Ist das der Leib, Herr Jesu Christ

der tot im Grab gelegen ist?

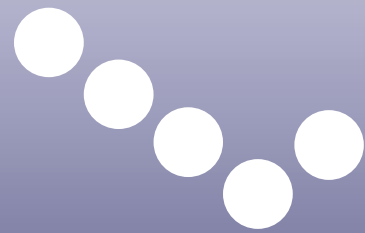

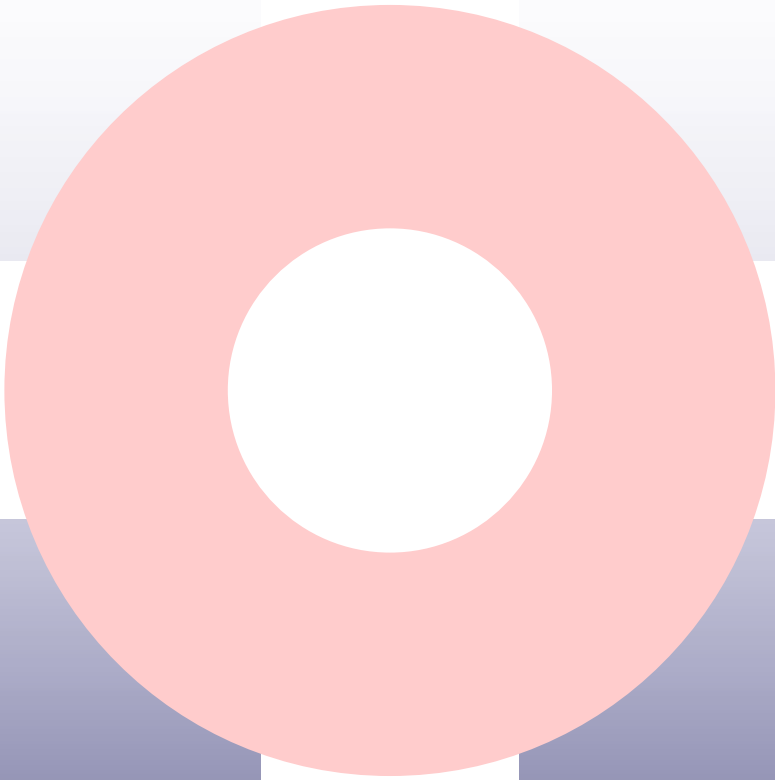

Kommt, kommt, ihr Christen, jung und alt

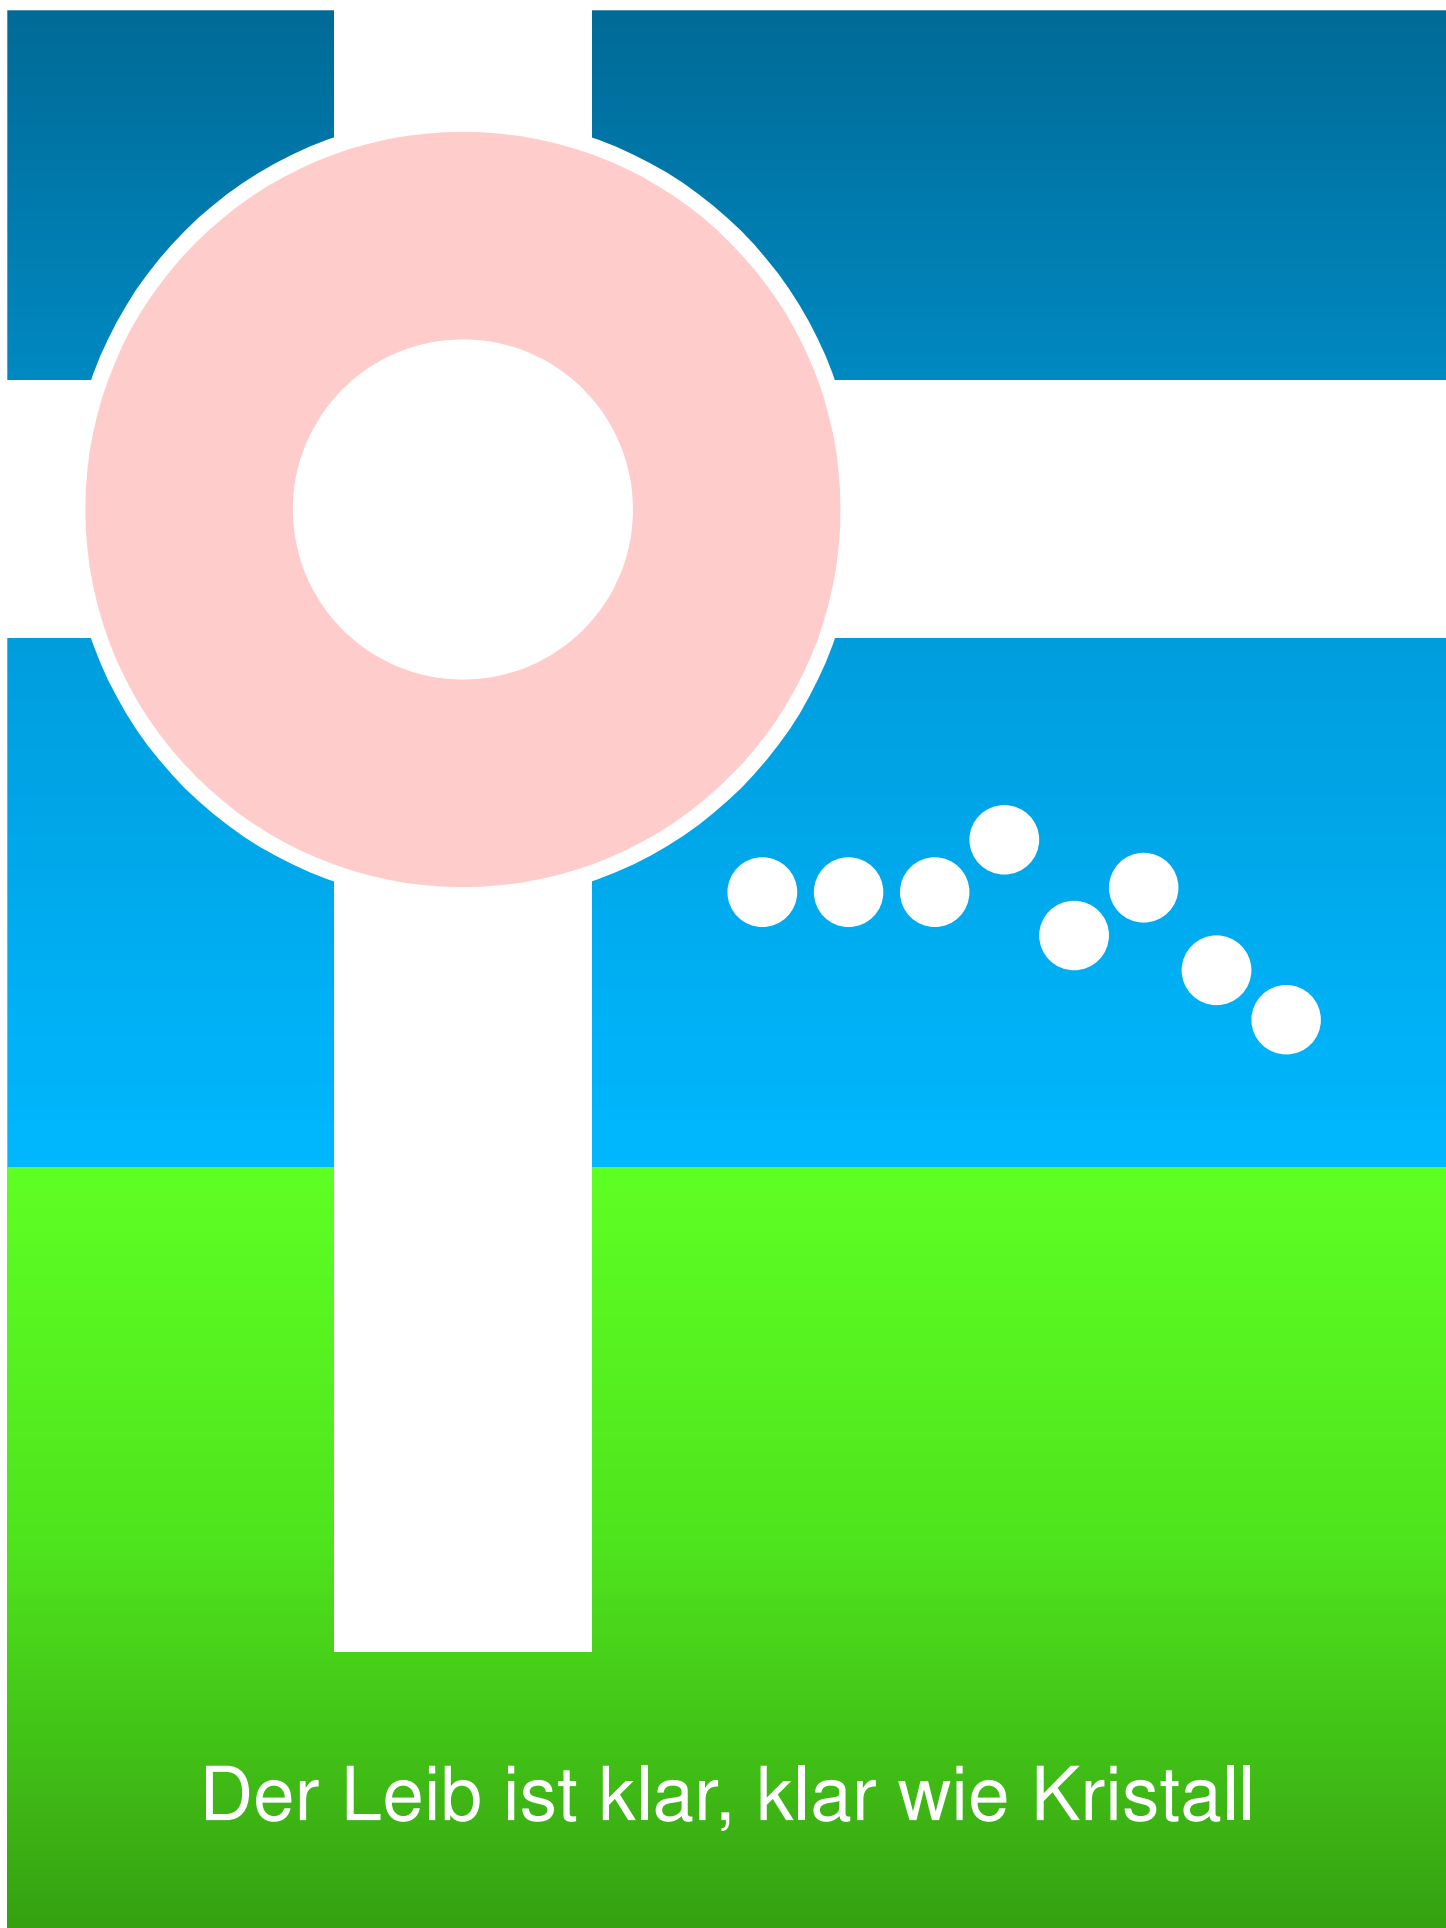

schaut die verklärte Leibsgestalt

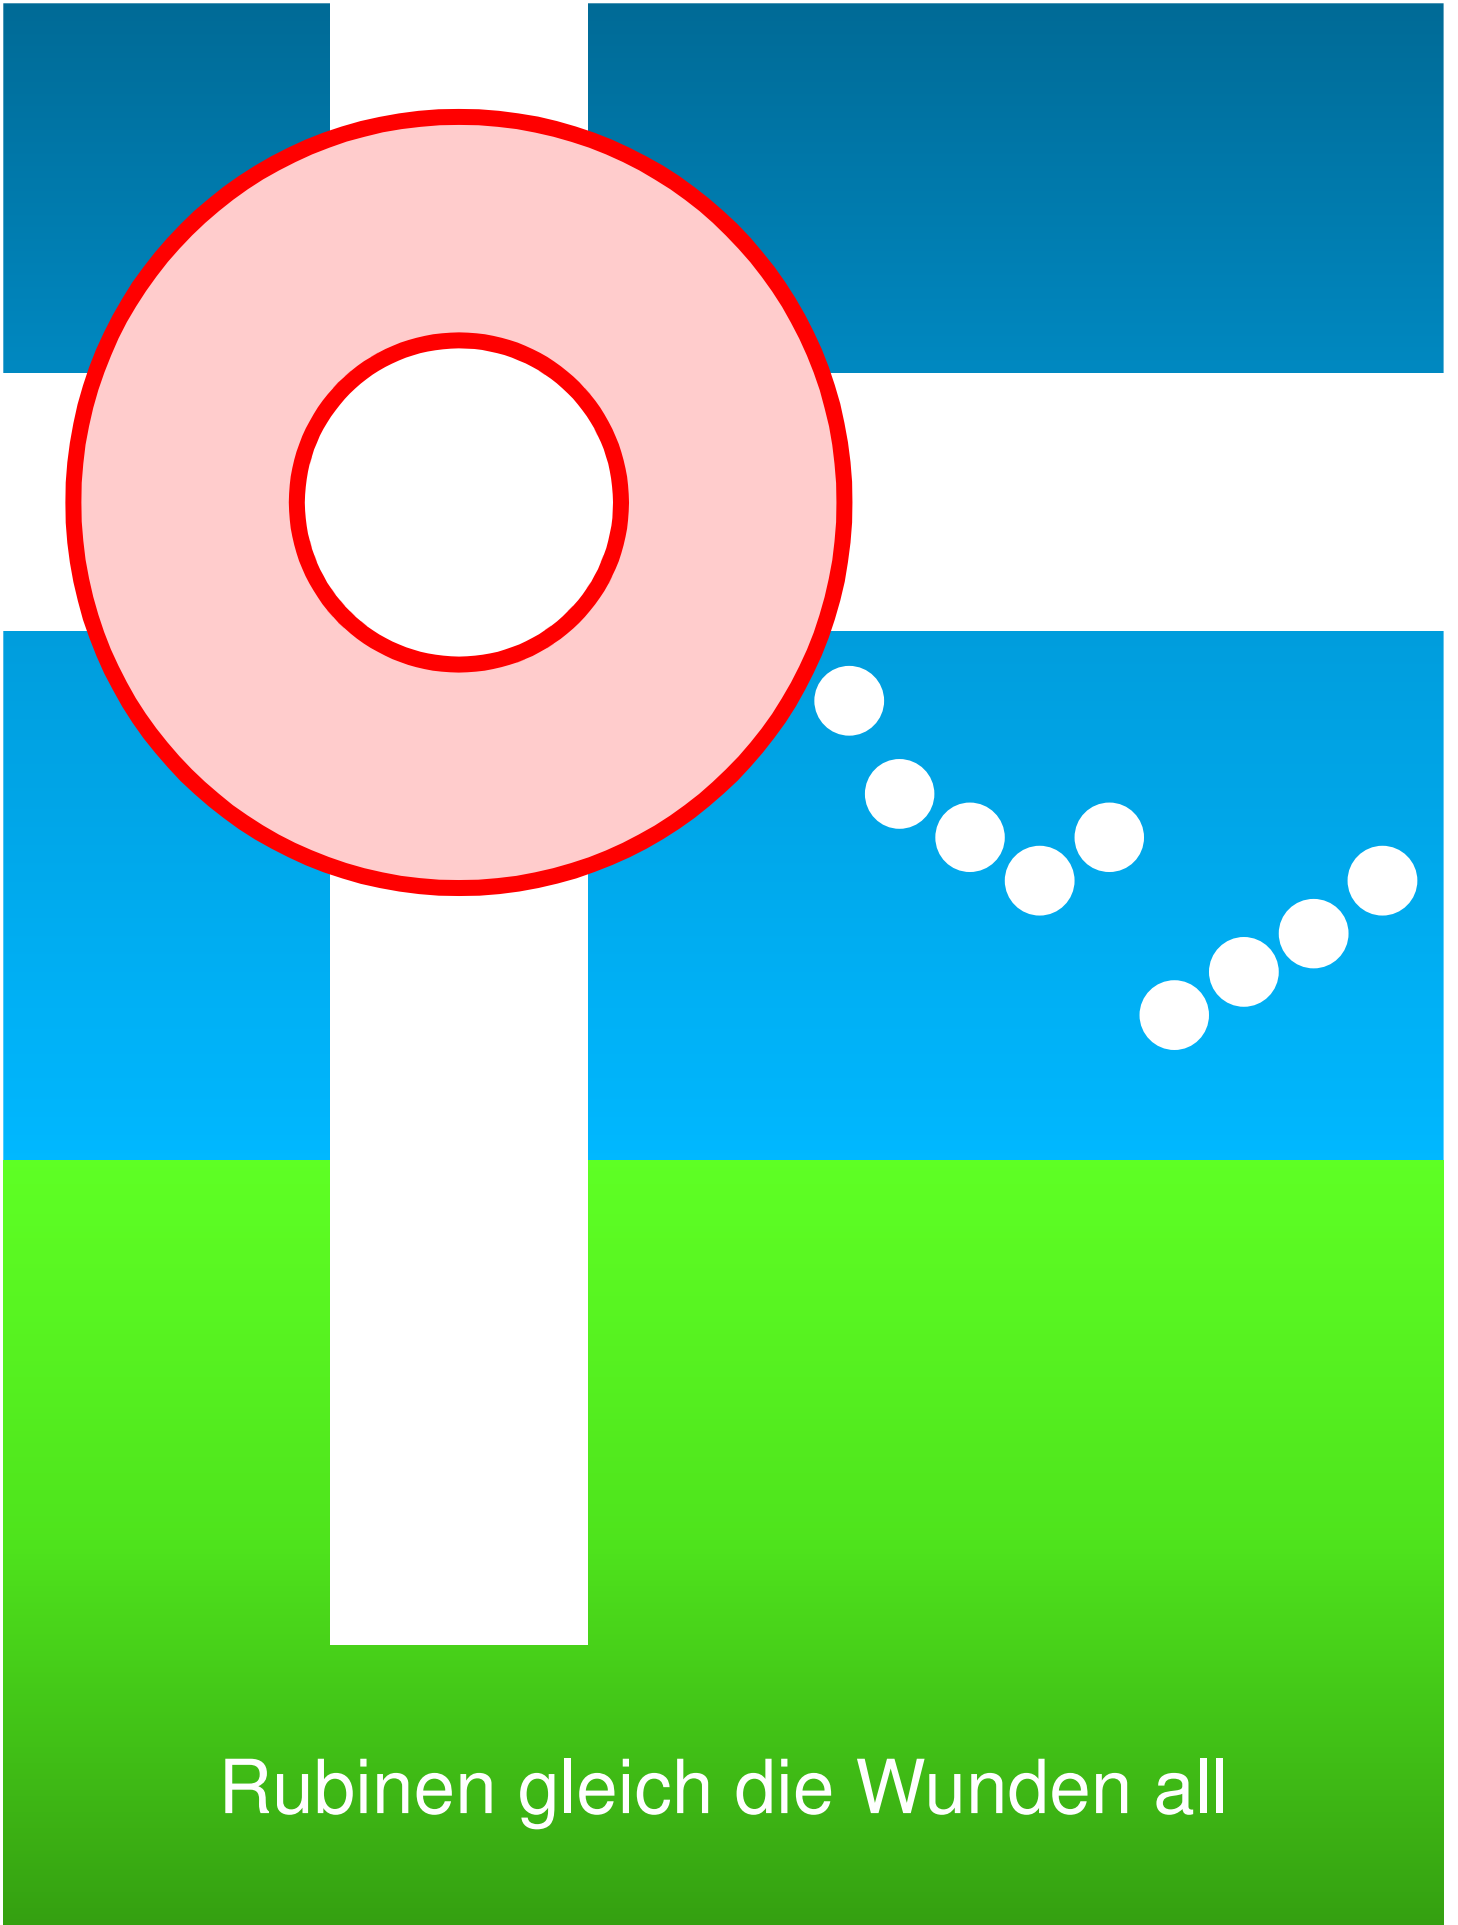

Halleluja

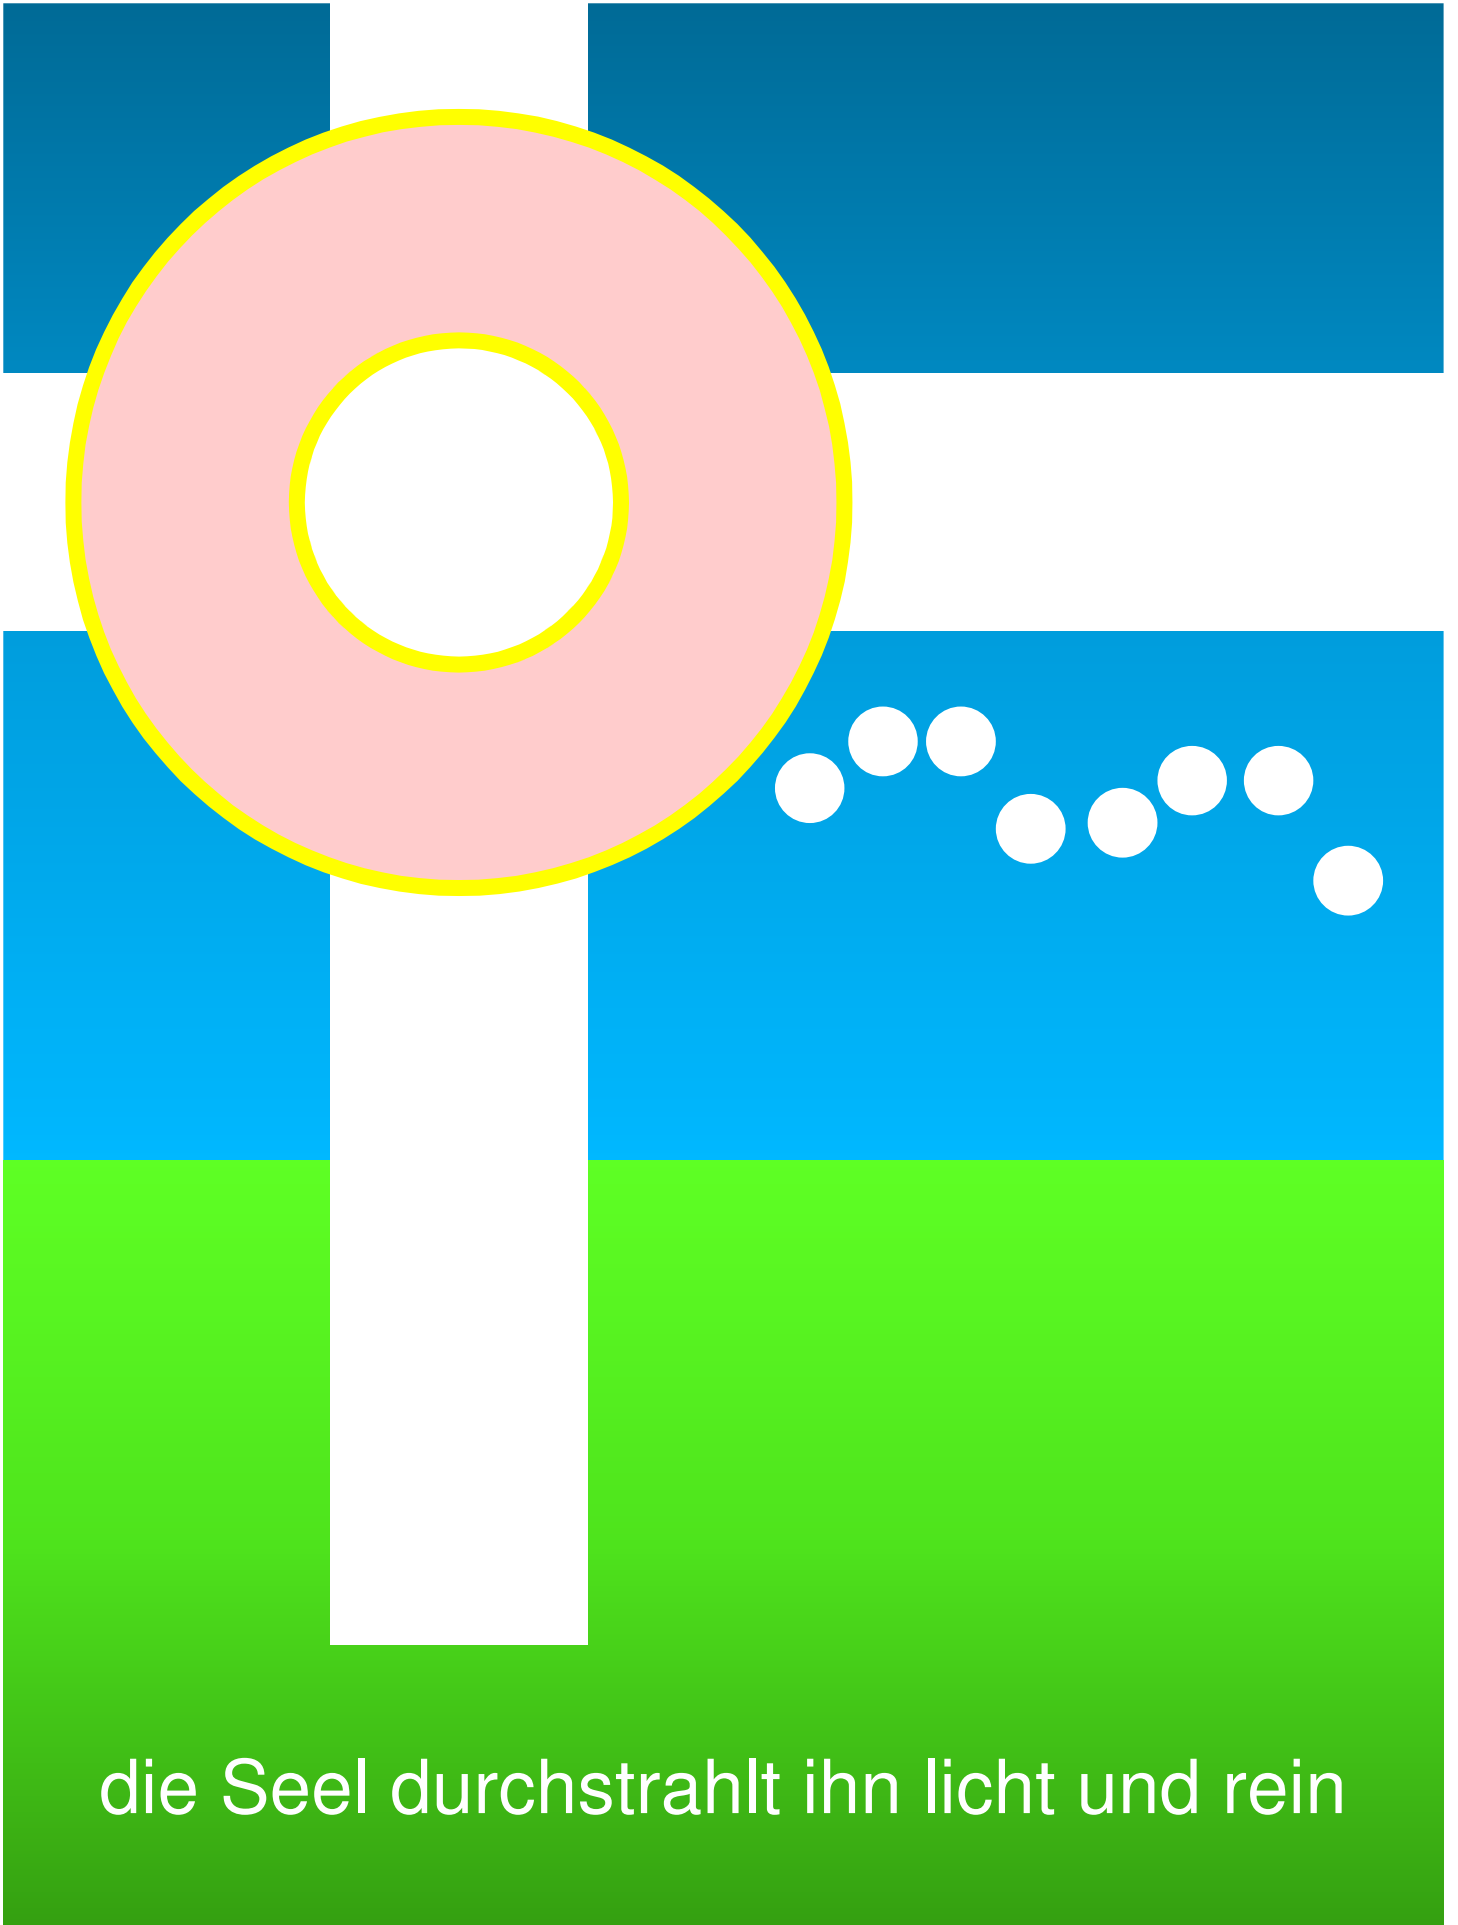

Halleluja

