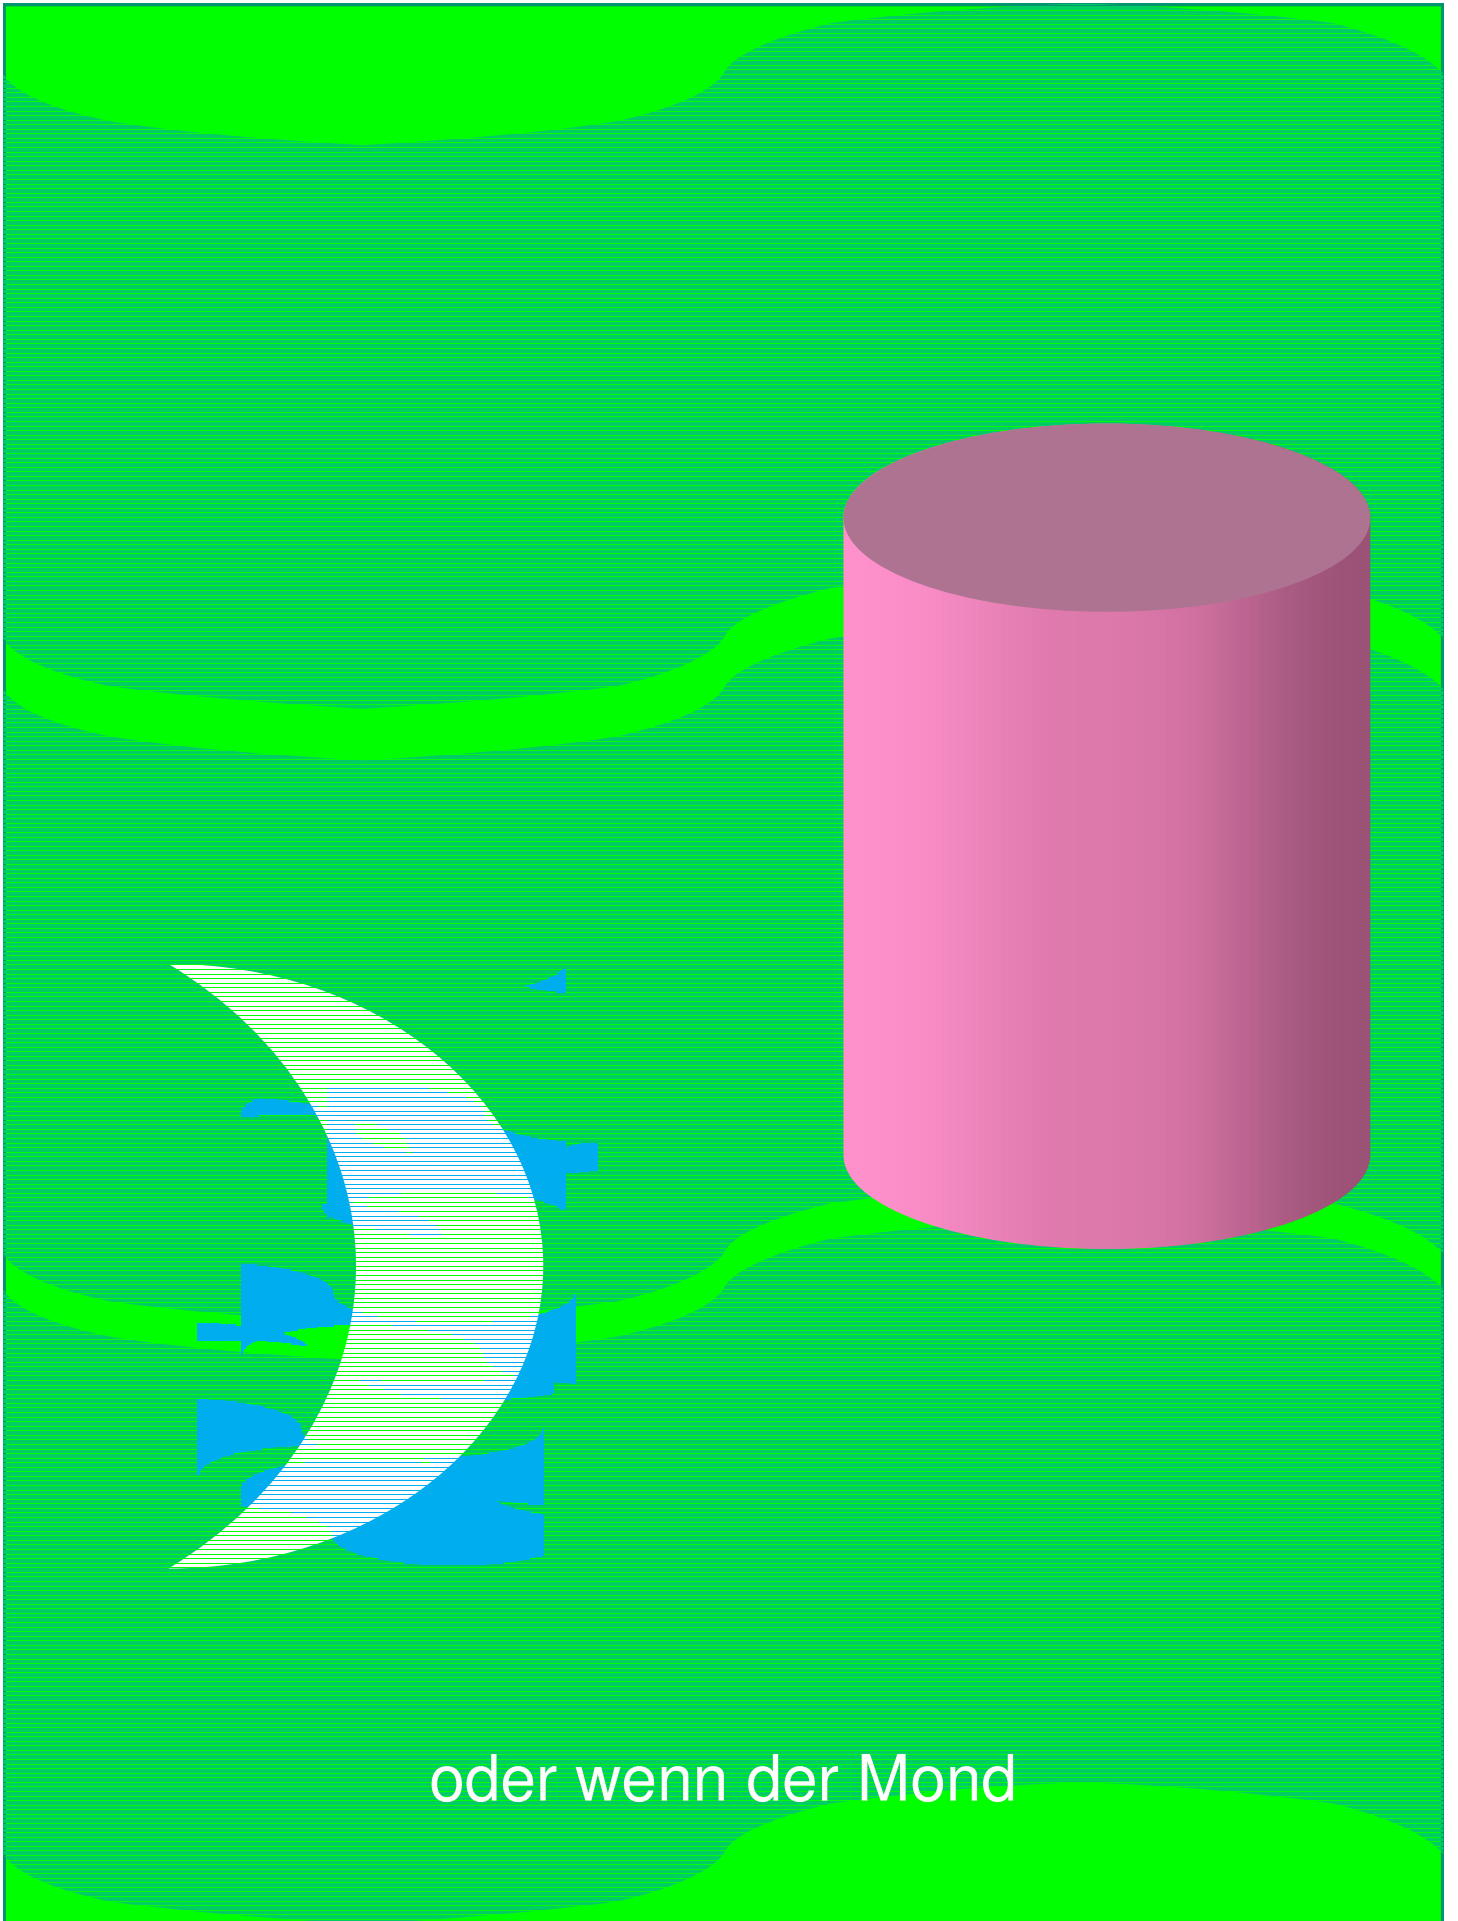

doch das Fehlen des Ochsen ist

