„Im Frieden Dein“

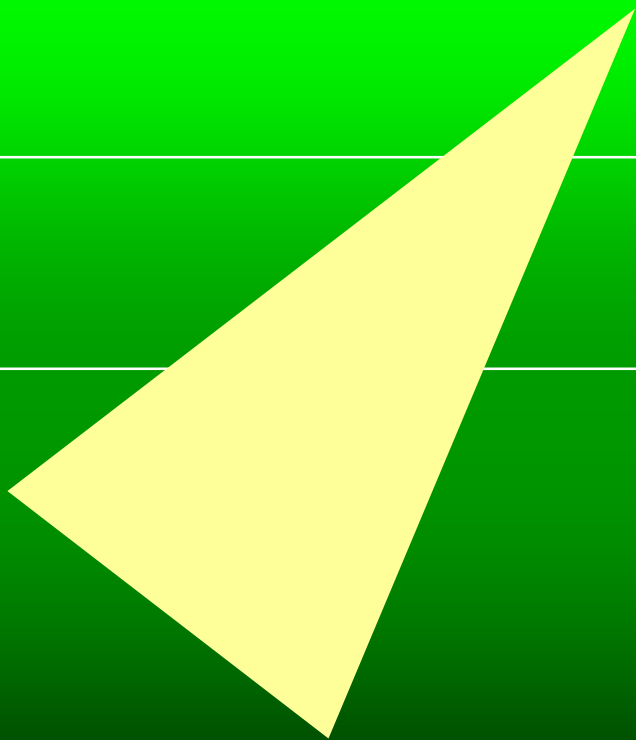

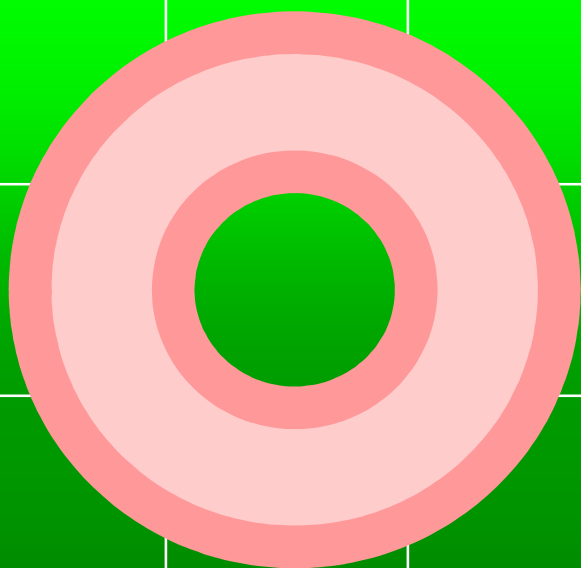

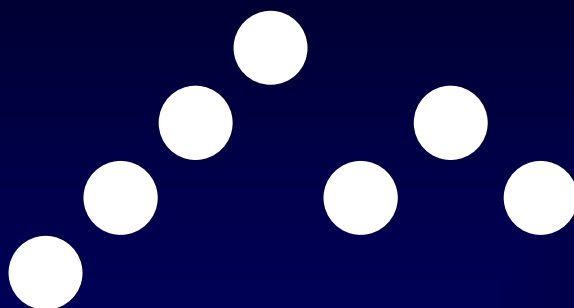

T: Johann Engilisch 1530

M: Wolfgang Dachstein 1530

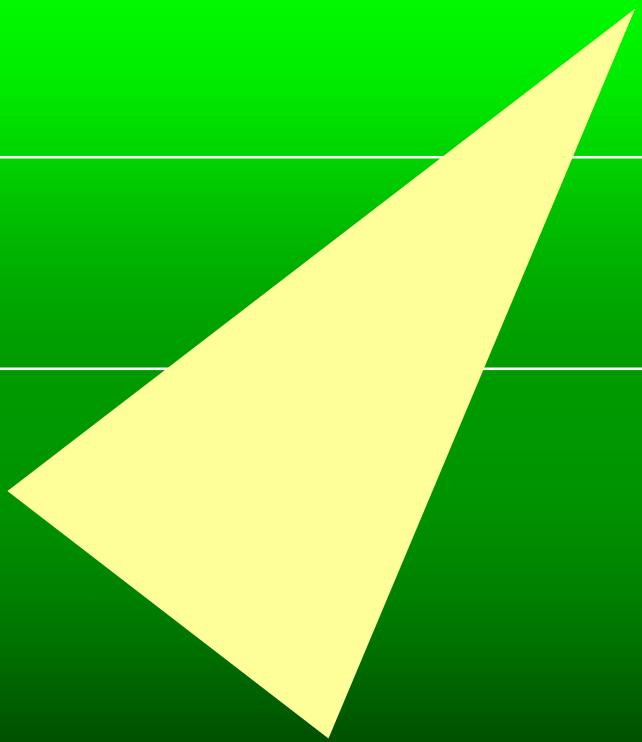

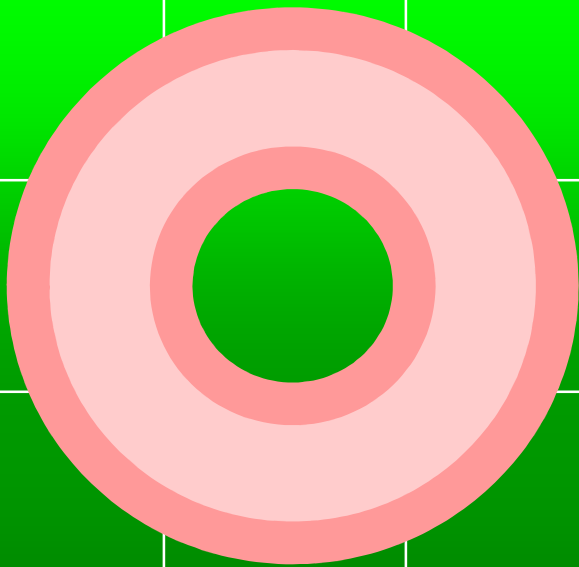