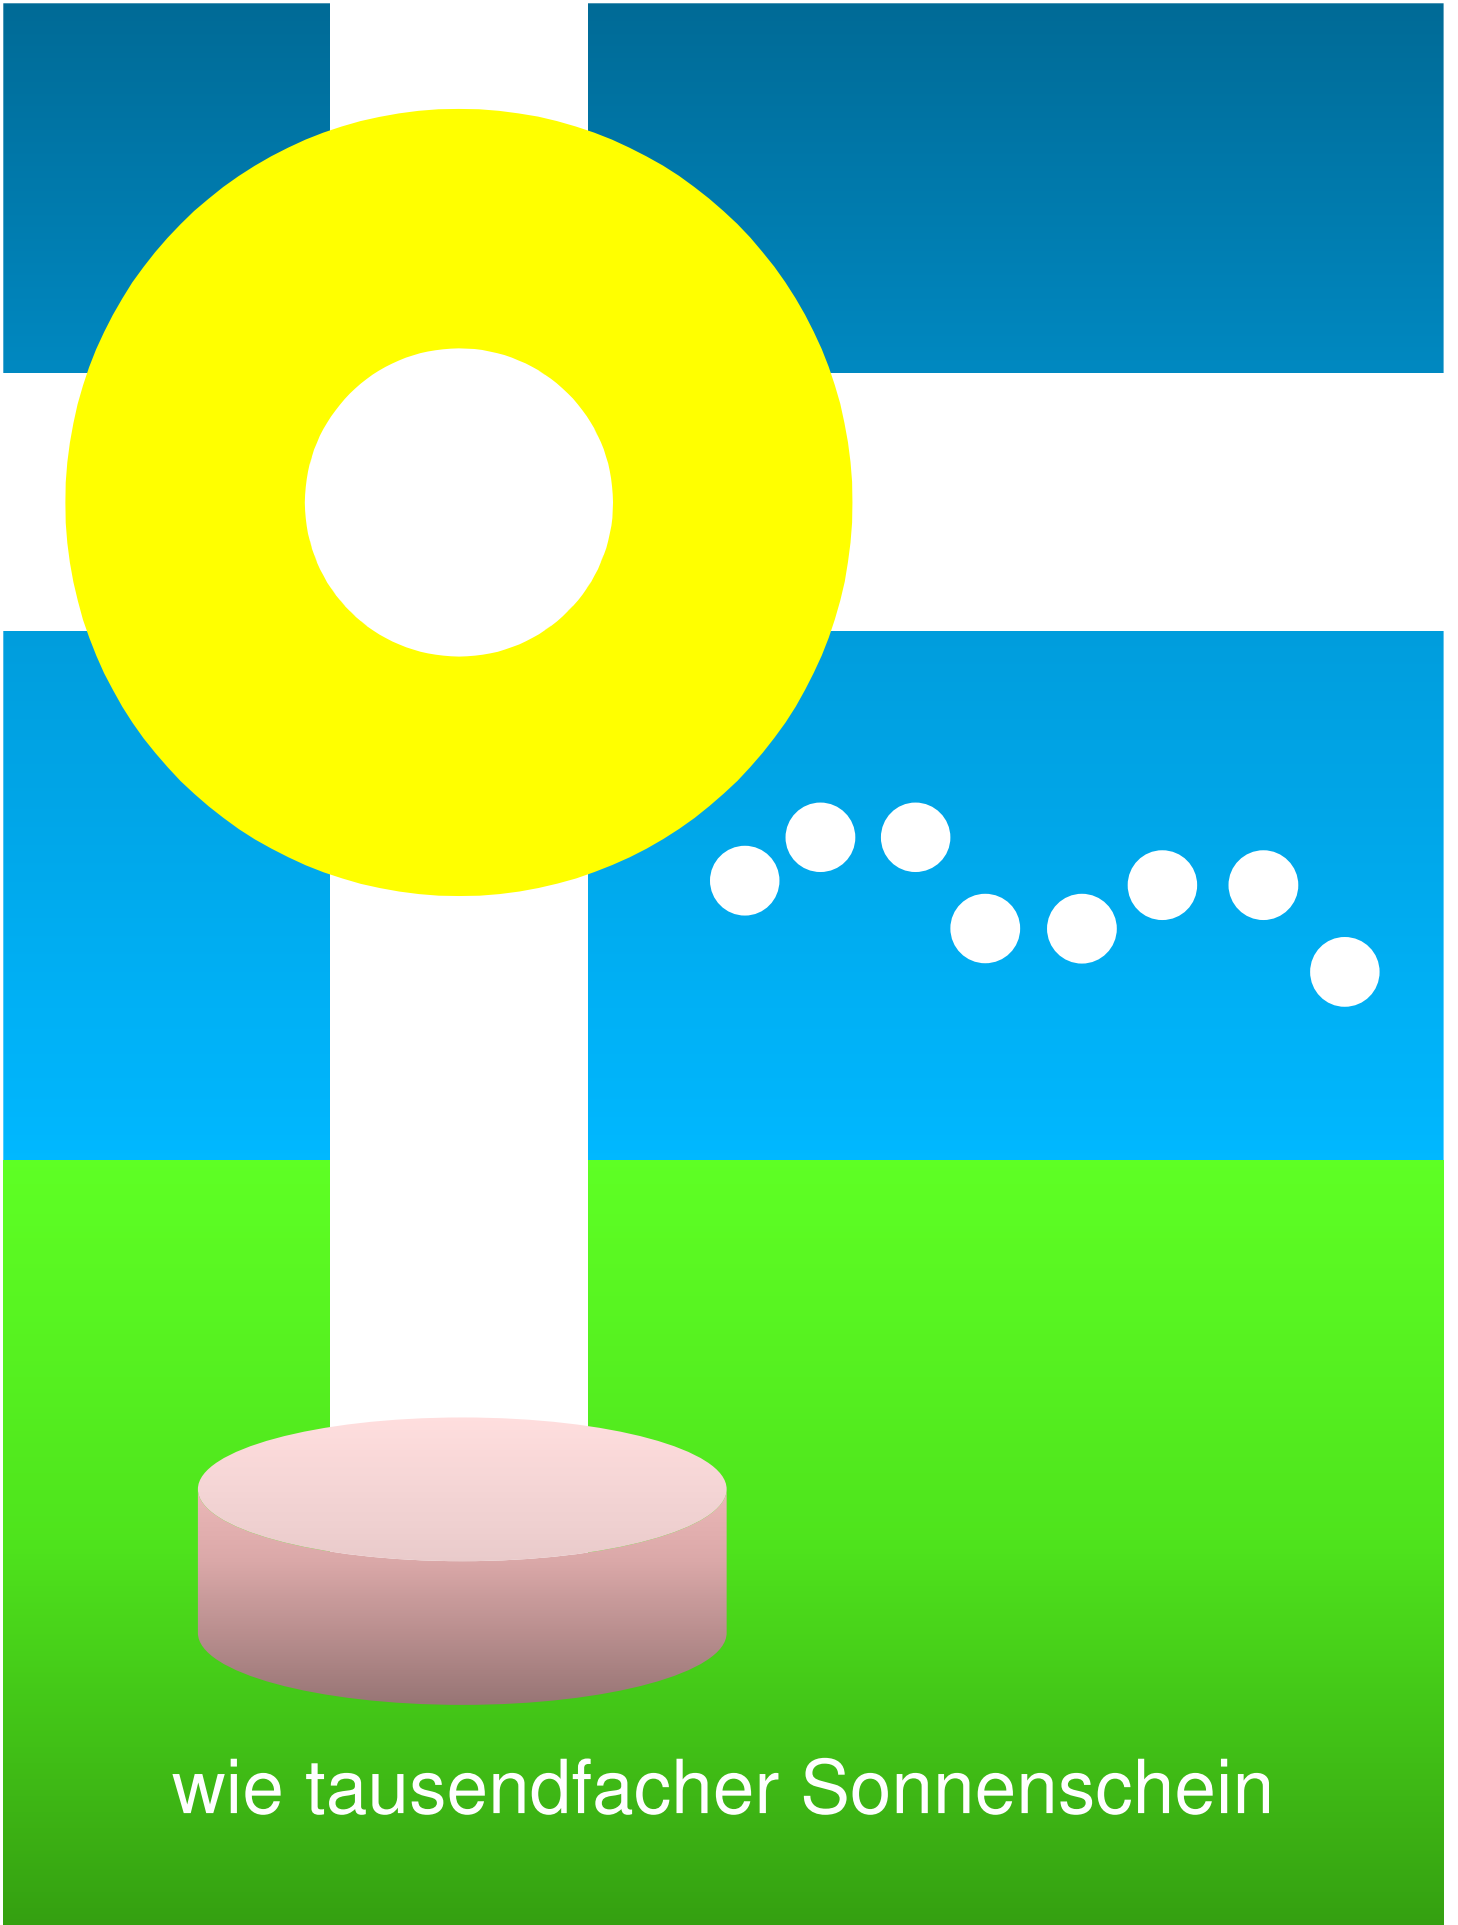

Der Leib ist klar, klar wie Kristall

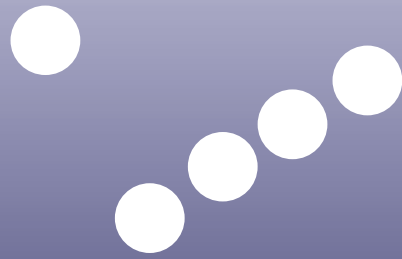

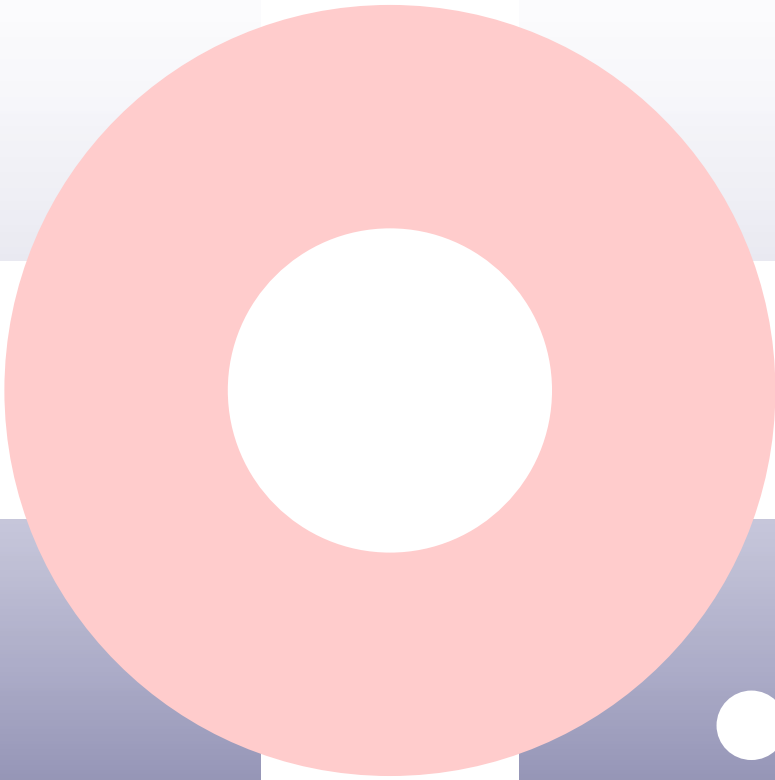

Rubinen gleich die Wunden all

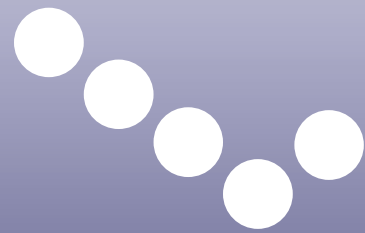

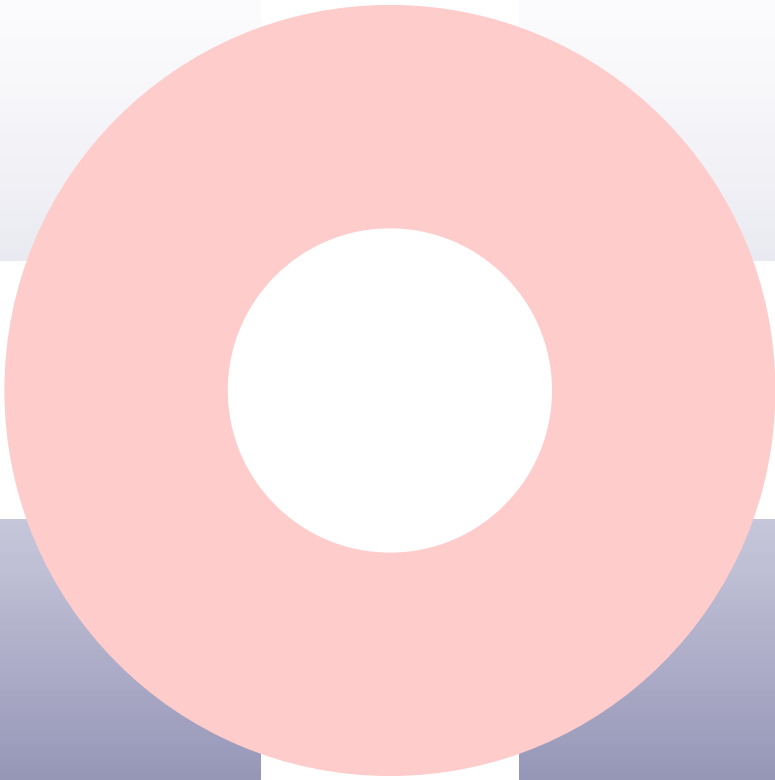

die Seele durchstrahlt ihn licht und rein

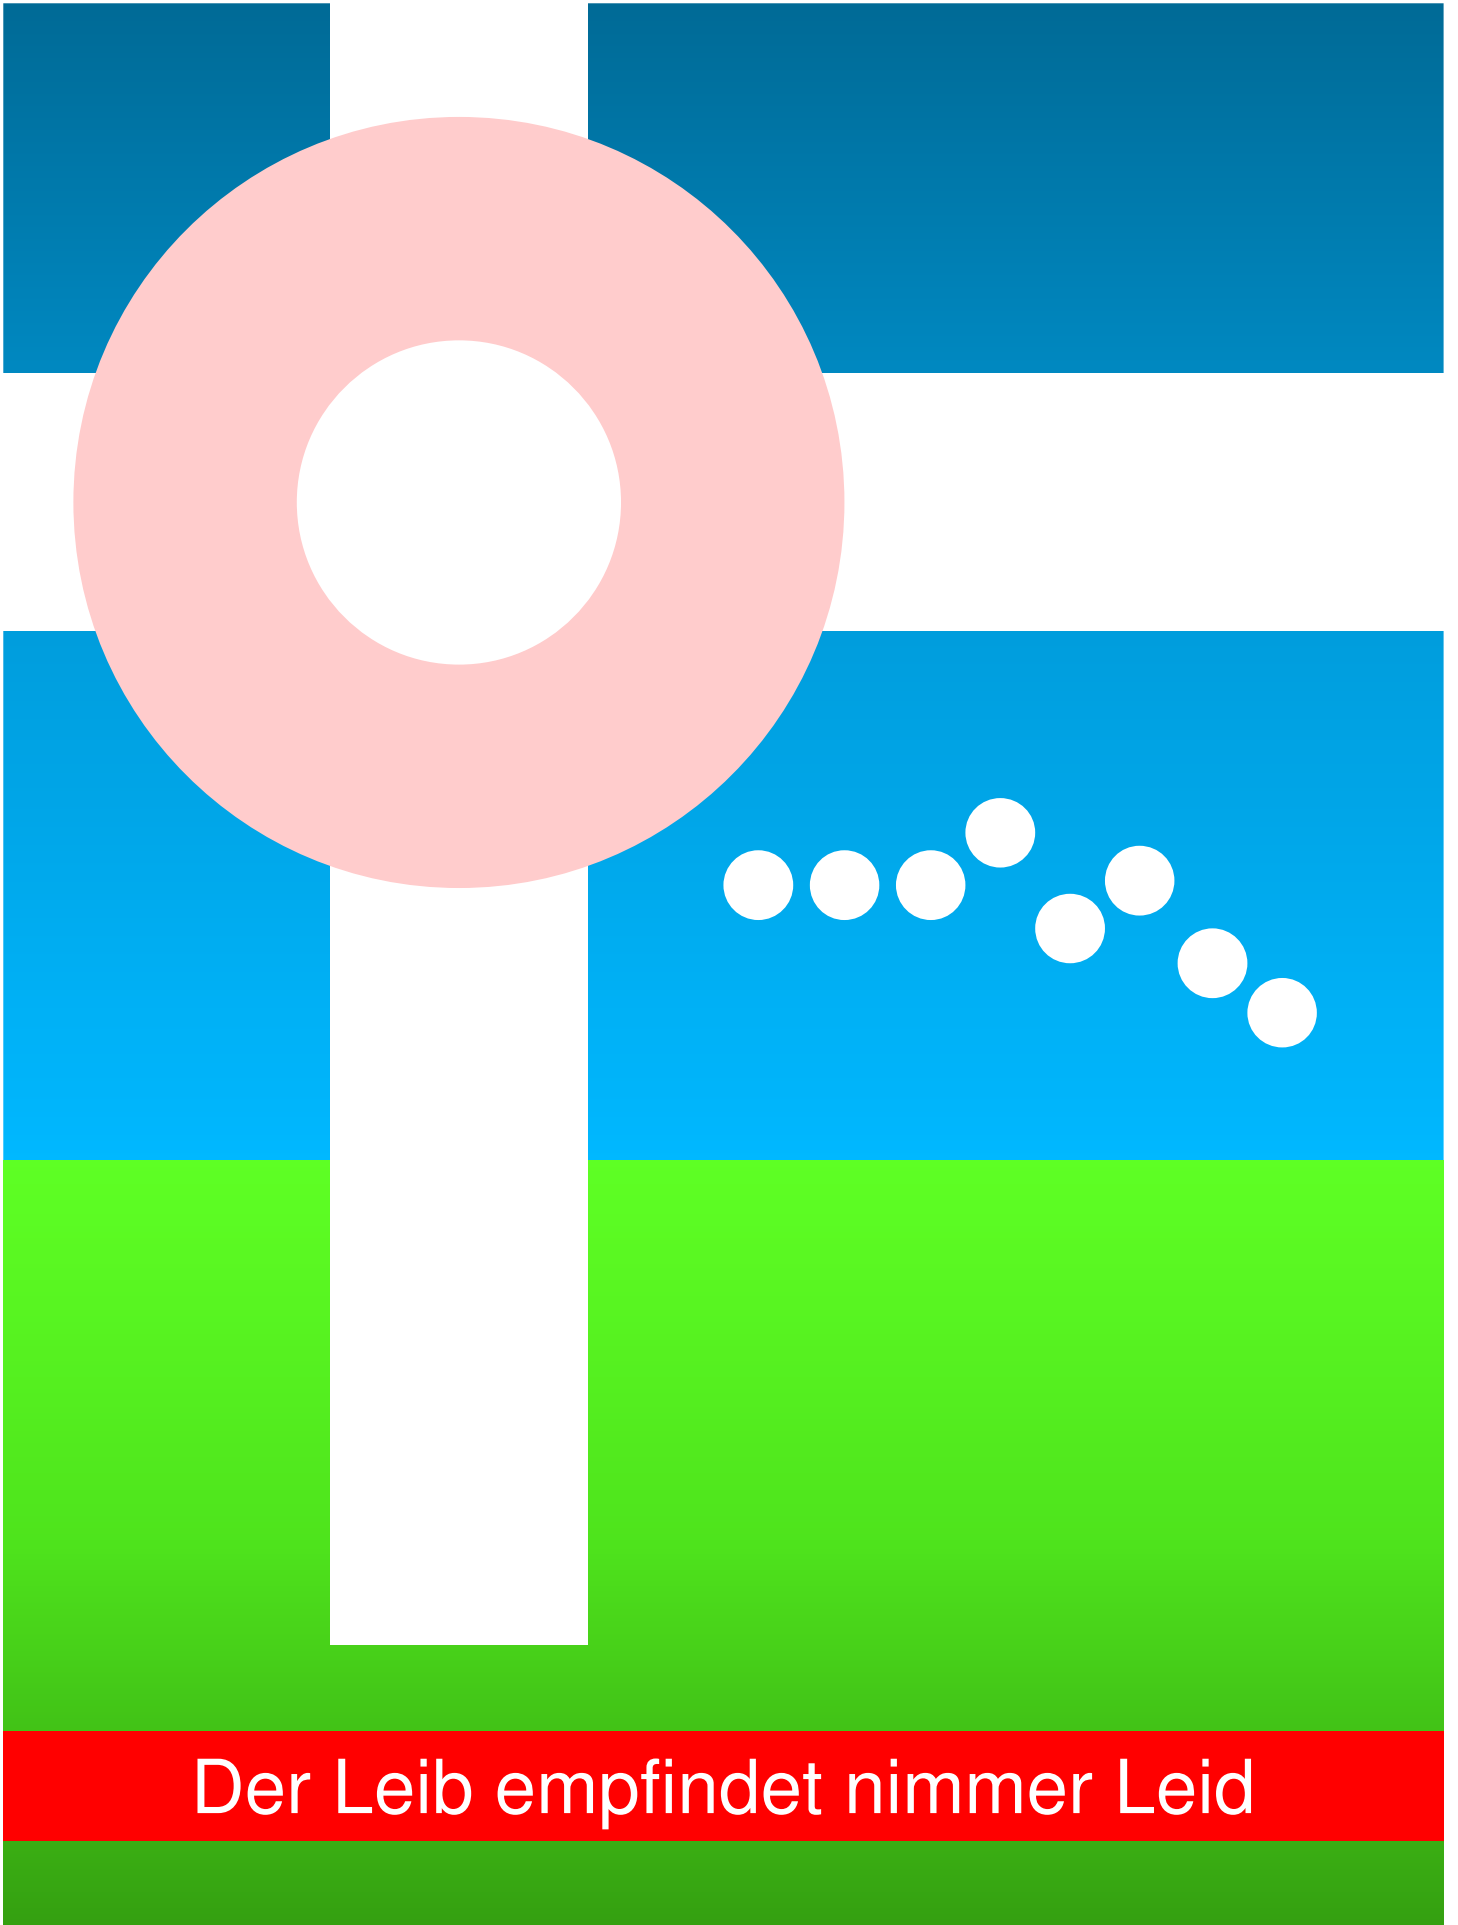

wie tausendfacher Sonnenschein