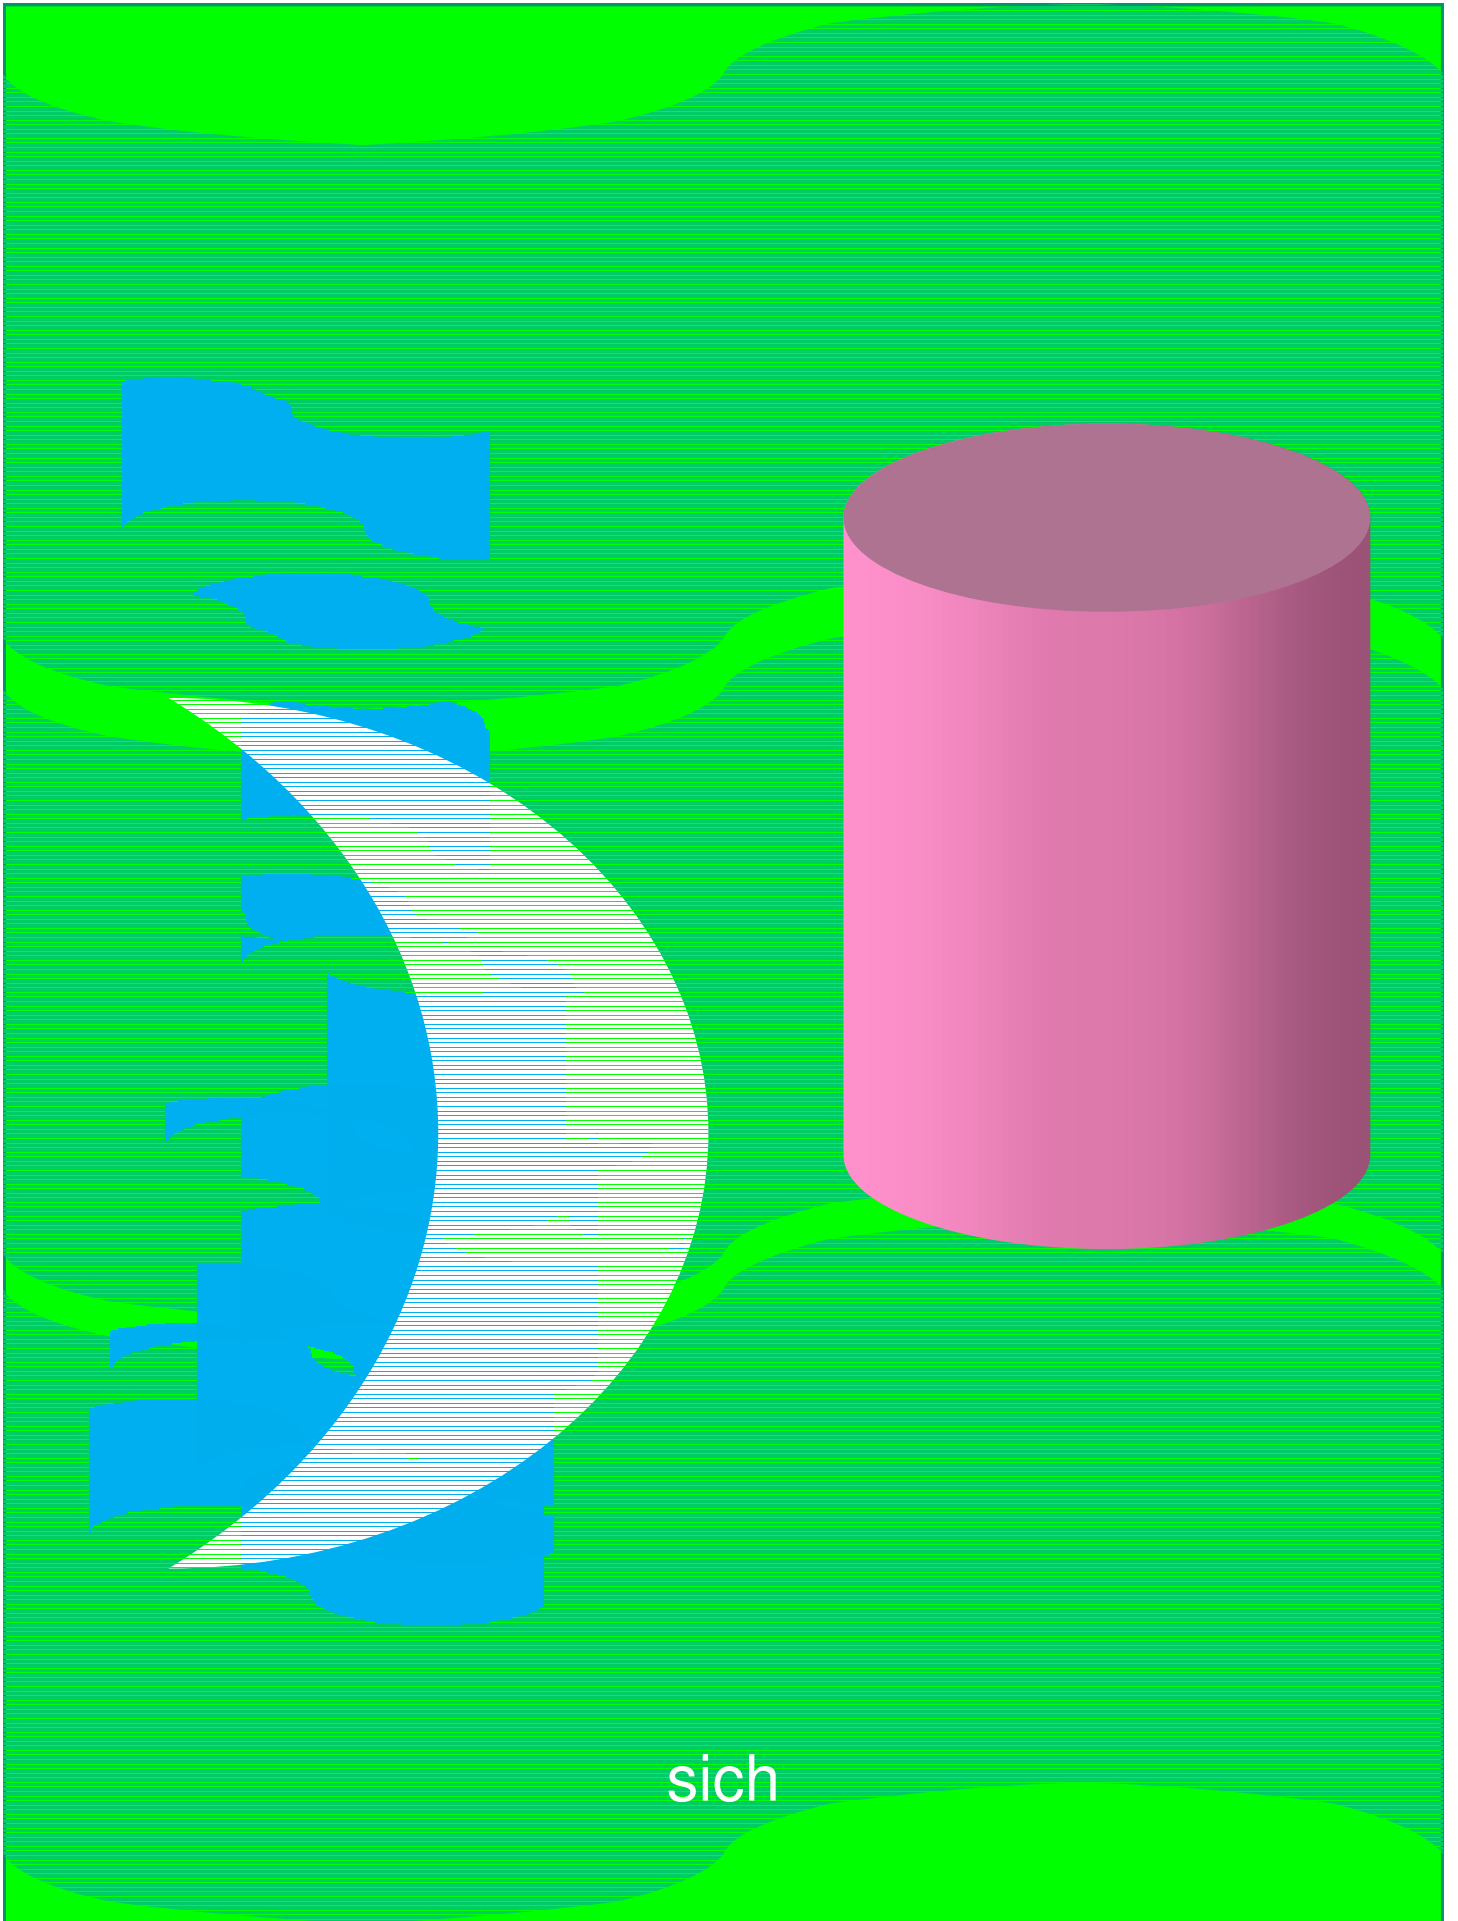

wie wenn leuchtendes Gold