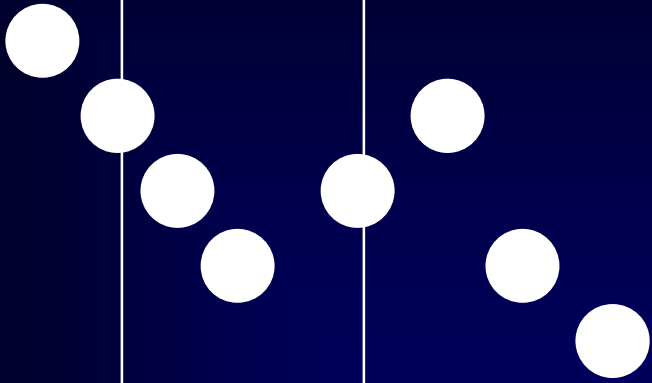

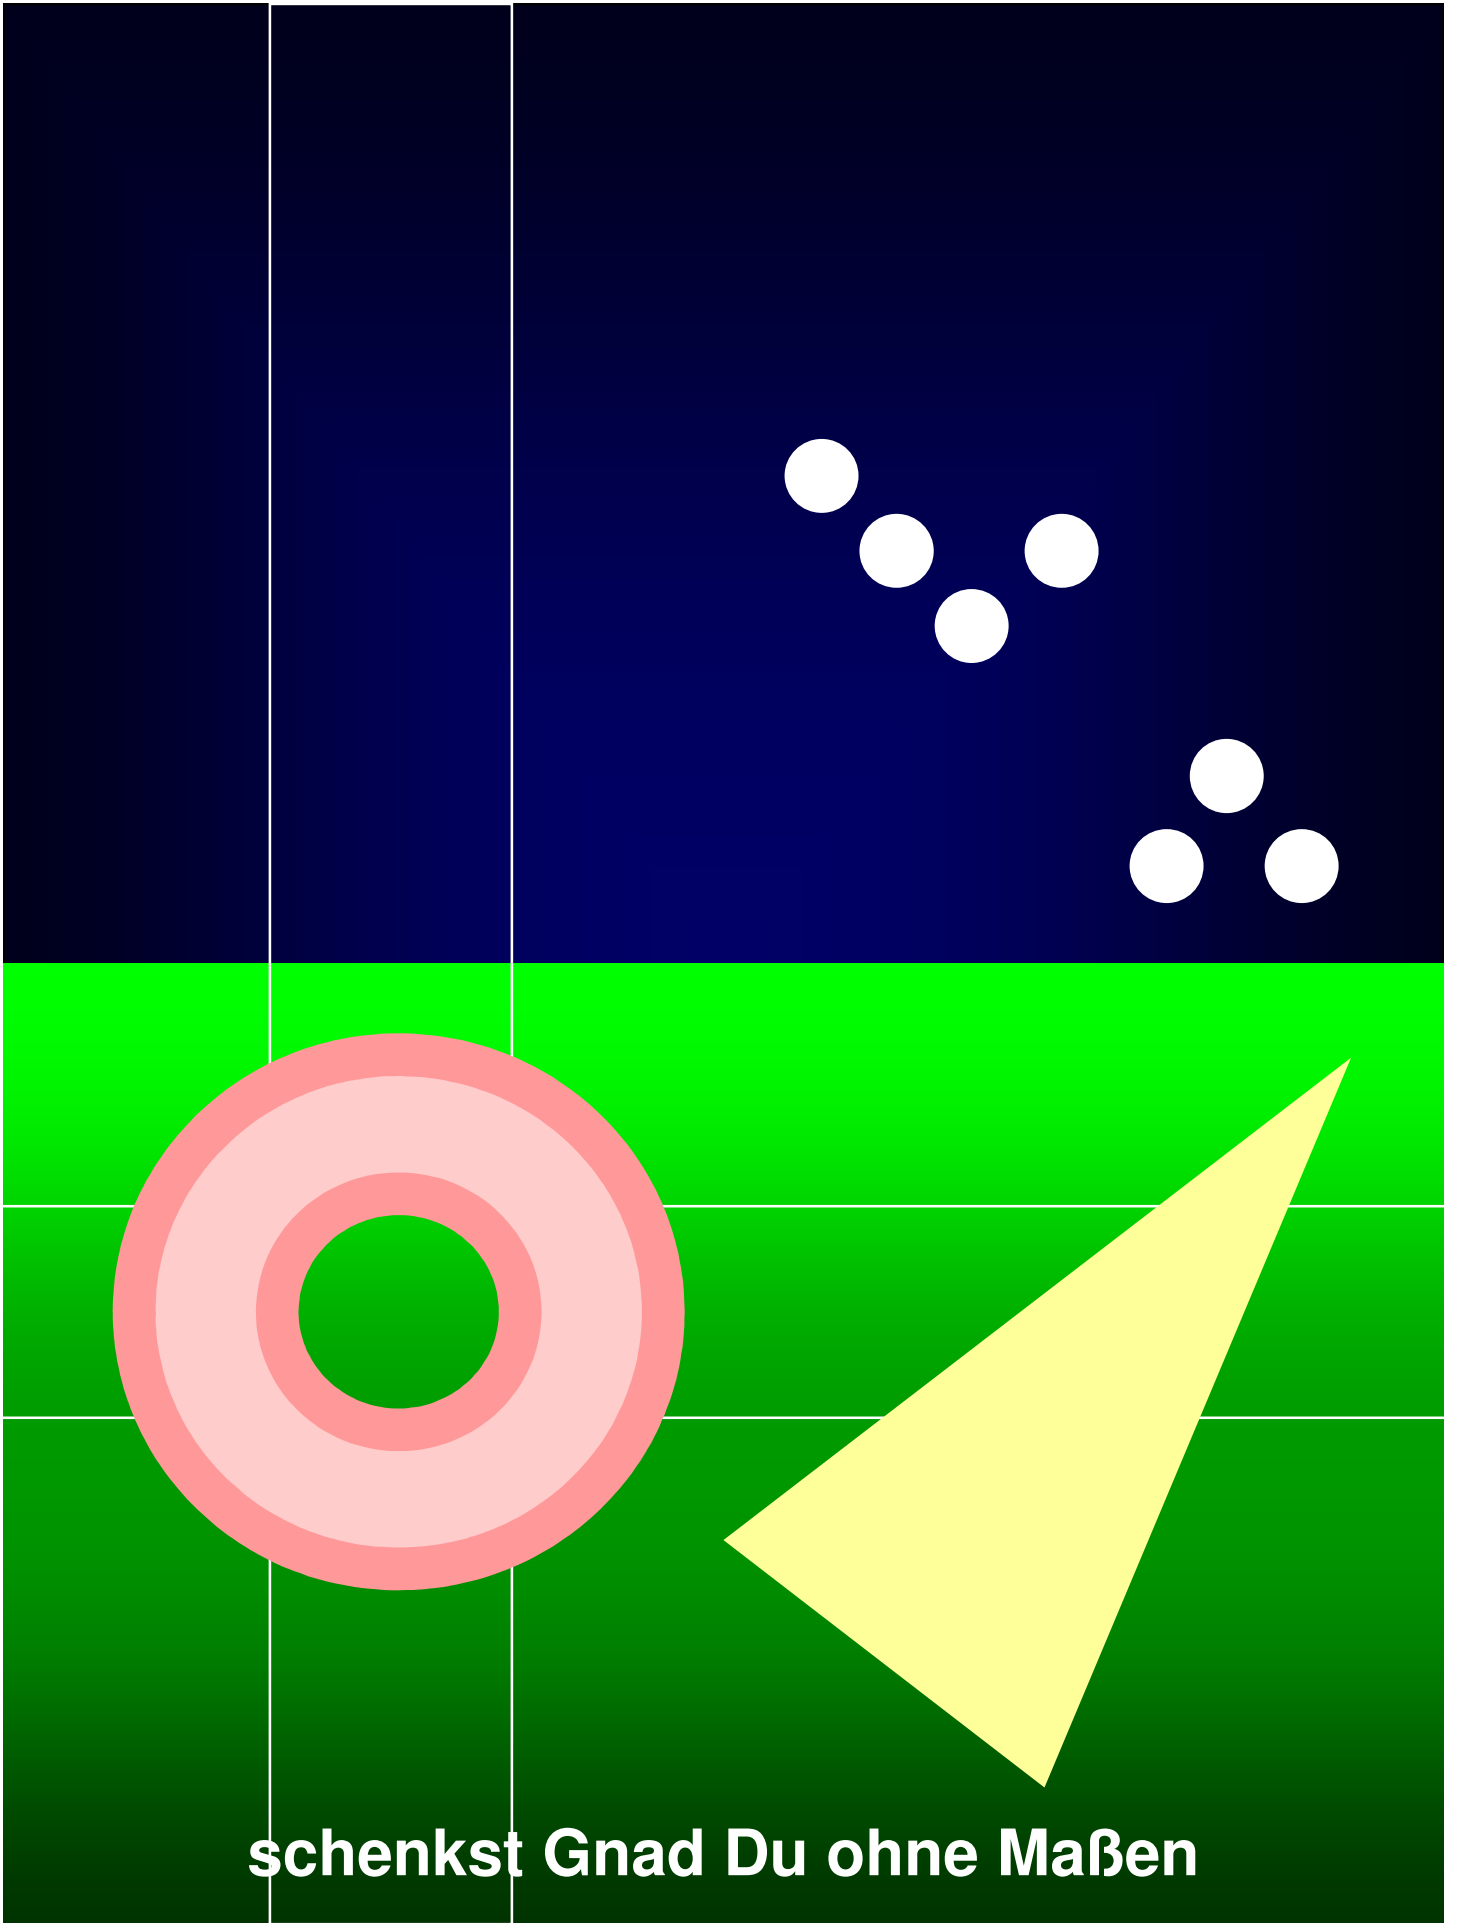

Im Frieden Dein o Herre mein

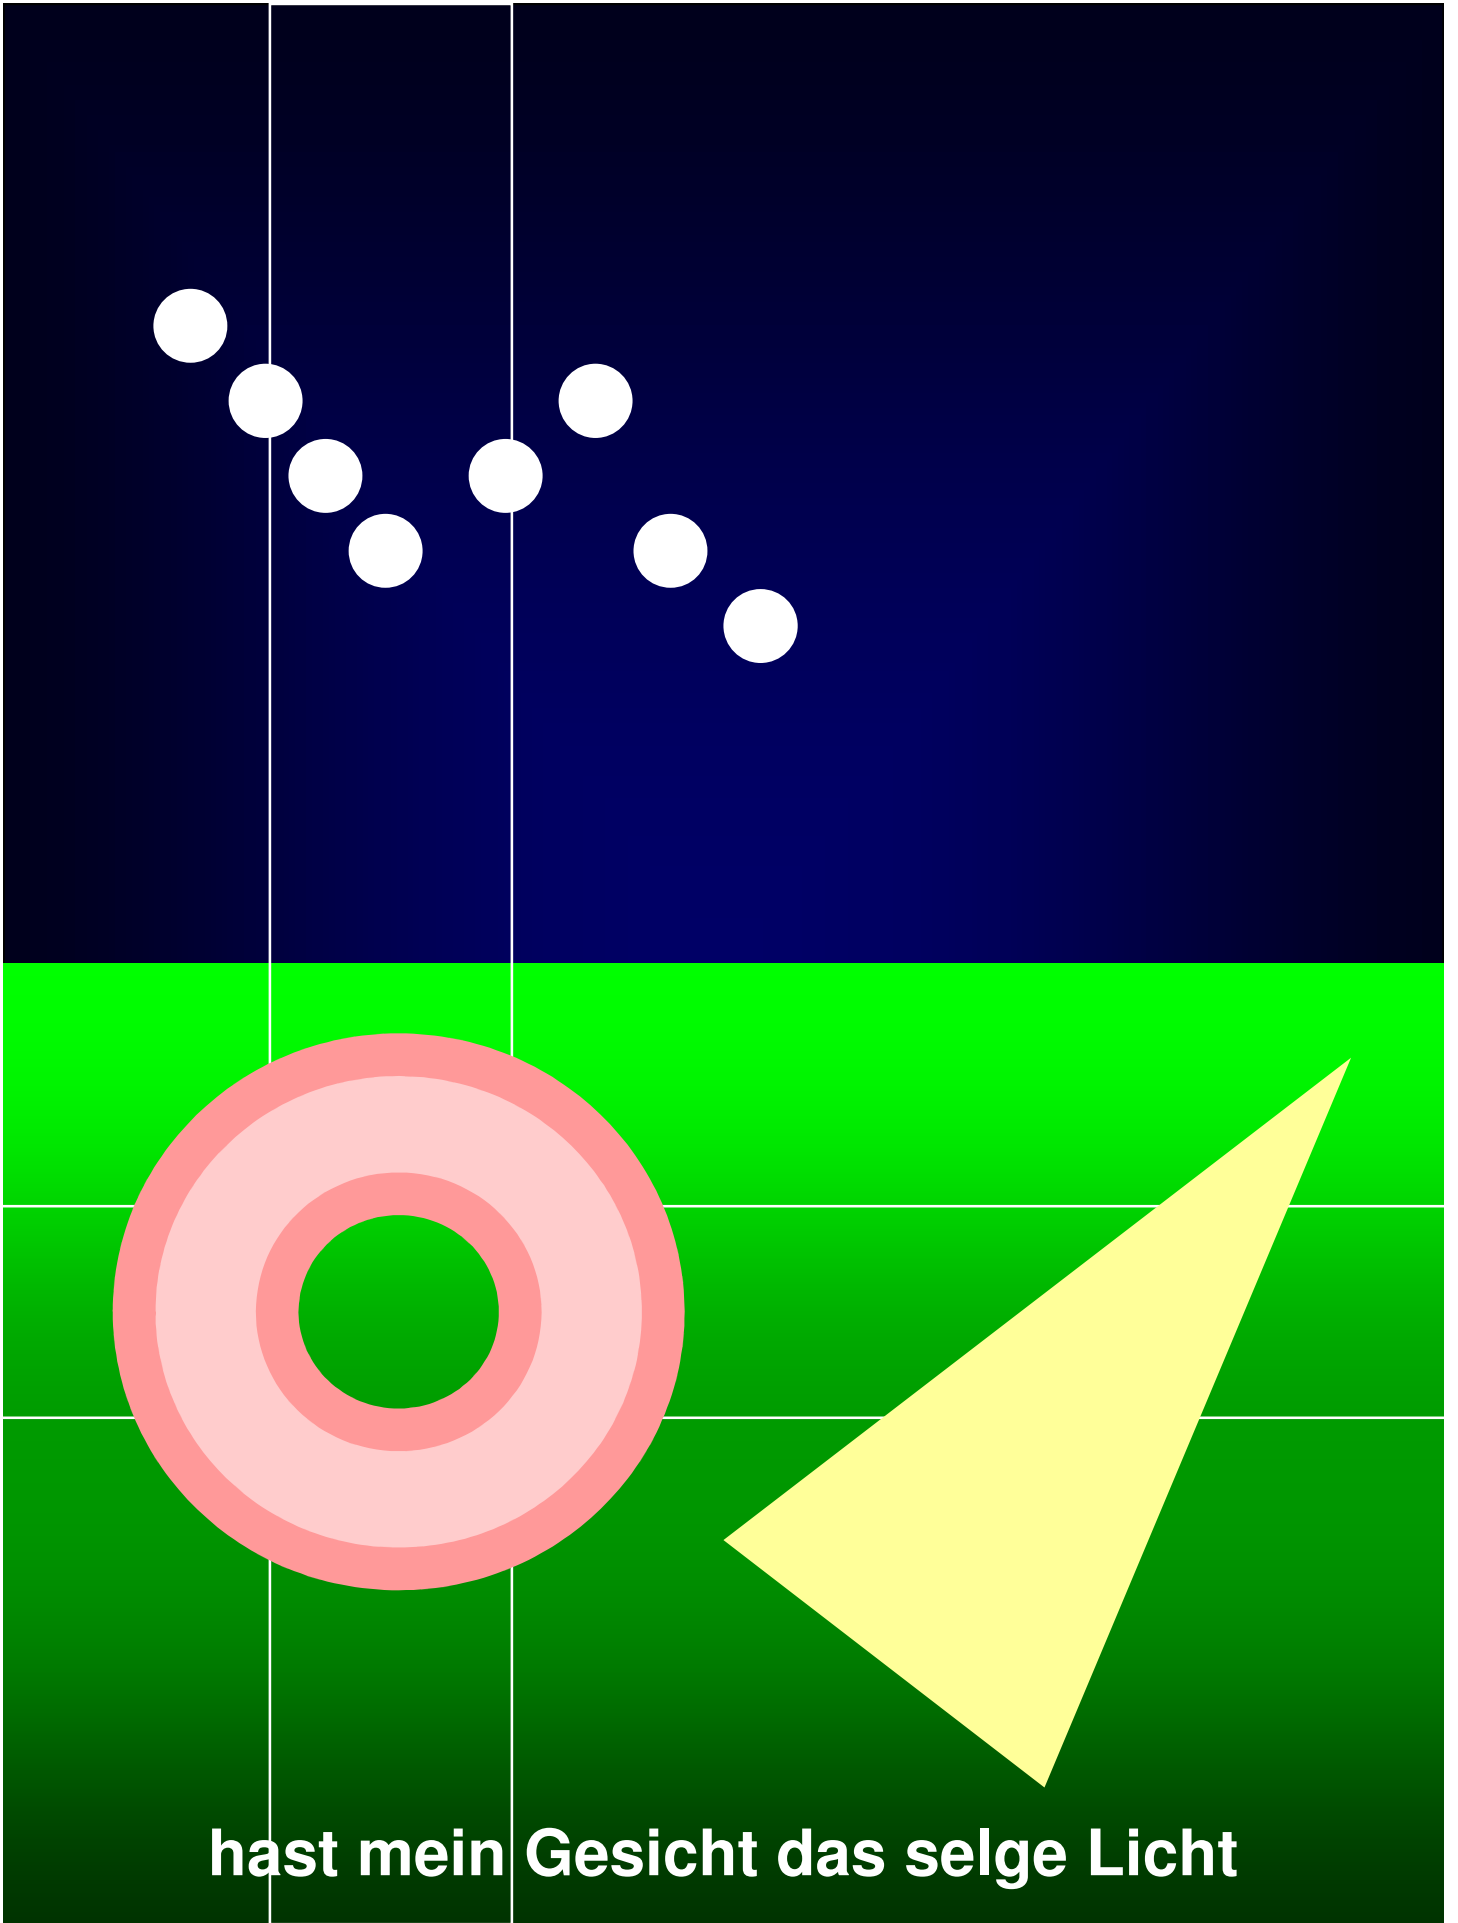

lass ziehn mich meine Straßen

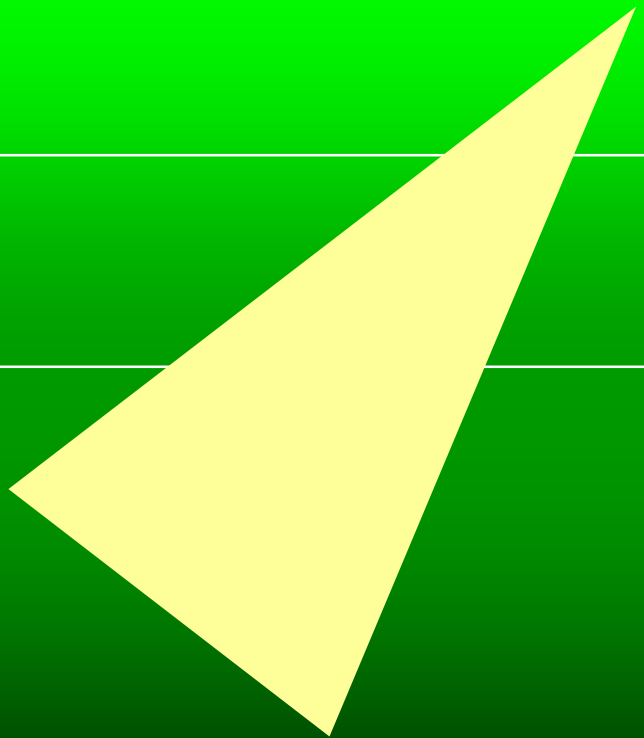

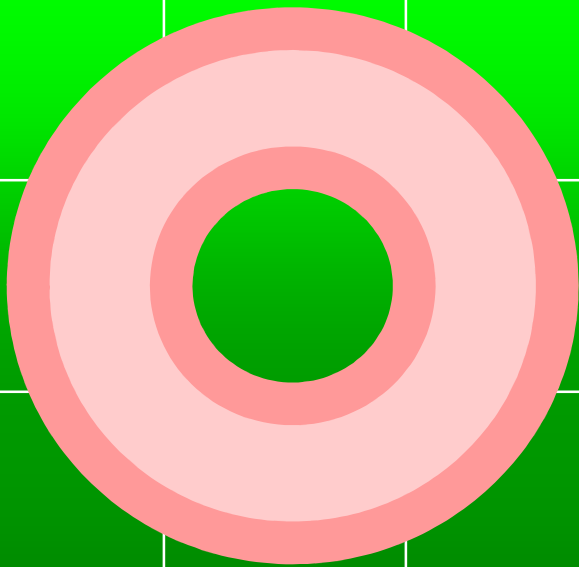

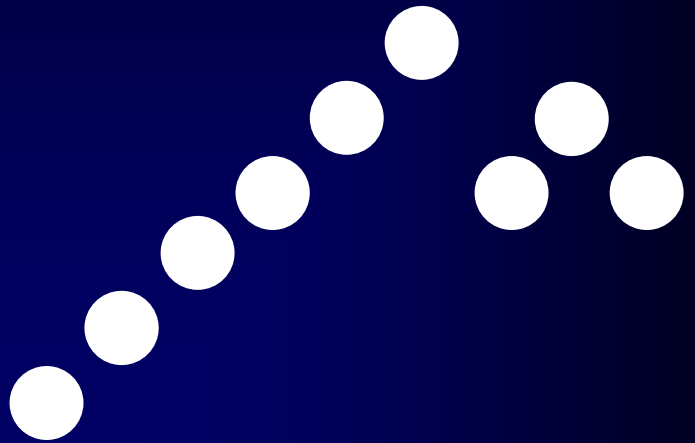