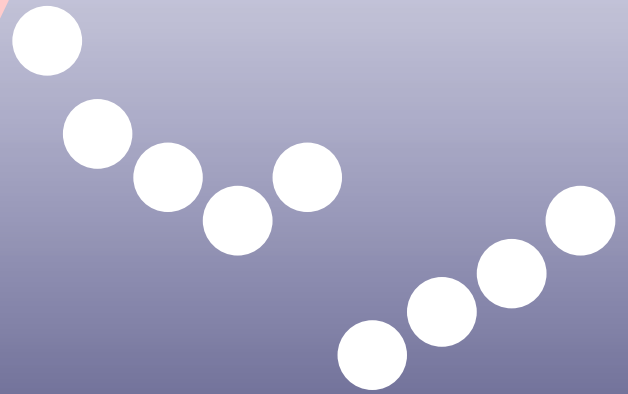

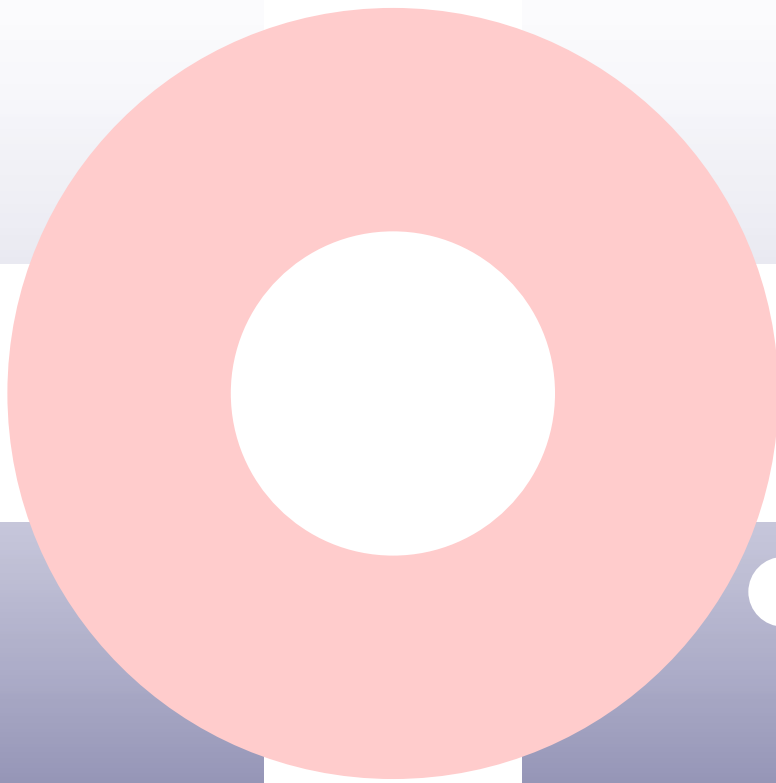

Halleluja

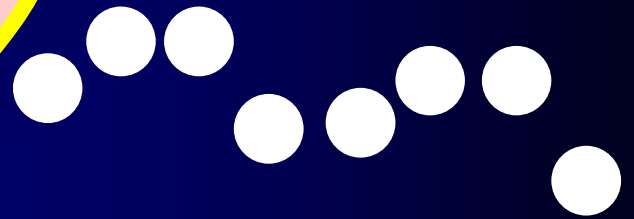

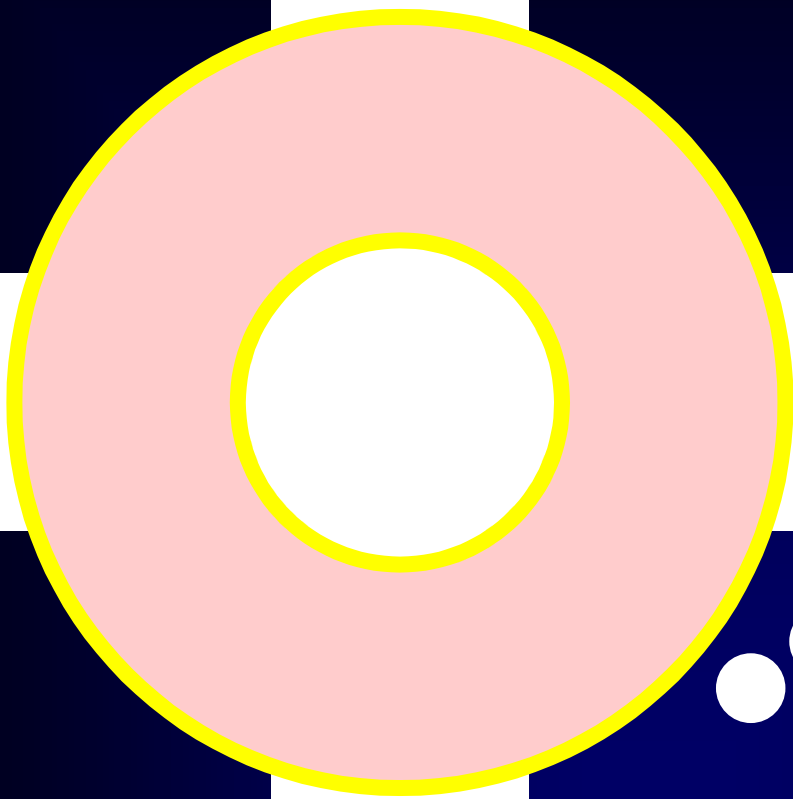

Halleluja

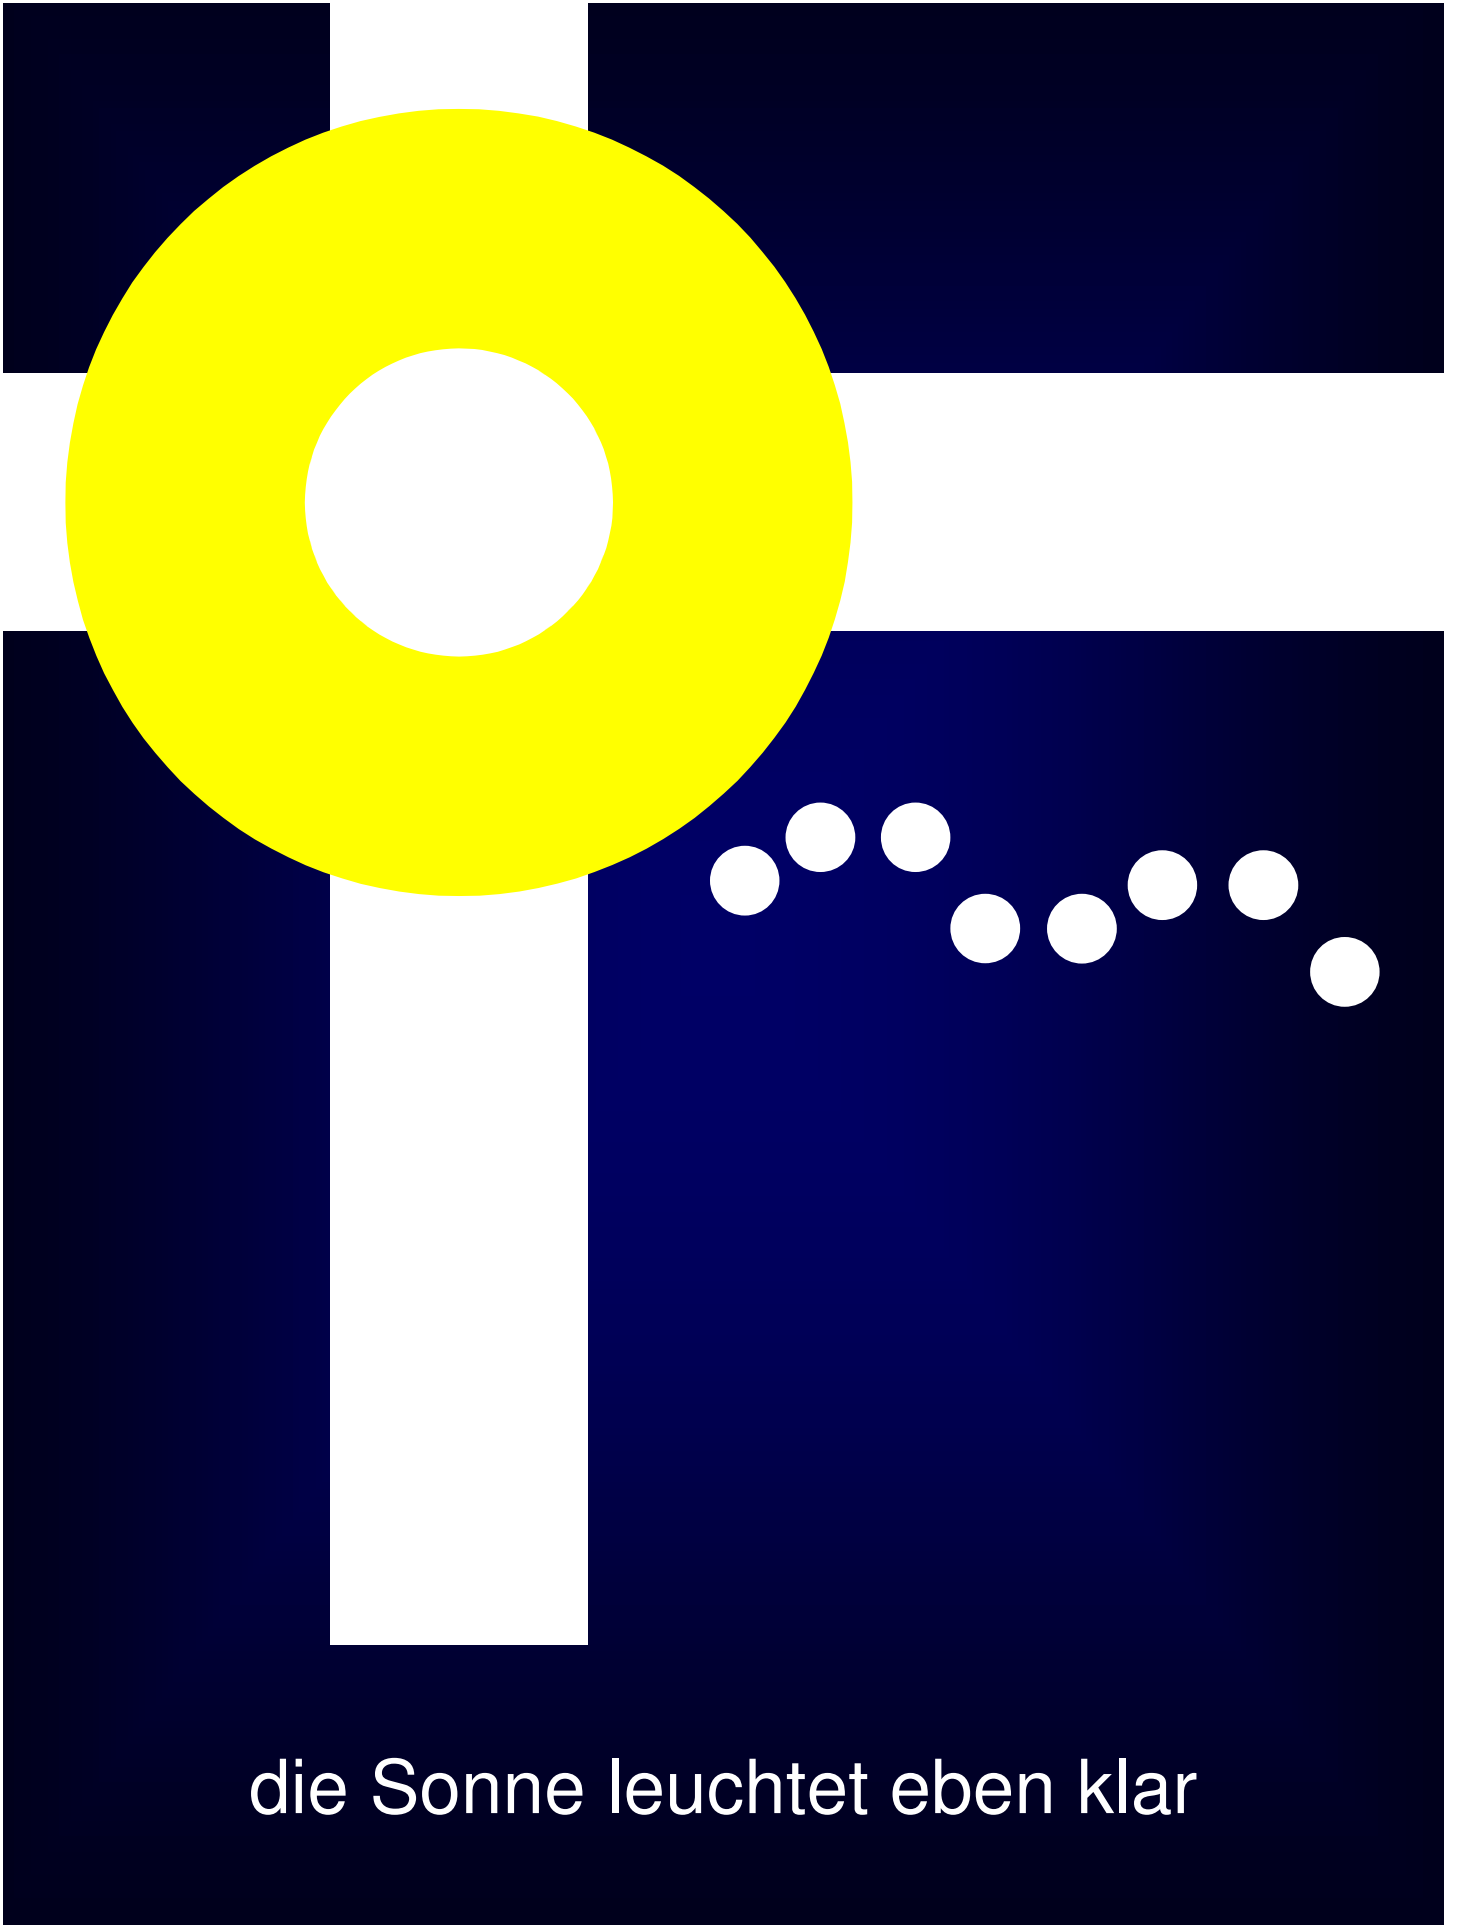

Der Leib empfindet nimmer Leid

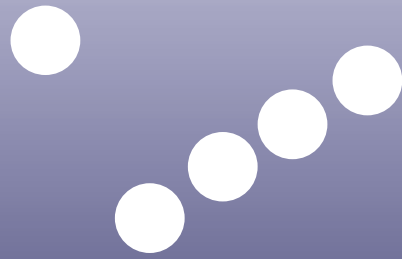

bleibt unverletzt in Ewigkeit

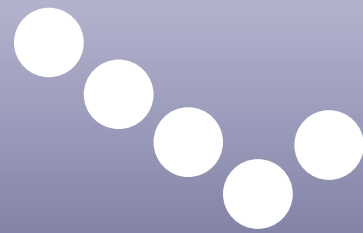

