Komm herab, o Heiliger Geist

der die finstre Nacht zerreit

strahle Licht in diese Welt

komm, der alle Armen liebt

komm, der gute Gaben gibt

komm, der jedes Herz erhellt

Höchster Tröster in der Zeit

Gast, der Herz und Sinn erfreut

köstlich Labsal in der Not

In der Unrast schenkst du Ruh

hauchst in der Hitze Kühlung zu

spendest Trost in Leid und Tod

Komm, o du glücklich Licht

fülle Herz und Angesicht

dring bis auf der Seele Grund

Ohne dein lebendig Wehn

Kann im Menschen nichts bestehn

kann nichts heil sein noch gesund

Was befleckt ist, wasche rein

Dürrem gieße Leben ein

heile du, wo Krankheit quält

Wärme du, was kalt und hart

löse, was in sich erstarrt

Linse, was den Weg verfehlt

Gib dem Volk, das dir vertraut

das auf deine Hilfe baut

deine Gaben zum Geleit

Lass es in der Zeit bestehn

deines Heils Vollendung sehn

und der Freuden Ewigkeit

Amen

Halleluja