wie mir Dein Mund gegeben kund

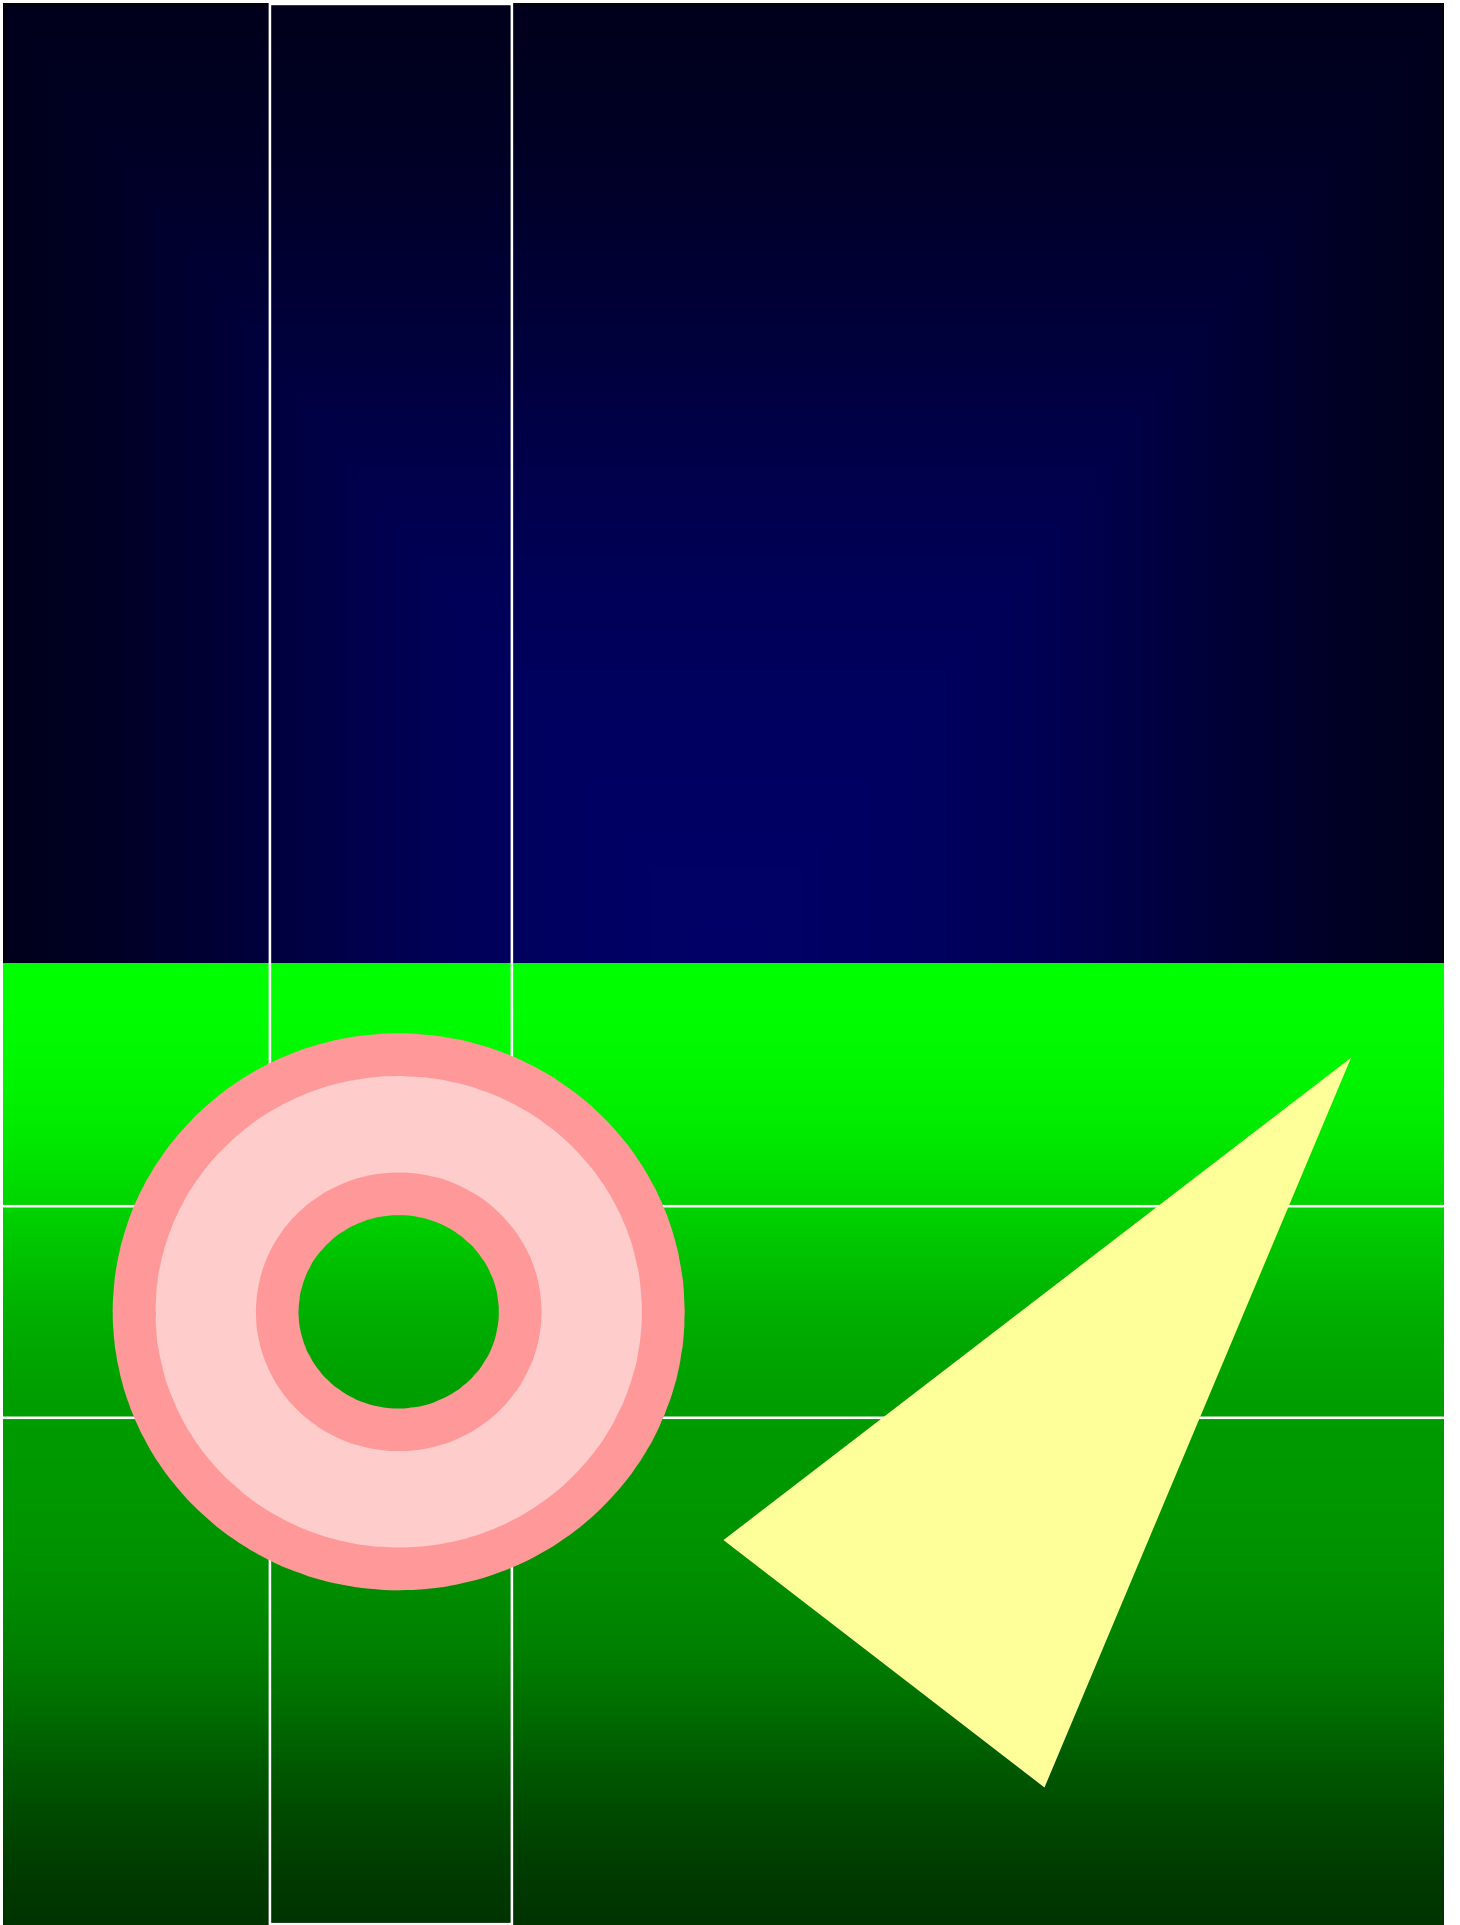

schenkst Gnad Du ohne Maßen

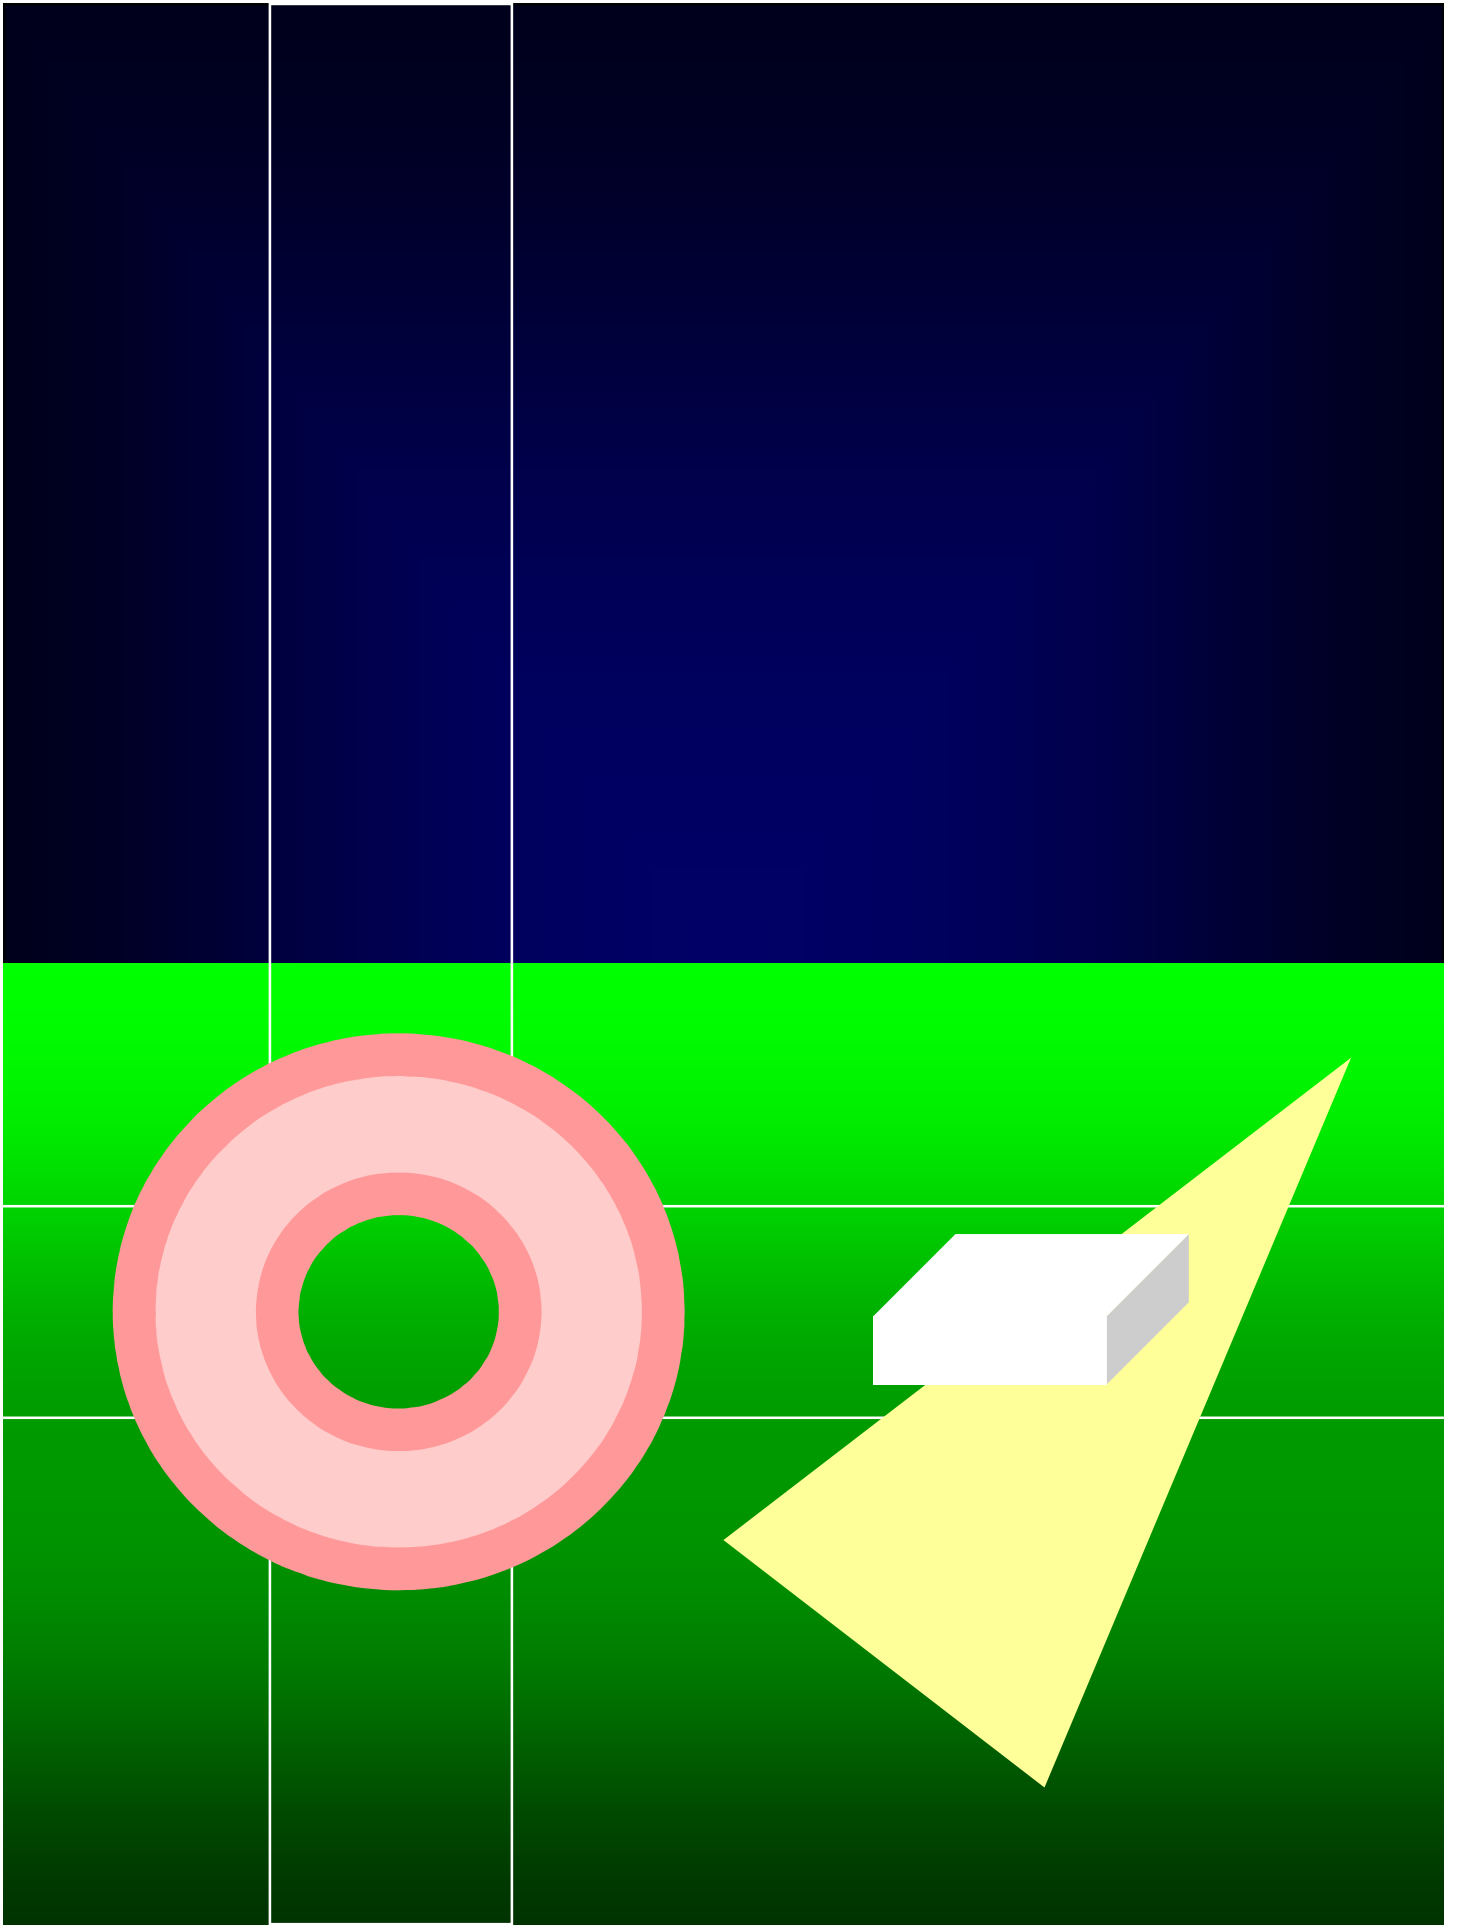

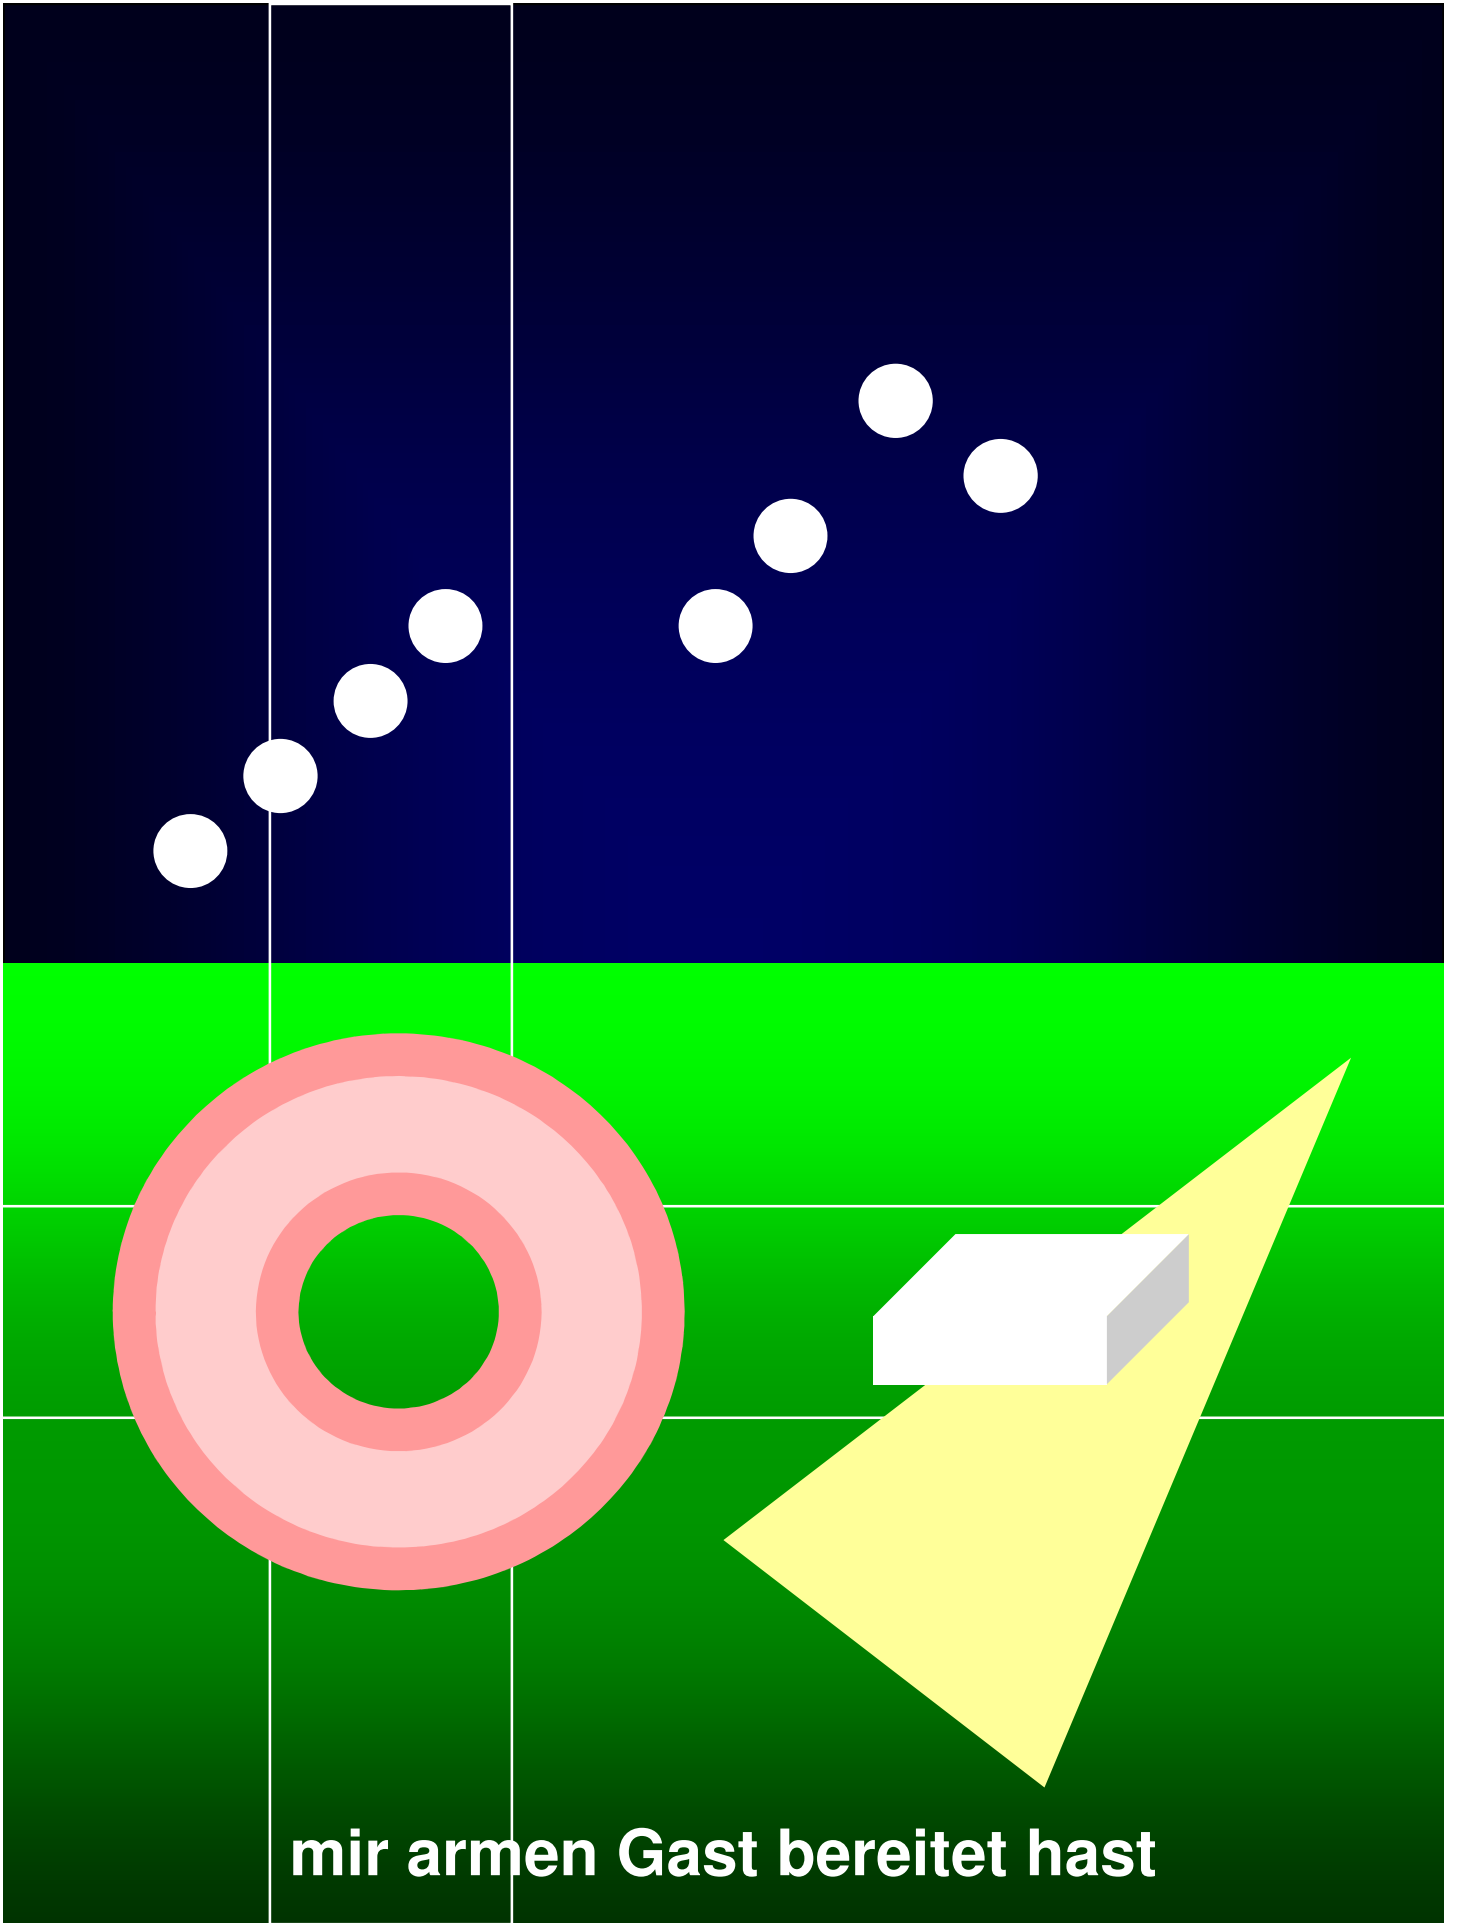

hast mein Gesicht das selge Licht

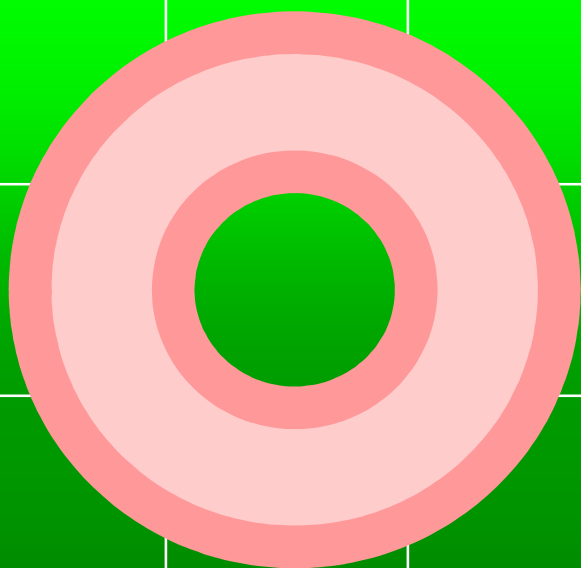

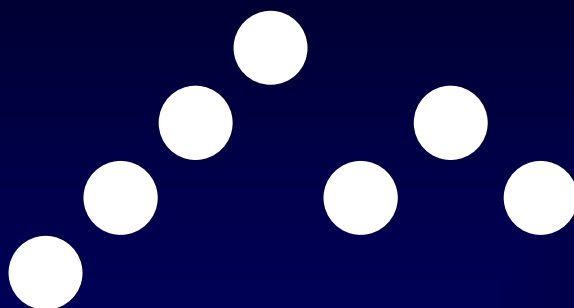