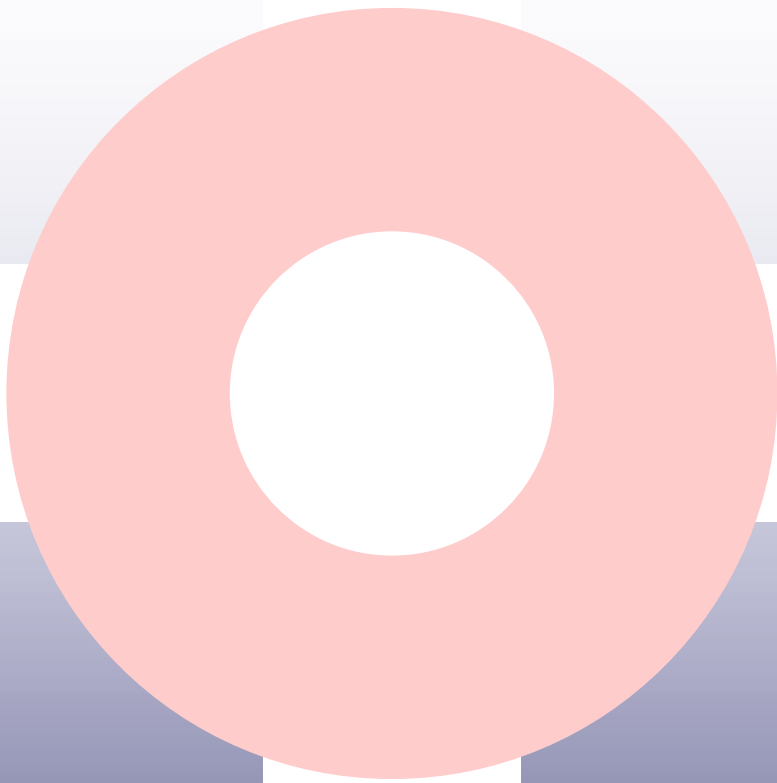

gleich wie so viele tausend Jahr

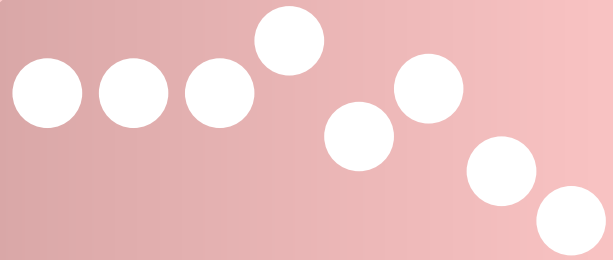

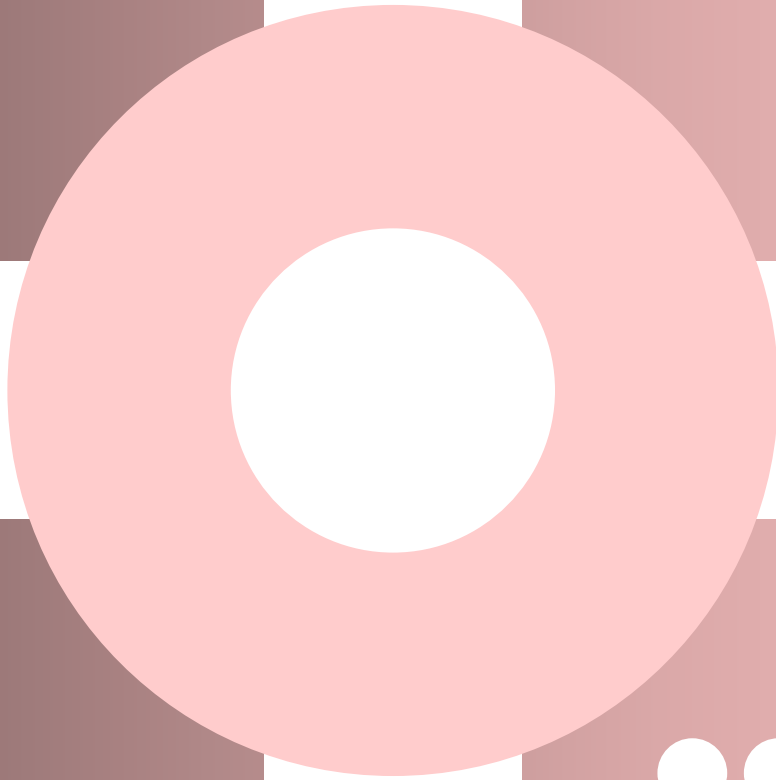

die Sonne leuchtet eben klar

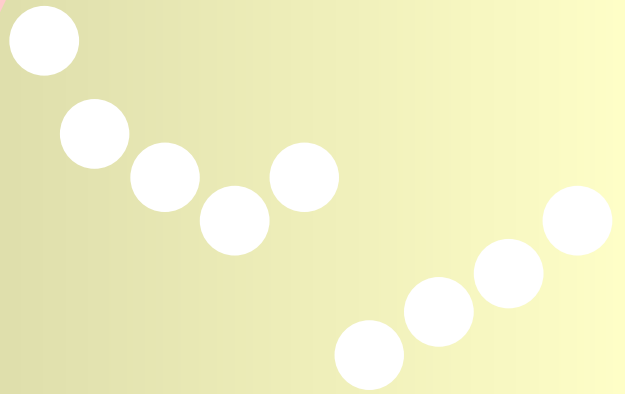

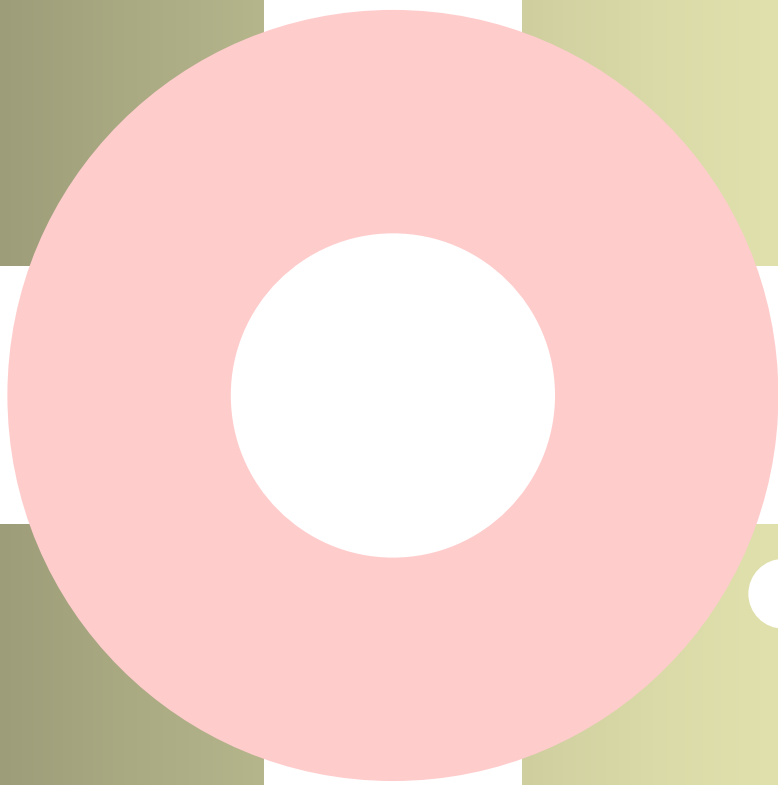

Halleluja

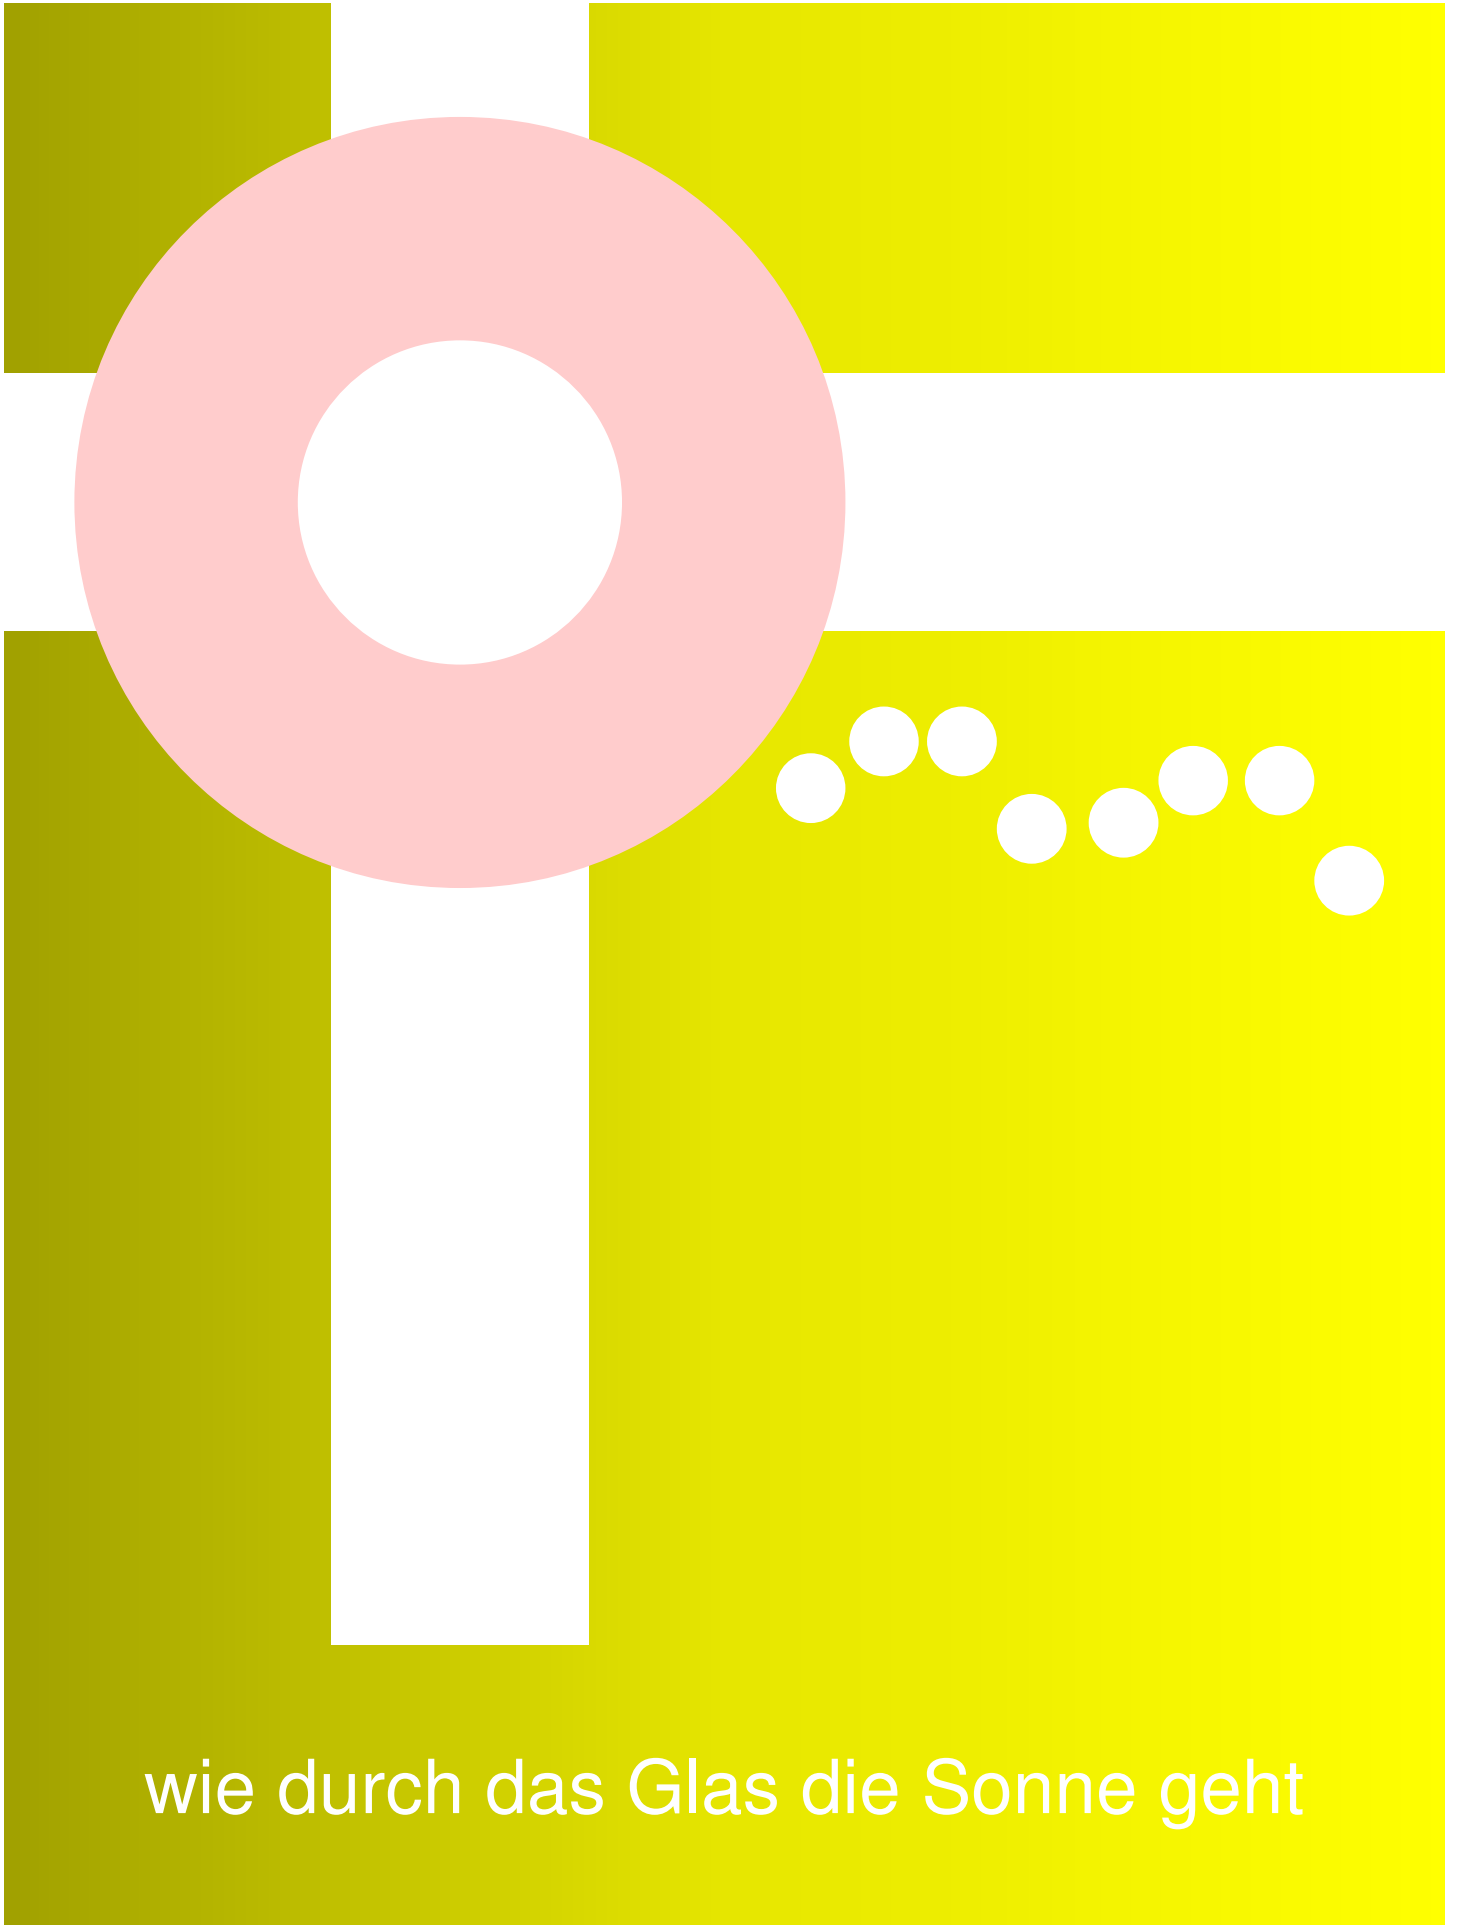

Halleluja

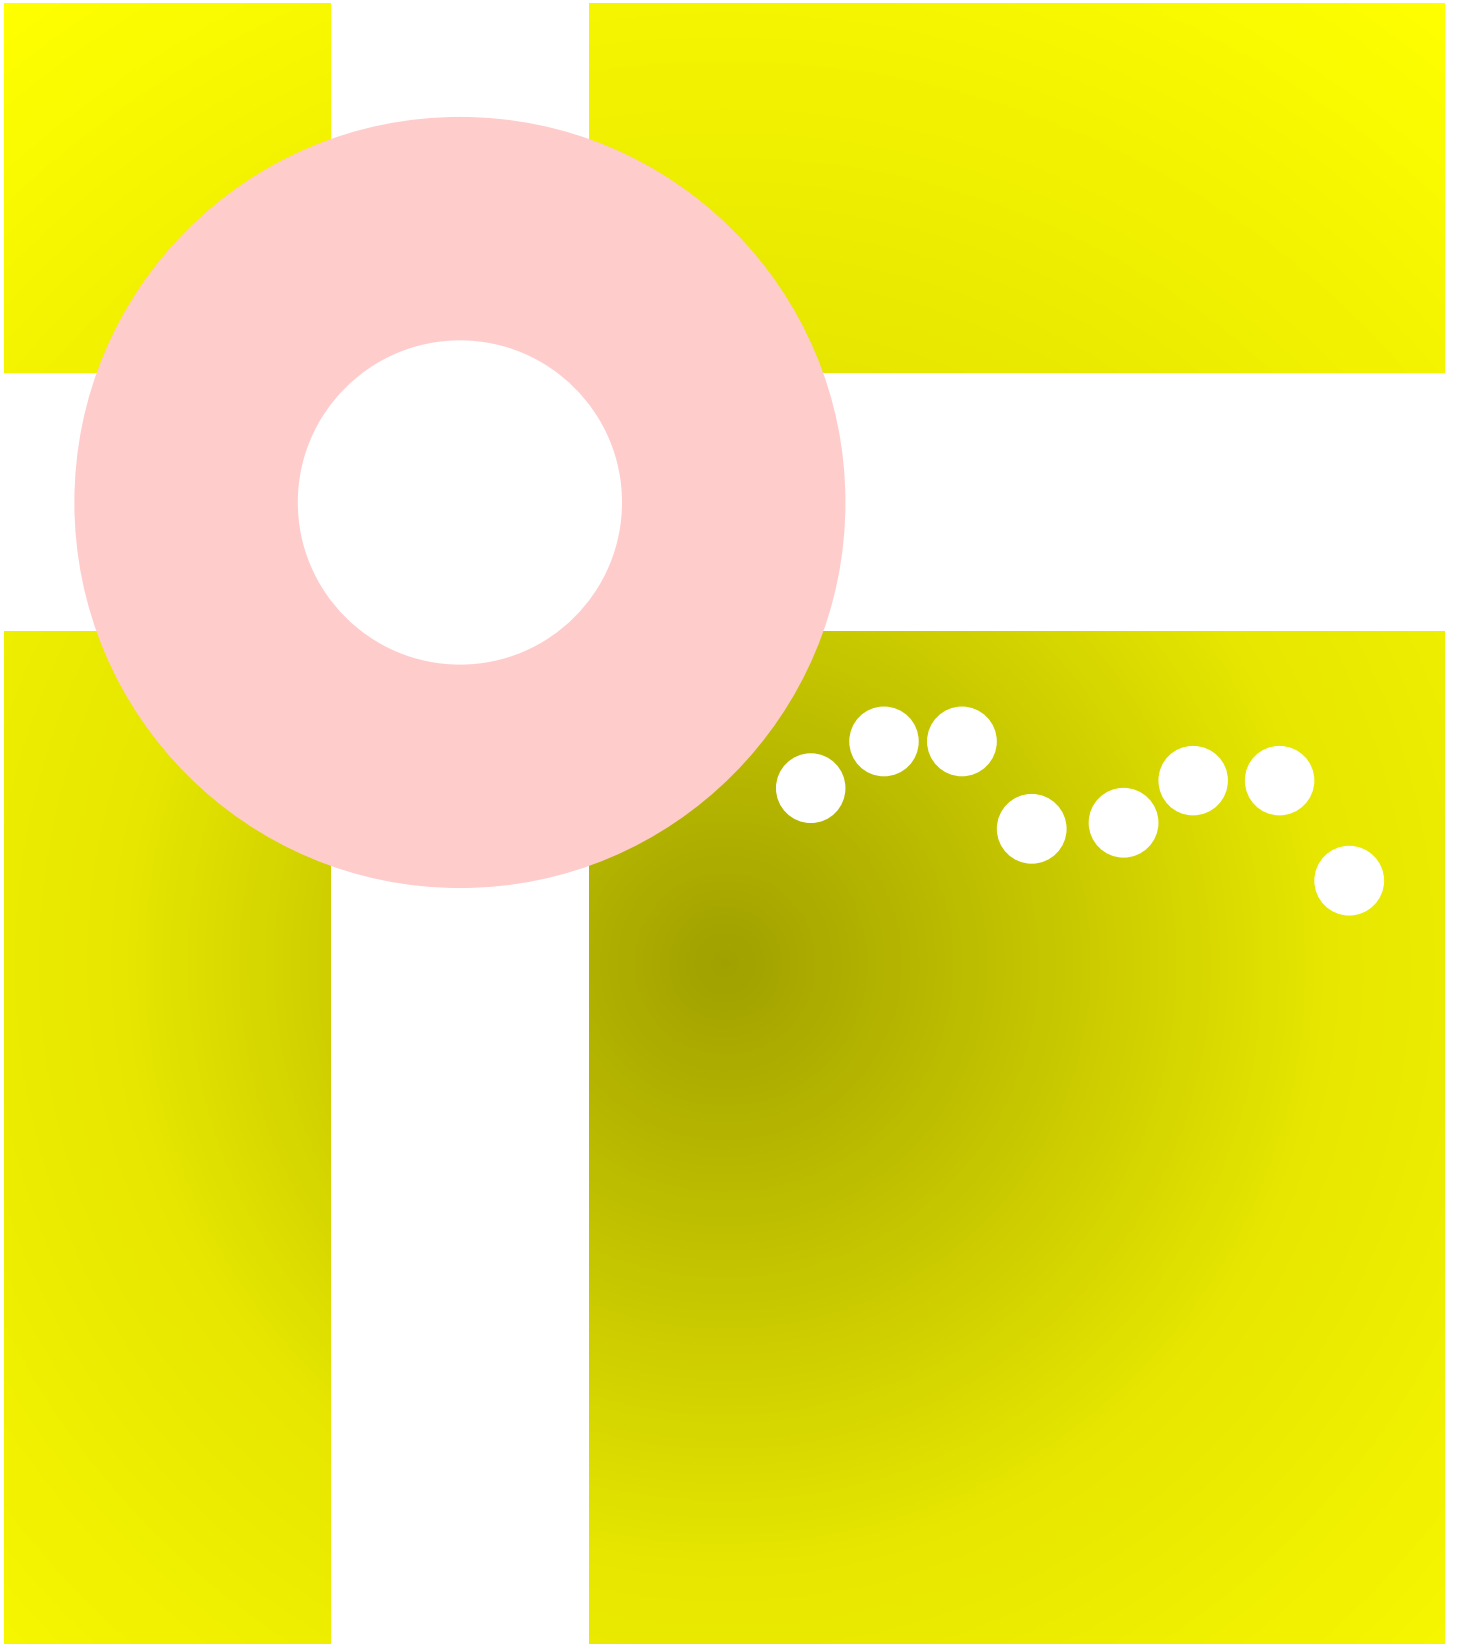