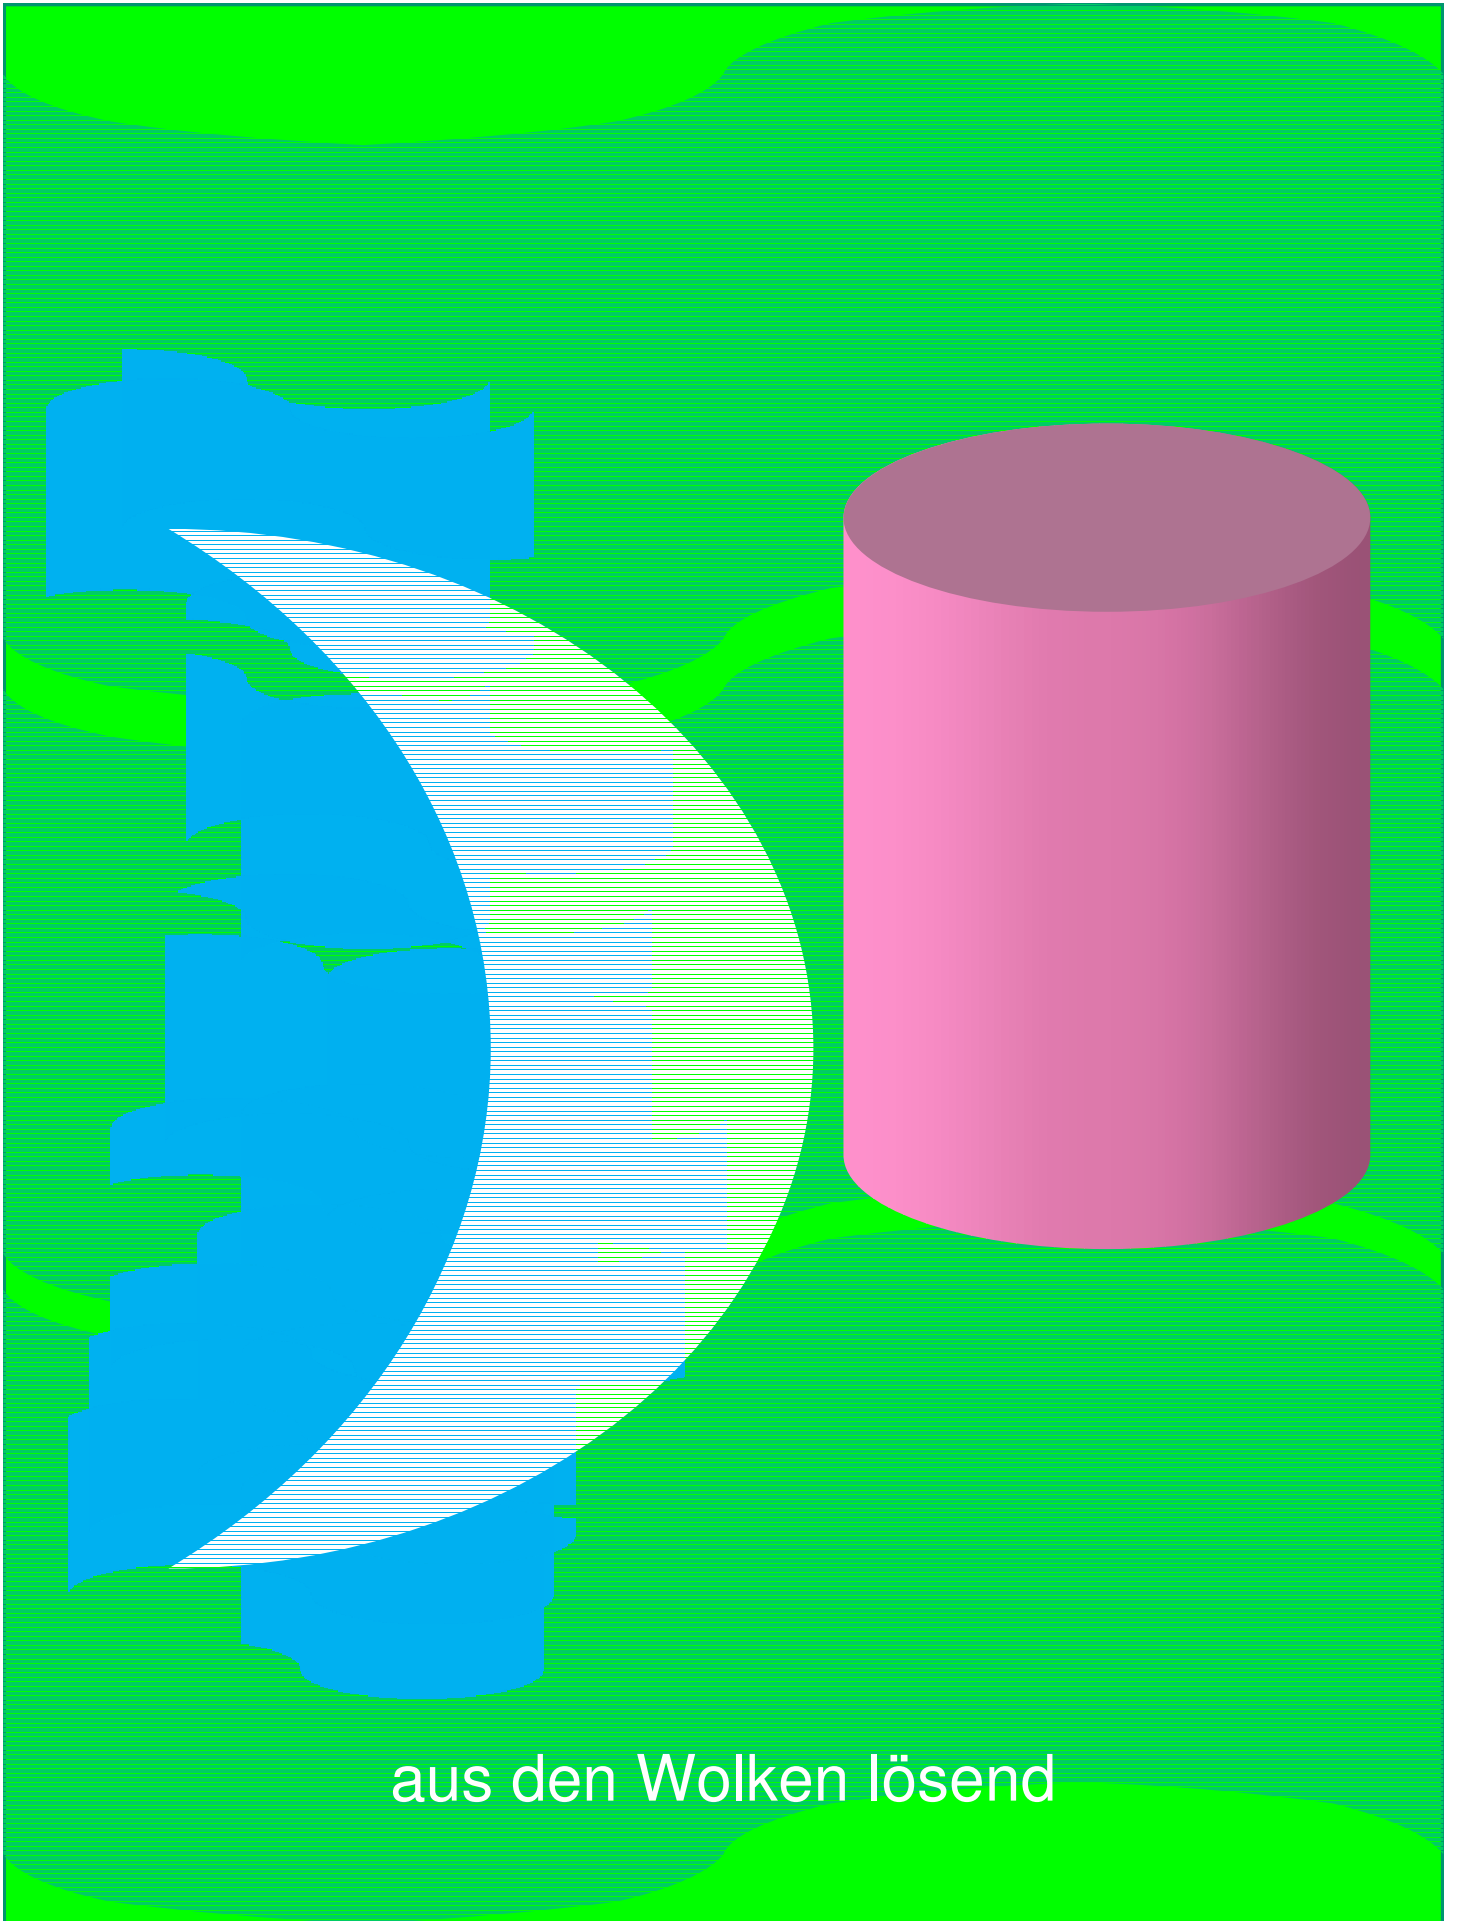

aus dem Erz gebrochen würde

oder wenn der Mond