den Heiland schauen lassen

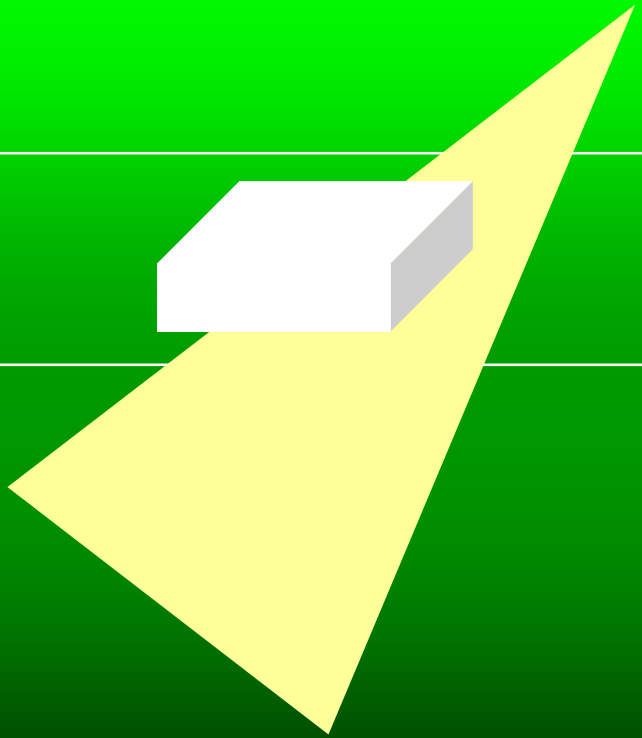

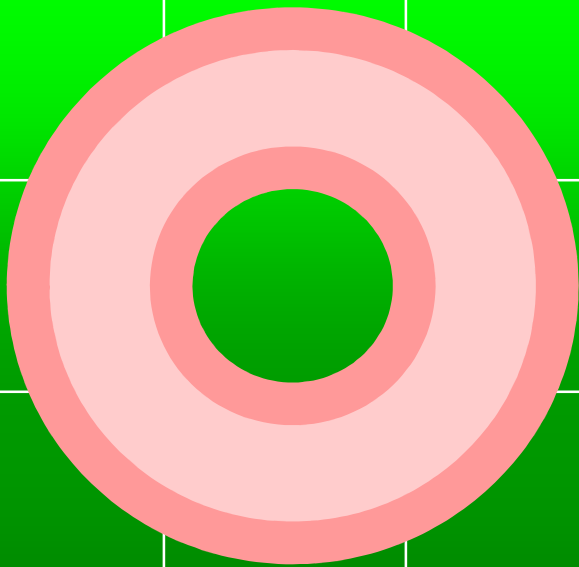

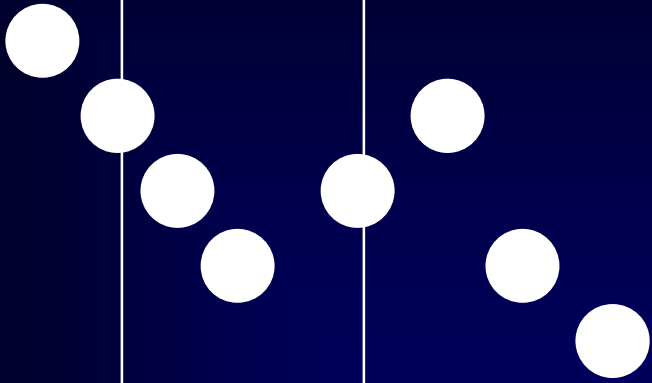

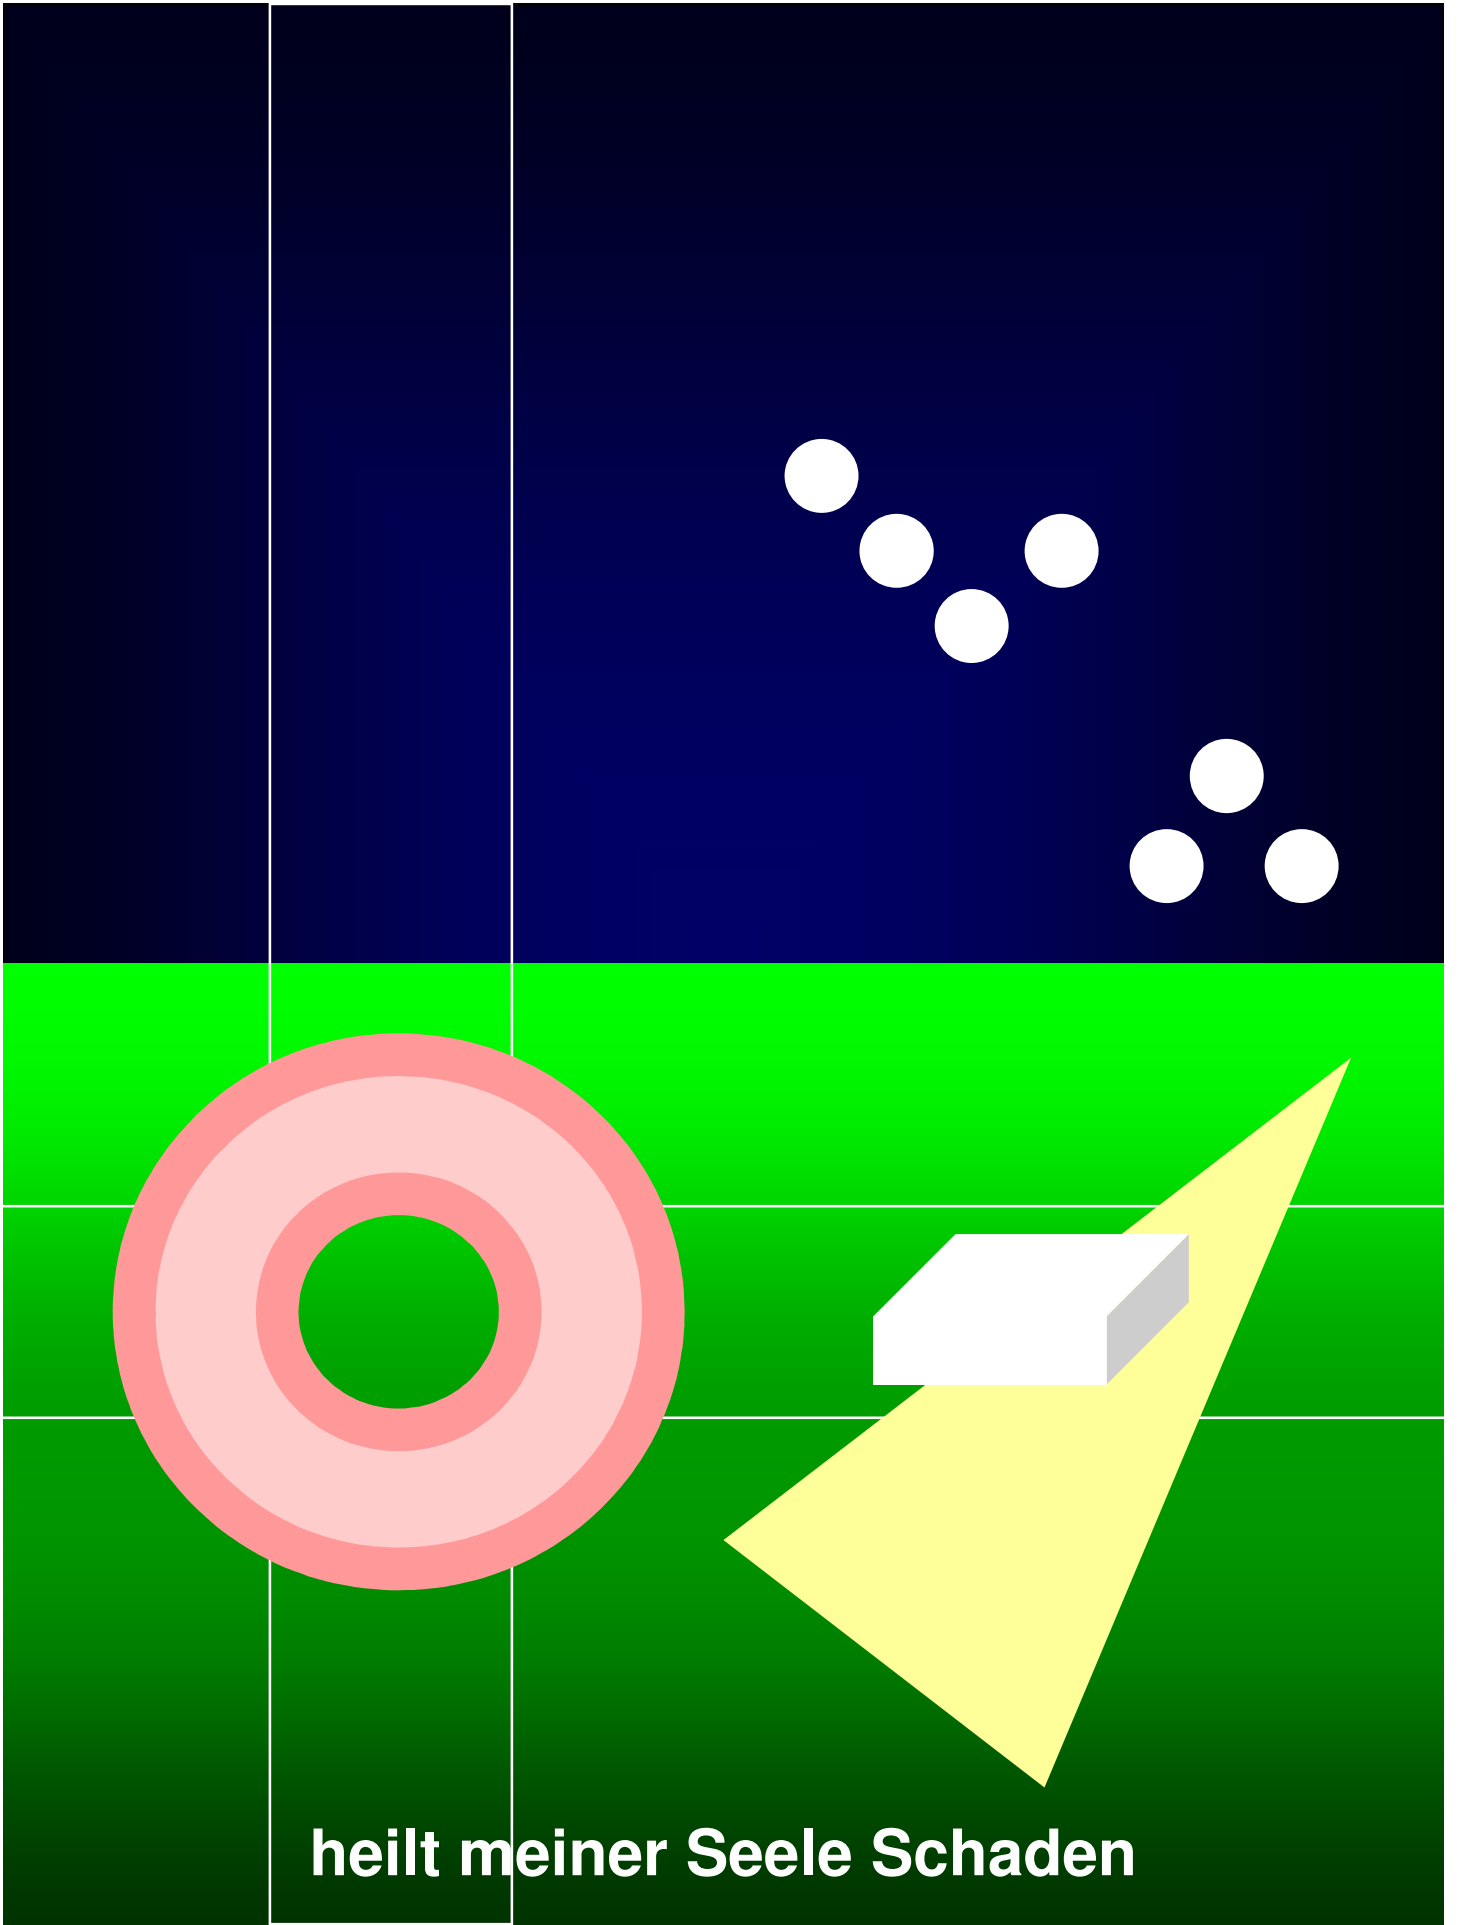

mir armen Gast bereitet hast

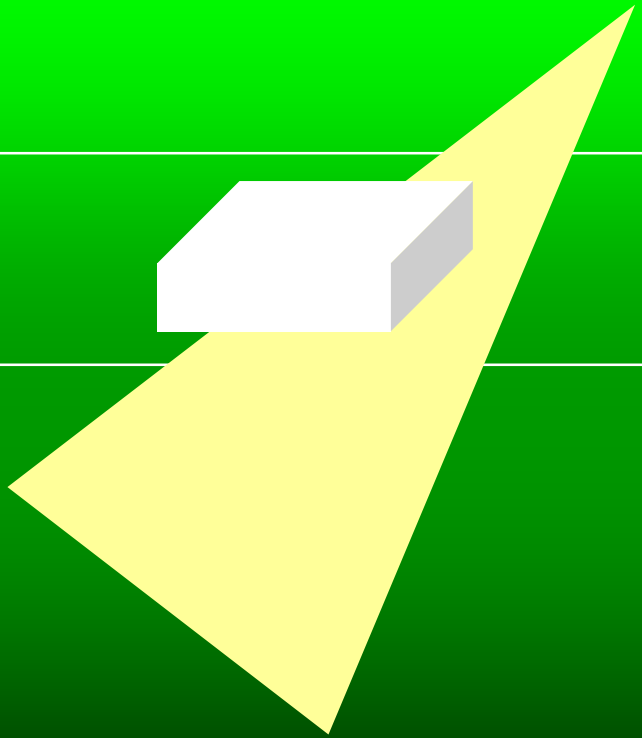