O Leib, wie zart, o Leib wie fein

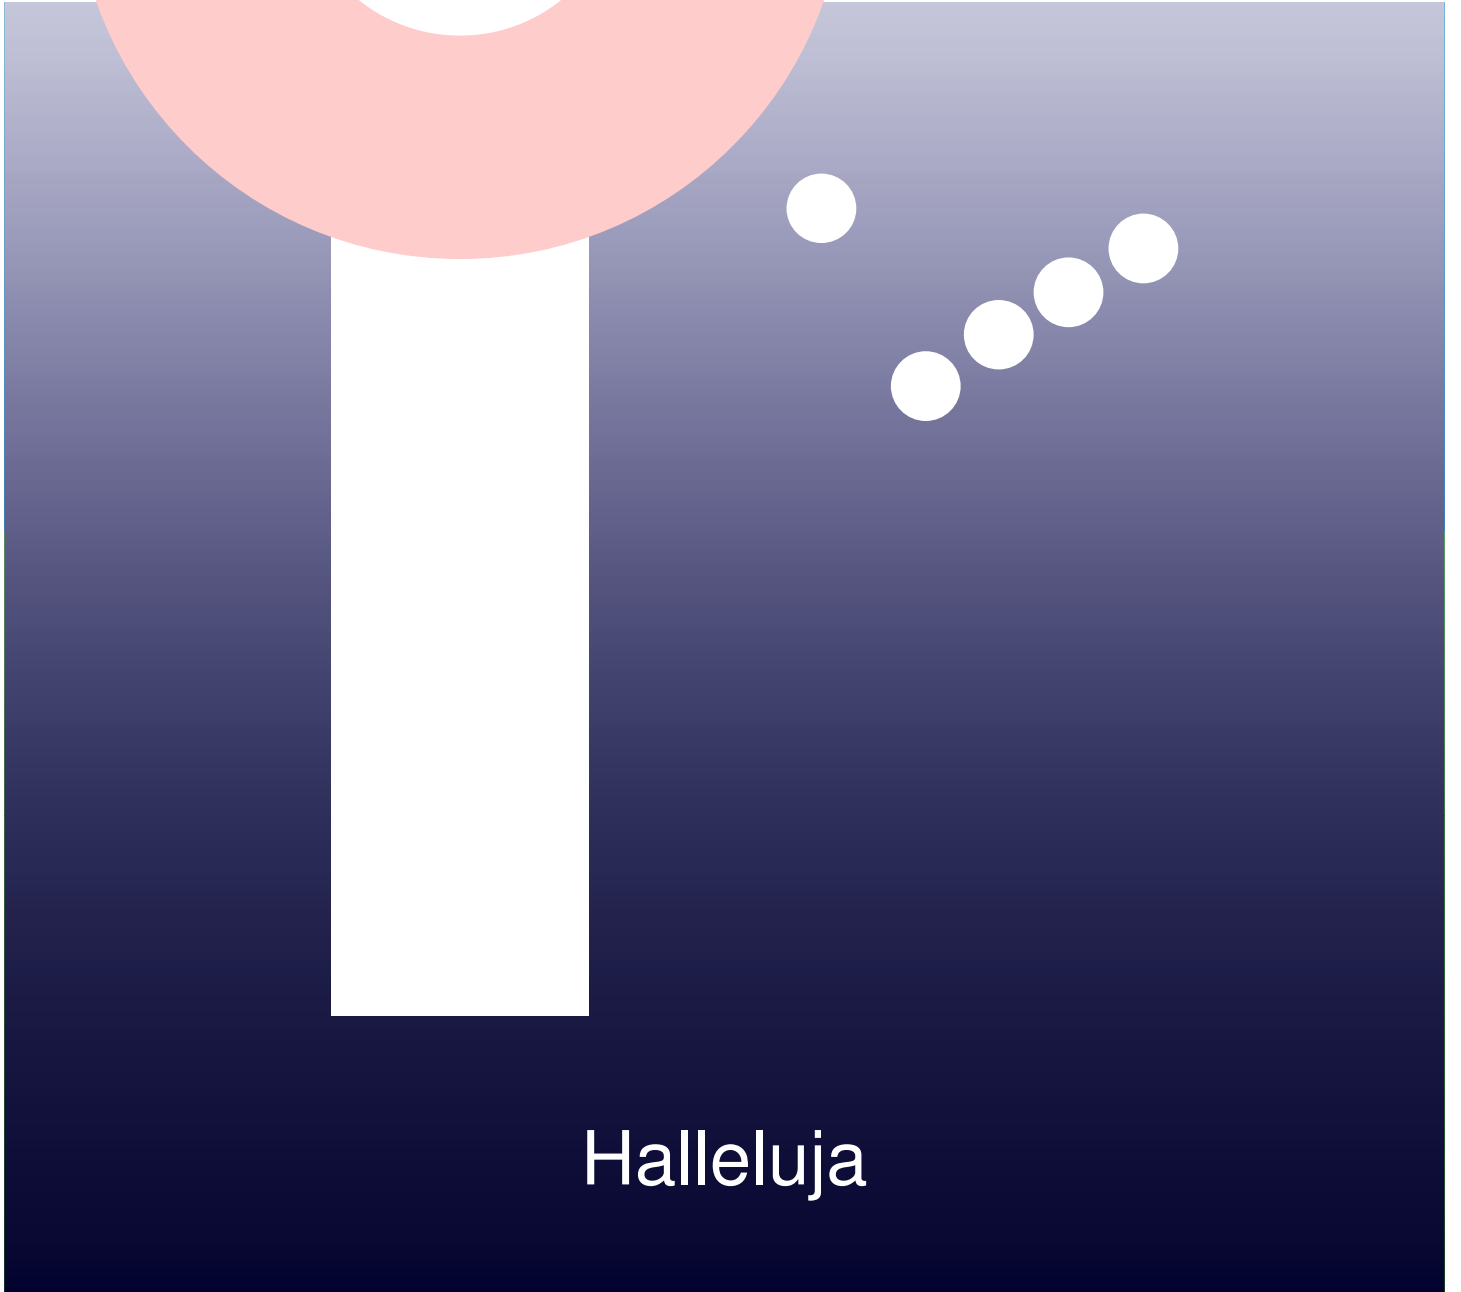

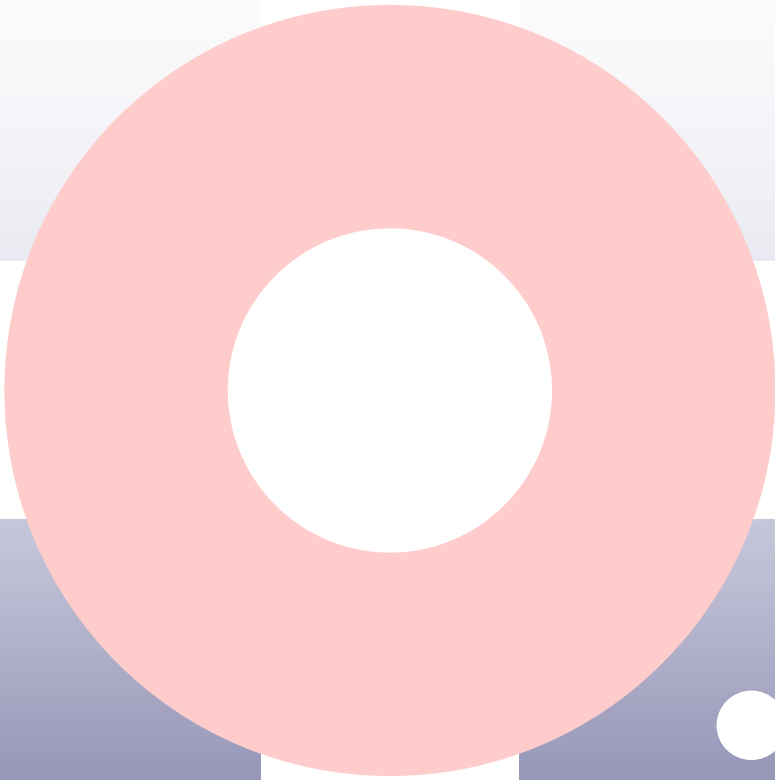

dringst durch verschlossene Türen ein

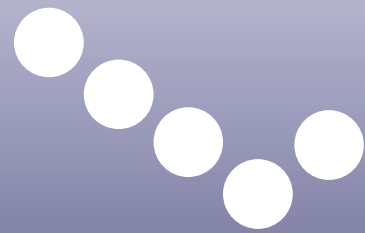

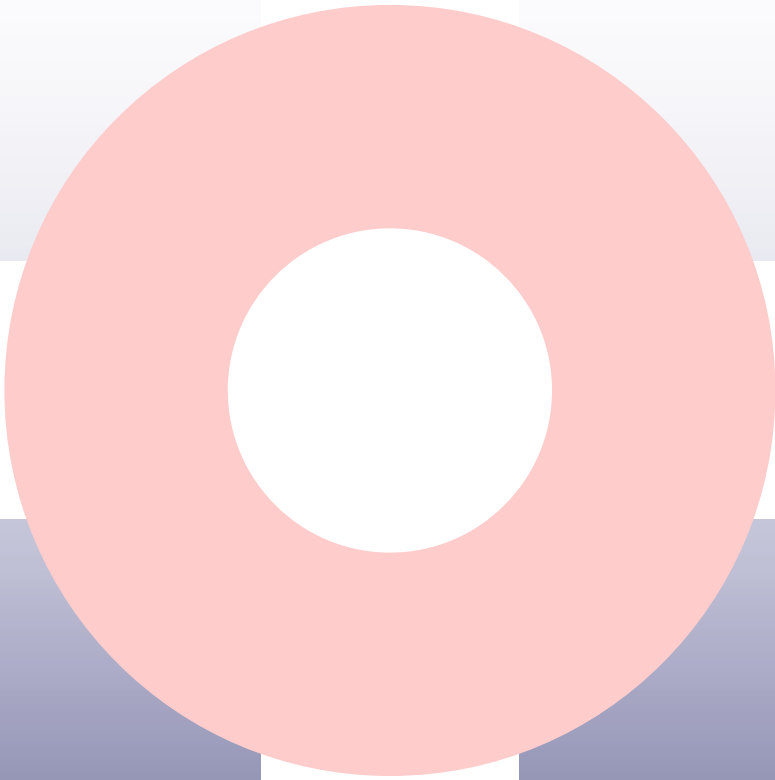

wie durch das Glas die Sonne geht

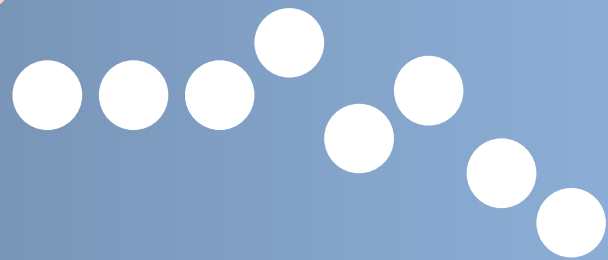

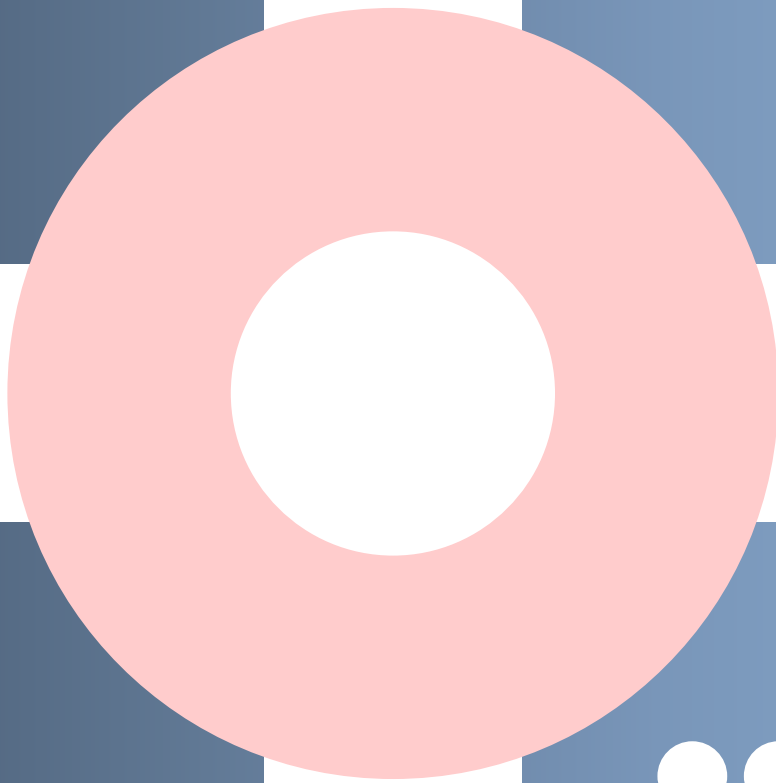