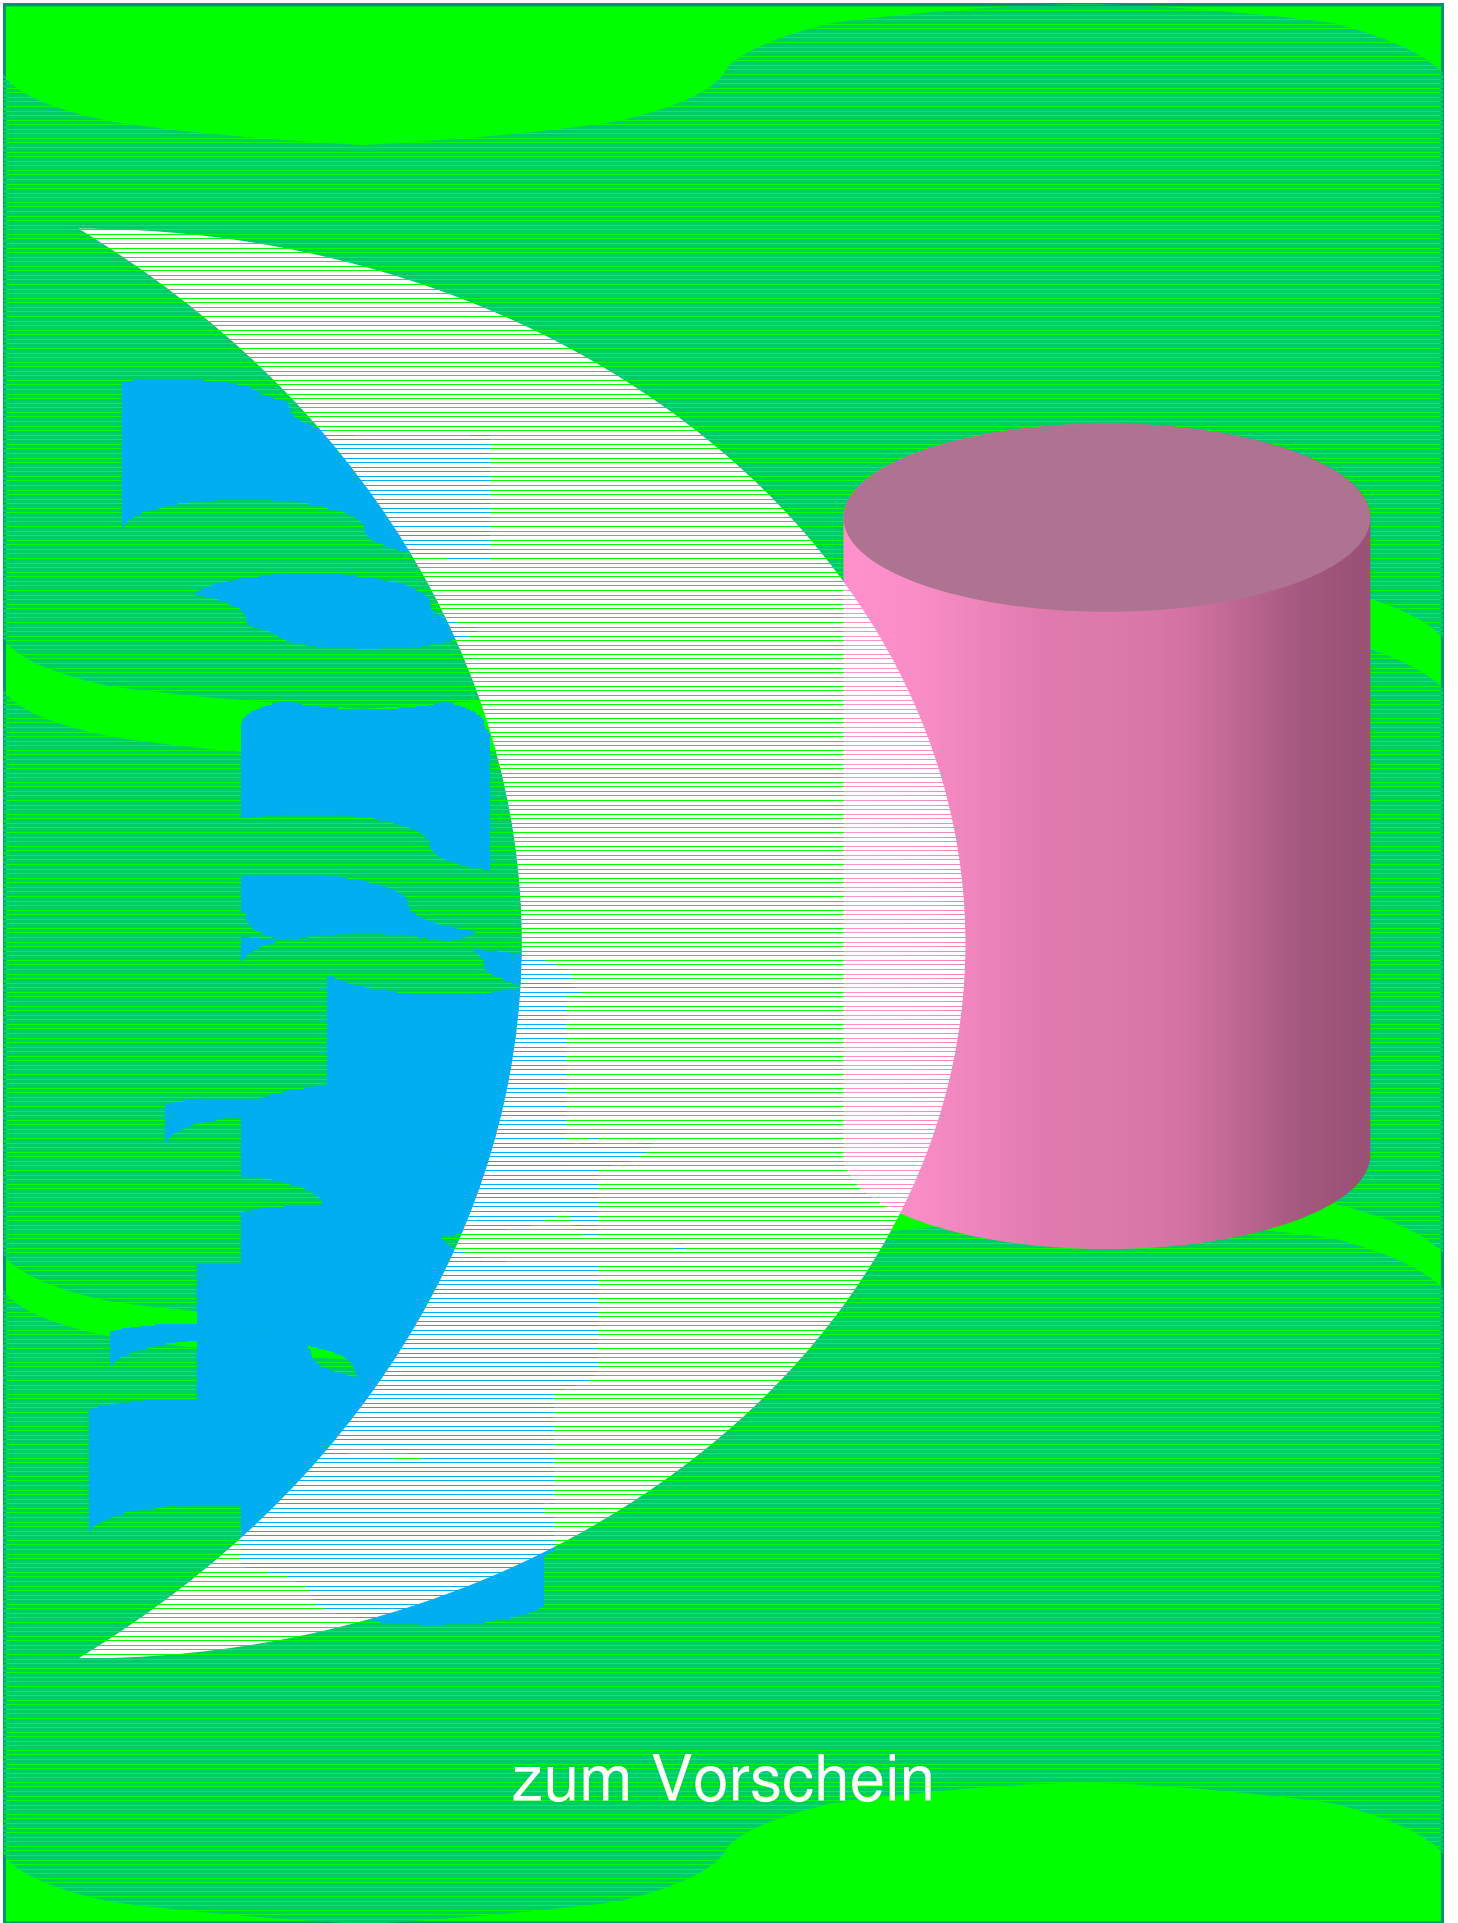

sich

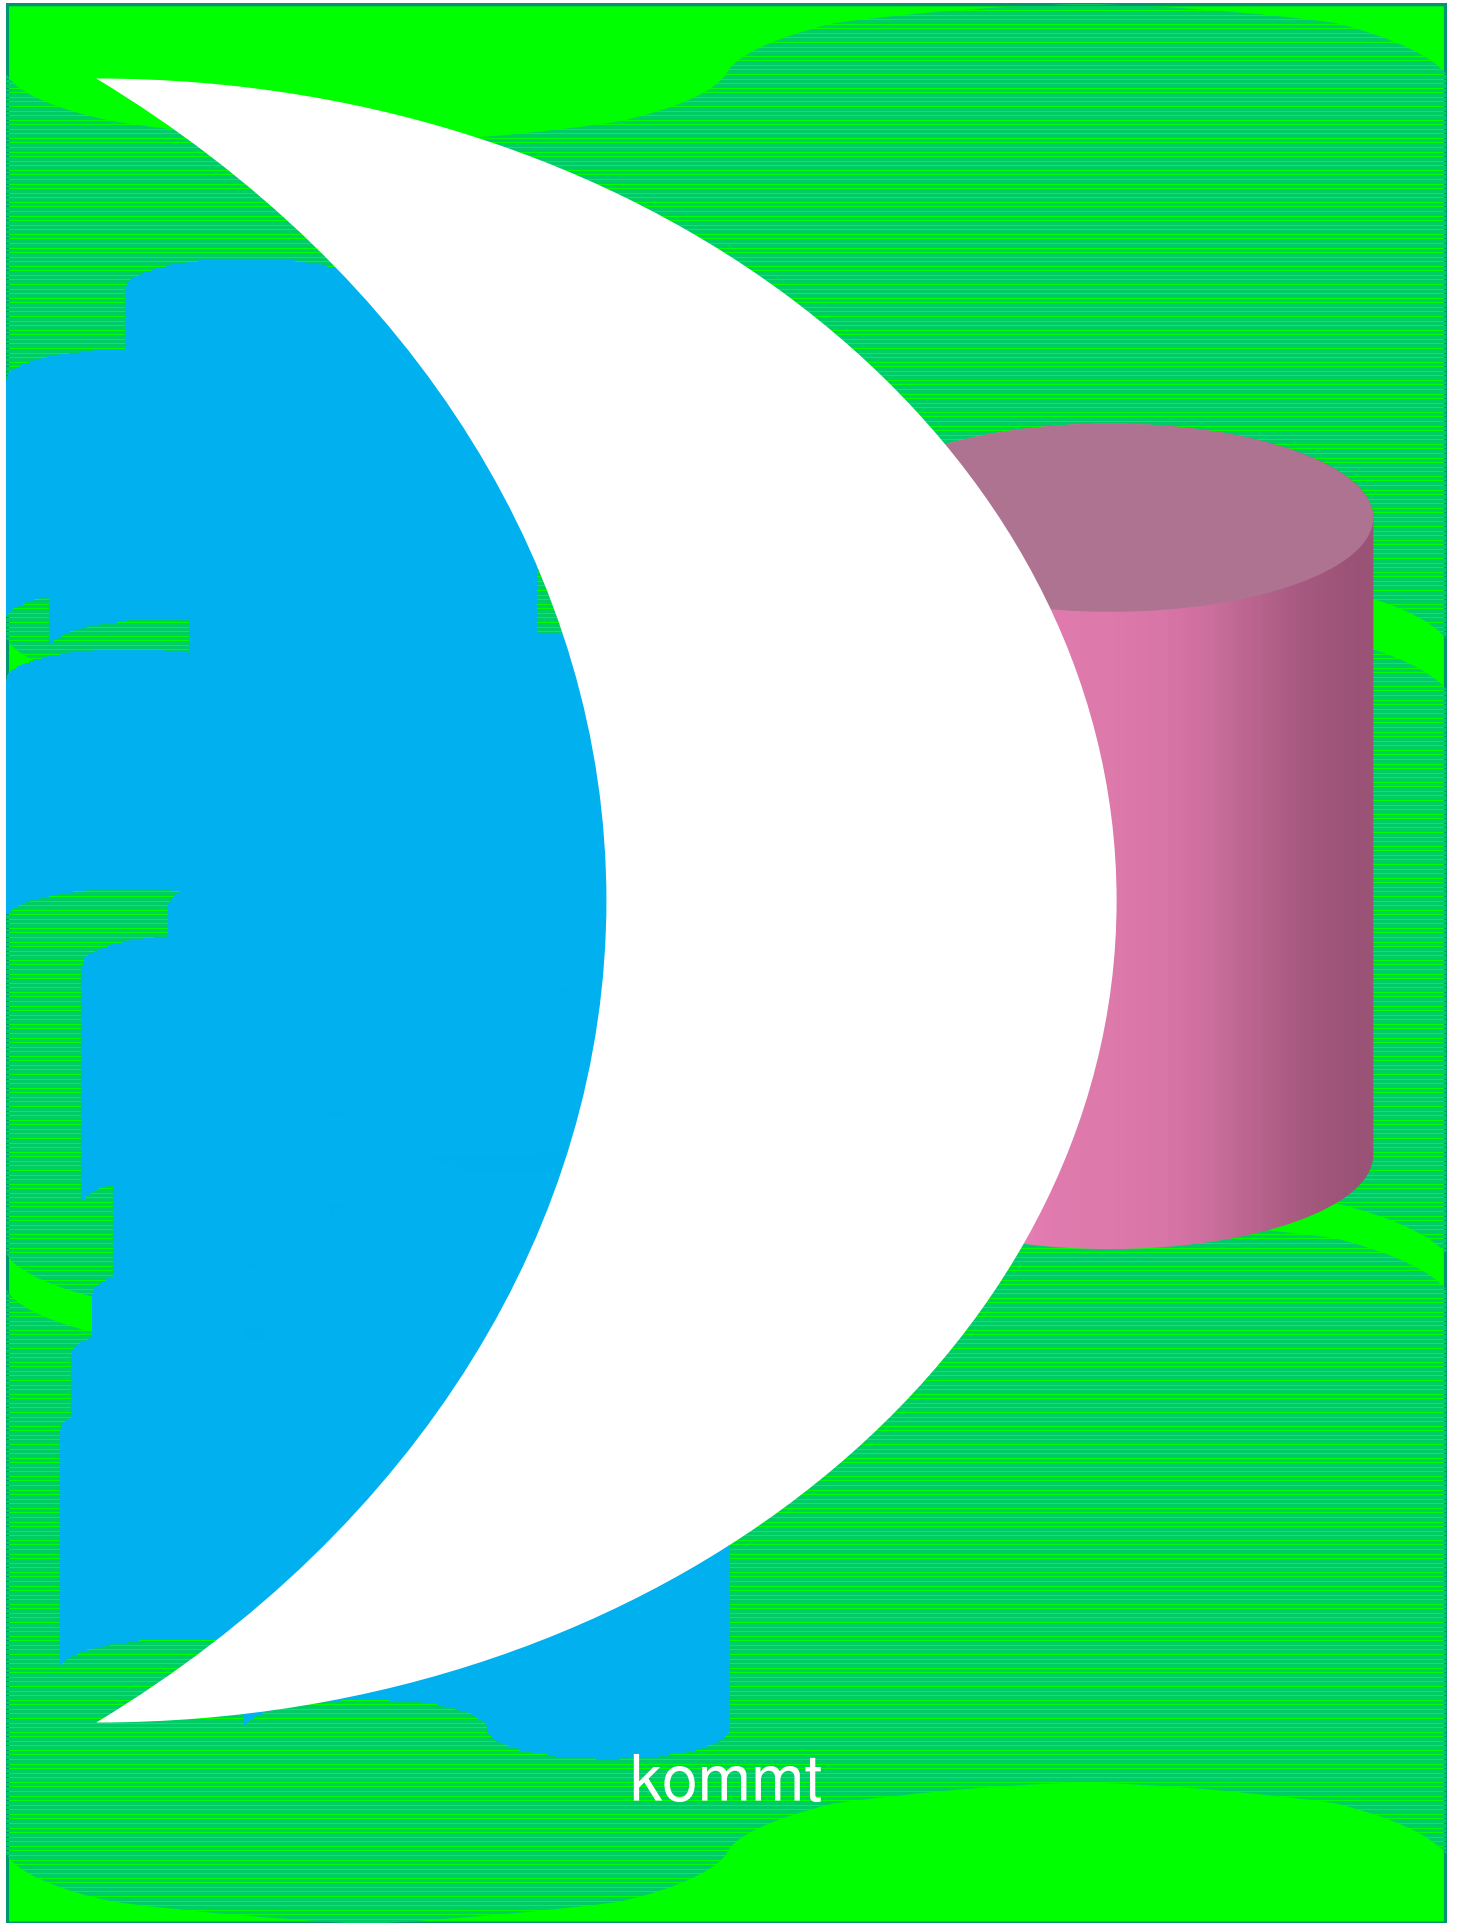