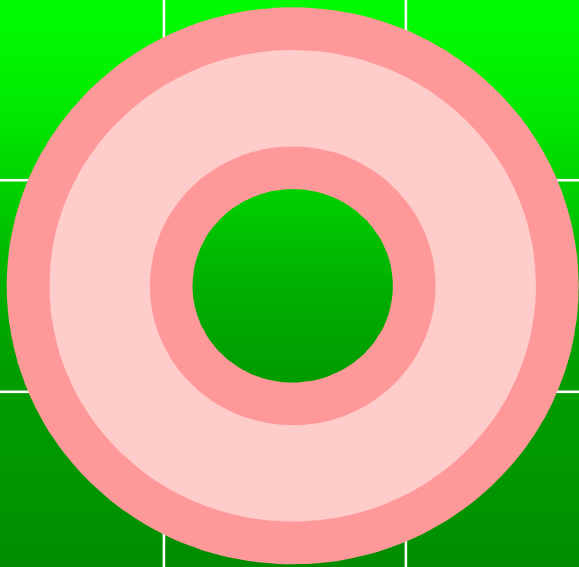

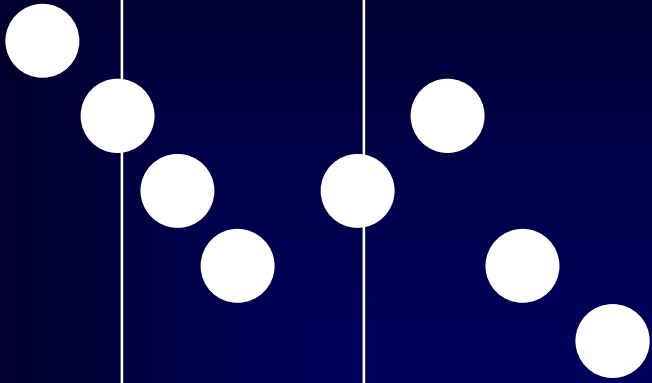

das reiche Mahl der Gnaden

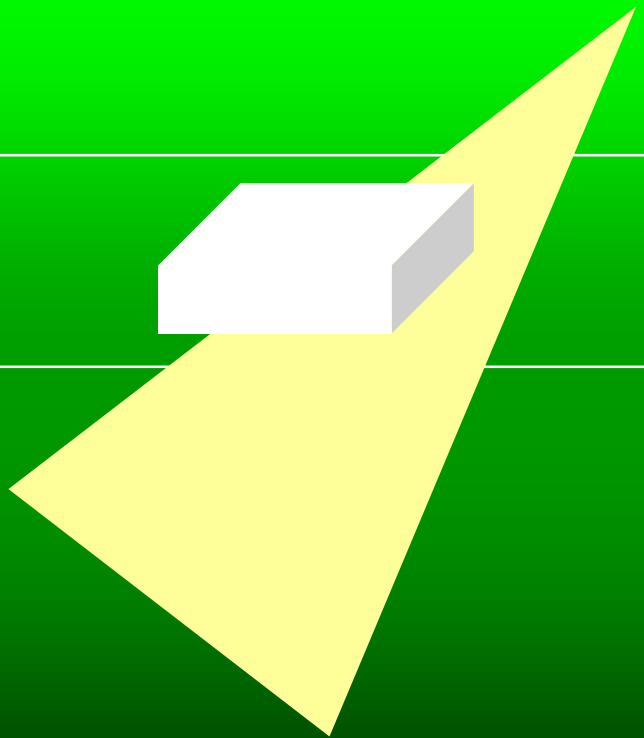

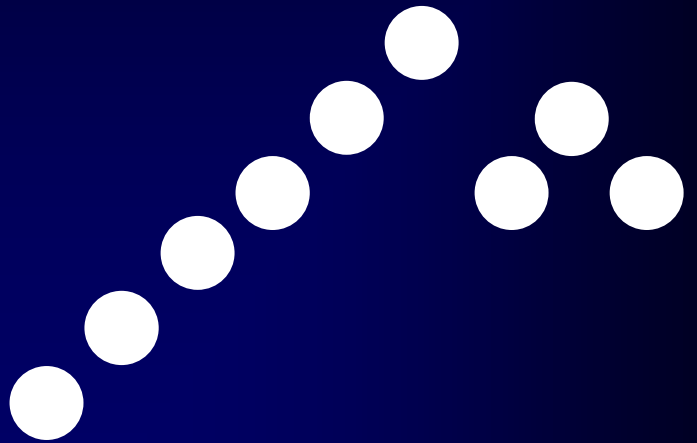

das Lebensbrot stillt Hungers Not

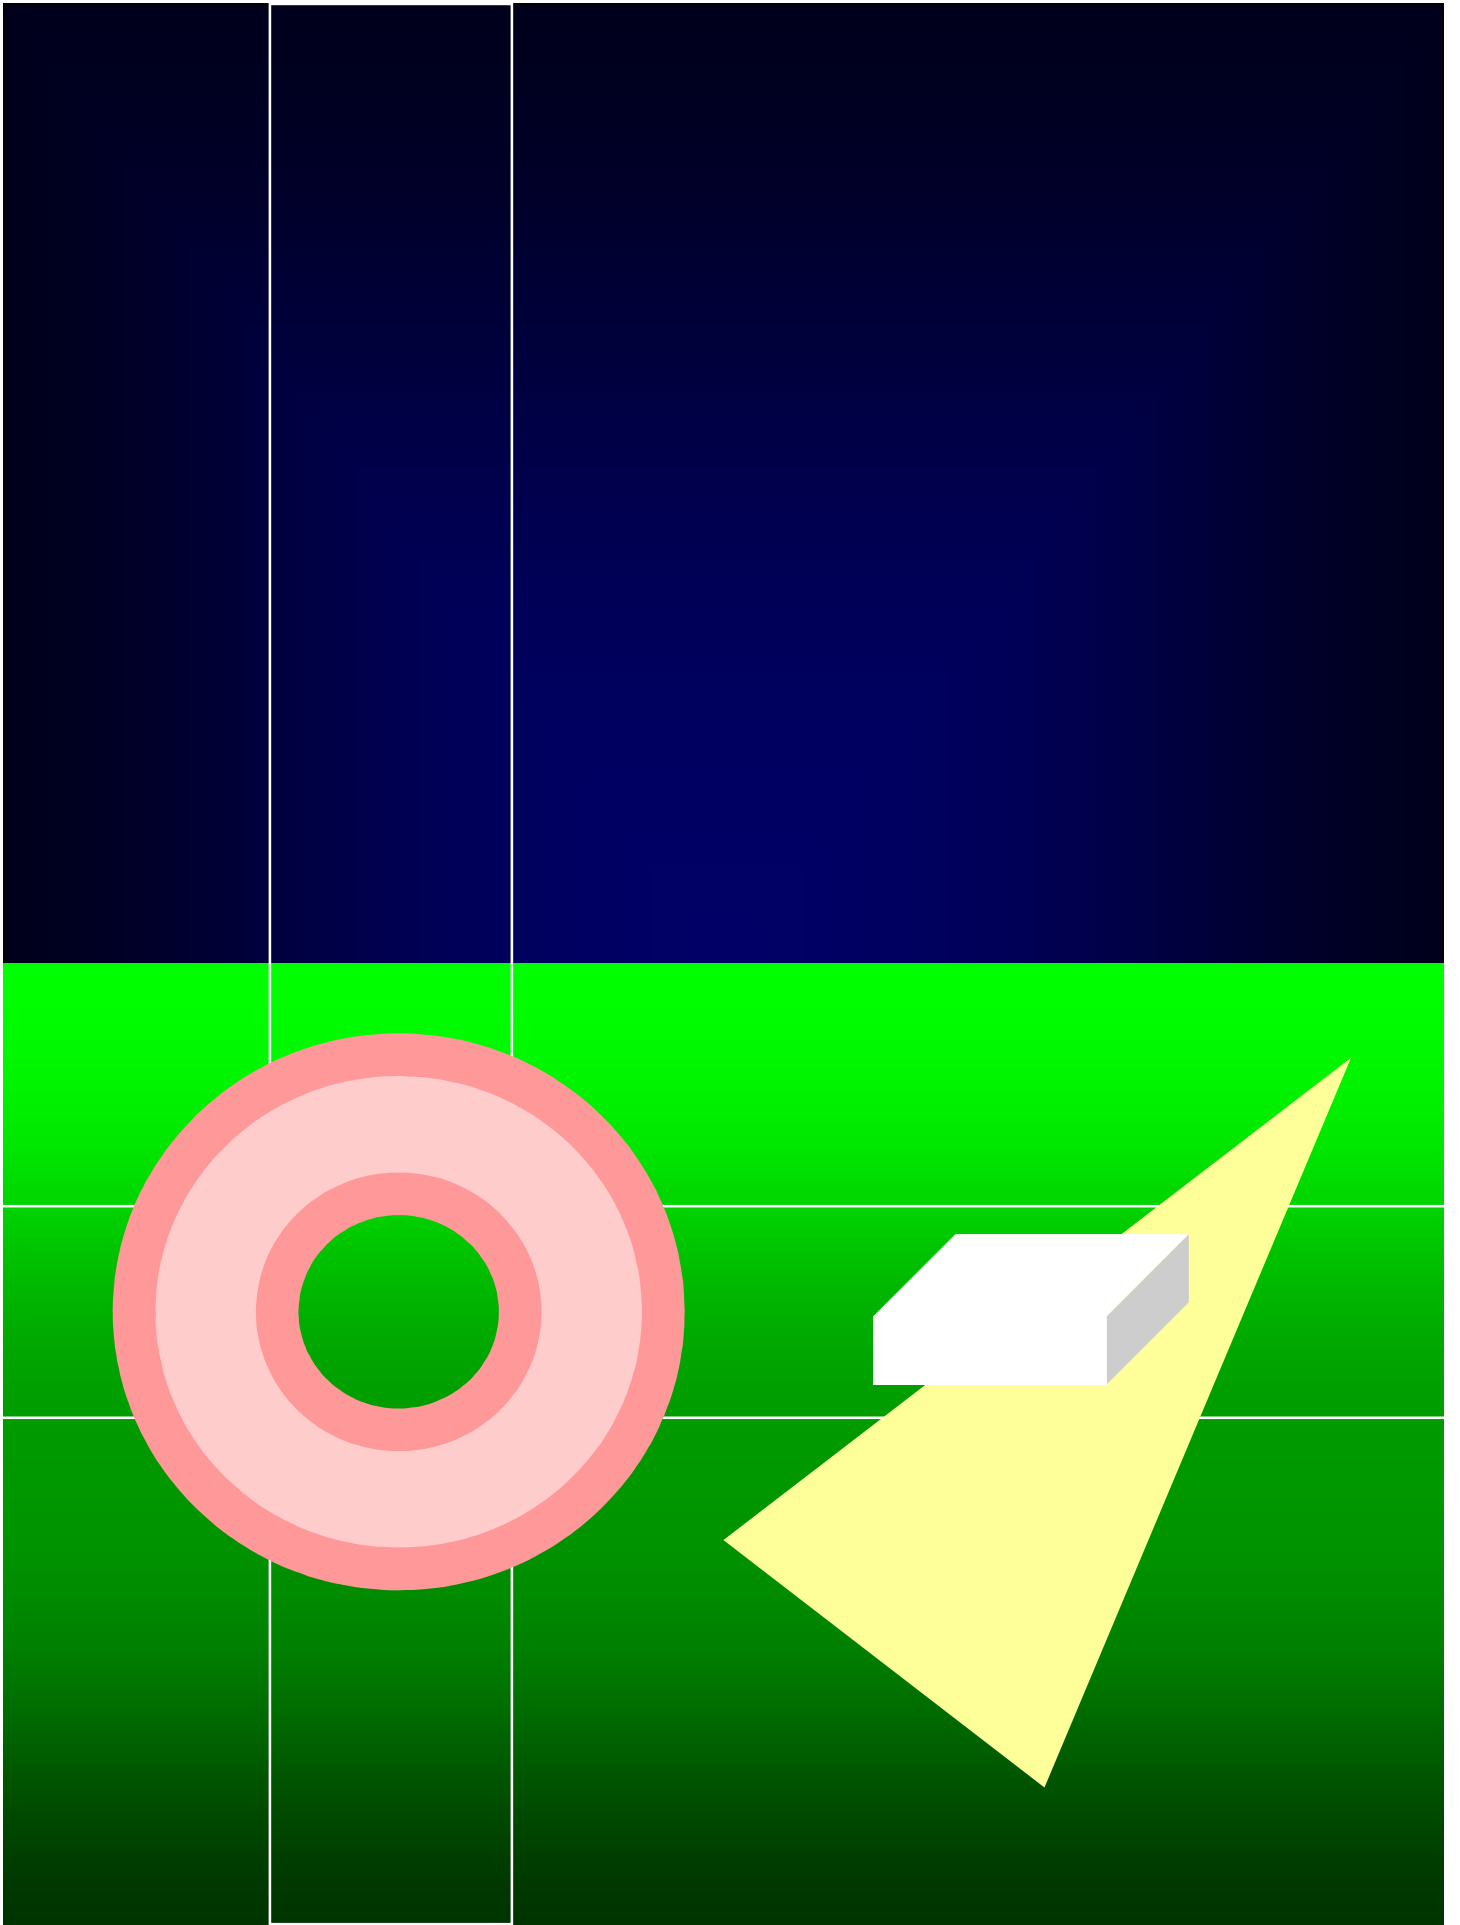

heilt meiner Seele Schaden