da nichts den Strahlen widersteht

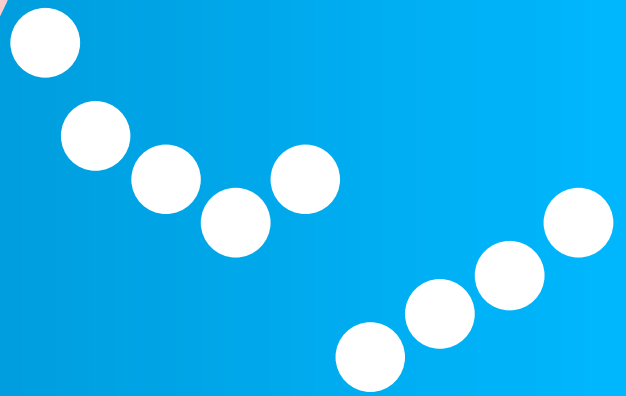

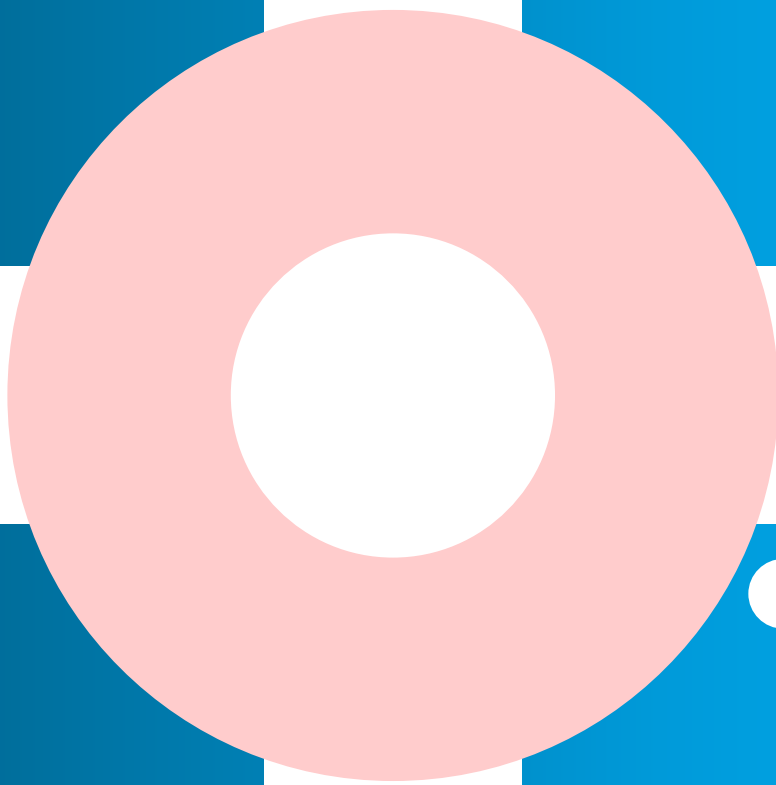

Halleluja

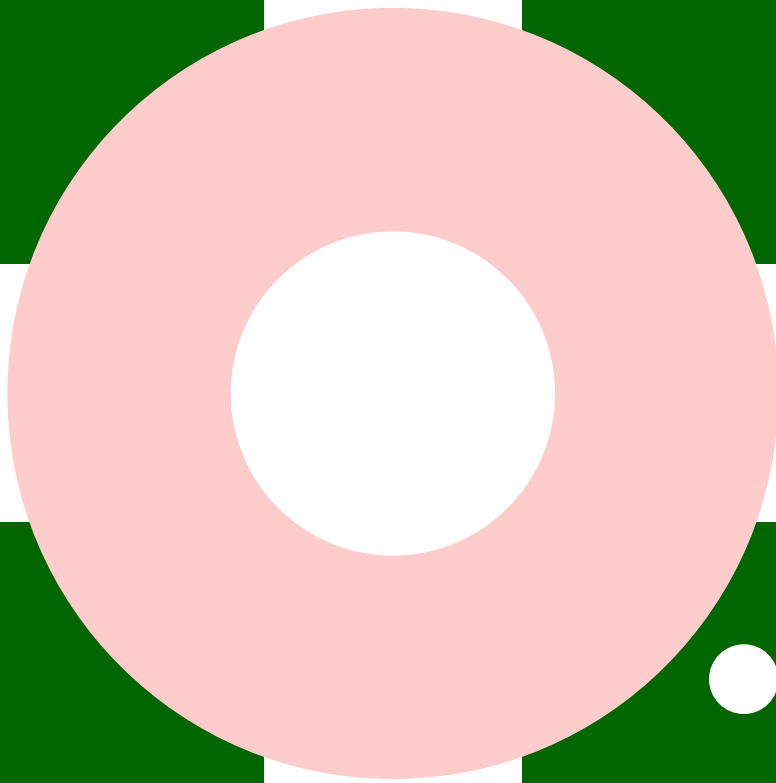

Halleluja

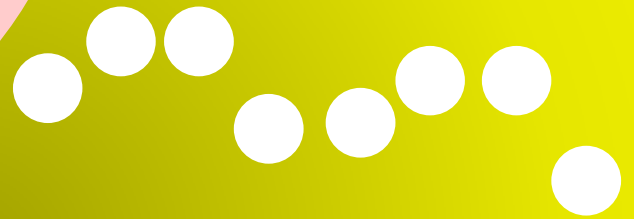

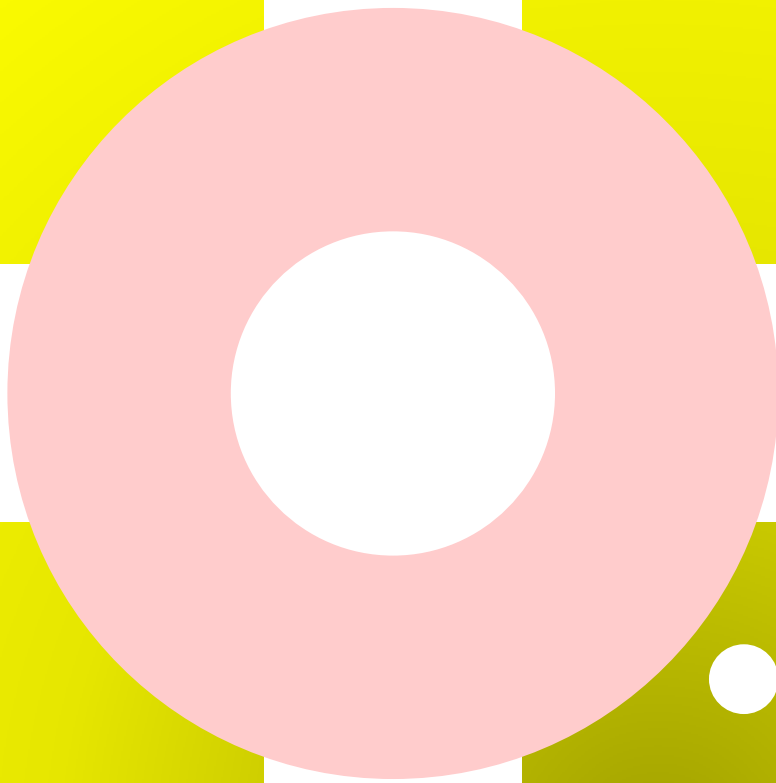

Schnell ist der Leib, schnell und
geschwind

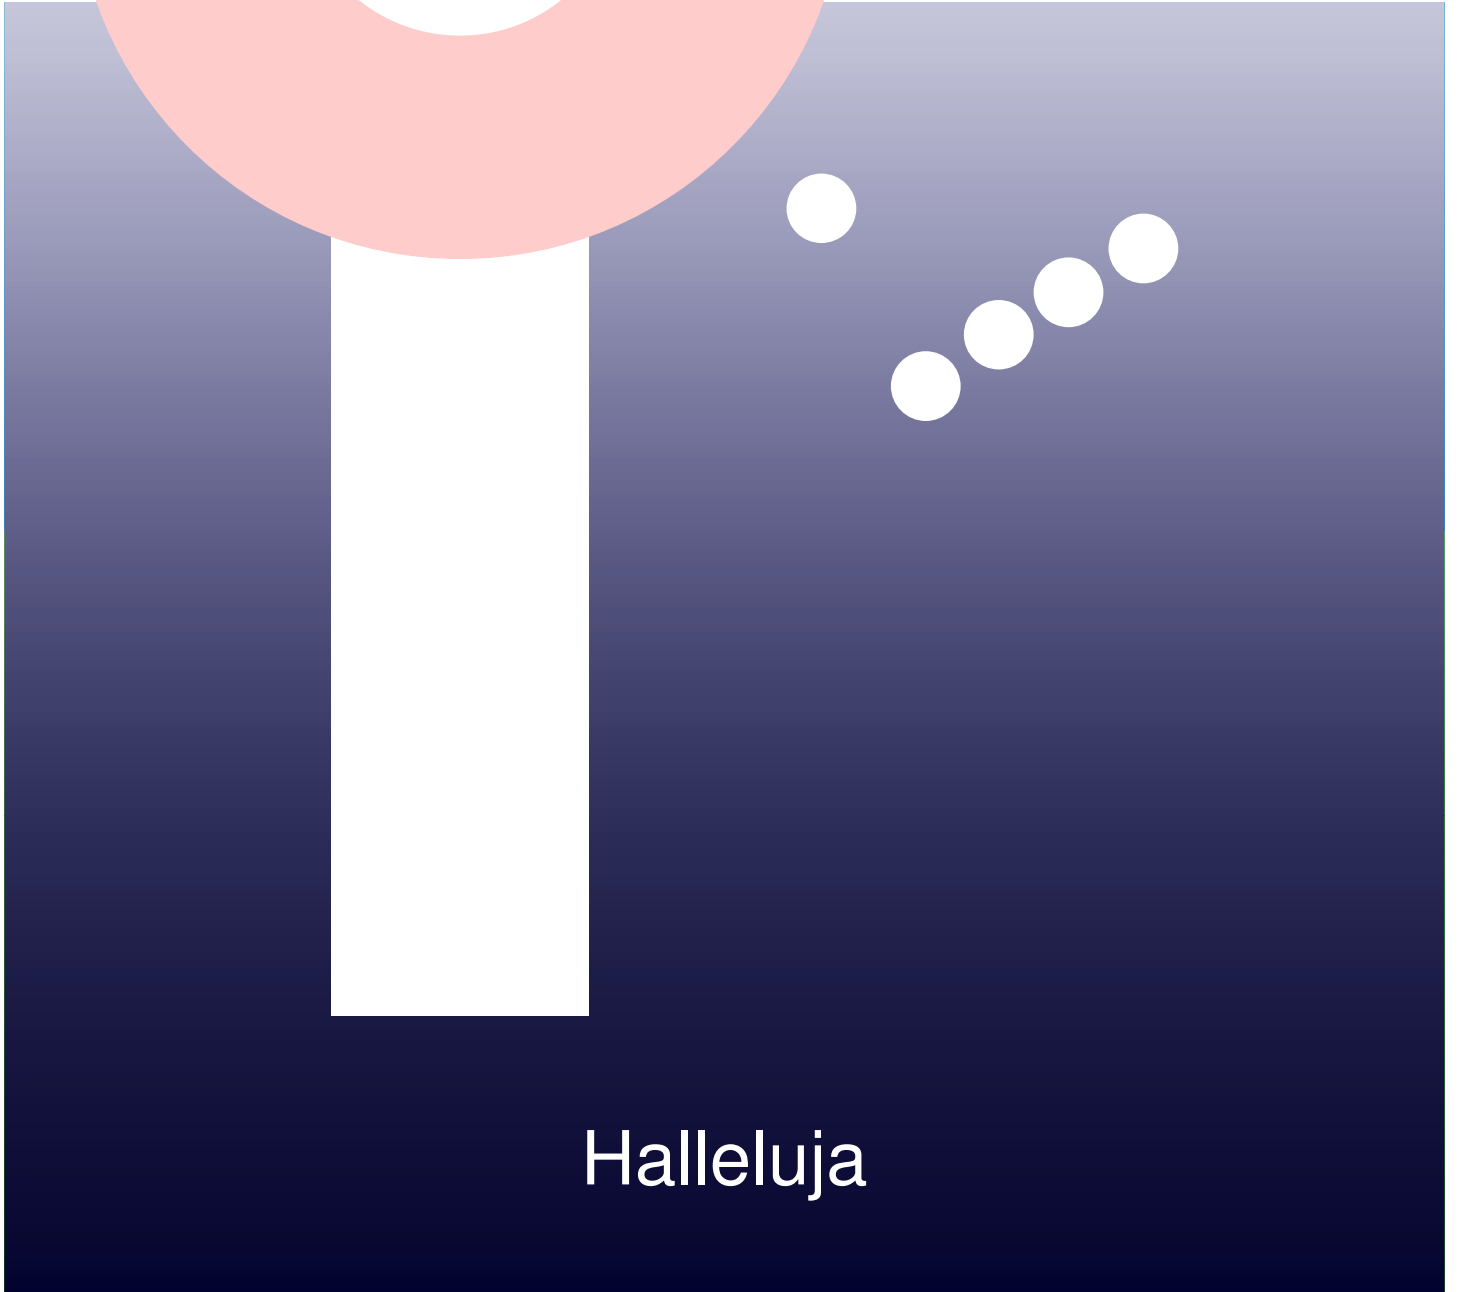

gleichwie ein Pfeil, gleichwie der Wind

