The image is a vertical cross-section diagram. At the top is a dark brown layer. Below it is a thick layer with a green-to-yellow gradient. The middle section is a grey gradient containing a 3D cylinder on the left and a 3D cube on the right. A large, semi-transparent arrow with a grid pattern points from the cylinder towards the cube. At the bottom is a blue gradient layer with the text 'bekam er Wasser' centered in it.