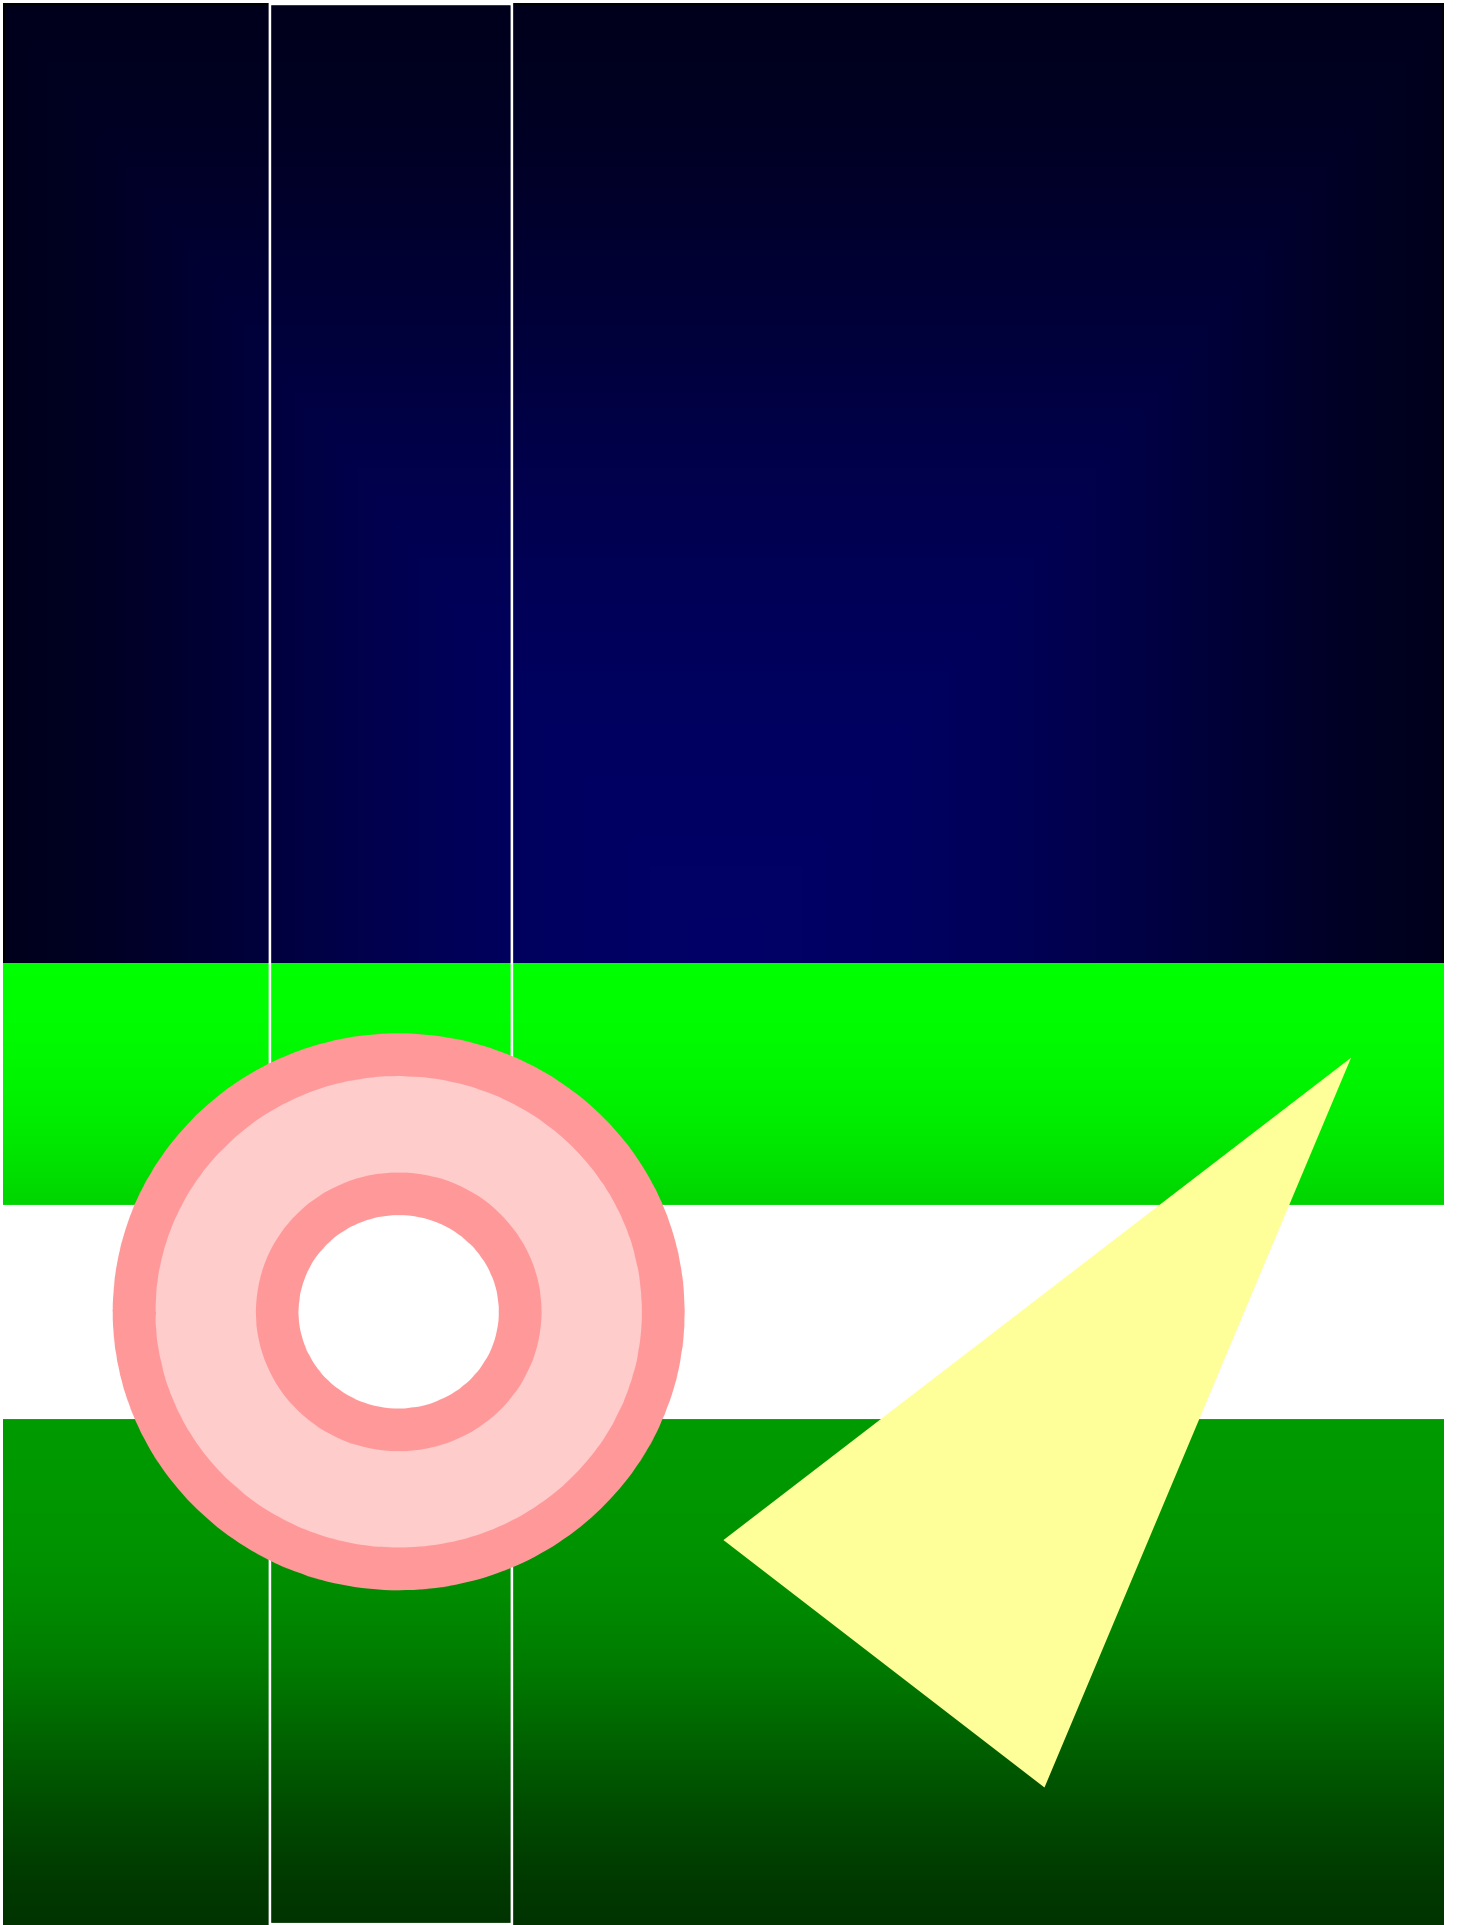

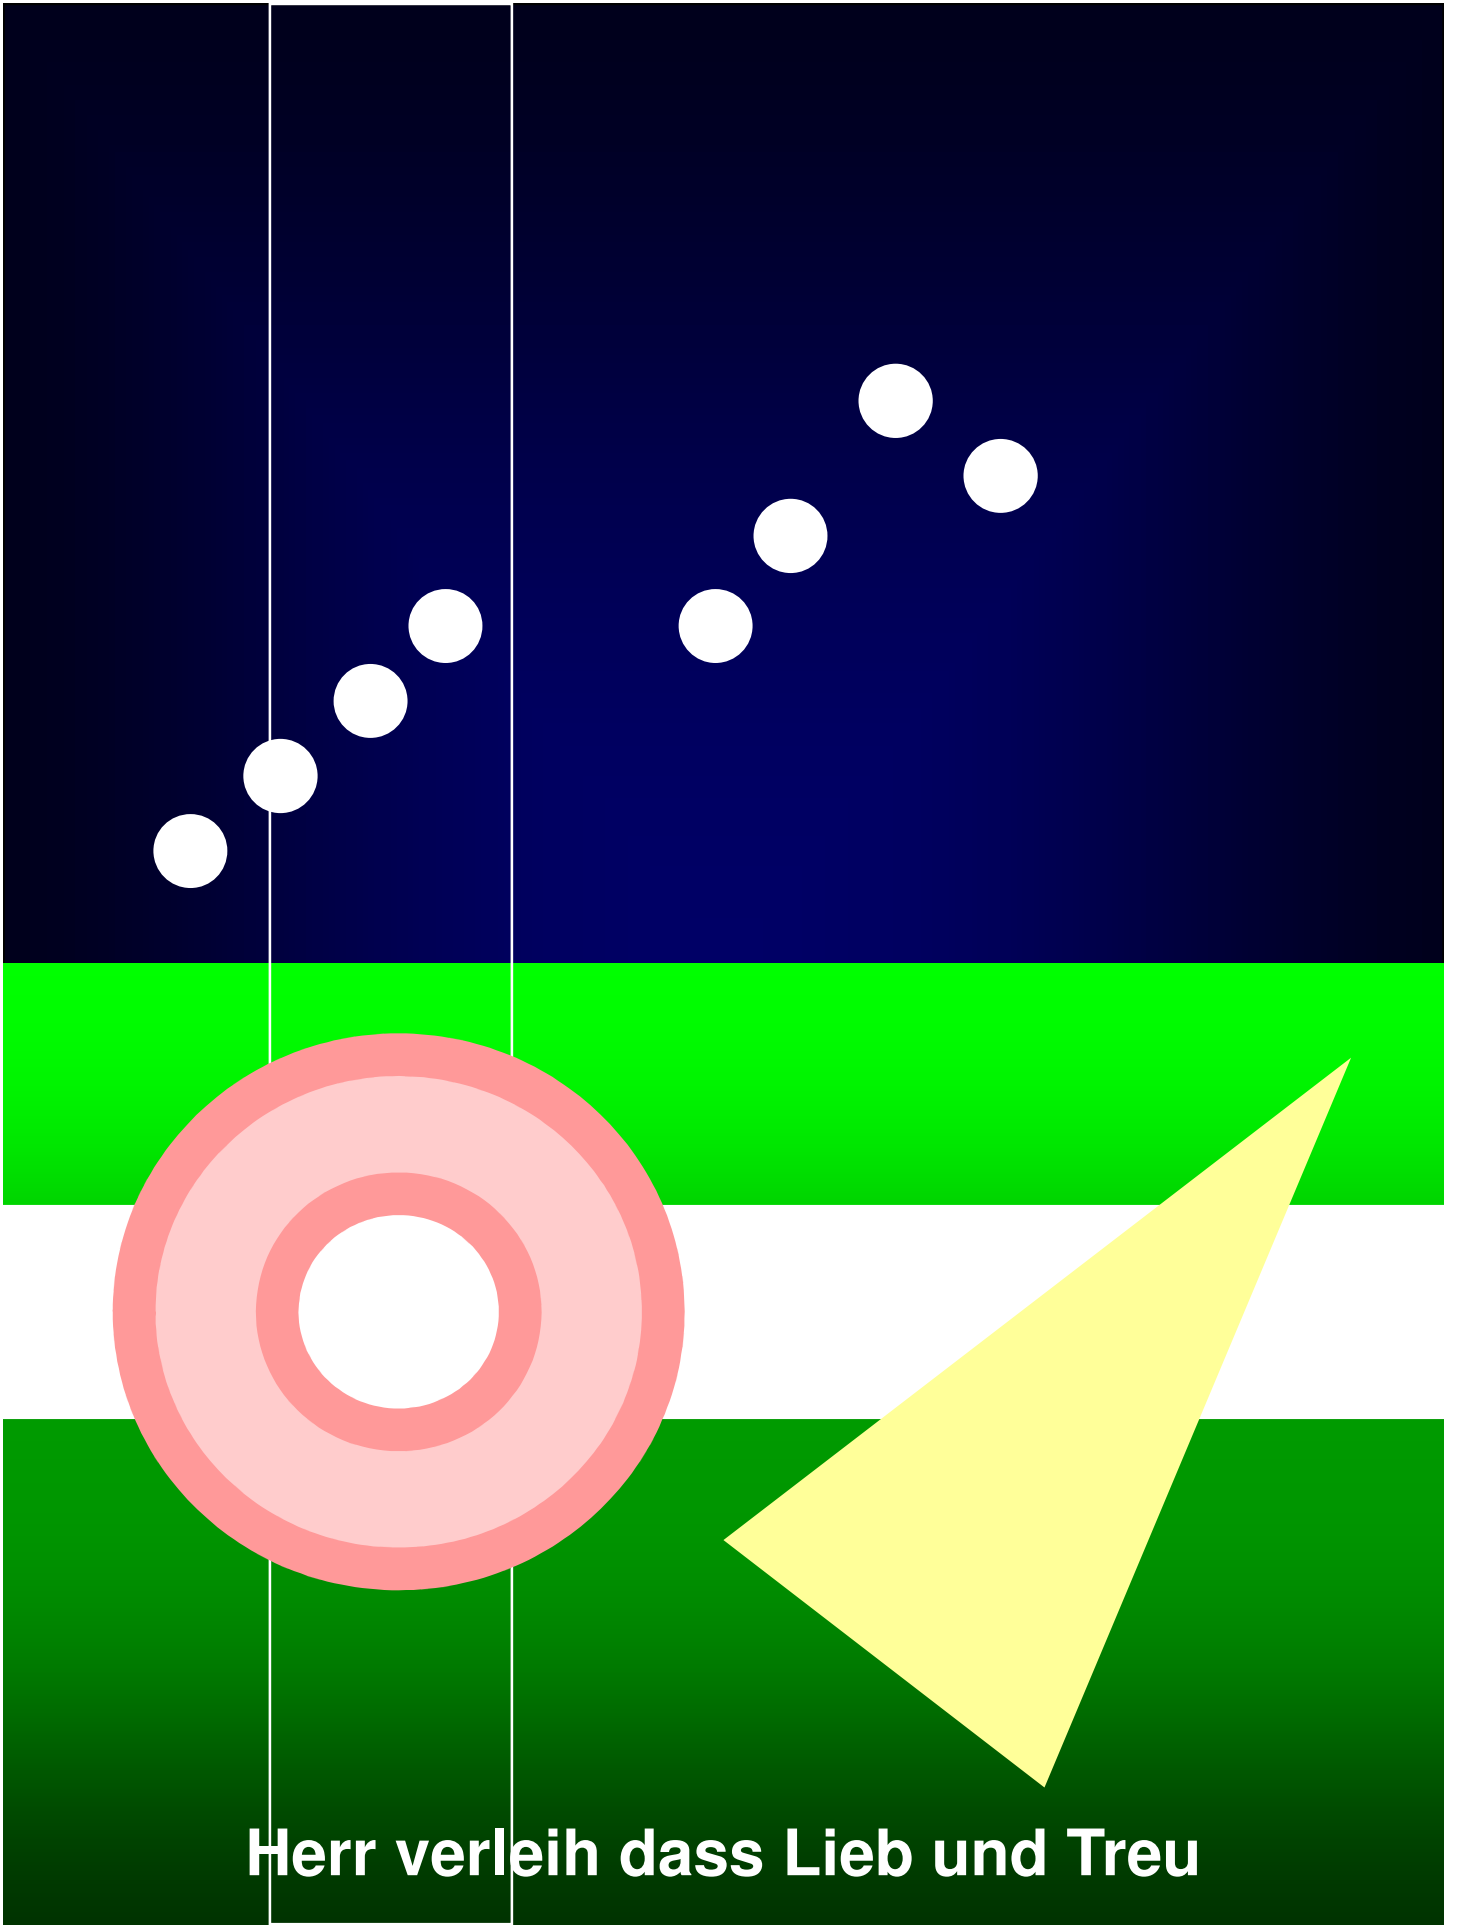

ob solchem Gut jauchzt Sinn und Mut

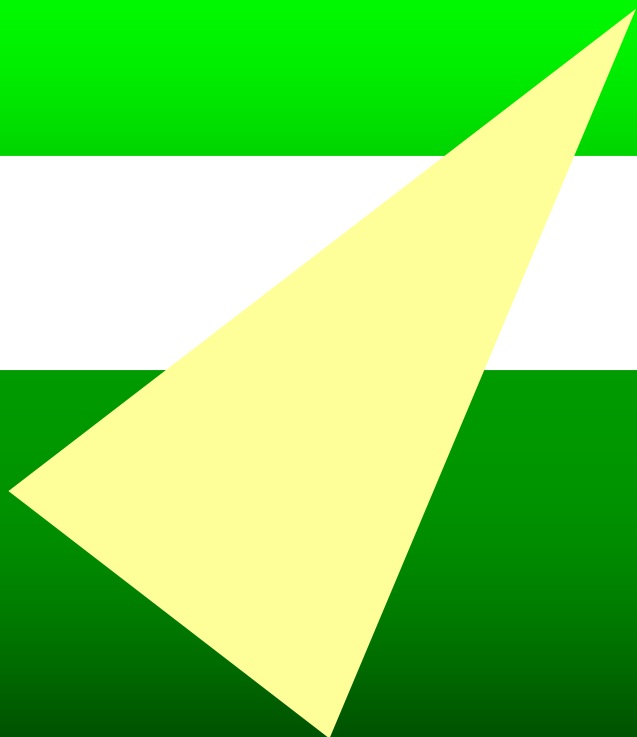

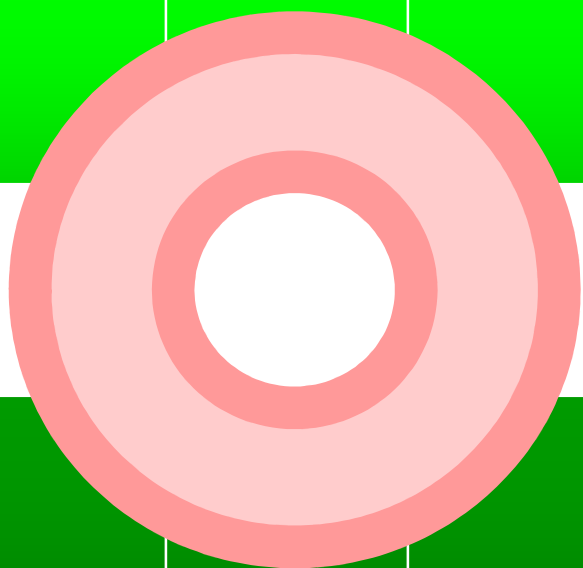

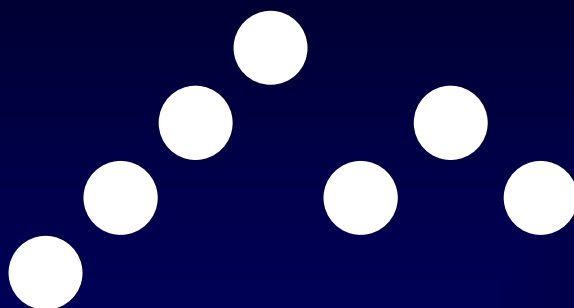

mit alln die Du geladen