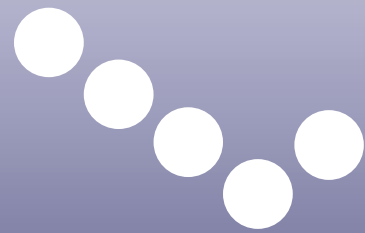

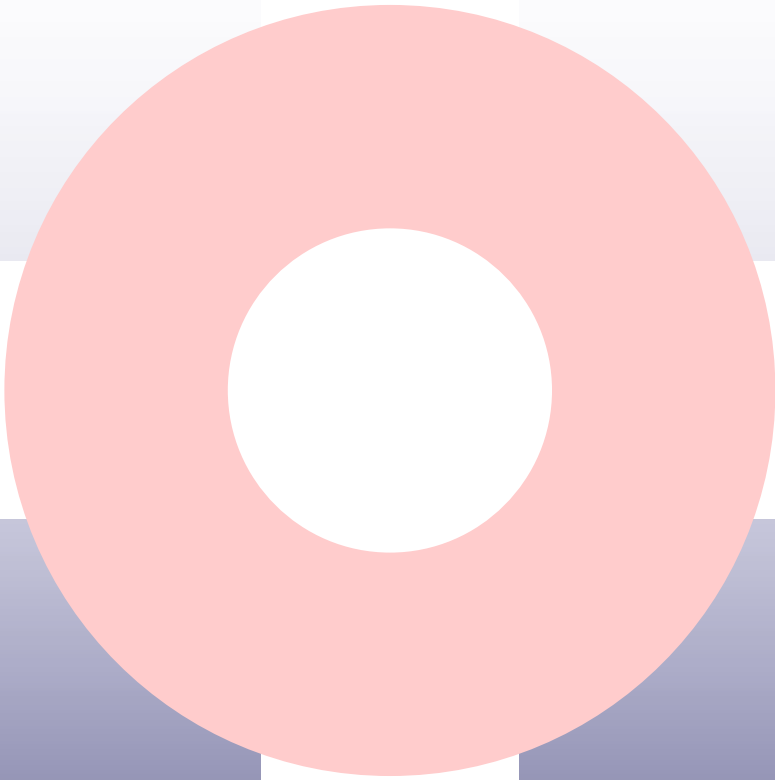

gleichwie die Welt viel tausend Meil

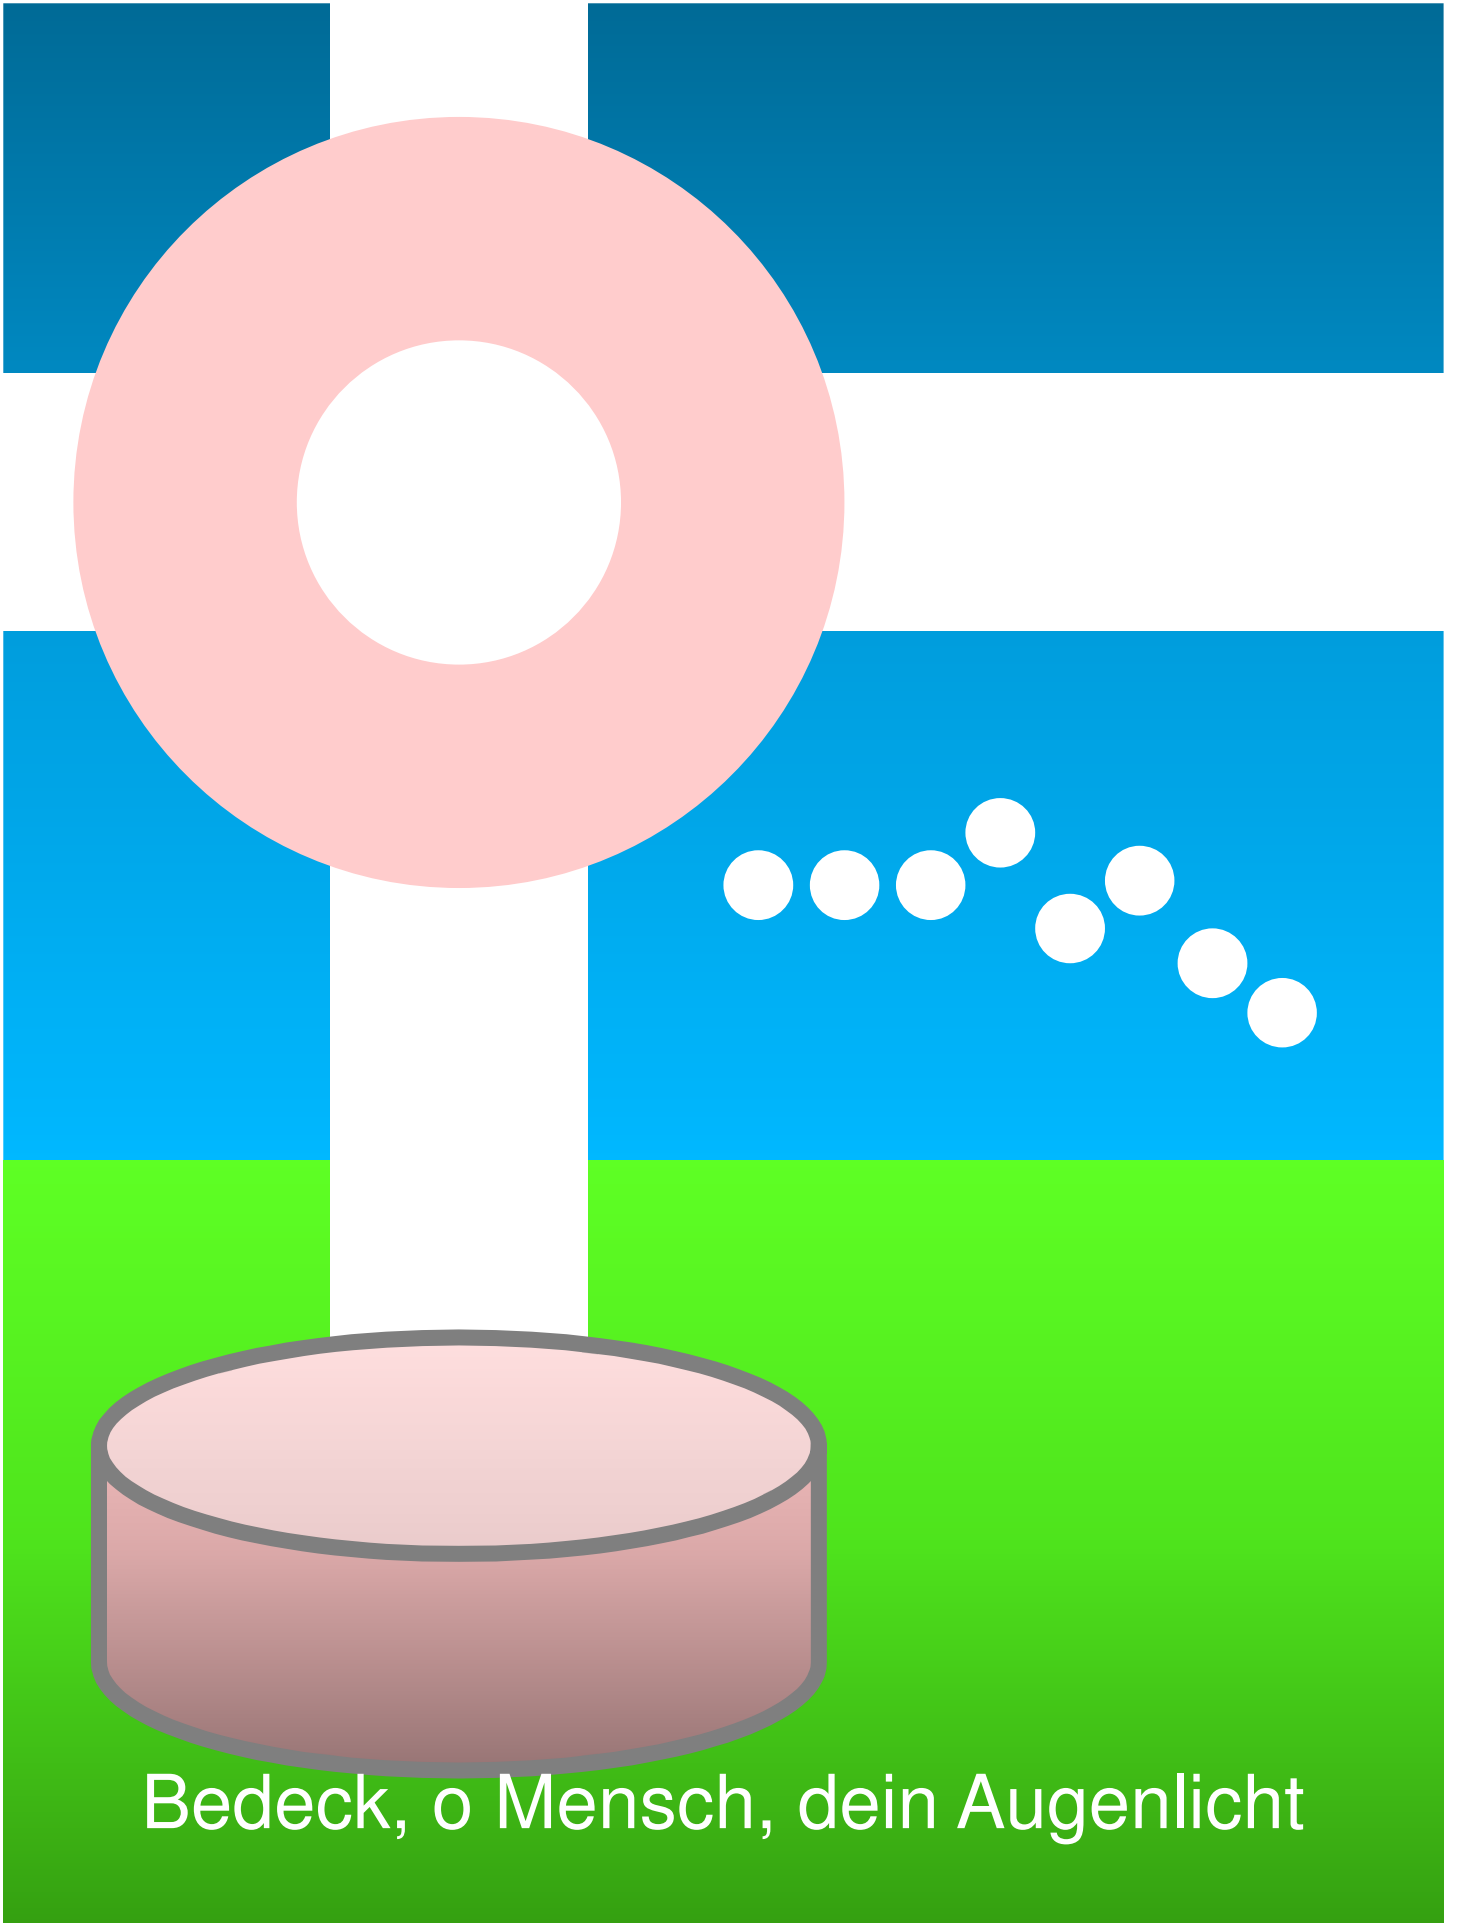

die Sonn umläuft in schneller Eil

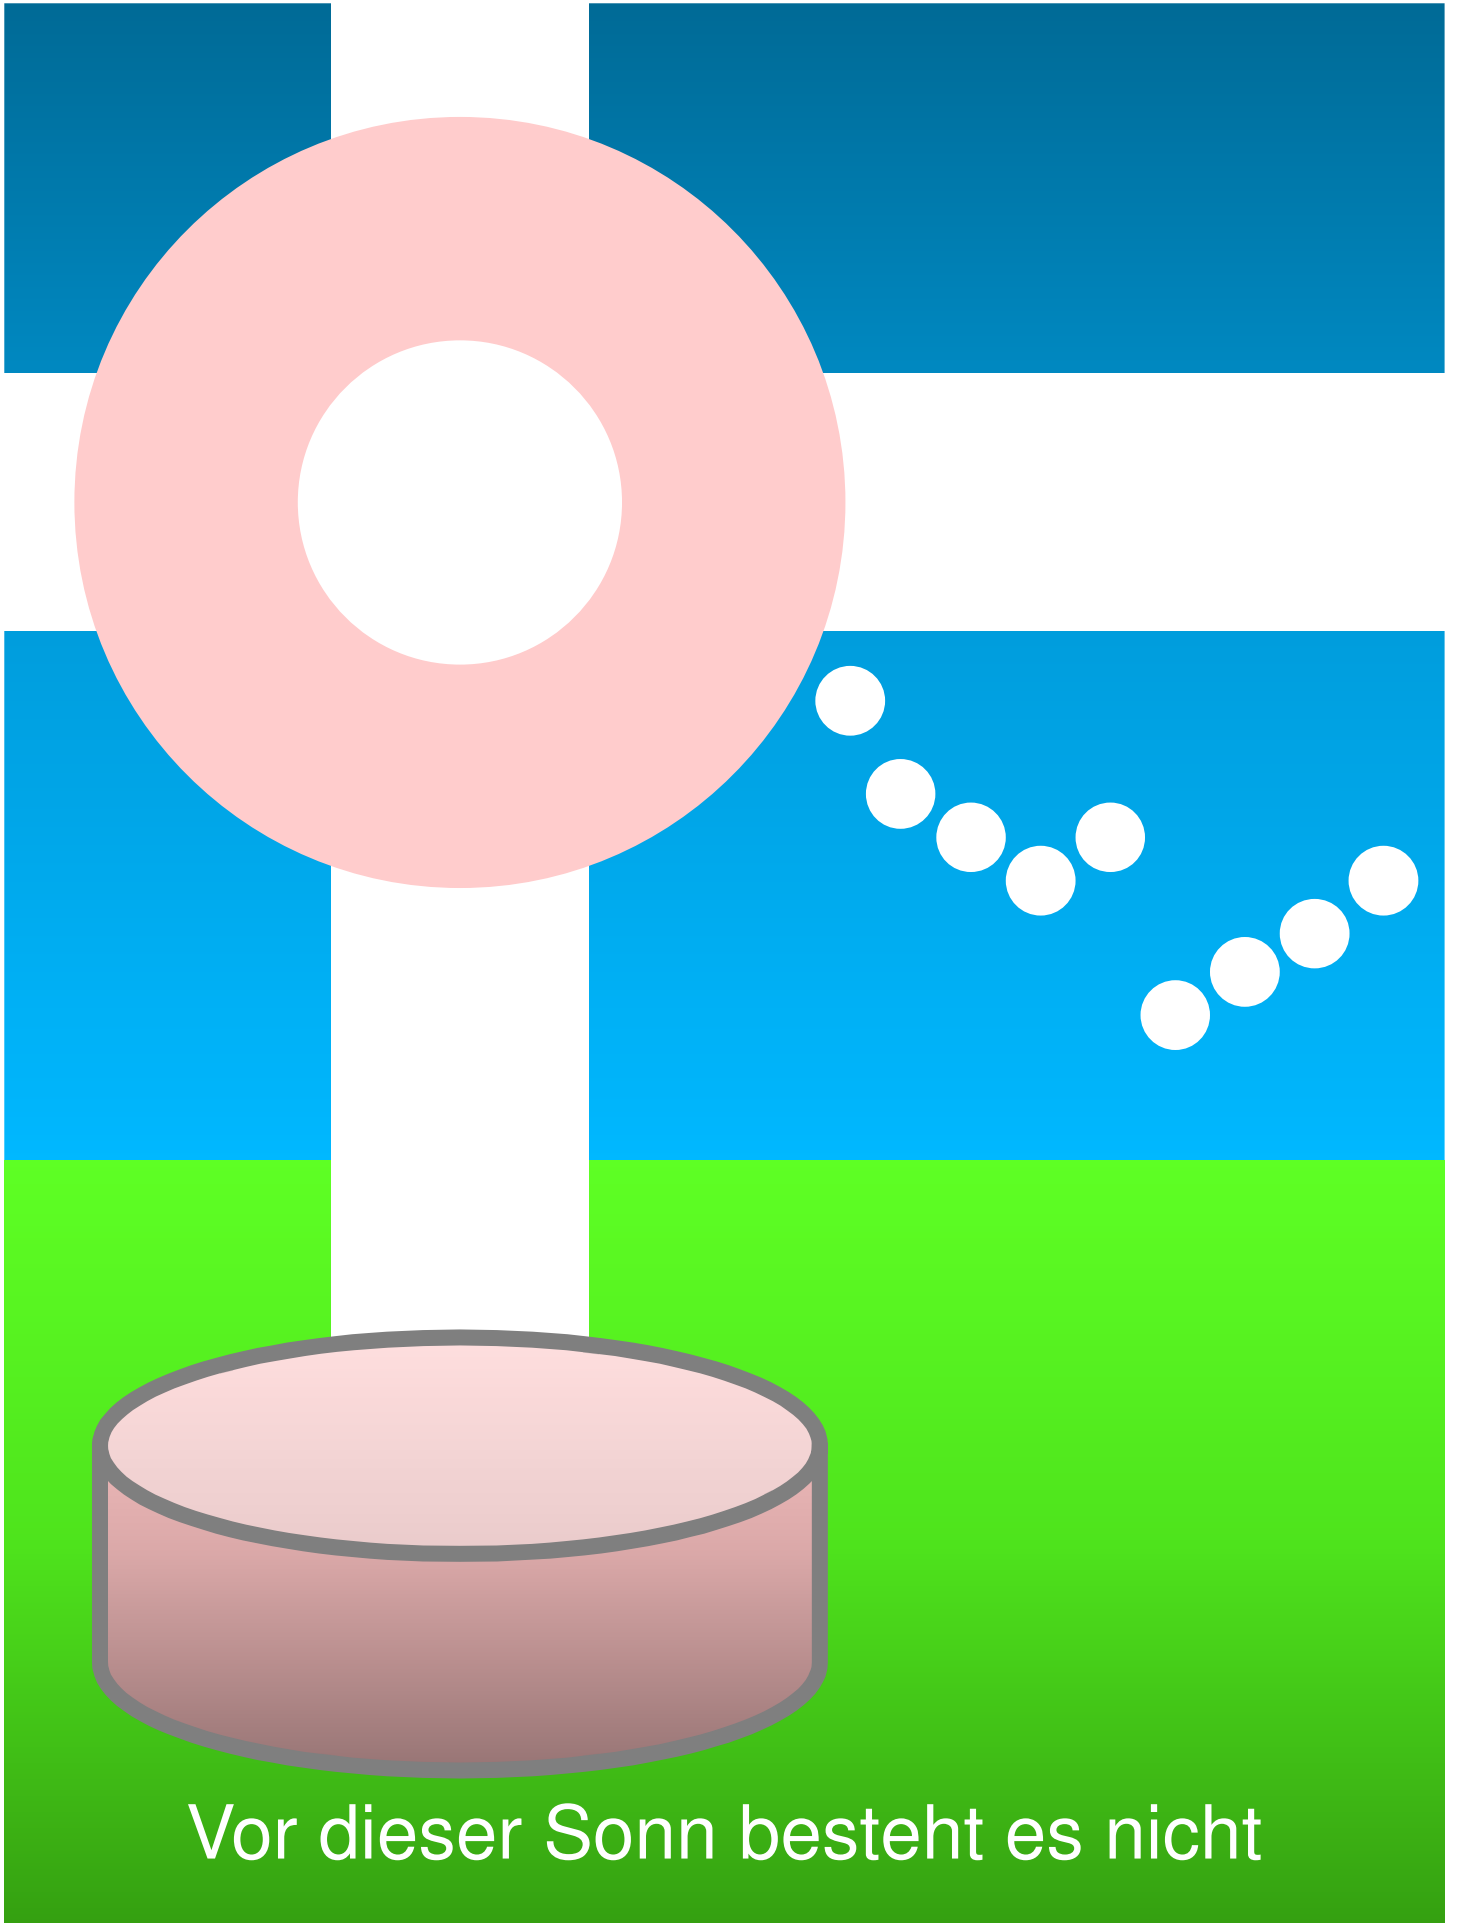

Halleluja

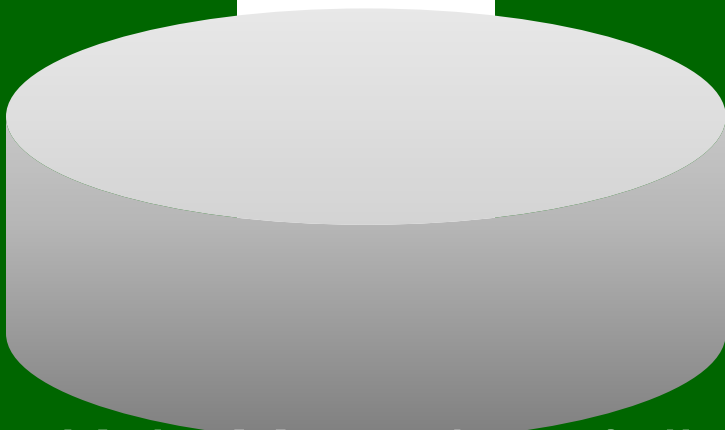

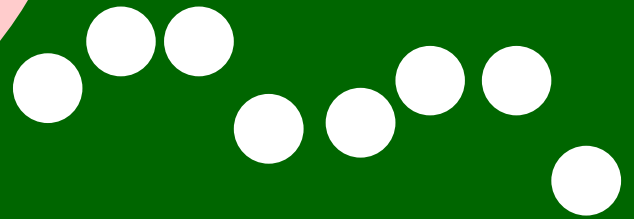

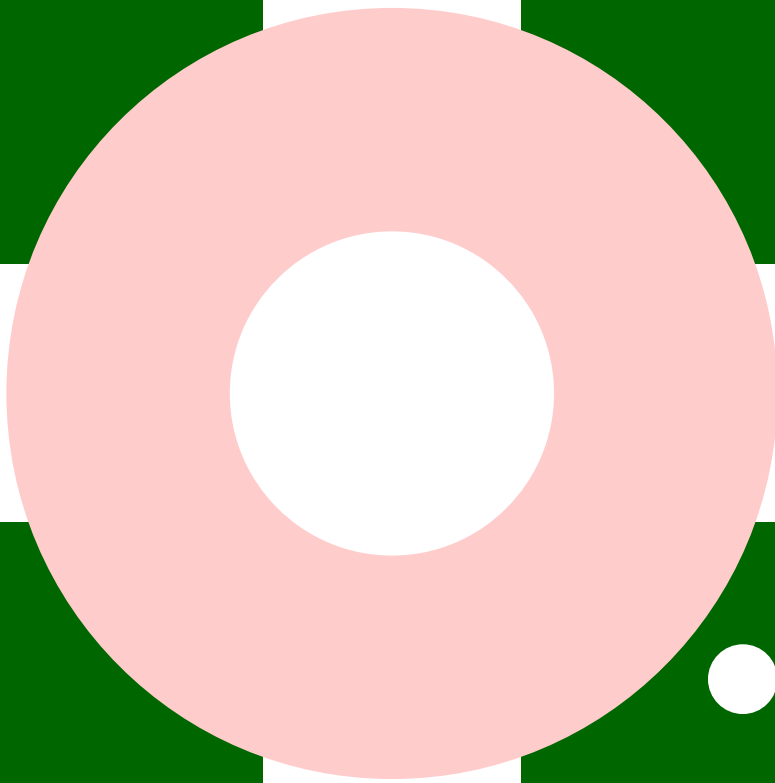