aus den Wolken lösend

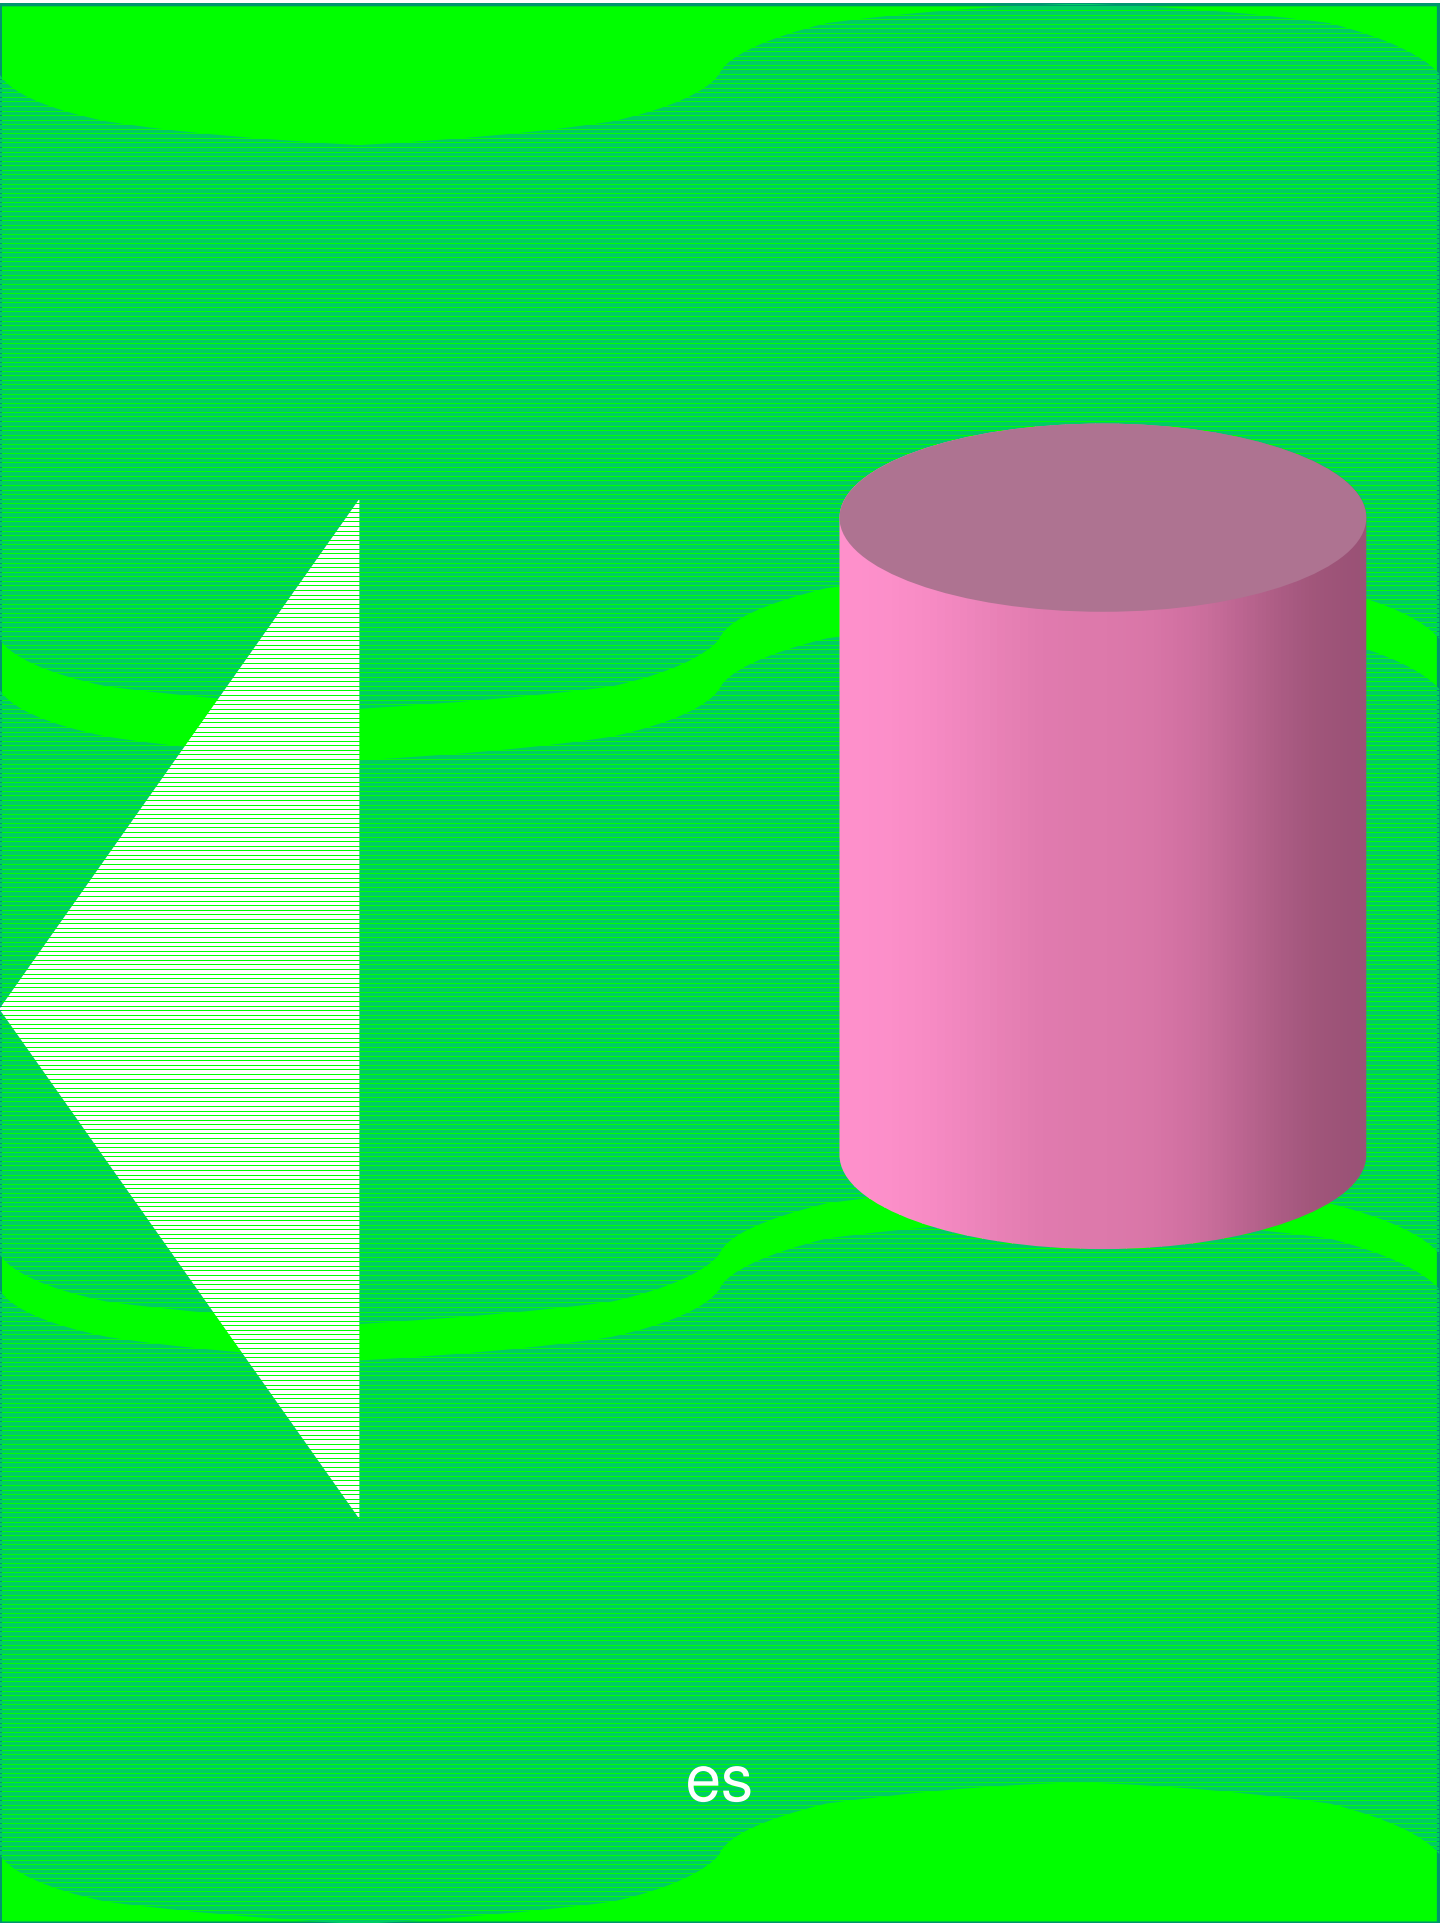