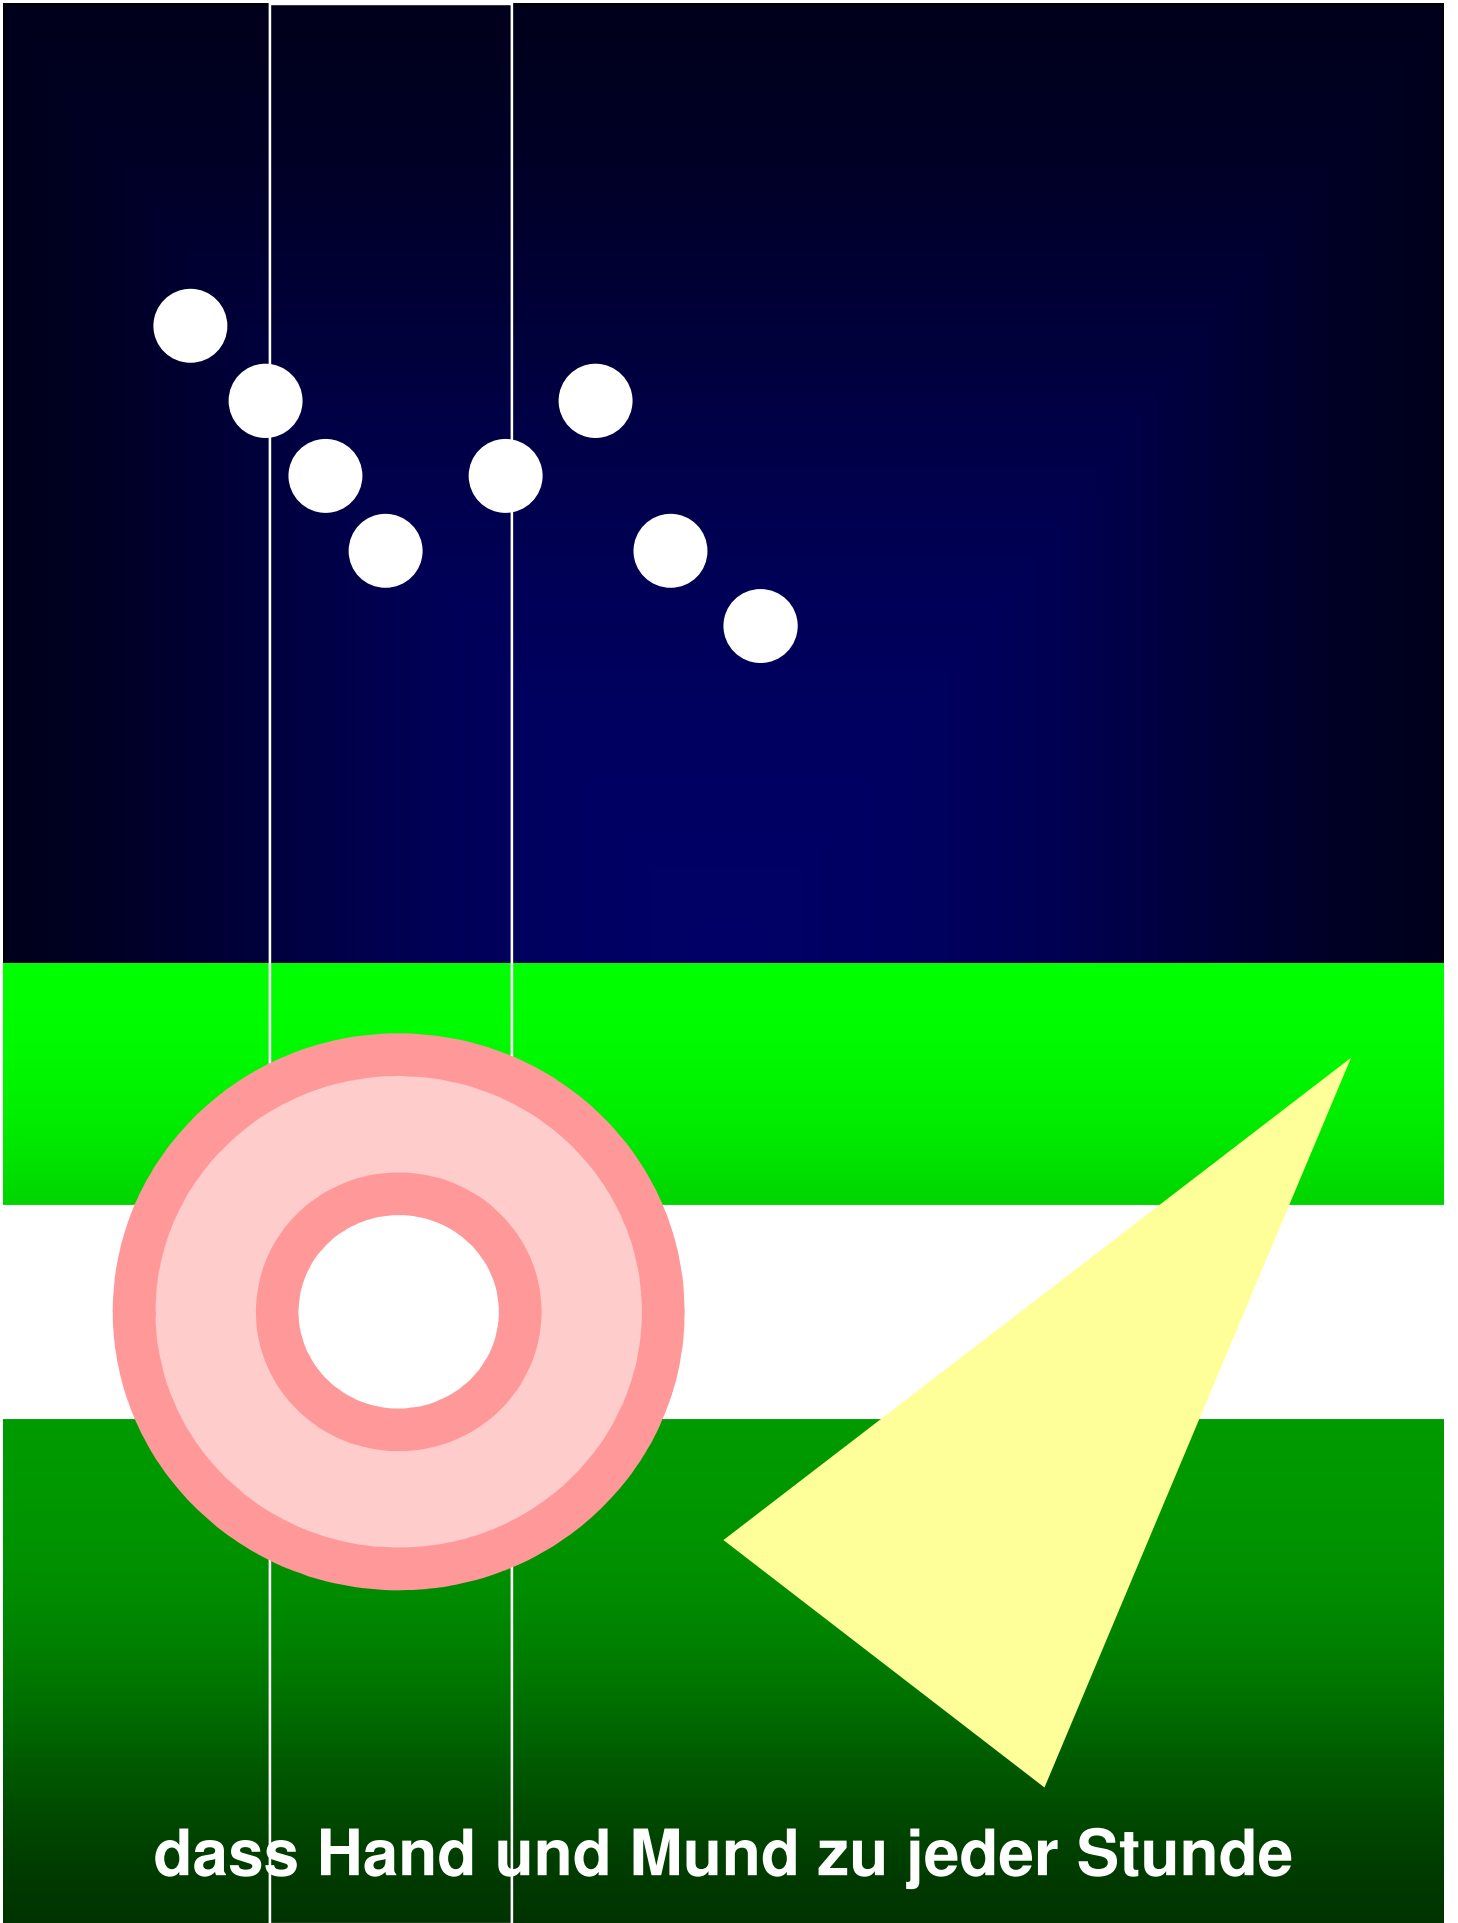

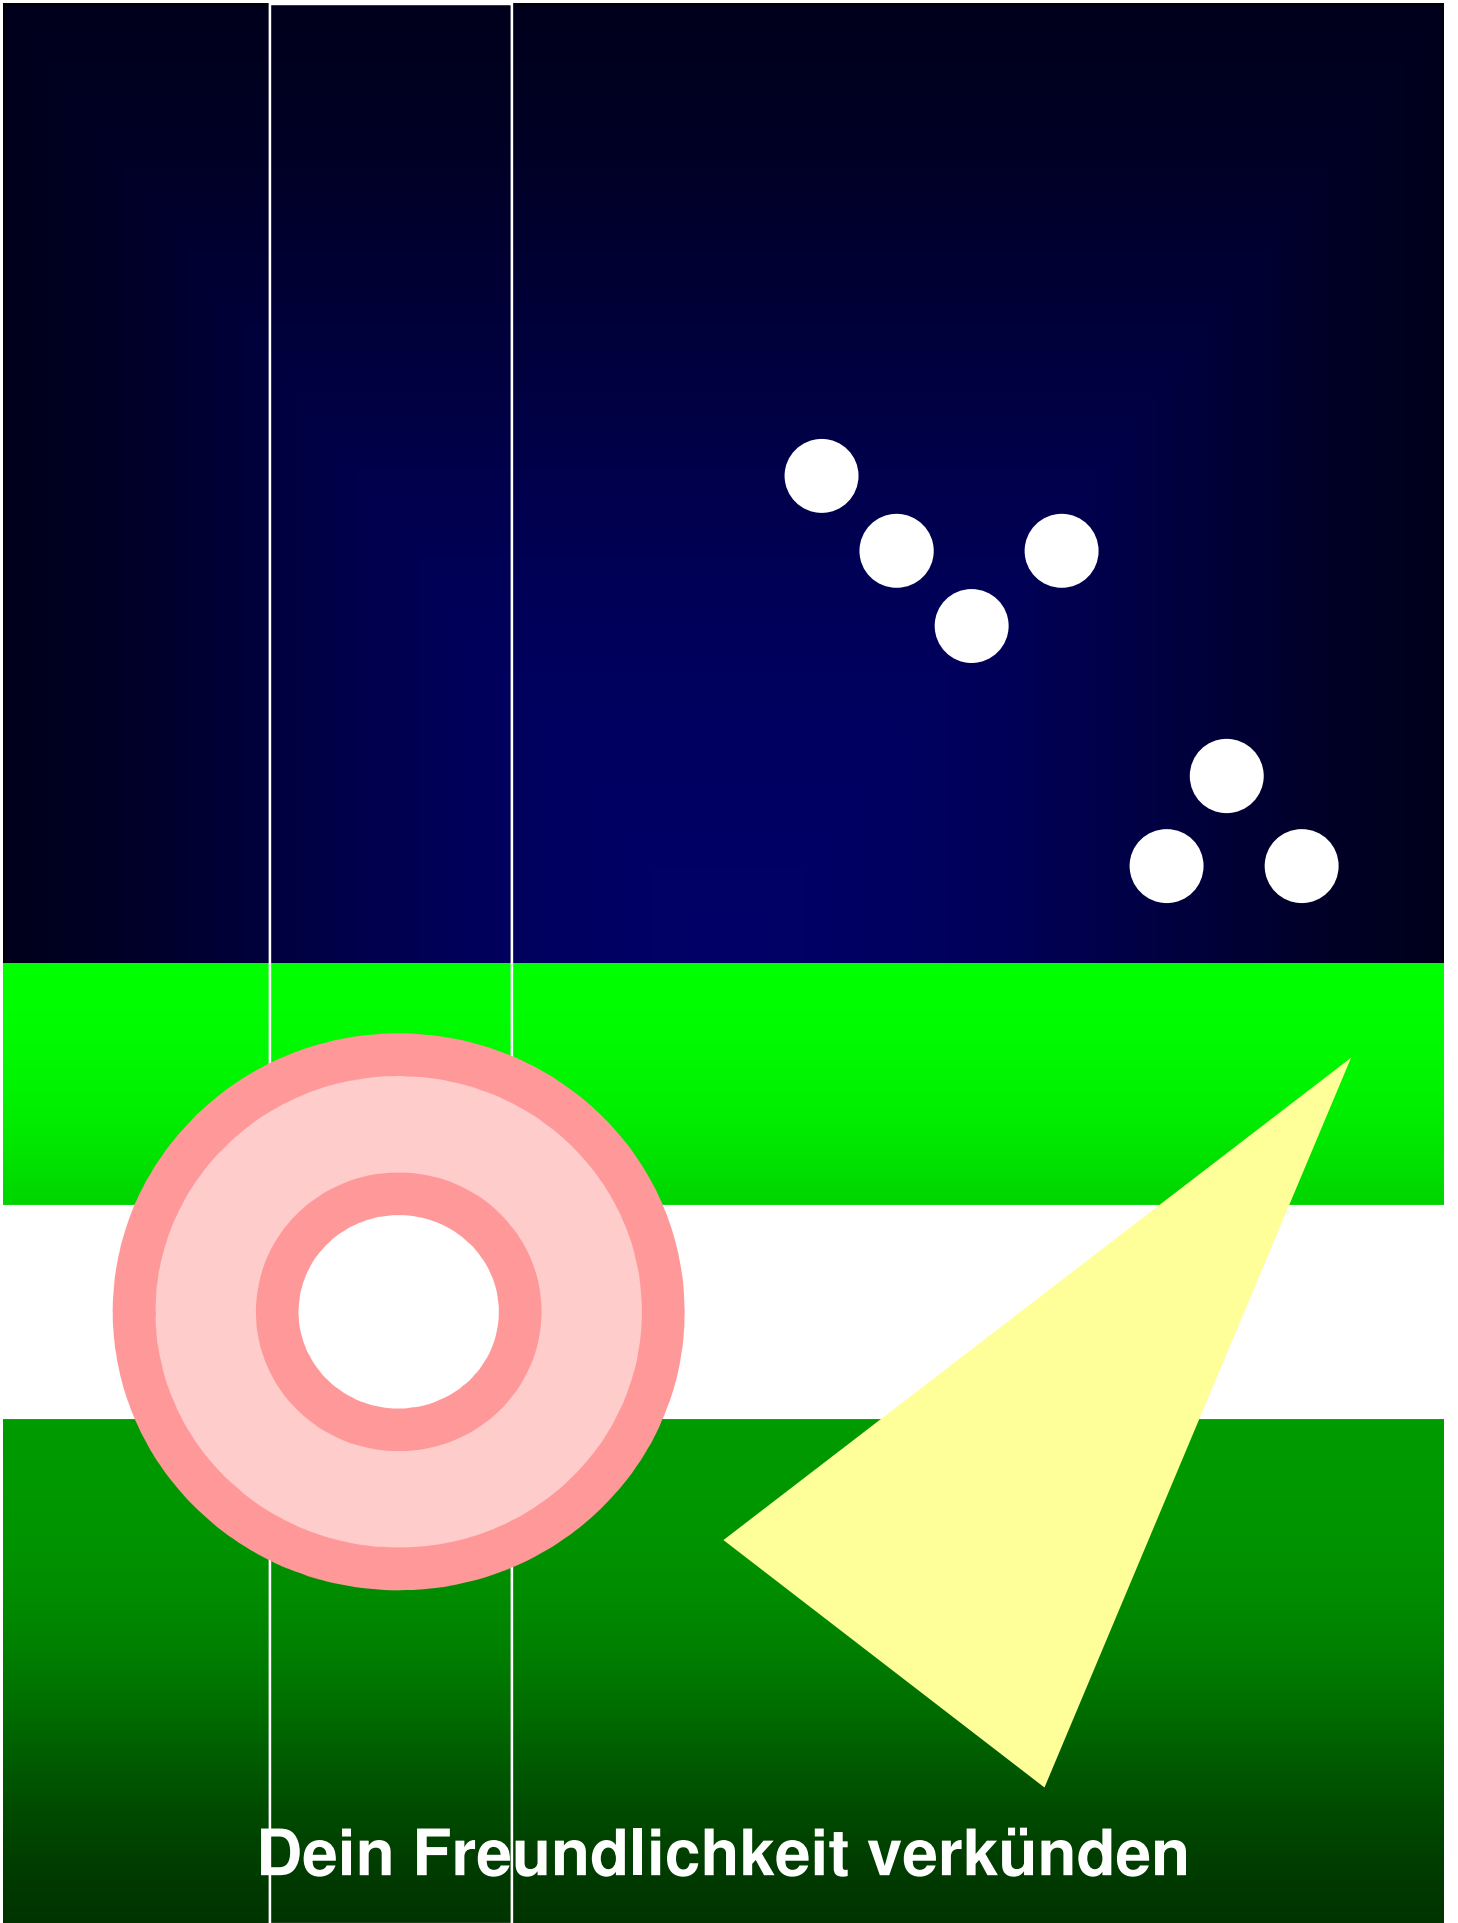

Herr verleih dass Lieb und Treu

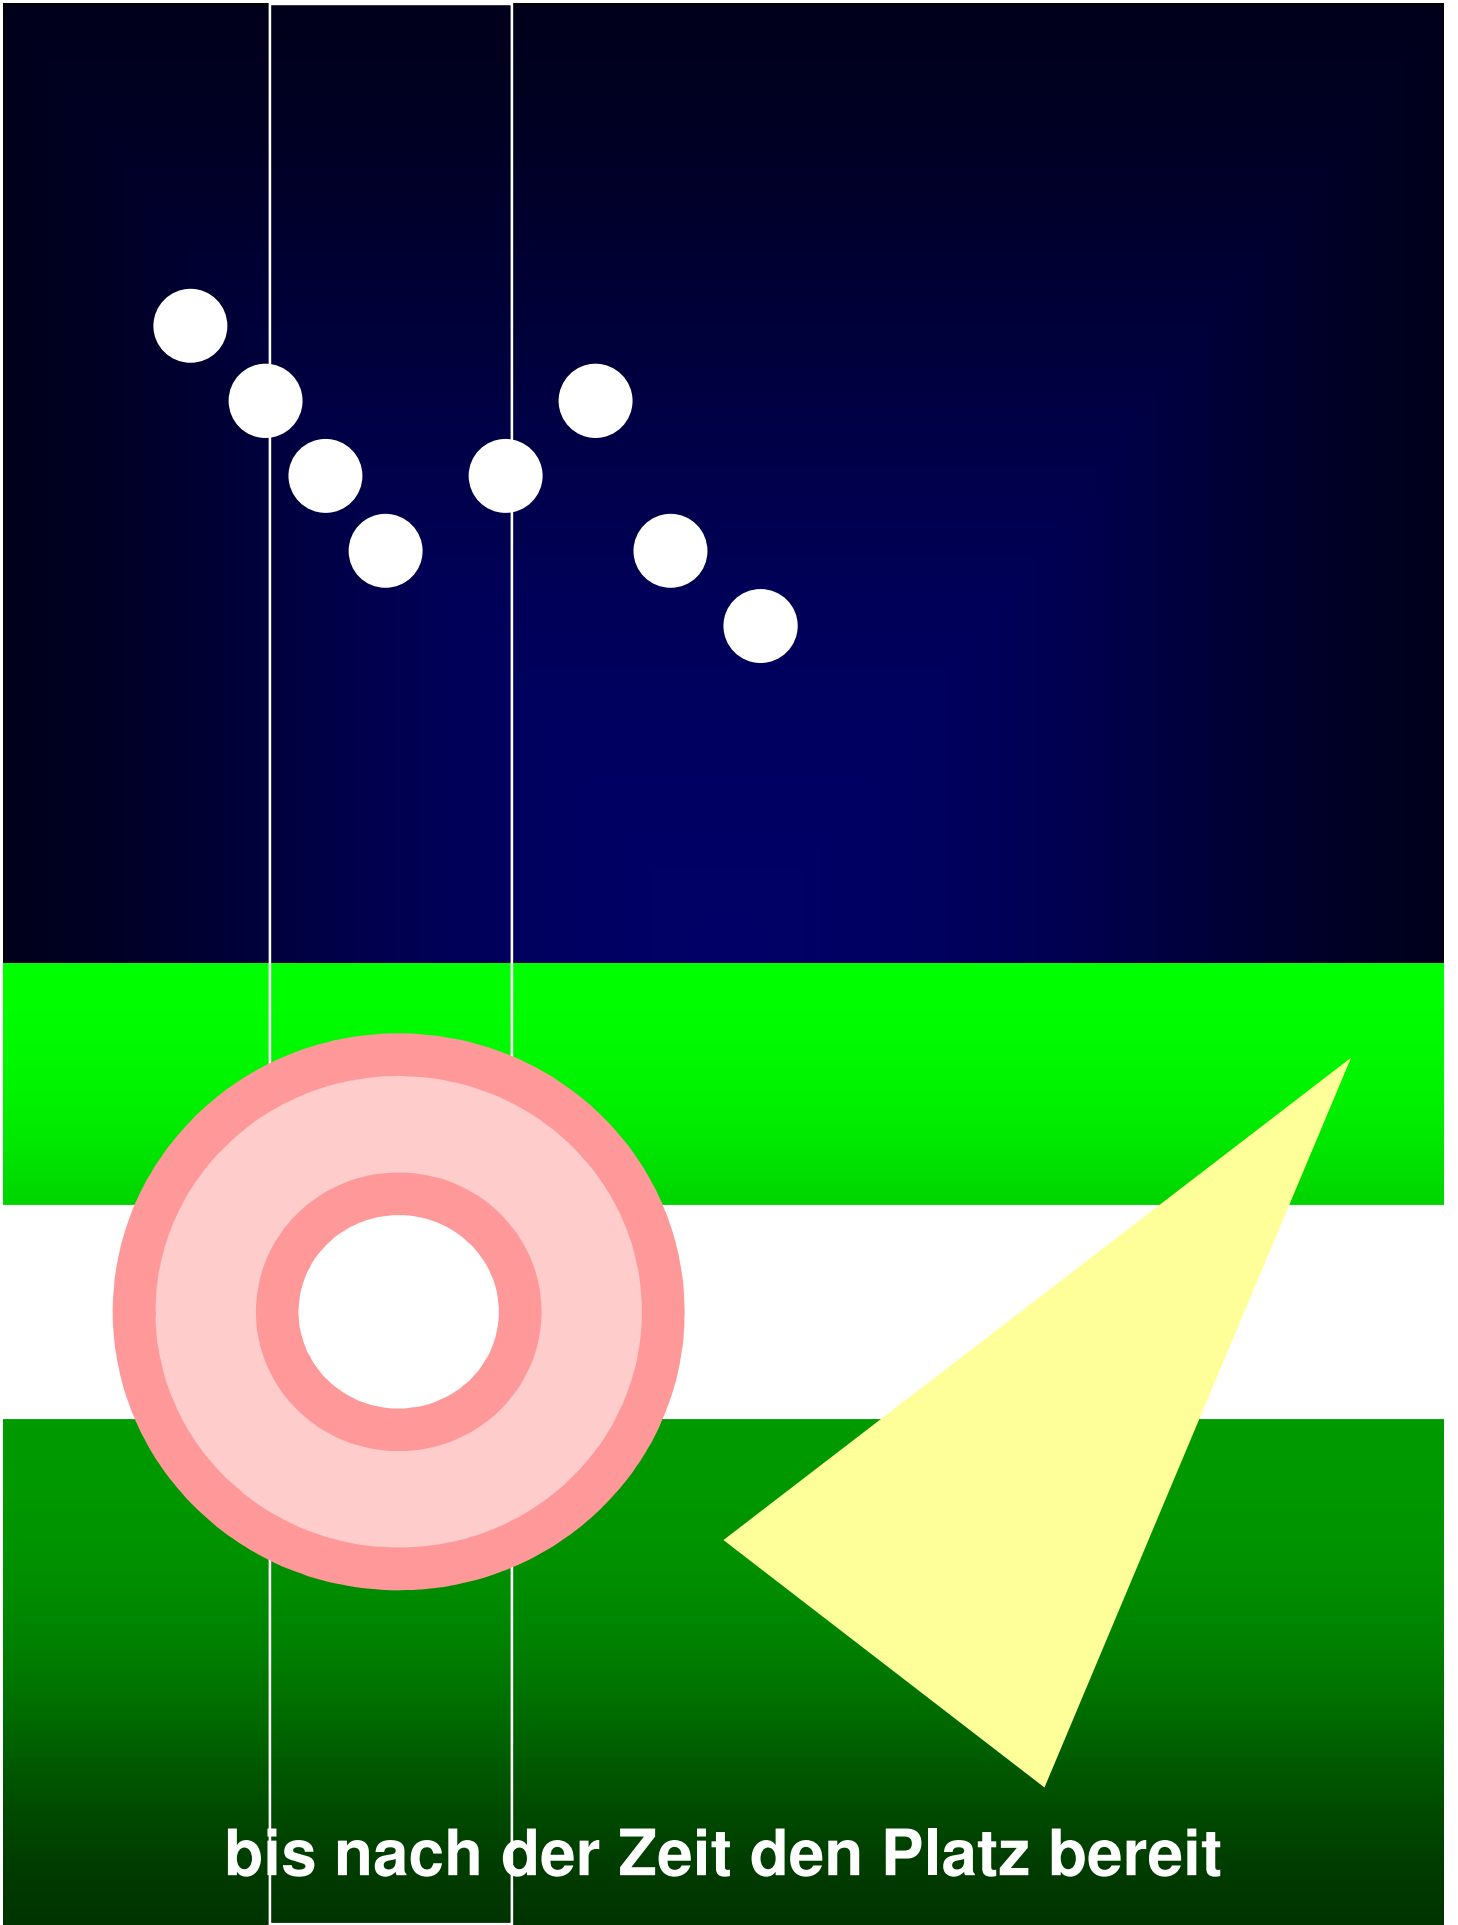

in Dir uns all verbinden

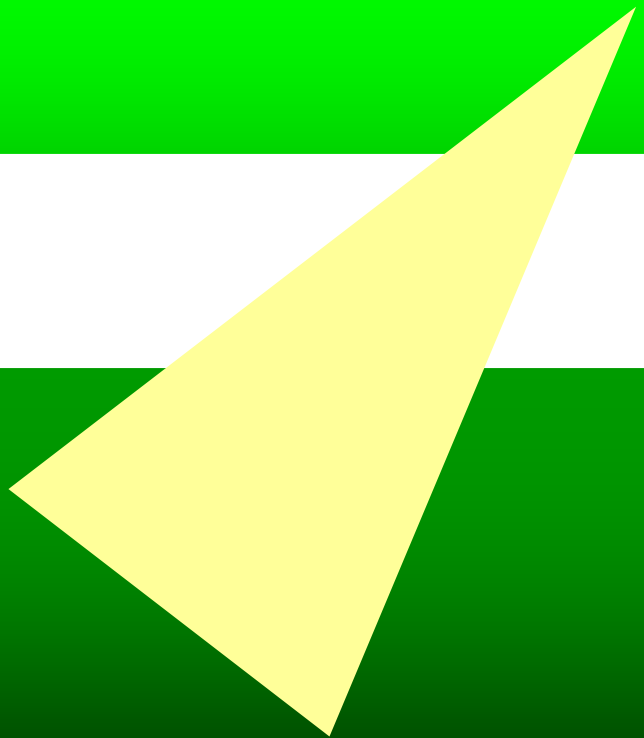

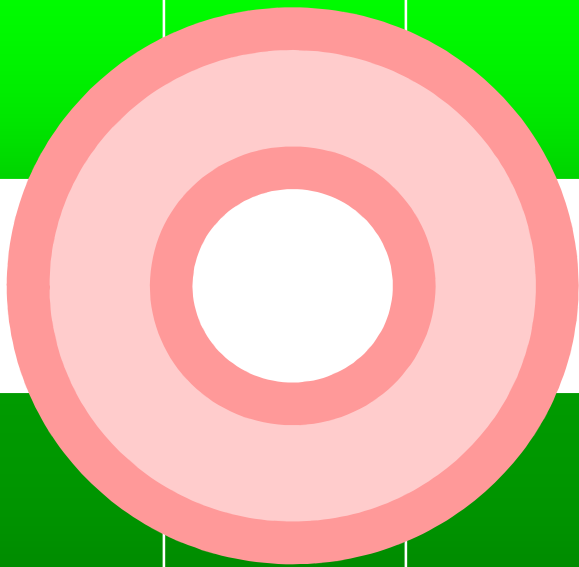

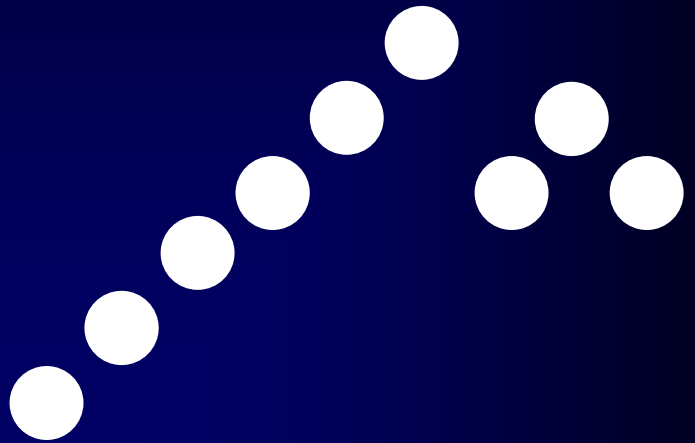