Halleluja

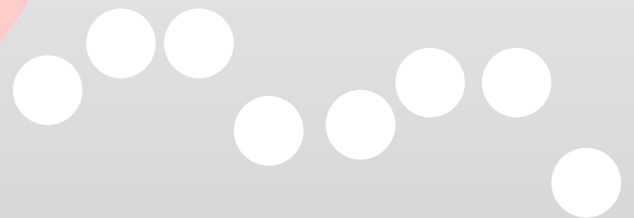

Bedeck, o Mensch, dein Augenlicht

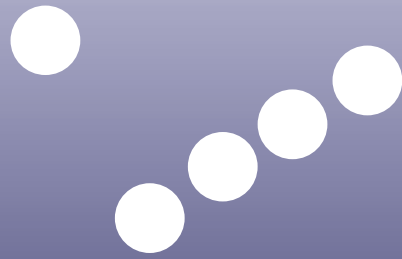

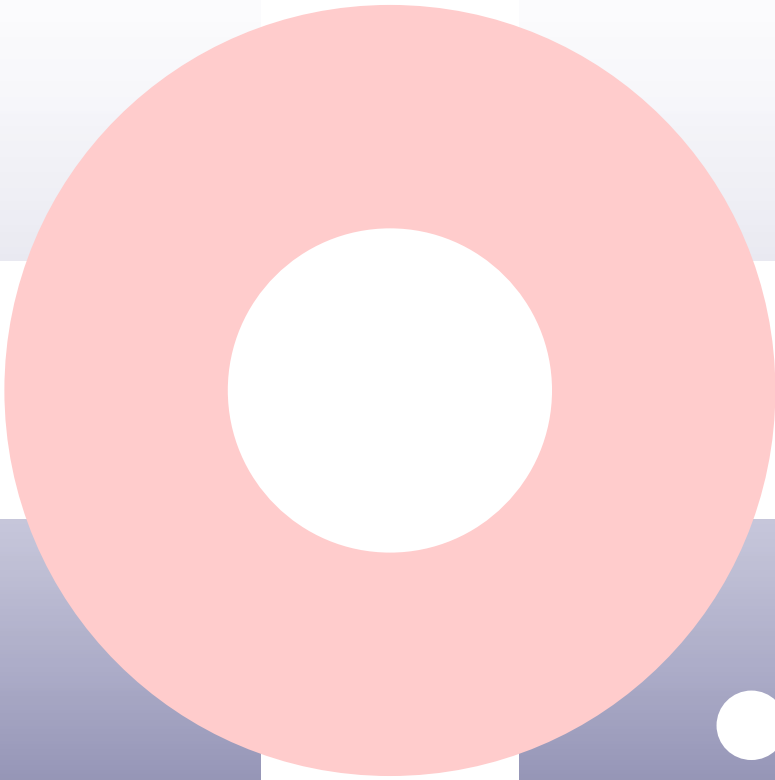

Vor dieser Sonn besteht es nicht

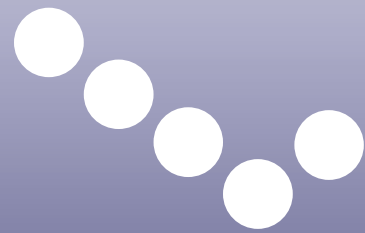

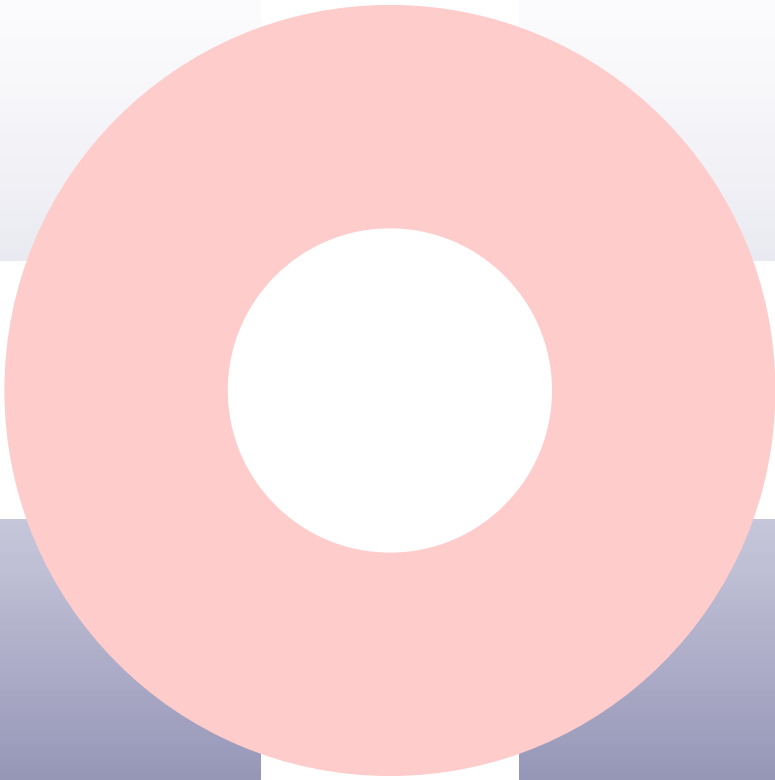

Kein Mensch auf dieser Erde kann

Den Glanz der Gottheit schauen an

Halleluja

Halleluja