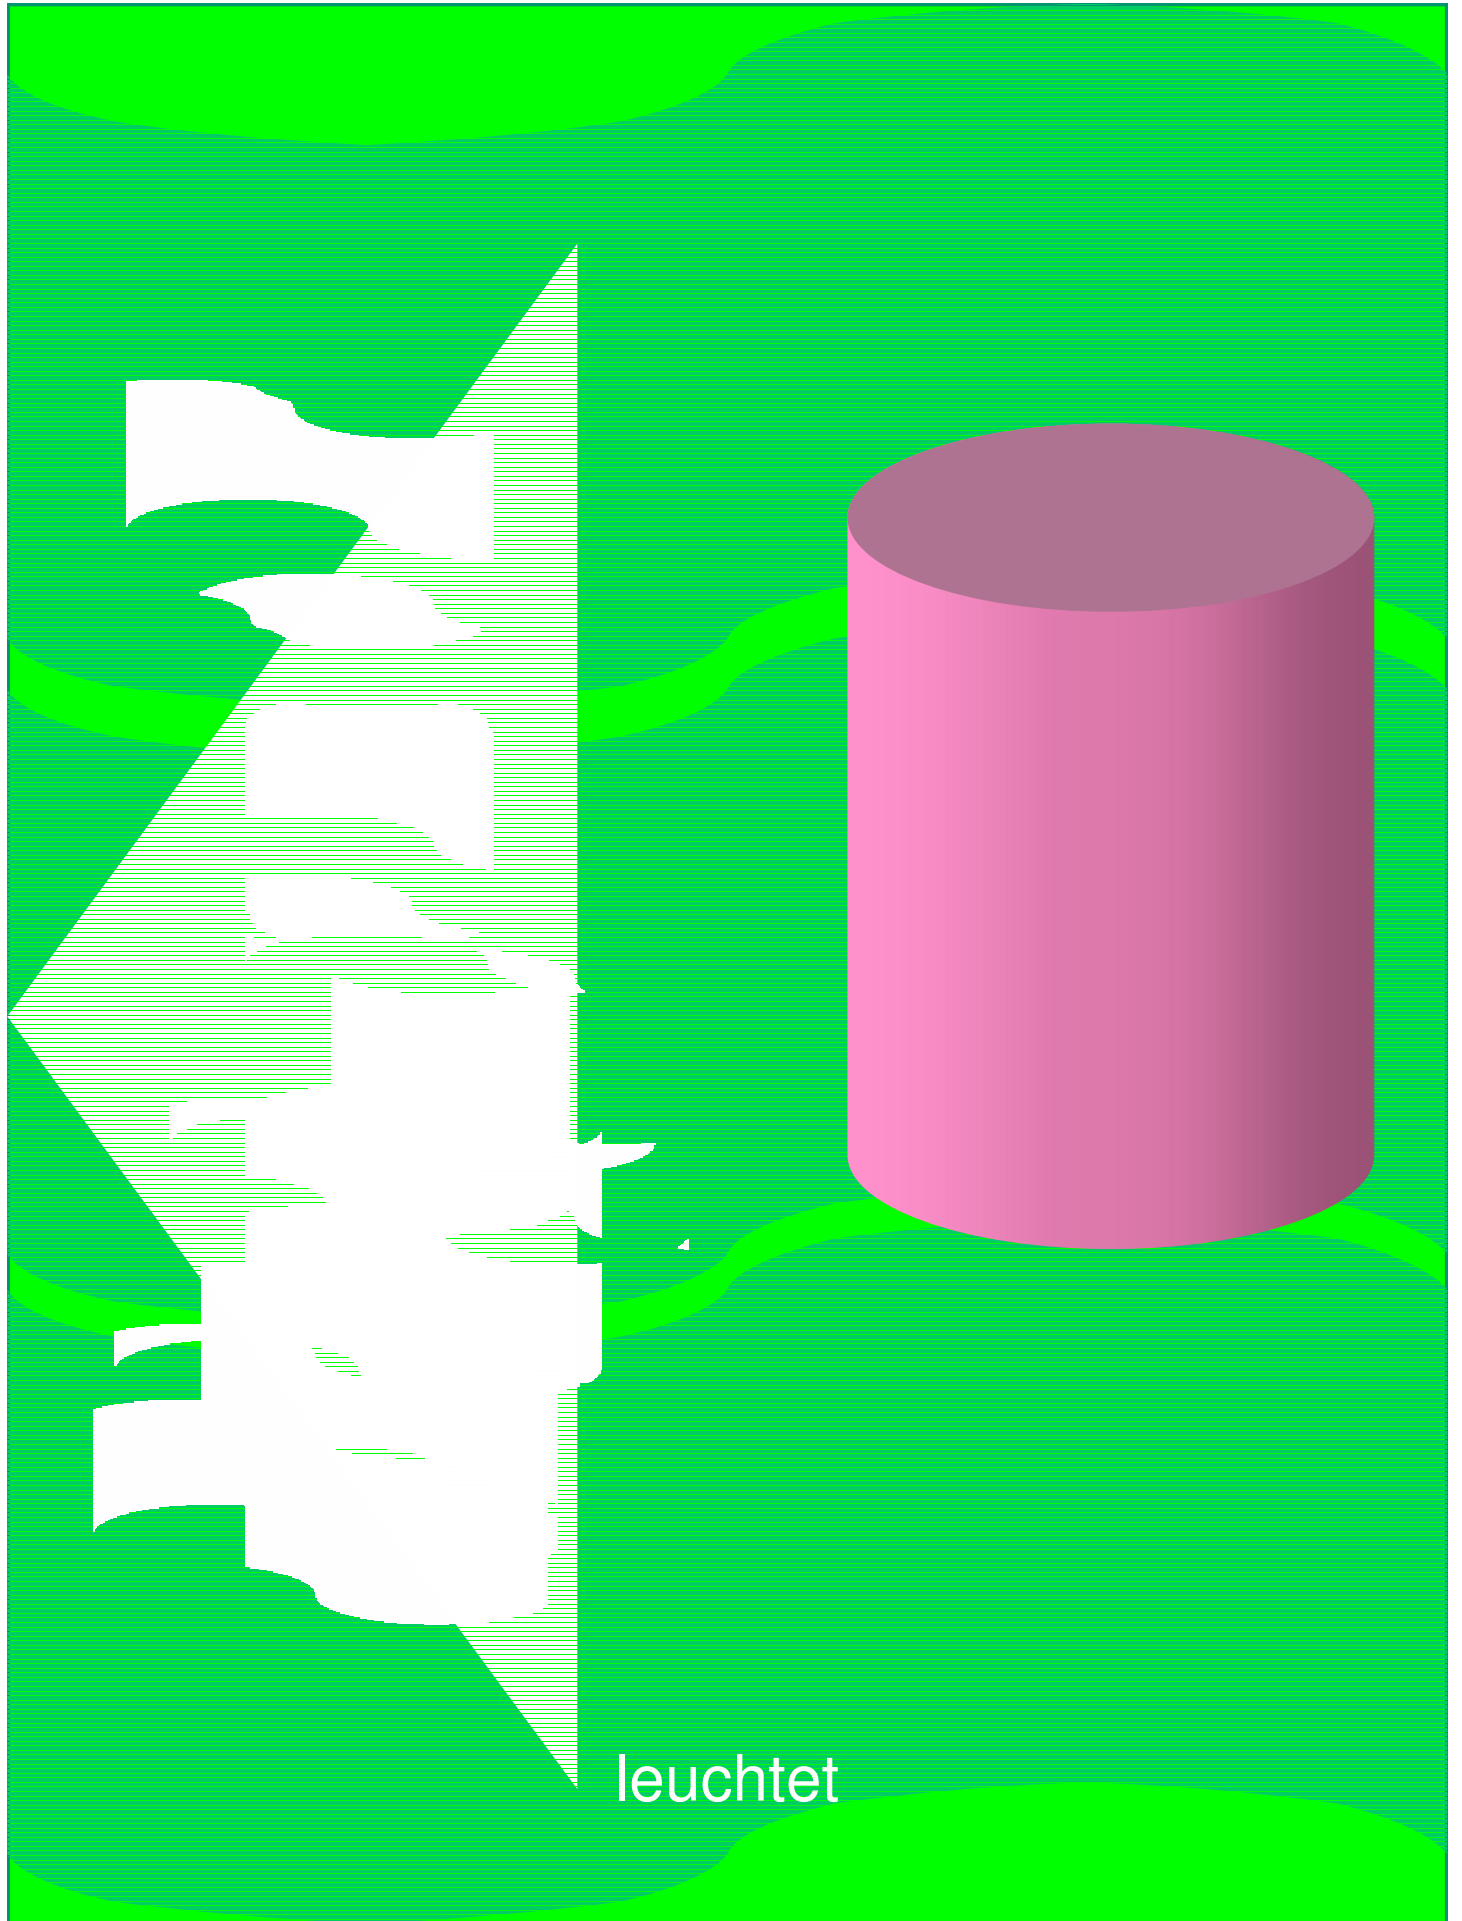

zum Vorschein

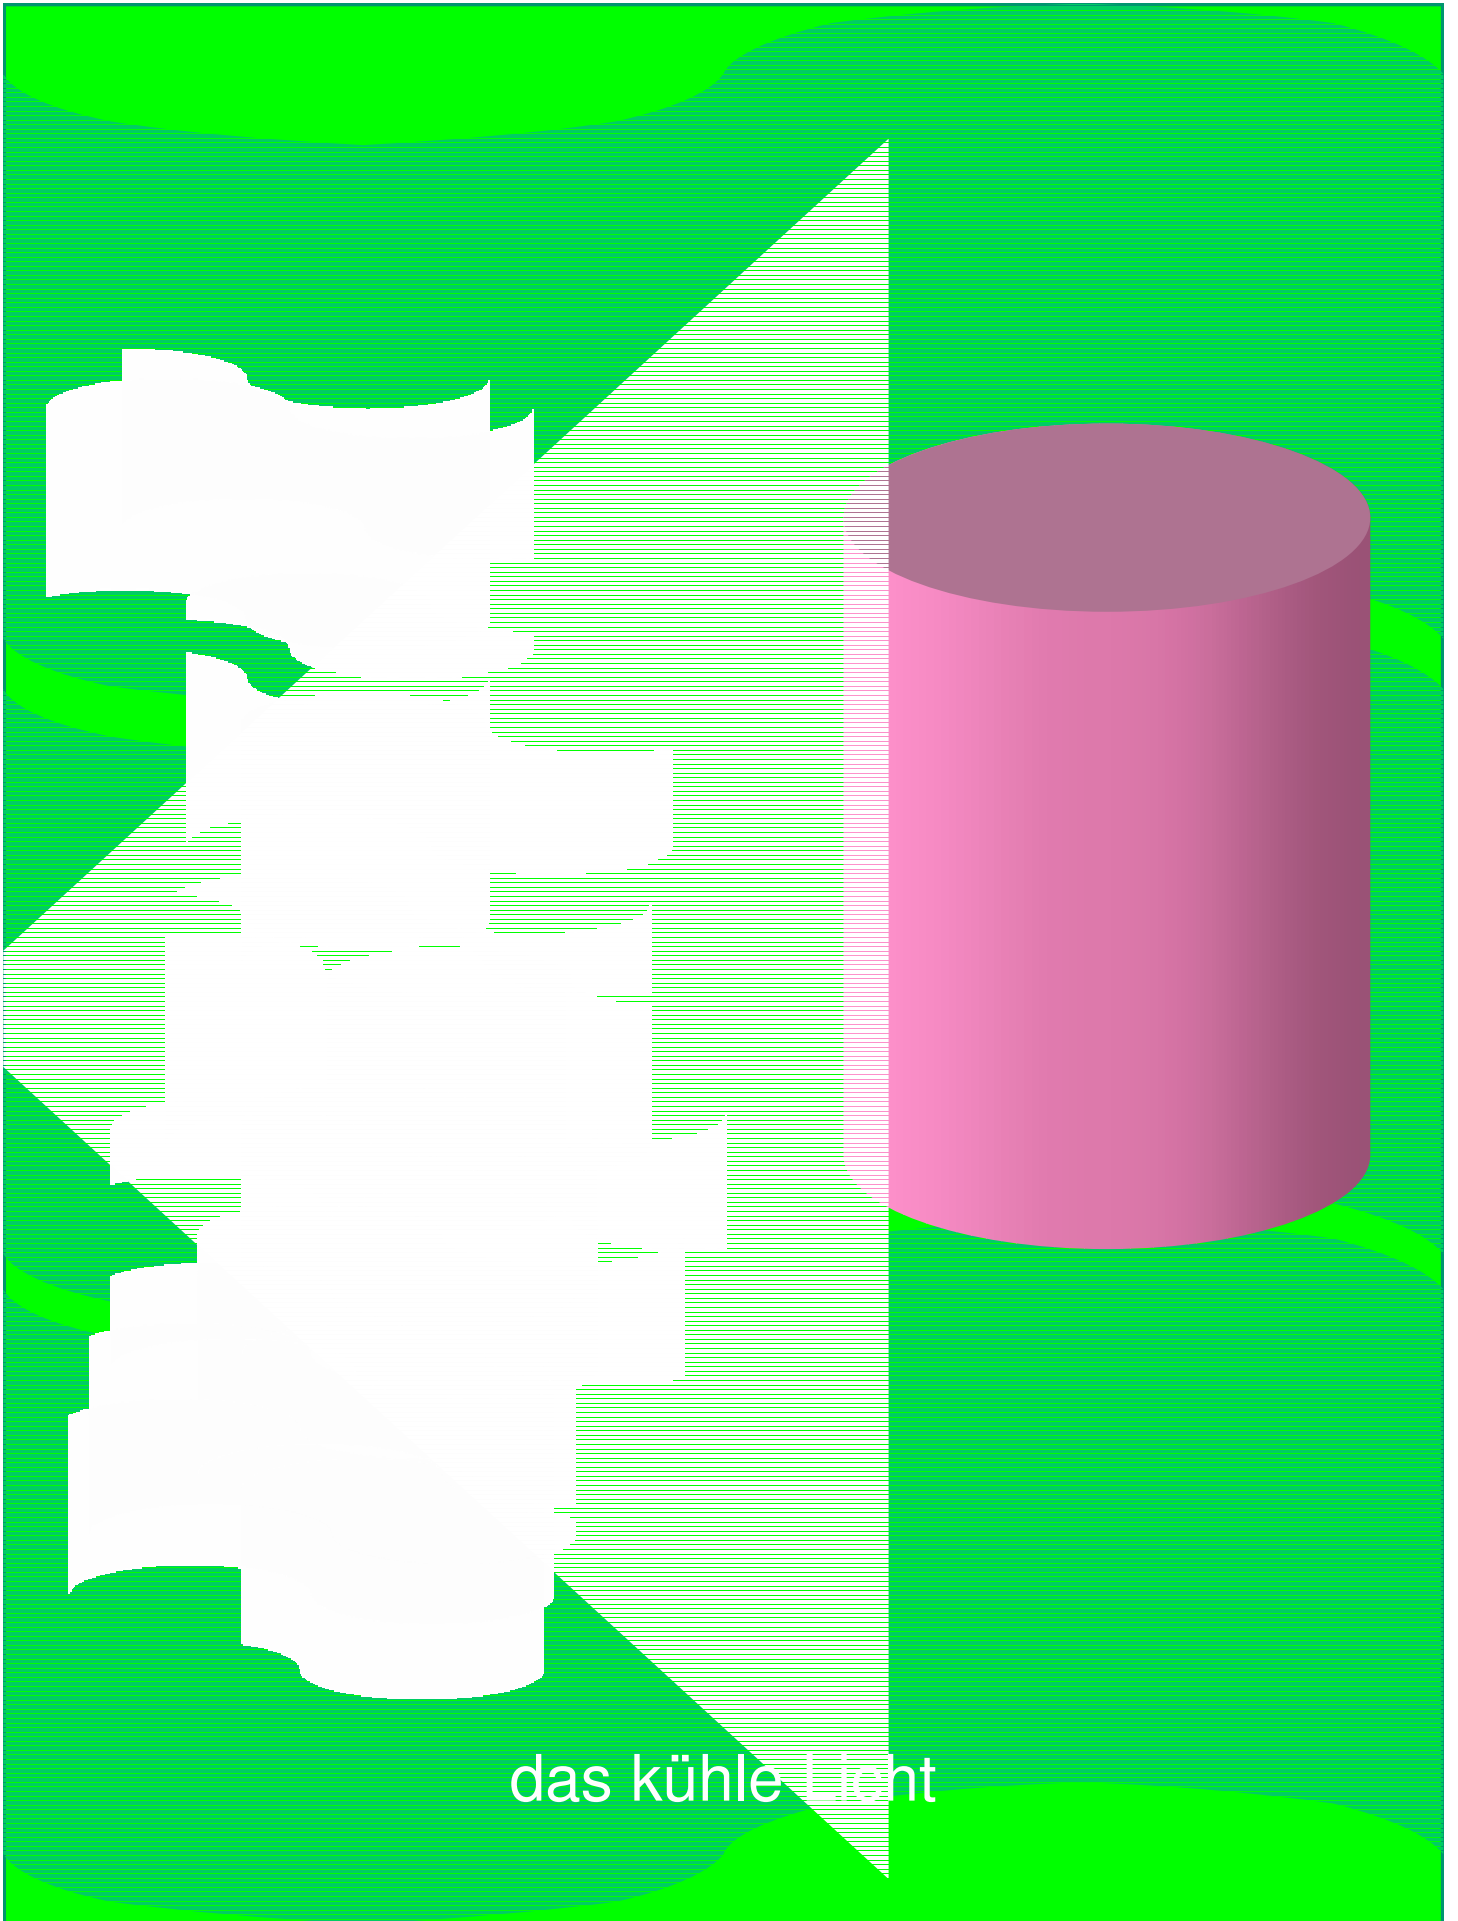