dass Hand und Mund zu jeder Stunde

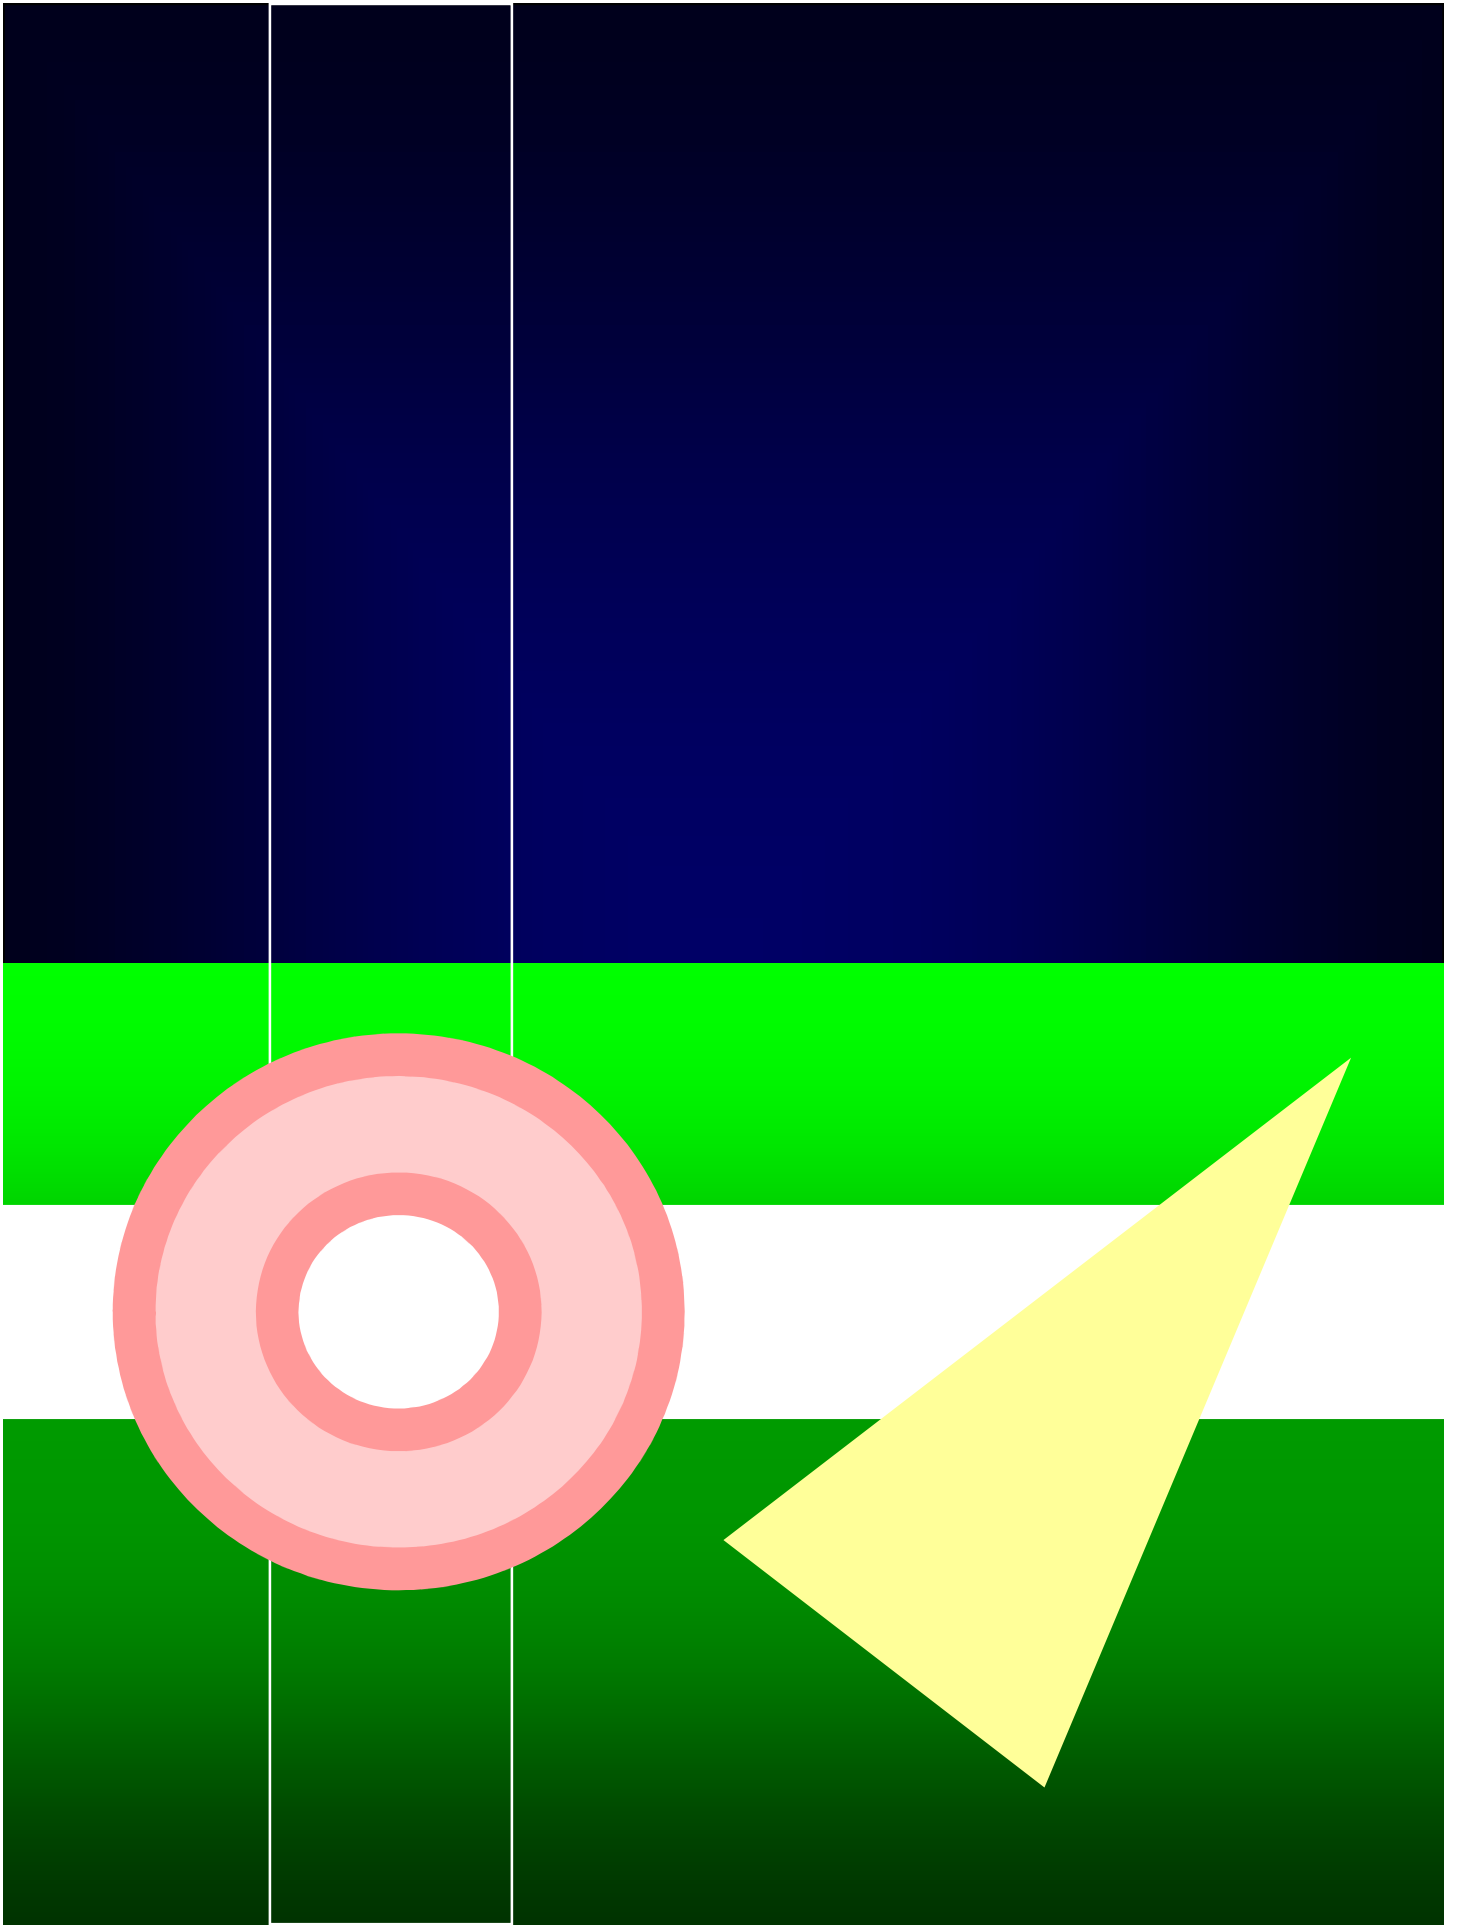

Dein Freundlichkeit verkünden

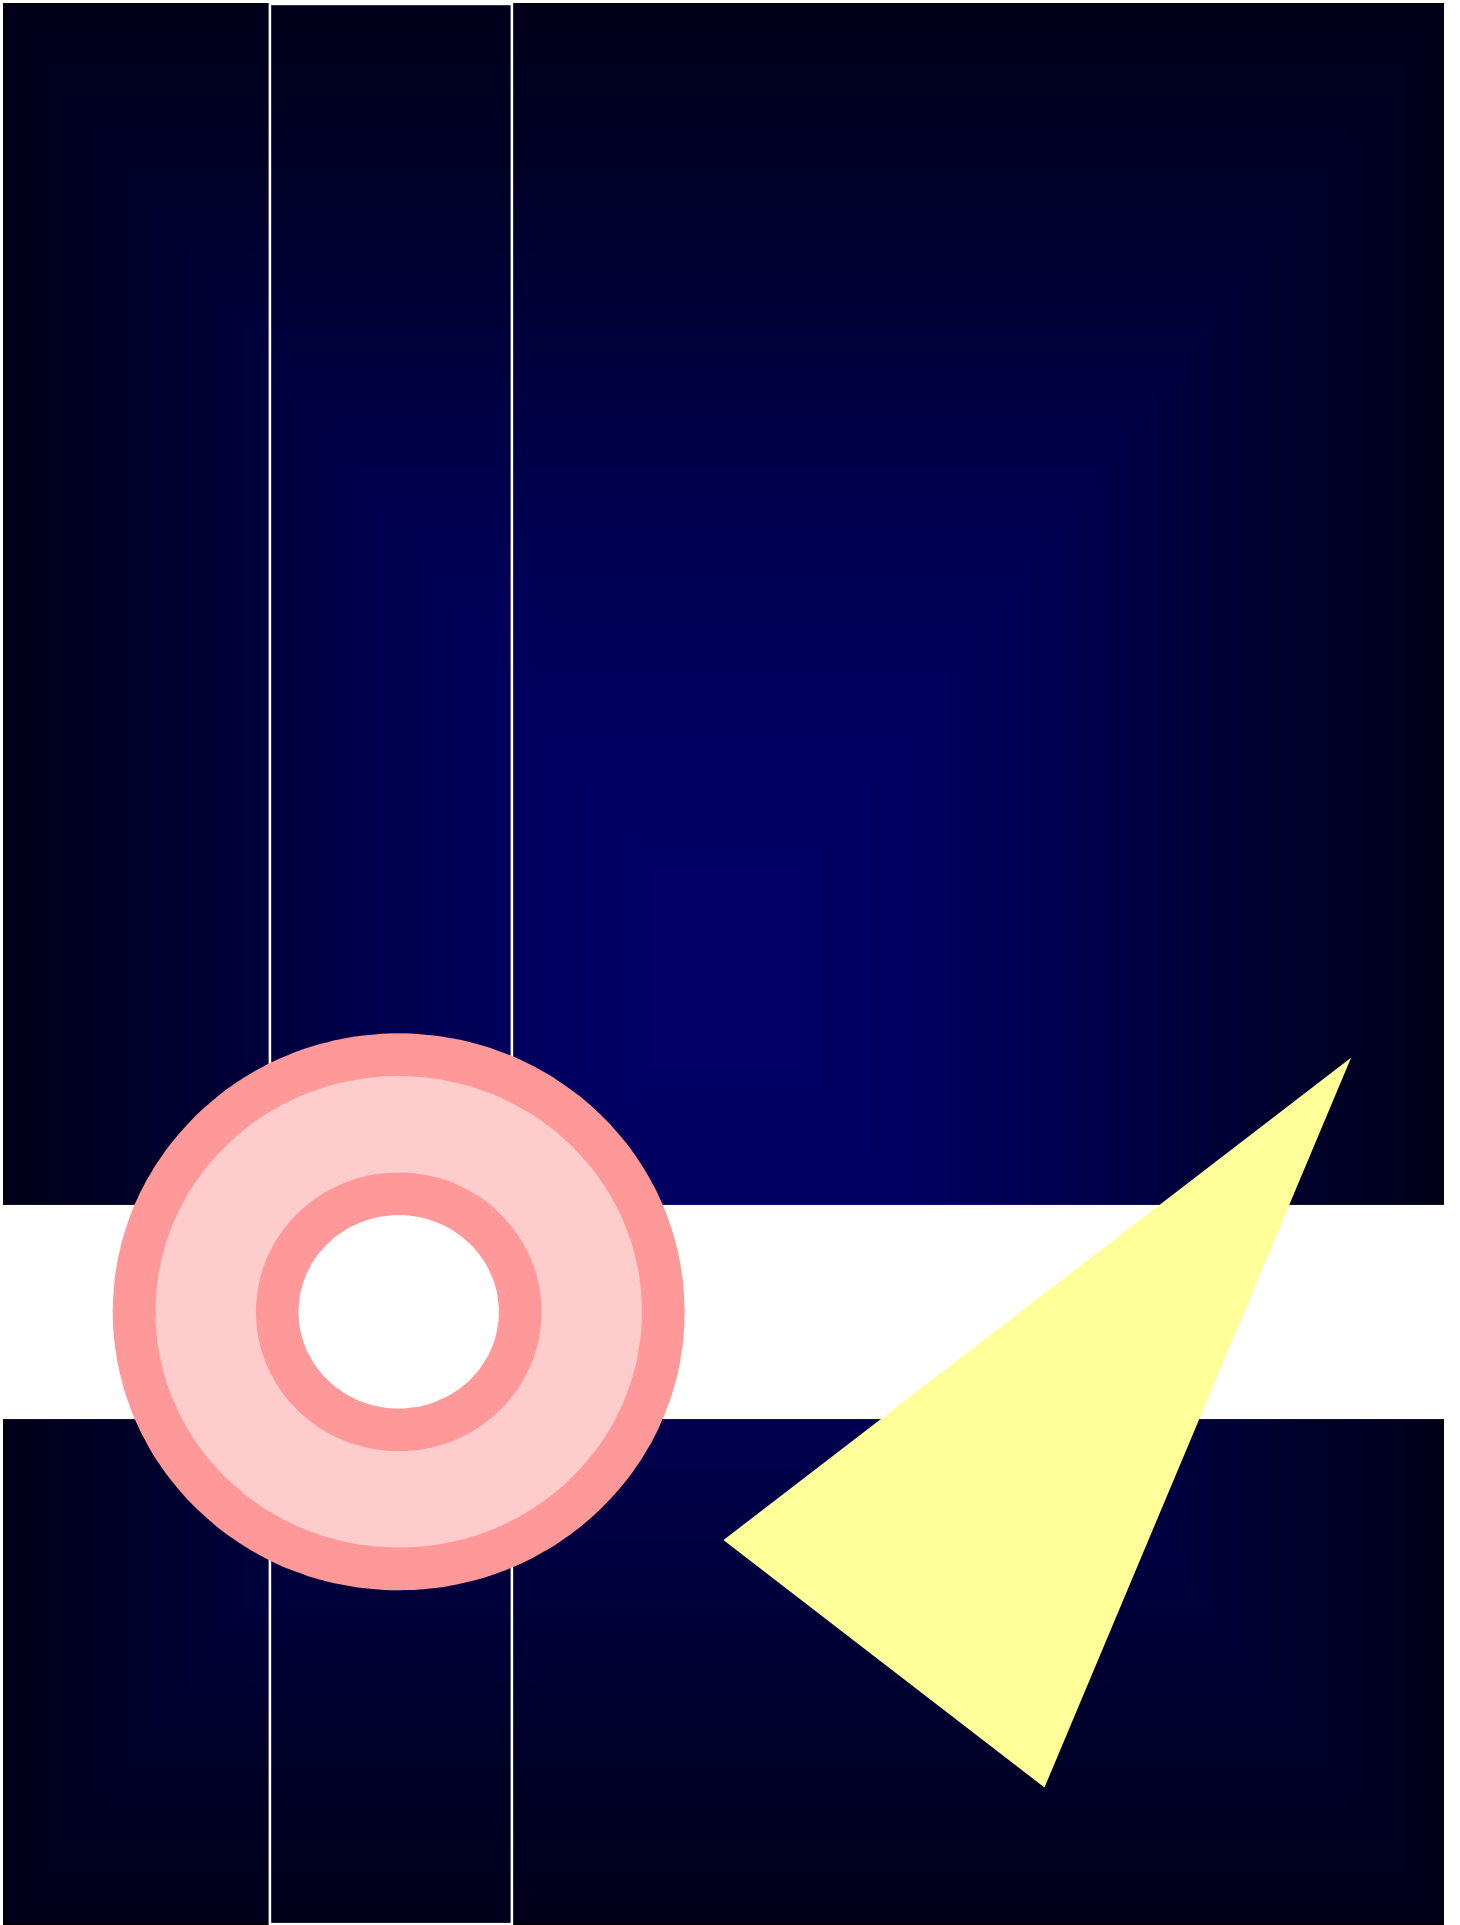

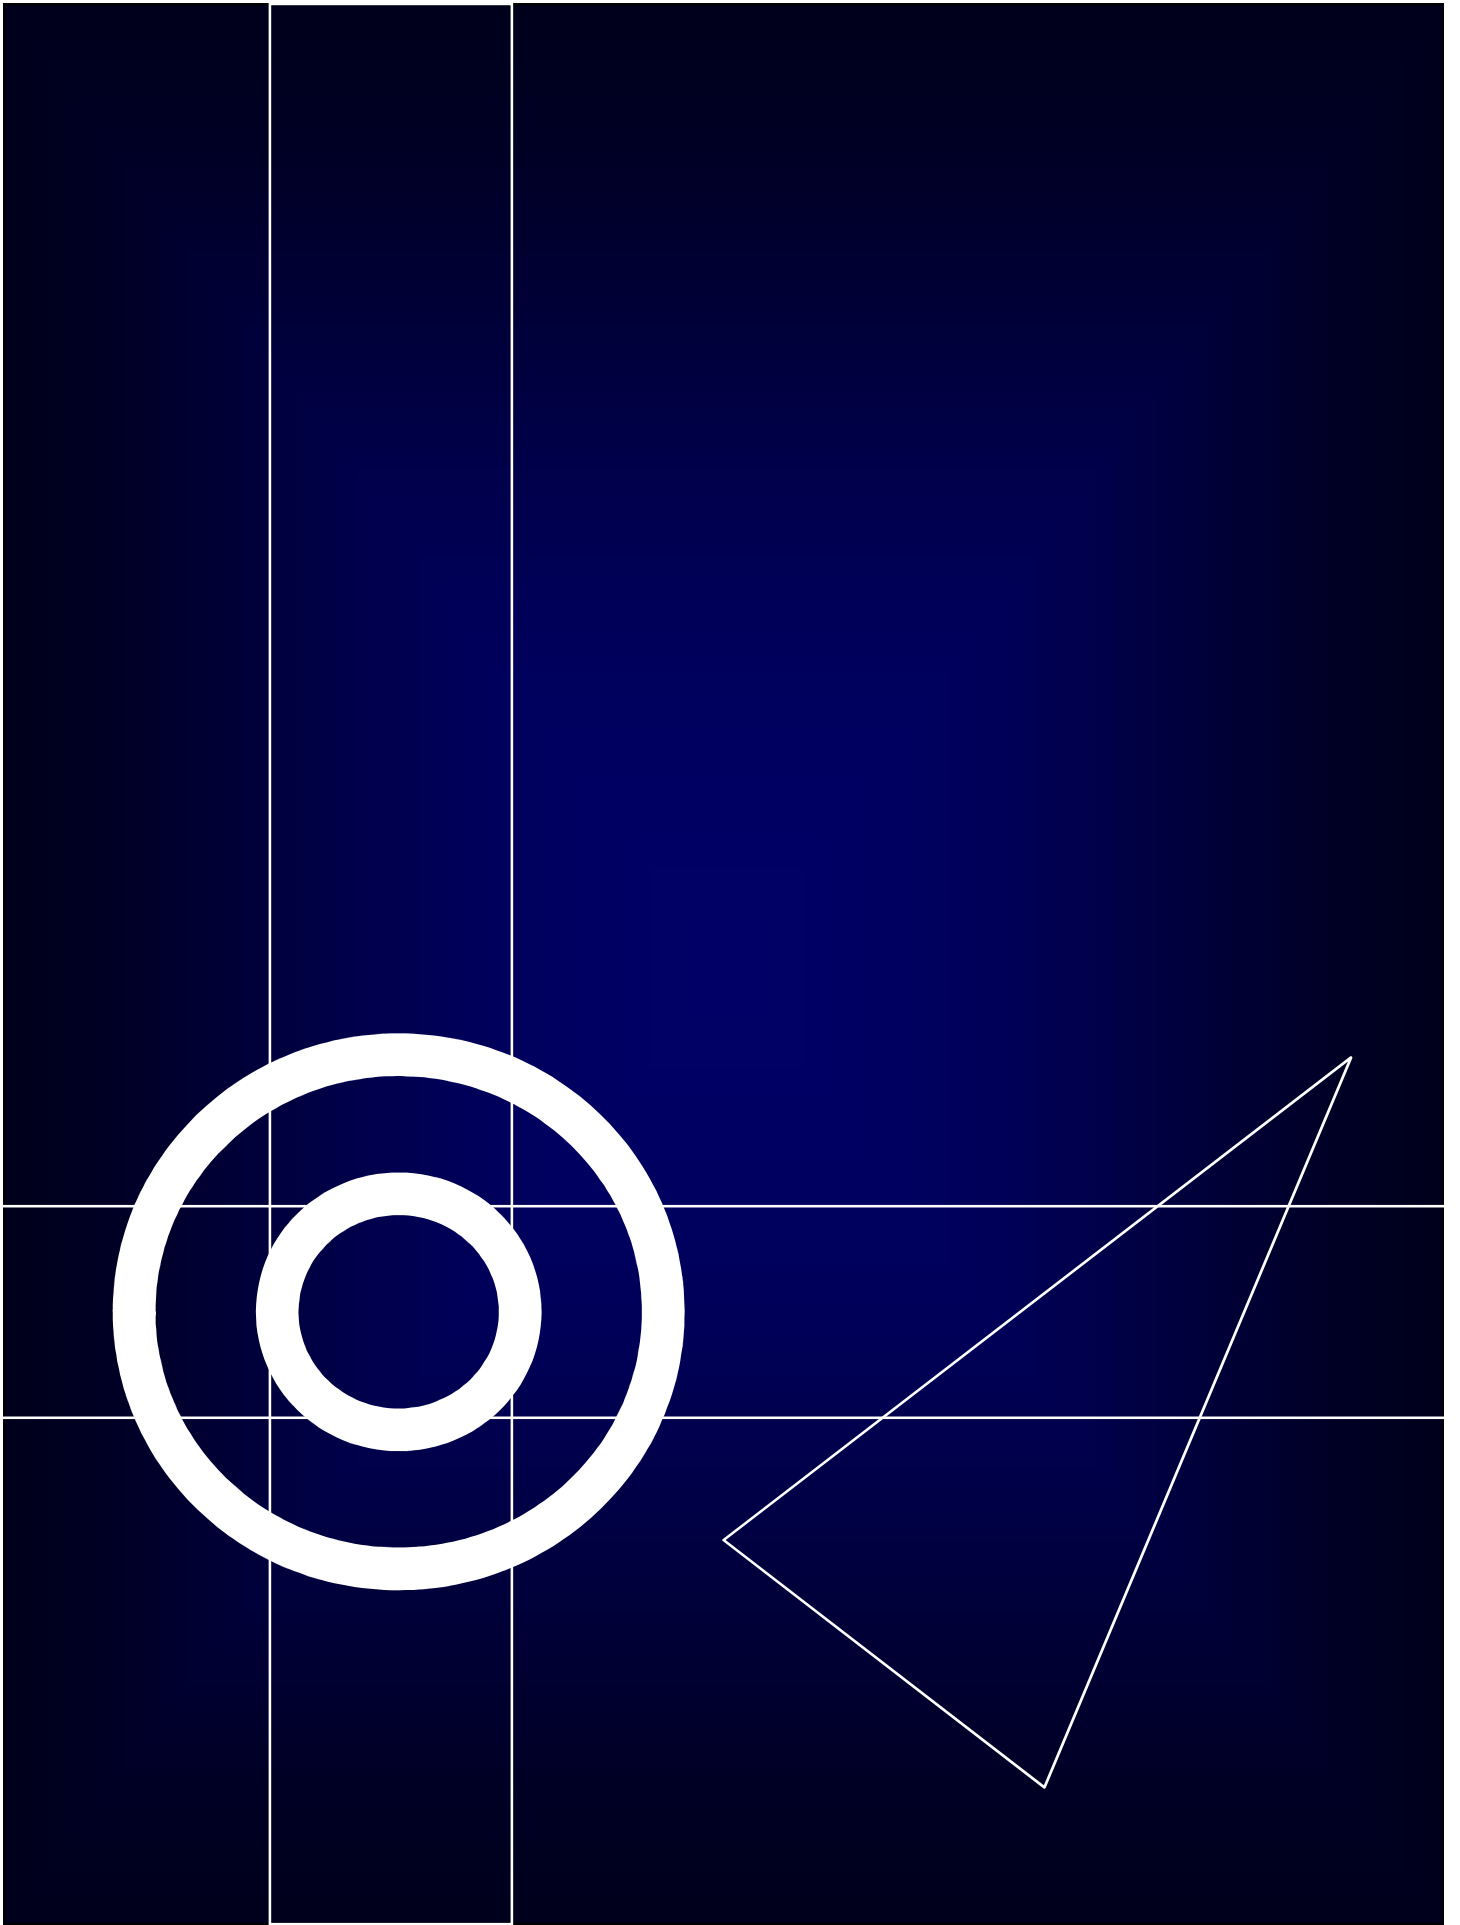

bis nach der Zeit den Platz bereit

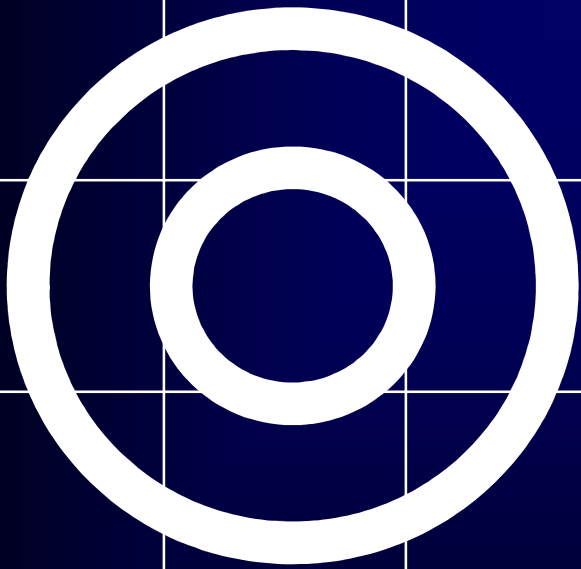

an Deinem Tisch wir finden