kommt

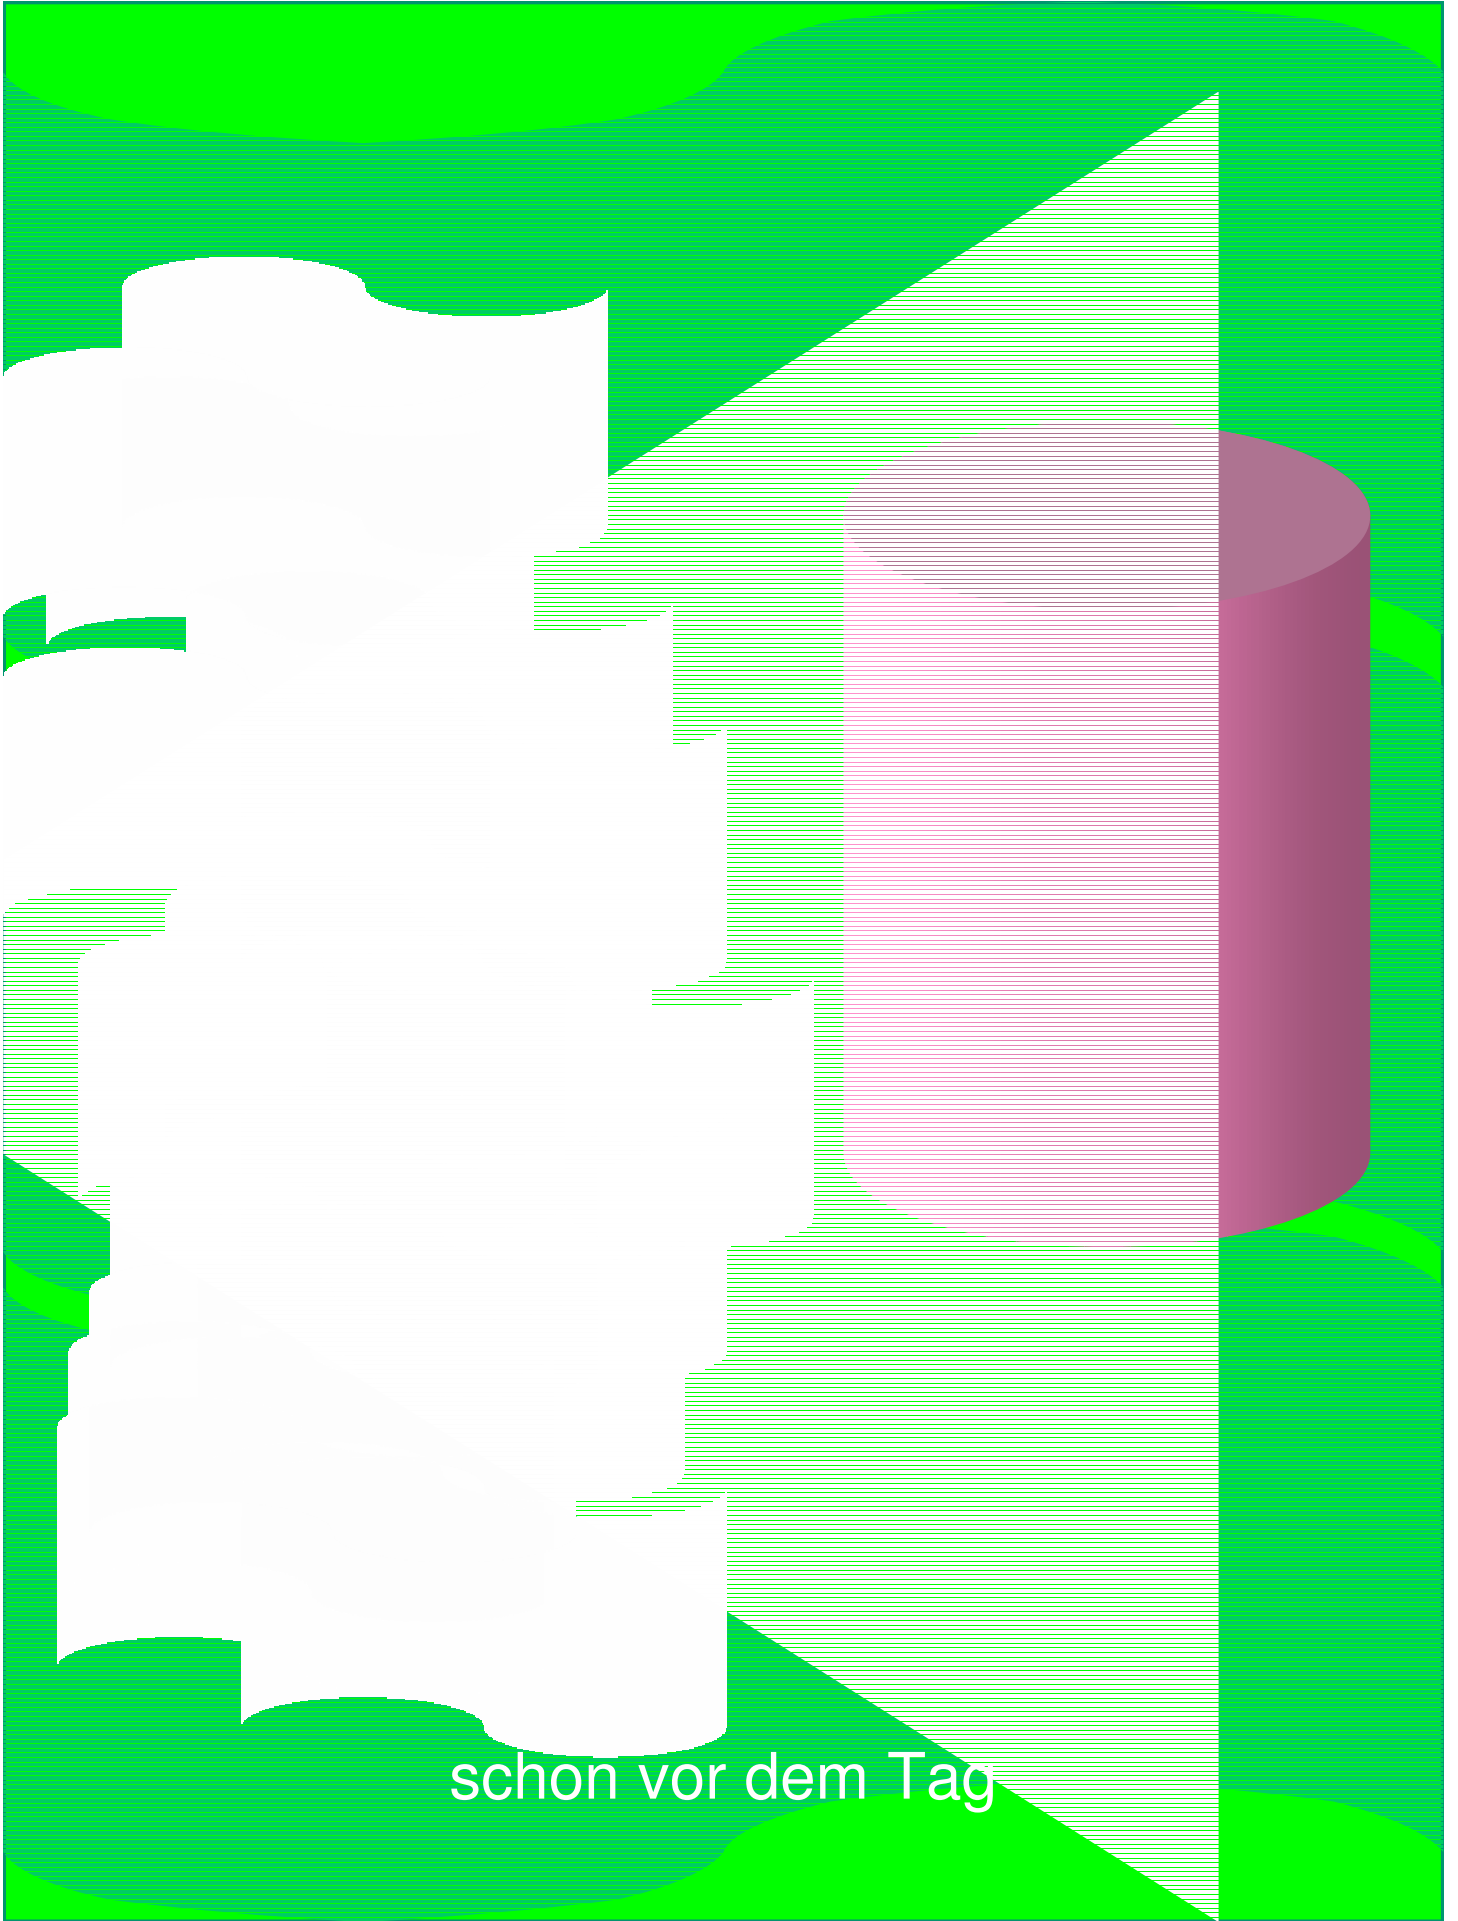

es

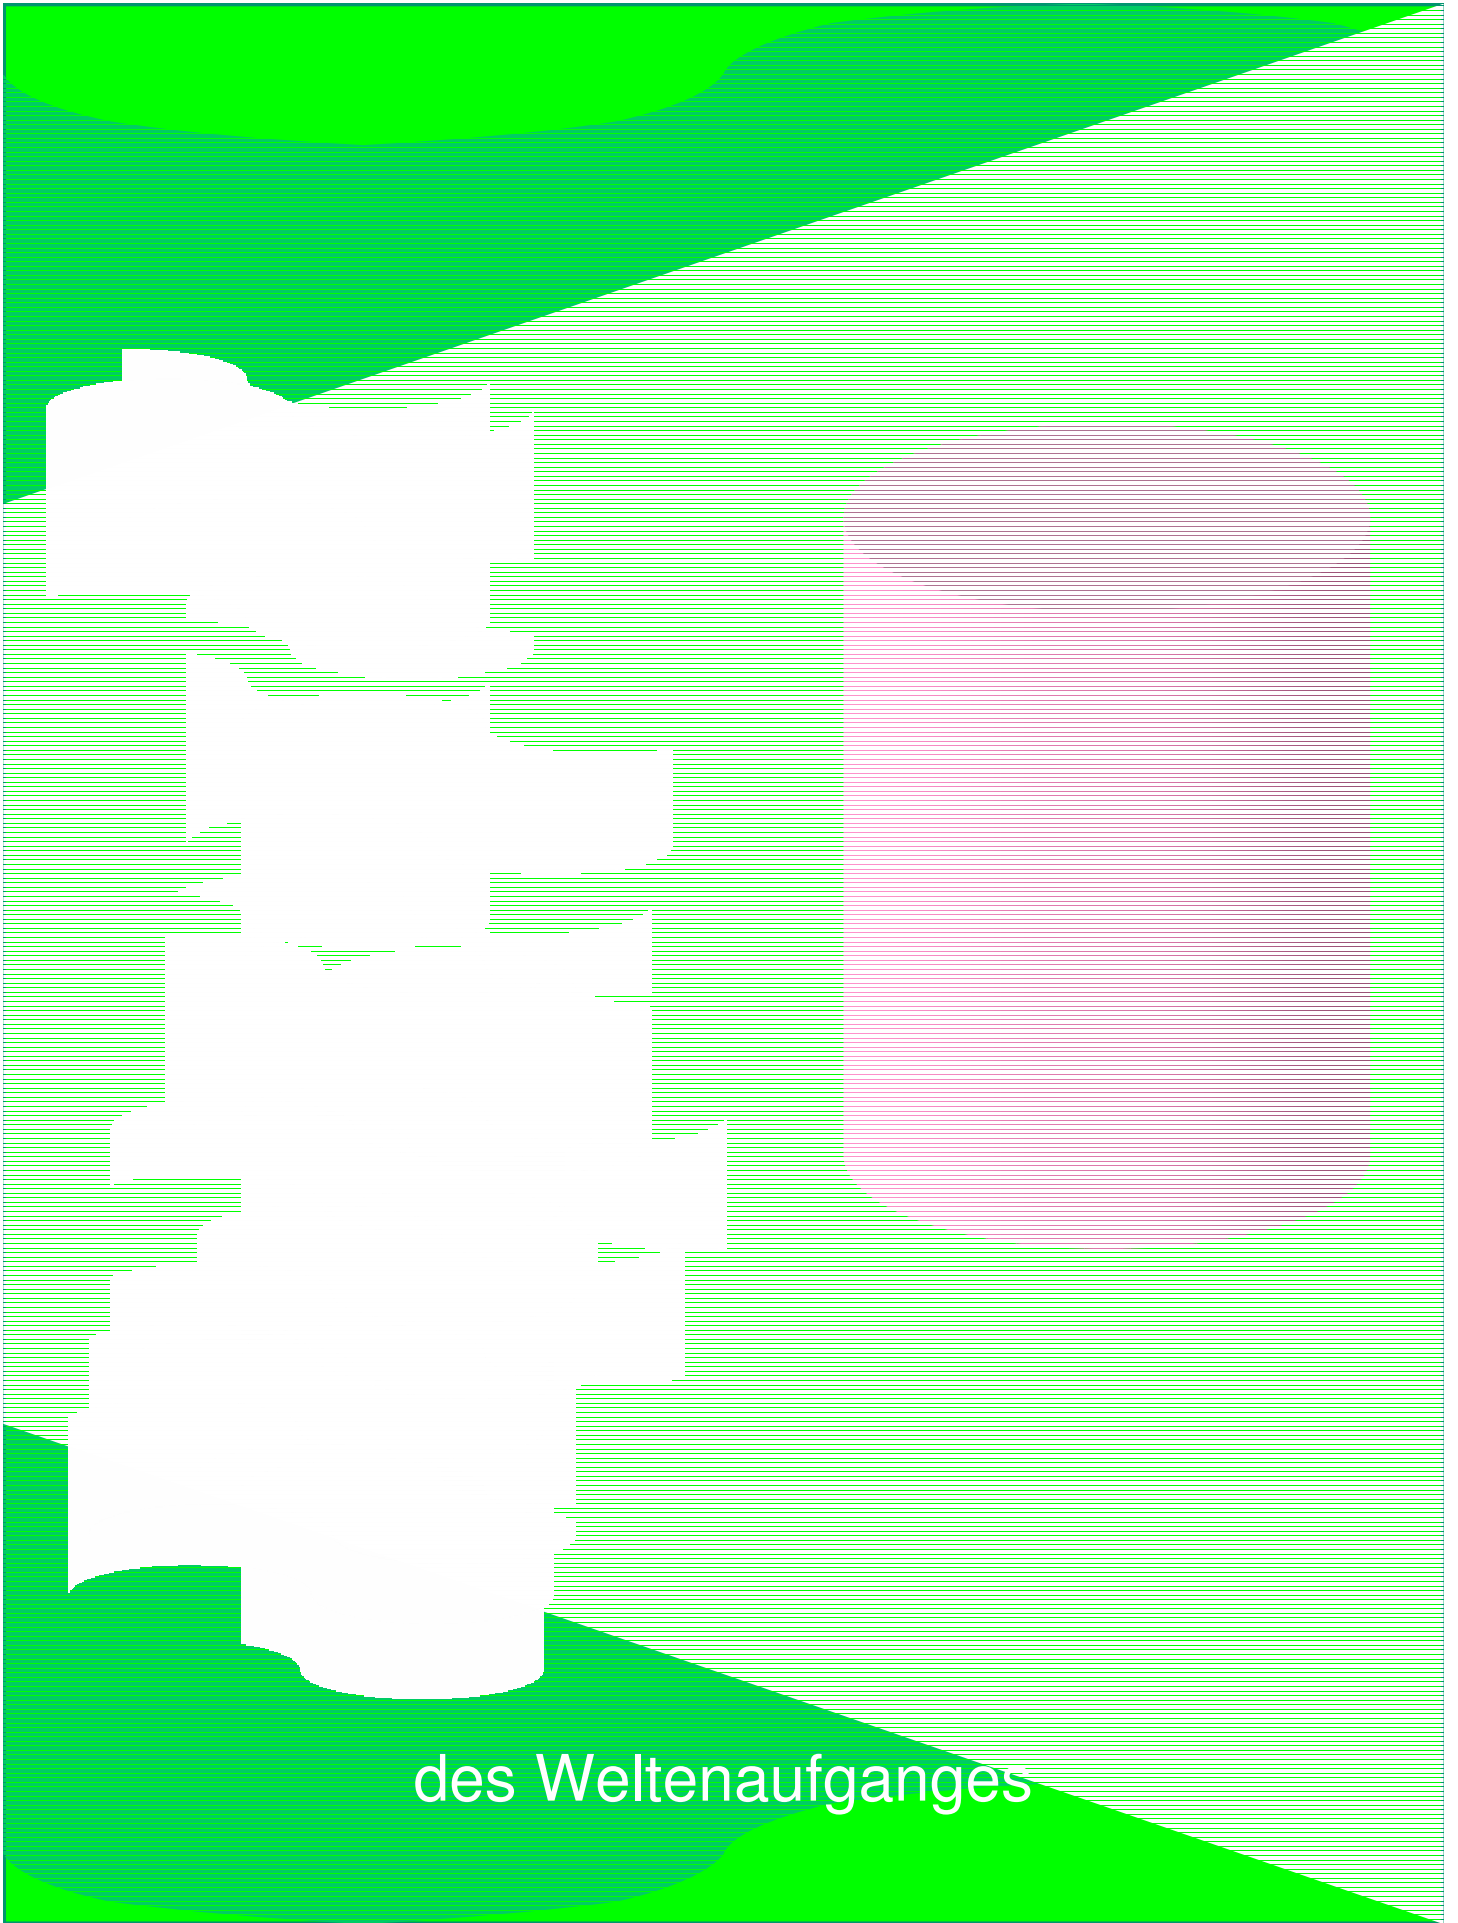

leuchtet

das kühle Licht

schon vor dem Tag

des Weltenaufganges
